Lola: Now the student truly surpassed the master.

Me: And embraced the light forever.

Nico: That's one way to say it.

Qin: Yep.

Camie: Yeah.

Me: Now we have to face the Anothers. Who knows what kind of monstrosities are coming.

Nico: Only one way to find out.

Eli: (Concentrates) Whoa! We have some dangerous and powerful ones! We have Another Evolt (Black Hole), Storious, Arc, Another Decade, Cronus, Adel, Banno, White Wizard, Kougane, Sagittarius Zodiarts, Maki, Jun Kazu, Kamen Rider Eternal, Dark Decade, Alligator Imagin, King, Death Imagin, Masato Mashima, Yokuko (Hibiki), Hiroshi, Kamen Rider Orga, Diablo, Kamen Rider Odin, Astronema and Roxy Rocket!

WE GASPED!

Me: WHOA! All the primary major enemies of the Kamen Riders that we took down.

Nico: Some of them we took down. These must be mostly Universe 666 versions.

Vypra: Yes most of them are universe 666 versions.

Me: Lets see. Element Magician, Tamao, Sailcat, The Bimbettes, Rhonda Ralltiir, Lava Girl, Olivia Houou, June Carrington, Velma Green, and the rest don't have archenemies yet from what I know.

Nico: And we just finished fighting Another Decade!

Mr: Yeah no kidding!

Lola: It's crazy!

Nico: Yeah!

Rhonda Ralltiir: But we're ready for them.

Velma Green: We sure are.

Tamao: This will be fun.

Nico: Yep.

Vypra: Also the Another Decade is the one with us.

Me: That is specifically well put.

Eli: I sense that the Anothers minus Roxy Rocket are one person.

Qin: Wow.

Me: Okay then.

Nico: There they are!

We saw The Anothers!

Me: WHOA!

Sougo: Deja Vu!

Hitoshi: Just like old times.

Soji: Yeah no kidding.

Another Eternal: (In a girls voice) This is gonna be awesome.

Lincoln: Kathryn Khitomer!? Whoa!

They merged and she reverted back and was a girl with sea foam green hair, green eyes, sea foam green hat, sea foam green wings and clothes and had an awesome keyblade.

Kathryn Khitomer: Awesome to see you again Lincoln and wow you grew into an amazing young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Kathryn Khitomer, Keyblade Knight of Khitomer, she's my's Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Khitomer, and she has intense nature powers. She is the Keyblade Knight of Khitomer, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of nature.

We were amazed.

Me: Wow! The Keyblade Knight of the Planet Khitomer. That was a really awesome adventure for us when we helped Kirk and crew.

Lola: Yeah it sure was!

Kathryn Khitomer: It sure was. I heard you guys saved Chancellor Gorkon and the Klingons from doom.

Me: We sure did. And there was a massive conspiracy that wanted to destroy the Klingon's forever.

Nico: Yeah it was awful!

Me: Yeah. By the way is the Another Roxy Rocket friendly or hostile?

Kathryn Khitomer: Friendly but you may want to find some place to warm her up. She is REALLY Cold all the time.

Me: Oh mab.

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Spring abundant holoél

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired massive waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Nico: Take that!

Xenia: Awesome!

Maria: I'm saving the MOE cannon for tomorrow

Me: All right then.

Me: Now we have Another Roxy Rocket.

Nico: Yep. All we can do is wait.

But then…

Me: (FEELS SOMETHING COLD) BRR! Geez! It's freezing!

Nico: Yeah!

May: Good thing I have ice powers

Me: I don't think it's coming from you May.

Qin: It might be coming from the Another.

Me: But Roxy doesn't have ice powers.

Roxy Rocket: He's right. I don't.

Qin: Look!

We saw the Another and it was Another Roxy Rocket! And she was REALLY SHIVERING!

Me: Boy she is really cold! But it must be in the 80s in here.

Nico: Yeah.

Another Roxy Rocket: I can't help it! I'm so cold!

Me: (GASP) That voice!

She reverted back and it was a girl with blue hair, blue eyes and she had blue angel wings and had blue clothes and she had a tiara with the symbol of the Cold Dopant on it and she had the same symbol on her skirt and she had an ice sword and she was shivering intensely.

Me: Cierra Cold! Oh man!

Cierra Cold: (SHIVERING) It's g-g-good to s-s-s-see you again J.D.

Nico: Man she is REALLY Freezing!

Me: Yep. She's the Embodiment of the Cold Dopant and she is always cold all the time and shivers like crazy. She also has ice powers and also has extreme cold powers. She is also an amazing airplane, rocket, helicopter and jet pilot.

Roxy Rocket: Wow! Just like me. But man she is really cold.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Cierra Cold: Just to… stop b-b-b-being so cold. But I f-f-f-froze him before that.

Qin: That we can do.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you and warm you up.

Lincoln fired a wave of light and separated her and we warmed her up with a blanket and hot chocolate.

Nico: Time for some stellar power! (ACTIVATES ROXY ROCKET AND ASTRONEMA'S RIDEWATCHES)

He fired blasts of energy and smashed the Another.

May: Eggs-ceptionally fun! (ACTIVATES YOLKER AND UNIVERSE 666 STORIOUS'S RIDEWATCHES)

She fired a wave of eggs and energy and blasted the Another.

Maria: Top this too! (ACTIVATES SCULPIN AND PHANTOM OF THE BWAHPERA'S RIDEWATCHES)

She fired a blast of energy and smashed the Another all over.

Hisui: Time for some stellar power! (ACTIVATES ASTRONEMA'S RIDEWATCH)

She fired a blast of stars.

Then Metal Sonic, Francisco, Universe 666 Mizuki, Zurg, Yost Trapster and Leila Draco came.

Nico: Nice Team Metal Sonic!

Metap Sonic: Thanks Nico.

Vinyl Scratch: Awesome!

Laney: Yep.

?: I'll say!

Spring Man came.

Me: Spring Man! Awesome!

Spring Man: (In a girls voice) I'm ready to jump into action!

Nico: Selena Spring! Wow!

Selena Spring: Yep I got this.

She fired a blast of energy and smashed the another down and I caught the Ridewatch and purified it.

Me: YEAH!

Nico: You're naked right?

Selena Spring: Yeah I sure am.

Me: Uh oh. (Puts on blind man glasses) It's going to hurt just so you know.

Selena Spring: I know.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up and then she reverted back and was a girl with pink hair and had orange eyes and had pink wings and a symbol in the middle of her forehead in the shape of a spring.

Selena Spring: Ouch man that hurt. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her awesome new pink clothes and she looked awesome.

Selena Spring: Wow! I look awesome and great.

Nico: You sure do.

May: HA! I didn't get hurt this time.

Maria: I expected a spring.

Selena Spring: Sorry about that.

Hisui: What's your favorite memory of Nico?

Selena Spring: When me and Nico went and stopped a bank robbery and bounced off the walls and smashed them down.

Nico: That was funny and cool.

Laney: Awesome.

Nico: Yep.

Nico and Selena Spring hugged.

Nico: I've missed you.

Selena Spring: Back at ya.

We later left the simulator and went to get some snacks.

Lincoln: Whoa, we're here in India, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got word there are reports of a ghost haunting India and killing any who dare to remain on the streets at night.

Me: A ghost haunting India and killing people who dare to remain on the streets at night? This is way too spooky.

Nico: It sure is.

Martian Manhunter: I can also sense that this ghost has an identity that's familiar to all of us.

Lincoln: I was about to say, but the only way to find out is to track the ghost down.

Suddenly, we saw thirteen beautiful and super sexy girls with long hair matching every color in the rainbow with dark blue hairbands, blue eyes, they were tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive beautiful angel wings matching their hair, and they were dressed in dark blue sleeveless crop tops, dark blue skirts, dark blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, elemental forces, phoenixes, and angels on the coattails and on the back are the Autobot Lightspeed Rescue team, holstered on their back are thirteen massive greatswords and with them are the twelve girls.

Aoi Policeangel: That's right, and we got the girls away from the ghost, and you're not going to like who it is.

Suddenly, we heard a ghostly moan, and we saw a ghostly figure appear from the darkness and it took shape and it took the shape of someone we hoped never to see again: it was the ghost of Dark Sebastian.

Nico: Dark Sebastian?!

Sebastian Mendez: So, he's the ghost responsible for this! (Realizes something) Wait a second, he's not a ghost, he's just a construct created by the infernal darkness of my Universe 666 counterpart.

Sylvester: So, he's just a cheap imitation, but he sure is as bad as the real one.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: This isn't a coincidence though, today is the start of the war against Universe 666 Sebastian, and he decided to start by creating "ghosts" of Dark Sebastian with his dark powers. Let's teach him a lesson on what happens when he tries to use those kinds of dumb tricks against us.

Then, Lincoln fired a beam of light which destroyed the Dark Sebastian construct and he screamed in demonic anger as he turned to dust. We cheered as we holstered our weapons and powered down.

Lincoln: That's the end of the hauntings in India, but Universe 666 Sebastian is just getting started, so we really need to watch it with that lunatic. (To the Policeangel Sisters) And it's so good to see you and your sisters again, Aoi.

Aoi Policeangel: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Policeangel Sisters and he hugged them, and The Policeangel Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you thirteen since you were seventeen, and as you can see, I really grew a lot since then.

Chikae Policeangel: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Kasumi Policeangel: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Omoi Policeangel: Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these thirteen girls?

Lincoln: Indeed I do, J.D., the thirteen girls are Aoi Policeangel, the Evac Gene-Slammer, Benika Policeangel, the Crosswise Gene-Slammer, Chikae Policeangel, the Jolt Gene-Slammer, Daichi Policeangel, the Hoist Gene-Slammer, Emiha Policeangel, the Grapple Gene-Slammer, Fuwa Policeangel, the Skids Gene-Slammer, Haruhi Policeangel, the Mudflap Gene-Slammer, Itoha Policeangel, the Tracks Gene-Slammer, Jun Policeangel, the Windcharger Gene-Slammer, Kasumi Policeangel, the Sunstreaker Gene-Slammer, Mio Policeangel, the Flashpoint Gene-Slammer, Nami Policeangel, the Side Burn Gene-Slammer, Omoi Policeangel, the Scattershot Gene-Slammer, and Popori Policeangel, the Wreck-Gar Gene-Slammer, these thirteen girls are my Guardian Angels from Japan and classmates in Math, but they're also training to work alongside the police, like their sister, Ginrei.

Selene Emperyous: And they're easily identifiable: Aoi has pink hair with matching clothing, Benika has blue hair with matching clothing, Chikae has black hair with with matching clothing, Daichi has brown hair with with matching clothing, Emiha has white hair with matching clothing, Fuwa has red hair with with matching clothing, Haruhi has yellow hair with with matching clothing, Itoha has pink hair with red streaks along with with matching clothing, Jun has blue hair with purple streaks with with matching clothing, Kasumi has orange hair with with matching clothing, Mio has orange hair with blue streaks with with matching clothing, Nami has indigo hair with with matching clothing, Omoi has yellow hair with red streaks with with matching clothing, and Popori has violet hair with pink streaks with with matching clothing.

Michelle Emperyous: Lincoln made Ginrei and her sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Ginrei and her sisters along with the rest of his harem, and they hate Bradley Uppercrust III with a blazing passion, the reason why is because he once stole fireworks and placed them on every sports equipment in order to blow them up. Luckily, Lincoln, Ginrei, and her sisters intercepted and beat the crap out of Bradley Uppercrust III and they removed the fireworks and took him right back to prison.

Max Goof: He did the same thing when he tied fireworks to P.J.'s skates.

Lincoln: He tried that old trick again, but we stopped him and got rid of the fireworks and sent him straight back to prison, this just proves that he's nothing more than a lowlife, and now that you and your sisters are here, Aoi.

Lincoln went up to and hugged each of The Policeangel Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aoi Policeangel: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, thirteen Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Policeangel Sisters with colored gems on the gold lightning bolts and purple crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Chikae Policeangel: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Policeangel Sisters.

The Policeangel Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the twelve girls, and when Lincoln saw them, he immediately recognized them. The twelve girls are Fuurin Katakage, Hanabi Hinata, Hotaru Suzukaze, Izumi Minazuki, Matsuri Aoi, Nagi Saotome, and Rikka Himuro from Tropical KISS, Arieta from Cyberbots: Fullmetal Madness, Amber, Kadie, and Lana from Crimson Tears, and Lynne from Ghost Trick: Phantom Detective.

Lincoln: Oh wow, it's Fuurin Katakage, Hanabi Hinata, Hotaru Suzukaze, Izumi Minazuki, Matsuri Aoi, Nagi Saotome, and Rikka Himuro from Tropical KISS, Arieta from Cyberbots: Fullmetal Madness, Amber, Kadie, and Lana from Crimson Tears, and Lynne from Ghost Trick: Phantom Detective.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Fuurin Katakage: Yes, we're okay, thanks to you.

Then, when Fuurin Katakage and the other twelve girls saw who it was that saved them from the Dark Sebastian construct created by Universe 666 Sebastian, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of

Fuurin Katakage: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Fuurin Katakage: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fuurin Katakage, Hanabi Hinata, Hotaru Suzukaze, Izumi Minazuki, Matsuri Aoi, Nagi Saotome, Rikka Himuro, Arieta, Amber, Kadie, Lana, and Lynne with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate and the rest of the team was shocked to find out the villain we went after was a Dark Sebastian construct created by Universe 666 Sebastian.

But, when Lincoln showed what we all did in viciously beating that dark construct down and Lincoln firing a beam of light that incinerated the construct, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Policeangel Sisters have a lot of catching up to do, now that they're back in town.

Maria: I can't believe what that fucked-up lunatic did!

Lincoln: Yeah, he wanted to try and cause chaos and destruction with that construct, so we decided to ruin his fun by killing his construct. But, he's not done yet.

Me: Nope, it's just the beginning.

Nico: You got that right, the nightmare has only just begun. Universe 666 Sebastian has finally come out into the open, and now, he's back to causing trouble once more.

---

After finally getting rid of the Dark Sebastian construct created by Universe 666 Sebastian and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Policeangel Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aoi Policeangel: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Benika Policeangel: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Chikae Policeangel: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Daichi Policeangel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Emiha Policeangel: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Aoi Policeangel: There is one, and it's really graphic.

The Policeangel Sisters put up a video as it played on the big screen, and it showed Lincoln getting chased by an angry mob and it was due to Lori, Lynn, Lola, Lisa, and Luan who were cackling like the witches they are. Suddenly, The Policeangel Sisters appeared along with the rest of Lincoln's Guardian Angels.

Past Aoi Policeangel: What the Hell is going on here?! Will someone want to explain?!

Past Citizen: OUT OF OUR WAY, BITCH! THE LOUD BRAT'S GOING TO DIE AND SO WILL THOSE IMPOSTER GUARDIAN

ANGELS!

Past Selene Arcangela: (Sees Lori, Lynn, Lola, Lisa, and Luan) HEY! DON'T YOU BITCHES THINK YOU ARE GETTING OUT OF THIS!

Past Selene Emperyous: WHAT THE HELL DID YOU IDIOTS DO TO YOUR BROTHER?!

Past Lincoln: (Breaking Down) Lori, Lynn, Lola, Lisa, and Luan sent a fake video saying I killed you all!

The Guardian Angels gasped.

Past Chikae Policeangel: This is what we want to talk about! We did an investigation and found out Lori, Lynn, Lola, Lisa, and Luan were the ones who did this, they tried to make a fake video of Lincoln killing the other Guardian Angels in a frenzied attack and that'd get you all to turn against him in an angry mob! Do you all have no shame?!

Past Haruhi Policeangel: You all should be ashamed of yourselves, now you owe Lincoln an apology.

Past Kasumi Policeangel: (Sees Lori, Lynn, Lola, Lisa, and Luan trying to escape) HEY! DON'T YOU DARE THINK YOU'RE GETTING AWAY!

The Policeangel Sisters tackled Lori, Lynn, Lola, Lisa, and Luan and handcuffed them and they threw them into a police car that took them away to jail. Everyone apologized, but Lincoln was left crying his heart out as The Policeangel Sisters were wounded in their hearts and they and the rest of The Guardian Angels hugged him tightly and took him home as the video ended. Needless to say, we all had tears in our eyes, and Nico was really pissed off.

Nico: Lori, Lynn, Lola, Lisa, Luan! (ENRAGED SCREAM) OF ALL THE GODDAMN STUNTS THAT YOU ALL PULLED ON LINCOLN IN THE PAST, THIS IS THE MOST DISGUSTING AND ATROCIOUS! YOU FIVE HAVE NO SENSE OF SHAME AT ALL!

Me: I said the same thing to them when I went to the jail and screamed my head off at them.

Varie: And you sent them flying into a wall with that scream.

Lincoln: I was absolutely pissed off that Lori, Lynn, Lola, Lisa, and Luan would do this, and I didn't talk to them nor anyone else for ten months because of it.

Selene Emperyous: Lincoln fell into a depression because of it, and he developed anxiety and fear of what could happen if anyone turned against him again.

Nicholette Torrington: This was the very thing we sought to save him from, but those bitches ruined it big time! We swore bloody revenge on them, the kind that meant we wouldn't stop until they were all dead!

Nico: They crossed a really severe line because of that, and they ruined your hard work of helping him recover from the depression he fell under because of them, and if I were in your shoes, I would do anything to make them answer for their crimes for what they did to Lincoln, and I'd show them no mercy whatsoever.

Eli: I'd never forgive them in a million years, and I'd do anything to make them pay!

Lincoln: Your way would mean killing them, Eli. Despite that I was so angry and depressed because of them, I don't want it to end with them dying because that'll make me feel even worse.

Me: That's the kind of person you are, Lincoln, knowing when to forgive even when your five mean sisters do the most reprehensible thing that warrants no forgiveness whatsoever.

We got a shower afterwards, and then, Lincoln, Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine are heading to Olive Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Shannon (God Hand): Wow, so, this is Olive Ocean, it sure is beautiful.

Lincoln: It sure is, Shannon, and it's perfect for our first date. Shall we?

Lincoln, Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine and they hugged the girls in their abnormally massive and powerful muscular arms, and Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Olive Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine are in your harem.

May: Too bad Hex Maniac, Kali, Linnea, Blossom, and Katherine already have boyfriends, we could've set them up with Lincoln years ago, but what's done is done.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Shannon (God Hand), Simulator Hex Maniac, Simulator Kali, Simulator Linnea, Simulator Blossom, and Simulator Katherine, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Lincoln: Whew, now that's what I call one of the largest snail adoptions ever seen in Bikini Bottom.

Lily: I know, right? But, we did it, we got the snails new homes!

Nico: We sure did, now everyone else in Bikini Bottom has a snail to care for.

Lincoln: Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the eight large planets and stars orbing around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of green blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Broly, or we will force you out!

A figure came out, it was none other than Universe 666 Broly who's in his Legendary Super Saiyan form, but we saw his eyes: they were blood red and he had a black and purple aura around him.

Sebastian felt pain in his eyes as he howled in agony and we saw blood tears pouring from his eyes, but we also saw his eyes change to blood red: HE'S GONE INTO FULL-ON DEMON ANGEL MODE!

Sebastian Mendez: (Demonic Voice) You! I always knew you'd one day return, you wild animal! You just don't even know when to quit, DO YOU?!

Me: Yikes, what's happening?!

Nico: He must be confusing the Universe 666 Broly with the one we knew and hated. Oh God, and he did say of all the villains he'd brought back, Broly was one villain who couldn't be controlled and they tried to kill each other.

Buster Bunny: It always ended badly.

Suddenly, Buster Bunny saw Sebastian heading right for Broly with his dark greatsword in hand and he had murder on his mind, but Lincoln created chains of light to restrain him.

Lincoln: This'll hold him, Wile, you go and stop Universe 666 Broly while we keep him restrained.

Wile E Coyote: Understood.

Suddenly, Wile E Coyote's eyes turned neon blue and he was surrounded by a yellow energy aura with stars, rocks, Earth, explosives, gadgets, coyotes, phoenixes, and angels, he unholstered his massive Wile E. Coyote's Firestorm Desert Broadsword of Explosive Comedic Justice from his back, and as he approached Universe 666 Broly, he left yellow energy, stars, rocks, Earth, explosives, gadgets, coyotes, phoenixes, and angels with every step.

Wile E Coyote: Even though you're not like the Broly we know and hated, you're just as dangerous as he is, and Universe 666 Sebastian bringing you back and turning you into his slave basically crossed a serious line, and for that, I'm going to take you down and one of Acme Looniversity's students is going remove that basket case's influence from you, hope you're ready for the beatdown of your life!

Suddenly, Wile E Coyote was surrounded by a massive vortex of yellow energy with stars, rocks, Earth, explosives, and gadgets surrounding the vortex, there are coyotes, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with blue eyes gazing into Universe 666 Broly: the eyes of salvation.

Me: WHOA!

Buster Bunny: EVERYONE, GET BACK! THINGS ARE ABOUT TO

GET REALLY REALLY UGLY!

Then, as the vortex faded, Wile E Coyote emerged, but he was changed forever.

Wile E. Coyote grew from 7'5" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large brown orbs orbiting around his legs, he has yellow highlights in the bangs of his full head of long wild brown hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he retains the yellow sclera of his eyes and red outline on his eyes, he has neon deep green eyes and a yellow energy aura with stars, Earth, rocks, fire, explosives, coyotes, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a coyote with a stick of dynamite in its paws emblazoned on his forehead and Third Eye with blue iris, he has on his Crystal Necklace of The Buddha with brown gems on the gold star links and brown crystal links and a brown coyote-shaped Element of Harmony and on the bottom of the brown coyote-shaped Element of Harmony is a coyote with yellow gems for eyes and the Earth, Fire, Star, and Eternity Kanjis in its paws for the pendant on his bare chest and he has on a white and gold accented choker on his neck, he has on a pair of large black pants with flames and rocks on the legs, black knee-high boots with flame buckles and on his now much wider and even more muscular back is a phoenix, angel, and coyote and on top is the Warner Bros. logo with earth, stars, explosives, and fire surrounding the phoenix, angel, and coyote. Suddenly, Wile E. Coyote felt a sharp pain on his now wider and more muscular back, and then, his massive brown angel wings with yellow tips on the brown feathers grew much bigger for his new body and his brown-furred tail grew much bigger for his new body. Suddenly, Wile E. Coyote's massive Wile E. Wile E. Coyote has transformed into SUPER ANGEL-LOONEY TUNES COYOTE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE EARTH FIRESTORM COYOTE ANGEL OF DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE EARTH FIRESTORM COYOTE ANGEL JUSTICE AND DIVINE COSMIC ETERNAL COMEDIC LOONEY TUNES EXPLOSIVE EARTH FIRESTORM COYOTE ANGEL WILL!

We were amazed by Wile E Coyote's Super Angel-Looney Tunes Coyote-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Broly saw it, he fired a massive energy ball at Wile E Coyote to kill him, but Wile E Coyote punched it and sent it into the air as it exploded, and Wile E Coyote fired a massive barrage of yellow energy, stars, Earth, rocks, fire, explosives, coyotes, phoenixes, and angels which exploded as they hit Universe 666 Broly and this really made him angrier than ever.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Wile did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Wile E Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel Will) That was only for starters, Buster. (To Universe 666 Broly) Alright, you wild animal. (CRACKS KNUCKLES) Let's do this!

Babs Bunny: Oh boy, this is gonna get ugly!

Me: It sure is!

Nico: This should be good.

Suddenly, Sebastian broke free of the chains and BOY WAS HE ABSOLUTELY PISSED!

Sebastian Mendez: (DEMONIC VOICE) WILE, DON'T YOU DARE THINK I'M LETTING YOU GET THE PLEASURE OF FIGHTING HIM!

Buster Bunny whacked him hard on the head with a mallet!

WHAM!

And that knocked him out.

Buster Bunny: Sorry to do this, but you've had it coming.

Wile E Coyote went after Universe 666 Broly, and he fired extremely powerful blasts of yellow energy, stars, rocks, earth, fire, explosives, coyotes, phoenixes, and angels at Universe 666 Broly, and they exploded with incredible power as they hit him. Then, he attacked him with swings of his massive greatsword leaving scars on him, and he even left more with his claws.

Plucky Duck: Whoa, this is really incredible!

Calamity Coyote: (Pulls out Signboard) You said it! Professor Wile's tearing him to shreds. But, you do realize that when Sebastian gets up, you're in huge trouble, Buster.

Buster Bunny: Yeah, I know.

Tech E. Coyote: Sorry you and your other Guardian Angels and harem aren't getting a chance to shine though, Lincoln.

Lincoln: That's okay, Tech. Besides, we're getting a break from the action.

Selene Arcangela: That's true.

Universe 666 Broly fell into a very dark rage and he went after us specifically Nikiya to kill her. But, Wile flew after him and he got in front of Nikiya and he delivered a very massive punch to Universe 666 Broly and sent him flying into a tree, and he got out a massive barrel of TNT, lit the fuse, and threw it and then… !

KABOOM!

The barrel exploded, but Universe 666 Broly survived.

Wile E Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel Will) You've got some damn nerve trying to attack the rest of the team, you really are nothing but a wild animal, now you've left me with no choice!

Suddenly, we saw Wile E Coyote's yellow energy aura flare up even more, and then, we saw Wile's long wild hair turn black and his brown fur on his body, longer and larger tail, and massive brown angel wings turn reddish brown, the brown fur on his face remained the same along with the lighter brown fur on his muzzle, eight-pack abs, and massive pecs.

Bugs Bunny: Oh no.

Sebastian Mendez: (Woke up) What the?! (Realizes something) Okay, which one of you toons gave Wile a blood transfusion with blood from Goku?!

Plucky Duck tried to shift the blame as he shifted his eyes left and right nervously.

Plucky Duck: IT WAS THE RABBITS! THE RABBITS!

Sebastian Mendez: Nice try, Feather Face. But, if I remember, you were the one who had gotten a bag of blood belonging to Goku and you gave it to Wile E Coyote who was in the hospital after yet another attempt to snag the Roadrunner went awry and he wound up getting attacked by me. Remind me to drop an anvil right on top of your head when this is over.

Wile E Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel Will) (Deeper Voice) You can attack him later, Sebastian. Right now, I might need some help from you.

Sebastian fired chains of darkness which restrained Universe 666 Broly.

Wile E Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Desert Earth Coyote Angel Will) (Deeper Voice) STARDUST DIVINER!

Wile E Coyote fired a rainbow energy ball which hit Universe 666 Broly and knocked him out, and then, he was bound with more chains of light by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Broly and removed every trace of the poisonous darkness that infected him, and he was restored. We all cheered wildly as Wile E Coyote holstered his massive greatsword on his back and powered down, and Wile E Coyote's new body, clothes, weapons, jewelry, Third Eye, longer tail, large gold halo, and massive angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Wile E Coyote: And I do owe an explanation though, and Plucky was right: five years ago, I wound up in the hospital after another attempt to try and catch the Roadrunner ended badly and I wound up getting attacked by Sebastian, and Plucky was the one who gave me the bag of blood belonging to Goku and did the transfusion on me, and not knowing the effects, it changed me forever and it also gave me that new color scheme you see before you.

Lincoln: Did everyone at Acme Loo know about it?

Valencia Nightingale: They did, and some of the girls in Acme Loo went crazy hearing Wile's deeper new voice and seeing him now as a muscular hunk.

Me: Now, that we didn't even see coming, but still, that's really incredible.

Buster Bunny: (Laughs) And we were still cracking up when Professor Wile trashed Sebastian and he sent him flying with one awesome punch, it was worth it.

Nico: We got to see the video for it next time. Say, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: I've got just the person who we're going to meet: Valencia Vigrid, Keyblade Knight of Vigrid.

Nicole: (GASPS) The Keyblade Knight of Vigrid, the home of The Umbra Witches?! Whoa!

Selene Emperyous: And I knew you'd pick her, and you guys are going to love meeting her: Valencia Vigrid is Lincoln's Guardian Angel from from Michigan, she's an extremely powerful Umbra Witch and a powerful force of epic power. She was born and raised in Vigrid, and she has intense darkness and demonic powers. She's a true master of darkness, The Dark Arts, dark magic, black magic, and Satanic Magic, and she has all the powers of The Umbra Witches and has control over The Infernal Demons. She is The Keyblade Knight of Vigrid and she's been a witness to the horrible events of The Witch Hunts and what happened in Vigrid over 500 years ago and a powerful Guardian of Time. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she'd trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot when it came to using the powers of darkness and The Dark Arts.

Bayonetta: (British Accent) It should be nice seeing her once again.

Jeanne: You said it, our dear little Keyblade Knight of Vigrid has been missing for a long time now, but it'll be good to see her once more.

Me: If anyone tries to hurt her, she'll be dealing with Lincoln, or worse, she'll sic her Infernal Demons on them

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Time to go Tall Trunk Galaxy!

Me: Awesome!

Aang: Me and Aerrow will go next.

Nico: All right then.

They went in and the Simulator activated and they were at TALL TRUNK GALAXY!

Nico: Here we are! Looks like we're going to go down that pipe to get the star.

Aerrow: Any tips, Nicole?

Nicole: (On the radio) Just one. Don't hit any of the objects or enemies in that pipe.

Nico: Okay.

?: I'll help too.

A girl came and she had red hair, red eyes, blue clothes, red angel wings and a tiara with the symbol of the Zenkaigers on it and the same symbol on her skirt and she had a Zenkai Cannon on her hip.

Zina Zenkai: Zina Zenkai, Embodiment of the Zenkaigers is here.

Nico: Awesome to meet you Zina.

Zina Zenkai: Same here. I'll tell you more about myself later.

Nico: All right lets go!

They ran down the pipe.

SUPER MARIO IDIOT MUSIC PLAYS!

Aerrow: WEEEEE!

Aang: I see Goombas!

Zina Zenkai: Lets get them!

She fired lasers for each of the ranger helmets from over the course of 45 years and blasted the Goombas left and right.

Aang and Aerrow fired wind blasts and blew them away.

Nico: (gets out Roxy Rocket and Kite Man's Ridewatches) Time to send these guys flying!

He activated them and blew many Goombas all over away.

They got to the end and saw the star!

Nico: There it is!

They got it!

YOU GOT A STAR!

Aang: Oh yeah!

Nico: All right!

They high five.

Aerrow: Tell us more about yourself.

Zina Zenkai: I'm a comic book store owner and I specialize in Power Rangers memorabilia.

Nico: That is cool!

Zina Zenkai: It sure is.

Nico: Would you like to join the team?

Zina Zenkai: I would be honored.

They left the simulator and we cheered for them.

At the mascots school it was show and tell.

Poromon: For show and tell, we would like to show you this video.

They showed a ROBOT CHICKEN SKETCH!

[Two children are eating Stix cereal (an obvious parody of Trix cereal) when the Stix Rabbit slides in]

Stix Rabbit: Ooh, Stix cereal! I gotta have some!

Boy & Girl: Stupid bunny, Stix are intended for children!

Stix Rabbit: Just give me a little! [Reaches for the Girl's bowl]

Girl: (Gasps) He touched me inappropriately!

[Stix gets sent to prison, where his cellmate is the Cookie Criminal.]

Cookie Criminal: Couldn't lay off the sugar… right?

Stix Rabbit: (crying) But I can't help myself. My mother ate sugar when she was pregnant with me! (Bawls)

Cookie Criminal: You wanna control the sugar? Stop using and start selling. Here, hook this guy up when you're out.

[A prison guard shows up to open the cell door]

Prison guard: Rabbit, you're out.

Stix Rabbit: Really? But its only been an hour!

Prison guard: You in Alabama foo'! An hour's all you get for touchin' a child.

(Cut to the Stix Rabbit and a travel guide wandering through a jungle, coming upon Toucan Sam and a group of worshippers)

Toucan Sam: Selling's a dangerous business, rabbit! Killed the Fruit Brute, Yummy Mummy, even the Cinnamonkey!

Stix Rabbit: Well, I can handle it… where's the stuff?

Toucan Sam: Well, just follow my snout. It's never in doubt.

Jungle Guide: (whispers to Stix Rabbit) A snout that big, it should know more than Einstein. Heh-heh!

Toucan Sam: KILL THAT MOTHERF***ER!

[Toucan Sam's worshippers repeatedly shoot the guide - for quite a while - until he collapses and dies.]

Toucan Sam: (flies over to Stix Rabbit) Well, just follow my snout.

[Cut to the three Cinnamon Toast Crunch chefs, Wendell, Bob and Quello, processing bags of "sugar", with the Stix Rabbit and Toucan Sam beside them]

Stix Rabbit: Wow! Do you have any idea how rich am I going to be selling this cocaine… SUGAR! (looks at the viewers) I meant to say "SUGAR"! Sugar! Okay! (long pause) 'Kay!

[Montage: Cut to Stix Rabbit recieving a bag of cocaine from the chefs. Cut to him swiping a child's chocolate bar and giving him a bag of "sugar" Cut to BuzzBee loading a limo with more "sugar". Cut to the Stix Rabbit laughing maniacally on the floor, surrounded by money and unconscious prostitute rabbits, holding two bags of "sugar"]

[Cut to The Stix Rabbit and Lucky the Leprechaun relaxing topless in a hot tub.]

Lucky: I tell ya, the bleeding boys were following me around, and one little brasser says, "We're after your charms." And so I says, "Forget about me blue diamonds, and worry about me blue balls, ya whore!" Ha, ha, ha, ha, ha!

Stix Rabbit: Ha, ha, ha! Oh, yeah. I never have any idea what you're saying.

(One of Stix Rabbit's henchmen steps into the scene.)

Henchman: (Whispering in Stix Rabbit's ear) Bad news, boss: the Rice Boys are talking to the cops.

Stix Rabbit: (standing up with his censored pelvis out) Bastards are always talking!

(Scene cuts to the Rice Boys sitting down and talking to the police officer in a dark room.)

Crackle: Okay, okay, I'll crack!

Snap: I'll crinkle!

Pop: I'll plop!

Crackle: The Stix Rabbit made us sell the stuff!

Officer: Uh… we only brought you in 'cause someone turned in your wallet.

(Officer holds up wallet. All three Rice Boys look embarrased.)

Pop: Heh… Must-must've lost it.

[Scene cuts to two of the Stix Rabbit's henchmen, along with Tony the Tiger and Cap'n Crunch, shooting at SWAT officers staging a raid on the Stix Rabbit's mansion.]

Tony the Tiger: Use the hollow-point bullets! They're g-r-r-r-roovy!

[A SWAT officer gets shot and dies. The same happens to one of the two henchmen.]

Cap'n Crunch: Their bones will stay crunchy, even when soaked in blood! Ha-ha!

[The SWAT officers kill the remaining henchmen, then Cap'n Crunch, and then Tony the Tiger, whose body plummets to the mansion's porch. The Stix Rabbit opens the front door and attempts to surrender.]

Stix Rabbit: Don't shoot! I give up!

SWAT Officer: He's giving up! Shoot him!

[The SWAT officers fire their weapons, and the scene cuts to the Stix Rabbit in Heaven, and once he notices he has died, he begins to stammer, but becomes overjoyed when he spots a bowl of Stix cereal on a table. He dashes to the bowl of cereal]

Stix Rabbit: Finally!

[an angel enters the scene, she grabs the bowl of Stix cereal]

Angel: Stupid bunny, Stix are intended for children!

[the angel takes out a spoon and takes a bite of the cereal]

Stix Rabbit: Nooooooooooooooooooooooooo!

[segment ends, as well as the episode]

When it was done ALL THE KIDS JAWS WERE DROPPED!

Poliwag: What did you think of that?

They were all horrified.

Manaphy: (gets out beer) Now, who wants some beer?!

The kids all SCREAMED!

Then later on Nico and me were called to the Principal's office to talk about it.

Nico: Hi there. Can you specify what the mascots did?

Principal: Well the Mascots showed a Robot Chicken Sketch to the children.

Me: Which one?

Principal: It was this one.

She showed us the Stix one.

Me: The Cereal Mascots one? That was a crazy one.

Principal: You guys are all fans of Robot Chicken?

Me: We saw many of the sketches and we used many of them in battle.

Principal: That is interesting. Can you 2 keep a secret?

Nico: What is it?

Principal: I'm a huge fan myself. I loved some of the sketches.

Me: That is awesome. We won't tell a soul.

Nico: Yeah.

Later, at home, we were scolding the mascots.

Nico: Did you guys really think you were gonna get away with it?! Thanks to you 4, those kids might never eat cereal with cereal mascots again. Not to mention there was a rabbit's penis shown! And the icing on the cake? YOU GUYS OFFERED BEER AFTERWARDS!

Poromon: We just wanted to show everyone what we like that's educational.

Poliwag: And give kids what we like.

Me: How is Robot Chicken educational and giving kids beer is poison. Root beer is not.

May: Yeah!

Poromon: It was show and tell day today!

Me: We know it was but even Show and Tell has limits.

Maria: Dexter, you're gonna have to use your memory eraser gun to do some damage control.

Dexter: Good idea.

Lisa Loud: I'll help out.

Nico: Do you 4 have anything to say for yourselves?!

Mascots: We're sorry Nico.

Nico: Okay. The Principal was gonna punish you 4 but she decided to leave the punishment to me.

Poromon: What are you gonna do?

Me: (GULP) Nico please don't be too hard on them and use Ol Spankful.

WHAP! PAINFUL SCREAM!

The mascots covered their heinies

Nico: And you're gonna give the Trinity of Violence a massage.

Poromon: That's not so bad.

Lily: It could be worse. Thank goodness you aren't popping Mr. Krabs and Squidward's Back Barnacles.

Manaphy: EW!

Nico: Mr. Krabs and Squidward have those?

Me: Don't fucking ask.

Horsea: (to Lisa and Dexter) How was damage control?

Dexter: Damage control is done.

Lisa Loud: Their memories of such a disgusting atrocity are corrected.

Nico: Good.

Lori, Lola and Lynn were getting good massages.

Lynn: Ahh that feels great.

Lori: We literally had no idea you guys were this good at massages.

Lola: Ahh this is awesome.

Me: Not bad for their first time.

Poromon: We'll be careful about where we show Robot Chicken sketches. But we're not giving up on the beer thing!

Lynn: (to Nico) Take what you can get, dude.

Nico: Okay.

Me: I bought these for this occasion.

I pulled out all kinds of massage scented oils.

Me: Like going to a spa.

I had oils for eucalyptus, lavender, flowers and more.

Me: Just as long as you don't show kids IT.

Poromon: Nah we'll save that on bad guys.

Nico: What's it?

Me: The trailer.

Nico: Oh that one.

May: Let's get to it then.

We were off to the ocean.

---

[The episode begins with SpongeBob taking a walk with Gary.]

SpongeBob: [sniffs the air and sighs] Ah, I tell you Gary, there is nothing better on a sunny day than a brisk walk.

Gary: Meow.

[Another snail's meow is heard.]

SpongeBob: What's the matter, pal? Walking too fast for ya?

[The snail's meow is heard again, and SpongeBob and Gary turn their heads to the direction the meow is coming from. Gary drags SpongeBob to that direction.]

SpongeBob: Huh? What is it, boy? Is someone in danger?

[Gary drags SpongeBob to a lost and very old snail, hiding behind a rock. The lost snail hides behind the rock.]

SpongeBob: Aww. Come here, little fella. I won't hurt ya.

[The snail slithers over to SpongeBob. SpongeBob pets the snail and as he pets it, the skin showing its rib cage begin to play music like a guitar. The snail purrs happily.]

SpongeBob: Aww. I'm gonna call you, Señor Poopus. Good job, Gary. Let's get him home so he can eat. He's almost all shell.

Gary: Meow.

[Bubble transition to SpongeBob's house where Señor Poopus is being fed.]

SpongeBob: Boy, Señor Poopus sure is hungry.

[Gary nuzzles with Señor Poopus and the two snails started to play.]

SpongeBob: Aww. He wants to play.

Patrick: Ha. Whatcha doing, SpongeBob?

SpongeBob: Oh, Gary found this stray snail and I'm nursing him back to health.

Patrick: Huh. Well, what about those baby snails?

[Bubble transition to SpongeBob and Patrick walking under a bridge.]

Patrick: They're over here.

[Patrick shows four lost baby snails who appear to be all alone.]

SpongeBob: Aww. So tiny and hungry. They have nobody to take care of them. I'm gonna take 'em home and feed 'em.

Patrick: Feed 'em to who?

[Bubble transition to SpongeBob reading The Big Book of Snail Care manual.]

SpongeBob: It is important to keep baby snails warm at all times.

Patrick: My mouth is warm.

[Patrick puts his hand in his mouth.]

SpongeBob: Uh, good suggestion, Patrick. But I got this.

Patrick: Oh.

[SpongeBob carries four bottles of milk to the snails and covers them with an electric blanket. SpongeBob then sets the blanket to snail temperature.]

SpongeBob: There we go.

[SpongeBob pulls up his arm, revealing a real arm underneath. He drips milk on his arm.]

SpongeBob: Uh-huh. Perfect temperature. Time to eat my little snaily poos.

[SpongeBob feeds the baby snails with the bottles of milk.]

SpongeBob: Eat up, you little cuties.

Patrick: So… [scratches his side] I guess I'll be going then.

[SpongeBob giggles as he is feeding the baby snails, but Patrick sadly leaves as he is being rejected. Bubble transition to SpongeBob continuing to take care of the snails. He hears another snail's meow.]

SpongeBob: Huh? What? Did you guys lose your bottle?

[SpongeBob looks around and sees the snails enjoying themselves. He then looks at the door and realizes that the meowing sound is coming from outside. SpongeBob walks to the door, opens it and looks around.]

SpongeBob: Huh?

[Suddenly, another snail slides over SpongeBob and slithers to the baby snails.]

SpongeBob: Oh! You must be the snail mom.

[The snail mom purrs happily with her babies. Patrick comes in with Frankie Billy holding a snail.]

Patrick: Hey, SpongeBob! This guy found this snail in his garden and he didn't know what to do. So, I told him how you take care of snails.

Frankie Billy: Thanks, pal. You're a lifesaver.

[Frankie give SpongeBob the snail and leaves.]

Patrick: That's a pretty good thing I thought of. Huh? Well…

SpongeBob: I'll call you…

[The snail pops out his head revealing a human's head with eyes sticking out.]

SpongeBob: Donnie.

[SpongeBob nuzzles with the new snail, but Patrick feels rejected again and sadly leaves. Bubble transition to SpongeBob continuing to take care of the snails until he hears the doorbell ring.]

SpongeBob: Oh. Uh, excuse me. Pardon me. Uh, just a minute!

[SpongeBob opens the door and finds more snails in a box. He then sees a waving Patrick riding in a car with Nat Peterson.]

Nat Peterson: Thanks, Snailguy!

[Nat drives away with Patrick laughing in the back. SpongeBob brings the box inside and closes the door. Bubble transition to SpongeBob bringing dozens of snail food and snail litter to his house in a wagon.]

SpongeBob: Three bags of snail chow. Four bags of snail litter.

[As SpongeBob arrives to his house, a huge line of people were waiting with their snails.]

Sadie: Thanks, Snailguy!

SpongeBob: Uh, you're welcome?

[More people gives SpongeBob their snails, though SpongeBob looks a bit overwhelmed by having so much snails. When SpongeBob enters the house, dozens of snails crowd the living room when SpongeBob carries bowls of food.]

SpongeBob: Ok, would you guys just relax? You're all gonna get fed. Donnie, keep out of Walter's dish. Obulax, what are you doing? Sharel, Henry, no fighting.

[SpongeBob notices his clothes are covered in snail slime while a snail slithers on his head.]

SpongeBob: Geez, my pants are getting ruined and my head is sticky. I gotta do something about that.

[SpongeBob goes up to his bathroom, removes the snail from his head and takes off his pants. He then takes the shower curtain and puts it on like he's wearing a dress. Then he takes a bathmat and makes it into a hairpiece. Bubble transition to the Krusty Krab where there is a line of hungry customers who are complaining about not getting their food.]

Mr. Krabs: Squidward, why aren't you taking orders from these good people?

Squidward: I would, but what's the point? There's no one to make the food.

Mr. Krabs: [stutters] What?! Where's SpongeBob?

Squidward: Let me think. No idea.

Mr. Krabs: Then you'll have to do SpongeBob's job too!

Squidward: I can't do that!

Mr. Krabs: Of course you can. Any idiot can do it. Now, get to work! I'm gonna go find SpongeBob!

[Mr. Krabs leaves the Krusty Krab to find SpongeBob. The customers continue to complain.]

Squidward: Alright, alright! Calm down, everybody! I'm here to take your order!

[The scene changes to Mr. Krabs knocking on SpongeBob's door. SpongeBob, who now appears with an eerie looking face, answers.]

SpongeBob: Yes?

[Mr. Krabs becomes smitten when he thinks SpongeBob is a woman.]

Mr. Krabs: Ooh, excuse me, me lovely. Maybe I've got the wrong house here. But I can't say I'm disappointed. I was thinkin' of me old matey SpongeBob…

SpongeBob: Oh, hey, Mr. Krabs.

[Mr. Krabs is stunned.]

Mr. Krabs: [stutters] SpongeBob? That's you, boy? Why aren't you at work? And why are you all dressed up like a eye poppin' south sea hula gal?

SpongeBob: Oh, I'm sorry, Mr. Krabs. But I'm so busy taking care of these snails. I'll try to come in tomorrow.

Mr. Krabs: You try?! Listen up, me boy-oh! You'll do more than try! You'll… !

[A noise is heard inside of SpongeBob's house.]

SpongeBob: Down, Vince! You leave Electric Ronnie alone! Mr. Buster, get off that shelf! Nothing today, thank you! Bye, Mr. Krabs!

[SpongeBob shuts the door and Mr. Krabs is completely speechless about what SpongeBob's been going through. Bubble transition to nighttime as Squidward is coming home from work.]

Squidward: [sniff] I can't believe that I had to do my job's and SpongeBob's. [sneezes twice as he enters his house]

French Narrator: [reading timecard] The next morning…

[Squidward exits his house and his face is completely swollen. He steps on some of the snail slime.]

Squidward: What the? [notices the slime and sneeze] Oh, it's not a cold, it's my allergies.

[A snail slithers by and Squidward sees SpongeBob feeding numerous snails. Squidward angrily walks up to SpongeBob.]

Squidward: Hey, lady!

[SpongeBob appears more eerie than before.]

SpongeBob: Huh?

Squidward: [freaks out] SpongeBob, is that you?

SpongeBob: I don't know. [gives a bowl of food to a snail]

Squidward: What happened to you? And where did all these snails come from?!

SpongeBob: Don't worry. I'm taking very good care of all my snails. [gives a bowl of food to another snail]

Squidward: I'm not worried about them, I'm worried about me! I'm allergic to snails!

SpongeBob: Even Gary? [gives a bowl of food to another snail but ended up hitting Squidward's stomach.]

Squidward: One snail I can handle. Maybe even two or three. But this? Geesh, no way! Just how many snails do you have?

SpongeBob: I don't know. Let's count them shall we. One, two, three, Mary, Donnie, Carmela, Señor Poopus, Jack, 24, Paul, Brenda, Sharel, Steve, One that keeps barfing on the floor, 48, [as SpongeBob mutters more names, Squidward gets angry.] Obulax, Vince, Mavis, Mavis Jr. Electric Ronnie, Dianne, Pam, 97, Walter, Sarah, Bugaloo Shrimp, [Squidward gets angrier] 141, Viva, Tom, Thea, Ava, that's 164, Old Ironsides, [Squidward gets a lot more angrier], Rhonda, Papa Pup, He Who Shall Not Be Named, 233, Sean, Andy, Mr. Buster, Mrs. Buster, I'll say 258!

Squidward: [grumbles a lot more angrier] Enough! You have to get rid of those snails and get back to work!

SpongeBob: Work? But I've found my life's work. Taking care of wayward snails. [a snail crawls over his body.]

Squidward: [furious] That's it! I'm calling the Bikini Bottom officials so they can deal with it!

[Squidward stomps away, angrily. Bubble transition to later at the Krusty Krab, where Squidward, with his head more swollen and larger, is on the telephone.]

Squidward: He said like two hundred and fifty-eight! Well, do something about it! That's why I pay taxes! [hangs up the phone.] Oh, my allergies are killing me.

Harold: Uh, hello? Hey, man. I'm super hungry. Where's my food, dude?

Squidward: Oh, chill your gills! I'll get your food, dude!

[Squidward reaches over the window and gives Harold his food, but sneezes in it. The food is covered with saliva, which makes Harold grossed out.]

Harold: Uh, I'm not so super hungry all of a sudden. And also, I'm super not paying!

[Harold drops the tray and walks away.]

Mr. Krabs: Squidward, have you lost your ever lovin' mind? You cannot be sneezin' all over me Krabby Patties! The customers don't like it. Except for that guy.

[Sheldon is seen eating the saliva covered Krabby Patties and giggles.]

Squidward: That's it. I'm done.

Mr. Krabs: Whoa, whoa, whoa, whoa! You can't abandon ship! I have to work all by myself!

Squidward: [sarcastically] Don't worry, it's not a problem! Any "idiot" can do it, right?

[Squidward leaves]

Mr. Krabs: Right.

[Bubble transition to Patrick walking to SpongeBob's house with some glue, paper towel rolls, and a snail shell.]

Patrick: Well, if it's snail friends he wants, it's a snail friend he's gonna get.

[Patrick puts paper towel rolls on his eyes to look like snail's eyestalks. Then he glues the snail shell on his back and hides his arms and legs in the shell.]

Patrick: Meow.

We arrived at SpongeBob's home.

Nico: Hey, Gary.

Gary meowed.

We then looked and saw SPONGEBOB'S HOME CRAWLING WITH SNAILS!

They were all meowing!

Me: WHOA! SpongeBob's home is CRAWLING with snails!

Lily: Wow!

We went in and saw them all over the place. There were

HUNDREDS OF SNAILS!

Me: Wow! So many of them!

Fluttershy: Oh look at all of them. They are so adorable.

Nico: This a little too much, don't you think?

SpongeBob: No it isn't!

Then the door opened and we saw Patrick like a snail?

SpongeBob: Oh, another little stray friend. What is your name little fellow?

Patrick: It's Patrick! Um, Meow!

SpongeBob: I think I'll call you Patrick.

[SpongeBob brings Patrick inside his house, but much to Patrick's horror, the house is completely covered with snails, who are spreading slime all over the place. Patrick tries to flee.]

Me: He lost his marbles with crazy cat fever.

Nico: What?

Me: Something I made up.

SpongeBob: No, no, you dirty boy. You need a bath.

Patrick: Meow, no! No, meow!

[SpongeBob pulls Patrick back in. Bubble transition to the Pet Control Police knocking on SpongeBob's door.]

SpongeBob: Uh, hello, police.

Pet Control Police: Excuse me, ma'am. But we've had some complaints…

SpongeBob: [laughs] No, thank you, please. [Patrick attempts to leave the house but SpongeBob grabs him.] Oh no, Patrick. No outsidies for you. [SpongeBob drags him back in.]

Patrick: Meow, help! Meow, help! [SpongeBob closes the door]

[The scene changes to Squidward on the telephone with his body incredibly swollen.]

Squidward: He said, "No, thank you, please?" What does that even mean? I demand that you do something about those snails, now!

[As he talks, his head gets bigger and the receiver gets absorbed by it as well as getting his hand stuck. When Squidward tried to hang up the phone, he struggles to free his hand from his head. He then walks over to his window as his telephone flies off the table and lands in his head. Then sees the freakishly eerie SpongeBob building a fence around his house.]

Squidward: Oh, this has got to stop!

[The telephone rings. Squidward struggles to answer while his hand is still stuck in his swollen head but falls on the floor. The scene changes to SpongeBob locking the fence.]

SpongeBob: Oh, the bad men want to take you away from me. But I won't let them.

Me: He lost his mind.

Nico: Squidward, you can talk privately to us.

Squidward: Okay.

He went over.

[Just then, sirens were heard and two vehicles are arriving. SpongeBob panics, hides Señor Poopus under his dress, and attempts to run but trips over a snail and gets sand in his face and mouth. His face resembles Quasimodo.]

SpongeBob: [gets up and talks with his mouth full of sand] Sanctuary! Sanctuary! [the snails meow in exclaim] Everybody in! Everybody in!

Me: Just like what Quasimodo did. Wow.

[All of the snails rush inside SpongeBob's house, but it was so full that some of the snails flew out from the roof. But SpongeBob manages to get inside his house. One of the vehicles had a truck that is named Bob Barnacle Snail Center on it and the driver of the truck, Bob Barnacle, steps out of it.]

Pet Control Police: SpongeBob is behind that fence and he has locked the gate.

Squidward: [bloated, walks up agitated] Oh, quit messin' around and just break down the gate!

Bob Barnacle: [calmly] Wait. Maybe there's another way. Get me a bullhorn. I wanna talk to her.

Pet Control Police: Him.

Bob Barnacle: Oh, right. Him. [The Pet Control Police gives Bob a bullhorn and begins talking through it.] SpongeBob, I need you to listen to me!

Me: Hey his voice sounds like Bob Barker.

Nico: Oh wow!

[The snails on the roof form a chain and shows the freakishly eerie SpongeBob.]

SpongeBob: Hello.

Bob Barnacle: [via bullhorn] SpongeBob, my name is Bob Barnacle. I run the Bob Barnacle Snail Rescue Center. These snails all got loose through a hole in the fence of my snail center. I'm here to help the snails. [puts bullhorn aside] I'm here to help you.

SpongeBob: Hello.

Bob Barnacle: [via bullhorn] I know that you mean well, but there's only so much one sponge can do. You must be very tired from all your hard work.

Me: I think that is an understatement.

Nico: Big time. Look at him.

[SpongeBob begins to understand what Bob is talking about and regains his senses.]

Bob Barnacle: [via bullhorn] My center has all the space and staff that a snail needs. They'll be well taken care of.

[The snails gently put SpongeBob down on the ground. SpongeBob walks to the gate.]

Bob Barnacle: I promise. The snails will be happy.

Laney: Yeah they will be happy.

Nico: This is for the best, Spongebob.

[SpongeBob unlocks the gate and gives Señor Poopus to Bob.]

Bob Barnacle: Esmerelda!

SpongeBob: Esmerelda?

Bob Barnacle: Yes, that's her name! What did you call her?

SpongeBob: [embarrassed] Señor Poopus. [laughs]

We laughed!

[Bubble transition to all the snails being placed in Bob's truck.]

SpongeBob: So long! I'm gonna miss you guys. Especially you, Señor Poopus. [chuckles] I mean Señorita Esmerelda.

[Bob puts the last two snails inside his truck.]

Bob Barnacle: You did the right thing. You can visit the snail center anytime.

SpongeBob: Thanks, Bob. We will. But I'm going back to being a one snail guy. That's the way I like it.

Gary: Meow.

Me: That is for sure.

Bob Barnacle: Don't forget to get your pet spayed or neutered.

Me: We'll remember that.

Qin: Never forget that.

Nico: I hope you learned something, Spongebob.

SpongeBob: Oh I did. One snail is plenty for me.

Me: Good.

SpongeBob: And that's Gary.

Qin: You did good looking out for them though SpongeBob.

Nico: You sure did.

Gary: Meow!

Me: You said it Gary.

Qin: Yep.

We went back home and rested.

THE END

THANK YOU BOB BARKER

Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she'd trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot when it came to using the powers of darkness and The Dark Arts.

We found out from the Doctor that Sheila was expecting Triplet Girls and she was really looking forward to being a mother. All of us were with her and so was all of her fellow Police Officers. Pickle and Barley Barrel were with her looking out for her in the Hover Wheel Chair. I was dressed in my special occasion clothes and Sakura had her awesome dress on.

Me: Boy this is gonna be an awesome baby shower.

Irma Lair: It sure is. Daddy it's awesome you and the entire police force would come and join us.

Tom Lair: We wouldn't miss this for the world honey.

Sheila: I'm really excited for this guys.

Me: We all are Sheila and we are so happy for you and Eric.

Eric Loud: (Tired) I know.

Me: You look really tired Eric.

Eric Loud: (YAWNS) I know. I've been getting everything ready for our children and I have been running around all over getting supplies.

Me: Oh man. But we'll gladly help you out.

Xenia: Yeah.

Vinyl Scratch: This is gonna be so awesome.

Lola: It sure is Vinyl.

Nico: Vinyl, I want to think you, Metal Sonic, and your teams for coming.

Vinyl Scratch: It's no problem Nico. This will be fun.

Rui: I'm really excited for this.

Me: We all are Rui.

We got to cooking for the barbecue. Some of us were cooking everything. We had meat and fruit and vegetable trees ready. For the humans we had lots and lots of sandwiches, sushi, meat, steaks, chickens, ham, burgers, sloppy joes, pulled pork sandwiches, sausages, little smokey sausages, drumsticks, beans, coleslaw, salads and more for everyone and we even had banana pudding and cake for dessert. We also had cookies and cream cake and even mint chip cake and ice cream. There was a lot of good food and more. And for the ponies we had fruit, vegetables and hayburgers and more.

Unicorn: Boy this is an awesome party.

Sheila: It sure is.

Nico: Rui, what do you like to do in your free time?

Rui: Well I haven't given it much thought since the time I…

She looked down in sadness.

Me: You're still upset because you were forced to throw Hiei over the edge of the island?

Rui: Yeah. I had no choice. My peoples rules are very strict and we have to obey them no matter what.

Hiei: It's not your fault Rui. I understand why you did what you had to do.

Yukina: Yeah it's not your fault.

Nico: Yeah. It's not your fault.

Hina: And I've forgiven Rui long ago.

Rui: I'm glad you did.

Me: Yeah. No offense Rui but I've never quite fully understood the customs of the Ice Apparitions but what they did to Hiei is bad. Thank goodness he lived but it was awful what happened back then.

Camie: That is awful. I'm sorry that happened.

Rui: That day still haunts me to this day.

Me: I can tell it does.

Camie: What did they do?

Me: Well Hiei and Yukina were both born on an island in the sky that avoids all contact with the Demon World. They live in total isolation as an Amazon World. They have very strict rules. Every 100 years or so they have a daughter that is born. But there have been times where boys were born. The mother met a terrible fate because of it. I don't know what goes on but it's not pretty and I'm sure we heard about an example of it.

Nico: Yeah. But lets not dive into that at the moment.

Me: Yeah.

SpongeBob: Guys I'm sorry about having you all see me act like a crazy cat lady with all those snails.

Nico: The term is crazy snail sponge.

Me: (LAUGHS) Hey that is very accurately well put.

SpongeBob: (LAUGHS) Crazy Snail Sponge. That's funny but true.

Lola: I'm amazed you took in all those snails SpongeBob.

Me: Yeah your heart was in the right place and you wanted to help all those snails.

Nico: Yeah.

SpongeBob: Thanks guys. At least I didn't end up crazy like the Crazy Cat Lady in the M.O.E. No offense Unicorn.

Unicorn: None taken SpongeBob but yeah that would not be good.

Nico: And not like that other old lady with snails.

Lily: Oh yeah that was Grandma. I don't know what happened to her snails but I think she eats them. YUCK!

Me: YUCK! That is gross! No offense Marinette.

Marinette: None taken. I may be from France but I never heard of a fish that eats snails.

Me: Yeah.

Nico: Actually some fish do eat snails.

Me: Oh right.

Lola: Yeah.

Me: But that was cool that Bob Barnacle sounds like Bob Barker and I love him. OH! Speaking of which guys did you hear the news? Bob Barker passed away last week.

Nico: Oh no!

Eli: I heard about that! He was how old?

Me: 99.

Nico: Wow! Lets have a moment of silence for him.

We put our hands on our chests and took our hats off for him and had a moment of silence for the legendary and awesome Bob Barker. He will never be forgotten. May he rest in peace.

We got done 30 seconds later.

Nico: Think that was hard? Wait until you hear what happened in show and tell.

Me: The Mascots did something crazy.

Camie: What did they do?

Me: Showed a Robot Chicken Sketch to their classmates.

Camie: Which one?

Me: The Cereal Mascots one.

I pulled out my tablet and showed everyone.

Eli: Oh man! That one!

Qin: I hated that one!

Me: That was a crazy one. Everyone was shocked.

Tom Lair: I can tell there.

Me: As punishment for that we had the Mascots give the Trinity of Violence massages.

Lynn: And the mascots really give awesome massages. Not bad for little guys.

Lori: They literally give amazing massages.

Poromon: Even though it was a punishment it was not bad for our first time.

Nico: (LAUGHS) Yeah you guys really do give good massages.

Me: (To Nico) At least they didn't show The Trailer to the kids.

Nico: Oh yeah.

Me: But Sheila we're REALLY happy for you.

Nico: (to the other Underground Girls) Each of you should say something to honor Sheila

Sydney: We were just about to. Sheila you are gonna be an awesome mother and we will gladly help you out.

Nanette: Yeah you will be a perfect parent and you and Eric will be great parents. And I'm sure your children will be awesome.

Georgina: We're going to be so excited for you.

Maxxine: Yeah you are going to be great.

Rice: We just know that you and Eric are going to be happy parents.

Kendra: I agree there.

Irena Malloy: Same here. We're so happy for you.

Sheila: Aww thanks girls. That means a lot to me.

Nico: What about you, Qin?

Qin: I just know that Sheila is going to be a great mother. She and Eric more than earned this after everything that happened.

Lupin III: I agree there. And I'll be a great uncle too.

Lola: You sure will Lupin.

Qin: Yeah.

Sheila: Thanks guys.

Nico: What about you, Qin?

Qin: I just know that Sheila is going to be a great mother. She and Eric more than earned this after everything that happened.

Lupin III: I agree there. And I'll be a great uncle too.

Lola: You sure will Lupin.

Qin: Yeah.

Sheila: Thanks guys.

Camie: And Sheila is having Triplets. That is so cool.

Varie: It sure is.

Me: Yep that's what the doctor told her.

Eric Loud: I literally fainted when I heard the news.

Apu: (India Accent) At least you didn't go into a shock like when I found out I got octuplets. (Season 11 Episode 7)

Me: That would be a shock huh.

Raj: (India Accent) It sure would.

We laughed!

Qin: (LAUGHS) That would be crazy.

Pickle Barrel: Yeah.

Nico: Can the 8 of you say a different thing you like about Sheila?

Sydney: She's caring.

Nanette: Compassionate.

Georgina: A great hero and a true inspiration to many children.

Rice: A true force of justice.

Maxxine: And a great friend to many.

Kendra: An awesome upholder of the law.

Irena Malloy: Loves all kids great and small.

Qin: And an awesome lover of donuts.

Sheila: (LAUGHS) That last one is true. I love donuts. Also those are all true.

Donatello: I'm just sorry it took me a long time to cure you and the others. It's just that me and my brothers were caught up in Ch'Rell, the Utroms, the Triceratons, Leo's PTSD, the Tengu Shredder, going to the future, and the Cyber Shredder.

Sheila: I know Donny. But you all came through.

Qin: That was a bunch of crazy adventures.

Me: But those were all really dangerous bad guys. But we were never told about what happened with Leo going through all that.

Leonardo: Yeah, I really don't like talking about it.

Me: Oh boy it must have something to do with the Shredder. You can tell us when you feel like it.

Leonardo: Thanks guys.

Nico: Do you need anything at all?

Sheila: Nah I think I'm okay.

Sheila was eating a Trout, Sardine, Fried Lobster and ice cream banana split covered in Brussels Sprouts, Broccoli and bok choi! YUCK!

Me: That is one way to get a lot of fish in you.

Nico: Yep.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that Marion Hawthorne has come back from the dead, and she wants revenge on us.

We gasped.

Abigail Hawthorne: Marion's back from the dead?!

Me: What?! How the heck did that brat come back?!

Suddenly, Lincoln's large golden halo with four large orbiting gold rings behind his head glowed and the four large orbiting gold rings fired four beams of light that formed into a viewing window, and we saw what happened: waves of poisonous darkness spewed out over Marion's unmarked grave and it formed a portal that allowed Marion Hawthorne to come back from Hell to Gotham Royal York. The viewing window closed as the halo stopped glowing.

Nico: Waves of poisonous darkness?! Oh no, Universe 666 Sebastian has struck again!

Lincoln: He sure has, and since we got a blackhearted pissed off brat coming after us, we're gonna need all hands on deck for this one.

Eric Loud: If that little brat hurts one hair on my wife, I'm gonna make her pay!

Me: We all will!

Lincoln: We'll make sure of it, Eric. (Sensed for Marion Hawthorne) AHA! Gotcha, you little brat. I've just spotted Marion Hawthorne, she's 20 yards away and she's closing fast on us.

Nico: Figures that little brat's completely pissed off.

Lincoln: Same here. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Eli: (GROWLS) I'm this close to killing him before December!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Marion Hawthorne.

Abigail Hawthorne: Keep your eyes peeled, she's here somewhere.

Me: Well we're going to hit her with music and awesome party power.

Pinkie Pie: Oh boy!

Me: YEAH! Rainbooms, lets Shine Like Rainbows!

Me and the Rainbooms went pony power!

Nico: YEAH!

?: YOU PEASANTS WILL PAY FOR GETTING ME DISOWNED AND SENDING ME TO SIBERIA!

Me and Nico: Yeah, fuck you too, you little brat!

We then saw our target, Marion Hawthorne, and boy was she absolutely pissed off. She took out a knife and was about to stab Sheila with it, but Lincoln formed a massive and indestructible diamond barrier that protected all of us, and when Marion stabbed the barrier, the knife broke. That sent her into a tirade of rage as she then tried to smash the barrier with her fists, but it didn't work and it made her fists bloody, and she tried to destroy it with weapons, but that didn't work: MARION WAS NOW OUT OF HER MIND!

Me: That little bitch is now out of her mind!

Nico: Oh boy.

Lincoln: She's heading right for The Xaikora Prison for Queen Bee Mean Girls where she will stay there until the day she dies.

Lincoln fired a diamond ball that hit Marion Hawthorne in her mouth and it knocked out some of her teeth and sent her flying into a tree and Lincoln deactivated the barrier and we stood ready.

Abigail Hawthorne: You've got some damn nerve coming back here, Marion. I'd also made sure to tell Dad about this as well, and he's already given us the OK to send you to The Xaikora Prison where you will stay there forever.

Marion Hawthorne: I HATE YOU! I HATE YOU! I HATE YOU ALL! YOU STOLE EVERYTHING FROM ME, ALL OF YOU! I'M GONNA KILL YOU ALL WHEN I BECOME QUEEN OF THIS PATHETIC CITY AND MAKE EVERYONE BOW BEFORE ME!

OUR AURAS FLARED UP WITH INCREDIBLE FORCE!

Me and Nico: YOU'RE FUCKING INSANE, YOU BITCH!

Emeth: As if anyone would ever bow before the likes of you.

Me: Yeah! You would rather see people suffer! You don't care about anyone! You took Harriet's notebook, you made her into an outcast, you turned all her friends against her, humiliated her, almost sent her to the looney bin, and even worse, you got her to hurt her fellow classmates to get revenge! You are a heartless, blackhearted monster!

Harriet Welsh: I HATE YOU MARION! I HATE YOU MORE THAN LIFE ITSELF!

And then…

POW!

Harriet then punched Marion and sent her crashing into a coconut tree that was conveniently placed there!

BONK! BONK BONK BONKBONKBONKBONK!

Marion had 7 coconuts fall on her head!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH

SEVEN COCONUTS!

Pinkie Pie shoved a cupcake in her mouth.

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded in Marion's face!

Me: The exploding Cupcake! Nice! Hit it girls!

Pinkie Pie: 1… 2… 3… 4!

We fired waves of light and darkness and blasted Marion all over the place.

Nico: OH YEAH! ROCK ON!

Pinkie Pie shoved several cupcakes in her mouth.

Then they popped and BLOOD POURED OUT OF HER MOUTH!

Me: EW!

Pinkie Pie: I invented blood pack filled cupcakes. That's real blood pouring out of her mouth.

Me: Clever Double P.

Pinkie Pie: Thanks.

Nico: Boy that's going to leave a really bad taste in her mouth.

Valleria Shade was licking Marion.

Valleria Shade: (Transylvanian Accent) (SLURPS) But it's tasty though.

We laughed!

Twilight Sparkle: You have no love for anyone Marion! That's why you are never going to respect friendship.

(THE MYSTIC'S DREAM BY LORENNA MCKENNITT PLAYS)

Twilight Sparkle: (SINGING DIVINELY AS MAGIC AND AURORA SWIRLED AROUND THE SKY)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for, for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

And every breath, breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for, for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is longing for

All for, for the love of you

Twilight Sparkle fired waves of energy and blasted Marion all over.

Me: Nice one!

Qin: YEAH!

Abigail Hawthorne: And I will never forgive you for what you did to my little sister!

Me: Huh?

Nico: What do you mean?

Marion: YOU SAY WHAT HAPPENED I WILL BLOW YOUR FUCKING HEAD OFF!

Abigail Hawthorne: NO! I AM NOT YOUR SISTER ANYMORE! NOT AFTER WHAT YOU DID TO HER!

Nico: What happened?

Abigail Hawthorne: Dad was away on a business trip and I was tasked with babysitting Marion and my little sister Claire. She was only 3 years old. We were playing games and the Marion did something so horrible. She… She… (VOICE BREAKING) SHE KILLED MY SISTER!

WE GASPED!

Qin: SHE WHAT!?

Abigail Hawthorne: She dismembered and decapitated my sister alive! AND SHE THREW HER DOWN A SEWER! (CRYING) SHE THEN PUT THIS ON ME!

She showed a bomb that was put on the back of her neck

Eli: What is that!?

Me: Is that a bomb!?

Abigail Hawthorne: YES!

Marion then pulled out a detonator and Nico and Eli grabbed her and took the remote from her!

Abigail Hawthorne: (CRYING) SHE THREATENED THAT IF I EVER TOLD ANYONE THAT SHE WOULD KILL ME AND BLOW ME TO PIECES AND SEND ME OFF TO HELL!

Nico: YOU BITCH!

Me: Hold still Abigail! This will hurt.

I grabbed the bomb and twisted it and pulled it out.

Abigail Hawthorne: Thank you.

Varie healed her.

I threw the bomb into the air and Nico pressed the button and detonated it!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

IT WAS A V9 PLASTIQUE BOMB!

It packed a massive blast range!

Me: WHOA! That was powerful!

Qin: WHOA! That was big!

Me: Everyone okay?

They said they were fine.

Nico: Death would be too lenient. We're still throwing you in jail!

Me: Besides it goes against our code anyway.

She fired waves of lightning and lasers and blasted Marion all over.

Nico: YEAH!

Harriet punched Marion in her stomach and kicked her in her face!

Harriet: I can't believe you would become so evil! Killing your own sister and threatening to kill Abigail! You are a TRUE SPAWN OF SATAN!

Marion: I WILL KILL YOU HARRIET!

Harriet: Bring it on!

Then Marion and Harriet roared and they went at each other and then they started punching and pulverizing each other at a ferocious and vicious rate!

POW! BLAM!

Harriet punched her in her face and she punched at Harriet and she dodged him and she kicked her in the stomach and she punched her and punched her in her face and she ducked under a punch and kicked Marion and punched her and kicked Marion and blood dripped all over and she kicked Marion into a wall! Marion got up and dealt a deadly sucker punch and sent her flying and she crashed into a park wall!

SMASH!

Me: OH MAN! THAT HAS TO LEAVE A MARK! BUT MARION IS PUTTING UP ONE HELLUVA FIGHT!

Marion grabbed Harriet in a hold and she elbowed Marion in her head and Marionsmashed her down and then kicked her into a wall!

She then grabbed her!

Marion: It's not over yet.

She threw her and jumped and dealt her DEADLY PILE DRIVING MOVES TO HARRIET! She belched up huge amounts of blood and Marion jumped and Harriet got out of the way as she was about to smash her head in! Marion then grabbed her and broke some of her bones and then she grabbed her eyes and punched her and flipped her down down and smashed her arm and then Marion got up and reset her arm back and grabbed her and elbowed her face! She then ducked under her and kicked her! Then Marion grabbed her and smashed her RIGHT INTO THE ROCK AND SENT HER FLYING AND SHE CRASHED ONTO THE GROUND!

She belched up a huge amount of blood!

Nico: Come on! Go for a headshot!

She rolled out of the way as She was about to jump on her.

I teleported and kicked Marion away!

Diana Dynamite: NO ONE DOES THAT TO HARRIET!

She fired dynamite blasts and blasted her all over!

Me: HOLY FUCKING SHIT!

Xenia: That motherfucking sack of shit bitch really did a number on Harriet!

Nico: Geez!

Me: Holy shit that was brutal.

Varie looked over Harriet.

Varie: She took a really nasty beating.

Me: Boy no shit!

Harriet belched up a huge amount of blood.

Marion: AFTER I'M DONE, THAT PREGNANT SPIDER BITCH IS NEXT!

Me: OVER MY FUCKING DEAD BODY!

I teleported and punched her face all over!

I punched Marion down!

Me: That was for taking Harriet's notebook!

Xenia came and grabbed Marion and smashed her back on her leg! Marion screamed in pain!

Xenia: THAT WAS FOR TURNING HER FRIENDS AGAINST HER!

She smashed her into a rock and bashed her down.

Starlight Glimmer: You are a monster Marion! No wonder everyone hates your guts!

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Starlight Glimmer: (SINGING DIVINELY AS THE AREA HAD SKULLS FLOAT AROUND HER)

Now the day has come

We are forsaken this time

We lived our lives in our paradise

As gods, we shaped the world around

No borderlines, we'd stay behind

Though balance is somethin' fragile

While we thought we were gaining

We'd turn back the tide, it still slips away

Our time has run out, our future has died

There's no more escape

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

We're the last of our kind

The sacrifice was much too high

Our greed just made us all go blind

We tried to hide what we feared inside

Today is the end of tomorrow

As the sea started risin'

The land that we conquered just washed away

Although we all have tried to turn back the tide

It was all in vain

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

Only ruins stay behind

Now the day has come

We are forsaken this time

Now the day has come

We are forsaken

There's no time anymore

Now the day has come

The day has come

The day has come

She fired waves of skulls and blood and smashed Marion all over!

Nico: OH YEAH!

Eric: Threaten my wife, will you?!

Eric jumped her and bashed her face in!

POW POW POW POW POW POW POW POW!

Me: This monster deserves the black gates for her crimes!

Xenia: I agree there!

Nico: Like I said, Death would be too lenient!

Diamond Tiara went up to Marion.

Diamond Tiara: I once thought like you Marion! I was a heartless bully like you were! But you are more than that! You are a monster and you treat everyone around you like garbage! You don't care about anyone but yourself and that is why you will always be a worthless loser! You would rather make enemies from everyone around you and that is why we have one thing that you don't! Friends!

The Cutie Mark Crusaders and us agreed!

Xenia: YEAH!

Me: You will always be a worthless loser! That's why everyone hates you! You think you're so much better than everyone else that everyone to you is beneath you! You treat everyone like garbage! You hate everyone! You even killed your own sister in cold blood!

Camie: What kind of a person does that!?

Nico: I think we met some people like that. I just forgot who they were.

Me: Too many to count!

Emily McKale: You are in every way like my sister was!

Samey: And like how my sister was!

Rarity: And soon this monster will be thrown away with the garbage!

She fired waves of water and jewels and smashed Marion all over.

Poromon was drinking beer nonstop.

Then we saw Marion's dad come!

Me: Mr. Hawthorne!?

Abigail Hawthorne: Daddy?

Marion: Dad!

Mr. Hawthorne was in shock!

Mr. Hawthorne: You monster Satanic brat! I HEARD IT ALL! HOW COULD YOU KILL CLAIRE LIKE THAT!? I LOVED HER!

He had tears stream down his face.

Marion: I HATED HER! I HATED HER MORE THAN ANYTHING! YOU STUPID MOTHERFUCKING SENILE OLD MAN! I WANTED THAT FORTUNE AND I DIDN'T CARE HOW TO GET IT EVEN IF I HAD TO KILL MY OWN FAMILY! I WANTED THAT FORTUNE ALL FOR MYSELF! I WANTED TO MAKE SURE NO ONE BUT ME GOT IT! AND I WOULD HAVE DONE IT TO IF HARRIET THE FUCKUP BITCH AND YOU MOTHERFUCKING FREAKS HADN'T GOTTEN IN THE WAY!

Poliwag: What about her mom?

Mr. Hawthorne: Luckily she was away on business.

Abigail Hawthorne: She is a missionary over in Comoros.

Nico: Wow.

Manaphy… CALL HER ABOUT THIS ANYWAY!

?: NO NEED!

We saw Mrs. Hawthorne.

Abigail Hawthorne: Mom!

Me: Mrs. Hawthorne! Welcome home. Sorry it was on bad times.

Mrs. Hawthorne: It's all right J.D. But I heard everything this heartless monster did! This brat is an unholy spawn of the devil! I am glad you got disowned and sent to prison!

Horsea: SHE'S ABOUT TO GO BACK TO PRISON! WITH NO CELLMATES!

Emeth: That is for sure!

Suddenly, Emeth's teal eyes turned neon teal and she was surrounded by an orange and brown energy aura with stars, clay, Earth, golems, phoenixes, and angels, she unholstered her greatsword from her back, and as she approached Marion Hawthorne, she left orange and brown energy, stars, clay, Earth, golems, phoenixes, and angels with every step.

Emeth: You really make me sick to no end, Marion. All you are is nothing but a heartless, two-faced, manipulative, conniving, little shrew who has no respect for anyone except for yourself, and all you've done is hurt innocent people to get what you want. Well, that ends here and now, you're going away to a brand-new prison where you will stay there for the rest of your life and you will never be free ever again.

Suddenly, Emeth was surrounded by a massive vortex of orange and brown energy with stars, clay, and Earth surrounding the vortex, there are golems, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Marion Hawthorne: the red eyes of death. Then, as the vortex faded, Emeth emerged, but she was changed forever.

Emeth grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large brown orbs orbiting around her legs, she has the voluptuous body of a goddess, she has gold highlights in the bangs of her short neck-length light brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon teal eyes and an orange and brown energy aura with stars, clay, earth, golems, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix and golem emblazoned on her forehead and Third Eye with teal iris, she has on golem earrings with orange gems for eyes and holding the Clay and Eternity Kanjis in its hands, she also has a clay golem with orange gems for eyes and holding the Clay and Eternity Kanjis in her hands on the bottom of her orange golem-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flower links and she has on a white and gold accented choker on her neck. Emeth has on her outfit and she has on a long sleeveless white trenchcoat with stars, clay, earth, golems, phoenixes, and angels on the coattails, and on the back is a phoenix and Clay Golem surrounded by clay and earth. Suddenly, Emeth felt a sharp pain on her back, and then, massive light brown angel wings with orange tips grew and sprouted out of her back and she now has eleven massive and long light brown wolf tails with orange tips and orange markings. Emeth has on her Ring of the Phoenix with large gold gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Emeth's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of orange and brown energy, stars, clay, earth, golems, phoenixes, and angels, and when it emerged, it transformed into Emeth the Clay Golem's Voluptuous Seismic Earth Clay Golem Angel Greatsword of Voluptuous Seismic Earth Clay Golem Justice, it's a brand-new massive greatsword with embedded orange gems and a clay golem and phoenix etched on the 7'6" massive, wide, double-edged brown blade, large brown golem heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large brown golem heads with orange gems for eyes and large brown golem head with orange gems for eyes and orange gem in its mouth on the bottom of the brown golem heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold clay golem head with orange gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Emeth's Super Angel-Jewish Clay Golem-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Emeth, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Marion Hawthorne saw it, she fell into an even darker rage and ran at her to kill her, but Emeth fired a massive barrage of orange and brown energy, stars, earth, clay, golems, phoenixes, and angels which hit Marion Hawthorne and exploded with incredible power as she was sent flying into a wall, she got back up, but now, she was beyond pissed off.

Emeth: (Divine Echoing Godly Voice of The Divine Clay Voluptuous Jewish Myth Seismic Earth Clay Golem Angel and Divine Cosmic Clay Voluptuous Jewish Myth Seismic Earth Clay Golem Angel Love) You got some nerve coming after us, Marion, and now, you've left us no choice but to beat you down.

Abigail Hawthorne: That's right. YOU ARE DONE FOR, YOU PIECE OF SHIT!

Lincoln, Emeth, and I went after Marion Hawthorne, and we fired extremely powerful blasts of rainbow energy, orange and brown energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths,

Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at Marion Hawthorne and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Emeth, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Marion Hawthorne insane and straight to the brink of insanity.

Marion Hawthorne: YOU! YOU! I WILL KILL YOU ALL!

Marion Hawthorne charged at us now completely insane and driven mad by revenge against us.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, you're really asking for it.

Lincoln summoned Wicked Weaves with swings of his massive greatsword along with some swift and powerful kicks and the Wicked Weaves attacked Marion Hawthorne, and we saw the Wicked Weaves were that of Madama Butterfly and Madama Styx.

Nicole: Whoa!

Shanan: Since when is Lincoln able to use the Wicked Weaves of Madama Butterfly and Madama Styx? I'd expect them from Bayonetta and Jeanne.

Nicole: He fed on their blood when he marked them, Shanan, and like he said, he now has access to all the Infernal Demons they've made contracts with except for Madama Butterfly and Madama Styx since they're the main contracts of Bayonetta and Jeanne. But, with his rapidly evolving powers, he's now gained access to Madama Butterfly and Madama Styx's powers as well, and with them, he'll do a shit ton more damage.

Then, Lincoln kicked Marion Hawthorne that sent her flying into a magic circle, and once she was in the center, Lincoln snapped his fingers, and Marion Hawthorne was wrapped up in a coil of black and white hair with pendants from Bayonetta's outfit.

Marion Hawthorne: (GRUNTS) GET THIS THING OFF ME! LET ME OUT OF THIS RIGHT NOW!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Not a chance.

Lincoln snapped his fingers and beamed Marion Hawthorne straight into The Xaikora Prison for Queen Bee Mean Girls and into her Anti-Dark Orb and Anti-Dark Magic cell where she was chained to the wall in Neutronium chains lined with rainbow energy. Everyone cheered as Lincoln, Emeth, and I holstered our massive greatswords on our backs and powered down, and Emeth's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long light brown wolf tails, and massive neon light brown angel wings are permanent.

Abigail Hawthorne: Good riddance for good, you little brat.

Nico: At least, now she's in her new prison cell at The Xaikora Prison for life.

Me: Where she'll never get out.

Lincoln: And Universe 666 Sebastian crossed a huge line again when he helped that brat escape, I'll fix him.

Suddenly, Lincoln's massive white angel wings spread out at their maximum wingspan of 8'3" and the feathers glowed with white purifying light and they fired a massive shower of white energy needles that headed for Universe 666 Sebastian through a portal that led to Perfecto Prep's school now turned into a demonic castle from Hell.

The white energy needles came in and they pierced Universe 666 Sebastian, and they proceeded to strip him of his powers of poisonous darkness and leave him with his powers of Infernal Darkness. The needles disappeared, but Universe 666 Sebastian felt it, he lost his powers of poisonous darkness and was left with his powers of Infernal Darkness.

Universe 666 Sebastian: (DEMONIC ROAR)

We heard his roar from here in Gotham Royal York.

Nico: Looks like you've pissed him off in a huge way.

Lincoln: By stripping him of his powers of poisonous darkness and left him with his powers over Infernal Darkness, now we won't have any trouble from him anytime soon.

Me: Yep, but he's not going to give up, he'll find more ways to stir up trouble for us, but we're more than ready for him.

Nico: After everything we went through with The Church of Necrom, we know what to expect with him.

Lincoln: That's right.

Nico: Why didn't you tell us about this? We could've helped you sooner

Lincoln: It was something she didn't want to talk about.

Qin: That is understandable.

Nico: Oh man.

Abigail Hawthorne: I'm sorry guys. I didn't want you guys to find out this way.

Me: It's all right Abigail.

Xenia: But now Marion is back in prison.

Ophelia Orichalcum: And in Xaikora's prison where she belongs.

Me: And I put a curse on her. If she comes back she is DEFINITELY getting the black gates.

Poliwag: Let's check on Sheila.

Sheila was doing okay.

Sheila: I'm okay guys.

Varie: But Harriet isn't. Look what Marion did to her.

Marion really thrashed her.

Diana Dynamite: Just like how I got thrashed.

Varie: Yeah.

Nico: What a heartless monster.

Poromon: It was worth it though

I gave Harriet a Senzu bean and she was better.

Harriet: Thanks guys.

Qin: You're welcome.

Eli: Now for the Anothers. Lets see who we got. (CONCENTRATES) WHOA! We have Another Trifire, Quakemon, Fireor, Whirlin, Chillyfish, Hate Master, Francisco and Metal Sonic.

WE GASPED!

Qin: WHOA!

Me: Wow! Pakura and the Planeteers archenemies.

Pakura: This will be awesome.

Kwame: It sure will.

Nico: We're already here

Me: Yep. All of us are.

Qin: Yep.

Nico: We sure are.

Wheeler: Boy this will be fun.

Me: If this were on Earth Day it would be perfect.

Unicorn: It sure would.

Eli: I sense that the Anothers minus Metal Sonic are one person.

Me: This will be interesting.

Nico: There they are!

We saw Another Trifire, Quakemon, Fireor, Whirlin, Chillyfish, Hate Master and Francisco!

Qin: WHOA!

Me: This is gonna be awesome.

Another Trifire: (In a girls voice) It sure will be.

Lincoln: Talia Tholia! Wow!

They merged and she reverted back and was a girl with Red Hair, Red Eyes, red clothes, Fire Angel Wings and she had the symbol of the Tholian Assembly in the middle of her forehead and she had the same symbol on her skirt and she had a fire keyblade.

Talia Tholia: Awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Talia Tholia, Keyblade Knight of Tholia, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Tholia, homeworld of The Tholian Assembly, and she has intense fire powers and she's a master of fire. She is the Keyblade Knight of Tholia, homeworld of The Tholian Assembly, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of fire.

We were amazed.

Me: Wow! The Keyblade Knight of the Planet Tholia. The Tholians from what I remember are extremely territorial and they are very adamant and protective of their sector in space and their planet.

Nico: Yeah!

Talia Tholia: That's right. And did you hear that one of the Federation's ships was interspacially trapped in my planet's territory?

Me: Boy I remember that one! That was crazy! I remember all the crew killed each other and the ship just went somewhere never to be seen again.

Nico: That is crazy!

Talia Tholia: That's right. I found out that the Defiant was sent all the way to the Sombrero Galaxy.

Me: Whoa! All the way over there? That's over 29 million lightyears from home.

Nico: Yeah!

Talia Tholia: I know. Crazy.

Laney: I'll have the ship ready to bring it back so we can examine it later.

Nico: Okay.

Me: By the way is the Another Metal Sonic friendly or hostile?

Talia Tholia: Friendly and she is an amazing builder of robots.

Me: Neat!

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired waves of energy and elements and then the blasts all hit the Anothers and they exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books.

Me: Oh yeah!

Xenia: Awesome!

Nico: YEAH!

Maria: Better call in backup. (TURNS DIAL) ROCKET FORCE 6!

She summoned Roxy Rocket, Astronema, Yolker, Universe 666 Storious, Sculpin and The Phantom of The Bwahpera.

Qin: Yeah!

Nico: And now, we wait.

Me: Yep. Wait. We don't have to wait long!

We saw ANOTHER METAL SONIC!

Me: Fast as Sonic and Metal Sonic.

Nico: Yep.

Another Metal Sonic: (In a girls voice) Awesome to be fast.

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and purple eyes and black clothes and had black angel wings and she had a tiara with the symbol of the Nocturne Dopant on it and the same symbol on her skirt and she had a dark sword in her hand.

Me: Natalia Nocturne! Wow!

Natalia Nocturne: Awesome to see you again J.D.

Me: Same here. Natalia is the Embodiment of the Nocturne Dopant and is a master of darkness and is also a VERY FAST Runner and is also a master of the Chaos Emeralds herself.

Nico: Cool!

Metal Sonic: Wow! She is just like me. I'm fast and skilled in all that.

Nico: Yep.

Me: And she is also an amazing tinkerer too. She builds awesome robots.

Nico: Wow!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Natalia Nocturne: No he didn't. I trapped him in a terrible nightmare of darkness where he saw his mother abuse him big time. The guy hates his own mother.

Nico: Geez!

Me: Nice! Natalia is a Nightmare master too.

Lola: Brutal.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Time to separate this Another first.

Lincoln fired a wave of light and separated the Another.

Natalia Nocturne: Lets unleash the darkness!

She blasted him all over with darkness

Nico: Time for some speed! (ACTIVATES METAL SONIC AND FRANCISCO'S RIDEWATCHES)

He fired waves of energy and speed blasts and smashed the Another all over.

May: I'm ready for this! (ACTIVATES 666 MIZUKI AND ZURG'S RIDEWATCHES)

She fired waves of energy and smashed the Another!

Maria: Take this! (ACTIVATES YOST TRAPSTER AND LEILA DRACO'S RIDEWATCHES)

She fired energy blasts and smashed the Another all over.

Rui: Take this! (ACTIVATES FRANCISCO'S RIDEWATCH)

She fired an ice and energy blast and smashed the Another all over.

Then Machinedramon, Evil Aqua Man, Kishiryuki, Mr. Mascot, Terminator 1984 and Evil Astro Man came.

Nico: Nice team Machinedramon!

Machinedramon: Thanks Nico.

?: Boy that is a cool team.

Cloud Man came!

Me: Cloud Man awesome!

Cloud Man: (In a girls voice) It's fitting for me because I love clouds.

Nico: Tara Nimbostratus Cloud!? Wow!

Tara Nimbostratus Cloud: That's right.

Eli: Awesome! Me, Sonic and Shadow got this.

Sonic: Oh yeah!

Tara Nimbostratus Cloud: Here we go.

She fired a blast of lightning.

Eli, Sonic and Shadow: CHAOS CONTROL!

ZOOM!

They zoomed and smashed Another Metal Sonic and the blasts all hit him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

I caught the Ridewatch and purified it!

Me: WHOA! That was AWESOME!

Sonic: Like old times.

Shadow: You said it Sonic.

Eli: Oh yeah!

Nicole: That was awesome!

Tara Nimbostratus Cloud: It sure was and also I'm naked.

Nico: Oh boy.

I put on my blind man glasses.

Me: It's going to hurt.

Tara Nimbostratus Cloud: I know.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up and she fired lightning and it hit May and electrocuted her!

ZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

She got burned bad!

Tara Nimbostratus Cloud Was back to normal and she was a girl with blue hair and red eyes and had orange angel wings and had a cloud symbol in the middle of her forehead.

Tara Nimbostratus Cloud: (GROANS) That hurt. (GASP) Oh my god! Sorry May!

May: I'm okay!

Tara Nimbostratus Cloud: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade moved in and gave her awesome purple clothes and a cloud sword.

Tara Nimbostratus Cloud: Wow! I look awesome!

Nico: You sure do.

Maria: Also, one of our friends is pregnant.

Tara Nimbostratus Cloud: I can see that. Congratulations to you

Sheila.

Sheila: Thanks Tara.

Rui: Do you have any favorite memories of Nico?

Tara Nimbostratus Cloud: My favorite is when me and Nico saw the Aurora up in Iceland and it had awesome clouds that were extremely rare and they looked like dragons and pegasus.

Me: Cool!

Qin: That is amazing.

Nico: Yep.

Nico and Tara hugged.

Nico: I've missed you.

Tara Nimbostratus Cloud: Same here Nico.

We enjoyed the rest of the party and went back home.

Then, Lincoln fired fired vacuum tubes from his chest which latched onto David Monroe's chest, and then, the vacuum tubes literally began sucking David Monroe dry of all his massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done, the vacuum tubes detached themselves from David Monroe's chest and went back into Lincoln, and David Monroe was dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed him and banished him to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's the end of you for good, David Monroe, and I never want to see your face again. (To Valencia Vigrid) And it's so good to see you again, Valencia Vigrid.

Valencia Vigrid: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Valencia Vigrid and he hugged her, and Valencia Vigrid is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his

familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Valencia Vigrid: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Valencia Vigrid, Keyblade Knight of Vigrid, she's my Guardian Angel from from Michigan, she's an extremely powerful Umbra Witch and a powerful force of epic power. She was born and raised in Vigrid, and she has intense darkness and demonic powers. She's a true master of darkness, The Dark Arts, dark magic, black magic, and Satanic Magic, and she has all the powers of The Umbra Witches and has control over The Infernal Demons. She is The Keyblade Knight of Vigrid and she's been a witness to the horrible events of The Witch Hunts and what happened in Vigrid over 500 years ago along with being a powerful Guardian of Time. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she'd trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to using the powers of darkness and The Dark Arts.

Nico: Wait, that mean…?!

Jeanne: You were trained in the Umbran Arts by Valencia seven years ago?

Bayonetta: (British Accent) We were unaware of that little development, so you've been trained in the Umbran Arts six years ago and mastered many of our skills.

Lincoln: Along with summoning Infernal Demons, but thanks to Lori, Lynn, Lola, Lisa, and Luan for putting that cluster of weakening chips on me, those skills were locked away until I ascended further and the chips were forever shattered.

Nico: And I was absolutely pissed those five did that. Next revelation I hear about them that almost got you killed by them, I'm heading to The Simulator and I'm ripping Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan apart.

Lincoln: Well, brace yourself, you're gonna take that trip to The Simulator to rip them limb from limb when you hear this, and now that you're here, Valencia.

Lincoln went up to and hugged Valencia Vigrid in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Valencia Vigrid: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valencia Vigrid with red gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Valencia Vigrid: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valencia Vigrid.

Valencia Vigrid had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Dr. Marilyn from the Red Baron anime, Hipopo Popota and Amu Amayume from Gamen kara Detekita Oshi Vtuber to H na Dousei Seikatsu ~Muma ka wa ASMR Haishinsha wa Jirai-kei ?~, and Mashiro Amatsuki and Minori Nanahashi from One Room.

Lincoln: Oh wow, it's Dr. Marilyn from the Red Baron anime, Hipopo Popota and Amu Amayume from Gamen kara Detekita Oshi Vtuber to H na Dousei Seikatsu ~Muma ka wa ASMR Haishinsha wa Jirai-kei ?~, and Mashiro Amatsuki and Minori Nanahashi from One Room.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Dr. Marilyn: Yes, we're okay, thanks to you.

Then, when Dr. Marilyn and the other five girls saw who it was that saved them from David Monroe, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted

Dr. Marilyn: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Dr. Marilyn: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Dr. Marilyn, Hipopo Popota, Amu Amayume, Mashiro Amatsuki, and Minori Nanahashi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate and the rest of the team was shocked to find out the villain we went after was an old enemy of Lincoln's named David Monroe, a natural born criminal and thug who terrorized Royal Woods for six years and he physically harmed a ton of people including Lincoln's sisters, parents, and friends, and it got Lincoln so pissed off, he basically trashed David Monroe and he kicked him so hard in the crotch, he destroyed his whole reproductive system and he sent that thug to prison for the rest of his life. Now, six years later, he broke out and wanted revenge on Lincoln.

But, when Lincoln showed what we did in thrashing him all over the place and Lincoln sucking out David Monroe's blood, massive muscle mass, virility, and strength that left him dead and thin as a rake and weak and Lincoln destroying him and sending him to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and Valencia Vigrid have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe that thug, David Monroe, broke out.

Lincoln: I thought I was rid of him six years ago, but he sure didn't know when to give up.

Me: Yep, but now, he's finally dead and gone forever.

Nico: And he's never coming back.

---

After finally getting rid of David Monroe and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Valencia Vigrid saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Valencia Vigrid: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Valencia, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Valencia Vigrid: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Valencia Vigrid: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Valencia, what memories did you have with Lincoln?

Valencia Vigrid put up a video as it played on the big screen, and it showed Lincoln and Valencia Vigrid training at her house.

Past Valencia Vigrid: You're doing great, Lincoln, your training is really starting to show results.

Past Lincoln: Thanks, Valencia.

LOUD MONSTROUS BELCH!

Suddenly, they heard a loud monstrous belch and caught the stench of B.O. and feet.

Past Lincoln: Oh great, there's no mistaking that loud belch from anywhere. Get out here, Lynn, I can smell the sweat coming off you and your sweaty pits!

Suddenly, they saw Lynn come out, and she was out for blood again, and she wasn't alone, she also brought Lori, Lola, Lisa, and Luan.

Past Valencia Vigrid: Oh great, she also brought that homicidal joker, that heartless mad scientist, that rampaging pageant demon, and that angry stupid control freak!

Past Lincoln: I've had about enough of this, let's get them!

Valencia Vigrid and Lincoln went after Lori, Lynn, Lola, Lisa, and Luan who tried to attack them, but at the last moment, they dodged and activated Witch Time which allowed them to launch attacks on the five of them, and they got bruised and bloodied. Then, they pummeled them with Wicked Weaves as they summoned the limbs of demons, and then, they summoned two giant demon fists formed by the Wicked Weaves, and they sent them right at Lori, Lynn, Lola, Lisa, and Luan and sent them flying right back to The Loud House as the video ended.

Nico: Lori, Lynn, Lola, Lisa, Luan! (ENRAGED SCREAM) THAT'S IT!

Nico went into The Simulator, and as it activates, he wound up in Royal Woods. Then, he spotted Lori, Lynn, Lola, Lisa, and Luan who were chasing after Lincoln with murder in their minds, but Nico fired blasts of energy that separated their Dark Sides, and he proceeded to really rip them to shreds and he sent them to The Black Gates and The Simulator deactivated and he was really covered in blood.

Nico: (Sighs) That's much better.

Eli: We saw the whole thing, you tore Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan to shreds.

Lincoln: They deserved it though.

Luna: No doubt, dude.

Laney: We hated those monsters for a long time for what they've done.

Lana: And it was a long time coming for those five monsters.

We got a shower afterwards, and then, Lincoln, Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang are heading to Indigo Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Aldra: Wow, so, this is Indigo Ocean, it sure is beautiful.

Lincoln: It sure is, Aldra, and it's perfect for our first date. Shall we?

Lincoln, Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang and they hugged the girls in their abnormally massive and powerful muscular arms, and Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Indigo Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Aldra, Annelotte, Branwen, Liliana, Luna Luna, Sigui, Sainyang, and Tarnyang, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

We were watching TV and Sheila was getting heavy.

Crimson Dynamo: (Russian Accent) Hope you don't mind me and KGBeast visiting.

Me: Not at all Anton. This will be fun.

KGBeast: (Russian Accent) It sure will comrades.

Lola: It sure will.

Sheila then screamed!

Me: Huh!?

We saw water on the floor and that meant one thing!

Sheila: Guys! It's time!

Nico: Uh oh! Her water broke! Lets get her to the hospital!

Ratchet: Okay here we go guys!

We got her loaded up into Ratchet and we were off to the hospital!

Varie: Okay start your breathing Sheila!

We later arrived and got her into the delivery room.

KGbeast: (Russian Accent) I think we should expect her to turn into Shredlegs randomly during this.

Nico: We'll see.

Me: Yeah.

I was playing Go Fish with Lincoln and Girl Jordan and Leeli.

Me: Hmm. Lincoln do you got any 4's?

Lincoln: Aw man.

He gave me 3 of them.

I got a set.

Me: Hmm. Girl Jordan got any 3's?

Girl Jordan: Sorry J.D. go fish.

Me: Tartarsauce.

Me: Aw barnacles.

I drew a card.

Sheila: (SCREAMING)

Leeli: Geez that must hurt.

Me: Yeah it's natural for her.

Aligned Megatron: Is she turning into Shredlegs right now?

Eli: No she isn't. I don't sense it.

Aligned Megatron: Good. I think Shredlegs knows what Labor is.

Nico: Thank goodness.

Qin: Yeah.

Sheila: ERIC THIS IS ALL YOUR FAULT! I WILL RIP OUT YOUR INTESTINES AND EAT THEM IF THIS HAPPENS AGAIN!

Me: (GULP)

Lincoln: Thank goodness that will not happen for real.

Eddy: She might do it as Shredlegs

Luan: Eddy!

Eddy: Sorry.

The screaming stopped.

Me: Oh she must be done.

Then the doors later opened and out came Eric and Sheila and in their arms were three adorable baby girls. They had Sheila's green hair and Eric's blue eyes.

Me: Oh Eric, Sheila they are so adorable.

Nico: Aww they sure are.

Sheila: Meet our 3 baby girls. Lillian Vale Loud, Nikita Marie Loud and Celeste Vicky Loud.

Nico: Aww. Those are beautiful names.

Camie: They sure are.

Eric Loud: They are our beautiful girls.

Me: Congratulations you guys.

Lily: I agree there.

Optimus: You two should be very proud

Sheila: We are.

We got an awesome photo of them.

Later we got Sheila back home and to the nursery.

Me: Now if you need anything let us know okay?

Sheila: Will do.

We sat her in the rocker.

We then got into the living room and then the windows flew open.

Me: Uh oh.

Then we heard a familiar song!

Flying in with a Jeweled Hummingbird Dress was NONE OTHER THAN LADY GAGA HERSELF!

Lady Gaga: (SINGING)

She landed in our living room!

Me: NO WAY!

Qin: I don't believe it! Lady Gaga Herself!

Xenia: WOW!

Lady Gaga: Team Loud Phoenix Storm it's an honor.

Me: Lady Gaga! It's truly an honor to have you here!

Nico: We love ALL of your songs!

Eli: It's an honor! What brings you here?

Lady Gaga: I felt someone unhappy and she needs my help.

Eli: I think it's Luna Loud. She has been feeling down.

Lady Gaga: I am here to help. Lisa Simpson it's good to see you again.

Lisa Simpson: You too Ms. Gaga. Thank you for helping me out a while back.

Lady Gaga: It was my pleasure.

Me: Right this way.

We went to Luna's room.

Luna Loud: I don't know if I can do this.

There was a knock.

Luna: Come in.

I came in.

Luna: Hey bro what's up.

Me: Sorry to come in like this Luna but you have a very special visitor.

Lady Gaga came in.

Luna: (GASP) Lady Gaga! Rockin to meet you!

Lady Gaga: It's an honor too Luna.

Me: She's here to help you.

Luna: I'm truly honored!

Nico: Luna, if you're feeling down about how I nearly went to prison, don't be. I chose to turn myself in

Luna: No Nico it's not that. I'm just nervous and scared. Because I want to pop the question to Sam.

She showed a beautiful Rainbow Diamond Ring to us.

Me: Oh Luna that is beautiful.

Lady Gaga: Sam will love it Luna.

Luna: I'm just nervous.

Lady Gaga: Don't be Luna. You and Sam were made for each other. And I know you will be the happiest couple ever. You have had an amazing crush on her for as long as you remember.

Luna: Wow. All right I will ask her.

Me: Go for it.

Maria: We'll be next to you

Luna: Thanks guys.

Lady Gaga: You're welcome.

We went to Sam's room and Luna went in.

Sam S.L.: Hey Luna.

Luna: Sam I have something I want to ask you.

Sam S.L.: What is it Luna?

Luna: I have known you for as long as I can remember and I want to ask you this.

She then got down on one knee and Sam gasped and saw the ring.

Luna: I love you more than anyone in the world. Sam will you marry me?

Sam S.L.: OH LUNA OF COURSE I WILL MARRY YOU!

She and Luna hugged and Luna put the ring on her and we cheered wildly for her and Sam! And the 2 kissed.

Whitney came in and hugged them both!

WE WERE SO HAPPY!

Lady Gaga: I'm so happy for you both!

Sam S.L.: (GASP) Lady Gaga! Oh wow! It's an honor.

Me: Luna was so nervous about wanting to pop the question that she came and helped her.

Sam S.L.: Oh wow! Thank you Ms. Gaga.

Lady Gaga: You're welcome.

?: Boy that is what I call an L.G. Intervention.

?: Me too.

We saw 2 girls. One had red hair and blue eyes and had orange clothes and had red angel wings and she had a tiara with the Donbrothers symbol on it and the same symbol on her skirt.

The second girl had orange hair and yellow eyes and had orange angel wings and had red clothes and had a tiara with the King Ohger's symbol on it and the same symbol on her skirt.

Dahlia Donbrothers: Dahlia Donbrothers, Embodiment of the Donbrothers.

Kendall Arthur: Kendall Arthur, Embodiment of the King Ohgers.

Me: Awesome to meet you girls.

Nico: Tell us more about yourselves.

Dahlia Donbrothers: Well I'm a festival planner and I make awesome festivals for every occasion and it's awesome.

Kendall Arthur: And I'm a historian and specialize in the history of Camelot and the Knights Templar.

Jessie Knudson: That is awesome!

Lola: It sure is!

Nico: Would you 2 like to join the team?

Dahlia Donbrothers: We would be honored.

Kendall Arthur: Yeah!

We cheered.

Red Lantern Ratchet: Which Embodiments are we gonna meet now?

Poromon: Ones for the Mega Man Robots. We're already meeting their Gene Slammers, aren't we?

Nico: That works. As long as we include Embodiments for Twilight Sparkle and friends too.

Me: Awesome!

Twilight Sparkle: Yeah!

Lady Gaga: I'm looking forward to seeing that. Well I best be off. I got concerts and people to help.

Me: Thanks for helping us out Lady Gaga.

Lady Gaga: Anytime.

She left.

Me: There goes an awesome and amazing woman.

Lola: Yep.

Stewie: Sheila, you should know that it's possible your kids might get Gene Slammed forms of their own.

Sheila: I know. But I discovered that my kids all have Spiderman powers.

Spiderman: Wow! Looks like I got some kids to teach.

Nico: You'll be a great mentor to them Peter.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than General Romanoff, general of The Russian Federation CCCR, and Natalia, spy for The Russian Federation CCCR, and they've come back for revenge against the Park crew.

We knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, they are none other than General Romanoff, general of The Russian Federation CCCR, and Natalia, spy for The Russian Federation CCCR, and they've come back for revenge against the Park crew.

We gasped.

Me: Oh Hell no! I thought I was done with Romanoff!

Nico: Same with that bitch, Natalia!

Eli: Wait, you guys know them?!

Me: We do. These two are wanted criminals for their crimes against

Russia. They tried to bypass the U.S-Russia Nuclear Arms Treaty, calling for Russia to never fire a missile at the U.S.A and vice versa and bring a part of the U.S to their missile, starting and finishing with the chunk of the park, which would in turn start World War III.

We gasped. Just then, Mordecai, Rigby, and the Park Crew came in.

Mordecai: I can't believe it, Natalia's back, but I thought we got rid of her.

Me: Looks like Romanoff brought her back to finish what they started. Well, that ends now, come on, gang, we're heading to The Park to end Romanoff and Natalia.

Nico: Those two war criminals are looking at getting put to death for this!

Eli: This is going to get messy.

Lola: Yeah!

Me: What can you two tell us about them?

Rigby: You guys are not going to like this.

We were told everything.

General Romanoff

General Romanoff is general of Russian Federation CCCR. He is antagonist of Regular Show. He appears in the episode The Real Thomas.

After baby Nikolai (Thomas) was found by CCCR, they raised him as a weapon.

After Thomas was embraced by new mom from M.O.M.M, Natalia, Commander Romanoff orders them an operation of Park Lift.

He appears along with Karpov and Premier Koshkov confronted by

President Davis, Secretary Clifton and General McMurphy.

However after Natalia's death at the hands of Thomas and park crew, USA rejoice in victory as Romanoff along with Russians humiliated and defeated.

Natalia

Natalia first appears in "The Real Thomas", where she is introduced by Benson as his new girlfriend. He says she is a schoolteacher named "Natalie" and announces to the staff that their only jobs are to stay out of his way while he shows his date around the park. Meanwhile, Rigby becomes suspicious of Thomas and eventually convinces Mordecai and Muscle Man after finding a secret room in the AV room where Pops and Skips are tied up. Before they can help Benson, however, Natalia puts him in handcuffs and pushes him into the secret room.

Natalia explains that she's a Russian spy and that one of the park's own staff has been working there undercover for two years. Benson, even more confused, questions who. On cue, Natalia reveals it to be Thomas - whose real name is "Nikolai". Thomas, in a Russian accent, reveals he is a Russian spy as well.

Thomas explains that the parks in Russia are outdated and that Natalia and himself were sent to infiltrate an American park. Natalia announces their new orders from General Romanoff and they depart, taking the park crew hostage. Natalia then reveals to Thomas their true plans: to bypass the U.S-Russia Nuclear Arms Treaty (which calls for Russia to never fire a missile at the U.S.A and vice versa) and bring a part of the U.S to their missile, starting and finishing with the chunk of the park, which would in turn start World War III. Nikolai, completely unaware of this ulterior motive, is horrified as he never intended to hurt anyone. Thomas then realizes that the park was like a home to him and can't go through with the plan. He and Natalia struggle for the remote, during which time Natalia falls out of the open hatch to her death (she is eaten whole by a whale).

When Benson sees her get eaten, he cries out for her (as he believed that they could've worked their issue out), only to be reminded by Mordecai that she tried to kill them.

---

When they were done we were horrified!

Qin: Oh man!

Benson: When we get to the Park, Thomas has something to explain. It's going to shock you.

Muscle Man: And don't ask us to tell it now!

Me: Okay we won't.

The previous group came.

Firebrand: Can me, Kaos, Dr. Viktor, Mr. Fizz, Technus, Man Boy, Femme Fatale, Trapster, Kangor, and Saix go with you guys?

Nico: Yes you can come with.

Qin: This will be awesome.

Nico: First Embodiments will be for Mega Man and Roll.

Lola: Cool.

Indigo Zap: Nico, which Gene Slammer do you think you'll meet next?

Nico: Junk Man next.

Qin: Ooh!

Lana: Awesome! This is gonna be cool.

Me: Yeah it will!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Universe 666 Zarbon, the first of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Universe 666 Zarbon, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Calamity Coyote: (Through a signboard) Leave him to me, I'll beat him senselessly just like Professor Wile did to Universe 666 Broly.

Nico: Okay then, Calamity.

Minerva Mink: Try not to go too wild with your supply of explosives.

Babs Bunny: Oh, kind of like what you and Lincoln did to Zarbon last year?

We laughed.

Plucky Duck: Hey. He deserved it though.

Nico: But, Minerva's right though, try not to go too wild with the explosives, Calamity. Last thing you want is getting blown up again and sent to the hospital once more. Alright, gang, let's go, we're off to The Park to deal with some unfinished business with Romanoff and Natalia.

Lincoln: Those two Russian traitors are going to pay for what they've tried to do, and once we get done with them, you're next, Universe 666 Zarbon.

Buster Bunny: You knew this day would come, you lunatic. Now, you will pay for everything you've done.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The Park to deal with some unfinished business with Romanoff and Natalia, and once we got done with Romanoff and Natalia, Calamity Coyote is going to take down Universe 666 Zarbon and break Universe 666 Sebastian's control over him.

We were off to the Park.

---

We arrived at the park.

Kaos: The good old Park!

Me: It's as beautiful as always.

Camie: It sure is.

Varie: Yep.

We went into the house and it was awesome as always.

Benson: Thanks for coming guys.

Me: No problem Benson.

Benson: First of all congratulations to Sheila for her 3 kids.

Me: And to Luna and Sam for getting engaged.

Benson: Hey! Congratulations girls.

Luna: Thanks dude.

Sam S.L.: I'm so happy.

Luna: Same here Sammie.

Thomas came in.

Me: Hello there Thomas.

Benson: Now, Thomas can explain himself.

Thomas: (Russian Accent) I should probably do that.

Gus Grav: What are you talking about?

Vulcan: And why are you imitating a Russian accent?

Thomas: This is my real accent. My real name isn't Thomas. I am Nikolai and I'm a Russian Spy.

WE GASPED!

Thomas/Nikolai: I was born on a cold winter's night in Kiev. But I was abandoned as a baby and declared property of the state. The KGB raised me to be the perfect weapon. No family or loyalties, except for Mother Russia. Some years ago I was embraced by a new M.O.M.M.: The Ministry Of Meadow Management, A KGB agency dedicated to research and espionage. Russian park technology is decades behind the rest of the world. In the world's theater, we are a laughing stock. What made American parks so good? We couldn't crack it. The order came from Commander Romanoff: Operation Park-Lift. We would obtain bogus credentials and sneak into the states. I would become Thomas, an average college student. We entered the US with surprisingly little resistance. Phase 1: Travel to target site. Inquire about internship opportunities. Say you will work for free. At the first chance possible, I would risk my life for the park. I would gain my coworkers' trust. I would fade into the background. I would say and do almost nothing. Phase 2: Make preparations for Phase 3. Execute Phase 4 orders. Transmit Phase 5 intelligence relating to Phase 6: Silencing potential threats to Phase 7.

We gasped again!

Me: (Speaking in Russian) Николай, ты должен знать две вещи, которые сейчас очень опасны. То, что вы собираетесь сделать, и то, что собирается сделать эта организация, созданная Россией, в конечном итоге уничтожит все человечество, потому что то, как она начнет Третью мировую войну, и то, что собираются сделать Романофф и Наталья, - это серьезные военные преступления, которые все наказуемы. смертью. (Nikolai you should know two things that are very dangerous right now. What you are going to do and what this organization made by Russia is going to do will ultimately destroy all of humanity because of how it will start World War III and what Romanoff and Natalia are going to do are big time war crimes that are all punishable by death.)

Thomas/Nikolai: (Speaking in Russian) Да, и я понимаю это сейчас, товарищ Кнудсон, потому что теперь у меня есть замечательные друзья с Мордекаем, Ригби и всеми в парке, и они показали мне настоящую любовь, которой я дорожу, и я благодарен за это. (Yes and I realize that now Comrade Knudson because I now have amazing friends with Mordecai, Rigby and everyone in the park and they showed me the true love that I cherish and I am grateful for that.)

Me: I'm glad you view that.

Mr. Fizz: Have you ever met Hercules Mulligan in your line of work?

Thomas/Nikolai: Not that I know of.

Me: That's okay.

My phone rang.

Me: Oh do you guys mind if I take this call?

Nico: Not at all.

I pulled out my cell phone and answered it.

Me: Hello?

Ambassador Tracy: J.D. hello this is U.S. Ambassador Lynne Tracy.

Me: Oh Ambassador Tracy what can we do for you?

Ambassador Tracy: I have good news for you. I was told all about The Ministry of Meadow Management and the FBI, CIA, Interpol, Scotland Yard and the President and the World Leaders have all declared it as a major Terrorist Organization. But we can't act without information on what they are going to do.

Me: That's good that they are declared terrorists. Give us a couple of hours and we'll have all the information you need on them.

Ambassador Tracy: Will do. Good luck.

Me: Won't need it.

I hung up.

Me: That was U.S. Ambassador to Russia, Lynne Tracy. They have just declared The Ministry of Meadow Management as a Terrorist Organization.

Nico: That's good news!

Me: but they can't act without Info on them.

Mushi: We should probably get proof.

Poromon: After Thomas picks a side!

Thomas: But-

Poliwag: No buts! It's either us or your organization. Now choose!

Mascots: CHOOSE! CHOOSE! CHOOSE! CHOOSE! CHOOSE! CHOOSE!

Nico: GUYS! Lets not pressure him! He has to make the decision.

Mascots: Sorry.

Thomas: And I already picked. I'm staying with you guys.

Me: Awesome choice.

Nico: Any good reason?

Thomas: Because you guys are my true friends and family.

Me: Awesome.

Femme Fatale: (to the mascots) Besides, I don't think you're in a position to pressure Thomas considering what you showed your class yesterday.

Me: You just had to bring that up didn't you.

Poromon: And we completely regret it!

Thomas: What did they do?

Me: Showed a Robot Chicken Sketch to the kids.

Benson: WHAT! Guys if you do that again you're fired!

Me: Benson you don't have the authority to fire the mascots.

Benson: Sorry force of habit.

Nico: Besides we already punished them. They are giving the Trinity of Violence massages.

Lori: And they literally give amazing massages.

Lola: Some of the best ever.

Poliwag; Not bad for our first time.

Muscle Man: How bad can it be?

Undermine: How about we show you it so you know?

Me: It's this one.

I showed the sketch.

When it was done their reactions were what we expected.

I put on Ear Muffs.

Mordecai and friends: (SCREAMING IN SHOCK)!

Kangor: (Jamaican Accent) This shouldn't impact you guys eating the cereal featured there, mon.

Benson: Nah we're pretty much grown men. We haven't eaten cereal like those in years.

Mordecai: Yeah its been a while.

Skips: But that was crazy that the Mascots showed kids that.

High Five Ghost: Yeah no kidding.

Muscle Man: You know who else likes to eat cereal like that?

Me: I think I know what's coming.

Muscle Man: MY MOM!

We laughed!

Thomas: Oh, and I DO have proof in this flash drive.

Magma: Well, that saves us time.

Me: Perfect.

I took the flash drive.

Me: Thanks Thomas.

Thomas: You're welcome.

I put it in my vest pocket.

Me: The Ministry Of Meadow Management's days are numbered.

Saix: Show that to the President.

Me: We will after we're done here.

Nico: Okay.

Thomas: Natalia and Romanoff are coming here right now and they are coming for me.

Gilda: Okay. But you can still show it to Ambassador Tracy.

Me: I'll tell her.

Nico: Right now we got more important things to do.

Camie: Yeah.

Nico: Like stop Russia from launching World War III.

Gilda: That is more important.

Twilight Sparkle: How dangerous is World War III?

Me: It makes World War II look like child's play.

Trapster: You know it hasn't even happened, right?

Me: I know I was just telling everyone what it would be like in comparison.

Trapster: Oh. Sorry.

Xenia: But yeah it's terrible.

Me: If it did happen it would be the end of humanity.

Headstrong: If it's all the same to you, I prefer Thomas.

Thomas: I do too.

Qin: Good.

Nico: Lets go bring down some Russian Terrorists.

Man Boy: How far are they?

Eli: (Concentrates) 45 klicks and closing and they are mad as hell!

Qin: Uh oh.

Lola: This is gonna be good!

Nico: Come on guys! Lets go get them!

Grier: They bring great shame to Russia.

Me: That they do!

Lola: Yeah!

Nico: Lets go! Entrance time.

We went to face them.

Natalia and Romanoff were coming over the hill and then the spirits of America came and they swirled around them and converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and then we landed in front of them.

Me: Natalia and General Romanoff, you two are under arrest for War Crimes and Terrorism against the United States!

Technus: And you're trespassing on American soil.

Natalia: (Russian Accent) You brought shame against us!

Me: No it's YOU that has brought shame against Russia! So we'll give you 3 choices. 1: you can surrender and save yourselves a whole lot of pain, 2: We fight and beat you up and turn you over to the cops, or 3: We kill you. So what's it gonna be?

Natalia: I have another idea. Nikolai comes back to us!

RD Lana: His name is Thomas!

Me: If you want Thomas, you'll have to go through us!

Natalia: With pleasure!

Me: So we'll go with option 2 then!

I teleported and kicked Romanoff and flipped over Natalia and kicked her in her face.

Me: I've dealt with bad people from Russia that were much more skilled than you.

Dr. Viktor: Shocking, isn't it?

He fired blasts of purple lightning and electrocuted them both!

I kicked Romanoff and bashed him in his stomach all over.

I grabbed him and smashed him down into the ground with a powerful flip.

Horsea squirted ink.

It squirted into Natalia's eyes.

Poromon smashed beer bottles on Romanoff's head.

Then Heatwave, Stinky Butt, Melter, Touch and Go, Po Kong, Titanium Toenail, Spot, Mojo Jojo, Dodgeball Wizard, and White Lightning came

Nico: Heatwave, Stinky Butt, Melter, Touch and Go, Po Kong, Titanium Toenail, Spot, Mojo Jojo, Dodgeball Wizard, and White Lightning.

Heatwave: (to Crimson Dynamo and KGBeast) Sorry you guys had to find out about what your fellow Russians are doing.

Crimson Dynamo: It's okay, Comrades.

KGBEast: Thanks for your concern.

Stinky Butt: No problem.

Melter: We're teammates, after all.

Me: Good.

Mr. Go: (to Nico) We heard you had Sheila's baby shower.

Nico: Yep.

Po Kong: We're so happy for her!

Me: We are too.

White Terrorsaurus came.

Me: White Terrorsaurus, back for another round I see?

White Terrorsaurus: I sure am.

Me: Cool cool.

White Terrorsaurus: I hope you guys don't lose that flash drive.

Me: Don't worry. I won't.

Nico: Good.

We got the battles underway.

---

Taranee, Hiita the Fire Charmer, Krystal Flemmington, Lea, Shiho, Sci Twi, Will, Irma, Cornelia, Hay Lin, Elyon, Megan, Sunset Shimmer, Pipsqueak, Fire Skylanders, Zilius Zox and Red Lantern Ratchet VS Heat Wave, Firebrand, Scorcher, Firefly, Axel, El Diablo, Evil Fire Man, Evil Flame Man, Gnat, Hotstreak, Arachne, and Weevil Underwood - Nico's Rescue was Sheila's Baby Shower and we battled Marion Hawthorne who came back from the dead for revenge and Emeth the Golem transformed

Heatwave was first.

Heatwave: (to Taranee) Nico's Rescue was Sheila's Baby Shower. Emeth the Golem transformed battled Marion Hawthorne, who came back from the dead for revenge

Taranee: It was an awesome party.

Heatwave: I thought you guys threw that brat in jail.

Hiita: We did and we sent her to the Neptune prison that the prisoners beat her to death. J.D. even confirmed it with her sister Amelia Hawthorne and she said that she deserved it for being a stain on her family's name.

Sunset Shimmer: Marion is an absolute monster with no love in her heart.

Pipsqueak: (British Accent) Yeah she has a heart as black as night and she hates Harriet! We really told her off by telling her how she made Harriet an outcast and more.

Sunburn: What a monster!

Heatwave: That monster had it coming! And now she's in the Xaikora Prison for Queen Bee Mean Girls. She deserved it. Lets do it!

Taranee: CANDRAFIRA LETS BURN!

She turned into a Candrakar Fire Fairy hero!

Taranee: I am LADY CANDRAKAR THE FLAME! (ECHOING) FIRESTORM OF CANDRAKAR MIGHT!

She fired a blast of fire and the group fired waves of fire and the blasts smashed Heatwave and group down.

Lincoln: They sure, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the eight large planets and stars orbing around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam

Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of green blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Zarbon, or we will force you out!

A figure came out, it was none other than Universe 666 Zarbon, and like with Universe 666 Broly, his eyes were completely blood red and he had a black and purple aura around him.

Sebastian felt pain in his eyes as he howled in agony and we saw blood tears pouring from his eyes, but we also saw his eyes change to blood red: HE'S GONE INTO FULL-ON DEMON ANGEL MODE!

Sebastian Mendez: (Demonic Voice) You! I always knew you'd one day return, you bastard! You just don't even know when to quit, DO YOU?!

Me: Yikes, what's happening?!

Nico: He must be confusing the Universe 666 Zarbon with the one we knew and hated.

Buster Bunny: It always ended badly since Zarbon also helped Frieza in turning against him.

Suddenly, Buster Bunny saw Sebastian heading towards Universe 666 Zarbon with his dark greatsword in hand and he had dark murder on his mind, but Lincoln created chains of light to restrain him.

Lincoln: This'll hold him. Calamity, you go and stop Universe 666 Zarbon while we keep him restrained.

Calamity Coyote: Understood.

Suddenly, Calamity Coyote's eyes turned neon red and he was surrounded by a red energy aura with stars, fire, explosives, gadgets, coyotes, phoenixes, and angels, he unholstered his massive Inheritor of Wile E. Coyote's Firestorm Legacy Broadsword of Explosive Comedic Justice from his back, and as he approached Universe 666 Zarbon, he left red energy, stars, fire, explosives, gadgets, coyotes, phoenixes, and angels with every step.

Calamity Coyote: Even though you're not like the Zarbon we know and hated, you're just as dangerous as he is, and Universe 666 Sebastian bringing you back and turning you into his slave basically crossed a serious line, and for that, I'm going to take you down and Buster's going remove that basket case's influence from you, hope you're ready for the beatdown of your life!

Suddenly, Calamity Coyote was surrounded by a massive vortex of yellow energy with stars, fire, explosives, and gadgets surrounding the vortex, there are coyotes, phoenixes, and angels flying around the vortex, and in the vortex is a grey phoenix with blue eyes gazing into Universe 666 Zarbon: the eyes of salvation.

Me: WHOA!

Buster Bunny: EVERYONE, GET BACK! THINGS ARE ABOUT TO GET REALLY REALLY UGLY!

Then, as the vortex faded, Calamity Coyote emerged, but he was changed forever.

Calamity Coyote grew from 7'5" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large grey orbs orbiting around his legs, he has red highlights in the bangs of his full head of long wild grey hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon red eyes and a red energy aura with stars, fire, explosives, gadgets, coyotes, phoenixes, and angels surrounding him, he has a coyote with a stick of dynamite in its paws emblazoned on his forehead, he has on his Crystal Necklace of The Buddha with red gems on the gold flame-shaped links and red crystal links and a grey coyote-shaped Element of Harmony and on the bottom of the grey coyote-shaped Element of Harmony is a coyote with red gems for eyes and the Fire and Eternity Kanjis in its paws for the pendant and he has on a white and gold accented choker on his neck, he has on a red open shirt, white tank top, black pants with red flames, black knee-high boots, and long white sleeveless trenchcoat with stars, fire, explosives, gadgets, coyotes, phoenixes, and angels on the coattails and on the back is a phoenix, coyote, and angel and on top is the Warner Bros. logo with fire surrounding them. Suddenly, Calamity Coyote felt a sharp pain on his now wider and more muscular back, and then, his massive grey angel wings with red tips on the grey feathers grew much bigger for his new body and his grey-furred tail grew much bigger for his new body. Calamity Coyote has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on his right ring finger and Green Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Calamity Coyote's massive Inheritor of Wile E. Coyote's Firestorm Legacy Broadsword of Explosive Comedic Justice and all of the greatswords and swords he'd gotten began merging together and was surrounded by a kaleidoscope of red energy, stars, fire, explosives, coyotes, phoenixes, and angels, and when it emerged, it was transformed into Calamity Coyote's Acme Firestorm Inheritor of Wile E. Coyote's Firestorm Legacy Broadsword of Explosive Comedic Justice, it's a brand-new large broadsword with embedded grey gems and the silhouette of Wile E. Calamity Coyote has transformed into SUPER ANGEL-ACME NEW GEN KNIGHT-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE FIRESTORM COYOTE ANGEL OF DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE FIRESTORM COYOTE ANGEL JUSTICE AND DIVINE COSMIC ETERNAL COMEDIC LOONEY TUNES EXPLOSIVE FIRESTORM COYOTE ANGEL WILL!

We were amazed by Calamity Coyote's Super Angel-Looney Tunes Coyote-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Zarbon saw it, he fired a massive energy ball at Calamity Coyote to kill him, but Calamity Coyote punched it and sent it into the air as it exploded, and Calamity Coyote fired a massive barrage of red energy, stars, fire, explosives, coyotes, phoenixes, and angels, which exploded as they hit Universe 666 Zarbon and this really made him angrier than ever.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Calamity did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Calamity Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Explosive Firestorm Coyote Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Explosive Firestorm Coyote Angel Will) That was only for starters, Buster. (To Universe 666 Zarbon) Alright, you. (CRACKS KNUCKLES) Let's do this!

Babs Bunny: Oh boy, this is gonna get ugly!

Me: It sure is!

Nico: This should be good.

Suddenly, Sebastian broke free of the chains and BOY WAS HE ABSOLUTELY PISSED!

Sebastian Mendez: (DEMONIC VOICE) CALAMITY, DON'T YOU DARE THINK I'M LETTING YOU GET THE PLEASURE OF FIGHTING HIM!

Buster Bunny whacked him hard on the head with a mallet!

WHAM!

And that knocked him out.

Buster Bunny: Sorry to do this, but you've had it coming.

Calamity Coyote went after Universe 666 Zarbon, and he fired extremely powerful blasts of red energy, stars, fire, explosives, coyotes, phoenixes, and angels at Universe 666 Zarbon, and they exploded with incredible power as they hit him. Then, he attacked him with swings of his massive greatsword leaving scars on him, and he even left more with his claws.

Plucky Duck: Whoa, this is really incredible!

Buster Bunny: Calamity's really tearing him apart!

Tech E. Coyote: But, of course, Calamity's in for a bigger fight though. Just like the one we hated, Universe 666 Zarbon will transform.

Suddenly, we saw Universe 666 Zarbon, now completely pushed over the edge, transform into his monstrous form, and that of course, freaked the toons out.

Calamity Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Explosive Firestorm Coyote

Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Explosive Firestorm Coyote Angel Will) You're still as ugly as ever when you transform into that.

Calamity Coyote fired blasts of red fire and threw bombs and dynamite at him which exploded and he got burned badly.

Calamity Coyote: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Explosive Firestorm Coyote Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Explosive Firestorm Coyote Angel Will) Take this! FINAL SHINE FIRESTORM!

Calamity Coyote fired a red fire version of the Final Shine attack which hit Universe 666 Zarbon, and it exploded and forced him to change back to regular form, and then, he was bound with more chains of light fired by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Zarbon and removed every trace of the poisonous darkness that infected him, and he was restored. We all cheered wildly as Calamity Coyote holstered his massive greatsword on his back and powered down, and Calamity Coyote's new body, clothes, weapons, jewelry, Third Eye, longer tail, large gold halo, and massive grey angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: (Sensed for Universe 666 Sebastian) AHA! So, that's where you're at. He's at Perfecto Prep.

We gasped.

Buster Bunny: So, that's what happened, after Roderick, Drake, and the other Perfecto Prep students minus Margot and Rhubella along with the staff got sent to prison two years ago, the school was closed down.

Babs Bunny: And Universe 666 Sebastian turned it into his lair to launch his attack on us. Why, that creep!

Buster Bunny: I ought to hoist him up by his own petard for this!

Goku: You can do that after we deal with his minions, Buster.

Lincoln: He's right, we can't attack him now, not as long as he still has the rest of his mind-controlled minions there.

Nico: The only way to get him to come out is to free the rest of his mind-controlled minions, then you can hoist him up by his own petard.

Me: That's something I'm really wanting to see. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Amira Geniemagic, the Crowbar Gene-Slammer, Dalal Geniemagic, the Crankcase Gene-Slammer, Nihal Geniemagic, the Berserker Gene-Slammer, Ofra Geniemagic, the Dreadbot Gene-Slammer, and Rania Geniemagic, the Hatchet Gene-Slammer.

Selene Arcangela: The Geniemagic Sisters? Shantae's half-genie sisters?! Awesome, and you guys are going to love meeting them, Amira Geniemagic, the Crowbar Gene-Slammer, Dalal Geniemagic, the Crankcase Gene-Slammer, Nihal Geniemagic, the Berserker Gene-Slammer, Ofra Geniemagic, the Dreadbot Gene-Slammer, and Rania Geniemagic, the Hatchet Gene-Slammer famously known as The Geniemagic Sisters, these five sisters are Lincoln's Guardian Angels from Egypt and classmates in Gym, but they are also beautiful half-genies. Their outfits and hair are just like their sister, Shantae.

Shantae: But, their hair color is different: Amira has long red hair with matching clothing, Dalal has blue hair with matching clothing, Nihal has orange hair with matching clothing, Ofra has pink hair with matching clothing, and Rania has yellow hair with matching clothing.

Michelle Emperyous: They, Shantae, and Lincoln also love to dance. Lincoln made Shantae and her sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Shantae, her sisters, Sky, Rottytops, and Risky Boots along with the rest of his harem, that all took place before Ronnie Anne came into the picture.

Ronnie Anne: When I found out about the fact that Shantae and the Geniemagic Sisters knew Lincoln before we became a thing, I was really stunned, and now, Shantae, her sisters, Sky, Rottytops, and Risky Boots are now part of his harem.

Laney Emperyous: Plus, they hate Lewis Travolta and Bradley Uppercrust III with a blazing passion, the reason why is because they tried to enter The Dance Club and steal women's clothing. But thankfully, The Dance Club has silent alarms that alerted Lincoln, Shantae, and her sisters who instantly arrived and beat the crap out Lewis Travolta and Bradley Uppercrust III and wedgied them onto a flagpole only in their underwear.

P.J.: Hey, I remembered that. I still have the photo of it.

P.J. took out the photo of Bradley Uppercrust III and Lewis Travolta wedgied onto a flagpole and only in their underwear and we bust out laughing hysterically.

Max Goof: (Laughs) That still cracks me up to this day.

Lincoln: And it got even more embarrassing when Lewis Travolta's underwear ripped off and he fell to the ground butt naked, and everyone laughed hysterically as they took photos while he ran off, and as for Brad. Well, I may have slashed apart his underwear and he too fell to the ground butt naked, and everyone laughed hysterically as they took photos while he ran off.

Nico: (LAUGHING HYSTERICALLY) Lincoln, sometimes you are known as The King of Payback! That was way too hilarious!

Me: He sure is: mess with him and your life is literally heading for Hell.

We went over to the 2 Russia Trespassers.

Titanium Toenail: We'll let the Russia Courts decide their fates.

Spot: It's in their jurisdictions after all.

Mojo Jojo: (to Thomas) You made the right choice, Thomas.

Thomas: Thanks.

Dodgeball Wizard: We knew you would.

White Lightning: Now to get the evidence to Tracy.

Me: Lets go.

We went to the White House where Ambassador Tracy was with the President and we showed them the evidence on The Ministry Of Meadow Management and it was more than enough for the Law Enforcement Agencies of the World to go after them!

Later at home we were watching TV and we saw news and it showed a massive raid done by the FBI, CIA, Interpol, Scotland Yard and all the top dog law enforcement agencies around the world and they arrested and/or killed NUMEROUS members of the organization. It was located in a deserted forested area in the Komi Republic and arrested and captured over 30,000 members of the group and they were all booked on charges of Treason, Terrorism, War Crimes and a massive number of Espionage and Conspiracy Charges. They were all almost immediately sentenced Death.

Nico: Good riddance to bad rubbish.

Qin: Yeah no kidding!

Lola: Those clods deserved it.

Varie: Yeah.

Nico: Great job today everyone. Russian Terrorist groups are probably going to think twice before messing with America.

Qin: Yep.

Mordecai: (To the Viewers) This is one Russian Terrorist Group that won't be causing trouble.

Me: Thank goodness.

We then went and got ready for bed and went to sleep.

THE END

Me: Wow look at this place.

Camie: It's magnificent.

Lola: It sure is pretty. I wonder who owns this land.

Nico: It's not James' land I know that.

Me: Nope. This is the land of my friend Teddy Harter. You guys are going to love him. He is rich and amazing.

Nico: Wow!

Lola: That is awesome.

Camie: Yep.

Varie: It sure is.

Luan: Hey wow! The Three Stooges told me all about him. He's a nice guy.

Me: He sure is.

Nico: Sasuke, I want to thank you, Machinedramon, and your teams for coming.

Sasuke the Android: Anytime Nico. This will be fun.

Lucia: I'm really looking forward to this one.

Nico: Lucia, what do you like to do in your free time?

Lucia: I work at the school to teach kids about what mermaids are like and what we do and I also teach music classes.

Me: That's an awesome idea Lucia.

Camie: The kids are going to love that.

Lola: They sure are.

Twilight Sparkle: The kids will love all that.

Nico: I agree there.

Eli: Same here.

Nico: That's a very good job

Me: It sure is.

Lucia: Thanks guys. It's fun.

Xenia: It sure is. I'm glad you found an awesome job.

Lucia: I am too.

Laney: I agree. Man that was an awesome day yesterday.

Lana: I'll say. Thomas is now free of his evil superiors in Russia.

Camie: Boy no kidding. And we not only saved Thomas but also saved the world from an evil Organization that would have plunged the world into World War III.

Nico: We sure did. By bringing down Thomas' superiors.

Maria: Or should we say Nikolai?

Me: Thomas is better.

Nico: Good. I prefer him as Thomas.

Lola: Yep.

Varie: Yeah. But that was awesome that we took down Natalia and Romanoff.

Camie: Yep.

Nico: I didn't like how the mascots pressured him

Me: Me neither. But at least we stopped that.

Lola: Yeah. Nico how long have you given the Mascots punishment for giving us massages?

Nico: 3 weeks.

Me: Fair enough. But now Thomas is free and so is the world from M.O.M.M.

Sunset Shimmer: That is for sure.

Sunny Starscout: I'm glad that he is.

Misty Brightdawn: That is for sure.

Nico: This doesn't change our friendly relations with Russia

Me: No it doesn't. But we've had our fair share of Russian Spies.

Eli: That we have.

Nico: Yep.

We walked on.

Nico: So J.D. what can you tell us about Teddy?

Me: You would love him Nico. He's a friend of mine that I helped a while back and helped in a local orphanage. I gave him and a bunch of the kids food and gifts. They loved it.

Qin: That is so sweet.

Me: Yep. Teddy sends me Christmas Cards and all that. He gave me this postcard earlier today.

I showed Nico a postcard of Teddy with his wife Ling and their three adopted kids Murph, Peezer and Wheezer.

Nico: Aww what a nice family.

Me: Yep. That's Teddy right there and that's his wife Ling along with their three Adoptive kids Murph, Peezer and Wheezer.

Nico: They look like a really nice family.

Laney: They sure do.

Me: And this postcard is also an invitation. They invited us over to their party.

Nico: That was sweet of them.

Me: You guys are going to love their mansion they live in.

Lola: Ooh!

Camie: This will be fun.

Juran: We're here.

We arrived Teddy's massive multi-billion dollar mansion.

Nico: Teddy lives here!?

Me: Yep. His family ran a massive diamond mining operation in all of Africa worth trillions of dollars and he is now one of the richest ever. He is worth trillions.

Qin: WOW! That is cool!

Me: It sure is.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Moe, Larry, and Curly that one of their old friends, Teddy, is in big trouble. It appears his former parents, Lydia and Mac Harter, are going to kill him in order to get his inheritance.

We gasped.

Me: Those two bozos are at it again?! That's it, they've violated their parole.

Nico: Did they do something like this before?

Me: They tried to off a rich kid I knew here in Colorado to get his inheritance, but I busted their heads in, foiled their murder plot, and I got those two sent to prison.

Eli: So, we got two murderous greedy golddiggers to deal with.

Lincoln: Yep, and we're sending them right back to prison, and since we got two greedy bozos to deal with, we're gonna need all hands on deck for this one.

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for those two golddigging bozos.

Lincoln: Alright. (Sensed for Lydia and Mac Harter) AHA! Gotcha, you golddiggers. I just spotted Lydia and Mac Harter, and it looks like they're planning to carry out their murder plot. So, we're going in disguised as balloon men.

Nico: Good idea, Lincoln. We'll give those two bozos the surprise of their life.

Me: And I'm so looking forward to shoving a lobster down Mac's pants again.

Lincoln: We'll do much worse to those two golddiggers.

Me: You got that right. Also I need to tell you guys this but those two golddiggers that I busted were also Teddy's Adopted parents.

Everyone gasped!

Me: Yeah. They are the ones that tried to kill him to make sure no one but them gets the fortune.

Nico: Greedy bastards! What can you tell us about them?

Me: Their names are Lydia and Mac Harter. And they are Golddigging Monsters.

I went over their history.

(Mac Harter)

Mr. Harter was a rich man who married women to get rich and not out of love. He came to an orphanage to adopt an orphan. He initially chose Moe but as they drove off in their car Moe asked if he could go back and adopt his two friends, Larry and Curly. Mr. Harter thought three kids were too much and dropped Moe off back at the orphanage and adopted a young Teddy.

After Mrs. Harter died, she gave her fortune to Teddy. Mr. Harter was displeased and teamed up with Lydia, Teddy's wife, to kill him and take the money for themselves. Lydia tried to get the now adult Three Stooges to kill Teddy but they hospitalized Mac, thinking he was the husband.

Later on, Larry and Curly met up with Mr. Harter and asked if he could give them the money they needed to save the orphanage. However, Mr. Harter was too greedy and told them to call him only if they needed to sue someone. He also revealed he dropped Moe off because he requested bringing them, which they did not know because Moe told them they dropped him off because he didn't do chores.

Later on in the Anniversary party, Lydia and Mac capture Teddy and the Three Stooges. However, Mr. Harter appears with a gun and appears to be about to save them when he proclaimed, he was working with Lydia and that Lydia was using Mac to do their dirty work. They hold the five of them hostage and drive off in a car when Curly's pet rat comes out and lands on Lydia's chest, causing them to freak out and drive their car into a lake. The police arrive and Harter, Lydia, and Mac are arrested.

(Lydia Harter)

Lydia first witnessed the Three Stooges looking for a way to raise $830,000 to save the orphanage they grew up in, and offers them exactly that amount of money to kill her husband.

When Mac was hit by a bus and placed in a hospital, they went to Lydia to collect the reward, thinking he was dead. She threw them out once she revealed to them he wasn't dead.

Later at Teddy and Lydia's anniversary party, she drugs Teddy to get him to "accidentally" fall to his death, but her plan is averted by the Stooges. However, Teddy's father, Mr. Harter, steps in at the last minute, revealing Lydia was an accomplice in his attempt to get Teddy's money (he only married into money and all of it was left to Teddy by his adoptive mother).

The Three Stooges once again stop their plans by driving the car they were taken in to a nearby lake, while law officers arrived shortly after. After Lydia was arrested and imprisoned, Teddy divorced her.

When I was done EVERYONE was shocked and horrified!

Xenia: Those greedy Golddiggers!

Me: Yep. Teddy is the heir to that entire fortune and I got them sent to prison for life. But I heard they were released on parole recently. But what they are doing now is violating their parole. I got a much better prison for those dirtclods!

Laney: Those dirtbags!

Nico: Where's Teddy right now?

Eli: I sense he's in the house courtyard.

Lincoln: Then lets go. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Lydia and Mac Harter.

Lincoln: There's the location. Now, to get into Balloon Men disguises.

Lincoln pushed a button on his wrist computer built into his large left gold Bracer and he was in balloon men clothes. We did the same as we pushed a button on our wrist computers built into our large left gold Bracers and we were in balloon men clothes, and we went inside. Buster Bunny looked through his binoculars, and he saw that Mac and Lydia Harter were going to try and poison his drink.

Me: (Whispers) They spiked his drink with poison.

Buster Bunny: (Whispers) Poison his drink, will you?

Buster Bunny snapped his fingers and made the poison disappear and it wound up in his hand as he destroyed it in a blue flame manifesting in his hand. Then, he saw they tried to hire a team of hitmen to kill him, Lincoln got behind each of them and transformed the tips of his eleven massive and long white tails into Cell's stingers, and one by one, he stabbed the stingers into the hitmen and he absorbed them into him and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done and the stingers changed back, all that was left of them were their clothes and weapons that he took.

Me: Whoa, first they tried to poison him, then they tried to kill him with hitmen. Buster took care of the poisoning plan and Lincoln took care of the hitmen using Cell's absorption. Now, to find out what those jerks are up to now.

Suddenly, we saw a very dark figure creeping up behind Mac and Lydia Harter: it was Universe 666 Sebastian and he tried to kill them and then kill Teddy, but Sebastian fired a blast of darkness that hit Universe 666 Sebastian and forced him back to his castle A.K.A. the abandoned Perfecto Prep.

May: They're already losing patience, and even more, Moe, Larry, and Curley have started causing a ruckus and Larry threw the lobster into Lydia's hair.

Nico: Quick, while they fell into disarray, it's showtime.

Suddenly, a massive shower of colorful magic smoke representing Lincoln and his sisters appeared from nowhere and it not only dazzled the guests, but then, it transformed into magic hands that grabbed Lydia and Mac by their panties and underwear and they shook them down and exposed the various weapons they had and dropped them like a couple of hot potatoes, then the shower of magic converged and a massive explosion erupted and a Phoenix Cry and Thunderbird Screech was heard and we appeared.

Me: (Smirks) Hello, pinheads, miss me?

Lydia Harter: YOU!

Me: Yes ME!

Mac Harter: YOU LITTLE SHITHEAD! YOU RUINED OUR PLAN TO GET RICH!

Me: And I show no remorse for it too!

Nico: You know full well you deserved it. And we already got the word from Moe, Larry, and Curly that you two morons tried to kill

Teddy to get his inheritance.

Nico grabs Mac Harter by the shirt collar and Lydia Harter by her dress strap, and then… !

BONK!

Nico head bashed Lydia and Mac Harter's heads. Then, Lincoln summoned a lobster and shoved it down Mac Harter's pants, and he squirmed trying to get it out, but then, it snapped his crotch and he sang like an opera singer.

Suriko: Okay, that was hilarious, but now, this is where it ends.

Teddy: J.D.! Thank goodness!

Me: Looks like we got here just in time Teddy. These two bastards were trying to kill you like they did before!

Teddy: I know! I knew they were up to something!

Murph: These two don't deserve to be called grandma and grandpa!

Lola: You said it!

Nico: We'll talk more later!

Murph: Because I'm not going to let these two get their hands on my daddy's money!

She then held out her hand and then to our shock she fired a powerful blast of lightning and it hit Lydia and electrocuted her!

ZZZZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPP

Lydia screamed as she was burned all over!

Me: WHOA!

Lola: That was awesome!

Nico: Murph how did you do that!?

Murph: J.D.'s blood did it.

Me: I gave her a blood transfusion as she had a really nasty metal disease in her and it not only saved her life but as an unexpected side effect it gave her my powers.

Nico: Whoa!

Twilight Sparkle: That is amazing!

Nico: Wow!

Twilight Sparkle: I got something for Lydia. Laney I'm going to need tons of tomatoes.

Laney: You got it Twilight.

She grew LOTS of tomatoes.

Laney: Here!

Twilight Sparkle: Thanks Laney!

Me: I see what you're going to do!

I used plant powers and put both Lydia and Mac in plant stocks!

Twilight Sparkle: Time for some payback!

She grabbed a tomato and threw it and it hit Mac.

SPLAT!

She threw another one at Lydia!

SPLAT!

Then she pulled out a vacuum device and sucked them all in!

Twilight Sparkle: TAKE THIS! (ENRAGED ROAR)

She FIRED NUMEROUS TOMATOES AT BOTH OF THEM LIKE SHE WAS FIRING A MACHINE GUN!

They hit both Mac and Lydia all over and splattered all over them with indiscriminate fury and drenched them in a huge mess!

She huffed in relief.

Me: WHOA!

Lincoln: Wow! Never EVER Mess with Twilight Sparkle!

Lola: YEAH!

Bonnie Swanson: Boy that is usually how I feel when I fire at the shooting range!

Murph: That was so funny!

Nico grabbed a tomato.

Nico: Taste this.

Nico threw it and it hit Lydia and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Me: Nice one!

Murph: YEAH! These two are bad parents! They were going to kill daddy!

Me: I know Murph.

She then fired a wave of ice and froze Mac in a block of ice!

Me: Frozen jerkwad under ice! How funny!

May: I know!

Lydia then broke out of the stocks!

Then she roared and went at me and then Murph wet at her and punched her in the face and smashed her in to the floor left and right with incredible speed and strength.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

She then threw her into a tank full of live eels! ELECTRIC EELS!

CHOMP!

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

Teddy: WHOA! That was awesome!

Me: YEAH! Way to go Murph!

Nico: Boy she has learned a lot really fast!

Lola: She sure has!

Murph jumped back and kicked Mac SQUARE IN THE CROTCH AND HE SANG IN A HIGH PITCH OPERA NOTE!

We winced!

Nico licked his ear.

Me: EW!

Nico: He has really cheesy blood. (ACTIVATES UNIVERSE 666 JARED NOMAK'S RIDEWATCH)

Nico then had his bottom jaw open and it formed into a REAPER MOUTH AND HE BIT MAC!

Nico had his mouth close.

Nico: Oh, you won't die right away.

Mac: What the fuck did you do to me!?

Nico: I put a terrible virus in you that will destroy your heart VERY VERY Slowly. It will kill you excruciatingly painfully.

Me: WHOA!

Murph: That was awesome! He had it coming.

Me: Yeah he sure did.

Lisa Loud: I did some research on the virus Nico gets when using the ridewatch for Nomak and it shows that it's a very powerful version of the Heart Virus that killed Goku in Trunks' time when the Androids attacked.

Me: Whoa! I remember Master Goku telling me about what that was like.

Goku: Yeah it was. How long does he have Nico?

Nico: Well Kakarot I would say 4 days.

Maria: Why don't we kill him now?

Nico: Nah. I want to see him writhe in pain. People like him deserve it. You have 96 hours to live. Make your final days count.

Lydia: I WILL KILL YOU!

Lydia got up and went at Nico.

The Three Stooges then went at Lydia and did all their silly and funny gags on her!

BONK BOOF POINK POW HONK!

They bonked her on her head, hit her stomach, poked her eyes, Hit her face and honked her nose.

Me: Taste this too! (ACTIVATES POOPERMAN'S RIDEWATCH)

I blew in my thumb and poked her all over with forearm hair spines and they REALLY HURT!

POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK!

She screamed in pain!

Qin: Nice one!

Machinedramon: My turn! (Echoing) GIGA CANNON!

He fired energy cannon blasts and they hit Lydia all over.

Lola: YEAH!

Murph: Awesome!

Me: Ooh! Watch this one! (SPINS MAGISWORD BRACELET)

CUCKOO NUT MAGISWORD!

I fired a coconut bird and it hit Lydia on her head!

BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Me: (LAUGHS) YEAH!

Vambre: (British Accent) Lovely bunch of Cuckoo Nuts everyone?

Nico: Sure!

We fired Cuckoo Nuts and bashed Lydia and Mac all over!

* * *

Sasuke the Android: Save some for me!

He threw kunai and slashed them.

Me: Ooh! Watch this!

I got out a hockey stick and hit a bunch of snapping turtles and they bit Mac all over!

SLAP SLAP SLAP SLAP SLAP!

CRUNCH CRUNCH CRUNCH CRUNCH CRUNCH CRUNCH!

One even bit him right in his crotch!

CRUNCH!

We winced!

Lynn: Nice slapshots J.D.!

Me: Thanks Lynn.

Nico: (to the snapping turtles) You guys okay?

They nodded and they were a-ok.

Nico: Good.

Loki: Let me show you why I became Lord Flatula!

He turned into LORD FLATULA!

Loki: Sniff on this! (SHOVES LYDIA'S FACE IN HIS BUTT) (ECHOING) FARTS OF A THOUSAND PUTRIDITIES!

SUPER LOUD MASSIVE EXPLOSIVE FART!

He released a fart right in her face that smelled like the El Mongo Stink Bomb times 100,000!

Lydia coughed and gagged and was hurling her guts out!

Nico: Stinky!

Me: You're telling me!

Billy: (puts on a noseplug) (Nasally) Now that's a stinky meatball!

We laughed!

Laney: (LAUGHS) YEAH!

Lydia then EXPLODED IN A MASSIVE AMOUNT OF RAGE!

Lydia: I WILL KILL YOU ALL AND KILL YOU TEDDY!

Murph: I THINK NOT!

(HOLDING OUT FOR A HERO BY BONNIE TYLER PLAYS)

Murph stood ready and she went at Lydia and kicked her in her face and punched her in her stomach and kneed her in the face and punched her in the face with a powerful uppercut. Murph leg swept her and axe kicked her down! Lydia got up and went at Murph and she dodged her and kicked her in the back and she smashed into a wall!

Lydia: I HATE YOU, YOU LITTLE BRAT!

Murph's aura exploded out and she got stronger!

She then punched Lydia in the face and broke her nose.

Murph kicked her in the face and grabbed her and smashed her into the floor!

We were amazed that she can fight so amazingly well!

Nico: Nice!

Me: WOW! She learned how to fight really well!

Xenia: I'm really impressed!

Eli: Me too!

Moe: Boy Murph sure has come a long way.

Kira Howard: Yeah no kidding Grandpa Moe!

Murph kicked Lydia into Mac and smashed her into him!

Me: WHOA!

We cheered for her!

Me: Way to go Murph!

Suriko: Now it's time to end this!

Suddenly, Suriko's purple eyes turned neon purple and she was surrounded by a purple energy aura with stars, flowers, plants, magic, fairies, phoenixes, and angels, and as she approached Lydia and Mac Harter, she left purple energy, stars, flowers, plants, magic, fairies, phoenixes, and angels with every step.

Suriko: You two golddigging parasites really make me sick, there's absolutely no way that I am ever going to let you two get away with hurting Teddy so you can steal his inheritance, and now that all of the partygoers know your true nature, it's high-time for you two to face the consequences.

Suddenly, Suriko was surrounded by a massive vortex of purple energy with stars, flowers, plants, and magic surrounding the vortex, there are fairies, phoenixes, and angels flying around the vortex, and in the vortex is a red and blue phoenix with red eyes glaring at Lydia and Mac Harter: the red eyes of judgement. Then, as the vortex faded, Suriko emerged, but she was changed forever.

Suriko has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Suriko's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of purple energy, stars, flowers, plants, fairies, phoenixes, and angels, and when it emerged, it transformed into Suriko the Titania's Voluptuous Beauty Nature Titania Fairy Queen Angel Greatsword of Voluptuous Beauty Nature Titania Fairy Queen Angel Justice, it's a brand-new massive greatsword with embedded red and blue gems and a Titania and phoenix etched on the 7'6" massive, wide, double-edged purple blade, large purple Titania heads for the crossguard, large white angel faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large purple Titania heads with blue gems for eyes and large purple Titania head with blue gems for eyes and red gem in its mouth on the bottom of the purple Titania heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold Titania head with purple gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Suriko's Super Angel-Irish Titania Fairy Queen-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Suriko, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Mac and Lydia Harter saw it, those two fell into a rage and ran at her to kill her, but Suriko fired a massive barrage of purple energy, stars, flowers, plants, fairies, phoenixes, and angels and her two fairies fired red and blue magic which hit Mac and Lydia Harter and they crashed into a massive gelatin Luan set up, they got out, but now, they were messy and really pissed off now.

Suriko: (Divine Echoing Godly Voice of The Divine Nature Voluptuous Irish Myth Seismic Irish Celtic Nature Titania Fairy Queen Angel and Divine Cosmic Nature Voluptuous Irish Myth Seismic Irish Celtic Nature Titania Fairy Queen Angel Love) And now, it's high-time to finally give you two golddiggers the punishment of a lifetime.

Me: And it's really going to hurt!

Eli: Really Bad!

Lincoln: This is going to be good.

Nico: It sure is!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Suriko and so did the rest of us as we

unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) If there's one thing we can't stand, it's money-crazed greedy golddiggers like you two who'll do anything to make a quick buck, especially if it means resorting to murder.

Me: You two are really up shit creek without a paddle, now you two are really going to get it!

Lincoln, Suriko, and I went after Lydia and Mac Halter, and we fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at Mac and Lydia Halter and they exploded with incredible power as they hit them.

Then, we attacked them with energy slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Suriko, and I attacked them hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving those two golddiggers insane and straight to the brink of insanity.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to really cause some mayhem Loud House Style. Okay, everyone, let's show them what happens when they cross a Loud!

The Loud Sisters: YEAH!

Me: (GASPS) OH SHIT! EVERYBODY, TAKE COVER! WE GOT OURSELVES A CATEGORY SEVEN LOUD TORNADO!

Everyone screamed and ran for cover, and then, we saw Lincoln and his sisters literally come together and they transformed into a supermassive tornado of unprecedented power and ferocity, and Lydia and Mac tried to make a run for it, but they got pulled into the tsunami, and it was literal chaos for the two of them and we couldn't see what they were doing to them. But, then, The Loud Tornado had kicked Lydia and Mac out, and we saw it, they were really mangled up and messy and they looked like they went through Hell.

Nico: HOLY SHIT!

Me: Yep, this is what happens when you cross The Loud Family.

Then, Suriko fired a blast of magic which hit Lydia and Mac, and they got tied up in straitjackets and were taken away by the cops. Everyone cheered as Lincoln, Suriko, and I holstered our massive greatswords on our backs and powered down, and Suriko's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive butterfly wings are permanent.

Me: Damn, I never thought I'd have to see that again!

Nico: Didn't you tell me about the Loud Sisternado, J.D.?

Me: I did.

Lincoln: That happened two weeks after we met J.D. and he first met Ronnie Anne.

Nico: Ooh, yeah, I remembered J.D. telling me about it, that was when Ronnie Anne was bullying you at first.

Lincoln: Yep. Whenever something hits my sisters' ears, their curiosity gets the better of them and they turn into a massive tornado, and it gets pretty messy.

The police sirens were heard.

Sheila and Tom Lair came in with a SWAT Team and they went up to Mac and Lydia.

Sheila: Looks like you two are in trouble. You two are under arrest for violating the conditions of your parole.

They slapped the cuffs on them.

Tom Lair: Wow! You guys really did a number on them.

Me: We sure did.

Nico: One of them is gonna die in a few days

Me: Yep. Nico gave Mac there a nasty heart destroying virus.

I showed the bite mark on Mac's neck.

Tom Lair: Jared Nomak's mark?

Me: Yep. He's not going to turn into a Reaper. He has 95 hours left.

Tom Lair: Wow! These two are going away for a long time. Space prisons this time.

Me: Good.

I went over to Murph.

Me: Wow! Murph I am really impressed! How did you learn how to fight like that?

Murph: I learned everything from your adventures and picking them up on the fly.

Me: You really learned very fast. I'm really proud of you.

Murph: Thanks J.D.

Nico: That was really cool.

Teddy: My own daughter is now a true hero.

Everyone cheered for her.

Mac and Lydia were screaming bloody murder. They vowed to get out of prison and kill Teddy and family and they will NOT STOP till they do!

Me: Good luck with that!

Nico: Take them away!

Me: Get em outta here.

They took them to the Uranus Prison.

Laney: Those two golddiggers are going to have a lonely life in prison.

Me: Yep. This time it's now no more chances at parol. They are going to be there till they die.

Nico: Good riddance.

Moe: You said it. I hope they learn to like the pokey.

Larry Fine: Worse than Sing Sing which is where Moe belongs.

Curly: Yeah no kidding. Nyuk nyuk nyuk nyuk nyuk.

Moe: Why you…

BONK BOOF SLAP BOP POINK HONK!

Moe hit Curly on his head, hit him on the stomach, slapped him, punched his face, poked his eyes and honked his nose.

Larry Fine: Hey! Leave 'im alone!

Moe: Butt out of this Chowderhead!

CLANG!

Moe hit him on the head with a Fireplace poker!

Larry Fine: OW OW! Oh look.

The whole poker was bent in the shape of his head.

We laughed!

Me: (LAUGHS) That is always an iconic gag.

Nico: (LAUGHS) Never gets old!

Kira Howard: (LAUGHS) That is for sure!

Maria: Gotta love 'em.

Teddy: Yeah! Thanks again guys for saving me.

Me: Anytime Teddy. Boy that was so fun.

Murph: It sure was.

Me: But you did great Murph.

Murph: Thanks. It was awesome.

Me: It sure was. Teddy we're sorry your party got ruined because of those golddigging shrews.

Teddy: It's all right J.D. I knew those two would come and try and kill me anyway. Besides, I invited you to help us out for that reason.

Me: You made a really good call there. After all what are friends for.

Nico: Did they hurt you?

Teddy: No they didn't. Murph warned me with Telekinesis.

Me: Whoa! Murph really was one step ahead of them.

Nico: Yeah!

Lola: Wow! Murph that blood transfusion you got from J.D. really made you stronger and evolved into a powerful force.

Murph: Boy it sure did.

Me: No kidding!

Nico: You should be proud

Murph: I am.

Me: Awesome. Now comes the awesome part of our rescues.

Nico: We battle the Anothers.

Lincoln: Vicky Venom! Wow!

They merged and she reverted back and was a girl with green hair, green eyes, dragon wings, green clothes and had the symbol of the Starfox Team in the middle of her forehead and on her skirt and she had a Keyblade that was awesome.

Vicky Venom: Awesome to see you again Lincoln and wow you have grow into an awesome young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Vicky Venom, Keyblade Knight of The Planet Venom, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the poisonous planet, Venom, the planet that Andross was banished to, and she has intense venom and miasma powers and has green dragon wings. She is the Keyblade Knight of Venom, and she battled NUMEROUS members of Andross' army as well as Star Wolf before they became members of The Masters of Evil and she ABSOLUTELY LOATHES AND DESPISES Pigma Dengar. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of venom.

Fox McCloud: Wow! The Keyblade Knight of the planet Venom! That is amazing!

Me: It sure is! And you are gonna be happy to know that both Andross and Pigma are gone forever. They were given the Black Gates.

Vicky Venom: That is great news! I'm glad those monsters got what they deserved.

Lola: Tell me about it!

Cole: But all of Star Wolf minus Pigma of the Prime Universe are in the M.O.E.

Laney: We have a Universe 666 version of Pigma with them.

Vicky Venom: That's okay with me.

Me: Cool cool.

Nico: Heck, Wolf's even a Core MOE member.

Cole: He sure is.

Vicky Venom: I heard.

Lola: Awesome.

Me: By the way is the Another Machinedramon friendly or hostile?

Vicky Venom: Friendly and she is a powerful one and she has a lot of bird friends.

Me: Ooh.

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

She glowed and was separated from the Anothers.

Me: Yeah!

Qin: Oh boy.

Jared: Now here comes the Monkey introductions!

Mojo: Yeah! Whooo! All right! I rock! I rock so hard! For I, Mojo Jojo, have succeeded in my first, greatest, and most brilliant plan ever! And I, Mojo Jojo, shall be KING OF THE PLANET

OF THE APES!

Jared: That title has already been taken.

[At this point there is silence. None of Mojo's army is attacking the crowd anymore as all their attention has shifted to Mojo and his declaration of being king. Their expressions make it clear that none of them are willing to accept this declaration from Mojo of him being their leader and king when they've done all the work. An orangutan speaks out from the nearby crowd, his bulging brain, spiteful glance, and tone of voice similar in form to Mojo's.]

Orangutan: You shall be king?! Preposterous!

Mojo: What?! How dare you?!

Orangutan: For it is I, who is the one most suited to be ruler!

[He dons a blue jumpsuit, purple cape, belt, gloves, and helmet identical to Mojo's.]

Mojo: Those are my clothes!

Orangutan: I, Ojo Tango, shall be simian supreme!

Mojo: No Ojo; Mojo!

[Ojo hops in an orangutan-shaped tank with cannons for arms.]

Ojo Tango: As I unleash the offensive omnipotence of the oppressive Orangutank!

[At this point, the large mountain gorilla speaks up. His voice is very low and burly.]

Mountain gorilla: Hold on.

Mojo: Oh no.

Mountain gorilla: It is I who shall get a grip on the situation!

[He dons a pair of metal fists and another outfit similar to Mojo's.]

Mojo: You'd better not!

Rocko Socko: As I, Rocko Socko, seize control and rule!

[To accentuate his words, he smashes a gaping hole in the nearby building.]

Mojo: Wait!

[At this point, all the primates are wearing variants of Mojo's costume.]

[A lanky baboon speaks next.]

Baboon Kaboom: I, Baboon Kaboom, with my Baboon-Bot, will be the bomb!

[He leaps into a large machine shaped like a baboon, complete with bomb-spewing buttocks.]

Mojo: Uh-oh.

Baboon Kaboom: And if you don't like it… you can sniff my Baboon-Bot Bombs!

[The Baboon Bot poops bombs then throws them as they explode.]

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Mojo: (sarcastically) Ohh, that's classy.

[A large barrel of gibbons, in the same form as the famous Barrel Of Monkeys toy, rolls down the street. A group of them speaks at once.]

Go-Go Patrol: Gangway, gangway! For we, The Go-Go Patrol, as brothers-in-arms, are linking to form a chain of command that will reach out and take hold of your world!

Laney: I've heard of a Barrel Of Monkeys but this ridiculous.

Jared: No kidding.

[A sloth-like, Japanese Macaque monkey is standing in a vat of boiling water atop a dam.]

Hota Wota: I, Hota Wota, am boiling mad. For you are all wet behind the ears. (explodes dam, water rushes forth.) Therefore, I shall unleash a scalding torrent to drown you all about.

For I don't give a…

Mojo: Watch your mouth!

[Next is a chimp with a pair of cymbals, moving sporadically like a toy as he clashes his cymbals.]

Cha-Ching: I, Cha Ching Cha Ching, cymbal-ize chaotic calamity!

[Next is a large group of capuchin monkeys with flying rocket packs. They speak in unison.]

Capuchin monkeys: We, The Doot Da Doot Da Doo Doos (humming the winged monkeys' theme from The Wizard of Oz), shall rain on your parade! Because… (begin to hock loogies) we're the spit!

Mojo: Eww.

Jared: Okay that is just gross.

Laney: As Double D would say "That is completely unsanitary".

Jared: No kidding.

[A proboscis monkey speaks next, imitating Jimmy Durante, with a dance number playing in the background as he half-sings the words. A large array of banana peels lies before him.]

Proboscis monkey: My name is Hacha Chacha, and here is my schpiel: a diabolical plan with lots of ap-peel! Spreading out bananas, out far and wide, and fixin' up the folk for a slippery slide!

[And 2 people do indeed slide slippery on those peels: a man on his heel and a woman on her face!]

Jared: He sounds just like Jimmy Durante.

Laney: He sure does.

Mayor: (still under Mojo's boot) That's pretty catchy!

[A nervous young bonobo speaks next, clearly putting together his plan at the last minute.]

Young bonobo: I, uh, Bla Bla Bla Bla, shall, uh, create a sauce of chaos and stir up trouble, with a destructive force known as… The Tormato!

Mojo: Tor-mah-to?

Mayor: Tor-may-to.

Jared: He's a klutzy one huh?

[Mojo looks down at him in annoyance and gives him a smart punt off the steps. At this point, the scene goes through a myriad of monkeys in quick fashion:]

Monkey #1: I, Killa Drilla!

Monkey #2: I, Bonzo Bango!

Monkey #3: I, Rolo Ovo!

Monkey #4: I, Cheata Beata!

Monkey #5: I, Achey Breaky!

Monkey #6: I, Smasha Crasha!

Monkey #7: I, Cruncha Muncha!

Monkey #8: I, Wacko Smacko!

Monkey #9: I, Pappy Whappy!

Many Monkeys: I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I! I!

Jared: So many!

Nico: HOLY SHIT THAT'S A LOT OF MONKEYS!

Me: Yeah!

Nico: Okay, now we should probably take them down before this gets heated.V

Jared: Lets get them!

Jared punched Rocko Socko in the face and sent him crashing into a building and he fired an energy ball and vaporized him in a powerful explosion.

KABOOOOMMM!

Jared: One down and who knows how many to go.

[A torrent of spit begins to rain on the girls. Above them, the spitting monkeys are creating quite a downpour.]

Bubbles: Eww, gross, cut it out!

[She lashes out with her eye beams, striking one monkey, sending it off spiraling like a deflating balloon, striking another monkey in a large explosion. The three girls look forward in battle-ready poses, as the spitting monkeys fall all around them. The explosion has wiped out the entire group, leaving all of them battered, bruised, and beaten. Jared incinerated them in a blast of fire.]

Blossom: C'mon girls, let's put an end to this gorilla warfare!

[They fly off. Cha-Ching Cha-Ching is the third on their hit list. Each girl gets a good hit.]

Blossom: Haha! Good one, Bubbles!

[Cha-Ching Cha-Ching falls down battered and beaten! Laney fired an energy blast at Cha-Ching Cha-Ching and killed him in an explosion. As the wave of water hits another streetway, the girls quickly pound a hole in front of its path, sucking all the water, Hota Wota included, with a look of shock on his face, down to Townsville's sewer ways like a giant toilet and Laney fired a blast of energy and vaporized him from the sewer. The butt bomb baboon machine juts forward, but Bubbles and Blossom pin it down by the hands. As Baboon Kaboom aims the butt cannon at the girls, Buttercup clenches the barrel shut, causing an overload. On his operating screen, the machine reads "B.M. Blowout", and Baboon silently screams in horror before the machine explodes, killing him. Confronting the barrel of monkeys, Buttercup grabs the end monkey by the hand, and like a giant rubber band, Blossom stretches the other end and lets go, sending the chain spiraling into a metal pole on the sidewalk. Jared fired a stream of fire and killed them. Bubbles uses the remaining monkeys as a rather large jump rope and Laney kills them. The singing banana monkey is pounded into the nearby fruit stand by Bubbles, while Blossom sends him spinning down his own slippery path of destruction where Jared incinerates him. The tomato tornado operator looks to his right to find Blossom, who snatches away his mixing rods, collapsing his tornado, as Blossom sends him flying into a ketchup-covered wall where Laney kills him. Buttercup kicks a roundish rolling monkey like a soccer ball, sending him careening into the air off into the distance and Jared fires an energy ball and kills him. Blossom grabs the drill machine by the bit, sending the driver's half of the machine spinning uncontrollably and Laney kills him by blasting the drill. Cruncha Muncha is sent into the waiting arms of Bubbles, who lovingly shakes him until he passes out and Jared uses psychic powers to lift him up and fire an energy ball and kill him. The punches, kicks, fire and energy reach a fervent pace, until one final shot of Jared, Laney and the three girls laying a massive uppercut erupts into pain stars and a massive explosion of fire sending the entire group of monkeys raining down to the ground as a pile of ashes.]

COUNTLESS WONDER RIDE BOOKS FELL AND WE CAUGHT THEM!

Qin: Oh yeah!

Nico: WHEW!

Camie: WOW! That was awesome!

Qin: WHEW! How many monkeys were there?

Blossom: I counted 523,234.

WE GASPED!

Me: That INSTANTLY shatters the record!

Lola: Wow!

Me: That is a lot of Anothers.

Murph: But that was so awesome!

Lola: Boy it sure was!

Nico: And now, we wait.

But then we saw a huge figure!

Me: We don't have to wait long!

We saw ANOTHER MACHINEDRAMON!

Laney: WHOA! Another Machinedramon!

Nico: Wow!

A quail call was heard and a Quail came.

Fluttershy: (Gasp) A quail!

She picked it up.

Me: Wait I know this quail.

Machinedramon: You do?

Another Machinedramon: (In a girls voice) Seki remembers J.D.

Me: (GASP) That voice.

She reverted back and it was a girl with brown hair, green eyes, brown angel wings and had pink clothes and she had a tiara with the symbol of the Quail Dopant in it and the same symbol on her skirt and she had an awesome sword.

Me: Qandy Quail! Wow!

Qandy Quail: Awesome to see you again J.D.

Me: You too. Qandy is the embodiment of the Quail Dopant and she is a master of the Quail Birds.

Nico: Beautiful birds too.

Me: Yep. And she has powerful energy powers that are as strong as 500 Mega Level Digimon.

Nico: WHOA!

Machinedramon: That is very impressive for someone so young.

Qandy Quail: It sure is.

Kaito: (gets out Ex Aid Gear) Did Swartz promise you anything?

Zocks: (gets out Build gear) Because we can grant it instead.

Kaito got an Ex-Aid Sword and Zocks got a Build Sword.

Qandy Quail: Actually Swartz didn't promise me anything. He didn't like the sounds of quail calls for some reason.

Sakura Knudson: I did hear quails in the lab and he screamed for some reason.

Me: Weird. I didn't know Swartz was terrified of quails. Weird fear.

Lola: Yeah.

Nico: No kidding.

Sougo (gets out Ex Aid Ridewatch): And now, Seki is part of the mascots.

Armor Time! (Retro video game-themed music) Level Up! Ex-Aid!

Geiz (Gets out Cross Z Ridewatch): Where he or she will be involved in drinking beer, Robot Chicken Sketches, pranks, and other kind of shenanigans.

Armor Time! Wake up burning! Cross-Z!

Sougo got ExAidArmor while Geiz got CrossZArmor.

Qandy Quail: (LAUGHS) That is true. But I don't think Quails can drink beer.

Me: I don't know for sure myself.

Lola: Yeah.

Lincoln: Lets separate you first.

He fired a wave of light and separated her.

Qandy Quail: Awesome!

She fired waves of lightning and energy and blasted Another Machinedramon!

Nico: Time for this! (ACTIVATES MACHINEDRAMON AND EVIL AQUA MAN'S RIDEWATCHES) (ECHOING) AQUA GIGA CANNON!

He fired a wave energy blast and smashed the Another down.

May: Take this one! Time for some Dino Fury Power! (ACTIVATES KISHIRYUKI AND MR. MASCOT'S RIDEWATCHES)

She fired a wave of energy and elements and blasted down Another Machinedramon.

Maria: I'll be back! (ACTIVATES TERMINATOR 1984 AND EVIL ASTRO MAN'S RIDEWATCHES)

She fired waves of energy and blasted the Another.

Lucia: Take this! (ACTIVATES EVIL AQUA MAN'S RIDEWATCH)

She fired waves of water and smashed down Another

Then White Lightning, Marina Del Ray, Universe 666 Dave/Dr. Octavius Brine, Ghiaccio, DJ Drummond and Buzzord came.

Nico: Awesome team White Lightning.

White Lightning: Thanks Nico!

?: This will be fun!

Junk Man came.

Me: Whoa! Junk Man!

Junk Man: (In a girls voice) This will be fun.

Nico: Jenna Junk!? Whoa!

Qin: Our awesome tinkerer comes!

Jenna Junk: (LAUGHS) Yep.

Tai Kamiya: Lets teach this guy a lesson!

Agumon: You got it!

He warp digivolved!

Agumon: AGUMON WARP DIGIVOLVE TO…

He turned into WarGreymon!

WarGreymon: (Echoing) WARGREYMON!

He went at Another Machinedramon and Jenna Junk fired laser blasts to distract the Another. Then…

SLASH!

He slashed Another Machinedramon into a million pieces!

Destroying him!

He was back to normal!

I caught the Ridewatch and purified it!

Me: Oh yeah!

Nico: WHOA! Just like old Times Huh Tai.

Maria: A machine got beaten by junk!

Me: And the combined power of WarGreymon.

Xenia: That was awesome!

Qin: As Izzy would say, Prodigious!

Nico: Yeah!

Jenna Junk: That is for sure! Oh I'm naked guys. Just so you know.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's gonna hurt.

Jenna Junk: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up and then a pile of junk CRASHED onto May!

KRASMASH!

She was buried under a huge pile of garbage!

Jenna reverted back and she had black hair, blue eyes, black angel wings and had a symbol in the middle of her forehead in the shape of some spare nuts and bolts.

Jenna Junk: (Groans) That hurt. (GASP) Oh my god! Sorry May!

May: Ouch.

Jenna Junk: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome new dark green blue clothes and she looked awesome.

Jenna Junk: Wow! I look great!

We went and got May out of the junk.

May: We can keep some of this.

Laney: Good idea.

Lana: It can be useful.

Jenna Junk: I am a tinkerer and a recycler after all.

Qin: Yep.

Lucia: Do you have any favorite memories of Nico?

Jenna Junk: Just when me and Nico when to the junkyard and we made this amazing airplane from all kinds of old junk.

Me: That is cool!

Nico: It sure is.

Nico and Jenna hugged.

Nico: I've missed you.

Jenna Junk: Same here.

Me: Awesome. Teddy would you and your family like to be placed into our protection in case Lydia and Mac return? We can train Murph in everything we know?

Teddy: We would like that.

Me: Awesome.

We went back home and moved the whole mansion of Teddy and family to the estate.

Lincoln: Whoa, we're here in Acme Acres in the Tiny Toons episode "Real Kids Don't Eat Broccoli", the segment part of The Return of The Acme Acres Zone, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to deal with some rogue droids running loose.

Me: Oh man, I remember this all too well. Plus, The Acme Acres Zone is the Looney Tunes version of The Twilight Zone.

Nico: Yeah, which means we're in for some suspense, mystery, and action Acme Acres style.

Lincoln: Exactly. Now, we got meet up with Buster at The Hologram Arcade, we'll start there.

Cyborg: This should be good.

We met up with Buster Bunny, and we headed for The Hologram Arcade.

Buster Bunny: (Voiceover) Our first move was to check the word on the street. Droids all over town were disappearing, I figured we could pick up some info at The Hologram Arcade. The place was packed with the dreads of society. Losers: guys with a hanging curveball.

We then saw Plucky with a mohawk reaching for a token.

Buster Bunny: (Voiceover) Plucky was a stool pigeon who always had his ear to the ground for hot tips to sell.

Me: There's our stool pigeon.

Buster Bunny: (Stepped on Plucky's fingers) Hiya, Plucky. I need some leads on the runaway droid caper. Know anything?

Buster threw some gold coins in the air, and to a stool pigeon like Plucky, he took the bait.

Plucky Duck: Yeah, yeah, the droid thing, sure. But, it'll cost you the price of a game, just one, man!

Me: Yeesh.

Buster then grabbed Plucky by the arms and kicked him into a chair. Then, he took out 100 Simollians and placed it in the slot.

Buster Bunny: A 100 Simollians seems fair.

The game activated and Plucky was outfitted with boxing gloves and had water sprayed in his mouth.

Buster Bunny: Any idea on who's behind this fiendish plot?

Plucky Duck: (Shook his head) Mm-mmm! Mm-mmm!

Buster Bunny: (Glares at Plucky) Any clues to where they went?

Me: Start talking, stool pigeon.

Plucky Duck: Le Club Acme. NOW, LET ME PLAY! (EYES WENT CRAZY)

The bell rung and a big droid came out. Plucky tried to rush him, but the big droid held his head and then… !

WHAM!

The big droid smashed Plucky's beak in and it spun around and he had birds flying around his head.

Arcade Game: (Electronic Voice) Game Over, you lose!

The droid went back.

Buster Bunny: Thanks, Plucky. (Took out another 100 Simollians)

Have one on me.

Buster inserted the coin in, and we took our leave.

Plucky Duck: (SCREAMS IN TERROR)

He saw what he was screaming at: a bigger menacing red droid came out.

Plucky Duck: I'LL NEVER PLAY VIDEO GAMES AGAIN! I'VE LEARNED MY LESSON! (SCREAMS)

The scene changes back to the city.

Buster Bunny: (Voiceover) In happier times, The Club Le Acme was a favorite watering hole of Acme Acres' elite, these days, it's way past its prime, a home for cyberpunks and Lambada junkies. (Pushes over the bodyguards) The bodyguards were pushovers.

It was now a club full of dancing, but like he said, it was way past its prime.

Buster Bunny: (Voiceover) I gave the joint a once-over, this place was hotter than Chernobyl on a Saturday night, I was looking for info. But, then, we spotted it alright, a dark stranger was lurking about: it was none other than Universe 666 Sebastian. During our battle against The Goosebumps Monsters and also ticking off Slappy the Dummy in the process, me and the gang of Acme Loo, our teachers, the legendary Looney Tunes, our teachers' descendants and Acmetropolis' heroes, The Loonatics, and our long-time allies from long ago, The Z-Fighters, declared war on him and the Universe 666 versions of the Z-Fighters' foes, who got killed by that dark monster long ago and brought back from the dead to serve him. I knew he had something to do with this, we saw the red eyes of hatred and eternal madness and the demonic deranged grin that showed a sharp mouthful of fangs, and there's no mistaking the blood on his black clothes from anywhere.

Buster Bunny: After him, team!

We gave pursuit on Universe 666 Sebastian, but he left behind an army of possessed droids to kill us, so we blasted them down and pursued him, but that psychopath made a dark portal and he went into it and escaped back to Perfecto Prep. But, we knew without a doubt he was behind this.

Suddenly, we saw five beautiful and super sexy girls with long hair in red, blue, orange, pink, and yellow, yellow hairbands, purple eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, fair skin, massive beautiful red, blue, orange, pink, and yellow angel wings, and they were dressed in red sleeveless crop tops, red knee-length skirts, red knee-high boots with butterfly buckles, black long-sleeved coat, and long white long-sleeved trenchcoat with stars, magic, purple smoke, phoenixes, and angels on the coattails and on the back are The Decepticon Dreads, holstered on their backs are massive greatswords, and with them are the ten girls.

Lincoln: (GASPS) Amira Geniemagic, the Crowbar Gene-Slammer, Dalal Geniemagic, the Crankcase Gene-Slammer, Nihal Geniemagic, the Berserker Gene-Slammer, Ofra Geniemagic, the Dreadbot Gene-Slammer, and Rania Geniemagic, the Hatchet Gene-Slammer A.K.A. The Geniemagic Sisters.

Amira Geniemagic: That's right, and we got the girls away from the rogue droids, we found out they don't eat broccoli and that lunatic was the one who made them go rogue.

Suddenly, we saw the rogue droids coming right at us.

Sylvester: Here they come, this is going to get messy.

Then, Buster Bunny got out a computer virus and as he threw it, the virus spread to the other droids and they crashed. We cheered as we holstered our weapons and powered down.

Buster Bunny: Hope I didn't "bug" ya!

Lincoln: So, that madman was the one who made those droids go nuts. Ever since I stripped him of his powers of poisonous darkness, he's no longer able to bring back villains whom we've killed, and that's angered him to no end, but who cares what he thinks, he's a monstrous demon, but we're so going to enjoy ending his miserable butt. (To The Geniemagic Angels) And it's so good to see you and your sisters again, Amira.

Amira Geniemagic: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Geniemagic Sisters and he hugged them, and The Geniemagic Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Dalal Geniemagic: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Nihal Geniemagic: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these five girls?

Lincoln: Indeed I do, J.D., meet Amira Geniemagic, the Crowbar Gene-Slammer, Dalal Geniemagic, the Crankcase Gene-Slammer, Nihal Geniemagic, the Berserker Gene-Slammer, Ofra Geniemagic, the Dreadbot Gene-Slammer, and Rania Geniemagic, the Hatchet Gene-Slammer A.K.A. The Geniemagic Sisters, these five sisters are my Guardian Angels from Egypt and classmates in Gym, but they are also beautiful half-genies. Their outfits and hair are just like their sister, Shantae. Amira has long red hair with matching clothing, Dalal has blue hair with matching clothing, Nihal has orange hair with matching clothing, Ofra has pink hair with matching clothing, and Rania has yellow hair with matching clothing, and they, Shantae, and I love to dance.

Nico: Whoa.

Selene Emperyous: Yep, and Lincoln made Shantae and her sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Shantae, her sisters, Sky, Rottytops, and Risky Boots along with the rest of his harem, that took place before Ronnie Anne came into the picture. Plus, they hate Lewis Travolta and Bradley Uppercrust III with a blazing passion, the reason why is because they tried to enter The Dance Club and steal women's clothing, but thankfully, The Dance Club has silent alarms that alerted Lincoln, Shantae, and her sisters who instantly arrived and beat the crap out Lewis Travolta and Bradley Uppercrust III and wedgied them onto a flagpole only in their underwear.

Eli: Goddamn fucking jerks and perverts.

Me: As if those assholes couldn't sink any lower than that.

Nico: They were already bad from what we'd seen and heard about them.

Lincoln: Yep, but what my Guardian Angels have told you all about them, you now know their crimes go even deeper than you think, and now that you and your sisters are here, Amira.

Lincoln went up to and hugged each of The Geniemagic Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Amira Geniemagic: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Geniemagic Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Dalal Geniemagic: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Geniemagic Sisters.

The Geniemagic Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Chisa Sakurai, Alice Nonoyama, Rena Asaoka, and Fujiyama Mayumi from Lingeries and Rev, Amphora, Flux, Izell, Kayi, and Mysteen from Rocket Arena.

Lincoln: Oh wow, it's Chisa Sakurai, Alice Nonoyama, Rena Asaoka, and Fujiyama Mayumi from Lingeries and Rev, Amphora, Flux, Izell, Kayi, and Mysteen from Rocket Arena.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chisa Sakurai: Yes, we're okay, thanks to you.

Then, when Chisa Sakurai and the other nine girls saw who it was that saved them from the droids that went rogue because of Universe 666 Sebastian, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Chisa Sakurai: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chisa Sakurai, Alice Nonoyama, Rena Asaoka, Fujiyama Mayumi, Rev, Amphora, Flux, Izell, Kayi, and Mysteen with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree

Estate and the rest of the team was shocked to find out the villains we went after were the rogue droids from the Tiny Toons episode "Real Kids Don't Eat Broccoli" part of The Return of The Acme Acres Zone, and the cause of them going rogue was Universe 666 Sebastian.

But, when Lincoln showed what we did to those tin cans and Buster Bunny throwing a computer virus at the droids that made them crash, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Geniemagic Sisters have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I can't believe you guys travelled to The Acme Acres Zone and you had to deal with some rogue droids.

Lincoln: Caused by Universe 666 Sebastian, and now, we have access to The Acme Acres Zone.

Buster Bunny: The other side of Acme Acres: the looney middle ground between humor and cheap laughs, a dimension not only of sight gags and sound effect, but of mind.

Me: If I know the Acme Acres Zone stories, there's always a twist ending, but for this one, that came already in the form of Universe 666 Sebastian being the cause of it.

Nico: Yep, but his madness will end very soon.

* * *

After taking care of the rogue droids and driving Universe 666 Sebastian back to the abandoned Perfecto Prep school now turned into his demonic castle, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Geniemagic Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Amira Geniemagic: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Dalal Geniemagic: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Nihal Geniemagic: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ofra Geniemagic: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Rania Geniemagic: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Geniemagic Sisters played a video on the screen and it shows Lincoln and the Geniemagic Sisters and Shantae finishing up a dance routine at their Gym, and they were sweating buckets and drinking some water.

Past Lincoln: Whew, what a workout.

Past Amira Geniemagic: You got that right, when it comes to dancing, we were really putting our bodies to work mastering some awesome dance moves.

Nihal Geniemagic: You said it.

LOUD MONSTROUS BELCH!

Suddenly, they heard a loud monstrous belch and caught the stench of B.O. and feet.

Past Lincoln: Oh great, there's no mistaking that loud belch from anywhere. Get out here, Lynn, I can smell the sweat coming off you and your sweaty pits!

Suddenly, they saw Lynn come out, and she was out for blood again, then, she pounced on Lincoln and they got into a scuffle until Lincoln punched her off him, but his tank top now had tears on it and was ruined.

Past Lincoln: Okay, that's it, I'm taking you down once again, you pain in the butt!

Lincoln grabbed his ruined tank top and tore it off and his massive white angel wings spread out, and we knew it meant trouble when that happens. Lynn roared again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Lynn's stomach knocking the wind out of her, and then, he reared his left fist back and gave her a nasty uppercut that sent her flying out of the gym and back to The Loud House to face her doom as the video ended.

Nico: Jeez, so a day of dance practice got ruined by Lynn again. What got her gym shorts riding up her butt that time?

Me: She beat up Margo, Paula, and Polly for questioning her Number 2 rule, no one goes Number 2 until they're Number 1. That rule is really stupid, because if no one goes to the bathroom, they're bound to have health problems because of it.

Nico: What?!

Lincoln: It's true, I talked to Mrs. Santiago about it, and it really horrified me. Someone had to tell it to Lynn, but knowing her history of getting extremely violent when someone questions her rules and superstitions, I was scared to do it. But, Margo, Paula, and Polly took a really huge risk.

Margo: We did, and in her typical sore loser fashion, she beat me, Paula, and Polly up bad and ran off to kill you thinking you told us about what you found, that was when J.D. took us to the hospital and we told him of what Lynn did to us and that she was about to kill you again.

Me: But, when I saw Lynn dazed and in her cage, I knew you did this, Lincoln.

Luna: He called and told us everything that happened, and Lynn got grounded for twelve weeks for what she did to her friends.

Lincoln: And if she ever tried to enforce that dumb rule again, I was going to let Laney Emperyous use the Hell's Torture Illusion on Lynn.

Eli: But, that'd kill her.

Lincoln: Actually, it'll make Lynn see horrible visions of Hell and make her see that if she doesn't change any of her nasty ways, this'll be what awaits her.

Nico: Eternal damnation if she doesn't change her nasty ways. (Shudders) That's scarier than sending her to reform school or to the Scared Straight Program.

We got a shower afterwards, and then, Lincoln, Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Terraia the Dorome: Wow, so, this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Terraia, and it's perfect for our first date. Shall we?

Lincoln, Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi and they hugged the girls in their abnormally massive and powerful muscular arms, and Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi are in your harem.

Yamiga: And we also had a talk and found out that more of our friends are also planning on joining Lincoln's harem.

Me: Awesome.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Terraia the Dorome, Simulator Yamiga the Cursed Sword, Simulator Yomika the Nurarihyon, Simulator Yukomo the Inari, Simulator Yumika the Ice Queen, and Simulator Sci-Twi, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Cloudy Court Galaxy is next.

Me: Ooh! That one makes you feel like you're on Cloud 9!

We Laughed!

Nico: (LAUGHS) Good one!

Luan: (LAUGHS) That was funny!

Eddy: (LAUGHS) That was a good one.

Stella Zhau: Me and Flare will go.

Mega Man: And me and Roll too.

Nico: Okay then! Lets go.

They went in and the simulator Activated and they were at CLOUDY COURT GALAXY!

Flare Corona: Wow! This is amazing!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this level doesn't have a boss so you're going for the star at the top right?

Nico: Yep.

Nicole: Well just blast and fly as you hit the enemies.

Nico: Okay then.

Flare Corona: Awesome!

Stella: I see Goombas!

Nico: Lets get them!

?: Let us help too!

2 girls came. One had blue hair, blue eyes, blue clothes and blue angel wings and had a tiara with the symbol of Mega Man on and the second girl had blond hair, green eyes and red angel wings and red clothes and a tiara with the symbol for Roll on it and the same symbol on her vest.

Me: Megan Mega!

Nico: And Rhonda Roll!

Mega Man: Wow! Our embodiments!

Megan Mega: That's right and J.D. I hear your voice. Awesome to see you again.

Rhonda Roll: And you too Nico.

Nico: Same here. We'll talk later. Lets get the star.

They were off and they blasted the Goombas.

Nico: (gets out Machinedramon and Metal Sonic's Ridewatches) Time for machine power!

Nico activated the ridewatches and fired energy blasts and smashed the Goombas.

Megan and Rhonda blasted the Goombas all over.

Stella and Flare fired waves of fire and blasted them.

Roll: Save some for us!

Roll and Mega Man fired energy blasts and smashed the Goombas all over!

Nico: Yeah!

Roll: Take that!

Mega Man: Oh yeah!

They went for the star and they got to the top and got the star!

YOU GOT A STAR!

Nico: YEAH! We got it!

Megan Mega: That was fun!

Rhonda Rhol: It sure was!

They all high five.

Flare Corona: How did you two first meet Nico and J.D.?

Megan Mega: I first met J.D. when we went to a local carnival and J.D. won this necklace for me.

Nico: That's pretty.

Megan Mega: Yep.

Rhonda Roll: And I met Nico when we were at a Home Decorating Show. I love to decorate.

Nico: That's right.

Rhonda Roll: That was awesome.

Nico: Would you girls like to join the team?

Megan Mega: We would be honored.

They left and we cheered wildly for them.

---

We saw the mascots with instuments.

Dawn Branca: What are you guys doing?

Poromon: We're going to do a band.

Luna: Rockin! Me and Sam and the Rainbooms will join in!

Me: Cool!

Nico: Who gets a guitar?

Poromon: Many of you guys play that.

Me: True.

Poromon: So I will.

Me: Okay.

We got our instruments and went to the garage and practiced.

Catharina Cheese: What's the band called?

Poromon: The Cute Wonders.

Me: That is a cute and awesome name.

Varie: Nice.

We got to practicing.

Varie: Oh yeah!

Pharaoh Man: I hope you guys star in a concert

Poromon: Me too! That was fun!

Xenia: It sure was!

Lola: Yeah!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than another of Captain Underpants' enemies, Professor Poopypants and he's causing havoc once again. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than another of Captain Underpants' enemies, Professor Poopypants and he's causing havoc once again.

Me: Uh oh.

Nico: Whoa! Been a while since we faced one of Captain Underpants' enemies!

Luan: Not good, we need to tell George and Harold about this.

Nico: And J.D., we'll need some of those 22nd Century Exomasks.

Me: On it.

I gave everyone their own 22nd Century Exomasks and they put them on.

Nico: Nice. Now, let's head down there and battle that madman.

Lincoln: He's gonna pay for this.

Camie: Who is Professor Poopypants?

Me: His name is Tippy Tinkletrousers.

Everyone laughed!

Me: But he likes being called Professor Poopypants.

I went over his history.

---

Tippy Tinkletrousers, formerly known as Professor Pippy P. Poopypants (Professor Pee Pee Diarrheastein Poopypants, Esq. in the film), is the main antagonist of the Captain Underpants franchise.

He is the archenemy of the titular character, Captain Underpants.

In the 2017 computer-animated film adaptation, he was voiced by Nick Kroll, who also played Douche in Sausage Party, Lola Skumpy in Big Mouth and Sergei in The Secret Life of Pets 2.

In the scholastic audiobook series, he is voiced by Len Forgione.

The Perilous Plot of Professor Poopypants

Poopypants first appeared in the fourth novel The Perilous Plot of Professor Poopypants, where he was a brilliant inventor and scientist hailing from the country of New Swissland (where it is tradition for everyone to have a silly name, hence the professor's name), he travels to the United States with the goal of using a pair of inventions of his to reduce the world's garbage supply and increase the world's food supply. However, on account of his ridiculous name, no one takes him or his miraculous invention seriously.

Having had no luck with his inventions, Professor Poopypants takes a job at Jerome Horwitz Elementary School (ran by Mr. Krupp) as the new science teacher (since the previous one quit) in hopes that the children would be good-natured and kind. However, this proves false as the students all laugh at his name, paying no attention in class. Though Poopypants temporarily reclaims the class's respect by unveiling his Gerbil Jogger 2000, a machine which gerbils can use to jog, the class soon started mocking Poopypants days later for weeks, driving the Professor to the brink of insanity.

He finally snaps when he finds a comic book written by George Beard and Harold Hutchins (the two main protagonists of the book series). They called him the Pied Pooper of Piqua. In the comic, Poopypants creates several Gerbil Jogger 2000s a created an army of gerbils listening to Cher music. The principal called for Captain Underpants when they attacked the children and cupcakes. When he arrived and laughed at his name, Poopypants used his bowtie to transform into a cyborg. After a chase, Poopypants managed to catch Captain Underpants. Before he could crush him in a machine, however, the hero sprayed him with a toilet causing him to rust. Then, Captain Underpants destroyed the controller with the Cher music, freeing the gerbils and saving the children, before taking Poopypants away.

Using an enlarged version of his Gerbil Jogger 2000 invention, he crazily holds the school hostage and shrinks them using his shrinking device, then makes them change their names to a silly name lest he shrinks them down to nothing. George and Harold (now Fluffy and Cheeseball) get Captain Underpants (now Buttercup Chickenfanny, but Captain Underpants decided not to change his name and said that he would not take orders from anybody) to steal Professor Poopypants' enlarging machine, but unfortunately, he and the machine are shrunk in the process.

The two of them try to enlarge the school back to normal size but get flicked off the school. Cheeseball makes a paper airplane that Fluffy enlarges. The plane flies into many threats, yet Captain Underpants rescues them and they end up in an abandoned alley. Fluffy tries to enlarge Captain Underpants (accidentally enlarging Cheeseball's right hand) to the size of Professor Poopypants's gerbil machine. Captain Underpants then fights and defeats Professor Poopypants.

Once Professor Poopypants is defeated, everyone gets their names back. The boys use the shrinking and enlarging machines to get the school and Captain Underpants back to normal size. Then Captain Underpants gets soaked with water, turning back to Mr. Krupp.

Before Professor Poopypants is hauled off to jail, George and Harold (showing some sympathy) pointed out that it would've been better for Poopypants to change his own name to get rid of the mockery instead of forcing others to change their names, something which Poopypants realized as he stated that he never thought of that before. Sadly, he chooses his maternal grandfather's name, Tippy Tinkletrousers, which his fellow inmates mock.

## The Wrath of the Wicked Wedgie Woman

In the next book, Captain Underpants and the Wrath of the Wicked Wedgie Woman, Ingrid Ashley and Larry Zarrow of Piqua's Eyewitness News referred to each other as Chim-Chim Diaperbrains and Booger Stinkersquirt. This shows that they, along with maybe others, have not yet fully recovered from what happened with Professor Poopypants.

## The Preposterous Plight of the Purple-Potty People

An alternate, benevolent version of Tippy Tinkletrousers appears in the eighth book, Captain Underpants and the Preposterous Plight of the Purple-Potty People, working for the fire department along with alternate versions of Zorx, Klax, and Jennifer. The real Tippy Tinkletrousers appears at the end of the book in a giant pair of robotic trousers and gets angry at two cops that laugh at his name. He then freezes the cops with his latest invention: The Freezy Beam 4000. He then announces, "It's time for my revenge!". He then chases after George, Harold, Sulu, and Crackers.

## The Terrifying Return of Tippy Tinkletrousers

Tippy serves as the main antagonist of the ninth book (Captain Underpants and the Terrifying Return of Tippy Tinkletrousers). It is revealed here that what happened at the end of the eighth book did not originally happen, as Tippy Tinkletrousers and the robotic trousers were actually from the future and interrupted what was supposed to happen. In the original timeline, after George, Harold, and Mr. Krupp get arrested for the crimes of Evil George, Harold, and Captain Blunderpants, Tippy reveals his newest robotic suit to his prisoners by claiming that he is building a statue for the warden. He then takes Mr. Krupp and breaks both of them out as he wishes to find George and Harold and get revenge on Captain Underpants for throwing him in prison.

He succeeds in finding the two boys due to Mr. Krupp telling him they are in the Piqua Juvenile Detention Center, but George and Harold snap their fingers in front of him, transforming him into Captain Underpants, but revealing to Tippy who the Captain is when not fighting crime. The Captain goes off to find a cape which he finds in the Everything Except Fabric Softener Store.

Tippy then interrogates the boys on everything they know about their superhero until the Captain arrives. They fight, but the Captain easily beats the Professor with ease before the Captain tricks the Professor into freezing the suits' feet. The Captain then rips off the top of the suit, reducing it to the robotic trousers as seen at the end of Book 8.

Realizing the Captain is too powerful for him to beat, the Professor decides to go back in time five years ago to escape from him. Tippy does so and successfully escape from Captain Underpants. When Kipper Krupp and his friends run from an apparent ghost, Tippy appears in front of the sixth graders in his robot pants and states it looks like they have seen a ghost.

This causes the four boys to go insane and taken to a reality-challenged institute as well as leaving Mr. Krupp to be blamed for all the events that happened in his school. He is fired from his position as principal due to everyone blaming him.

Tippy, not realizing what he had just done, go back to the future while also noting kids five years ago were different than he thought they were.

However, when he returns, he sees the future ruined and destroyed. He learns from a small boy that the moon got blown up by Dr. Diaper, talking toilets started rampaging around the city, and giant zombie nerds began terrorizing the town.

Realizing that he had created a huge mistake, the Professor tries to get back into his robot pants and undo the entire mess, but he is seemingly squashed by the giant zombie nerd George and Harold before he could do so.

## The Revolting Revenge of the Radioactive Robo-Boxers

In the tenth book, it's revealed that Tippy Tinkletrousers was not killed by the Zombie Nerd Harold, because zombie nerds are slow due to their incredible size, and Tippy faked his death by placing a bag of ketchup under Harold's feet.

Tippy went back in time to before he drove the bullies insane and froze them before they could see him. He shrunk his younger self and returned to the present with him. When the bullies thawed, history was restored to normal.

Tippy confronted George and Harold and froze the cops as was depicted at the end of Book 8. He attempted his revenge on George and Harold, but they escaped him and went back in time to return Crackers to the dinosaur age, bringing Sulu with them to protect him from Tippy and accidentally bringing Mr. Krupp with them due to him chasing after George and Harold.

Tippy sent his smaller, younger self back in time to find out where George and Harold disappeared to. Because of this, three Tippys existed at once: "Big Tippy," "Tiny Tippy," and "Slightly Younger Tiny Tippy.

They traveled back in time after George and Harold, during which Tiny Tippy and Slightly Younger Tiny Tippy decided they didn't like being bossed around, so they snuck out and traveled through time to get the Goosy-Grow 4000 (ironically causing role reversal between the boy who often noticed the events and his mother who was skeptical about them).

Tiny Tippy had Slightly Younger Tiny Tippy use it to restore him to his normal size and then again to make him bigger, calling himself "Supa Mega Tippy." However, he refused to use the Goosy-Grow 4000 on Slightly Younger Tiny Tippy and immediately traveled back to the Mesozoic Era.

Meanwhile, Big Tippy fought Captain Underpants, discovering that water turns him back into Mr. Krupp. Then Supa Mega Tippy appeared (with Slightly Younger Tiny Tippy aboard his robot unseen).

Big Tippy told his bigger self about Captain Underpants's weakness, but they argued over who should destroy him, resulting in Big Tippy activating the timer of a nuclear bomb on his robot in an attempt to kill Captain Underpants himself.

Even though the bombs couldn't be turned off, he didn't care as long as it killed his nemesis. Supa Mega Tippy traveled into the future with the others after kicking Big Tippy to Mexico before the bomb exploded, killing Big Tippy along with the dinosaurs.

Supa Mega Tippy and the others traveled to the caveman age, where Slightly Younger Tiny Tippy tampered with his giant counterpart's freeze beam so that it couldn't be turned off.

Supa Mega Tippy ties up Mr. Krupp under a waterfall after George and Harold got away by distracting him and cutting apart the mechanical arms. George and Harold got the cavemen to help fight against him, causing damage to him and his robot.

So Supa Mega Tippy tried to freeze them, but as his freeze beam wouldn't turn off (which was due to Slightly Younger Tippy sabotaging the device and its emergency shut off), and Slightly Younger Tiny Tippy permanently turned the Goosy-Grow 4000 on with the help of some gum to repeatedly increase his size until he accidentally drops it.

This causes the Goosy-Grow 4000 to zap the ice, which causes the ice to rapidly spread across the planet, starting the Ice Age and freezing Supa Mega Tippy to death.

George and Harold untied Mr. Krupp and turned him into Captain Underpants, who moved the cavemen to a safe area but was turned back to Mr. Krupp by Slightly Younger Tiny Tippy, who took him, George, Harold, Crackers, and Sulu, and traveled thirty years into the future from their time.

George and Harold turned Mr. Krupp and his future counterpart into Captain Underpants, who beat up Slightly Younger Tiny Tippy. When it looks like they would win, Tippy activates his nuclear bomb which he modified to destroy the entire galaxy.

Crackers and Sulu got on board his robot and sent it back in time to before the universe existed. In the darkness, the bomb exploded, Poopypants was presumably killed and created the universe with the Big Bang (or "Big Ka-Bloosh Theory"). Thus, all three of his deaths caused the major events of the universe to take place.

He made a cameo appearance in the eleven book in the part when Melvin, Captain Underpants, George and Harold arrive in the present. However, he was only seen from behind.

Poopypants reappears in the film as the main antagonist. While he is a villain from the start, this version of Poopypants is less homicidal than the book attempting to simply get rid of laughter and never trying to kill anyone unlike his book counterpart.

As revealed in a flashback, Poopypants was once an esteemed scientist who, at a Nobel Prize ceremony, unveiled a ray that could alter the sizes of anything it hits. However, all the attendees mocked his name, causing him to descend into villainy.

At the start of the film, he visits Jerome Horwitz Elementary in the hopes of being hired as the new science teacher. Captain Underpants (under his Mr. Krupp disguise) happily hires him because of his lack of common sense, as Poopypants is clearly insane (as well as unqualified for the job, as even Poopypants himself bluntly admits).

Using the name "Professor P." to avoid ridicule, Poopypants attempts to fit in with the students while teaching them his goals of ridding the world of humor. His problems soon resurface, though, when George and Harold discover Poopypants' name and mock it throughout the school.

Having enough of the mockery, Poopypants plots to take over the town, and recruits the local tattletale Melvin Sneedly to his cause after seeing that his brain has literally no sense of humor. Poopypants is also astounded to hear that Melvin has previously built a brilliant invention known as the Turbo Toilet 2000. With that in mind, Poopypants uses his technology to make the Turbo Toilet 2000 grow in size and uses toxic cafeteria leftovers as fuel for the robot. He then uses Melvin's brain as a source to turn all of the school's students and staff into zombies with no sense of humor.

When Captain Underpants tries to stop Poopypants, the latter gets the Turbo Toilet 2000 to swallow Captain Underpants whole before capturing George and Harold, intending to erase their senses of humor to finalize his plan. George and Harold then apologize to

Poopypants for laughing at his name, and they admit he has the greatest name ever. But Poopypants still stubbornly states his name is unfunny. George then tells Poopypants that his problem isn't that people laugh at him, it's that he can't laugh at himself. Still not convinced, Poopypants proceeds his plan. However, it is harder to erase George and Harold's senses of humor because the parts of their brains that house their humor are enormous. After he finally manages to corrupt George and Harold, he launches into a speech about his goals to conquer the entire universe. However, when he mentions Uranus, the very thing that sparked the boys' friendship, the duo regains their sense of humor, crashing the Turbo-Toilet's computer and returning the students' senses of humor.

Following Melvin getting rolled away in a giant roll of toilet paper from the Turbo Toilet 2000, Poopypants angrily attempts to shrink both George and Harold in revenge for foiling his plans, but Captain Underpants comes to the rescue, having escaped from the Turbo Toilet 2000's mouth by consuming the leftovers to gain superpowers. Captain Underpants then proceeds to defeat Poopypants and Harold uses Poopypants' invention, the "Sizerator", to shrink Poopypants. Defeated, Poopypants retreated by riding on a bee, only to be accidentally flicked away by Captain Underpants with Poopypants screaming, "I'm free!".

When I was done everyone was shocked!

Xenia: This guy is gross!

Nico: I think he tried to change everyone's names once

Me: Yeah he did. He turned Mr. Krupp's name into Lumpy Pottybiscuits.

We laughed at that one!

Qin: (LAUGHS) That is so funny!

Camie: (LAUGHS) Funny!

Nico: We shouldn't underestimate him though.

Me: No but I got tons of names to get him sent over the edge big time.

Nico: Gonna use name calling on him. Nice.

Lola: Yeah.

The previous group came.

Titanium Toenail: Can me, Heatwave, Stinky Butt, Melter, Touch and Go, Po Kong, Spot, Mojo Jojo, Dodgeball Wizard, and White Lightning go with you guys?

Mr. Touch: And the mascots made a nice band.

Nico: They sure did and yes you all can come with us.

Camie: This is gonna be awesome.

Heatwave: Poopypants is gonna have his face farted on.

Nico: Big time.

Marah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Burst Man and the next Embodiment is gonna be for Cut Man.

Xenia: Cool! Slicing and Dicing.

Lola: And explosive too!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Universe 666 Dodoria, the first of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Universe 666 Dodoria, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Tech E. Coyote: And it makes sense for him to send Universe 666 Dodoria after us, since Universe 666 Zarbon was defeated and freed from him. Let me handle him, I'm not letting him get out of this.

Eli: Wait, won't Sebastian go into Demon Angel Mode again?!

Lincoln: Yeah, that's something we got to prevent at all costs, and I don't know how Buster's mallet can handle any more hits to his head before he reacts violently.

Nico: We'll worry about that later. Alright, gang, let's go, we're off to help George, Harold, and Captain Underpants deal with that madman.

Lincoln: We'll make him pay for his crimes, and once we get done with him, you better be ready for Hell, Universe 666 Dodoria.

Tech E Coyote: You've crossed numerous lines, Universe 666 Sebastian, but what you've done proves that you're an even darker threat than Evil Nico, and when we face you in the future, the last thing you'll hear will be your screams.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help George, Harold, and Captain Underpants deal with that madman, Professor Poopypants, and once we get done with him, Tech E. Coyote is going to take down Universe 666 Dodoria and break Universe 666 Sebastian's control over him.

We were off to the school.

---

We were walking to the school.

Stinky Butt: Nico, let me do the farting on his face.

Heatwave: I was gonna have you do that.

Me: I got lots of really awesome names for Poopypants.

Qin: Yeah!

Me: This will be awesome.

Varie: Yeah and I'm going to rip his intestines out.

We arrived and went into the school. It was quiet.

Lola: It's quiet. Too quiet.

Xion: George? Harold? Are you guys here?

Ren Hoek: Where are you, you eediots!?

Nico: Yeah!

George and Harold then came out.

George: Guys here.

We saw them hiding in the janitors closet.

Mr. Go: Why are you two in there?

George: We're hiding from Poopypants.

Harold: He's back.

Me: We can see that.

Nico: We came to send that freak to prison.

Me: I got tons of names fo him to really piss him off.

Swindle: Where's Mr. Krupp?

George: Behind us.

We saw him hiding in the Janitors locker.

Krupp: In here.

Me: We got to stop Poopypants now and fast.

Mojo: Galileo Galilei is a much better scientist then him!

Me: I agree there!

Nico: Me too!

Me: And I got a name to start us off. Doctor Dungshitter.

Everyone laughed at that one!

Qin: (LAUGHS) Yeah!

Professor Poopypants roared in fury after hearing me say that name.

Me: Or how about Professor Shitfeeder, Dr. Diarrheafeeder or Professor Colon Cleanser?

We laughed!

Eddy: (laughs hysterically) I can't believe he's called Professor

Poopypants!

Lincoln: Will you focus here, Eddy?! This is serious!

Eddy: (calms down) Ok. Sorry.

A minute passed before he laughed again.

Thundercracker: It can't be helped, Lincoln.

Lincoln: Okay I admit his name is really funny.

Me: (LAUGHS) YEAH!

Knight Chaser was first seen attacking Devil Capture V which was being piloted by Faraway, the Dekarangers arrived in Dekaranger Robo to end the conflict but as soon as Knight Chaser knocks down Devil Capture V with an electric shock Dekaranger Robo tries to defend Devil Capture V and Knight Chaser begins to attack Dekaranger Robo and both robots fighting but Knight Chaser then uses a flash beam from it's chest to escape.

Knight Chaser reappeared where it grabbed Faraway and started to fly into space to try and divert a missile aiming at earth, but was caught by DekaBike Robo with the Catch Rope and brought back down, the Dekarangers then summoned Super Dekaranger Robo to fight Knight Chaser who tried to attack but was no match for Super Dekaranger Robo's power and was repeatedly punched at and beaten by the Dynamite Upper and the Gatling Punch.

Knight Chaser was rebuilt into Knight Chaser II and piloted by Tenkaonian Raja Namunan to try and escape from the Dekarangers and avoid being deleted.

After Raja Namunan was beaten by Jasmine, he summoned Knight

Chaser II to try and escape but was met by the Patrol Wings which quickly shoot Knight Chaser II down, the Dekarangers then formed DekaWing Robo to fight Knight Chaser II who began to attack but was no match for DekaWing Robo, after being sent into space Knight Chaser II and Raja Namunan were both destroyed by the DekaWing Cannon's Final Buster attack.

Nico: That was one stinky adventure, but we did it, we put a stop to Professor Poopypants and sent him to prison.

Lincoln: You said it. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam

Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of green blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Dodoria, or we will force you out!

A figure came out, it was none other than Universe 666 Dodoria, and like with Universe 666 Broly, his eyes were completely blood red and he had a black and purple aura around him.

Sebastian felt pain in his eyes as he howled in agony and we saw blood tears pouring from his eyes, but we also saw his eyes change to blood red: HE'S GONE INTO FULL-ON DEMON ANGEL MODE!

Sebastian Mendez: (Demonic Voice) You! I always knew you'd one day return, you bastard! You just don't even know when to quit, DO YOU?!

Me: Yikes, what's happening?!

Nico: He must be confusing the Universe 666 Dodoria with the one we knew and hated.

Buster Bunny: It always ended badly since Dodoria also helped Frieza in turning against him.

Suddenly, Buster Bunny saw Sebastian heading towards Universe 666 Zarbon with his dark greatsword in hand and he had dark murder on his mind, but Lincoln created chains of light to restrain him.

Lincoln: This'll hold him. Tech, you go and stop Universe 666 Dodoria while we keep him restrained.

Tech E. Coyote: Understood.

Suddenly, Tech E. Coyote's green eyes turned neon green and he was surrounded by a green energy aura with stars, green fire, green lightning, electromagnetic energy, coyotes, phoenixes, and angels, he unholstered his massive Neinilii's Green Lightning Broadsword of Celestial Green Fire Justice from his back, and as he approached Universe 666 Dodoria, he left stars, green fire, green lightning, electromagnetic energy, coyotes, phoenixes, and angels with every step.

Tech E. Coyote: Even though you're not like the Dodoria we know and hated, you're just as dangerous as he is, and Universe 666 Sebastian bringing you back and turning you into his slave basically crossed a serious line, and for that, I'm going to take you down and Buster's going remove that basket case's influence from you, hope you're ready for the beatdown of your life!

Suddenly, Tech E. Coyote was surrounded by a massive vortex of green energy with stars, green fire, green lightning, and electromagnetic energy surrounding the vortex, there are coyotes, phoenixes, and angels flying around the vortex, and in the vortex is a black and green phoenix with blue eyes gazing into Universe 666 Dodoria: the eyes of salvation.

Me: WHOA!

Buster Bunny: EVERYONE, GET BACK! THINGS ARE ABOUT TO GET REALLY REALLY UGLY!

Then, as the vortex faded, Tech E. Coyote emerged, but he was changed forever.

Tech E. Coyote grew from 7'5" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large green and black orbs orbiting around his legs and he no longer has on his mask, he has green highlights in the bangs of his full head of long wild brown hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he retains the yellow sclera and he has neon green eyes and a green energy aura with stars, green fire, green lightning, black and green darkness, green electromagnetic energy, coyotes, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a coyote with Fire, Lightning, and Stars in its paws emblazoned on his forehead and Third Eye with green iris, he has on his Crystal Necklace of The Buddha with green gems on the gold lightning bolts and green crystal links and a green coyote-shaped Element of Harmony and on the bottom of the green coyote-shaped Element of Harmony is a coyote with the Thunder and Eternity Kanjis in its paws for the pendant and he has on a white and gold accented choker on his neck, he has on a black tank top with a green phoenix on it, black pants with green accents and green fire and green lightning on the legs, black knee-high boots with lightning bolt buckles, long long-sleeved black trenchcoat with stars, green fire, green lightning, green electromagnetic energy, coyotes, phoenixes, and angels on the coattails and on the back of the trenchcoat is a phoenix, coyote, and angel with green lightning, green fire, green electromagnetic energy, and stars surrounding them. Suddenly, Tech E. Coyote felt a sharp pain on his now wider and more muscular back, and then, his massive black angel wings with green tips on the black feathers grew much bigger for his new body, along with his brown-furred tail. Tech E. Coyote has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Tech E. Coyote's Neinilii's Green Lightning Broadsword of Celestial Green Fire Justice and all the greatswords and swords he'd gotten began merging together and they were surrounded by a kaleidoscope of green energy, stars, green fire, green lightning, green electromagnetic energy, black and green darkness, coyotes, phoenixes, and angels, and when it emerged, it was transformed into Tech E Coyote's Acmetropolis Loonatics Neinilii's Green Fire Lightningstorm Darkness Greatsword of Celestial Green Fire Lightningstorm Darkness Justice, it's a brand-new massive greatsword with embedded green gems and Neinilii, the Navajo God of Rain, etched on the 7'9" massive, wide, double-edged midnight black steel blade, large midnight black steel coyote heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in the foreheads, longer midnight black handle, four large midnight black steel coyote heads with green gems for eyes and in their open mouths and on the bottom of the coyote heads is a large midnight black steel coyote head with green gems for eyes and green gem in its mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large green gems on his wrists and Dragon Ball Bracelet on the left gold Bracer, new large gold Belt of Elemental Bravery with a gold coyote head with green gems for eyes and a large green gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a green kanji below the phoenix, coyote, and angel that said, "Tech E. Coyote, Member and Genius Inventor of The Loonatics, Descendant of Wile E. Coyote, Older Brother Figure of Calamity Coyote, Master of Electromagnetic Energy, Carrier of Wile E. Coyote's Legacy, Hero of Acmetropolis, Archenemy of Gorilla, Destroyer of Acmetropolis' Most Dangerous Enemies, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Green Lightning, Green Fire, Green Electromagnetic Energy, Green and Black Darkness, Stars, Coyotes, Phoenixes, and Angels"

Tech E. Coyote has transformed into SUPER ANGEL-ACME FUTURE GEN KNIGHT-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL ACME FUTURE COSMIC GREEN ELECTROMAGNETIC LIGHTNING GREEN FIRESTORM DARKNESS COYOTE ANGEL OF DIVINE COSMIC ETERNAL ACME FUTURE COSMIC GREEN ELECTROMAGNETIC LIGHTNING GREEN FIRESTORM DARKNESS COYOTE ANGEL JUSTICE AND DIVINE COSMIC ETERNAL ACME FUTURE COSMIC GREEN ELECTROMAGNETIC LIGHTNING GREEN FIRESTORM DARKNESS COYOTE ANGEL HOPE!

We were amazed by Tech E. Coyote's Super Angel-Acme Future Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Dodoria saw it, he fired a massive energy ball at Tech E. Coyote to kill him, but Tech E. Coyote punched it and sent it into the air as it exploded, and Tech E. Coyote fired a massive barrage of green energy, stars, green fire, green lightning, green electromagnetic energy, black and green darkness, coyotes, phoenixes, and angels, which exploded as they hit Universe 666 Dodoria and this really made him angrier than ever.

Ace Bunny: (Smirks) Oh, now he's gone and really made Tech mad now.

Lincoln: WHOA!

The toons, including Wile E. Coyote and Calamity Coyote, did extremely wild takes upon seeing what Tech E. Coyote did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs.

Tech E Coyote: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Acme Future Cosmic Green Electromagnetic Lightning Green Firestorm Darkness Coyote Angel and Cosmic Eternal Acme Future Cosmic Green Electromagnetic Lightning Green Firestorm Darkness Coyote Angel Hope) Even though you're not the Dodoria that we know and hate, I'm really going to enjoy making you suffer and I may even draw blood!

(CRACKS KNUCKLES) Let's do this!

Babs Bunny: Oh boy, this is gonna get ugly!

Me: It sure is!

Nico: (Gulps) And when Tech mentioned drawing blood, now I know things are really going to get ugly.

Wile E. Coyote: Well, it's about to get uglier. Calamity, my boy, come.

Calamity Coyote: Of course, Professor Wile.

Vegeta: I think you spoke too soon, Bokrua.

Sebastian Mendez: Oh no.

Suddenly, we saw Wile E Coyote and Calamity Coyote join Tech E Coyote.

Me: Now, things are going to get uglier with Tech's ancestor and his student joining in!

Lincoln: Ancestor, Student, and Descendant together in one fight, we haven't seen that since last year when Cui and Dodoria showed up to kill us for what we did to Frieza.

Tech E. Coyote went after Universe 666 Dodoria, and he fired extremely powerful blasts of green energy, stars, green fire, green lightning, green electromagnetic energy, black and green darkness, coyotes, phoenixes, and angels at Universe 666 Dodoria, and they exploded with incredible power as they hit him. Then, he attacked him with swings of his massive greatsword leaving scars on him, and he even left more with his claws. Wile E. Coyote and Calamity also attacked him with energy blasts, elemental forces, coyotes, phoenixes, and angels and slashes from their massive greatswords.

Plucky Duck: Whoa, this is really incredible!

Buster Bunny: Tech's really tearing him apart! Same with Professor Wile and Calamity!

We saw Sebastian burn with rage, he still wanted Universe 666 Dodoria's blood to be spilled, but this wasn't the prime universe Dodoria that we hated, but his memories from the past before his Dark Side was forever removed and destroyed still haunted him. But, before he could try and intrude in the fight, we saw Darren Arcangela knock him out and he did just that: only this time, we saw the white right side of his coat turn pitch black, his eyes changed from amethyst purple to blood red, and his white angel wings turned midnight black.

Selene Arcangela: Oh no, this is very bad. Because of the family curse that still lingered in his veins, Darren Arcangela turned into the very demon of his past: Darren Devereaux, the demon stained by the blood of his many victims.

We gasped.

Hiroshi Ohira: Years ago, Darren murdered a ton of yakuza members and gangsters in Japan when he descended into darkness again. Ever since then, Yakuza and gangsters all over Japan feared him and the curse that dwelled in him, they called him The Dark Lord of Madness, and those who cross him die.

Lincoln: Oh man. TECH, WILE, CALAMITY, GET OUT OF THERE QUICK! DARREN'S GONE CRAZY WITH BLOODLUST!

The coyotes saw Darren heading their way, and they took to the air, and Darren attacked Universe 666 Dodoria with slashes from his greatsword and unleashed pure unadulterated Hell on him by firing black and red energy blasts, blasts of black magic, and even summoning the demons of Hell to attack him, and that caused him to be knocked out, and then, he was bound with more chains of light fired by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Dodoria and removed every trace of the poisonous darkness that infected him, and he was restored. We all cheered wildly as Tech E. Coyote holstered his massive greatsword on his back and powered down, and Tech E. Coyote's new body, clothes, weapons, jewelry, Third Eye, longer tail, large gold halo, and massive black angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more. Wait, what about Darren, he hasn't…?

Suddenly, Darren changed back.

Darren Arcangela: Sorry you had to see that again.

Me: Next time, I hope it won't be the last. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Gwen Catangel, the Perceptor Gene-Slammer, Kayla Catangel, the Brainstorm Gene-Slammer, Penelope Catangel, the Glyph Gene-Slammer, and Raina Catangel, the Rung Gene-Slammer.

Selene Arcangela: The Catangel Sisters as in Princess Sara's sisters?! Awesome, and you guys are going to love meeting them, Gwen Catangel, the Perceptor Gene-Slammer, Kayla Catangel, the Brainstorm Gene-Slammer, Penelope Catangel, the Glyph Gene-Slammer, and Raina Catangel, the Rung Gene-Slammer are Lincoln's Guardian Angels from Michigan and classmates in Math and Science, and they're also the beautiful sisters of Princess Sara from Sonic the Hedgehog. Gwen has orange hair with matching clothes, Kayla has pink hair with matching clothes, Penelope has green hair with matching clothes, and Raina has purple hair with matching clothes. They, Princess Sara, and Lincoln helped Leni make new fashion lines, and to show thanks, Leni arranged a date an Italian restaurant where Lincoln kissed Princess Sara and her sisters on the lips.

Michelle Emperyous: As a result, Lincoln promised that when he comes of age, he would marry Princess Sara and her sisters along with the rest of his harem. Plus, they hate Icky Vicky and Trina Riffins with a blazing passion, the reason why is because they tried to ruin one of the newest fashion lines out of extreme jealously but before they could even try, Lincoln, Leni, Princess Sara, and her sisters jumped Icky Vicky and Trina Riffins and beat the crap of them and threw them into a pile of dirty jockstraps and left them wedgied onto a flagpole in their undergarments.

Nico: Why, those jealous crazed, rage-driven bitches!

Eli: (GROWLS) I'm getting that close to killing Icky Vicky before December along with Flip, and I'm also that close to killing Trina Riffins.

Lincoln: No, we're not including Trina, though if she keeps up trying to get revenge on us, I'm gonna have no choice but to put her down too.

Buster Bunny: (Turns to Darren Arcangela and Sebastian Mendez) And as for you two.

Darren Arcangela: W-why are you looking at us like that? Buster, I apologized for that, but… !

But, it was too late, Buster got out a laser blaster, and that caused Darren and Sebastian to scream, and they high-tailed it out of here, but Buster followed and when was in range, he fired and they got hit on their behinds.

Me: Oh boy. When will you two learn to control your urges for bloodshed?

Nico: Can't be helped, one of them had lost his parents and brother to tragic death, suicide, and murder and has a family curse going back to the 1900s and the other almost lost his life due to Dustin Keystone's attempted murder of him, but had lost his mind and descended into madness because of a Dark Side manifesting in him and committed some truly dark crimes that stained his soul, and after being freed unintentionally, he wound up getting his Dark Side merged back with him thanks to Chase Young's Dark Side.

Arbormon: That's it for Professor Poopypants.

Ranamon: Or is it Tippy Tinkletrousers?

Carly Atlas: Either one is fine.

Girder: Let's go celebrate at the cafeteria.

2016 Morbucks: Sounds like a plan!

Nico: Good idea! And now Tinkletrousers is going to enjoy being flash frozen forever in prison. Good riddance. Great job everyone.

George: (To the viewers) Mad scientists like Poopypants better beware.

Me: Yep.

We went to the cafeteria and had a great meal and then went home. And went to sleep.

THE END

Qin: Boy Paris is so beautiful.

Laney: It always is awesome and amazing.

Camie: It sure is! I love coming to Paris.

Eli: Same here. It's always fun and awesome.

Arrietty: It sure is and it's always fun to see and explore.

Nico: Yep it sure is.

Shirahoshi: I agree there too.

Lana: I do too.

Varie: Yep. And the art and culture is fun.

May: So is the food.

Rarity: It's absolutely tres chique.

Twilight Sparkle: It sure is.

Nico: Frosta, I want to thank you, White Lightning, and your teams for coming.

Frosta: Anytime Nico. This will be so fun.

Shirahoshi: It sure will be. I hope everyone isn't too intimidated by my huge size.

Me: Not at all Shirahoshi. Besides you are beautiful and awesome either way.

Shirahoshi: (Blushes and Giggles) Thanks J.D.

Me: Anytime.

Shirahoshi: I'll never forget how you all came and saved us before the Great Friendship War.

Twilight Sparkle: That was so awesome and cool.

Camie: Yeah it sure was. I was amazed that happened fore that time.

Me: Yep. And that was also one of the most surprising adventures we've ever had back then.

Lincoln: We were not expecting that cowardly traitor Leonardo Lionheart to be back with a terrible Trifecta of a Number Card, Dark Orb and Infection from othe Aparoids.

Nico: I know. And that was also the adventure where we found out that the Aparoids can bring back the dead.

Qin: Yeah that was shocking.

Shirahoshi: It sure was.

Nico: ARE people intimidated by you?

Shirahoshi: Well everyone in my kingdom were because of my height and size. But not certain people like you guys and Luffy and crew.

Me: That's good and it doesn't matter how tall you are it's how beautiful you look outside and inside.

Shirahoshi: That is too true.

Nico: It sure is.

Qin: Yeah.

Nico: But I hope the roof doesn't hurt your head

Shirahoshi: Oh it doesn't. Because J.D. gave me the power to shrink and grow at will. I can fit in the house now.

Nico: Good.

Me: Yeah I figured it would be good for her.

Shirahoshi: And I am grateful for that.

Camie: You're welcome. Even though many of us weren't there when it happened, that was still cool.

Shirahoshi: It sure was.

Lola: Yeah.

Me: Man Yesterday was awesome. (LAUGHS) I don't think I've ever laughed that hard just by calling someone all those names.

Nico: (LAUGHS) Yeah and that was funny that he was called that. Poopypants.

WE LAUGHED!

Shirahoshi: (LAUGHS) That was awesome.

Xenia: It sure was.

Eddy: We haven't seen George and Harold in forever.

Me: No kidding! I can't remember the last time we saw them.

Laney: Yeah me neither.

Maria: Last time was with the talking toilets

Me: Oh right! That was one of their major enemies.

Nico: And that was like back 2 and a half years ago.

Eddy: Boy I remember now!

Xenia: That was crazy!

Me: Those toilets had REALLY Rotten mouths.

Luan: They were true Potty Mouths! (LAUGHS) Get it?

WE LAUGHED!

Me: (LAUGHS) Those LITERALLY were horrible potty mouth toilets.

Varie: (LAUGHS) That is true. That was funny!

Eddy: I discovered them first

Me: You sure did. But it was Melvin Sneedly that made them. That jerk.

Camie: Yeah no kidding there.

Qin: Yeah now he is in prison forever.

Varie: Thank goodness.

Nico: Keep your eyes peeled.

Me: We don't know what we're looking for yet. Lincoln?

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a clone of Mr. Pigeon is here in Paris and that pigeon freak's causing havoc.

We gasped, and Nico was already growling like a rabid dog.

Nico: What?! When I get my hands on the asshole bastard who made that pigeon freak clone, I'm gonna… !

Eli: I picked up on the dark energy from him, it was Universe 666 Sebastian, he was the one who'd made that clone to cause havoc.

We gasped.

Nico: Hadn't forgotten about his powers with Infernal Darkness. We're gonna need Sebastian for this.

Lincoln: Even more, Nico, since we got another Akumatized Villain clone running loose, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for that pigeon freak.

Lincoln: Alright. (Sensed for the Mr. Pigeon Clone) AHA! Gotcha! I just spotted that pigeon freak, he's 20 yards away and he's already causing havoc.

Nico: That freak! Let's get him!

Lincoln: Yeah!

Me: Better get ready. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: Oh yeah!

Lincoln: YEAH! (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility,

blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Mr. Pigeon clone.

We were flying, and then, we saw the Mr. Pigeon clone causing havoc.

Lincoln: There they are. EINI, LET'S SPEED AWAY!

Lincoln transformed into Thunder Hare, and he unholstered his massive greatsword and lightning whip and his angelic and demonic greatswords appeared at his sides.

We were off.

We saw the clone.

Me: Target sighted!

Then, he went after the Mr. Pigeon clone, and he slashed him with his massive greatsword and his angelic and demonic greatswords also slashed the Mr. Pigeon clone.

And Lincoln also whipped him with his lightning whip and the Mr. Pigeon clone also got electrocuted badly.

Me: Damn, Lincoln's tearing him apart. Hey, leave some for the rest of us.

Lincoln kicked the Mr. Pigeon clone away, and the rest of us landed.

Nico: Even if you're just a clone, you're just as bad as the real one!

Phoenix Allura: YA CRAZY RACKIN FRACKIN SACK OF FEATHERS, I'M GONNA RIDDLE YOU FULL OF HOLES!

Phoenix Allura got out two revolvers and started shooting the Mr. Pigeon clone as he tried to avoid the bullets, but she kept on swearing like her grandfather and kept on shooting, and when the smoke had cleared, the clone was riddled with bullets.

Nico: Yep, she sure is Yosemite Sam's granddaughter.

Celica: But, at least, she clipped his wings, now all we got to do is finish him off.

A pigeon pooped on Nico's head.

SPLAT!

NICO GROWLED!

Nico: Okay you deadbeat pigeon chewer! Time for you to get your butt kicked!

Nico teleported and punched him in his face and knocked him down.

Nico: I haven't forgotten when we first met Pigeon!

A pigeon pooped on Eddy's head!

SPLAT!

Eddy: (GROWLS) I HATE BIRDS!

Nico teleported and punched Mr. Pigeon in his face and he ducked under a punch and punched him in his stomach.

Marinette: I got an idea! LUCKY CHARM!

She formed a flute!

She blew a tune and had the pigeons all poop all over Mr. Pigeon!

FART FART FARTFARTFARTFARTFART FART FART FART FART!

One pigeon still pooped on May!

SPLAT!

May: (GROWLS) STUPID DISGUSTING PIGEONS! [looks up and sees angry pigeons glaring at her] Agh! Stop!

[The pigeons poop on May.]

SHE WAS COVERED FROM HEAD TO TOE IN POOP!

OH YUCK!

May: [bawling] I'll never be clean again!

One pigeon pooped on Maria but she turned into pure water and it missed her.

Maria: HA! Nice try you rats with wings!

I fired blasts of fire and blasted Mr. Pigeon all over the place.

Nico: Nice one!

A pigeon pooped on Poromon!

Poromon: WHY YOU LITTLE! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted the pigeon and torched it into nothing!

Poromon: NO ONE POOPS ON ME AND GETS AWAY WITH IT!

HE THREW BEER BOTTLES AND SMASHED NUMEROUS PIGEONS AND MR. PIGEON ALL OVER!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

A pigeon pooped on Manaphy.

But she dodged the crap and slapped the pigeon away!

Poliwag and Horsea slapped and blasted the Pigeons away.

Tentacool blasted the pigeons all over with red laser blasts and Jirachi blasted the pigeons away.

Me: Take this!

I fired waves of blue fire and blasted the pigeons all over.

Me: What's wrong Pigeon? Out of pigeons?

A pigeon pooped on Poliwag but he dodged it and slapped the pigeon away.

Poliwag: Nice try you disease ridden sack of feathers!

A pigeon pooped on Horsea but she dodged it and squirted ink and blasted the pigeons.

Nico: Yeah!

Horsea: Take that!

I fired waves of blue fire and blasted more of the pigeons and Mr. Pigeon all over.

A pigeon tried another run at pooping on Horsea

But it missed!

Horsea: Missed by a mile!

She fired waves of energy and blasted the pigeons left and right!

Nico: You pigeons have failed this city!

Me: Goodfeathers let these rotten pigeon jerks have it.

Pesto: With pleasure!

Squit: Lets get them!

Bobby: Yeah! These boids messed with the wrong Goodfeathers.

Know what I'm saying?

They went at the pigeons and bashed and punched and pulverized them all over.

A pigeon pooped on Rice.

SPLAT!

She got drenched in poop!

Xenia: GRRR! These pigeons are disgusting!

She fired arrows and blasted them.

I fired blasts of blue fire and blasted Pigeon down,

A pigeon pooped on Nanette.

She dodged it and fired waves of lightning and blasted the pigeons all over.

Qin: These disgusting pigeons!

The Goodfeathers bashed and pulverized the pigeons all over!

Camie fired blasts of energy and blasted the pigeons all over.

Me: What's wrong Pigeon? Your little feathered friends dumber than a sack of diapers?

Mr. Pigeon exploded in rage!

He was pecked by Arpeggio.

Arpeggio: (British Accent) I may be a parrot but I know all about how birds feel!

He fired a blast of energy and smashed Mr. Pigeon all over the place.

He bashed his head in with hammers and clubs.

A pigeon pooped on Qin!

SPLAT!

Qin growled and screamed ferociously!

Qin fired blast so fire and blasted Mr. Pigeon all over!

A pigeon pooped on Maxxine.

She dodged it and fired energy blasts at a bunch of pigeons.

Me: Hey Pigeon! Lets see how your feathered friends like this!

I formed my fingers into claws and put ear muffs on and then scratched a chalkboard!

HORRIBLE CHALKBOARD SCRATCHING!

THE PIGEONS THEN LOST ALL THEIR FEATHERS AND FELL TO THE GROUND!

Pigeon: NO! MY FEATHERED FRIENDS!

Me: It's what you get for having your friends take a dump on us!

A remaining pigeon pooped on Sheila.

But she dodged it and wrapped it in a web.

Me: Now he is all alone!

Nico: That was clever using Nails scratching on a chalkboard to get rid of his pigeons.

Me: Thanks.

We went at him and bashed and pulverized Pigeon all over.

Sydney waited.

Sydney: No pigeon poop for me?

Camie: Nope.

Bastion: I think it's time for some pain (SPINS MAGISWORD BRACELET)

BANANA BOMB MAGISWORD!

Bastion: Combined with this.

He danced and fired banana bombs and blasted him all over in funny fiery explosions!

Camie: (LAUGHS) THAT IS FUNNY!

Chazz: Good times!

Me: (LAUGHS) YEAH!

Nico: That was funny as always.

Suddenly, Celica's orange eyes turned neon orange and she was surrounded by an orange and white energy aura with stars, magic, fire, flames, swords, phoenixes, and angels, she unholstered her sword, and as she approached the Mr. Pigeon clone, she left orange and white energy, stars, magic, fire, flames, swords, phoenixes, and angels with every step.

Celica: Even if you're just a clone of Mr. Pigeon, you're still just as bad as he is, but even worse, you were given life thanks to that monstrous demon, Universe 666 Sebastian, you reek of the Infernal Darkness that brought you to life, and you must be destroyed here and now.

Suddenly, Celica was surrounded by a massive vortex of orange and white energy with stars, magic, fire, flames, and swords surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a white phoenix with red eyes glaring at the Mr. Pigeon clone: the red eyes of death. Then, as the vortex faded, Celica emerged, but she was changed forever.

Celica grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large orange and white orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long orange hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange and white energy aura with stars, magic, fire, flames, swords, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix and angel emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and holding the Magic, Fire, Sword, and Eternity Kanjis in its talons, she also has an angel with orange gems for eyes and holding the Magic, Fire, Sword, and Eternity Kanjis in her hands on the bottom of her orange angel-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame links and she has on a white and gold accented choker on her neck. Celica has on her outfit and she has on a long sleeveless white trenchcoat with stars, magic, fire, flames, swords, phoenixes, and angels on the coattails, and on the back is a phoenix and angel surrounded by flames, magic, and swords. Suddenly, Celica felt a sharp pain on her back, and then, massive orange angel wings with white tips on the large orange feathers grew and sprouted out of her back and she now has eleven massive and long orange wolf tails with white tips and white markings. Celica has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Celica's, sword, massive greatsword, and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of orange and white energy, stars, magic, fire, flames, swords, phoenixes, and angels, and when it emerged, it transformed into Celica's Magic Firestorm Phoenix Angel Greatsword of Magic Firestorm Phoenix Angel Justice, it's a brand-new massive greatsword with embedded gold gems and an angel and phoenix etched on the 7'6" massive, wide, double-edged orange blade, large white angel heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large white angel heads with orange gems for eyes and large white angel head with orange gems for eyes and orang gem in its mouth on the bottom of the white angel heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold angel head with orange gems for eyes and large orang gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below the phoenix and angel that said, "Celica, Powerful Mage and Swordswoman of The World of Fire Emblem, Friend of Many Brave Warriors and Heroes, Savior of The Land, Destroyer of Many Dangerous Threats, Future Wife of James Dean Knudson, Archenemy of Parasite, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Flames, Swords, Magic, Phoenixes, and Angels"

We were amazed by Celica's Super Angel-Mage Swordswoman-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Celica, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Mr. Pigeon Clone saw it, he fell into a rage and ran at her to kill her, but Celica fired a massive barrage of orange and white energy, stars, magic, fire, flames, swords, phoenixes, and angels which hit the Mr. Pigeon Clone and he crashed into a wall, he got out, but now, he was really pissed off now.

Nico: Now he's in for it!

Lola: Yeah!

Georgina: (to Kendra) You, me, and Sydney didn't get pooped on!

Kendra: You would rather get pooped on with bat guano than Pigeon poop?

Squidward: Try getting pooped on with clam poop!

Celica: (Divine Echoing Godly Voice of The Cosmic Medieval Mage Firestorm Sword Phoenix Angel and Divine Cosmic Medieval Mage Firestorm Sword Phoenix Angel Love) Now, it's high-time we taught you a brutal lesson, you stupid sack of feathers.

Me: You've got nowhere else to run or hide, you stupid sack of feathers, now you're going to be roasted on a spit!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Celica and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, you sack of feathers, now we're going to get rid of you and send another threatening message to that lunatic, Universe 666 Sebastian, who's still running loose.

Nico: And that message is this: cross us one more time, Universe 666 Sebastian, and the pain and suffering we're going to put on you will make all of the nightmares, pain, and suffering you've done unto others in the past will make Hell look like a tropical vacation!

Lincoln, Celica, and I went after the Mr. Pigeon clone, and we fired extremely powerful blasts of rainbow energy, orange and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at the Mr. Pigeon clone and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Celica, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Mr. Pigeon clone insane and straight to the brink of insanity.

Mr. Pigeon Clone: YOU! YOU! I WILL KILL YOU ALL!

Me: Bring it on you overstuffed chicken livered gizzard face!

Nico: You have no more pigeons to poop on us!

Mr. Pigeon: (GROWLS IN RAGE)

The Mr. Pigeon clone went at us mad with rage and insanity as we saw a black and dark purple aura form around him: we knew all along it was the Infernal Darkness of Universe 666 Sebastian that had given him life. Sebastian fired blasts of Divine Darkness which hit the Mr. Pigeon clone, and he lost the additional dark powers that lunatic gave him.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf

Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough. PARASITIC SYMBIOTE ENERGY DRAIN!

Lincoln fired tentacles of symbiote goo with mouth-like suckers, and as they latched onto the Mr. Pigeon clone, Lincoln began sucking out and absorbing his energy and assimilating his powers as streams of blue energy were being sucked out of the Mr. Pigeon clone and flowing into Lincoln and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, the Mr. Pigeon clone suddenly exploded as Lincoln sucked out the last of his energy and he sent the clone's spirit to The Black Gates. Everyone cheered as Lincoln, Celica, and I holstered our massive greatswords on our backs and powered down, and Celica's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Nico: Whoa, Lincoln, was that…?

Lincoln: Yep, that was your combo you and Venom used on some of the cultists when we went to Silent Hill a couple of years ago. I combined Parasite's power and energy absorbing powers along with the vampiric life draining abilities I have along with the Symbiote goo tentacles, and that's another way I can suck out and absorb a villain's powers and energy, and when I sucked out the last of their energy, the target explodes into dust.

Me: Yikes!

Lincoln: And I kept a massive book of all the combos we've done over the years.

Lincoln snapped his fingers, and a massive orange book appeared, and in its pages were all of the combos that we'd done over the years all recorded by year and date.

Camie: WHOA! Look at all that!

May: WOW!

My jaw and Nico's dropped to the ground.

CLANG! CLANG!

Eli put our jaws back.

Nico: HOLY SHIT! You made that book of all the combos we'd done over the years.

Lincoln: And I decided to practice using them ever since I started rapidly evolving and my powers had also rapidly grown and evolved and developed tons of elemental powers and my body underwent this massive growth spurt thanks to my hyperpuberty and constant training and working out in the past seven years.

Eli: Wait, what?! Just how much stronger are you really?!

Me and Nico: He's at the same level as us, but he keeps on getting even stronger and stronger and smarter and smarter with every passing day.

BOING!

Eli's eyes bulged out of his head and they sank back in, and he went crazy like Daffy Duck bouncing up and down all over the place.

Eli: (LAUGHING AND HOOTING CRAZILY)

Daffy Duck: (LAUGHS) Looks like Eli is now part of the Screwball club!

Lincoln: Okay, that's enough of that, screwball.

Lincoln made a long energy rope and he roped Eli back to us before he went deeper into Paris.

Nico: (LAUGHS) That was funny!

Zocks: (LAUGHS) Yeah!

Eli: Sorry about that guys.

Lola: That was still funny though.

Camie: It sure was!

Nico: No… more..,pigeon… poop!

May: (CRYING) I'M NEVER GONNA BE CLEAN AGAIN!

Qin: YUCK!

Laney: We will NEVER Speak of this one again!

Celica: No kidding!

Shirahoshi: This was a crazy and funny one though.

Maria: I'll wash you guys off.

Maria enveloped those that were hit with poop in a ball of water.

Me: Add some soap.

I gave the ball soap.

Me: Washer on.

She washed them all over!

She cleaned them all over really thoroughly.

Me: BING!

Maria: SPINCYCLE!

She spun them around all over!

Me: BING!

Maria: Washer on!

They were clean as a whistle!

POOF!

They puffed up as puffballs.

Or in Poromon's case, A puffier puffball.

Me: Poromon is puffier than ever.

Poromon: Yep.

We laughed!

Me: Boy this was a…

Nico grabbed me by the shirt.

Nico: (Threateningly) You talk about this one and I will eat your heart!

Me: I would like to see you try chimp for brains.

Nico: (sighs) Oh, forget it. At least this one isn't too embarrassing.

Qin: Like that naked incident?

Nico: Yeah.

Qin: That was nuts.

Nico: Sorry, J.D.

Me: No worries. I never want to go through that again.

Laney: Me neither.

Ed: Being naked back then was fun.

Eddy: Ed shut up!

Arpeggio: I actually fought Mr. Pigeon before.

Nico: You sure did Arpeggio.

Me: That was awesome.

Shirahoshi: It sure was from what I heard.

Camie: Yeah.

Varie: That was cool.

Arpeggio: Indeed.

Nico: Think we'll fight a clone of Horrificator in the future?

Me: That will be awesome.

Kate Lloyd: Yeah.

Me: Now we have to fight the next part of the rescue. The anothers.

Qin: Yep.

Shirahoshi: I have a feeling this will be good.

Eli: Wait look!

We saw a Flying Saucer coming down to us!

Nico: What's that?

Eli: It's a flying saucer!

Me: Aliens from another planet!

Qin: Oh man! It's an invasion!

Nico: Stand ready!

The ship landed and opened and out came a girl with purple hair, purple eyes, purple clothes and had purple wings and she had a tiara with the symbol for the UFO Dopant on it and the same symbol on her skirt and she had an energy sword and a Bajoran blaster holstered.

Yumi UFO: Greetings fellow Earthlings.

Me: Yumi UFO! Wow!

Yumi UFO: Awesome to see you again J.D.

We hugged.

Me: Man it's awesome to see you again.

Nico: That is awesome. So you are the Embodiment of the UFO Dopant?

Yumi UFO: I sure am.

Camie: That ship is really cool.

Yumi UFO: Thanks. It comes with the job description as the Embodiment of the UFO Dopant.

Philip: That is awesome that you have an amazing flying saucer.

Yumi UFO: Thanks. I went all over the galaxy with it and it's really cool.

Me: It sure is.

She had the ship turn into a capsule.

Me: Cool.

Yumi UFO: Did I miss anything?

Me: Tons of stuff.

Yumi UFO: I'll tell you all more later.

Me: Okay.

Poromon: POOP!

Qin: You do not want to know.

Yumi UFO: That explains why every part of the street here is covered in pigeon droppings.

Camie: Yeah.

Nico: Lets see what Anothers we have coming.

Eli: (Concentrates) Whoa! We have Another Rainbow Zoukei, Bacoon, Vulcain, Drakor, Dash Bowman, Marina Del Ray and White Lightning!

WE GASPED!

Me: Whoa! The Rainbow Zoukei is new but I know the rest. Bacoon from Aquas, Vulcain from the star Solar, Drakor from Dragon Rock on Sauria and Dash Bowman from Star Fox Command.

Nicole: I remember Dash. But why is he in the M.O.E.? He's a hero. Sure he may be the grandson of Andross but he is still a hero.

White Lightning: Well he decided that he wanted to be both with us and in the Redemption Squad.

Nico: Oh. That makes sense.

Nicole: Yeah he's trying to redeem the good name of what Andross was like before he went mad with power.

Laney: Wow! That is a big task.

Nicole: But also Dash is the very polar opposite of Andrew and Andross. He is very friendly and a good guy.

Nico: That is amazing. I hate Andrew just as much as Pigma.

Nicole: Me too.

Nico: Who's up?

Me: Well we haven't met them yet or recruited them but we're going to have the Embodiments of the Wave, Kelp, Buffalo, Cobra and Ship Dopants face them.

Lola: Wow! That is cool!

Eli: It sure is. And I sense that the Embodiments are one person.

Me: Wow.

Yumi UFO: I also have a surprise for you guys

Me: What is it?

She gave us Ice Cream sandwiches and freeze dried ice cream sandwiches!

Me: Astronaut Ice Cream Sandwiches! Wow I haven't had this in a long time.

Nico: Awesome! Wait here they come!

We saw the Anothers minus White Lightning!

Lola: Wow!

Another Bacoon: (In a girls voice) It feels weird being a clam!

Lincoln: Cornelia Corneria! Wow!

They merged and she reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings and had the symbol of the Star Fox team in the middle of her forehead and on her skirt and had an awesome keyblade.

Cornelia Corneria: Awesome to see you again Lincoln and wow you grew into an amazing young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Cornelia Corneria, Keyblade Knight of The Planet Corneria, she's me's Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Corneria, and she's an awesome pilot and member of the Cornerian Army, and she has intense wind powers and has blue angel wings. She is the Keyblade Knight and defender of Corneria, and when she was a little girl she witnessed the exile of Andross to the planet Venom and vowed that if he ever caused trouble again she would make sure he is dead for good because she considered General Pepper's punishment for Andross too lenient. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of the wind and helped build me an awesome Arwing in my favorite color with the elemental forces of nature and the universe painted on the sides.

Me: Wow!

Eli: The Keyblade Knight of the planet Corneria! That is awesome.

Fox McCloud: Wow I remember seeing you train with General Pepper from time to time.

Me: Wow! And you don't have to worry about Andross anymore. He's gone forever.

Nico: Yep.

Cornelia Corneria: That is a big relief.

Me: Yep.

Nico: Sorry we have to do this.

Me: By the way is the Another White Lightning friendly or hostile?

Cornelia Corneria: Friendly and she is a really powerful force.

Me: Awesome.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired waves of energy and elements and blasted the anothers and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded in massive fiery explosions like those in the Star Fox games!

Me: YEEHAW!

We caught the Wonder Ride Books.

Maria: Time for backup. (TURNS DIAL) RAVE METAL 6!

She summoned Metal Sonic, Francisco, Universe 666 Mizuki, Zurg, Yost Trapster and Leila Draco.

Me: Oh yeah!

Nico: And now, we wait.

Me: Yep.

Qin: Boy that was awesome.

Me: Nico wouldn't it be funny if the mascots played Happy Happy Joy Joy?

Nico was stumped.

Nico:… what?

Me: You know, the song Stimpy likes.

Stimpy: It's my favorite song Happy Happy Joy Joy.

Nico: Oh that one. That would be awesome and cool!

Poromon: Yeah that would be awesome!

Stimpy: Oh joy! It sure would be cool.

Ren: You're an eediot.

Nico: Now, who would say that line?

Me: I don't know. But it would be funny.

Qin: Lets focus guys.

Nico: You're right.

Then a black swan came.

Laney: Wow a black swan.

Me: Wait I know this swan.

I picked her up.

Nico: You do?

Me: I sure do.

Fluttershy: Oh she is a beautiful swan.

Qin: Swans are pretty.

Me: Yep.

Nico: And here's the Another!

We saw Another White Lightning!

Me: Whoa!

Lola: Another White Lightning!

Another White Lightning: Looks like Miriana remembers you J.D.

Me: (Gasp) That voice.

She reverted back and was a girl with purple hair, green eyes, black angel wings, purple clothes and had a tiara with the symbol of the Swan Dopant on it and the same symbol on her skirt and she had a beautiful sword in her hands.

Me: Samira Swan! Wow!

Nico: Cool!

Samira Swan: Yep and it's awesome to see you again J.D.

Me: You too. Samira is the Embodiment of the Swan Dopant and she has the power to call many swans and she can dance gracefully like a great Swan Princess Dancer and she has amazing white lightning powers and is a master of lightning.

White Lightning: That is cool! Just like me.

Samira Swan: I sure am.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (Gets out Magiranger gear) Because we can grant it instead.

Kaito got an Operation Overdrive sword and Zocks got a Magi Staff.

Samira Swan: No he didn't. I used my swan powers to knock him down and ran away.

Me: Clever.

Lola: Yeah.

Sougo: (gets out Operation Overdrive Ridewatch) Looks like Miriana is a mascot now.

Geiz (Gets out Mystic Force Ridewatch): I hope she can handle the shenanigans to come along with it.

Sougo got OperationOverdriveRedArmor whiel Geiz got MysticForceRedArmor.

Samira Swan: I know she will.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Samira Swan: Yeah!

She went at Another White Lightning and blasted and slashed her.

Nico: Taste the sea storm! (ACTIVATES WHITE LIGHTNING AND MARINA DEL RAY'S RIDEWATCHES)

He fired a blast of lightning and water and smashed the Another.

May: Takte this! (ACTIVATES DR. OCTAVIUS BRING AND GHIACCIO'S RIDEWATCHES)

May fired a wave of energy and smashed the Another.

Maria: Take this too! (ACTIVATES DJ DRUMMOND AND BUZZORD'S RIDEWATCHES)

She fired waves of energy and blasted the another.

Shirahoshi: This mermaid is not going to back down! (ACTIVATES MARINA DELL RAY'S RIDEWATCH)

She fired a wave of energy and smashed the Another all over.

Then Copperhead, Usari, Universe 666 Salem, Hocus Pocus, Hyleg Ourobockle and Bruiser Unversed came.

Nico: Nice team Copperhead.

Copperhead: Thanks Nico.

?: It sure is!

Burst Man came.

Me: Burst Man! Awesome!

Burst Man: (In a girls voice) This will be fun!

Nico: Bella Burst!? Whoa!

Burst Man: Yep. I got this.

She fired a blast of energy and blasted down Another White Lightning and I caught the Ridewatch and purified it.

Nico: Booyah!

Varie: Yeah!

May: I'm okay!

Bella Burst: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome blue clothes.

Bella Burst: Wow! I look great!

May: You sure do.

Shirahoshi: Do you have any favorite memories of Nico?

Bella Burst: I sure do. When me and Nico got into a burrito eating contest and the first one of us to fart wins. I won.

Nico: She sure did.

Me; That is cool.

Nico: Yep.

Nico and Bella hugged.

Nico: I've missed you.

Bella Burst: Same here.

We later went back home.

Lincoln: Looks like we're back in Tokyo, Japan, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to be meeting more of Darren Arcangela's friends here.

Darren Arcangela: That's right, and I think your Elemental HERO Fire Gene-Slammers might know them in the business world.

Me: This should be something to see.

Selene Arcangela: Same here. (Thinking) Oh God, but I know all too well that the battle we're going to be getting into with another of his enemies will trigger the family curse that dwelled inside him, and blood will be spilled once again as he turns back into the very demon who terrorized the Yakuza clans and gangsters: but he would be reborn as Darren Devereaux, The Dark Lord of Unholy Horror and Madness Eternal.

Tommy Himi: It's been a long time since we've been in Tokyo.

Nico: Same here, Tommy.

Suddenly, we arrived at a massive complex of company buildings all over Tokyo.

Me: (WHISTLES) Whoever owns this awesome massive complex of company buildings has got to be one awesome CEO.

Monica Anniston: Just like us.

Darren Arcangela: That's right, and if I'm right, the CEOs should be arriving… right… now!

?: Looks like you got our message alright, Darren, and you brought Team Loud Phoenix Storm with you.

Suddenly, we saw two men come out to meet us: the first tall male has long blonde hair, brown eyes, and he was in a black sweater, white pants, and black shoes, the other male has spiky black hair, brown eyes, and he was in a black sweater with blue neckerchief, black pants, and black shoes.

Caitlin Ashleigh: (GASPS) Oh man, Darren, you didn't tell us that you're also friends with… !

Monica Anniston: Leon and Mamoru Ugumori, the heads of the famous Ugumori Group!

Nico: You know them?

Catherine MacKenzie: Yep, all the who's who in the business world know about these two, they are legends in the business world. The eldest brother, Leon Ugumori, although not smart academically, has a special talent of seeing the true colors of the people he encounters, and he's also a genius investor so much so he has invested stocks in some of the other businesses in the world, and he's also built and established many businesses all over Japan. The younger brother, Mamoru, went to a prestigious university and he has many skills in business management and he's helped to grow the businesses of his brother into the titans that they are now.

Leon Ugumori: Hey, Mamoru, haven't we met these fiery girls somewhere?

Mamoru Ugumori: As a matter of fact, we have. These girls are the CEOs of the many multi-billion dollar corporations from Gotham Royal York and Lincoln's Guardian Angels, and we've done business with them long ago, and we also helped them out when it came to dealing with their evil relatives.

Me: Wait, so the ones who helped them out were… !

Lincoln: I've heard the stories from Caitlin and the others that if anyone dared to anger the Ugumori Brothers, their futures in the companies they work for are ultimately destroyed and are sent into a living Hell of having to pay back their debts when they borrow money from gangs and if that's not worse, The Ugumori Brothers spread their misdeeds to the businesses and companies they happen to have connections with.

Monica Anniston: And it's also spread to their own businesses and companies as well.

We gasped.

Nico: Oh shit, so any who dare to anger The Ugumori Brothers have their whole future destroyed and sent into a Living Hell?! Whoa, these guys are pretty powerful in the business world.

Darren Arcangela: That they are. But, of course, there are some Yakuza gangs who happen to have a connection with The Ugumori Brothers, but they're not like the Yakuza you guys have been dealing with and those I've killed.

Leon Ugumori: Well, we already know that, and you all are always trusted. But, one of them has a bit of a dark past, and I can smell blood and evil on him.

We knew he was referring to Sebastian.

Darren Arcangela: I already know about that, Leon, but it was because of circumstances far beyond his control. Now, then, let's get down to business.

We went inside, and there we were met by three different Yakuza gangs, but they weren't like the gangs we'd killed before.

Mamoru Ugumori: I'm glad you guys kept your heads on straight when you saw them, and the three Yakuza clans we mentioned, they only go after monsters and arrogant fools. We had to call a special meeting and get the Uwasa, Yamamba, and Gyuki Clans here because we got a huge emergency.

Then, a man came forward, he looked like Mamoru Ugumori, but he had a sharp look in his eyes: the eyes of fire and true leadership, his name is Asahi, the head of The Gyuki Clan.

Asahi: Thank you. Now, as Mamoru said, we have an emergency. My mother, the patron of the Gyuki Clan, Okiku, has now officially gone rogue. We've had to deal with many of her schemes and stunts in the past as she'd tried to destroy the Uwasa and Yamamba Clans, so that The Gyuki Group is seen as the strongest group in Japan, and she's put my life in danger too many times to count.

Then, another man came forward, he had the same hairstyle as Leon's, but his hair color was red, he was an older man, but he was really strong physically, his name is Inuzuka, a soldier in The Uwasa Clan.

Inuzuka: That's right, but every time, her schemes always blow up in her face, and even worse, your friend, Darren, winds up killing some of her men in a fit of dark rage, and you already knew of his dark reputation that's feared among the Yakuza clans in Japan. Now, it appears Okiku has finally gone off the deep end, she's threatened our clans once more along with the lives of The Ugumori Brothers once again, and she's also threatened the lives of innocent people.

We gasped, and Darren was now beyond enraged as we felt the air grow cold and the scent of blood and darkness arose once again.

Darren Arcangela: (DEMONIC VOICE) Okiku, even after all the times your schemes to get rid of the Uwasa and Yamamba Clans have blown right up in your face, your GODDAMN OBSESSIONS JUST WILL NOT QUIT! I WILL DROWN YOU AND YOUR LOYAL FOLLOWERS IN A SEA OF BLOOD AND THE DEMONS WILL DEVOUR YOUR SOULS AS YOU FESTER IN THE GRAVE!

The skies turned black and red demonic lightning crashed and we freaked out! Suddenly, we saw it for ourselves, a black and blood red energy aura surrounded Darren Arcangela, it was filled with the wailing souls of the damned and the unholy shrieks of demons, and the storm turned worse.

Selene Arcangela: Oh God, this is it!

Then, we saw it happen, Darren Arcangela was suddenly surrounded by a massive vortex of black and blood red energy with stars, light, and darkness surrounding the vortex, there are wailing souls of the damned, demons of Hell, phoenixes, and angels flying around the vortex, and in the vortex was a black phoenix with blood red eyes that glared at Okiku and her men from the distance: the red eyes of eternal death. Then, as the vortex faded, Darren emerged, but he was changed forever and no longer does he bear the Arcangela name, now he was reborn as Darren Deveraux, The Lord of Unholy Horror and Darkness Eternal.

Darren Devereaux grew from 7'5" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large black and blood red orbs orbiting around his legs, he has blood red highlights in the bangs of his long dark brown hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon blood red eyes and a black and blood red energy aura with stars, light, darkness, wailing souls of the damned, demons, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has both an angel of Heaven and demon of Hell emblazoned on his forehead and Third Eye with blood red iris, he has on demon earrings with blood red gems for eyes and holding the Dark, Light, Salvation, Damnation, and Eternity Kanjis in its hands, he has on his Crystal Necklace of The Buddha with blood red gems on the black crescent moon links and red crystal links and a blue angel-shaped Element of Harmony and on the bottom of the Element of Harmony is a demon with blood red gems for eyes and holding the Dark, Light, Salvation, Damnation, and Eternity Kanjis for the pendant and he has on a white and gold accented choker on his neck, he has on a white long-sleeved dress shirt with white ruffles on the sleeves, red closed vest, black pants, black jacket, black knee-high boots, and long long-sleeved midnight black trenchcoat with stars, light, darkness, wailing souls of the damned, demons, phoenixes, and angels on the coattails and on the back is an angel and demon with light and darkness surrounding them. Suddenly, Darren Devereaux felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings had turned midnight black with red tips on the midnight black feathers grew much bigger for his new body. Darren Devereaux has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Black Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Darren Devereaux's massive Greatsword of The Archangels and all of the greatswords and swords he'd gotten began merging together and was surrounded by a kaleidoscope of black and blood red energy, stars, light, darkness, wailing souls of the damned, demons, phoenixes, and angels, and when it emerged, it was transformed into Darren Devereaux's Eternal Heavenly Salvation and Eternal Hellish Damnation Greatsword of Eternal Eternal Heavenly Salvation and Eternal Hellish Damnation Justice, it's a brand-new large greatsword with embedded blood red gems and an angel and demon and the cross etched on the 7'9" massive, wide, double-edged midnight black blade, large midnight black hellhound heads for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in the foreheads, longer midnight black handle, four large midnight black hellhound heads with blood red gems for eyes and in their open mouths and on the bottom of the coyote heads is a large midnight black hellhound head with blood red gems for eyes and blood red gem in its mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large blood red gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, new gold Belt of Elemental Bravery with a gold angel head with blood red gems for eyes and a large blood red gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a blood red kanji below the angel and demon that said, "Darren Devereaux, Surviving Son of Michelle and Antoine Devereaux, Younger Brother of Logan Devereaux, Dark Lord of Unholy Horror and Darkness Eternal, Warrior of Light and Holy Salvation, Friend of Many, Bearer of The Devereaux Family's Dark Bloodline Curse, Murderer of Many Yakuza and Criminals, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Darkness, Salvation, Damnation, Demons, Phoenixes, and Angels"

We were stunned upon seeing Darren Devereaux's Super Angel-Dark Demon Lord-Archangel Warrior-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation.

Inuzuka: Crap, now Okiku has done it, the dark lord has returned!

Asahi: He's the one and only person who can permanently stop my soon-to-be ex mother's crazy obsessive scheme, I know you guys have a huge problem with Yakuza, but…

Lincoln: Say no more, we already know from Darren that you guys only punish evildoers.

Me: But, now that Darren's transformed, you know what that means?!

Asahi: Yeah, the streets are about to run red with Yakuza blood once again.

Suddenly, Darren Devereaux took off to kill Okiku and her group of her most loyal followers, and we had to get over there as soon as possible before he ends the fight too early.

We travelled through the streets, but already, everywhere we went, we found scores of loyal Gyuki Clan members loyal to Okiku dead and at Darren Deveraux's hands.

Me: Shit, he's already started the massacre.

Asahi: We saw this whole thing before, when Darren's bloodlust reaches to the surface, he strikes down those foolish enough to fight him and he never ever relents.

Suddenly, we saw five beautiful and super sexy girls with long hair in orange, pink, green, and purple, red hairbands, purple eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, fair skin, massive beautiful orange, pink, green, and purple angel wings, and they were dressed in red short-sleeved shirts, red skirts, red knee-high boots with butterfly buckles, black long-sleeved coat, and long white long-sleeved trenchcoat with stars, elements, fashion, phoenixes, and angels on the coattails and on the back are The Autobot Science Team, holstered on their backs are massive greatswords, and with them are the eight girls.

Lincoln: (GASPS) Gwen Catangel, the Perceptor Gene-Slammer, Kayla Catangel, the Brainstorm Gene-Slammer, Penelope Catangel, the Glyph Gene-Slammer, and Raina Catangel, the Rung Gene-Slammer A.K.A. The Catangel Sisters.

Gwen Catangel: That's right, and we got the girls away from that crazy bitch, but the bad news: we saw Darren Devereaux come inside, and he's already slaying and killing that bitch's men left and right.

Lincoln: Oh man, come on! We got to get to Okiku and stop her before Darren comes for her as well.

We rushed inside a safehouse, but as Gwen Catangel said, Darren had already arrived and he'd killed the men here, and we hurried as fast as we could. Then, we got inside, and already, we saw Okiku get out a sword to fight Darren Devereaux who was already here and his face and clothes were now covered in blood.

Okiku: I just wanted was to make the Gyuki Clan the strongest group in Japan!

Darren Devereaux: (Divine Echoing Godly Voice of The Eternal Holy Light Salvation and Demonic Dark Damnation Light Dark Demon Phoenix Angel and Divine Cosmic Eternal Holy Light Salvation and Demonic Dark Damnation Light Dark Demon Phoenix Angel Death)

(Demonic Voice) When were you ever going to learn that your stupid obsessions are just going to make you look like a total fool! Asahi made the foolish mistake in subjecting you to his punishments, he should've kicked you and all your followers out, at the very least so that I can kill you myself! Now, I'm going to enjoy seeing you die in a pool of your own blood and you will join your fallen comrades in Hell! (LAUGHING MALEVOLENTLY AND DEMONICALLY)

Me: (GASPS) Oh God, now no one can stop him!

Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Suddenly, Darren Devereaux summoned black demon hands that grabbed Okiku and they were about to drag her to Hell as he laughed malevolently, but Lincoln destroyed the demon hands and he fired a powerful rainbow energy blast that hit Okiku and destroyed her, and sent her and her followers to The Black Gates. We cheered as we holstered our weapons and powered down, and Darren Deveraux's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive midnight black angel wings are permanent.

Lincoln: Damn, this is quite a bloodbath you've left behind, Darren.

Lincoln's deep sapphire eyes turned blood red and all the spilled blood Darren left during his rampage began gathering and went to Lincoln, and as he opened his mouth, he devoured all of the spilled blood. When it was done, he then burned all of the bodies.

Lincoln: (MASSIVE BELCH)

Nico: Wow, that was a lot of blood you devoured, Lincoln.

Lincoln: No kidding, but we stopped what could've been utter catastrophe.

Mamoru Ugumori: Even though Darren did transform like all of you do and he turned back into the very monster that all Yakuza and criminals feared.

Selene Arcangela: Something like that, Mamoru.

Lincoln: Yeah, but at least we stopped Okiku and prevented an all-out bloodbath. (To The Catangel Sisters) And it's so good to see you and your sisters again, Gwen.

Gwen Catangel: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Geniemagic Sisters and he hugged them, and The Geniemagic Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you four since you were seventeen, and as you can see, I really grew a lot since then.

Kayla Catangel: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Penelope Catangel: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these four girls?

Lincoln: Indeed I do, J.D., meet Gwen Catangel, the Perceptor Gene-Slammer, Kayla Catangel, the Brainstorm Gene-Slammer, Penelope Catangel, the Glyph Gene-Slammer, and Raina Catangel, the Rung Gene-Slammer A.K.A. The Catangel Sisters: these four girls are my Guardian Angels from Michigan and classmates in Math and Science, and they're also the beautiful sisters of Princess Sara from Sonic the Hedgehog. Gwen has orange hair with matching clothes, Kayla has pink hair with matching clothes, Penelope has green hair with matching clothes, and Raina has purple hair with matching clothes. They, Princess Sara, and I helped Leni make new fashion lines, and to show thanks, Leni arranged a date an Italian restaurant where I kissed Princess Sara and her sisters on the lips. As a result, I promised that when I comes of age he would marry Princess Sara and her sisters along with the rest of his harem.

Leni: Plus, they totes hated Icky Vicky and Trina Riffins with a blazing passion, the reason why is because they tried to ruin one of the newest fashion lines out of extreme jealously but before they could even try, Lincoln, Princess Sara, her sisters, and I jumped Icky Vicky and Trina Riffins and beat the crap of them and threw them into a pile of dirty jockstraps and left them wedgied onto a flagpole in their undergarments.

Eli: (GROWLS) THOSE TWO BITCHES!

Eli stormed back to Gotham Royal York and he went into Lynn's Table and he severely thrashed Icky Vicky and Trina Riffins and we heard them scream from here in Tokyo. Then, when Eli came back, he had tons of gold, jewels, gems, and other currencies that exploded out of Icky Vicky and Trina Riffins.

Eli: I believe this should cover the costs of Darren's rampage in one of the Gyuki Clan's hideouts.

Asahi: We were actually planning on tearing it down, there's no need to pay us for that amount. Wait, is all that from the Gessius Flores' Vengeance Curse?

Lincoln: Yep.

Leon Ugumori: I have an idea, we want to partner up with your Guardian Angels, I can trust them, they are hard working and trustworthy.

Mamoru Ugumori: You've since caught our attention with your multi-billion dollar businesses, and we want to partner up with you all.

Caitlin Ashleigh: (GASPS) Working for The Ugumori Brothers?!

The Elemental HEROS of Fire cheered wildly and they accepted.

Lincoln: Wow, looks like you now have a friendship and partnership with The Ugumori Brothers.

Darren Devereaux: Many talented and hardworking business owners and workers have caught their attention and if Leon approves of them, they're accepted, but those who aren't hardworking and are useless not to mention total assholes, if they meet Leon's disapproval or even anger them, they are immediately rejected and sent to the bowels of Hell.

Lincoln: A fitting punishment for them, and now that you and your sisters are here, Gwen.

Lincoln went up to and hugged each of The Catangel Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Gwen Catangel: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Catangel Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Kayla Catangel: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Catangel Sisters.

The Catangel Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Sanae Azuma, Megumi Kurokawa, Kana Satomi, and Rina Satomi from Harem Hospital and Ayano Kisaragi, Maina Kirigaya, Amane Kurashiki, and Airi from Harem Village.

Lincoln: Oh wow, it's Sanae Azuma, Megumi Kurokawa, Kana Satomi, and Rina Satomi from Harem Hospital and Ayano Kisaragi, Maina Kirigaya, Amane Kurashiki, and Airi from Harem Village.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sanae Azuma: Yes, we're okay, thanks to you.

Then, when Sanae Azuma and the other seven girls saw who it was that saved them from Okiku and a group of Gyuki Clan members who were loyal to her, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The

Sanae Azuma: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sanae Azuma: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sanae Azuma, Megumi Kurokawa, Kana Satomi, Rina Satomi, Ayano Kisaragi, Maina Kirigaya, Amane Kurashiki, and Airi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate with our new friends, Leon and Mamoru Ugumori, along with the Uwasa, Yamamba, and Gyuki Clans, and the rest of the team was shocked to find out the villains we went after were Okiku and her group of Gyuki Clan members loyal only to her.

But, when Lincoln showed what happened such as Darren Arcangela transforming and being reborn as Darren Devereaux, The Dark Lord of Unholy Horror and Darkness Eternal, and went on that dark rampage killing Okiku's followers, and then, all of us proceeding to beat up that obsessed Yakuza matron, and Lincoln sending her to The Black Gates before Darren Devereaux tried to send her to Hell, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Catangel Sisters have a lot of catching up to do, now that they're back in town.

Maria: Oh shit, so that demonic storm that appeared in Tokyo, that was Darren transforming and also letting the curse out.

Lincoln: Yep, and he caused quite a bloodbath. But, before that, we also met more of Darren's friends who are really awesome people.

Me: And have a very powerful presence and if anyone dared to anger them, they were heading right for Hell.

Nico: You got that right, even I was stunned that Darren also knew very powerful people from long ago.

We helped Leon and Mamoru Ugumori, along with the Uwasa, Yamamba, and Gyuki Clans settle into Gotham Royal York, and Asahi was able to pursue his own dreams while maintaining order in his clan.

---

After meeting Leon and Mamoru Ugumori, the heads of the famous Ugumori Group, along with the Uwasa, Yamamba, and Gyuki Clans, and stopping Okiku for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Catangel Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Gwen Catangel: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Kayla Catangel: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Penelope Catangel: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Raina Catangel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Gwen Catangel: I knew it was only a matter of time before he told

everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Catangel Sisters played a video on the big screen and it shows Lincoln modeling a wardrobe for a fashion line The Catangel Sisters designed, it was called Fierce Flames of Summer: for the first set of clothes, Lincoln was in a red short-sleeved button shirt with flames on the sleeves and bottom and the first five top buttons were left unopened showing part of his chest and abs, blue shorts, and blue sandals. Then, he was wearing an orange short-sleeved button shirt with lightning bolts on the sleeves and bottom and the first five top buttons were left unopened showing part of his chest and abs, blue shorts, and orange sandals.

Me: WHOA!

Past Lincoln: Wow, the first set of clothes you designed really are awesome, Gwen.

Past Gwen Catangel: Thanks, Linky.

LOUD MONSTROUS BELCH!

Suddenly, they heard a loud monstrous belch and caught the stench of B.O. and feet.

Past Lincoln: Oh great, there's no mistaking that loud belch from anywhere. Get out here, Lynn, I can smell the sweat coming off you and your sweaty pits!

Suddenly, they saw Lynn come out, and she was really out for blood again, then, she pounced and was about to Lincoln, but Lincoln punched her and sent her flying into a wall.

Past Lincoln: Okay, that's it, I'm taking you down once again, you pain in the butt!

Lincoln unbuttoned the orange shirt and removed it, and that made the Catangel Sisters blushed like crazy when they saw Lincoln's massive and muscular body in full display and his massive white angel wings spread out, and we knew it meant trouble when that happens. Lynn roared again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Lynn's stomach knocking the wind out of her, and then, he reared his left fist back and gave her a nasty punch to the face that sent her flying out of The Catangel Sisters' and back to The Loud House to face her doom as the video ended.

Me: That first set you modelled, Lincoln, it's a lot like the red Hawaiian shirt I got after I ate some of the Dreaded Dancing Diablo Peppers.

Lincoln: It is, but instead of peppers on the shirt, it was fiery flames.

Gwen Catangel: And we had to leave the five buttons on the shirt unbuttoned because Lincoln was that massive in muscle mass, plus, it also adds a more hotter and fiery look for Lincoln.

Kayla Catangel: But, of course, that stupid ape had to show up and ruin everything because she still wanted to kill Lincoln again! I wanted to punch her empty head hard, but Lincoln sent her flying with one punch, but when she got out, that's when Lincoln got serious.

Penelope Catangel: And when he unbuttoned the rest of the shirt and slowly removed it, we almost got that close to fainting! It was also all our doing that Lincoln went from the cute 11-year-old boy we knew since childhood to an extremely rugged, handsome, manly, sexy, and super imposing mountain of a muscular hunk.

Lincoln's Guardian Angels gasped.

Nicholette Torrington: Penelope, need I remind you of saying those sorts of words about Lincoln?

Suddenly, Lincoln put down the heavy weights and he turned Penelope Catangel around, and then, he leaned down and kissed her full on in the lips with that kind of intensity, passion, and energy, she'd literally given in and she wrapped her arms around his thick neck and he wrapped his massive arms around her waist and as he brought her in closer, her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs. When Lincoln slowly separated his lips from hers, Penelope Catangel's face was all red from the very intense make-out and her eyes literally turned to hearts.

Penelope Catangel: (In Heaven) What… a… MAN!

Me: They warned you, those sorts of compliments cause him to go ahead and engage in a full all-out make-out with any member of his harem who say those compliments.

Girl Jordan: You think that's hot, we always wind up getting covered in kisses from him every night, we consider that tattoos of his undying love for us.

Nico: And a clear warning that if any moron messes with his future wives, they are worse than dead.

We got a shower afterwards, and then, Lincoln, Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Belle the Blue Oni: Wow, so, this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Belle, and it's perfect for our first date. Shall we?

Lincoln, Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy

Glow, and Universe 666 Quintessa and they hugged the girls in their abnormally massive and powerful muscular arms, and Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa are in your harem.

Yamiga: And we also had a talk and found out that more of our friends are also planning on joining Lincoln's harem.

Me: Awesome.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Belle the Blue Oni, Rana the Red Oni, Bora the Bogey, Beth the Bogie, Olympia the Ogre, Aligned Arcee, Twivine Sparkle, Universe 666 Mane-Iac, Universe 666 Queen Chrysalis, Universe 666 Cozy Glow, and Universe 666 Quintessa, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Haunty Hills Galaxy.

Me: OOH! Scary!

Lucy Loud: Wicked.

Brittney: The Goths of Darkness would love this one.

Nico: Yep. They sure would. But Margo and Paula are coming with me.

Margo: Aw yeah!

Lynn: Go Margo and Paula!

They went in and the simulator activated and they were at HAUNTY HALLS GALAXY!

It was a REALLY CREEPY place.

Paula: (GULPS) This place gives me the creeps!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well you just got to get the star at the end by flying through scary hallways and avoiding all the ghosts and boos.

Nico: Easy.

Paula: (GULPS) Yeah.

Margo: Very easy.

Nico: Stay close to me girls.

Paula: Is it possible to get rid of the ghosts?

Nico: With powerful light.

Paula: Oh.

She fired a blast of lightning and it hit a ghost and blasted it.

Nico: Nice one!

?: Boy that was cool!

Then 2 figures came! One was a girl with green hair and green eyes and had green clothes and a green angel wings and she had a tiara with the symbol of the Brachiosaurus Dopant on it and she had the same symbol on her skirt and had a Jurassic sword. The second girl had orange hair and red eyes and had red angel wings and had orange clothes and she had a tiara with a symbol shaped like a pair of scissors on it and the same symbol was on her vest and she had scissor launchers on her arms.

Me: Betsy Brachiosaurus! Wow!

May and Mizore: And Cina Cut! Wow!

Betsy Brachiosaurus: Awesome to hear your voice again J.D.

Cina Cut: And May and Mizore it's good to hear your voices too. Also I'm the embodiment of Cut Man.

Nico: Wow! A second embodiment of the Brachiosaurus Dopant. And Cina awesome to meet you.

Nico: (gets out White Lightning and Electropede's Ridewatches) Let's keep it up with the light. Or in this case, lightning!

Nico activated them and fired waves of lightning and blasted the ghosts all over.

Betsy and Cina fired blades and energy and the blasts hit the ghosts.

Paula and Margo fired waves of fire and lightning and blasted the ghosts left and right.

Nico: We ain't fraid of no ghosts!

Betsy Brachiosaurus: No we aren't!

They got to the end and got to the star and they got it!

YOU GOT A STAR!

Nico: YEAH!

Cina Cut: That was awesome!

Betsy Brachiosaurus: Yeah!

They all high five.

Nico: How did you meet May and Mizore?

Cina Cut: I met May on an internet video chat room and we talked a lot and became good friends. Also she told me about so many awesome and fun adventures you all did. And I met Mizore as she was battling a bunch of rogue Yokai in Japan.

Nico: Cool!

Cina Cut: Yep.

Nico: Would you two like to join the team?

Cina Cut: We would be honored.

They later came back and joined us and we cheered. May and Mizore hugged Cina.

---

We were watching TV and we saw the mascots going somewhere.

Chowder: Where are you guys going?

Poromon: The park.

Me: Oh that's okay. As long as one of us goes with you.

Poromon: Good idea.

Cina Cut: I'll go with them.

Nico: Okay.

Me: Have fun.

They went to the park.

Poromon: It really is nice to meet you.

Cina Cut: Same here Poromon.

They got to the park and later they saw 5 ducks.

Cina Cut: Hey look at the ducks.

Poromon: Awesome!

Back at the estate, we were watching the news.

Deadpool: Oh, FYI, Namine, you might want to bring Dahlia and your duck mask. The mascots just met some ducks.

Namine: Good idea!

The mascots and the ducks later came back.

Poromon: We're back!

They brought the ducks back too.

Fluttershy: Oh look at the ducks. They are cute.

Namine: Aw they sure are.

Lola: Yeah!

Lana: They sure are.

Poliwag: Do you have names?

Duck 1: I'm Logan

Duck 2: I'm Lilith

Duck 3: I'm Lyta

Duck 4: I'm Lota

Duck 5: And I'm Lina.

Me: Awesome to meet you guys.

Lincoln: You guys have L names too.

Laney: That is cool.

Logan: (to Dahlia) You must be Dahlia.

Shrapnel: She is.

Namine: She's with me.

Logan: Awesome to meet you.

Lota: She's awesome.

Logan: Yeah.

Lota: That's a nice duck mask.

Namine: I knew keeping this was good!

Me: Yeah it was!

Namine: I like it.

Camie: Yep.

G1 Bumblebee: Do you guys wanna stay with us?

They nodded.

Me: Awesome.

Laney: Yay more pets!

Lana: Yeah!

Slog: Now. Where do they live?

Nico: We'll have them put in our duck pond in the park.

Nicole: Good idea.

Logan: We would like that.

Camie: Awesome.

Laney: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than one of Deadpool's old enemies, Ajax, and he was out for revenge on Deadpool. When we saw it, we knew it meant trouble.

Lincoln: Oh boy.

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Francis Freeman A.K.A. Ajax, and he's out for revenge on Deadpool.

We gasped.

Me: Oh shit, so now, we're going after one of Deadpool's enemies.

Wilson Sisters: WHAT?! THAT PIECE OF SHIT'S BACK FOR REVENGE ON UNCLE WADE! WE'VE GOT A COUPLE OF BULLETS WITH HIS NAME ON IT!

The Wilson Sisters came back, and they have tons of machine guns, shotguns, handguns, grenades, explosives, and shit tons of bullets!

Nico: (WHISTLES) You girls are literally ready for war!

Me: More like a thousand wars!

Lincoln: They are Deadpool's nieces after all, and there's no way they're going to let him live.

Me: And neither are we.

Xenia: Yeah!

Nico: Yeah, let's head down there and really show him some pain.

Lincoln: He's gonna pay for this.

Me: Big time! Wade lets go get this son of a bitch!

Deadpool: First, we need to recruit some of my homies.

Me: Okay then,

Lola: This will be awesome.

Camie: Yep.

The previous group came.

Ranamon: Can me, Toyman, Artie Ziff, King Hiss, Mammoth, Katnappe, Arbormon, Carly Atlas, Girder, and 2016 Morbucks go with y'all?

Nico: Yes you all can go with.

Xenia: We're going after one of Deadpool's enemies after we recruit some friends.

Nico: Yep.

Laney: This will be fun.

Fuse Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Slash Man next.

Me: Ooh!

Nico: Yep and the next embodiment will be for Guts Man.

Qin: Cool!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Universe 666 King Cold, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Universe 666 King Cold, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Lola Bunny: And it makes sense for him to send Universe 666 King Cold after us, since Universe 666 Zarbon and Dodoria were defeated and freed from him. Let me handle him, I'm not letting him get out of this.

Eli: Wait, won't Sebastian go into Demon Angel Mode again?!

Lincoln: Yeah, that's something we got to prevent at all costs, and I don't know how Buster's mallet can handle any more hits to his head before he reacts violently.

Nico: We'll worry about that later. Alright, gang, let's go, we're off to help Deadpool deal with that asshole, Ajax.

Lincoln: We'll make him pay for his crimes, and once we get done with him, you better be ready for Hell, Universe 666 King Cold.

Lola Bunny: He may not be as bad as the King Cold we know and despise, but we still need to take him down and free him from that lunatic's control.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Deadpool deal with Francis Freeman A.K.A. Ajax,, and once we get done with him, Lola Bunny is going to take down Universe 666 King Cold and break Universe 666 Sebastian's control over him.

We were off.

* * *

We were walking.

Toyman: We also invited a few friends.

UA Deadpool, Yost Deadpool, and Ultimate Deadpool appeared.

Me: Whoa! It's an Interdimensional Deadpool-apalooza!

We laughed!

UA Deadpool: You know it! (To the viewers) Hey guys! Long time no see!

We went in and we saw Eloise "Ellie" Phimister A.K.A. Negasonic

Teenage Warhead. She saw the 4 Deadpool's.

Negasonic Teenage Warhead: (sees the 4 Deadpools) Oh God. There's 4 of you now!?

UA Deadpool: Yep that's right.

Me: They all are with us.

Negasonic Teenage Warhead: Team Loud Phoenix Storm!? Wow it's an honor.

Me: Eloise "Ellie" Phimister A.K.A. Negasonic Teenage Warhead it's awesome to meet you.

Negasonic Teenage Warhead: Same here. How did you guys get 4 of Wade?

Me: We went to many dimensions.

Yukio: I'm Yukio, Negasonic's girlfriend.

Wolverine: Awesome to see a fellow X-Men.

Yukio: Logan it's good to see you again.

Wolverine: Same here.

Me: Awesome to meet you though Yukio.

Yukio: You too and it's an honor J.D.

Deadpool: Dopinder! Weasel!

Dopinder: Hey there, Mr. Pool!

Weasel: Wow! Team Loud Phoenix Storm! An honor.

Me: Jack Hammer A.K.A. Weasel. Awesome to meet you. And Dopinder it's awesome to meet you.

Dopinder: Same here J.D.

Nico: Awesome to meet you guys.

Dopinder: Same here.

Nico: (to Dopinder) Wait. You're just a taxi cab driver?

Deadpool: Yep. He just drives taxi cabs.

Me: Awesome.

Yukio: J.D. I heard what you did to end the hatred on mutants.

Me: We were just REALLY disgusted with all the hate and discrimination being dealt to mutants and we told everyone that Mutants are all people too and they have amazing powers that can help everyone. So I told everyone to stop hating mutants and see them as normal people.

Cyclops: It's true. And J.D. made a huge call standing up for us.

Me: Yep.

Yukio: That is so awesome.

Nico: It sure is.

Deadpool: Yep. J.D. did a good deed back then.

Me: Yep and I did the same for the Yost Universe after we killed Apocalypse.

Deadpool: Yep.

Yukio: Wow!

Me: And if anyone has a problem with mutants then they can go fuck themselves.

Yukio: Good call!

Deadpool: Hey, Russel!

We saw a kid and it was Firefist.

Me: Rusty Collins A.K.A. Firefist. Awesome to meet you.

Firefist: Wow Team Loud Phoenix Storm you too. And Wade it's awesome you're back and wow you have more of you.

Yost Deadpool: He sure does.

Ultimate Deadpool: That is for sure.

Thunderblast: Is that everyone?

Deadpool: No. Where's Vanessa?

?: Right here.

We saw her as a blond hair girl that I remember from my past.

Me: Wait Vanessa Carlysle? You look like my friend Rhonda Fitzgerald.

She reverted back.

Vanessa: Sorry about that J.D.

Mystique: Awesome to meet a fellow shapeshifter.

Vanessa: Same here Raven.

Me: That was cool though.

Deadpool: Awesome to see you again Vanessa.

Vanessa: Same here Wade and wow 3 more Wade's.

Me: From other universes.

Dopinder: Also, we heard about that trial about Blood and Honey.

King Hiss: Yeah, that movie was a disgrace to Pooh's name.

Deadpool: AND WE'LL SHOW YOU WHY! (shows trailer to Dopoinder's face) LOOK AT IT!

Dopoinder: HORRIBLE!

UA Deadpool: (Shows trailer to Yukio) YOU LOOK AT IT!

Yukio: (Unfazed by it) I've seen worse.

Ultimate Deadpool: (Shows trailer to Negasonic Teenage Warhead) LOOK AT IT!

Negasonic Teenage Warhead: I've seen people that have been butchered worse than that.

Yost Deadpool: (Shows Firefist the trailer) LOOK AT IT!

Firefist was not phased by it.

Deadpools: LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU TO FUCKING LOOK AT IT!

Poromon: HEY! ONLY WE GET TO DO THAT!

Manaphy: YEAH!

Me: Oh for fucks sake!

I grabbed the 4 Deadpool's and sat them down.

Me: Sit boys! It's good you saw that trial.

Yukio: To be honest I HATED that movie. I watched it and I loathed it.

Deadpool: You didn't use the Roundy Spinny Thing Magisword on me?

Me: Nah it only works on the mascots.

Dopinder: Am I the only person freaked out by the fact that Pooh and Piglet are ugly looking murderers in that trailer?! (to Weasel and Vanessa) What about you two?!

Vanessa: I saw the movie and hated it.

Weasel: Me too. It was repulsive.

Psylocke: I got to admit Yukio you are a tough girl to see that movie and say it's bad.

Mystique: Same with you Vanessa.

Vanessa: Thanks.

Me: You didn't see it Rusty?

Firefist: Oh I saw it and I hated it. I wasn't afraid of it one bit. I battle villains on a daily basis and not even monsters from that movie frighten me.

Lola: You are a truly brave kid.

Nico: Yeah.

Iceman: Boy he sure is.

Yukio: That was a good call you guys didn't give the people that made that movie the Black Gates.

Me: They are innocent people and our code prohibits us from killing innocents. Besides, that movie wasn't real.

Nico: Yeah.

Deadpool: Anyway, we're going to kill Francis so he gets put in the Masters of Evil the next day. Who's with me?!

King Dedede: I am!

Me: WE ARE!

Nico: YEAH!

Lola: Yeah!

We walked over to a chart with pictures of lots of men on it, with Ajax at the top with a crown made of penises on his head.

Katnappe: Charming.

Deadpool: (to the viewers) This shit's gonna have nuts in it!

Jamesdean5842: He is the King of Nutkicking after all.

Deadpool: Yeah he sure is!

Laney: Yeah!

Deadpool was slamming a man's face into a pinball machine, which was covered in a large plastic bag along with the other games.

Deadpool: Where's Francis?!

POW POW POW!

Deadpool punched the man's face several times before another man ran up to him and hit him with a stick, which broke in two upon impact. Deadpool retaliated by hitting the man across the face with a glass bottle before releasing his right blade and ramming it into the man's stomach. As he rammed his right blade into the man's chest and lifting him up in the air, Deadpool stopped in his tracks as another man fired his pistol at the merc, the bullets causing blood to run down the front and back of his costume. Deadpool retracted his blades, causing the body of the dead man to fall to the floor before slowly turning to face the terrified man.

Deadpool: Where's Francis?

Me: Better start talking!

Deadpool released his blades again and walked towards the man, who then ran for his life.

Charge Man: We got a runner!

I ran fast and caught him!

Me: Uh uh uh! You're not gonna get away from us that easily. Now start talking.

I had my sword against his crotch!

Deadpool was walking in a huge cheering crowd, where two women wearing boxing gloves were fighting in a boxing ring. He then noticed a man leaning his hand against a wall and began walking towards his way, shoving a few people aside in the process. As he got there, he took out a combat knife from a sheath on his right hip. The man quickly took out a pistol, only for Deadpool to throw his knife into the man's hand, pinning it agains the wall and making him scream in pain. Deadpool punched the man across the face before taking the pistol from him and shooting in the air, sending everybody running. Deadpool removed his combat knife, releasing the man, who clutched his hand while the merc pointed his pistol at him.

Deadpool: Don't make me ask twice! Where… is Francis?

Girder: Good thing everyone got out!

Me: Better start talking! Or else.

I punched the man!

We cut to an unknown area, where a group of men were trying to run up some stairs, only for one going up to be shot in the head. We see Deadpool running down the stairs with his pistol in hand.

Deadpool: Where's Francis?!

Deadpool ran across the wall and shot another man in the head. He then jumped off, rolled and shot two other men in the heads. The man who was shot earlier tried to get back up, only for Deadpool to quickly turn around and shoot him in the head again, this time killing him.

Charmcaster: Headshot!

Me: He probably didn't know anything.

Eli: No he didn't.

Me: Or he was too scared to talk.

We then cut to an office where a man was thrown across a desk and onto the floor as Deadpool ran in.

CRASH!

Deadpool Where the fuck is Francis?!

Deadpool jumped over the desk and kicked the man in the face, while an old man sitting in another desk watched.

2016 Morbucks: (to the old man) How's your day, sir?

Deadpool was beating the man with a door to the face, while the old man at the desk watched with an unconcerned look on his face.

Deadpool: Where! Is! Francis?!

The final hit from the door killed the scumbag.

Me: He didn't know anything either. At least these are douchebags we're killing.

Nico: Yeah. Not worth our time.

We then cut to another location, where Deadpool impaled a man holding a crowbar with his left blade. Another man ran up to him with a crowbar and swung it, only for Deadpool to slice through it with his left blade and stab the man through the head with his right blade. He killed the one behind the man he is fighting by throwing his combat knife through the back of his head, while he slashed the other man's crowbar with his blades.

Deadpool: Donde esta Francesca?!

Stewie: That probably means "Where is Francis".

Me: Yes it is.

We were interrogating people all over! They didn't know anything.

We then cut to a woman being thrown into a pile of crates.

Deadpool: Where's Francis?!

Deadpool kicked the woman into the crates, but then put his hands to his face in shock.

Woman: No, please!

Deadpool: Oh God! I am so sorry!

Suddenly, another woman behind him jumped on his back.

Deadpool: Ah! Little spider monkey! (throws her across room)

Carly Atlas: (to Ben) Not to be confused with your alien and Jake.

BEn: Yeah.

Deadpool: This is confusing! Is it sexist to hit you? Is it-is it more sexist to not hit you? I mean the line gets real… blurry!

Deadpool then pulled out his pistol and cocked it while the woman whimpered.

Me: Wade! Stop! She is innocent. She doesn't know where Ajax is.

Deadpool: Sorry.

We then cut to Deadpool exiting a bathroom with a piece of toilet paper sticking out of his right boot. Behind him was a dead man, who had his pants down and was sitting on the toilet, with a huge blood stain on the wall behind his corpse.

Arbormon: I needed to go anyway.

Me: Okay.

He went to the bathroom.

Me: No one has seen where Ajax was.

We then cut to an ice skating rink, where a man was slowly crawling across it, leaving a trail of blood as he did. Far behind him was Deadpool, who was riding a zamboni and laughing maniacally.

Deadpool: (laughs) You're-you're about to be killed by a zamboni!

Blizzard Man: We're in my element!

Deadpool: (to the scumbag) NOW TELL ME WHERE YOUR FUCKING BOSS IS, OR YOU'RE GONNA DIE!

We cut to a full view of the rink, and we see that Deadpool is a little far behind.

Deadpool: IN FIVE MINUTES!

Me: Make it 30 seconds!

I formed an energy ball and when his time was up just as I was about to blast the scumbag the Zamboni ran him over and killed him.

Nico: He didn't know anything.

Me: Nope.

The Recruiter handed a black card with his phone number to a man who was next to a life support system. He then exited the room with two men by his side, and we see that it's a warehouse. As the Recruiter and his men continued to walk towards the exit, we see Deadpool sitting on a pile of crates with his legs crossed and supporting himself with one hand.

Deadpool: Nice to see you, Jared. I'll take the foot-long. (does a gun motion with his right hand) Fully loaded.

The Recruiter started running for the exit, while the bodyguards whipped out their pistols and fired at Deadpool, who quickly teleported out of the way and reappeared between them. He rammed his blades into both their chests and slashing them to their chins vertically, causing the men to fall dead. Deadpool retracted his blades and ran after the Recruiter. The Recruiter ran as fast as he could through a market, knocking down a civilian in the process, but then Deadpool suddenly rushed out from the market and rammed the Recruiter into a car, breaking its window in the process. Deadpool roughly picked up the Recruiter, who had blood running down both sides of his face, and pinned him against the car.

Recruiter: Whoa, whoa, whoa!

Deadpool: 41 confirmed kills! Now it's probably 1000. About to be 1001.

Recruiter: Mr. Wilson?

Deadpool: Ding ding!

Recruiter: You're looking very… alive.

Deadpool: Ha! Only on the outside!

Recruiter: This isn't going to end well for me, is it?

Deadpool: This is not gonna end well for you, no.

Recruiter: I can tell you exactly-

Deadpool: Ah, da, da, da, da, da, da, da. Oh, you'll tell me. But first… (to the viewers)… you might wanna look away for this.

Poromon was drinking beer when he heard Deadpool

Deadpool: Now this little piggy went to…

The sound of bones crunching and the Recruiter screaming in agony was heard.

Me: This little piggy went to…

CRUNCH!

I broke his fingers.

Nico: J.D. and Wade are having fun.

Eli: You know I can just sense where he is, right?

Deadpool: Right. I forgot.

Lincoln: ARE YOU KIDDING ME?!

Me: Hey I wanted to go along with it and have fun.

Qin: Yeah.

Eli: He's in an abandoned warehouse over by the wharf.

Xenia: Then lets head over there.

Firefist: I got a powerful explosion with his name on it.

Deadpool: Good thing I brought Tsurugi swords.

Me: Nice. Lets get him!

Eli: Yeah!

Lola: This is gonna be good.

We arrived at the Wharf.

Mammoth: There it is. With lots of goons.

Me: Soon to be a bunch of dead goons.

Firefist: I got this guys.

He then charged up a massive blast of fire and then fired a massive blast of fire and the goons saw it.

Goon 1: Oh son of a fucking bitch!

The warehouse and the goons all exploded in a MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion obliterated all the goons and destroyed everything with the power of over 500 tons of Napalm!

Everything was on fire!

Me: WHOA! That was powerful!

Nico: Nice one!

Laney: Yeah!

Eli: I sense that he's still alive.

Me: I knew he wasn't gonna die easily.

We hid and he came out of the explosion and saw everything a mess!

Numbuh 274: Entrance time!

We went at him.

Ajax was SCREAMING IN FURY! Then the spirits of swords came and swirled around him and then slashed him all over and then they converged and then…

Me: YIPPIE KI-YAY MOTHERFUCKER!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard!

We landed and I teleported and kicked him in the face and smashed him down.

Me: Francis Freeman A.K.A. Ajax. Nice to finally meet you in person. Like what we did to the place for you?

Ajax: WADE WILSON! What's my name?!

Deadpool: Ooh, I'mma fucking spell it out for you.

Ajax: Go get some.

Deadpool: Superhero landing. She's gonna do a superhero landing! Wait for it!

Angel Dust jumped off the tower and landed on her feet and slammed her fist to the ground, making a short crater.

Me: Angel Dust!

Deadpool: Woo! Superhero landing! (to the viewers) You know, that's really hard on your knees. Totally impractical. They all do it.

Jamesdean5842: You got that right!

Angel Dust began walking up to us

Deadpool: You're a lovely lady, but I'm saving myself for Francis. (gestures to Colossus) "That's why I brought him!"

Colossus: (Russian Accent) I prefer not to hit a woman. So please, pla-

POW!

Angel threw her fist at his face, sending him flying over Deadpool and Negasonic, who ducked.

CRASH!

May: HEY!

POW!

She punched Angel Dust in her face and sent her crashing into Ajax!

Me: That was for starters!

I teleported and punched Ajax in his stomach and kicked him hard in his face and knocked out most of his teeth!

Me: Bet you felt that didn't you!

I jumped back as he was about to punch me.

Deadpool: I mean… that's why I brought her?

He turned to Negasonic, who was texting on her phone.

Deadpool: Oh, no, finish your tweet. (turns to Angel Dust, who watched in amusement) Just give us a second. There you go, hashtag it.

Negasonic finished and threw her phone away.

Deadpool: Go get her, tiger.

Negasonic began to run at Angel, as a fiery aura began to form on her body, burning away her coat. As soon as she reached Angel, the aura sent the strong mutant flying into the wall of the tower. Negasonic got up, breathing heavily after her attack. She now wore a yellow and black spandex with an "X" on the collar.

Me: WHOA! That was powerful!

Deadpool: Oh, I so pity the dude who pressures her into prom sex.

Me: You got that right!

I teleported and punched Ajax all over!

Then I went Super Angel and punched him ferociously! He belched up a huge amount of blood and I punched him in the face and broke his knows!

Camie: YEAH!

Ajax went at me and I blocked his punches and I grabbed his arm and twisted it and broke it by snapping it like a twig and then I punched him and grabbed him and threw him into some barrels and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: That must've hurt!

Nico: No fucking shit!

He got up and was on fire and burned but not feeling any pain!

Ajax: Just what the fuck are you!?

Me: I'm your WORST FUCKING Nightmare!

Nico: Yeah!

Deadpool: These are people you do not want to fuck around with you douchebags!

Me: Yeah!

Ajax roared and went at me and I kicked him in the face and bashed him down.

Nico: This guy is absolutely pathetic.

Lola: Big time!

Lana: Yeah what a freak!

Angel Dust: Alright then. (to the goons) Fire!

The goons followed the order and fired their guns at Deadpool and Negasonic, who ducked for cover. Colossus got back up and shrugged off the bullets bouncing off his metal skin before grabbing remains of a Sneezer robot and threw them at two goons, who were thrown off their perch by the force. Angel began to run at Colossus.

I fired waves of energy and blasted the goons.

Deadpool: Hurry up, metal dick!

Colossus: Language, please!

Deadpool: Who the hell cares?!

Colossus turned and saw Angel Dust, who wrapped her arms around his waist and began pushing him back with her strength. Colossus tried to get her off by delivering a series of punches to her back, but Angel didn't give up. Colossus dug his feet to the ground to try and stop her. Colossus spun around and wrapped his arms around Angel's neck, while Angel grabbed the back of Colossus' neck with one arm. Colossus lifted her into the air, but Angel swung her feet up in the air before throwing them down, throwing Colossus over her and onto the ground. Angel swung her fist at Colossus, who rolled out of the way at the last second, causing Angel to hit the ground. He swung his right fist at Angel, who grabbed it at the last second with her left hand. She then yanked his arm down, making him yell in pain, before she began to throw a series of punches at the chrome mutant. Meanwhile, Deadpool and Negasonic continued to duck from the armed goons, when the former got on idea and turned to the latter.

Deadpool: Look away, child. LOOK AWAY!

I fired waves of energy and blasted more goons.

Negasonic simply shrugged and looked away. While this happened, Deadpool reached into his pants, grabbed his white underwear, and began to pull them. Deadpool cried in pain as he did so, until he completely pulled them out of his pants. As the goons continued to fire, they saw Deadpool's underwear attached to a stick as a makeshift flag.

Deadpool: Wait! Wait!

The lead goon pulled his mask covering his mouth and held his hand up to the other goons.

Goon: Cease fire! Cease fire!

The goons followed the command, as Deadpool popped out from cover.

Deadpool: Hey, you only work for that shit spackled Muppet fuck! So I'mma give y'all a chance to lay down your firearms, in exchange for preferential, borderline gentle, possibly… even lover-like treatment.

The goons responded by firing their guns at him again, forcing him to take cover.

Nico teleported and grabbed the bullets out of thin air and flicked them back and killed the goons.

Me: How about that you pencil dick fuckpots!

Goon: What the fuck are you guys!

Me: People who you have no idea who you are fucking around with!

I fired waves of energy and blasted the goons.

Artie Ziff: I'm helping Colossus! (charges at Angel Dust)

He ran and bashed her down.

Colossus: Thanks comrade Ziff.

Artie Ziff: Anytime.

Ajax got up and I teleported and kicked him in the back of the head.

I grabbed him.

Me: How about a little target practice!

I picked him up and spun him around hard!

Deadpool fired his guns at Ajax all over as I was spinning him on my finger.

BANG BANG BANG BANG BANG BANG BANG!

Me: I'm not even trying hard.

I then smashed him into the ground!

Colossus went to where Angel Dust was. As soon as he found her, he looked away and put his hands out. He saw a bit of Angel's left breast and he used his hand to cover it as well.

Colossus: You are, uh… Very beautiful woman.

Angel Dust was surprised before she began to adjust her shirt and put her breast back in.

Angel Dust: (fixes her shirt) You are so sweet! Thanks!

Suddenly, she threw a HUGE punch at Colossus' crotch, sending him flying a few feet away from her.

Nicole: HEY! You saved me the trouble of having to punch him. Thanks!

KROW!

She punched her in her face and sent crashing into the wall.

Colossus: Sorry Comradess Nicole.

Nicole: No worries Piotr.

Colossus: I am no pervert. That is the reason for my reaction.

Nicole: Just doing my job. But good you aren't one.

Colossus: Thanks.

POW!

Nicole backhanded Angel Dust and then…

KROW!

Kicked her and smashed her into a wall.

Negasonic then knocked Angel Dust out!

Negasonic: Take that you bitch!

I was beating up Ajax bad!

SMASH SMASH SMASH SMASH!

I punched him and smashed him into the wall!

I grabbed him and kicked him into the air!

Me: And it's up!

I jumped and smashed him with an axe kick and smashed him into the ground!

Lynn: AND IT'S GOOD!

Deadpool: Yoo-hoo!

Ajax looked down and saw the corpses of his goons spelling "FRANCiS"; the goon's corpse forming the "i" was mooning at him, while the head of the decapitated goon formed the dot on the lowercase "i".

We Laughed hysterically!

Me: Okay that is funny! Nice Wade!

Nico: I haven't had this much fun since the Hitotsuki battles!

Ajax: (to Deadpool) When I'm finished, your body parts'll have to grow back you!

Me: Not if you die first!

Poromon smashed beer bottles on Ajax's head!

SMASH SMASH SMASH SMASH SMASH SMASH!

Poromon: And this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit him and lit him on fire!

Ajax and Deadpool clashed weapons.

They clashed all over and sparks flew all over making the fires all over the area worse!

Eli: Take this!

Eli fired a blast of Force Lightning and electrocuted Ajax!

Then Eli jumped and ignited his lightsaber and then slashed off Ajax's right arm and he screamed in pain!

Me: He can't feel pain outside but not INSIDE.

Nico: Yeah!

Then Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Six Gum Gang came.

Nico: Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Six Gum Gang.

Grodd: You guys have been busy!

Me: No fucking shit there.

Silver Samurai: So, how has your day been?

Nico: Well, we fought many goons.

Snake: I bet that was before you found out that Eli could sense Ajax's position.

Mole Man: It was probably still worth it though.

Qin: Yeah it sure was.

LaGrange: (to Nico) We heard you fought a Mr. Pigeon clone.

Nico: We sure did

Grodd:… you got pooped on, didn't you?

Nico: Don't fucking ask!

50 Below came.

Me: Hot enough for you 50 Below?

50 Below: Boy the whole place is REALLY on fire.

Me: No kidding. But you're up for another round.

50 Below: Yep I sure am.

Me: Cool cool.

50 Below: (sees the corpses spelling out Francis) Charming.

Nico: We thought it was funny.

Me: Yep.

Qin: And J.D. really THRASHED Ajax all over.

Me: Aw it was nothing.

Nico: Lets get it on guys!

Me: COME ON YOU APES! DO YOU WANT TO LIVE FOREVER?!

We got the battles underway!

Deadpool: Four or five moments! That's all it takes to be a hero. People think you wake up a hero… brush your teeth a hero… ejaculate into a soap dispenser a hero. But, no, being a hero takes only a few moments! A few moments… doing the ugly stuff no one else will do. (shoots Ajax)

BANG!

He blasted him!

Lincoln: I've had it up to hear with you, you asshole.

Lincoln kicked Ajax high up into the air, and The Wilson Sisters and Deadpool emptied their guns into Ajax and he was riddled with bullets, but now, it was going to get worse.

BAYONETTA OST: INFERNAL DEMON SUMMONING

Lincoln: (Speaking in Enochian) AVAVAGO!

Suddenly, coils of white hair and darkness swirled around Lincoln, and they descended down into a portal, and then, another portal appeared, as the coils of white hair and darkness transformed into Gomorrah, Devourer of The Divine. Then, it grabbed Ajax and chomped on him mercilessly, and then, he swallowed him, and it let out a loud elephant roar as he was dispatched and the coils of white hair and darkness disappeared.

Me: That'll teach that asshole!

Nico: First, he gets riddled with bullets, and then, Lincoln summons Gomorrah to devour him, that's what I call karma.

Lincoln: You said it. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the eight large planets and stars orbing around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 King Cold, or we will force you out!

A figure came out, it was none other than Universe 666 King Cold, and like with Universe 666 Broly, his eyes were completely blood red and he had a black and purple aura around him.

Sebastian felt pain in his eyes as he howled in agony and we saw blood tears pouring from his eyes, but we also saw his eyes change to blood red: HE'S GONE INTO FULL-ON DEMON ANGEL MODE!

Sebastian Mendez: (Demonic Voice) You! I always knew you'd one day return, you bastard! You just don't even know when to quit, DO YOU?!

Me: Yikes, what's happening?!

Nico: He must be confusing the Universe 666 King Cold with the one we knew and hated.

Buster Bunny: It always ended badly since his father also helped Frieza in turning against him.

Suddenly, Buster Bunny saw Sebastian heading towards Universe 666 King Cold with his dark greatsword in hand and he had dark murder on his mind, but Lincoln created chains of light to restrain him.

Lincoln: This'll hold him. Lola, you go stop Universe 666 King Cold, we'll keep Sebastian restrained.

Lola Bunny: Got it.

Suddenly, Lola Bunny's blue eyes turned neon blue and she was surrounded by a peach and yellow energy aura with stars, basketballs, fire, flames, rabbits, phoenixes, and angels, she unholstered her greatsword from her back, and as she approached Universe 666 King Cold, she left peach and yellow energy, stars, basketballs, fire, flames, rabbits, phoenixes, and angels with every step.

Lola Bunny: Even though you're not like the King Cold we know and hated, you're just as dangerous as he is, and Universe 666 Sebastian bringing you back and turning you into his slave basically crossed a serious line, and for that, I'm going to take you down and Buster's going remove that basket case's influence from you, hope you're ready for the beatdown of your life!

Suddenly, Lola Bunny was surrounded by a massive vortex of peach and yellow energy with stars, basketballs, fire, and flames surrounding the vortex, there are rabbits, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with blue eyes gazing into Universe 666 King Cold: the eyes of salvation.

Me: WHOA!

Buster Bunny: EVERYONE, GET BACK! THINGS ARE ABOUT TO GET REALLY REALLY UGLY!

Then, as the vortex faded, Lola Bunny emerged, but she was changed forever.

Lola Bunny grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large peach and yellow orbs orbiting around her legs, she has the body of a goddess, she has peach highlights in the bangs of her long yellow hair tied in a ponytail and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a peach and yellow energy aura with stars, basketballs, fire, flames, rabbits, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix, rabbit, and angel emblazoned on her forehead and Third Eye with orange iris, she has on her Crystal Necklace of The Buddha with purple gems on the gold flame links and peach crystal links and a peach rabbit-shaped Element of Harmony and on the bottom of the Element of Harmony is a rabbit holding with the Fire and Eternity Kanjis in its paws for the pendant and she has on a white and gold accented choker on her neck, Lola Bunny has on her Tune Squad outfit from Space Jam: A New Legacy and she has on a long sleeveless white trenchcoat with stars, basketballs, fire, flames, rabbits, phoenixes, and angels on the coattails, and on the back is a phoenix, rabbit, and angel surrounded by flames and basketballs and on top is The Warner Bros. logo. Suddenly, Lola Bunny felt a sharp pain on her back, and then, massive peach angel wings with yellow tips on the large peach feathers grew and sprouted out of her back. Lola Bunny has on her Ring of the Phoenix with large peach gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lola Bunny's massive greatsword, and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of peach and yellow energy, stars, basketballs, fire, flames, rabbits, phoenixes, and angels, and when it emerged, it transformed into Lola Bunny's Looney Tunes Comedic Firestorm Athletic Rabbit Phoenix Angel Greatsword of Looney Tunes Comedic Firestorm Athletic Rabbit Phoenix Angel Justice, it's a brand-new massive greatsword with embedded yellow gems and the silhouette of Lola Bunny etched on the 7'6" massive, wide, double-edged peach blade, large peach rabbit heads for the crossguard, large white angel faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large peach rabbit heads with purple gems for eyes and large peach rabbit head with purple gems for eyes and yellow gem in its mouth on the bottom of the peach rabbit heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold rabbit head with purple gems for eyes and large peach gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a peach kanji below the phoenix, rabbit, and angel that said, "Lola Bunny, Fiery and Feisty Basketball Player, Legendary Looney Tune, Gym Teacher of Acme Looniversity, Loving Girlfriend of Bugs Bunny, Mentor of Babs Bunny, Ancestor of Lexi Bunny, Member of The Tune Squad, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Flames, Basketball, Rabbits, Phoenixes, and Angels"

We were amazed by Lola Bunny's Super Angel-Tune Squad Rabbit-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Bugs Bunny saw it.

Bugs Bunny: (HORSE WHINNY) (HOWLS) (HOWLS) (RUNNING ON ALL FOURS AND BARKING LIKE A DOG) (WOLF WHISTLES)

But, when Universe 666 King Cold saw it, he fired a massive energy blast at Lola Bunny to kill her, but Lola Bunny fired a massive barrage of peach and yellow energy, stars, basketballs, fire, flames, rabbits, phoenixes, and angels, which hit Universe 666 King Cold and he was sent crashing into a wall, he got back out, but now, he was beyond enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Lola Bunny did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs.

Lola Bunny: (Divine Echoing Godly Voice of The Eternal Comedic Firestorm Athletic Basketball Looney Tune Squad Rabbit Phoenix Angel and Divine Cosmic Eternal Comedic Firestorm Athletic Basketball Looney Tune Squad Rabbit Phoenix Angel Love) But, now things are about to get ugly. Alright, you. (CRACKS KNUCKLES) Let's dance!

Sebastian Mendez: (Wakes up after getting hit) (DEMONIC VOICE) LOLA, DON'T YOU DARE THINK THE KILL IS GOING TO BE YOURS!

Lincoln made coils of white and black energy which grabbed and pinned Sebastian to the ground.

Nico: Nice one, Lincoln. Seriously, you can't keep your bloodlust from going out of control?!

Buster Bunny: My mallet's not going to withstand anymore hits to his head, it's gonna break, but I always have more just in case.

Lola Bunny went after Universe 666 King Cold, and she fired extremely powerful blasts of peach and yellow energy, stars, fire, flames, basketballs, rabbits, phoenixes, and angels at Universe 666 King Cold, and they exploded with incredible power as they hit him. Then, she attacked him with swings of her massive greatsword leaving scars on him.

Babs Bunny: (Spin-Changed into a Loud Boisterous Fan) YEAH! TEAR HIM TO SHREDS!

Buster Bunny: Whoa, she's really tearing him apart!

Nico: Messing with an athlete who not only has skills in basketball, but also, knows how to fight and can easily kick someone's ass if any of those wiseguys try anything funny, and you'll be sent to the hospital in a body cast.

Lincoln and Lexi Bunny: Especially if anyone dares to say "the" word to her.

Me: Oh.

Nico: Yeah, I'm not gonna risk it.

Then, Lola summoned and fired basketballs made of pure fire which hit Universe 666 King Cold, and then, she entombed him in a fiery basketball, and she dribbled the ball as she ran, and as she neared the basket, she leapt into the air and made a SLAM DUNK AS SHE DUNKED THE BALL AND IT THEN EXPLODED IN A FIERY TORNADO AS SHE BACKED AWAY!

Me: WHOO! TWO POINTS!

That caused Universe 666 King Cold to be knocked out, and then, he was bound with chains of light fired by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 King Cold and removed every trace of the poisonous darkness that infected him, and he was restored. We all cheered wildly as Lola Bunny holstered her massive greatsword on his back and powered down, and Lola Bunny's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive peach angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more.

Suddenly, Sebastian busted out of the restraint.

Sebastian Mendez: (DEMONIC VOICE) BUSTER!

Lincoln: And you're in mondo trouble now!

Sebastian Mendez: (DEMONIC VOICE) I'M GONNA TURN YOU INTO A RABBIT THROWRUG FOR WHAT YOU DID WHACKING ME IN THE HEAD WITH A MALLET, VARMINT!

Babs Bunny spin-changed into a tough biker rabbit girl.

Babs Bunny: (Tough Girl Voice) Ya' feeling lucky? Well, do ya, punk?

Babs Bunny reeled her right fist back, and she punched Sebastian in the head and sent him flying and screaming into a straitjacket that wrapped itself around him.

Nico: Oh, you really crossed it, crazy! You messed with Babs Bunny's boyfriend, and you got yourself in a world of hurt.

Sebastian Mendez: Don't you think I don't know that?! I've been beaten up by her and her two pals, Fifi and Shirley, and I can never forget all the thrashings those three gave me and all the dynamite they threw at me, it was utterly humiliating!

Fifi La Fume: (French Accent) Well, you deserved it, and we did the same to Raditz and Nappa the last time you attacked.

Shirley the Loon: Clearly, you like deserved it or some junk.

Suddenly, Sebastian spun like a black tornado and shredded the straitjacket with his nails that he grew into claws.

Plucky Duck: Great, that's the five millionth straitjacket you've shredded!

Me: Sheesh, so no straitjackets will work for him. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Anna Inverse, the Steeljaw Gene-Slammer, Beth Inverse, the Bludgeon Gene-Slammer, Chloe Inverse, the Reflector Gene-Slammer, Dana Inverse, the Demolisher Gene-Slammer, Emily Inverse, the Thunderblast Gene-Slammer, Fiona Inverse, the Simacore Gene-Slammer, Gail Inverse, the Oil Slick Gene-Slammer, Heidi Inverse, the Scalpel Gene-Slammer, Irene Inverse, the Sixshot Gene-

Lina Inverse: (GASPS) My sisters?!

Selene Emperyous: The Inverse Sisters as in Lina Inverse's sisters?! Awesome, and you guys are going to love meeting them, Anna Inverse, the Steeljaw Gene-Slammer, Beth Inverse, the Bludgeon Gene-Slammer, Chloe Inverse, the Reflector Gene-Slammer, Dana Inverse, the Demolisher Gene-Slammer, Emily Inverse, the Thunderblast Gene-Slammer, Fiona Inverse, the Simacore Gene-Slammer, Gail Inverse, the Oil Slick Gene-Slammer, Heidi Inverse, the Scalpel Gene-Slammer, Irene Inverse, the Sixshot Gene-Slammer, Jessica Inverse, the Skyquake Gene-Slammer, Kara Inverse, the Hardtop Gene-Slammer, and Mary Inverse, the Astrotrain Gene-Slammer are Lincoln's Guardian Angels from France and classmates in English, and they're also beautiful and deadly magical fighters like their eldest sister, Lina Inverse, and they and Lina trained Lincoln in using their magic.

As a result, he promised that when he comes of age, he will marry Lina Inverse and her sisters along with the rest of his harem. Plus, they hate The Wet Bandits with a blazing passion, the reason why is because they tried to steal family jewels that belonged to their parents, but thankfully lincoln, Lina Inverse, and her sisters made illusions of Dark Souls monsters appear before The Wet Bandits and scared The Wet

Bandits who ran away screaming like little girls.

Nico: Oh man, so you and your sisters trained Lincoln in using your magic?!

Lina Inverse: Yep, and they also hated Hellmaster Fibrizo and his minions as well. They swore that if they ever saw them again, they would kill him.

Lincoln: Unfortunately, I beat them to it last year and sent them to The Black Gates after absorbing them and assimilating their powers and abilities.

Me: You sure did.

Goliath: That was a nice speech.

Atomic Skull: And a lot of dead bodies.

Calamitous: Ajax and Angel Dust will be put into our ranks.

We cheered.

Nico: Boy this was explosive!

Qin: And action packed!

Me: Fuckin A!

Girl Jordan: As long as we get to eat and kick some butt.

Varie: You got that right.

Tea: I'm always ready for some action and fun.

Eli: Me too Tea!

Nico: Tea, I want to thank you, Copperhead, and your teams for coming.

Tea: Not a problem Nico. This will be so fun and cool.

Lindsey: I'm really excited for this!

Qin: We all are Lindsey.

Nico: No offense Lindsey, but it's still weird seeing you not behave like Leni.

Lindsey: Oh none taken Nico. But it's okay that I like to be like her.

Leni: She and I totes have so much in common.

Me: I just can't believe that people bullied Lindsey because she was prettier, smarter and richer than they were.

Usari: I know. It'sss really wrong on ssso many levelsss.

Lincoln: No kidding there.

Lindsey: I'm glad you guys helped me out with all that.

Me: Aw it was nothing Lindsey.

Nico: Now you can act however you want

Lindsey: That is true. And I am glad I get to be however I like.

Leni: We are totes glad you think so Lindsey.

Pipp Petals: Oh my glitter you are so beautiful in your own way Lindsey.

Lindsey: Thanks guys.

Me: WHEW! Man yesterday was REALLY BRUTAL!

Nico: Boy no shit! We were killing scumbags left and right!

Eli: It was awesome! But man we left a bloodbath of scumbag bodies all over.

Lola: Yeah and burned part of the wharf to get to Ajax. But that was awesome.

Me: Wade sure knows how to kick butt and he has awesome friends.

Lincoln: We wasted a whole hour killing goons instead of going to him right away.

Me: Yeah but it was fun to eliminate some scumbags that Wade missed.

Lincoln: No argument there but that is awesome.

Laney: But man Firefist really blew that entire warehouse into a massive fiery mess.

Me: That was epic.

Lola: Yeah no kidding!

Varie: Yeah that was awesome.

Nico: And the cool part was we found out that some of Deadpool's friends are fellow X-Men.

Me: They sure are. And they are happy now that Human's have stopped hating Mutants.

Eli: Thank god for that.

Nico: Should we be concerned about the crown of penises that Deadpool put on Ajax's picture?

Me: Mmm.

We thought on that.

All of us: Nah.

Nico: Okay then.

Maria: We're here anyway.

We saw that it was a purple planet with many colored lines on it.

Me: Looks like a flowery mountain planet from up here.

Nico: Yep. Lets head down.

We went down onto the planet and we landed and we saw that it was A PLANET MADE OF DONUTS, PASTRIES AND AWESOME BREAKFAST SNACKS

Me: WHOA! It's a Donut and Pastry Planet!

Lily: Mmm Donuts! (DROOLS)

Lola: Oh wow!

Nico: Look at all this!

Me: Oh wow!

I ate a Chocolate Donut.

Me: (Eating) Mmm! Delicious!

Laney had a Bear Paw.

Laney: Mmm! I love bear paws!

Lana: (Eating a cookie donut) Mmm! Cookie Donuts.

Lola had Polish Pastries.

Lola: (Eating) Mmm! Delicious!

Me: Lets get Homer here.

Maria: Already on it.

Maria called in Homer and then he came.

Homer: What's up guys. (GASP) Mmm Donuts! (Drools)

Me: Dig in Homer!

Honer: WOOHOO!

He got to eating a lot of donuts.

Me: Hey Nico look! Cookies and Cream filled Donuts. (Eating one) Mmm! So delicious.

Nico then WENT CRAZY FOR THOSE!

May: Deadpool and his counterparts stole the mascots moment.

Nico: GIMME THOSE COOKIES AND CREAM DONUTS!

He went and ate them all over.

Lana: I thought that was funny seeing them do that,

Nico ate several donuts.

May: He is eating Cookies and Cream donuts.

Me: Yep and you know how much he loves those.

We laughed!

Camie: (LAUGHS) Yeah.

Lola: Yep.

Nico ate that whole bush of them clean.

Nico: (BURPS)

Maria: Save some for us, bro!

Me: There's more over here.

They saw more.

Maria had some donuts and they were good.

We had all kinds of great snacks and more.

May ate some.

May: (Eating) Mmm! So good.

Laney: This is one of the best planets ever.

Izzy Moonbow: Boy it sure is!

Lisa Loud: It's a really amazing and scrumptious planet if I do say so myself.

Varie: Yep.

May: There are even ones with M&Ms.

Laney: Those are awesome!

Qin: Yeah! Those will be the mascots favorites.

Me: Yep. Now it's time for our rescue.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a clone of Bakerix is here on this planet of donuts and pastries, and he's causing havoc.

We gasped, and Nico was already growling like a rabid dog.

Nico: What?! When I get my hands on the asshole bastard who made that bread freak clone, I'm gonna… !

Eli: I picked up on the dark energy from him, it was Universe 666 Sebastian, he was the one who'd made that clone to cause havoc.

We gasped.

Nico: Hadn't forgotten about his powers with Infernal Darkness. We're gonna need Sebastian for this.

Lincoln: Even more, Nico, since we got another Akumatized Villain clone running loose, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for that baker monster.

Lincoln: Alright. (Sensed for the Bakerix Clone) AHA! Gotcha! I've spotted that giant walking bread monster, he's 20 yards away and he's already causing havoc.

Nico: That freak! Let's get him!

Lincoln: Yeah! (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs

arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Bakerix clone.

Me: Lets go find that bread freak. Also it's fitting because we're on a Donut and Pastry planet.

Lori: Boy this is literally amazing. A planet made of donuts and pastries.

Luna: Boy this is awesome dudes.

Lola: It sure is.

Nico: But how do we lure him out?

Me: No need. (Sniffs) Just follow the smell of freshly baked bread. He smells like that.

Nico: Oh right because he is a creature made of bread.

Me: Yep. Time for some action! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: Oh yeah!

We were flying, and then, we saw the Bakerix clone causing havoc.

Lincoln: There he is. EINI, LET'S SPEED AWAY!

Lincoln transformed into Thunder Hare, and he unholstered his massive greatsword and lightning whip and his angelic and demonic greatswords appeared at his sides. Then, he went after the Bakerix clone, and he slashed him with his massive greatsword and his angelic and demonic greatswords also slashed the Bakerix clone.

And Lincoln also whipped him with his lightning whip and the Bakerix clone also got electrocuted badly.

Me: Damn, Lincoln's tearing him apart. Hey, leave some for the rest of us.

Lincoln kicked the Bakerix clone away, and the rest of us landed as he changed back.

Nico: Even if you're just a clone, you're just as bad as the real one!

Me: YEAH!

Lincoln: I was also saving this for just an occasion.

Lincoln chanted an incantation and summoned an army of clay soldiers that looked like us, and then, the large golden halo with four large orbiting gold rings behind his head glowed and the four large gold orbiting rings fired a massive collection of Anatomia Complex smart scrolls and they entered into the clay soldiers, and they came to life and were given the weapons of the Homunculi.

Me: HOLY SHIT!

Nico: Whoa!

Lincoln: I found out I can also summon an army of clay soldiers and bring them to life using a source of power, I did a test run using the gold Halos of Paradiso's Angels and the Orbs of Inferno's Demons, and just now, I can also use the Anatomia Complex smart scrolls as well, and they not only bring the soldiers to life, but they also give them the weapons of Paradiso's Angels, Inferno's Demons, and the Homunculi.

Eli: Ugh, my brain hurts! How many more skills with magic does he have?

Cassidy: One too many, Eli. Now, then.

Me: Lets get this bread freak!

I jumped and slashed him all over.

Maria: I faced him before!

Nico: I remember that!

I slashed Bakerix all over!

Me: Suck Blue fireballs!

I swung my scythe and fired waves of blue fireballs and blasted him all over in fiery explosions!

KRABBBBBBOOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOMMMMM!

Billy: 15 Points! (Laughs)

Maria fired water.

She drenched the bread freak.

Maria: Just like before.

Qin: Yeah!

Me: How about toasting this guy on Valmorg Heat!

I fired waves of white hot fire and toasted him all over with fire at 1,931˚ Fahrenheit!

He was burned bad!

Xenia: Nice!

Bakerix: I'd end this now. But the master wants to hurt you. Slowly.

Me: Tell your master this. He is to leave this plane, NEVER To Return.

Bakerix: He will not die that easily.

Nico: We'll see about that.

Suddenly, Cassidy's deep blue eyes turned neon deep blue and she was surrounded by a pink energy aura with stars, water, ocean waves, quintessence, life energy, magic, phoenixes, and angels surrounding her, she unholstered her massive Cassidy's Kandrakar Eternal Water Quintessence Greatsword of Kandrakar Maelstrom Magical Justice from her back, and as she approached the Bakerix clone, she left pink energy, stars, water, ocean waves, quintessence, life energy, magic, phoenixes, and angels with every step.

Cassidy: Even if you're just a clone of Bakerix, you're still just as bad as he is, but even worse, you were given life thanks to that monstrous demon, Universe 666 Sebastian, you reek of the Infernal Darkness that brought you to life, and you must be destroyed here and now.

Suddenly, Cassidy was surrounded by a massive vortex of pink energy with stars, water, ocean waves, life energy, magic, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a deep blue phoenix with red eyes glaring at the Bakerix clone: the red eyes of death. Then, as the vortex faded, Cassidy emerged, but she was changed forever.

Cassidy grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large pink and aqua blue orbs orbiting around her legs, she has the body of a goddess, she has aqua blue highlights in the bangs of her long russet red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon deep blue eyes and a pink energy aura with stars, water, ocean waves, quintessence, life energy, magic, phoenixes, and angels surrounding her and she has an immense rainbow protective aura with elements swirling around it, she has a phoenix with the Water Kanji in its claws emblazoned on her forehead and Third Eye with deep blue iris, she has on phoenix earrings with aqua blue gems for eyes and holding the Water, Life, and Eternity Kanjis in its claws, she also has a phoenix with aqua blue gems for eyes and holding the Water, Life, and Eternity Kanjis in its claws for the pendant on the bottom of her aqua blue angel-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold water drop links and she has on a white and gold accented choker on her neck, Cassidy has on a long-sleeved pink blouse with aqua blue phoenix on it, pink skirt with life energy and ocean waves on it, pink pants, pink high heels, and a long white sleeveless trenchcoat with stars, water, ocean waves, quintessence, life energy, magic, phoenixes, and angels on the coattails and on the back is a phoenix with water surrounding it and the symbol of Water above it. Suddenly, Cassidy felt a sharp pain on her back, and then, her massive russet red angel wings with deep blue tips on the large russet red feathers grew much bigger for her new body and she now has eleven massive and long russet red wolf tails with aqua blue tips and aqua blue markings. Cassidy has on a Ring of The Phoenix with aqua blue gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Cassidy's massive Cassidy's Kandrakar Eternal Water Quintessence Greatsword of Kandrakar Maelstrom Magical Justice and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, stars, water, ocean waves, quintessence, life energy, magic, phoenixes, and angels, and when it emerged, it's transformed into Cassidy's Water Guardian Kandrakar Maelstrom Eternal Water Quintessence Greatsword of Kandrakar Maelstrom Water Guardian Magical Justice, it's a brand-new massive greatsword with embedded aqua blue gems and the symbol of Water and the symbol of Kandrakar etched on the 7'6" massive, wide, double-edged pink blade, large angel heads for the crossguard, large white angel faces built into both sides of the hilt and large aqua blue gems embedded in the foreheads, longer midnight black handle, four large angel heads with aqua blue gems for eyes and a large white angel head with blue gems for eyes and blue gem in its mouth on the bottom of the four angel heads for the pommel, she has on her new large gold Bracers of the Champions of The Universe with large aqua blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, large gold Belt of Elemental Bravery with a gold phoenix head with aqua blue gems for eyes and large blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe, and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. We were amazed by Cassidy's Super Angel-Kandrakar Water Guardian-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when I saw Cassidy, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Bakerix Clone saw it, he fell into a rage and ran at her to kill her, but Cassidy fired a massive barrage of pink energy, stars, water, ocean waves, quintessence, life energy, magic, phoenixes, and angels which hit the Bakerix Clone and he crashed into a wall, he got out, but now, he was really pissed off now.

Cassidy: (Divine Echoing Godly Voice of The Divine Cosmic Kandrakar Water Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Water Guardian Quintessence

Heavenly Phoenix Angel Love) Now, it's high-time we taught you a brutal lesson, you overgrown loaf of bread!

Me: Lincoln, I hope those soldiers of yours can also do the same things that we can.

Lincoln: You're about to find out for yourself.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Cassidy and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) What a coincidence that we're fighting a clone of Bakerix on a planet of donuts and pastries, well, if it means we get rid of another Akumatized Villain clone and make Universe 666 Sebastian even madder and more insane than ever, I'm more than happy to oblige.

Lincoln, Cassidy, and I went after the Bakerix clone, and we fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at the Bakerix clone and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Cassidy, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Bakerix clone insane and straight to the brink of insanity.

Bakerix Clone: YOU! YOU! I WILL KILL YOU ALL!

The Bakerix clone went at us mad with rage and insanity as we saw a black and dark purple aura form around him: we knew all along it was the Infernal Darkness of Universe 666 Sebastian that had given him life. Sebastian fired blasts of Divine Darkness which hit the Bakerix clone, and he lost the additional dark powers that lunatic gave him.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now! Cut him down!

Lincoln ordered his clay soldiers to attack the Bakerix clone, and they displayed the same powers as all of us.

Nico: WHOA!

Me: Lincoln kept track of how we fight and of what our elemental powers are.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) My cyborg eyes also recorded all the data on how our opponents fight, and I download the data into my newly improved Anatomia Complex smart scrolls to place into the clay soldiers.

Lincoln summoned an Anatomia Complex smart scroll terminal and he sent two of them into the air and summoned some Homunculi soldiers at the Bakerix clone, and the clay soldiers fired powerful blasts of energy and elements and they exploded as they hit the Bakerix clone and he was sent to The Black Gates. Everyone cheered as Lincoln, Cassidy, and I holstered our massive greatswords on our backs and powered down, and Cassidy's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long russet red wolf tails, and massive russet red angel wings are permanent.

Then, the clay soldiers and Homunculi disappeared forever.

Nico: That was nice while it lasted.

Lincoln: True, but you guys saw what I can also do with my creation powers, I can create soldiers of clay and other elements and bring them to life with the Anatomia Complex smart scrolls that give them weapons and download the data of our target into their brains.

Me: That really is something! I think my mind is seriously blown by this discovery.

Eli: Same here.

Nico: Hmm, we'll need to keep an eye on Universe 666 Sebastian from now on, we're already pissing him off big time, and he's already causing trouble for us.

Lincoln: Leave that one to me.

Lincoln made an extremely microsized camera and sent it into Universe 666 Sebastian's castle that stands over the former Perfecto Prep school, and now, he was going to be monitoring him from now on.

Nico: It's obvious who he was talking about

Sebastian Mendez: Yep. The Universe 666 version of me.

Lola: Yep.

Nico: That is crazy. But he better be ready for this.

Laney: Later on.

Nico: He's getting dangerous by the minute.

Me: Yep. But we're going to be ready for him.

Lola: We sure are.

Camie: Yep.

Varie: And it's going to be good.

May: He's not right in the head though.

Me: All the more sweeter it will be to show what kind of monster it will be.

Lola: Yep.

Me: Now for the Anothers.

Eli: Lets see what we got. (CONCENTRATES) Whoa! We got Another The Yoshi's Island Guys, Ornismon, Kyburi, Usari and Copperhead.

We gasped!

Me: Whoa! This will be interesting.

Brynja: (Icelandic Accent) I'm looking forward to this one.

Vicky Emily Skartaris: (Icelandic Accent) Me too.

Kristjana Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Icelandic Accent) I'm looking forward to this too.

Maria: Who's up for that?

Me: I think Brynja, Vicky Emily and Kristjana are.

Maria: Oh. Okay.

Eli: And I sense that the Anothers minus Copperhead are one person.

Me: Ooh this will be good.

Nico: There they are!

We saw the Anothers minus Copperhead!

Me: WHOA! This will be good.

Another Ornismon: (In a girls voice) This will be awesome too.

Lincoln: (GASP) Andrea Sauria!?

They merged and she reverted back and was a girl with blue hair blue eyes, blue clothes, blue angel wings and had blue fox ears and a tail and had an Oblivion Keyblade in her hand and on her back was a staff.

Andrea Sauria: Awesome to see you again Lincoln.

Krystal: (British Accent) Andrea!

Andrea Sauria: Krystal!

They hugged.

Krystal: I thought I would never see you again.

Andrea Sauria: I know. I felt your thoughts on Earth and I'm so glad you're all right.

Krystal: Me too.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Andrea Sauria, Keyblade Knight of Sauria, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born on the planet, Cerinia, and she was raised on Sauria with Krystal, and she's an awesome pilot and member of the Cornerian Army, and she has intense water and nature powers and has blue angel wings. She is the Keyblade Knight of Sauria and a friend of Krystal. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of water and nature.

Nicole: Wow! The Keyblade Knight of Sauria. That was awesome going there and we had to help put it back together and kill General Scales.

Andrea Sauria: That's what I heard and you all destroyed Andross there too.

Me: We were REALLY shocked to see that he was there too.

Nico: No kidding.

Andrea Sauria: That is good you guys destroyed him forever.

Me: Yeah. By the way is the Another Copperhead friendly or hostile?

Andrea Sauria: Friendly and she is a really amazing and interesting one.

Me: Wow.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

She glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Laney: Yeah!

Nico: Now for Another Copperhead.

Maria: Time for backup! (Turns Dial) ELECTRIC SPORTS 6!

She summoned Electropede, Millipede Pete, Centipede Orphnoch, Centipedenoid, Universe 666 Banno and Master Zik.

Electropede: Awesome! This will be cool!

Lola: Yeah!

Nico: Now we wait.

Electropede: Are these donuts?

Me: Yep and not just those. But this whole planet is a baked goods world.

Homer: It's true. It has more than donuts.

Laney: It sure does.

Nico: Yep. So many kinds and varieties.

Lola: Yep.

Nico: Including Cookies and Cream!

Qin: Yep!

Me: Wait look!

We saw a figure and it was ANOTHER COPPERHEAD!

Copperhead: Hey who issss that handsssome good looking guy?

Me: Another you.

Another Copperhead: (In a girls voice) It's awesome though.

Me: (GASP) That voice.

She reverted back and was a girl with green hair, green eyes and aqua green clothes and angel wings and she had a tiara with the symbol of the Parasaurolophus Dopant on it and the same symbol on her skirt and she had a green sword in her hand.

Me: Piiata Parasaurolophus!

Piiata Parasaurolophus: Awesome to see you again J.D.

Me: Same here. Piiata is the Embodiment of the Parasaurolophus Dopant and she has the power to summon a herd of Parasaurolophus and she can whistle like one too.

Nico: Cool!

Copperhead: That is cool!

Me: Paleontologists found out that the crest on a Parasaurolophus' head was used as a communication device.

Laney: That is amazing!

Aylene C.: He's not kidding on that.

Nico: I never even knew about that. That is cool.

Lola: Yeah.

Kaito: (gets out Decade gear) Did Swartz promise you anything?

Zocks: (gets out W gear) Because we can grant it instead.

Kaito got a Decade Sword and Zocks got a W sword.

Piiata Parasaurolophus: No he didn't because I used my Parasaurolophus powers to sing him to sleep and used that to escape. My singing is very hypnotic.

Sakura Knudson: That explains why I found him sleeping on the floor and I went and put him in his bed.

Me: That is powerful singing. Boy if we ever break out into an argument you can use those hypnotic singing powers.

Piiata Parasaurolophus: Good idea.

Sougo: (gets out Decade Ridewatch) Kaa can hypnotize people too.

Armor Time! (Upbeat rock music) KamenRide! Wow! Decade! Decade! Deca~de! (Decade transformation noises)

Geiz: (gets out Accel Ridewatch) You should meet him sometime.

Armor Time! (Accel transformation noise) Accel! Accel! (Motorcycle revving)

Sougo got DecadeArmor and Geiz got AccelArmor.

Piiata Parasaurolophus: I am looking forward to that.

Lincoln: Lets separate you first.

He fired a wave of light and did so.

Piiata Parasaurolophus: Awesome.

She whistled and fired a song blast and smashed Another Copperhead all over.

Nico: Time for the snake to strike! (ACTIVATES COPPERHEAD AND USARI'S RIDEWATCHES)

He fired venom blasts and burned Another Copperhead.

May: Time for some magic! (ACTIVATES UNIVERSE 666 SALEM AND HOCUS POCUS' RIDEWATCHES)

She fired a magic blast and smashed the Another all over.

Maria: Take this one! (ACTIVATES HYLEG OUROBOCKLE AND BRUISER UNVERSED'S RIDEWATCHES)

She fired an energy blast and smashed the another all over.

Lindsey: Take this one! (ACTIVATES USARI'S RIDEWATCH)

She fired a venom blast and burned him.

Then Puff, Stink Bug, Great Boma Emperor Lagorn, Fireball Snake, Flame Stag and Shower Banki came.

Nico: Nice team Puff!

Puff: Thanks Nico.

But then…

SLASH SLASH SLASH SLASH!

Numerous slashes were seen and the Another was down and I caught the Ridewatch and purified it and then out came Slash Man!

Me: Whoa! Slash Man! Cool!

Slash Man: (In a girls voice) That felt good.

Nico: Sena Slash!? Whoa!

Qin: Awesome!

Sena Slash: Yep. That was so fun.

Nico: Just like Wolverine.

Sena Slash: Yep.

Me: I can tell what's coming next.

I put on my blind man glasses and the boys covered their eyes.

Me: It's gonna hurt.

Sena Slash: I can handle it.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and then she doubled over in pain and threw up and fired energy blades and May dodged them.

May: WHOA!

She was back to normal and was a girl with red hair and green eyes and and she had red angel wings and had a symbol in the middle of her forehead that looked like slash marks.

Sena Slash: Oh man that hurt. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome new red clothes and she looked great.

Sena Slash: Wow that was awesome and cool.

May: I didn't get it this time!

Me: Nope.

Lindsey: What's your favorite memory of Nico?

Sena Slash: When me and Nico slashed numerous death row inmates into ribbons at an evil prison.

Me: Good riddance.

Nico: Yep.

Nico and Sena hugged.

Nico: I've missed you.

Sena Slash: Same here.

We went back home.

It appears their former boyfriends and the psychotically deranged losers and monsters, Roderick Rat and Drake Danforth, along with the rest of Perfecto Prep's students and staff have busted out of prison thanks to Universe 666 Sebastian, and they want revenge on Lincoln for what he did in sending them to prison two years ago when he went on vacation to Acme Acres' beach, but we're going to take them down again, and they're going to be added in as humiliation fodder at Lynn's Table.

Lincoln: Ah, we're here in Madrid, Spain, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news from Rhubella Rat and Margot Mallard, the two former students of Perfecto Prep.

Me: What is it?

Lincoln: It appears their former boyfriends and the psychotically deranged losers and monsters, Roderick Rat and Drake Danforth, along with the rest of Perfecto Prep's students and staff have busted out of prison thanks to Universe 666 Sebastian, and they want revenge on me for what I did in sending them to prison two years ago when he went on vacation to Acme Acres' beach.

We gasped.

Nico: Those jerks!

Lincoln: They hated Buster and his friends for always defeating them, but it got worse when they all started threatening to kill us for what we did in destroying Xehanort. But, I'm through with those pieces of crap, we're going to take them down again, and they're going to be added in as humiliation fodder at Lynn's Table.

Alexis: I just hope we can stop those cheating toons before they try anything else to try and get revenge on you.

Suddenly, we saw twelve beautiful and super sexy girls with long hair in black, white, yellow, red, green, blue, indigo, purple, pink, red with yellow streaks, pink with blue streaks, and white with pink streaks, purple hairbands, purple eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, fair skin, massive beautiful black, white, yellow, red, green, blue, indigo, purple, and pink angel wings, and they were dressed in purple sleeveless tank tops, dark purple skirts, dark purple knee-high boots with butterfly buckles, black long-sleeved coat, and long white long-sleeved trenchcoat with stars, elements, magic, phoenixes, and angels on the coattails and on the back are The Decepticon Strike Team, holstered on their backs are massive greatswords, and with them are the five girls.

Then, Lincoln fired rainbow energy blasts that transformed into rainbow energy straitjackets and they tied Roderick Rat, Drake Danforth, and the rest of Perfecto Prep's students and staff up, and he fired gold energy blasts that hit them and gave them The Gessius Flores' Vengeance Curse, and he beams them to their new posts and prisons at Lynn's Table. We cheered as we holstered our weapons and powered down.

Lincoln: Have fun being added onto our humiliation roster, you jerks. (To the Inverse Sisters) And it's so good to see you and your sisters again, Anna.

Anna Inverse: You too, Lincoln, it's been seven years since we last met, and it's so good to see you too, Lina.

Lina Inverse: You too, Anna.

Lincoln went up to The Inverse Sisters and he hugged them, and The Inverse Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you twelve since you were seventeen, and as you can see, I really grew a lot since then.

Emily Inverse: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Fiona Inverse: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these four girls?

Lincoln: Indeed I do, J.D., meet Anna Inverse, the Steeljaw Gene-Slammer, Beth Inverse, the Bludgeon Gene-Slammer, Chloe Inverse, the Reflector Gene-Slammer, Dana Inverse, the Demolisher Gene-Slammer, Emily Inverse, the Thunderblast Gene-Slammer, Fiona Inverse, the Simacore Gene-Slammer, Gail Inverse, the Oil Slick Gene-Slammer, Heidi Inverse, the Scalpel Gene-Slammer, Irene Inverse, the Sixshot Gene-Slammer, Jessica Inverse, the Skyquake Gene-Slammer, Kara Inverse, the Hardtop Gene-Slammer, and Mary Inverse, the Astrotrain Gene-Slammer A.K.A. The Inverse Sisters, these twelve girls are my Guardian Angels from France and classmates in English, and they're also beautiful and deadly magical fighters like their eldest sister, Lina Inverse, and they and Lina trained me in using their magic.

Lina Inverse: And they're easy to identify, Anna has black hair with matching clothes, Beth has white hair with matching clothes, Chloe has yellow hair with matching clothes, Dana has red hair with matching clothes, Emily has blue hair with matching clothes, Fiona has green hair with matching clothes, Gail has indigo hair with matching clothes, Heidi has purple hair with matching clothes, Irene has pink hair with matching clothes, Jessica has red hair with yellow streaks and matching clothes, Kara has pink hair with blue streaks and matching clothes, and Mary has white hair with pink streaks and matching clothes.

Selene Emperyous: Lincoln took Lina Inverse and her sisters on a date to a lake where he ended up kissing Lina Inverse and her sisters on the lips while underwater. As a result, he promised that when he comes of age, he will marry Lina Inverse and her sisters along with the rest of his harem. Plus, they hate The Wet Bandits with a blazing passion, the reason why is because they tried to steal family jewels that belonged to their parents, but thankfully lincoln, Lina Inverse, and her sisters made illusions of Dark Souls monsters appear before The Wet Bandits and scared The Wet Bandits who ran away screaming like little girls.

Nico: Serves those two boobs right.

Eli: Yeesh, they have brains the size of marbles. No matter how many times they wind up getting beaten, they always come back for more.

Me: That's exactly what I was about to say. But, no matter how many times Lincoln and his Guardian Angels outsmarted those two marble-brained bone-headed morons, they just never learn to quit.

Lincoln: Yeah, but I prefer that they don't even try to quit, I like scaring the heck out of them.

Anna Inverse: Us too.

Nico: Same here. Hey, maybe on the next humiliation session, you girls and Lincoln can create illusions of some of the most scariest monsters in film and myth. I got a book in my room for you all to use.

Lincoln: That's perfect, and now that you and your sisters are here, Anna.

Lincoln went up to and hugged each of The Inverse Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Anna Inverse: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, twelve Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Inverse Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Beth Inverse: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Inverse Sisters.

The Inverse Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Hasshaku-sama, Toilet no Hanako-san, Mary-san, Man-Faced Dog, and Kuchisake-onna from Toilet no Hanako-san vs Kukkyou Taimashi.

Lincoln: Oh wow, it's Hasshaku-sama, Toilet no Hanako-san, Mary-san, Man-Faced Dog, and Kuchisake-onna from Toilet no Hanako-san vs Kukkyou Taimashi.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Man-Faced Dog: Yes, we're okay, thanks to you.

Then, when Man-Faced Dog and the other five girls saw who it was that saved them from Roderick Rat and Drake Danforth, along with the rest of Perfecto Prep's students and staff, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry,

Man-Faced Dog: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln

and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Man-Faced Dog: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hasshaku-sama, Toilet no Hanako-san, Mary-san, Man-Faced Dog, and Kuchisake-onna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villains we went after were Roderick Rat and Drake Danforth, along with the rest of Perfecto Prep's students and staff who'd busted out of prison thanks to Universe 666 Sebastian, and wanted revenge on Lincoln for what he did in sending them to prison two years ago when he went on vacation to Acme Acres' beach after Xehanort's death.

But, when Lincoln showed what we did in thrashing those jerks and Lincoln tying them up with some rainbow energy straitjackets and beaming them to Lynn's Table to be added to our humiliation roster but not before he gave them The Gessius Flores' Vengeance Curse, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Inverse Sisters have a lot of catching up to do, now that they're back in town. Of course, when Buster and the others heard it, he was so enraged, he turned red and burst into flames and ashes and reappeared fully recovered.

Buster Bunny: OF ALL THE HORRIFIC AND UNFORGIVABLE ACTIONS THAT LUNATIC HAS DONE, THIS HAS GOT TO BE

THE WORST YET! HOW DARE HE FREE THOSE PERFECTO PREP JERKS!

Rhubella Rat: He's got some nerve doing so.

Lincoln: Since he's just like Sebastian before his Dark Side was removed, there's basically no line he's willing to cross.

Babs Bunny: And he crossed too many lines back in the past.

Me and Nico: You said a mouthful.

---

After finally taking down Roderick Rat and Drake Danforth, along with the rest of Perfecto Prep's students and staff for good and condemning them to be humiliation fodder at Lynn's Table, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Inverse Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Anna Inverse: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Beth Inverse: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Chloe Inverse: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Dana Inverse: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Emily Inverse: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Inverse Sisters played a video on the big screen and it shows Lincoln, Lina Inverse, and The Inverse Sisters training super hard and it was during the summer: Lincoln was only in a pair of orange shorts and sandals and shirtless and he was sweating like crazy and Lina Inverse and The Inverse Sisters were in purple sleeveless crop tops, purple shorts, and sandals. They were doing swordfighting with massive greatswords Lincoln made and they were sweating heavily under the sun.

Past Anna Inverse: Whew, man, this is some intense training that we're going through.

Past Lincoln: I decided to go through intense training under extreme environments: such as blazing heat, extreme cold, windy conditions, and heavy rainfall.

Past Beth Inverse: You said it.

LOUD MONSTROUS BELCH!

Suddenly, they heard a loud monstrous belch and caught the stench of B.O. and feet.

Past Lincoln: Oh great, there's no mistaking that loud belch from anywhere. Get out here, Lynn, I can smell the sweat coming off you and your sweaty pits!

Suddenly, they saw Lynn come out, and she was really out for blood again, then, she pounced and was about to attack Lincoln, but Lincoln punched her and sent her flying into a tree. She got back out, but she roared and beat her chest like a gorilla, now she was really pissed.

Past Lincoln: So, you want to play rough, huh?! Okay, you asked for it, you stupid ape!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Lynn roared again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Lynn's stomach knocking the wind out of her, and then, he unleashed a massive storm of slashes from his massive greatsword and fired magic blasts at Lynn, and then, he reared his left fist back and gave her a nasty punch to the face that sent her flying back to The Loud House to face her doom as the video ended.

Me: Whoa, so that explains why we saw you literally drenched in sweat when you came back, you were doing intense training under blazing hot conditions.

Lincoln: Yep, and I also began training under extreme cold, windy conditions, and heavy rainfall.

Anna Inverse: And as a result of it, Lincoln has the ability to adapt under extreme conditions.

Nico: Whoa.

Beth Inverse: And we had fun training with Lincoln. But, of course, that belching farting stupid ape had to show up and ruin everything because she still wanted to kill Lincoln again! I wanted to punch her empty head hard, but Lincoln sent her flying with one punch, but when she got out, that's when Lincoln got serious.

Lina Inverse: And we almost got that close to fainting because of seeing Lincoln! It was also all our doing that Lincoln transformed extremely from the cute 11-year-old boy we knew since childhood to an extremely rugged, handsome, manly, sexy, and super imposing mountain of a muscular hunk.

Lincoln's Guardian Angels gasped.

Nicholette Torrington: Lina, need I remind you of saying those sorts of words about Lincoln?

Suddenly, Lincoln put down the heavy weights and he turned Lina Inverse around, and then, he leaned down and kissed her full on in the lips with that kind of intensity, passion, and energy, she'd literally given in and she wrapped her arms around his thick neck and he wrapped his massive arms around her waist and as he brought her in closer, her chest pressed against his massive pecs and her stomach pressed against his eight-pack abs. When Lincoln slowly separated his lips from hers, Lina Inverse's face was all red from the very intense make-out and her eyes literally turned to hearts.

Lina Inverse: (In Heaven) That… was… so… hot!

Anna Inverse: We warned you, Lina, those sorts of compliments cause him to go ahead and engage in a full all-out make-out with any member of his harem who say those compliments.

Girl Jordan: You think that's hot, we always wind up getting covered in kisses from him every night, we consider that tattoos of his undying love for us.

Nico: And a clear warning that if any moron messes with his future wives, they are worse than dead.

We got a shower afterwards, and then, Lincoln, Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Bethany the Bicorn: Wow, so, this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Bethany, and it's perfect for our first date. Shall we?

Lincoln, Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur and they hugged the girls in their abnormally massive and powerful muscular arms, and Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur are in your harem.

Yamiga: When we introduced them to Lincoln, they fell in love at first sight, and they also engaged in a full all-out make-out session and when they were done, Lincoln was literally in a daze and he also had his hair ruffled up and his face and body covered in lipstick marks.

Me: Awesome.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Bethany the Bicorn, Caroline the Centaur, Uta the Unicorn, Helen the Hakutaku, and Mary the Minotaur, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost

his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 Adventure.

Nico: Freezy Flake Galaxy is next.

Me: Ooh that one will be cold.

Nico: Yep.

Dana: Me and Becky will go with.

Me: Awesome!

Nico: Lets go.

They went into the simulator and it activated and they were at FREEZY FLAKE GALAXY! And it was a winter wonderland!

Nico: Wow! This place is cold!

Becky: Any tips, Nicole?

Nicole: (On the radio) Well you guys are going after Sorbetti right?

You have to face him on that snowman body shaped planet there.

Nico: Okay then.

Becky: This will be fun.

Dana: I'm in my element here.

Nico: (laughs) That's what Blizzard Man said yesterday!

?: Let us help too!

2 girls came! 1 had sky blue hair, blue eyes, sky blue clothes and angel wings and she had a tiara with the symbol of Arderial of the Moonlands on it and the same symbol on her skirt and she had a wind sword. The second girl had red hair and red eyes and had red athletic clothes and she had red angel wings and had a tiara with the symbol of Guts Man on it and the same symbol on her shorts.

Arlinda Arderial: Arlinda Arderial, Embodiment of Arderial for the Moonlands.

Greta Guts: Greta Guts, Embodiment of Guts Man.

Lincoln and Linka: Greta Guts!? Wow!

Nico: Awesome to meet you girls.

Greta Guts: We'll tell you more about us later. And Lincoln and Linka it's great to hear your voices again.

Nico: Okay lets go.

they were off.

Nico: Are we getting close?

Arlinda Arderial: We're already there.

They arrived and saw SORBETTI!

He was a rolling Snowman head!

Nicole: Okay you guys have to bash him in the nose 3 times.

Nico: (gets out Copperhead and Scorpion's Ridewatches) I'll show him how Venomous I can be!

Nico activated them and fired waves of poison and blasted Sorbetti.

Arlinda Arderial: Taste lightning and boulders!

Arlinda and Greta fired waves of lightning and they blasted Sorbetti.

Sorbetti then got mad!

He was steaming mad!

Me: WHOA! Now he is mad!

Dana and Becky fired waves of ice and leaves and blasted Sorbetti all over.

Then the head rolled and he exploded!

The star came out!

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Arlinda Arderial: That was so awesome!

They high five!

Dana: How did you first meet Lincoln and Linka?

Greta Guts: Lincoln's guardian angels introduced me and they remarked that I had what it takes to be one after how I thrashed Lynn and stopped her from killing Lincoln.

Becky: That is amazing.

Nico: Would you two like to join the team?

Greta Guts: We would be honored.

They left the simulator and we cheered and Lincoln and Linka hugged her.

* * *

We were watching TV and then we saw the mascots heading somewhere.

Dory: Where are you guys going?

Poromon: To get some payback!

Poliwag: Didn't you hear? Logan Velazquez Is back!

Nico gasped!

Nico: That jerk that humiliated you guys!? Not him again!

Me: Who is Logan Velazquez?

Nico: I'll explain along the way. Lets go.

We were following Nico and the Mascots.

Takumi: Cassidy, I'll never regret meeting you

Cassidy: Me neither Takumi. That was awesome.

Qin: Yeah it was.

Me: Who is Logan Velasquez?

Nico: One of the craziest pranksters ever. He humiliated the mascots really badly. He got them covered in glue and feathers and made them the laughingstock of the city. I vowed to make sure this guy gets what's coming to him.

Me: Geez!

Luan: This guy is REALLY making me look bad!

Eddy: Yeah this guy is an amateur! I'm the king of pranks!

Nemo: Is he really that bad?

Poromon: THE ABSOLUTE FUCKING WORST! He humiliated me and Poliwag and we're NEVER going to live that down.

Nico: Yeah!

Lily: Luckily I have an idea that will get him REALLY HUMILIATED!

Nico: This will be good.

We went over to Lynn's Table and saw him. He was a man with black hair and blue eyes and had a red shirt and pants. On his shirt it said guns don't kill people, Pranks and me do.

Nico: Look at that clod.

Lily explained to Nico her plan. It was to distract him while the mascots and her set up a prank.

Nico got to work and the mascots and Lily built it.

Takumi: I'll never forget how you helped kill Masato Kusaka.

Cassidy: That was awesome!

Me: Yeah we sure showed that motherfucker what for.

Laney: Especially for how he treats women like dirt and kills innocent people!

Lana: Yeah!

Poromon: This is for pranking us!

They cut the rope.

Logan Velasquez: Whooaahh! [the rope sends him into some bags of flour. Nico and the mascots are laughing through all of this and rolls on the floor. Then Logan Velasquez is taken around a bar] Whoa! Blblblblblblbl… [screams as he is sent slamming face-first into the wall]

KRASMASH!

Me: OOH! That is gonne leave a mark.

Customers: Oh, no!

[Nico and the Mascots eyes pop out as they laughed hysterically. Logan Velasquez screams and flies into Bubble Bass' rear]

KRASMASH

SpongeBob: Whoooaa! [Cut to Nico and the mascots cheerleading, laughing, and jumping into the air. Then Logan Velasquez smashes into the ceiling]

KRASMASH!

Me: OH MAN! That had to hurt!

Nico: [runs and holds out his arms to catch Louis Velasquez] We'll catch you, Logan! [he giggles to himself. Logan Velasquez screams as he plummets toward Nico and the mascots, who quickly sets out a garbage can in front of him, and Louis Velasquez falls into the goop in the can]

KRASPLAT!

Nico: Oops. [dumps Logan Velasquez, who is now the shape of the can, out of the garbage can] That's for pranking the mascots you little sausage!

Poromon: Yeah! Take that!

Bludgeon: Remember the mascots?!

Logan Velasquez: Oh yeah the little (CLUCKS) CHICKENS!

Poromon: We are NOT CHICKENS! (ECHOING) LIGHTNING JAVELIN!

Poromon fired a blast of lightning and electrocuted him!

Qin: Ouch!

Poliwag: You made fools out of us!

Nico then grabbed Logan.

Nico: You listen to me buster. No one pranks the mascots! If you ever do so again I will FUCKING EAT YOUR LIMBS! DO YOU UNDERSTAND ME YOU ASSHOLE!?

Takumi: Let's not forget how you helped destroy the Orphnoch King

Cassidy: That was awesome.

Me: It sure was.

Lola: Yeah.

G1 Ironhide: Better listen to the man, punk!

Me: Or else!

Logan Velasquez: Okay okay I'm sorry! I'll never do this again!

Nico: Good!

Me: Yeah you better remember this or it's curtains for you. We'll use you as humiliation fodder with them!

I pointed to the jerks!

Takumi: Weren't my missions where you and J.D. became an item?

Cassidy: That's right.

Me: We became a couple during those missions.

Takumi: I thought so. That was so awesome.

Me: Yes it was.

Cassidy: Yeah. I owe J.D. big for what he did for me back in 2019 and that was amazing.

Eddy: What about me?

Me: You weren't pranked by Logan Eddy.

Eddy: Oh right.

Luan: But if ANYONE pranks Eddy I will make sure they suffer my dangerous pranks till I kill them!

Me: Oh boy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Darla, and the bad news: Nemo was kidnapped and he's about to be given as a pet fish to Darla who's going to kill him by shaking the bag he's in. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Darla, and the bad news: Nemo friends were all kidnapped and they are about to be given as a pet fish to Darla who's going to kill them by shaking the bag he's in.

We gasped.

Me: Oh no.

Nico: We got to rescue Nemo's friends, and what about Darla?

Lincoln: We'll separate Dark Darla from Darla herself, and we'll deal with her.

Eli: Good idea, at least Darla's not as bad as Elmyra is.

The toons screamed and did wild takes and hid behind us. Plucky was about to whack them on the head with a mallet, but Lincoln grabbed it with one of his eleven massive and white tails and he whacked Plucky on the head.

BANG!

Plucky had a huge lump on his head and birds tweeting and circling around his head.

Lincoln: Never ever bring up the name "Elmyra Duff", Eli. That name is nothing more than a curse to the toons.

Me: Yeah, it's really bad.

Laney: No kidding!

Xenia: Yeah she is the devil of the Animal Kingdom.

21m agoHulk: Hulk can smash Darla.

20m agoHulk: Hulk can smash Darla.

Nico: Hulk no!

Me: She's just a little girl. First we're going to watch the movie and then we're going to head out.

Nemo: Good idea.

Dory: Yeah.

The previous group came.

Grodd: Can me, Silver Samurai, Snake, Mole Man, LaGrange, Goliath, Atomic Skull, Calamitous, Skinner, and Six Gum Gang go with you guys?

Goof: And we saw the pranks!

Lily: (LAUGHS) That was awesome and funny.

Nico: Yep and yes you all can come with us.

Me: We're going to the world of Finding Nemo.

Nico: Long overdue.

Laney: Yep.

Mole Man: Love that movie!

Heckyl: Nico, which Gene Slammer do you think you'll meet next?

Nico: Freeze Man next.

Me: Cool and cold.

Lola: I'll get the popcorn.

Lola went and did so and we then got the movie started.

Clownfish Marlin lives in an anemone in the Great Barrier Reef with his partner, Coral. The couple are awaiting for their many eggs to hatch. A hungry barracuda sees Coral and Marlin, with the rest of their neighbourhood hiding. Coral fears she will lose her babies and rushes down to protect them, encouraging the barracuda to eat Coral and most of their eggs, knocking Marlin out when he tries to protect Coral. One egg remains uneaten, with it being slightly cracked. Marlin vows to keep his only surviving child safe. Marlin becomes overprotective of his son, Nemo. While Marlin talks to Nemo's teacher on the latter's first day of school, Nemo approaches a speedboat, where a pair of scuba divers capture him. Marlin pursues the boat in vain and meets Dory, a blue tang with acute short-term memory loss, who offers her help. The two encounter Bruce, Anchor, and Chum, three sharks who have sworn to abstain from eating fish. Marlin finds a diver's mask that fell from the boat, accidentally hitting Dory and giving her a nosebleed. The scent of her blood sends Bruce into a feeding frenzy, but the sharks flee after accidentally setting off old naval mines, which knock Marlin and Dory unconscious.

Nemo is placed in a Fish Tank in the office of dentist Philip Sherman in Sydney. He meets the "Tank Gang" led by Gill, a Moorish idol.

The Tank Gang tell Nemo that he is to be given to Sherman's niece Darla, who killed her previous fish. Gill decides to help Nemo and devises an escape plan: Nemo can fit inside the aquarium's filter tube and must block it with a pebble, obliging Sherman to put the fish into plastic bags while he cleans the tank, and allow them to roll out the window and into the harbor. Nemo attempts to place the pebble, but fails and is almost killed.

Marlin and Dory awaken, but the mask falls into a deep trench. Descending after the mask, they are soon pursued by an anglerfish. Dory memorizes the address on the goggles and they escape. The two disregard directions from a school of moonfish, taking what Marlin believes is a safer route. After being stung by a forest of jellyfish, they are knocked unconscious and awaken in the East Australian Current with a group of sea turtles, including Crush and his son, Squirt. The story of Marlin's quest is relayed across the ocean to Sydney, where a pelican named Nigel tells the Tank Gang. Nemo then succeeds in blocking the filter and soon the aquarium is covered in green algae.

Marlin and Dory exit the East Australian Current and are consumed by a blue whale which expels them through its blowhole in Sydney Harbour. Nigel helps them escape a flock of seagulls and takes them to the dentist's office, where Sherman has foiled the Tank Gang with a new high-tech filter. When Darla arrives, Nemo plays dead and Nigel terrifies Darla, throwing the office into chaos. Sherman throws out Nigel along with Marlin and Dory, with the former believing that Nemo is dead. Gill helps Nemo escape through a drain leading to the ocean.

Marlin bids farewell to Nigel and Dory and begins his journey home. Nemo meets Dory but she does not remember him until her memory returns when she reads the word "Sydney" on a drainpipe. Dory reunites Nemo with Marlin, but a fishing trawler captures her in a net along with a school of groupers. With his father's blessing, Nemo enters the net, and he and Marlin instruct all of the fish to swim down. Their combined force breaks the net. Returning home to the reef, Marlin is more confident, while Dory has remained friends with Bruce, Anchor, and Chum. Marlin and Dory watch Nemo off as he goes to school. Meanwhile, after the dentist's filter breaks, the Tank

Gang escapes into Sydney Harbour after being placed in bags. Still stuck in the bags, they ponder what to do next.

---

When the movie was done we were cheering wildly and it was awesome!

Xenia: YEAH!

Nemo: Good memories.

Dory: That was fun.

Lola: It sure was.

Camie: So awesome.

secs agoMe: Lets see here.

I pulled up the info on Darla.

---

Darla is the 8-year-old niece of Philip Sherman, a dentist. Although she is not truly evil, and thus not a villain, she is rather rambunctious, immature and often becomes overexcited when she receives pet fish, which ironically has frequently resulted in her accidentally killing them in her excitement. Gill and the other fish in Sherman's fish tank describe Darla as a fish killer and that Nemo is supposed to be her new pet fish. The last fish she received in the previous year, Chuckles, was killed by her because she wouldn't stop shaking the bag Chuckles was in. In the scene where Darla is about to take Nemo from her uncle, Nemo plays dead, but Darla thinks he is just sleeping and starts shaking the bag in overreaction. Gill then fires himself out of the tank and lands in her hair, causing her to let go of Nemo bursting his bag. After Gill catapults Nemo into the air with a tooth mirror, Darla tries to grab him, but she misses and he lands in the dental sink and is sucked into the spiraling water going down the drain leading to the ocean. After Dr. Sherman returns Gill to the fish tank, Darla grabs the sink, looking down in it, yelling "Fishy!", wanting Nemo to come back, but she accidentally breaks it, causing it to harshly squirt water in her face.

Darla was seen in the magazine that Molly Davis read after organizing her donations for Sunnyside Daycare.

Although her uncle does not make a physical appearance in this film, a photo in his consulting office makes a cameo appearance in the Marine Life Institute when Dory meets Hank in the quarantine office. This may imply she has relatives working at the institute.

Darla appears in some Finding Nemo related attractions (although she doesn't do meet and greets) such as the Finding Nemo - The Musical show at Disney's Animal Kingdom playing the same part she did in the film, and in the Finding Nemo Submarine Voyage attraction in the lagoon diving with her uncle. In Tokyo DisneySea's Nemo & Friends SeaRider, Darla appears in a sequence taking place at the Marine Life Institute's touch tank where she grabs the SeaRider submarine, but drops it when Hank grabs it from her grasp.

When it was done we were shocked.

Me: She's just a little girl. No way in hell am I beating up a little girl.

Nico: Which is why we're separating her from her dark side.

Camie: Good idea.

Maria: There HAVE been times we've had to fight little kids.

Me: Only when they deserve it but that's on rare circles and circumstances. This time is different. This is a girl that has no powers and is kind and sweet. But she doesn't know any better.

Nico: I know J.D. But that's why we're going to talk to her and have her become a better person.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Universe 666 Cui, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble. I

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Universe 666 Cui, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Babs Bunny: And it makes sense for him to send Universe 666 Cui after us. Let me handle him, I'm not letting him get out of this.

Eli: Wait a second, won't Sebastian go into Demon Angel Mode again?!

Sebastian Mendez: This time, I won't. I don't want anymore blows to the head.

Lincoln: We'll hold you to it.

Nico: Yep. Alright, gang, let's go, we got to rescue Nemo and separate Darla from Dark Darla.

Lincoln: We'll make Dark Darla realize what happens when she dares to hurt any sea creatures like that, and once we get done with her, you better be ready for Hell, Universe 666 Cui.

Babs Bunny: He may not be as bad as the one we know and despise, but we still need to take him down and free him from that lunatic's control. (Spin-Changes into a Biker Bunny) (Tough Girl Voice) I'm gonna introduce my knuckles to his ugly face, and make him look even uglier.

Plucky Duck threw a pie at her face.

Babs Bunny: Killjoy.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Marlin and Dory rescue Nemo's friends and separate Darla from Dark Darla and deal with her, and once we get done with her, Babs Bunny is going to take down Universe 666 Cui and break Universe 666 Sebastian's control over him.

We went to the simulator and we were off to the world of Finding Nemo.

GREAT BARRIER REEF, AUSTRALIA

---

We were underwater and we were at the Great Barrier Reef in Australia,

Snake: Here we are, dudes!

Dixie: Isn't it amazing?

Me: The Great Barrier Reef. So awesome.

Nemo: It feels great to be home!

Dory: It sure is. I missed this place.

Qin: it sure is pretty.

Nico: Wow look at all the beautiful fish.

Lincoln: So many pretty kinds.

Fluttershy: I think it's all so amazing.

Twilight Sparkle: It sure is and look guys we're mermaids too.

Twilight and friends were mermaids and it was awesome.

Leni: I think there are Clown Fish here.

Me: Yes there are Leni.

Nico: How many species of fish are there here?

Me: The Great Barrier Reef is home to over 1,500 species of fish.

Destiny the Whale Shark: That is cool! And it feels great to be home.

Bailey the Beluga: It sure does.

Sheep Man: Nemo's a clown fish too.

Nemo: He's right.

Me: Yep.

We went to find Marlin.

We saw Nemo's home.

Nemo: My house. Wow.

Marlin: (GASP) Nemo!

He went and hugged his son.

Marlin: My Nemo are you okay?

Nemo: I sure am dad.

Dory: Thank goodness you weren't kidnapped. Uh who are you again?

Marlin: Marlin.

Camie: Dory sure can't remember much for long.

Me: You know how Dory is. She suffers from short-term memory loss.

Goliath: Hey, Dory! Remember your Team Leader?

Dory: Yes I remember Nico.

Nico: Good.

Qin: Dory is awesome. She is a Blue Tang. Those are my favorite kinds of fish.

Gina Green: At least she's not a piranha.

Dory: No I am not a piranha thank goodness.

Me: I love all fish and they are pretty.

Camie: They sure are.

Marlin: I'm glad you guys all made it.

Me: Let me guess, Gill, Bloat, Peach, Bubbles, Gurgle, Deb & Flo and Jacques were kidnapped or Fishnapped in this case.

Marlin: That's right!

Nemo: They are heading to that aquarium where I was at.

Marlin: Oh man.

Flamefeather: We're gonna need backup from here.

Me: Good idea.

I called in our friends from Bikini Bottom, the heroes of Shark Tale and fish all over.

Nico: Awesome!

Maria: And this backup too. (TURNS DIAL) WHITE LIGHTNING 6!

She summoned White Lightning, Marina Del Ray, Universe 666 Dave/Dr. Octavius Brine, Ghiaccio, DJ Drummond and Buzzord.

Nico: Oh yeah!

Marina Del Ray: Awesome to be back in the water.

Calamitous: I think Flamefeather was referring to the backup that Nemo and the others know.

Nemo: But we'll need all the help from them too.

Marina Del Ray: Good.

Maria: I was going to call them anyway.

Nemo whistled and then a bunch of sea turtles and Bruce and his gang came!

Bruce: (Grins) Hello!

Crush: What's up dudes!

Stalker: Bruce! We were just thinking about you and your buddies!

Bruce: We actually knew you were going to call us one day.

Anchor: Yeah we heard your call and figured you might need help.

Destiny the Whale Shark: This is gonna be awesome helping to rescue Nemo's friends.

Dory: Yeah.

Wilbur: Now this is what we're talking about!

Runt: Nemo, how were you captured the first time?

Nemo: I attracted the Diver's attention after I touched the boat.

Lunk: That doesn't help.

Me: He scooped him into a plastic bag and brought him to a dentist.

Eli: Luckily I know where it is.

Me: Me too.

Chompy growled in curiosity.

Me: Yep.

Eli: This way.

We went to the surface and we looked and saw the dentist on the Sydney Wharf.

Me: There it is right there.

Dory: That's it.

Nemo: Wow.

Skinner: First, we need to get the Tank Gang out.

Nico: Yeah.

Eli: Leave that to me. I'll use the Force to bring them to us.

Me: Okay.

Terrorsaur: First, we need to make sure no one's watching.

Me: Good idea. Hmm. (Gets an idea) Luxord can you stop time long enough for us to get the tank gang out?

Luxord: Now that i can do.

Nico: Good thinking there.

Atomic Skull: Why can't we make some noise instead?

Me: Because that would be too easy.

Qin: Yep. Lets get those fish.

We put our plan into action.

Luxord stopped time and we got onto land and went into the dentist and got to the fish tank.

Me: Here they are.

Pirate Man: We be getting you out, mateys!

Gill: Thank you guys.

Maria put them into a ball of water and we got them outside.

Me: Wait.

I saw a guy that I didn't like and then slapped, punched and farted on him.

SLAP SLAP POW POW LOUD FART!

I came back.

Me: Didn"t like that guy. Don't ask why.

Xenia: Oh.

We went and got them back to the ocean.

Bubbles: Yeah that was awesome!

Bloat: it sure was.

LaGrange: You guys okay?

Gill: Thanks to you guys.

Bloat: Yeah we sure are glad you came.

Time resumed and then the guy I hit felt really nasty pain and smelled something REALLY horrible and he spat out some teeth and threw up.

Nico: (LAUGHS) That was funny.

Luxord: Yeah.

Nemo: Thank goodness you guys are okay.

Gill: That was clever and you saved us from Darcy.

Chompy Mage: Her name is Darla.

Gill: Sorry.

Me: No worries. We got to set some things straight with her.

Nico: Yep.

Eli: She's coming. I sense her.

Nico: Now guys when we meet her NO VIOLENT confrontations! She is just a little girl! I mean it and don't cross your fingers behind your back!

Mole Man: Oh, alright.

Nico: Good. And I mean it!

Mole Man: Okay okay.

Eli: Here she comes.

We saw her.

Me: Lets act natural.

We went over to a bench.

Me: Excuse me? Are you Darla?

Darla: Team Loud Phoenix Storm!? Wow what an honor to meet you guys.

Me: Same here. Do you mind if we talk to you for a few minutes?

Darla: Sure. I'm not in trouble am I?

Me: No no we just want to talk to you.

Darla: Okay.

She went over to us.

Me: Darla we have been having a little concerns about how you have been treating fish.

Darla: Oh you mean how I shake fish like that?

Me: That's right.

Qin: I know how much you love pet fish but they will love you too if you are nice and feed and care for them instead of shaking their bag.

Nico: Yeah.

Me: All fish are pretty. Yes but can you please be nice to them for us?

Centaur Man: Also, we need to our entrance. Sorry but it's a daily thing.

Darla: I know.

But then she clutched her head.

Me: Uh oh. Here it comes.

A blob of darkness came out of her and separated from her and it landed 300 yards away from the dentist!

Me: There she is!

Varie: She'll be okay.

Nico: Lets do it!

We went over to Dark Darla!

Dark Darla: All those fish will be mine!

Then the spirits of fish came and they swirled around her and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and we came out.

Me: Dark Darla!

She looked like a black hair version of Darla and had PIERCING RED EYES!

Laney: Whoa! Nasty!

Silver Samurai: Now we may dispose of you!

Dark Darla: COME AND GET ME!

Me: Gladly!

I fired waves of water and splashed her all over!

Nico fired energy lasers and blasted her all over.

Laney fired waves of leaves and slashed her all over.

Camie fired an energy blast and blasted her.

Horsea hopped over to her

Horsea: Taste Octopus ink!

She squirted ink and blasted it into her eyes.

Lola: YEAH!

Manaphy slapped her all over.

Varie: YEAH!

May: Go Manaphy!

Laney: Yeah!

Poromon drank several bottles of beer.

He threw the bottles and smashed them on Dark Darla's head.

SMASH SMASH SMASH SMASH!

Qin: Yeah!

Poliwag ran up to her.

He slapped her all over with his tail.

SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

Qin: Oh yeah!

Xenia: Take that!

Me: We fought him on a Donut and Pastery planet.

Xenia: That was cool.

?: I agree there!

A figure came out and it was VULTURUS MAXIMUS from episodes 20 and 21 of Operation Overdrive!

---

This white vulture/dragon-like monster was summoned by Thrax. Supposedly, according to Thrax, he is invincible, or was thought to be. He is grown and sent to attack the past and future Rangers in both the DriveMax Ultrazord and the Flash Point Megazord, it had the upper hand thanks to its shear power, only to be destroyed/sliced by Mack using the sword Excelsior.

Later he was somehow found weakened but in one piece by the villains. Flurious managed to restore his strength and upgraded him with a Gyro to give him a more powerful form. The revived Vulturus fought in Thrax's final battle against the eleven Rangers where he was destroyed once and for all by the Mercury Ranger's Drive Detector.

---

Mack: Vulturus Maximus!

Vulturus Maximus: Been a while rangers.

Me: I remember you! You were sent to attack the past and future rangers in the Megazords and destroy them.

Lincoln: I've had enough of you, Dark Darla.

Lincoln turned into Maelstrom Lincoln, as his long wild white hair reaching the bottom of his neck, his large white wolf ears, his eleven massive and long white wolf tails except for the rainbow tips and rainbow markings and white rabbit's tail turned aqua blue, the eleven large colored orbs orbiting around his legs and eleven smaller colored orbs orbiting around his waist turned aqua blue, his deep sapphire blue eyes and the rainbow iris of his Third Eye turned deep aqua blue, his large royal blue pants turned aqua blue, but the rainbow fire and multicolored lightning bolts on the thighs remained the same, his massive white angel wings turned aqua blue except for the orange and aurora-colored tips on the large white feathers, and his large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head turned aqua blue.

Suddenly, we saw water and ocean waves splashing and dancing around Lincoln, as his massive aqua blue angel wings spread out to their maximum length of 8'4".

Lincoln: (Singing Divinely) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be. Your future should filled with magic, dreams, and wishes brought to life. But, the days ahead are dark and tragic, no time for hope when all is strife, whatever might have been, all the dreams that you did share, because of you, Dark Darla. Now, the future is a cold nightmare.

Nico and I had shivers going down our spines and so did many of us when Lincoln sang that song.

Then, Lincoln fired massive and powerful blasts of ocean blue energy and water from his massive white angel wings and the four large orbiting aqua blue rings on each corner of his large halo, and once they hit Dark Darla, she was ripped apart and drowned by the tides created by Poseidon and her spirit was sent to The Black Gates.

Lincoln changed back.

Applejack: HOOWEE! It's been a long while since you went into any of your Elemental Forms, Lincoln.

Me: I agree, and the curses you've made have also gotten infinite-times stronger as well as your Elemental Forms!

Nico: You said it, and that was some awesome work, guys, we defeated Dark Darla and saved Darla from her Dark Side.

Lincoln: That we did. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the eight large planets and stars orbing around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby

Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 King Cui, or we will force you out!

A figure came out, it was none other than Universe 666 Cui, and like with Universe 666 Broly, his eyes were completely blood red and he had a black and purple aura around him.

Nico: So, Universe 666 Cui has arrived.

Buster Bunny: He may not be as bad as the one we know and despise, but still we got to stop him and free him from that leech's control. Babzinsky, you're up.

Babs Bunny: You got it.

Suddenly, Babs Bunny's purple eyes turned neon purple and she was surrounded by a pink and yellow energy aura with stars, basketballs, water, ocean waves, rabbits, phoenixes, and angels, she unholstered her greatsword from her back, and as she approached Universe 666 Cui, she left pink and yellow energy, stars, basketballs, water, ocean waves, rabbits, phoenixes, and angels with every step.

Babs Bunny: Even though you're not like the Cui we know and still hate even now, you're just as dangerous as he is, and Universe 666 Sebastian bringing you back and turning you into his slave basically crossed a serious line, and for that, I'm going to take you down and Buster's going remove that basket case's influence from you, hope you're ready for the beatdown of your life!

Suddenly, Babs Bunny was surrounded by a massive vortex of pink and yellow energy with stars, basketballs, water, ocean waves surrounding the vortex, there are rabbits, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with blue eyes gazing into Universe 666 Cui: the eyes of salvation.

Me: WHOA!

Buster Bunny: EVERYONE, GET BACK! THINGS ARE ABOUT TO GET REALLY REALLY UGLY!

Then, as the vortex faded, Babs Bunny emerged, but she was changed forever.

Babs Bunny grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large pink and yellow orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her full head of pink hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and a pink and yellow energy aura with stars, basketballs, water, ocean waves, rabbits, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix, rabbit, and angel emblazoned on her forehead and Third Eye with purple iris, she has on her Crystal Necklace of The Buddha with pink gems on the gold water drop links and yellow crystal links and a pink rabbit-shaped Element of Harmony and on the bottom of the Element of Harmony is a rabbit holding with the Water, Laughter, and Eternity Kanjis in its paws for the pendant and she has on a white and gold accented choker on her neck, Babs Bunny has on her yellow sweater and purple skirt and she has on a long sleeveless white trenchcoat with stars, basketballs, water, ocean waves, rabbits, phoenixes, and angels on the coattails, and on the back is a phoenix, rabbit, and angel surrounded by water and basketballs and on top is The Warner Bros. logo. Suddenly, Babs Bunny felt a sharp pain on her back, and then, massive pink angel wings with yellow tips on the large pink feathers grew and sprouted out of her back. Babs Bunny has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Babs Bunny's massive greatsword, and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink and yellow energy, stars, basketballs, water, ocean waves, rabbits, phoenixes, and angels, and when it emerged, it transformed into Babs Bunny's Looney Tunes Comedic Oceanic Maelstrom Wacky Impression Rabbit Phoenix Angel Greatsword of Looney Tunes Comedic Oceanic Maelstrom Wacky Impression Rabbit Phoenix Angel Justice, it's a brand-new massive greatsword with embedded yellow gems and the silhouette of Lola Bunny etched on the 7'6" massive, wide, double-edged pink blade, large pink rabbit heads for the crossguard, large white angel faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large pink rabbit heads with purple gems for eyes and large pink rabbit head with purple gems for eyes and yellow gem in its mouth on the bottom of the pink rabbit heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold rabbit head with purple gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. RABBIT PHOENIX ANGEL LOVE!

We were amazed by Babs Bunny's Super Angel-Acme Next Gen Knight-Rabbit-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Buster Bunny saw it.

Buster Bunny: (EYES POP OUT AND HORN SOUNDS AND TONGUE ROLLS OUT OF HIS MOUTH AND ON THE GROUND) (IMMEDIATELY GOES CRAZY AND LAUGHS LIKE A CRAZY PERSON WHILE JUMPING ON ALL FOURS)

But, when Universe 666 Cui saw it, he fired a massive energy blast at Babs Bunny to kill her, but Babs Bunny fired a massive barrage of peach and yellow energy, stars, basketballs, water, ocean waves, rabbits, phoenixes, and angels, which hit Universe 666 Cui and he was sent crashing into a wall, he got back out, but now, he was beyond enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Babs Bunny did.

Bugs Bunny: WHAT THE?!

Lola Bunny: Even I'm stunned by what we just saw, Bugs, nice one, Babs!

Babs Bunny: (Divine Echoing Godly Voice of The Eternal Comedic Oceanic Maelstrom Wacky Impressionist Rabbit Phoenix Angel and Divine Cosmic Eternal Comedic Oceanic Maelstrom Wacky Impressionist Rabbit Phoenix Angel Love) But, now things are about to get ugly. Alright, you. (CRACKS KNUCKLES) Let's dance!

Fifi La Fume: (French Accent) Let us join in as well, Babs.

Shirley the Loon: Yeah, we can't let you do this by yourself or some junk.

Me: Oh man, The Amazing Three are going to tear Universe 666 Cui apart and make him pay.

Sebastian felt pain in his eyes as he howled in agony and we saw blood tears pouring from his eyes, but we also saw his eyes change to blood red: HE'S GONE INTO FULL-ON DEMON ANGEL MODE!

Sebastian Mendez: (Demonic Voice) NOT UNLESS I KILL HIM FIRST!

Sebastian charged at Universe 666 Cui with the intention of killing him as he was laughing like the malevolent demon he was, until Fifi La Fume and Shirley the Loon did some Taekwondo and Judo moves on him, and they knocked him flat on his butt. Sebastian got back up, but in a creepy way as his spine was curved upwards and he glared at The Amazing Three.

Sebastian Mendez: (HISSES)

Sebastian Mendez crawled away on all fours back to us like a spider.

Babs Bunny, Shirley the Loon, and Fifi La Fume went after Universe 666 Cui, and she fired extremely powerful blasts of pink and yellow energy, stars, water, ocean waves, basketballs, rabbits, phoenixes, and angels, stink gas, and psychic energy at Universe 666 Cui, and they exploded with incredible power as they hit him. Then, Babs Bunny attacked him with swings of her massive greatsword leaving scars on him and Fifi La Fume sprayed him and Shirley the Loon fired psychic energy at him.

Buster Bunny: Whoa, they're really tearing him apart!

Me: Messing with The Amazing Three is possibly the worst thing anyone can ever do, case in point, like what we saw happen to Sebastian.

Plucky Duck: Clearly, that's what happens when he let his bloodlust get the better of him again.

Hampton Pig: But, he clearly can't help himself though, it's because of what happened to him that made him act like that.

Lincoln: Exactly. Plus, it's a bad habit he can't seem to break out of clearly.

Then, Babs Bunny summoned and fired basketballs made of pure water which hit Universe 666 Cui, and she entombed him in a watery basketball, and she dribbled the basketball as she ran, and as she neared the basket, she leapt into the air and made a SLAM DUNK AS SHE DUNKED THE BALL AND IT THEN EXPLODED IN A MASSIVE MAELSTROM AS SHE, FIFI LA FUME, AND SHIRLEY THE LOON BACK AWAY!

Me: WHOO! TWO POINTS!

Lola Bunny: Nice one, Babs.

That caused Universe 666 Cui to be knocked out, and then, he was bound with chains of light fired by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Cui and removed every trace of the poisonous darkness that infected him, and he was restored and sent to The Masters of Evil. We all cheered wildly as Babs Bunny holstered her massive greatsword on her back and powered down, and Babs Bunny's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive pink angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more. By the way, where did you send the Universe 666 versions of Broly, Zarbon, Dodoria, and King Cold?

Buster Bunny: Sent them to Vypra, just like I did with Universe 666 Cui after I used my Poisonous Darkness Purification technique.

Me: Having them put in as new recruits, nice one. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Aria Pirateangel, the Sparkplug Gene-Slammer, Faith Pirateangel, the Fixit Gene-Slammer, Hannah Pirateangel, the Wheelie Gene-Slammer, Nina Pirateangel, the Brains Gene-Slammer, Olive Pirateangel, the Slicedice Gene-Slammer, Rana Pirateangel, the Glacius Gene-Slammer, Tori Pirateangel, the Swelter Gene-Slammer, Xena Pirateangel, the Axion Gene-Slammer, and Yasmin Pirateangel, the Theorem Gene-Slammer.

Zola (Blue Dragon): (GASPS) My sisters?!

Selene Emperyous: The Pirateangel Sisters as in Zola's sisters?! Awesome, and you guys are going to love meeting them, Aria Pirateangel, the Sparkplug Gene-Slammer, Faith Pirateangel, the Fixit Gene-Slammer, Hannah Pirateangel, the Wheelie Gene-Slammer, Nina Pirateangel, the Brains Gene-Slammer, Olive Pirateangel, the Slicedice Gene-Slammer, Rana Pirateangel, the Glacius Gene-Slammer, Tori Pirateangel, the Swelter Gene-Slammer, Xena Pirateangel, the Axion Gene-Slammer, and Yasmin Pirateangel, the Theorem Gene-Slammer are Lincoln's Guardian Angels from Michigan and classmates in History, and they are also beautiful and deadly pirates like their sister, Zola. They, Zola, and Lincoln have found secret treasures from different parts of the world and even donated them to museums across the world.

Zola (Blue Dragon): And they're identified by the color of their hair: Aria has blue hair with matching clothes, Faith has red hair with matching clothes, Hannah has orange hair with matching clothes, Nina has pink hair with matching clothes, Olive has green hair with matching clothes, Rana has marine blue hair with matching clothes, Tori has light yellow hair with matching clothes, Xena has black hair with matching clothes, and Yasmin has white hair with matching clothes.

Michelle Emperyous: Yep, Lincoln made the Pirateangel Sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Zola and her sisters along with the rest of his harem.

Plus, they hate Flip with a blazing passion, the reason why is because he tried to steal the treasures from museums only to get caught by Lincoln, Zola, and her sisters who then beat the crap out of Flip and placed hot wax all over him and ripped it off taking all the hair off Flip and wedgied Flip onto a flagpole.

Nico: (GROWLS) THAT GODDAMN MUTANT CHEAPSKATE!

Lincoln: Yeah, that also proves just how much of a lowlife Flip truly is, and that he only cares about his greed, and I'm almost that close to killing him early.

Me: Same here.

Nico: Me too, but we just need to hold on a while longer.

Beast Man: Now, what have we learned today?

Darla: Not to treat fish badly.

Dark Raph: Good.

Dark Mikey: Make sure to remember that next time.

Doctor Octopus: And we didn't have to hurt you.

Me: That's right. I'm glad we had this little talk.

Darla: I'm we did too.

Riddler: Riddle me this: What do we do now?

Eris: We celebrate!

Nico: Yeah! Great job today everyone.

Nemo: (To the viewers) Fish are friends and awesome pets too.

Me: Yep.

We went back home and went to Lynn's Table for some pasta.

We later went home and enjoyed the rest of the day and went to

sleep.

Lynn Sr.: I always love coming to Paris. It's so awesome.

Me: It sure is Mr. Lynn. Paris is known as the city of love.

Camie: It sure is.

Lynn Sr.: I'm thinking about adding French meals to the menu at Lynn's Table.

Me: That's an awesome idea Mr. Lynn. Everyone would love that.

Lana: Yeah they sure would. Especially Ratatouille.

Nico: They sure would.

Laney: I agree there. I love ratatouille.

Varie: Good stuff.

Nico: Mr. Lynn, I want to thank you, Puff, and your teams for coming.

Lynn Sr.: No problem Nico. It's so awesome that we get to have these amazing rescues.

Lisa Loud: They are always fun father.

Rita: They sure are and dear you're going to do great.

Lynn Sr.: I know I am.

Hina: This will be fun.

Nico: Hina, what do you like to do in your free time?

Hina: For now I just want to spend some bonding time with Hiei and Yukina. I haven't seen my children in so long ever since you brought me back.

Me: You must have a lot of catching up to do with them.

Hina: I sure do. And I heard that my children have come a long way.

Me: They sure have. And they went through a lot. Yusuke can tell you what happened during that time.

Hina: I can tell this will be big.

Me: Yeah.

Nico: You must've missed your kids.

Hina: I did. What my people did to me because of our strict rules tore me apart.

Me: That is harsh but yeah that was awful. What they did showed that they were just following the rules but it was much too harsh.

Hina: It was.

Lola: Yeah.

Laney: That was awful.

Varie: Yep.

Me: Man that was awesome helping Nemo and friends.

Camie: Boy it was long overdue.

Me: It sure was.

Eddy: I didn't even get shoot Darla in the shoulder at least!

Me: Well it was for the best Eddy. She is just a little girl.

Eddy: You're right.

Me: Maybe we can have you shoot the baddie on the rescue.

Eddy: That works.

Me: Good.

Nico: J.D. you made the right call talking to Darla about what she was doing. I'm proud of you for that.

Me: Thanks Nico. I can never bring myself to hurt a little girl that doesn't have powers.

Eli: That is very wise.

Juran: Although it's not the first little kid without powers that we've faced.

Me: Nope there were others. But this was one of those instances where she was just a little girl that just needed a good talking to.

Nico: You're right on that.

Laney: That is true.

Camie: Yeah.

Eddy: I WAS planning on pointing my blaster and telling her that this is goodbye.

Eli: Too extreme Eddy.

Eddy: You're right.

Qin: But we still got the job done.

Lola: Either way it was cool meeting Nemo's friends.

Camie: It sure was.

Leni: That was totes amazing.

Me: It sure was.

Puff: I love the movie Finding Nemo. One of my all time favorites.

Me: So awesome.

Nico: Also, thank you again to you guys for helping me kill Prime Slappy.

Me: It was no problem Nico. Slappy may have been a dummy, (To Luan) No offense to Mr. Coconuts and our dummy friends, but he will always be a monster that never loved ANYONE. He hated everything. And killed countless others. But our friendship was far too strong for him to overcome.

Nico: That is for sure.

Eli: Yeah.

Nico: I know that if it had been you guys framed, you would've attacked the police. But I'm not like that. I wasn't going to attack the police for doing their jobs.

Me: You are a true law abiding citizen Nico. And that shows that you are a true loyal citizen.

Nico: Yep. Oh and those guys I know in that cell that you guys found me at. They were people that I saved from racist cops a long time ago.

Me: Oh man! That is a tremendously terrible issue going on now these days. I didn't know you did that back then.

May: Me neither. That is amazing!

Maria: Those attacked Cleveland before.

Me: I heard about that.

Nico: Yeah.

Qin: That was awful. And Peter Griffin added fuel to the fire.

Camie: That big fat testicle chinned douchebag.

Me: Yeah.

May: I think it's while Cleveland was mailing a card.

Maria: Yeah it was. That was disgusting.

Me: Yeah. But I think that was before we blew up Quahog.

Nico: Yeah.

Me: Yep.

Laney: And for the record Nico, we would never attack cops like that. What we did to clear your name was the smart approach.

Me: Yep. Thanks to Spiderman and our security cameras we caught Slappy red-handed. Or red-painted handed in that case.

Nico: Yep you sure did.

But then.

BLAM!

I got bashed in the head by Lincoln.

Me: OW! Lincoln what the fuck was that for!?

Lincoln: For not telling us about your plan stupid!

Nico: Okay Lincoln that's enough. J.D. learned his lesson that day.

Eddy: I knew we would find proof.

Me: Yeah we did.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a clone of Darkblade is here, and he's causing havoc.

We gasped, and Nico was already growling like a rabid dog.

Nico: What?! When I get my hands on the asshole bastard who made that knight freak clone, I'm gonna… !

Eli: I picked up on the dark energy from him, it was Universe 666 Sebastian, he was the one who'd made that clone to cause havoc.

We gasped.

Nico: Hadn't forgotten about his powers with Infernal Darkness. We're gonna need Sebastian for this.

Lincoln: Even more, Nico, since we got another Akumatized Villain clone running loose, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for him.

Lincoln: And we also got more bad news: Elmyra Duff's here and she's causing trouble for animals yet again.

UH OH!

The toons screamed in fright and hid behind us!

Camie: Jeez, what's come over them?

Me: It's a really ugly story.

Lincoln explained Elmyra Duff's history, and everyone who wasn't with us were horrified.

Camie: HOW COULD SHE DO THIS?!

Lana: Elmyra may love animals, but she really doesn't know how to properly care for them, she's a danger to all animals and our friends from Acme Acres.

Fluttershy: Which is why I'm going to use my Stare on her again.

We gasped.

Lincoln: With your enhanced Stare after your transformation, Flutters, Elmyra's in for the biggest scare of her life!

Me: She's had this coming since 1990.

Lincoln: Without a doubt.

Me: This is gonna be good.

Poromon: She's not hugging me!

Nico: Don't worry we won't let her touch you.

May: No way are we going to let her near the mascots!

Lola: Yeah!

Lincoln: (Sensed for the Darkblade Clone and Elmyra Duff) AHA! Gotcha! I just spotted the clone of Darkblade, he's 20 yards away and he's already causing havoc, and I also spotted Elmyra, she's also 20 yards away and already, animals are running from her.

Nico: We'll handle the Darkblade clone while Fluttershy handles Elmyra.

Lincoln: Yeah! (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Darkblade Clone and Elmyra Duff.

We were flying, and then, we saw the Darkblade clone causing havoc and animals running from Elmyra Duff.

Lincoln: There they are. EINI, LET'S SPEED AWAY!

Lincoln transformed into Thunder Hare, and he unholstered his massive greatsword and lightning whip and his angelic and demonic greatswords appeared at his sides.

Me: Better be ready for action myself. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Me: (HOWLS)

I was ready for action!

Then, he went after the Darkblade clone, and he slashed him with his massive greatsword and his angelic and demonic greatswords also slashed the Darkblade clone.

And Lincoln also whipped him with his lightning whip and the Darkblade clone also got electrocuted badly.

Fluttershy charged down and she fired vines that tied up Elmyra Duff and she got the animals away from her.

Me: Damn, Lincoln's tearing him apart. Hey, leave some for the rest of us.

Lincoln kicked the Darkblade clone away, and the rest of us landed.

Nico: Even if you're just a clone, you're just as bad as the real one!

Roxas: Remember me?!

Darkblade Clone: I remember you Roxas! You hurt me bad!

Roxas: And I'm glad I did!

Suddenly, Fluttershy used her enhanced Stare.

(WARBLING NOISES AND DEMONIC LAUGHTER)

It scared her so bad, it's THE WORST NIGHTMARE SCARED BAD TIMES 500,000,000,000,000,000,000,000! THAT MADE ELMYRA SCREAM LIKE A FRIGHTENED KITTEN AND SHE RAN OFF AGAIN!

Eli: SERVES HER RIGHT!

Me: Welcome to Pet Semetery, Fluttershy style.

Lincoln: Ooh that is good J.D.

Derpy Hooves: That's one pain in the neck taken care of, now for the main target.

Me: Yep.

I formed my scythe into a sword.

Me: Lets dance.

Me and Darkblade then clashed with incredible power!

Sparks flew everywhere with incredible force.

Roxas: Save some for me!

I kicked Darkblade and Roxas went at him and slashed him all over with the Oblivion and Oathkeeper Keyblades.

Me: Yeah! Time for some Jungle Fury Power!

I used the Jungle Fury Donbrothers Gear and put it in my sword and it turned into a Jungle Fury Sword!

Me: Oh yeah!

I slashed him with the power of the Wolf!

Roxas clashed with him And sparks flew all over the place.

SLASH SLASH SLASH SLASH SLASH!

Darkblade was really putting up a fight!

Qin: WHOA! Look at Roxas Go!

Sora: That's my awesome Nobody brother.

Aqua: Wait you decided to have Roxas become your brother too?

Sora: Yeah he is my Nobody so he and I are like brothers.

Me: That does make perfect sense just like Namine and Kairi are like sisters.

Nico: True.

Me: How about this to start!

I used the power of the raccoon spirit and fired a wave of black and grey energy and it hit Darkblade and swiped something off him. I opened it and it was a bag of rubies.

Me: (Whistles) Nice rubies.

Isabel: Wow! The raccoon totem is also a good luck symbol for going into a negotiation of some kind when you don't want to be outsmarted!

Nico: That is cool!

Me: Yeah it was! How about this too?

I used the power of the Pelican and fired a wave of energy into the sky and it formed into a pelican and it dropped a big pile of chum from its mouth and splattered all over Darkblade!

KRASPLAT!

Nico: OH SICK!

Isabel: Gross but cool! The pelican is the symbol for focus, persistence, and self-initiation with style and flair too.

Rarity: That is really amazing darlings.

Nico: I never knew about that. That is cool.

Lola: Yeah!

Me: How about the Song of the Elk!

I used the power of the Elk and fired a wave of energy and it formed into an Elk and blasted down Darkblade.

Isabel: Cool! The Elk is a symbol of inner strength, wisdom, and grace, and having a white elk sighting was a sign of divine protection.

Qin: Wow!

Laney: That is cool!

Me: It sure is! Hope he's not afraid of mice!

I used the power of the Mouse and fired a blast of energy and it formed into a swarm of mice and they smashed down Darkblade.

Isabel: Wow! The Mouse represents endurance, focus, wit, fertility and opportunism, as well as disease and death. Mice are known for their ability to adapt and endure harsh weather, and for using their sharp intellect to take advantage of the resources around them in order to survive.

Nico: That is cool!

Qin: Yeah!

Me: The flight of the Owl comes!

I used the power of the Owl and I fired a wave of energy and it formed into a huge owl and it grabbed Darkblade in its talons and lifted him and dropped him from 1,000 feet and smashed him onto the ground!

KRASMASH!

Qin: GEEZ!

Camie: Awesome!

Isabel: The owl spirit animal reminds us to tap into our intuition. This is where true wisdom lies. As a personal totem, the owl provides the inspiration and guidance necessary to explore the unknown, to change, transform, and experience the mystery and magic of life.

Nico: Wow that is awesome!

Lola: I think that is cool.

Me: It sure is. Wait! I've been wanting to try this.

I used the W Kamen Rider Gear that I made and it formed my sword into a Gaia Memory sword!

Me: Awesome!

Nico: Cool!

Me: Time to Count up Your Sins!

Roxas threw his Keyblade at him

SLASH!

It slashed Darkblade!

Me: Awesome! How about this!

HEAT! EXPLOSION!

I used the Heat and Explosion Gaia Memories and it formed my sword blade into an explosive fiire blade!

Philip: Wow! That is an awesome combo!

Me: Lets see what it can do!

I swung it and fired a massive barrage of fireballs and they hit Darkblade and exploded all over!

KRABBBBBBBBBOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOMMMM!

Fire erupted everywhere all over around Darkblade!

Me: Wow!

Nico: That was powerful!

Roxas slashed him.

SLASH!

He was really going at it.

Me: This will rust his armor!

OCEAN! TERROR!

I used the Ocean and Terror Gaia Memories and It formed into a DARK OCEAN SWORD!

Me: Whoa! This is a sword from The Ocean of Hell.

I fired a wave of water and it hit Dark Blade and it RUSTED HIS ARMOR AND FROZE HIM STIFF!

Nico: WHOA!

Philip: Wow! That is cool!

Me: Wow!

Roxas: Did that get him?

Me: He's stiff as a board.

Nico: I didn't know your sword can do that J.d

Me: First time doing that actually.

But then Darkblade broke out of the rust!

Qin: WHOA!

Me: Tough guy.

Nico: WHOA! WE HAVEN'T HAD THAT HAPPEN IN A LONG WHILE!

Lincoln: BUT, THE END RESULT'S GOING TO BE THE SAME, BLOOD'S ABOUT TO RAIN DOWN AGAIN! BRACE YOURSELVES!

THEN, THE WORLD TREE ESTATE, THE TREE OF HARMONY, AND ALL OF THE POWERFUL LANDS OF EQUESTRIA GLOWED AND THEIR ENERGY FLOWED INTO DERPY HOOVES! THEN, AS SOON AS THE VORTEX FADED, DERPY HOOVES EMERGED FOREVER CHANGED!

We were really amazed by Derpy Hooves' Super Angel-Ditzy Hilarity Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the Darkblade Clone saw it, he went mad and ran at her to kill her, but Derpy Hooves fired a massive barrage of light sapphire bluish gray energy, stars, winds, bubbles, magic, Alicorns, phoenixes, and angels which hit the Darkblade clone and sent him flying into a wall, he got back up, but now, he was enraged.

Nico: (TRULY AMAZED) Whoa… !

Me: (TRULY AMAZED) Incredible… !

Lincoln: (TRULY AMAZED BEYOND IMAGINATION) That's so awesome! Derpy Hooves' transformed into her Super Angel-Ditzy Hilarity Alicorn Princess-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and for what that clone tried to do to her, now he's really done it!

Derpy Hooves: (Divine Echoing Godly Voice of The Cosmic Starstorm Magic Ditzy Hilarity Hurricane Bubble Alicorn Princess Angel and Divine Cosmic Starstorm Magic Ditzy Hilarity Hurricane Bubble Alicorn Princess Angel Love) Now, it's high-time we taught you a brutal lesson, you demonic knight.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Derpy Hooves and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, you rotten dark knight, now we're going to get rid of you and send another threatening message to that lunatic, Universe 666 Sebastian, who's still running loose.

Nico: And that message is this: cross us one more time, Universe 666 Sebastian, and the pain and suffering we're going to put on you will make all of the nightmares, pain, and suffering you've done unto others in the past will make Hell look like a tropical vacation!

Lincoln, Derpy Hooves, and I went after the Darkblade clone, and we fired extremely powerful blasts of rainbow energy, light sapphire bluish grey energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at the Darkblade clone and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Derpy Hooves, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Darkblade clone insane and straight to the brink of insanity.

Darkblade Clone: YOU! YOU! I WILL KILL YOU ALL!

The Darkblade clone went at us mad with rage and insanity as we saw a black and dark purple aura form around him: we knew all along it was the Infernal Darkness of Universe 666 Sebastian that had given him life. Sebastian fired blasts of Divine Darkness which hit the Darkblade clone, and he lost the additional dark powers that lunatic gave him.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough. PARASITIC SYMBIOTE ENERGY DRAIN!

Lincoln fired tentacles of symbiote goo with mouth-like suckers, and as they latched onto the Mr. Pigeon clone, Lincoln began sucking out and absorbing his energy and assimilating his powers as streams of blue energy were being sucked out of the Darkblade clone and flowing into Lincoln and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, the Darkblade clone suddenly exploded as Lincoln sucked out the last of his energy and he sent the clone's spirit to The Black Gates. Everyone cheered as Lincoln, Derpy Hooves, and I holstered our massive greatswords on our backs and powered down, and Derpy Hooves' new body, clothes, weapons, jewelry, Third Eye, gold halo, longer pale light grayish apple green tail, and massive light sapphire bluish grey angel wings are permanent.

Suddenly, Derpy Hooves felt wobbly and she was about to faint, but Lincoln caught her in his massive and powerful muscular arms.

Lincoln: You okay, Derpy Hooves?

Derpy Hooves: I'm way dizzy from that, but I'm okay.

Me: Now, you know how we felt.

Nico: But, you did it, you, Lincoln, and J.D. destroyed the Darkblade clone and pissed off that violent, deranged monster even more.

Suddenly, Derpy Hooves wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Derpy Hooves' face, they kissed passionately as she moved her arms, and then, placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces around them and we cheered wildly. Then, Lincoln and Derpy Hooves absorbed the elements and they came back to us as the display vanished.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Me: YEAH, FUCK YOU TOO, YOU DERANGED ASSHOLE MONSTER!

Nico: He's already losing his mind even more!

Sebastian Mendez: He can go to Hell for all I care. But, no, he's getting The Black Gates after we free all the Universe 666 Z-Fighters' foes from his mind control.

Me: But Darkblade is gone.

Roxas: There! He's dead!

Me: But that was awesome!

Roxas: It sure was! That was cool that your sword can do that J.D.

Me: It was awesome trying that out.

Nico: Wow! Donbrothers Gear and Gaia Memory combo weapon. That is awesome.

Me: Yep.

Nico: Explain to me why we can't just nuke Universe 666 Sebastian's place!

Me: Whoa! Nico calm down. We can't attack him till we reduce his forces down to just him.

Sebastian Mendez: Yeah besides we want to see the look on my counterparts face when we kill all his forces.

Nico: Oh that is a priceless moment.

Camie: Yep.

Nico: I'm not pissed I'm concerned that he's becoming more insane then any villain we've ever fought.

Me: You have every right to be concerned. But let him become insane. I want his brain to suffer as well.

Nico: You are sadistic J.D.

Me: I know.

I smirked maliciously.

Maria: More insane than Joker?

Nico: Much more insane.

Me: Bingo. To the point where he wants to do something incredibly horrible. If you know what I mean. Like kill all his followers.

Nico: Ooh. Rough.

Eddy: I have a nuke armed just in case.

Nico: Don't fire it till I give the word.

Eddy: Right.

Eli: Guys we have to face the Anothers.

Nico: And they are?

Eli: Lets see. (Concentrates) (GASP!) Oh dear god! I don't know what the hell Vypra was thinking with this one! The rest are good! We have Another Universe 666 Infected Argentinosaurus, Lapis Lazuli Phantom, Topaz Phantom, Tourmaline Phantom, Sapphire Phantom, Peridot Phantom, Ruby Phantom, Pearl Phantom, Emerald Phantom, Diamond Phantom, Aquamarine Phantom, Amethyst Phantom, Garnet Phantom, Stink Bug and Puff!

WE GASPED IN SHOCK!

Me: Oh man!

Aylene C.: A universe 666 version of that Zombie Argentinosaurus!?

Nico: Oh man!

Puff: She thought that a Universe 666 version wouldn't hurt.

Nico: Fair enough.

Me: And Phantoms for all the 12 Gems of the year for Birthstones. That is cool.

Nico: It sure is.

Camie: Boy that Zombie Argentinosaurus really must've scared you guys big time.

Me: Oh that is a total understatement Camie. When we saw that monster it was horrible.

Aylene C.: I was crying so hard seeing it die at the end of the 2020 episode of Primal that I wouldn't come out of my room for days.

Me: That episode of Primal was all totally dark. And no one was laughing on April 1st, 2020.

Luan: Yeah I didn't even want to laugh seeing that.

Camie: What does it look like?

Me: Well here.

I showed a hologram of it.

Camie was shocked.

Camie: That poor dinosaur!

Me: I know. We faced that monster and it took everything we got to kill it and put it out of its misery.

Lola: Yeah it was terrible.

Camie: That is awful!

Varie: It was.

Camie: What happened?

Me: Well you're about to hear what happened back then.

I went over what happened in chapter 1217.

Deadpool: (To the viewers) This is gonna be a grotesque story from chapter 1217 guys.

When I was done everyone that hadn't heard it was shocked, horrified and utterly sick to their stomachs as they turned green around the gills.

Nico: You can vomit if you want.

Camie, Tsuyu and everyone that got sick from me telling the story went to trash cans and hurled their guts out.

MASSIVE VOMIT FLOOD!

Qin: Sorry you guys had to hear that.

Sirius: That's all right.

Nico: Anyway, who's up?

Me: Betsy Brachiosaurus, Jenna Jakku, Lashina, Illari, Lunaria, Elvira the Mistress of the Night, Universe 666 Cozy Glow, Universe 666 Mane-iac, Universe 666 Chrysalis, Carmen Montoya PatRanger, Shayla Cooper LupinRanger, Electra Tempest and Athena Aeten II.

Nico: Cool!

Qin: Yeah!

Me: And we're all here.

Eli: And I sense that the Anothers minus Puff are one person.

Me: Wow.

Nico: There they are!

We saw The Another Universe 666 Zombie Argentinosaurus and on its back were the rest of the Anothers!

We gasped!

Qin: Geez!

Me: Nice entrance.

Lola: Yeah.

Another Garnet Phantom: (In a girls voice) It sure is awesome but this dinosaur smells horrible!

Me: Well it's a putrified living corpse.

Lincoln: Briana Breen! Wow!

They merged and reverted back a nd she was a girl with orange hair and red eyes and fire angel wings and she had yellow clothes and had the symbol of the Breen Confederacy in the middle of her forehead and had the same symbol on her skirt and on her hip was a Breen Blaster and she had a fire keyblade.

Briana Breen: Awesome to see you again Lincoln and wow you look amazing.

Lincoln: Thanks. I sure do.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Briana Breen, Keyblade Knight of Breen, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet Breen, and she has intense fire powers and she's a master of fire. She is the Keyblade Knight of Breen and she's also the leader of the Breen Confederacy, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past, and after the Dominion War ended, she lead the Breen Confederacy to work with Earth in an era of peace. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of fire.

We were amazed.

Lola: Wow!

Me: The Keyblade Knight of the planet Breen of the Breen

Confederacy. I remember that during the Dominion War they were ruthless.

Briana Breen: That's right. That was a devastating war.

Nico: No kidding.

Me: By the way is the Another Puff friendly or hostile?

Briana Breen: Friendly and she is a powerful one.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

All that was left was the Another Universe 666 Zombie Argentinosaurus.

Me: Sorry you guys have to see this.

The Another roared.

But then we fired a massive blast of fire and the Another roared in pain as it was being torched and incinerated and then it bursted into intense flames and roared in one final breath of agony as it was incinerated into ashes that scattered into the winds.

SOMBER CELLO MUSIC PLAYS.

Maria: Time for backup. (TURNS DIAL) STINGING SCORPION 6!

She summoned Scorpion, Black Scorpion, Scorponok, Asaji Ventress, Scorpius Zodiarts and Universe 666 Carnage (TAS)

Scorpion: Oh man. Are you guys okay?

Me: Ugly story.

I showed them the burning fire.

Scorpion: Oh man. The Another was that of the Universe 666 Zombie Argentinosaurus right?

Me: Yep.

Scorpion: Damn, that's rough. I can't imagine who was laughing when that episode aired.

Nico: It was 4 years ago.

Lola: Yeah that episode was all dark.

Qin: Yeah.

Scorpion: Yeah it sure was.

Laney: Yeah.

Nico: I'll tell you who was laughing. People with no souls!

Me: Yeah like those douchebags in prison and Lila Rossi.

Nico: Bingo!

Scorpion: You're telling me!

Nico: The rest of us? Not laughing!

We shook our heads as we were not laughing at all! In fact some of us were crying because of the poor dinosaur.

It was awful that happened to it.

Nico: But we're still being strong about it!

Me: Got that right.

Qin: Yeah.

Eli: Yep.

Nico: And Aylene is being strong about it too

Aylene C.: Yep.

Nico: Good. Now for Another Puff.

Me: Yep. This will be good.

Nico: She should be here any minute now.

We looked around.

Qin: Hmm.

Me: Where is she?

Maria: Be on the look out for a cloud of Vapor or acid burns

We looked out for that.

Then we saw a ghostly figure and it was ANOTHER PUFF!

Me: There you are.

Nico: Yep.

Another Puff: That was a rough battle.

Me: (Gasp) That voice.

She reverted back and was a girl with yellow hair, yellow eyes, yellow clothes and yellow angel wings and she had a tiara with the symbol of the Shine Dopant on it and the same symbol on her skirt and she had a light sword.

Me: Serena Shine!

Serena Shine: Awesome to see you again J.D.

Me: Same here. Serena is the embodiment of another version of the Shine Dopant. And she has amazing light powers and is an amazing chemist. She makes deadly acids that melt on contact.

Puff: That is potent.

Serena Shine: That is true.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Serena Shine: No I blinded him with a light blast and fled.

Nico: Flash escape.

Me: Yeah.

Serena Shine: It sure was.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Serena fired waves of light and blasted the Another.

Nico: Time to stink up! (ACTIVATES PUFF AND STINK BUG'S RIDEWATCHES)

He fired waves of chemicals and burned the Another.

May: Take this too! (ACTIVATES LAGORN AND FIREBALL SNAKE'S RIDEWATCHES)

She fired fireballs and blasted the Another.

Maria: Time for some fire. (ACTIVATES FLAME STAG AND SHOWER BANKI'S RIDEWATCHES)

She fired blasts of fire and water and blasted the Another.

Hina: And this. (ACTIVATES STINK BUG'S RIDEWATCH)

She fired a wave of stinky vapor and smashed the another.

Then Motor Ed, Rollar Ghoster, Madame Catastrophe, Fortress Crab, Live Action Sideways and Mr. Mxyzptlk came.

Nico: Awesome team Motor Ed.

Motor Ed: Thanks Nico and this is awesome. Seriously.

Me: Yep.

But then I felt a cold breeze.

Me: Brr! That was cold!

?: Sorry about that.

A Freeze Man came.

Me: Freeze Man! Wow!

Freeze Man: (In a girls voice) It's awesome like this.

Nico: Finn Freeze!? Whoa!

Finn Freeze: Yep. I got this.

She fired a wave of energy and froze the Another Puff and I fired a wave of energy and blasted her and I caught the Ridewatch and purified it.

May: Chill out!

Me: Yeah!

Nico: And I have..

Finn Freeze: Yeah I'm naked.

Me: Oh boy.

I put on my blind man glasses.

Me: It's gonna hurt.

Finn Freeze: I know.

Me: Okay. (SNAPS FINGERS)

The boys covered their eyes and then she doubled over in pain and then she threw up and fired a wave of ice and it hit Maria and froze her into a block of ice! Finn reverted back and she was a girl with ice blue hair and had blue eyes and had blue angel wings and had the Kanji for Freeze in the middle of her forehead.

Finn Freeze: (Groans) That hurt. (GASP) Oh man! Sorry Maria!

May: I get it. Because I have ice powers.

May then smashed Maria out of the ice.

Maria: Whoa! Thanks May. And no worries Finn.

Finn Freeze: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this!

The Fashion Brigade gave her awesome aqua blue clothes.

Finn Freeze: Wow I look amazing.

Nico: You sure do.

Hina: Do you have any memories of Nico?

Finn Freeze: I sure do. My favorite is when me and Nico froze a bunch of gangsters in ice and delivered them to the cops.

Me: Nice.

Qin: Cool.

Nico: Yep.

Nico and Finn hugged.

Nico: I've missed you.

Finn Freeze: Same here.

We went back home.

Nico: A dangerous human-despising murderer who's the younger twin brother of Martian Manhunter, should we really have him put into The Masters of Evil?

Lincoln: Of course, we're going to condemn him to eternal servitude to The Masters of Evil, and he also knows that with the number of fire users on both teams, he'll be destroyed if he tries anything funny.

Here's part 2

Lincoln: Remember this, Ma'alefa'ak, you try anything fully, and we're gonna burn you to ashes. (To the Pirateangel Sisters) And it's so good to see you and your sisters again, Aria.

Aria Pirateangel: You too, Lincoln, it's been seven years since we last met, and it's so good to see you too, Zola.

Zola (Blue Dragon): You too, Aria.

Lincoln went up to The Pirateangel Sisters and he hugged them, and The Pirateangel Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you twelve since you were seventeen, and as you can see, I really grew a lot since then.

Faith Pirateangel: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Hannah Pirateangel: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these four girls?

Lincoln: Indeed I do, J.D., meet Aria Pirateangel, the Sparkplug Gene-Slammer, Faith Pirateangel, the Fixit Gene-Slammer, Hannah Pirateangel, the Wheelie Gene-Slammer, Nina Pirateangel, the Brains Gene-Slammer, Olive Pirateangel, the Slicedice Gene-Slammer, Rana Pirateangel, the Glacius Gene-Slammer, Tori Pirateangel, the Swelter Gene-Slammer, Xena Pirateangel, the Axion Gene-Slammer, and Yasmin Pirateangel, the Theorem Gene-Slammer A.K.A The Pirateangel Sisters, these nine girls are my Guardian Angels from Michigan and classmates in History, and they are also beautiful and deadly pirates like their sister, Zola. They, Zola, and I have found secret treasures from different parts of the world and even donated them to museums across the world.

Nicole: That's incredible!

Zola (Blue Dragon): Plus, it's easy to tell them apart, Aria has blue hair with matching clothes, Faith has red hair with matching clothes, Hannah has orange hair with matching clothes, Nina has pink hair with matching clothes, Olive has green hair with matching clothes, Rana has marine blue hair with matching clothes, Tori has light yellow hair with matching clothes, Xena has black hair with matching clothes, and Yasmin has white hair with matching clothes.

Selene Arcangela: Yep, and Lincoln made the Pirateangel Sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Zola and her sisters along with the rest of his harem. Plus, they hate Flip with a blazing passion, the reason why is because he tried to steal the treasures from museums only to get caught by Lincoln, Zola, and her sisters who then beat the crap out of Flip and placed hot wax all over him and ripped it off taking all the hair off Flip and wedgied Flip onto a flagpole.

Eli: (GROWLS) That goddamn mutant cheapskate!

Lincoln: Easy, Eli. I warned you that we're going to kill him and Icky Vicky in December.

Nico: Yeah, you don't want to get bashed on the head by Lincoln, you know how excessively strong he is, right?

Everyone saw the two lumps on my head left by Lincoln because of keeping quiet about my plan: A STUPID MOVE OF MINE!

Eli: Oh.

Luna: Yeah, this is what happens when you pull something stupid and keep others in the dark about your plans.

Luan: Yep, and you wind up getting a lump on the head.

Lincoln: But, you've already learned your lesson, J.D., so you're not getting bashed on the head again, and now that you and your sisters are here, Aria.

Lincoln went up to and hugged each of The Pirateangel Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aria Pirateangel: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, nine Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Pirateangel Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Faith Pirateangel: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Pirateangel Sisters.

The Pirateangel Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Sanae Nakazono, Asami Kakinuma, Momoka Kiriyama, and Miyamura Kana from Boy Meets Harem.

Lincoln: Oh wow, it's Sanae Nakazono, Asami Kakinuma, Momoka Kiriyama, and Miyamura Kana from Boy Meets Harem.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sanae Nakazono: Yes, we're okay, thanks to you.

Then, when Sanae Nakazono and the other three girls saw who it was that saved them from Ma'alefa'ak, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The

Sanae Nakazono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Sanae Nakazono: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sanae Nakazono, Asami Kakinuma, Momoka Kiriyama, and Miyamura Kana with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Ma'alefa'ak, the evil younger twin brother and archenemy of Martian Manhunter.

But, when Lincoln showed what we did in brutally thrashing that monster, and Lincoln firing an energy blast that hit Ma'alefa'ak and sent him to The Masters of Evil and also assimilating his powers and abilities, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Pirateangel Sisters have a lot of catching up to do, now that they're back in town.

Maria: Whoa, so you went after J'onn's evil twin brother?! I would've thought you'd burn him to ashes for what he's done.

Lincoln: Nah, besides, we condemned him to eternal servitude in The Masters of Evil, and he also knows that with the number of fire users on both teams, he'll be destroyed if he tries anything funny.

Nico: That's right.

Me: He better not try anything funny, or he's through.

---

After taking down Ma'alefa'ak and condemning him to eternal forced servitude in The Masters of Evil, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Pirateangel Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aria Pirateangel: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Faith Pirateangel: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Hannah Pirateangel: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Nina Pirateangel: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Olive Pirateangel: I knew it was only a matter of time before he told

everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Pirateangel Sisters played a video on the big screen and it shows Lincoln, Zola, and The Pirateangel Sisters at Lake Huron: Lincoln was in a pair of orange shorts and sandals and shirtless and Zola and The Pirateangel Sisters were in blue two-piece bikinis and sandals, and they were all having fun swimming at the lake.

Past Aria Pirateangel: This is really awesome, I love coming to Lake Huron.

Past Lincoln: Same here.

Past Faith Pirateangel: Plus, with all the work you've been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD BELLOW OF RAGE!

Suddenly, they heard a loud bellow of rage and caught the undeniable stench of B.O.

Past Lincoln: Oh great, there's no mistaking that loud bellow from anywhere. Get out here, Flip, I can smell the stink lines coming off you and your sweaty pits!

Suddenly, they saw Flip come out, and he was really out for blood again, then, he charged like a mad bull and was about to attack Lincoln, but Lincoln punched him and sent him flying into a tree. He got back out, but he roared and beat his chest like a gorilla, now he was really pissed.

Past Lincoln: Okay, you asked for it, you stupid three butt-cheeked hairy mutant ape!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Flip bellowed again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Flip's fat hairy stomach knocking the wind out of him, and then, he unleashed a massive storm of slashes from his massive greatsword and fired water blasts at Flip, and even fired blasts of hot wax on Flip, and then, Lincoln ripped it off and took all of Flip's hair with it and he screamed. Then, Lincoln reared his left fist back and gave him a nasty punch to the face that sent him flying right back to prison as the video ended.

Me: (LAUGHS HYSTERICALLY) THAT STILL CRACKS ME UP TO THIS DAY!

Lincoln: Flip was such an idiot, he clearly didn't know when to quit.

Nico: Jeez.

Faith Pirateangel: And we all had fun with Lincoln. But, of course, that three butt-cheeked mutant stupid cheapskate hairy ape had to show up and ruin everything because he still wanted to kill Lincoln again for ruining his scams! I wanted to punch his empty head hard, but Lincoln sent him flying with one punch, but when he got out, that's when Lincoln got serious.

Aria Pirateangel: He had it coming. Flip is an idiot!

Zola (Blue Dragon): And it was also all your doing that Lincoln transformed extremely from the cute 11-year-old boy we knew since childhood to an extremely rugged, handsome, manly, sexy, and super imposing mountain of a muscular hunk.

Lincoln's Guardian Angels gasped.

Nicholette Torrington: Uh, Zola, need I remind you of saying those sorts of words about Lincoln?

Suddenly, Lincoln put down the heavy weights and he made clones of himself and walked up to Zola and the Pirateangel Sisters and turned them around to face them, and then, they leaned down and kissed them full on in the lips with that kind of intensity, passion, and energy, they'd literally given in and they wrapped their arms around the thick necks of Lincoln and his clones and he and his clones wrapped their massive muscled arms around their waists and as they brought them in closer, their chests pressed against their massive pecs and their stomachs pressed against their eight-pack abs. When Lincoln and his clones slowly separated their lips from Zola and her sisters' lips, Zola and her sisters' faces were all red from the very intense make-out and their eyes literally turned to hearts.

Zola (Blue Dragon) and the Pirateangel Sisters: (In Heaven) That… was… so… hot!

Bertha Sellington: We warned you, Zola, those sorts of compliments cause him to go ahead and engage in a full all-out make-out with any member of his harem who say those compliments.

Girl Jordan: You think that's hot, we always wind up getting covered in kisses from him every night, we consider that tattoos of his undying love for us.

Nico: And a clear warning that if any moron messes with his future wives, they are worse than dead.

We got a shower afterwards, and then, Lincoln, 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Lara the Lesser Succubus: Wow, so, this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Lara, and it's perfect for our first date. Shall we?

Lincoln, 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt and they hugged the girls in their abnormally massive and powerful muscular arms, and 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt are in your harem.

Yamiga: When we introduced them to Lincoln, they fell in love at first sight, and they also engaged in a full all-out make-out session and when they were done, Lincoln was literally in a daze and he also had his hair ruffled up and his face and body covered in lipstick marks.

Me: Awesome.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill 5-Volt, Ulti, Simulator Éclair, Lara the Lesser Succubus, Lina the Lilim, and Nina the Night Gaunt, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 Adventure.

Nico: Rolling Masterpiece Galaxy is next.

Me: Ooh! That's a perfect Artist themed galaxy.

Sunset Shimmer: Me and Laney will go with because we're artists ourselves.

Laney: We sure are.

Nico: You 2 would definitely fit right in. Anyone else?

Lisa Loud: Me and Levi will surely accompany you for this Nico.

Nico: Okay then. Lets head in.

They went in and the Simulator activated and they found themselves in ROLLING MASTERPIECE GALAXY! And it was an amazing artist world.

Nico: Wow!

Sunset Shimmer: This is amazing!

Laney: Boy it sure is!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well just do what you did before in Rolling Green Galaxy.

Nico: Okay then.

Nico got on a ball with the star in it.

Nico: Here we go.

?: Let us help too.

2 figures came. One was a girl with orange hair, red eyes and had red, orange and yellow clothes, fire angel wings and a tiara with the symbol of the Cald Moonland on it and the same symbol on her skirt and she had a fire sword. The second girl had red hair, red eyes and red clothes and fire angel wings and had a tiara with the symbol of fire on it and the same symbol on her skirt.

Claudia Cald: Claudia Cald, Embodiment of the Volcanic Moonland of Cald.

Freya Fire: Freya Fire, Embodiment of Fire Man.

Lola and Lexx: Freya Fire!? Wow!

Nico: Wow awesome to meet you girls.

Sunset Shimmer: Same here.

Claudia Cald: Same here to all of you.

Freya Fire: And Lola and Lexx it's so great to hear your voices again.

Claudia Cald: We can talk later.

Nico: Okay lets get this star to the end.

Levi: Nico, allow me to relieve you of the burden of having to roll the ball.

Nico: Okay then Levi.

Levi got on the ball instead.

Nico: This is gonna be good. Lets roll! Literally!

They were off.

ROLLIN ROLLIN ROLLIN! ROLLIN ROLLIN ROLLIN! ROLLIN ROLLIN ROLLIN! ROLLIN ROLLIN ROLLIN! RAWHIDE!

Lisa Loud: It appears the Goombas aren't taking kindly to this!

Sunset Shimmer: Then lets go kick some butt!

Laney: Artist style!

Laney used the Abaranger Gear and got the Quill and drew fireballs and they hit numerous Goombas and blasted them all over!

Sunset Shimmer: Nice one Laney!

She fired waves of fire and blasted the Goombas all over the place.

Nico: Yeah!

Lisa and Levi blasted the Goombas with gears.

Nico: (gets out Puff and U Foes' Ridewatches) Time for some chemistry between us!

He activated them and fired waves of chemicals and blasted the Goombas all over.

Nico: Oh yeah!

Claudia Cald: And taste the fires of the Inferno!

Claudia and Freya fired waves of fire and blasted the Goombas all over.

Nico: (laughs) It was ice for my rescue and now, it's fire here!

Claudia Cald: That is awesome. And Fire and Ice have been going all out with each other since the dawn of the universe.

Laney: They sure have.

They got to the end and the ball shattered and then out came the star!

They went and got it.

YOU GOT A STAR!

Nico: YEAH!

Freya Fire: That was awesome!

Laney: Yeah!

Lisa Loud: A successful adventure!

They all high five.

Lisa Loud: Please tell us how you met my younger sibling unit and her male counterpart.

Freya Fire: Well I met Lola and Lexx when we were at a pageant.

Sunset Shimmer: Did you really?

Freya Fire: Yeah my powers as the Embodiment of Fire Man gave me a huge growth spurt. I was only 6 when I got my powers and now here I am in the body of a 17 year old girl. Big growth promotion.

Nico: That is awesome.

Freya Fire: Yep. Me and Lola won the Little Miss Firestorm Pageant. It was awesome.

Lola: It sure was and we tied for that one. They gave us both trophies and crowns.

Lexx: That was fun to watch. Even though I'm not into pageants I liked it.

Nico: That is cool. Would you two like to join the team?

Claudia Cald: We would be honored.

They came out and we cheered for them.

Later we were watching TV and then Robin came.

Robin: You guys want to go to the zoo with us?

Me: Sure!

Fluttershy: Oh the zoo is perfect.

Lana: Awesome. Count me in.

Me: Lets go.

We were off.

* * *

We later arrived and it was awesome.

Becca Chang: Awesome you guys are here.

Me: Thanks Becca. It's gonna be awesome.

Jim: Yan Lin, I'll never regret meeting you.

Yan Lin: Me neither Jim. That was awesome.

Hay Lin: Meeting my grandma was so fun for you.

Jim: It sure was.

Me: Lets check out the gorillas.

Nico: Okay.

We went and did so.

Batman: These look very dangerous.

Me: Gorillas have been part of our human evolutionary chain for a long time.

Varie: Yep.

Poromon: Ah these big dumb apes don't look so tough!

They gave the gorillas raspberries!

Me: Uh guys.

Then the gorillas ROARED!

Me: UH OH!

Jim: I remember that you helped free Claire from Evil Morgan Le Fay.

Yan Lin: That was awesome and fun.

Hay Lin: It sure was.

Claire: I can't believe I smoked Marijuana back then!

Hook: You guys shouldn't have done that!

The gorillas roared and went at them!

But Kerchak and Tarzan went in front of the gorillas and roared and beat their chests and stopped them.

Nico: Whoa!

Eli: Yeah!

Me: Never underestimate the power of the alpha leader of a family of gorillas.

Nico: Not sure that's what the leader of a family of gorillas is. But that is cool.

The gorillas submitted to Tarzan and Kerchak.

Yan Lin: Techincally, you smoked weed. And then tried making Lincoln smoke some.

Claire: I still can't believe I did that.

Hay Lin: Also Marijuana and Weed are the same thing Grandma.

Yan Lin: Yes that's right.

Jim: Thank goodness we snapped her out of it.

Ratchet: (sighs in relief) For a minute, I thought you guys were gonna get beaten up.

Me: Yeah me too.

Poromon: Yeah no kidding.

Me: But thank goodness Tarzan and Kerchak stopped them.

Eli: That is for sure. But that was awesome.

Me: Yep. It sure was.

Yan Lin: And anyway, we took down Evil Morgan Le Fay on my big mission.

Jim: We sure did and that was awesome.

Me: It sure was.

Brittney: The most powerful evil sorceress ever known from 1,500 years ago was defeated.

Laney: Yep.

Varie: That was fun.

Camille: You owe these gorillas an apology!

Poromon: Aww do we have to? They don't understand us.

Nico: (Sternly) Poromon?

Poliwag: We really should.

Nico: Do it or no beer for a month!

Horsea: You're right.

They went over and apologized.

Me: Good.

Qin: Yeah.

Varie: Don't ever do that again.

Nico: Yeah.

Poromon: Okay okay okay.

Me: Good.

We later went back to the estate..

Nico: Now, what have we learned today?

Poromon: Never poke around with bad animals like gorillas.

Nico: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Baby Dahl, she's escaped from Arkham Asylum and she still wants revenge for the flopping of her career. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Baby Dahl, she's escaped from Arkham Asylum and she still wants revenge for the flopping of her career.

I gasped.

Me: WHAT?!

Nico: Oh man, I remembered hearing that you guys defeated her years ago and sent her to prison. So, what are we going to do?

Lincoln: We need to redeem her, she went insane because her career flopped, she became this due to a disease that kept her from aging. Plus, back in the old days, we defeated her back when we were reckless and unknowingly infected by The Dark Orbs. So, we're going to approach this with the very intention of redeeming her.

Me: Good idea.

Eli: Yeah.

Camie: Who is Baby Doll?

Juran: I was just about to ask. Who is she anyway.

Me: Her name is Mary Louise Dahl and she is a washed up comedy show star.

I went over her history.

---

Mary Louise Dahl, known better by her alias Baby Doll is the main antagonist in Batman: The Animated Series episode Baby-Doll. She is a former TV star became an insane criminal who suffers from hypoplasia, a medical condition that prevents her from physically aging. Although popular with many fans, she has yet to make any major appearances in any of the mainstream comics or other DC media.

She is voiced by Laraine Newman.

## Past

Marion Louise "Mary" Dahl, was a TV actress who was born with systemic hypoplasia, a rare condition which kept her from ever growing, meaning that she spent all of her life looking like a toddler. She became famous for a brief period when she played the title character in the fictitious TV sitcom "Love That Baby" (when she was 20, though she still looked like she was 5). She and the show were wildly popular, but as the series got older, the ratings dwindled. In the final season, the producers of the show decided to add a new character; Baby Doll's cousin who was called Spunky. Baby Doll was angry at Spunky because she thought that he was stealing her spotlight, especially on one occasion on her birthday episode, where she got her face pushed into her birthday cake by Spunky. Furious, she left the show in order to turn herself into a proper dramatic actress. Her first role other than Baby Doll was in Macbeth.

Unfortunately, the reviews for the play and her acting were terrible, ruining Mary's chances of becoming a popular celebrity. When her career went down the tubes, she tried to get Baby Doll back on the air because it had been cancelled when she left, but the networks turned her down (if mostly because she was difficult to work with). After that, Mary tried to get any job that came her way but was always shunned and never got the role. Without any jobs coming her way, Mary went through a rough, depressing period of her life where she realised that the only time when she had been truly happy was when she was in the show as Baby-Doll, when she used to have a "family" in the show and was adored by millions of viewers.

## Batman: The Animated Series

Keeping her persona as Baby Doll permanently, Baby goes around with her 2 hired thugs as well as her personal caretaker Mariam, and kidnaps all of the original cast of Love That Baby, bringing them together so that she can get revenge on Spunky and her fellow cast members. She ties all of the actors up in the Baby Doll sets and bought along a birthday cake. After pushing Spunky's head into the cake, she then gets a stick of TNT, putd it on the cake like a candle and lit it, planning to blow up the cast members. Spunky ruins her plan by grabbing the TNT with his mouth and throwing it to the other end of the studio, throwing it far enough away that it explodes without hurting anybody. Batman crashes into the room and reveals that the actor who played Spunky wasn't the actor but is actually Robin in disguise. After Batman and Robin had realised what Baby Doll was doing, they had gone to the actor, told him what was going to happen and the man had let Robin take his identity. When Robin had been captured, he had sent a radio signal to Batman who traced it and found out where Baby Doll was.

While Robin releases the captives, Batman chases Baby into a nearby fair, and then into a Fun House. Inside the Fun House, Baby comes across a hall of mirrors. Within one of the distorted mirrors, Baby sees herself as an adult, how she believes she should look. Knowing this to be fake, just as her character, Baby Doll shopts and breaks all of the mirrors before breaking down mentally and running out of bullets. When the Batman walks up to her, she goes peacefully, uttering her infamous catchphrase "I didn't mean to".

When I was done everyone that hadn't heard about it was shocked.

Twilight Sparkle: Oh man! She's an adult trapped in a kids body.

Nico: Yeah we've seen this before. Remember Leena Klammer? She was like that.

Laney: Yep.

Me: This is her show right here.

I showed Love That Baby and it showed what she did there. It was funny!

Applejack: (LAUGHS) That is a funny show!

Eli: (LAUGHS) It sure is!

Me: Yeah she did a great job in that show.

Lola: I was too blind to realize it but that show was really funny.

Lisa Loud: (LAUGHS) Indeed. It was funny and very humorous.

Nico: I've actually heard about this disease she has before. It's wacky. Now, keep in mind this is not the same as us being immortal.

Me: No this is completely different. Her disease may have stopped her from PHYSICALLY aging but not in terms of natural aging due to time.

Nico: Yep.

Camie: Yeah. But man she looks like she's around 5 years old.

Me: Yeah.

Ink Rose: And nature dealt her some really bad cards. She's stuck in this for life.

Nico: At least when we transform, our ages increase.

Me: Yeah.

Lynn: We may not age after that but we grow in height, power and skill when that happens. We transformed from our normal ages into that of 21 year old kids.

Nico: I know. What an ascension.

Me: Yep. But poor Mary. She will be stuck like this forever. But thankfully. I can help her. She may not think her adult body is real. But to us, it IS real.

I had my hand glow blue.

Nico: I have a feeling I know what you will do J.D.

Me: Yep. Give her a nice NORMAL life in a normal grown up body.

Nico: And not like when you guys were infected by the Dark Orbs.

Laney: That's right.

Nico: And put her in the Masters of Evil.

Me: And the Redemption Squad.

Nico: Wow.

The Previous group came.

Dark Leo: Can me, my brothers, Captain Cold, Man Ray, Major Disaster, Cluemaster, Common Cold, Beast Man, Doctor Octopus, Riddler, and Eris go with you guys?

Dark Don: I've been researching on the disease Baby Doll has.

Me: You have? Cool.

Nico: Nice. And yes you all can come with us.

Qin: Awesome.

Fangry: Boss, which Gene Slammer do you think you'll meet next?

Nico: Turbo Man next. That's the only one left out of the Mega Man 7 robots.

Qin: Awesome.

Me: A fast one. Nice.

Laney: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Universe 666 Cui, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than Universe 666 Frieza, the next of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Lexi Bunny: And it makes sense for him to send Universe 666 Frieza after us. Let me handle him, I'm not letting him get out of this, but Sebastian, I'm gonna need you to go into Demon Angel Mode for this.

The toons freaked out and did wild takes galore, and our jaws dropped to the floor!

CLANG!

Eli put our jaws back!

Babs Bunny: WHAT?! Lexi, are you crazy?! You're asking the very person, the dark murderous demon who terrorized Acme Acres and the Earth the Z-Fighters came from before it merged with our Earth for years, to join in?! He'll kill him in the same exact manner as our Frieza.

Lexi Bunny: I know that, but this needs to be done. If Universe 666

Frieza wants to cause destruction and untold chaos in Universe 666 Sebastian's name, he's got another thing coming. So, what better way to respond to that than by getting the one person who utterly despised Frieza for always double-crossing him and going against him whenever he got the chance.

Nico: I like the way you think, Lexi, awesome!

Lincoln: I just know that a lot of blood is going to be spilled as a result.

Nico: Yeah, but with Lola and Babs also joining in, they'll get Sebastian under control should his dark urge to kill rise again. Alright, gang, let's go, we need to redeem Baby Dahl at once.

Lincoln: And make her see reason once more, and once we do that, you're next, Universe 666 Frieza.

Lexi Bunny: Even if you're not as bad as the one we absolutely despise, you're still going down hard, and we're going to also unleash the very demon who your Prime Universe counterpart despised so much.

Babs Bunny: Blood's about to be spilled once more.

Lola Bunny: There will be no escape for you, you twisted monstrosity.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help redeem Baby Dahl, and once we get done with helping her, Lexi Bunny, Babs Bunny, and Lola Bunny are going to take down Universe 666 Frieza and break Universe 666 Sebastian's control over him.

We were off to the city.

---

We were walking through the city.

Man Ray: Let's head to the Batcave first.

Dark Mikey: Good idea.

Me: I was just about to suggest that.

Nico: I'll have Commissioner Gordan meet us there.

Eli: Okay.

We went to Wayne Manor.

* * *

We later arrived at Wayne Manor and went to the Batcave.

Me: Here we are.

Lola: The Batcave. Awesome to see this place again.

Varie: Been a while.

Batcave: Feels good to be back.

Commissioner Gordan: Thank goodness you all called me here.

Me: Glad you could come Jim. I take it you heard about Baby Doll breaking out of Arkham?

Commissioner Gordan: We just got the word about it.

Lincoln: I already sent clones out to get the former crew of Love That Baby to the Estate for Protection.

Me: Fast thinking Lincoln.

Shadow the Hedgehog: Good thinking

Nico: Yep.

Commissioner Gordan: Thank goodness. Now we won't have to worry about Mary doing what she did before. Wow you guys have changed a lot.

Me: We have had a lot of challenges since we faced Mary Dahl the first time and also we found out that we were suffering from Dark Orb Contamination.

Commissioner Gordan: I get it. The dark orbs were poisoning you with something that made you different and making you think irrationally.

Me: Exactly.

Nico: It's a really crazy story.

Laney: Yeah.

Riddler: It is crazy. Riddle me this commissioner how have you been?

Commissioner Gordan: Good Nygma. Glad you're having a good job in the M.O.E.

Cluemaster: That's good.

Dark Raph: How about we make ourselves at home?

Batman: Got plenty of room.

We got sofas and stuff made from plants ready.

Qin: Are you doing all right since Nokama's big day mission Commissioner?

Commissioner Gordan: I sure am Qin thank you. And is Penelope Lang doing okay?

Me: She's fully recovered and is now in the M.O.E.

Nico: Let me confirm that the Dark Orbs weren't why I Wanted to let her die at first.

Spinister: Boss was willing to make the decision to keep everyone safe. Especially since us threatening her was used by Team Buktu to nearly win against us

Commissioner Gordan: Oh man I've heard about all that with Team

Buktu. That was awful! But to be honest I didn't believe anything that they said about themselves being heroes.

Me: Good. Albedo is the only one out of all of them that had a change of heart.

Commissioner Gordan: That is true. I'm glad he saw the error of his ways.

Me: Don't worry. Me and Diamond Tiara gave Penelope a good talking to and she finally understands the error of her ways.

Diamond Tiara: I understood what she went through because I was like her once. It's a long story.

Commissioner Gordan: Ahh from one standpoint to another. Good thinking there.

Nico: And it helped big time. Because all she needed was a friend.

Doctor Octopus: Nico, I realize you were just trying to protect everyone. But I hope you realize that not letting Penelope die was the right thing to do.

Nico: Yes and looking back I can't believe I was acting like that. But thank goodness I'm not anymore.

Me: Good. Lets focus on the matter at hand.

Tanya Anyanova: I just figured something out. Mary Dahl is in every way like me. I was like her once.

Anna Anyanova: It's a really nasty story.

Proto Man: Lee Aaker never has this problem.

Nico: No he didn't.

Me: Also I did some research and it wasn't just celebrities that had this kind of problem but numerous high profile criminals too. Remember Leena Klammer?

Nico: How can we forget?

Laney: And a bunch of gangsters too. Like Babyface Boretti.

Eris: Geez.

Me: I know.

Camie: Yeah crazy.

Nico: And we all have had our shares with gangsters and more.

Me: But Baby Doll is different. She's just lost. She's like a grown up stuck in a five-year old girls body.

Skarr: Doing God knows what right now.

Me: Yeah. But this time we have a new tactic and that is people that understand how she feels.

Laney: Yeah. People that know that Fame can become a disease and it can go to your head and make you crazy.

Lola: That's right.

Me: But also she's a woman that needs her disease cured.

Riddler: As someone who came from Gotham here, I can safely say that I feel bad for her.

Me: Me too. Next to Victor Fries who was trying to cure Nora, Baby Doll is one of the villains that Batman knows that I feel sorry for.

Lily: Too bad my water doesn't work on diseases like hers.

Me: But maybe my powers can. This will be the first time I tried it on something like this.

Nico: Yeah.

Chaor: Maybe Alien X can help as added power.

Me: Not a bad idea.

Camie: Yeah.

Carla Wong III: I'll help out too. I am a Celestialsapien Gene-slammer after all.

Me: Thanks guys.

Nico: Where there's a will there's a way. All right lets go find her.

Eli: (Concentrates) She's hiding out in the studio.

Me: That's where we faced her the last time.

Commissioner Gordon: Out of curiosity, Nico, what DID convince you to help Penelope in the end.

Nico:… my dad yelling at me. I listen to him when he's angry.

Beast Man: As a father yourself, you can probably relate.

Commissioner Gordon: Yes I know the feeling. Whenever Barbara did something wrong I would feel the same way.

Batgirl: It's true.

Me: Yeah we may be heroes and do all that but we always will follow what our parents tell us.

Nico: Yep. They are our family after all.

Lincoln: It's true.

Eli: Yep.

Ben Tennyson: Oh speaking on that. I got this to tell you.

He showed me a note.

Me: What's this? (Reading) "Dear Ben, Your mother and I are coming over to Gotham Royal York to visit you tomorrow to see how you are doing. We worry about you constantly ever since we found out about you being the famous Ben 10 and how you were helping Gwen and Kevin on many battles with aliens from all over the universe as well as helping dad with so many adventures. We are proud that you joined Team Loud Phoenix Storm and are doing a great job saving the world. Looking forward to seeing you. Love Carl Tennyson."

Max Tennyson: So Carl and Sandra are coming. It'll be awesome to see them again.

Me: We never met Ben's parents before. This will be fun.

Riley Anderson: It'll be awesome to meet them. I hope they like me.

Me: I know they will Riley. Now lets go get Baby Dahl.

Commissioner Gordon: and I'm coming too. This is MY city after all.

Disk Wars Mandarin: Okay then.

Nico: Lets go.

We were off.

Jen Tennyson: It'll be awesome to see mom and dad again.

Ben Tennyson: I know. I'm sure they miss you too Jen.

Common Cold: We never met your parents.

Me: This will be the first time we met them.

Poromon: I would like a word with them regarding how their grounding almost got Kevin killed!

Nico: Poromon no! This is Ben's family so let them have their business. Also Ben already told us about that and that they were just worried about their son. But they understood.

Kevin Levin: Besides I put that behind me long ago.

Julie Yamamoto: I hope they won't be upset that me and Ben broke up and Ben's dating Riley.

Me: I'm sure they will understand.

Poliwag: Let me, Horsea, and Manaphy in on that chat!

Stewie: Me too!

Venom: Same with us!

Finn: Can we discuss this later?!

Nico: Guys enough! But yeah we'll talk about it later. Right now we got bigger fish to fry.

We found the studio.

Eli: She and her henchmen are in there.

Nico: Entrance time.

We flew at the studio.

Baby Dahl: Soon we'll be best of friends forever!

But then the spirits of the child actors from over the years flew in and then they swirled around them and converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the roof and a phoenix cry was heard.

We landed and we were facing MARY LOUISE DAHL A.K.A. BABY DOLL!

Me: Nice to see you again Mary Dahl.

Lincoln: And you are still the same as you were when we fought the last time.

Major Disaster: Is anyone else in here?!

Mariam and Baby Doll's henchmen came.

Me: Long time no see guys.

Henchman: You are gonna get it!

I punched the man down.

Laney ducked under Mariam's kick and she jumped over her and did a flip and smashed her down.

Lana: Awesome!

Tanya Anyanova: Mary we came to help you. Because I know exactly what you are going through.

Mandy: Can we knock the goons out before we continue?

Me: Already did here.

Laney: Same here.

Mariam and the goons were knocked out.

Mandy: Nevermind.

Baby Doll: (In an adult voice) You do. Who are you?

Tanya Anyanova: My name is Tanya Anyanova and like you I was once a star myself. But I wasn't born with the same disease you got. I was a star myself until I let the fame go to my head and I was lost in the evils of my own fame and fortune. I went insane like you did and I did terrible things to get my fame back. Until I later found out earlier that it was all because of Chase Young's evil that lead me to becoming so evil and horrible. But I know what you're going through. Fame is like a parasite and when it bites you it never lets go. It can go to your head and make you do all kinds of horrible things. Drugs, depression, being arrogant and self-righteous and more. It's horrible. I lost my entire life to the fame bug and look where it got me. I was exposed as a fraud when my sister was actually the true singing voice and it got me hating my sister Anna and I wanted nothing more than to kill her, Lincoln and Lori and it got me disowned from my family and sent to a nuthouse and then I got locked in a portrait. And then I found out after Lily cured me that it was all because of Chase Young who poisoned me with his evil and made me into an evil heartless monster.

Baby Doll: Oh my god.

Commissioner Gordon: Did that really happen?

Lincoln: It sure did Jim. It was a long time ago.

Me: Yeah.

Tanya Anyanova: Mary we heard about how everyone faced you before and how you lost everything. But you didn't want to live like this anymore. You wanted to be normal like everyone but Nature dealt you a bad card with this disease and it drove you mad.

Baby Doll: Yeah it sure did. It was hard for me out there. Over the years I remembered how happy I was with all of my fellow cast members and the folks at home cheering me. Baby Doll.

Qin: To be honest Mary, if it makes you feel any better, I loved your show.

Applejack: Me too and you were so adorable.

Lisa Loud: Indeed and your show was really amusing.

Baby Doll: I'm glad you loved it.

Qin: We sure did. I'm sorry Mary.

Me: Mary, before we continue this conversation we just want to apologize.

Baby Doll: For what?

Me: We weren't thinking straight when we fought the last time. We were acting so reckless and irrational because we were suffering from the effects of Dark Orb Contamination. It was poisoning us and making us act without thinking.

Lincoln: He's right on that. We were poisoned by dark orbs and didn't even know about it until a few years later.

Me: We were using very excessive force back when we started out as Team Loud Phoenix Storm.

Nico: This was before I came along and joining the team. We went through a lot of challenges when I started out and as we grew stronger our challenges got harder and harder and harder. But we got through all of them.

Me: But as the years went by we grew not just in numbers but in strengths and bonds too. Our friendships made us more powerful and stronger and made us a great force to be reckoned with.

Baby Doll: Wow.

Laney: Yeah. Because the Dark Orbs can never take away from us the one thing that makes EVERYONE human. And that is friendship, love and hope.

Nico: That's right. Our friendship and our hope and love and bonds is what lead us to get this far.

Me: Yep. And from the bottom of my heart Mary, on behalf of all of us we are sorry.

Qin: But also Mary it's not too late for you to change.

Xenia: You can be a better person and help people.

Laney: You just got to let us help you.

Varie: Yeah Mary. You made lots of good people laugh with your acting. Now we can do the same for you by helping you get cured of your condition.

Baby Doll: But my condition is incurable. I'm stuck like this.

Me: Every condition is curable. All you have to do is trust us.

Captain Cold: That's right Mary.

Baby Doll: Leonard, that IS you, isn't it?

Captain Cold: It's me. I know we haven't talked in a long time. But

I'm here to help.

Baby Doll: (starts crying) You don't know what it's like! To be young forever! To never grow up! To be afflicted with a horrible disease! To be treated like a freak! To lose everything! To be locked in prison because you're different!

Lincoln: Geez, the one time we get a Villainous Breakdown we don't ask for and it's not even an insane one.

Captain Cold: Mary you know how wrong you are about all that. There are countless people that know what all that's like.

Me: And you're looking at them. All of us.

Baby Doll: Really?

Me: Yeah. We're immortal, we have eternal youth, and we cured people that have diseases like that and even saw people ostracized for things they had no control over as well as everything that you said.

Nico: It's true Mary. We know how you feel.

Naruto: Yeah I know that feeling.

Fu: Me too.

Maria: And I'm bringing in more old friends. (TURNS DIAL) SNAKE VENOM 6!

She summoned Copperhead, Usari, Universe 666 Salem, Hocus Pocus, Hyleg Ourobockle and Bruiser Unversed.

She even summoned Electrocutioner, Bane, Two Face, Man Bat, Firefly, Killer Croc, Evil Clayface, Evil Poison Ivy, Mr. Freeze, Penguin, and many more of Batman's old enemies.

Copperhead: Hey guys.

Me: Glad you all could come.

Electrocutioner: Been a long time Mary.

Baby Doll: Lester. Harvey, Penguin, Pamela, Victor. You're all in the Masters of Evil?

Penguin: Yeah it's a long story my dear Mary.

Two Face: It sure is.

Me: The Joker and Scarecrow are not there because they were given the Black Gates.

Nico: And for good reason.

Me: Mary were you also in the Legion of Doom long ago?

Baby Doll: I sure was.

Captain Cold: It was a long time ago J.D.

Me: Oh I see.

Eli: Boy it's like a reunion.

Evil Poison Ivy: It sure feels like it.

Firefly: Now lets just calm down and take it easy.

Me: We're trying to help you Mary. Not make things worse. You just got to trust us.

Nora Fries: He's right Mary.

Nora came.

Nora Fries: Team Loud Phoenix Storm cured me of my disease.

Ellie Agreste: And they cured me.

Nico: So, if you want to keep fighting, go ahead. But deep down, you know we're fucking right.

Baby Doll knew we were right.

Baby Doll: Help me. Help me get better.

Me: That's what we want to hear. Ben, Carla, lets get it done.

Ben turned into Alien X.

Ben: ALIEN X!

Me: Here we go.

I fired a beam of blue energy and it hit Mary and she was being cured but it was being slow!

Me: (STRAINING) IT'S TOO MUCH!

Carla and Alien X put their hands on me and I got stronger and then she grew into a 30 year old woman and Mary looked amazing! She looked beautiful!

Qin: Wow! She is beautiful!

Mary Doll: What happened?

Nico: It worked!

Maria formed a mirror and Mary looked incredible!

Mary gasped!

Mary Dahl: Wow! I'm an adult! I look amazing!

Me: See told you we can do it.

Nico: Do we have to deal with her dark side too?

Me: We should do that and you can turn into your Baby Dahl half at will when you're in the M.O.E. (SNAPS FINGERS)

Mary's dark side appeared and she looked like a black hair version of Baby Dahl and had PIERCING RED EYES!

Batman: Great Scott!

Me: Whoa! Now that's something I never thought I would hear you say Bruce.

Nico: Even though it was from the original.

Me: Lets get her guys!

Eddy: You're in for a Spanking!

May: (Activates Count Spankulot's Ridewatch) (Transylvanian Accent) Those who break the rules are bad and must be punished Mary Louise Dahl! Prepare to feel the stingy wrath of the hand of justice from Count Spankulot! (EVIL LAUGHTER)

She grabbed Evil Baby Dahl and REALLY SPANKED HER!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Captain Cold: Love that!

Nico: (LAUGHS) Nice May!

Qin: (LAUGHS) Yeah! She should use Ol' Spankful.

WHAP! (SCREAM OF PAIN)

May: I'll do just that!

She pulled out a paddle and smacked Evil Baby Dahl bad!

* * *

OOH! OUCH!

Mary Dahl: I can't believe I was like that. What kind of a monster have I become because of my Baby Dahl Persona?

Me: A cute adorable one.

Lisa Loud: That loved to make people laugh.

Applejack: You sure did.

Evil Baby Dahl had a nasty case of baboon butt glowing neon red! OUCH! Then Evil Baby Dahl got her doll and fired bullets at me.

BANG BANG BANG BANG!

The bullets bounced off my skin like no problem!

Nico: WHOA!

Me: Superhuman Steel Skin. My powers evolved again and gave me the same kind of skin like that of Superman.

Superman: That is amazed that happened.

Nico: Gimme that doll!

Nico took it.

Me: Nice one.

She then pulled out a grenade!

Me: Uh oh!

She pulled the pin and threw it!

I grabbed it and threw the grenade back.

Me: Fire in the Hole!

She ducked.

KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMMM!

May fired a wave of ice with her freeze ray and anchored Evil Baby Doll's feet to the ground!

May: Chill Out!

Me: We got some fun to do before we finish up.

Lincoln: That's another battle that didn't end in bloodshed, and we redeemed Baby Dahl as well.

Nico: I still can't help but feel sorry for her, she went mad because her career flopped, she did nothing to deserve a cruel fate like that.

Me: You said it, but at least, she now has a new lease on life.

Lincoln: Yep. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Frieza, or we will force you out!

A figure came out, it was none other than Universe 666 Frieza, and like with Universe 666 Broly, his eyes were completely blood red and he had a black and purple aura around him.

Nico: So, Universe 666 Frieza has arrived.

Buster Bunny: He may not be as bad as the one we know and despise, but still we got to stop him and free him from that leech's control.

Lexi Bunny: Along with kicking the tar out of him.

Suddenly, Lexi Bunny's green eyes turned neon green and she was surrounded by a pink energy aura with stars, soundwaves, pink fire, pink lightning, pink and black darkness, rabbits, phoenixes, and angels, she unholstered her greatsword from her back, and as she approached Universe 666 Frieza, she left pink energy, stars, soundwaves, pink fire, pink lightning, pink and black darkness, rabbits, phoenixes, and angels with every step.

Lexi Bunny: Even though you're not like the Frieza we know and still hate even now, you're just as dangerous as he is, and Universe 666 Sebastian bringing you back and turning you into his slave basically crossed a serious line, and for that, I'm going to take you down and Buster's going remove that basket case's influence from you, hope you're ready for the beatdown of your life!

Suddenly, Lexi Bunny was surrounded by a massive vortex of pink energy with stars, soundwaves, pink fire, pink lightning, and pink and black darkness surrounding the vortex, there are rabbits, phoenixes, and angels flying around the vortex, and in the vortex is a pink phoenix with blue eyes gazing into Universe 666 Frieza: the eyes of salvation.

Me: WHOA!

Buster Bunny: EVERYONE, GET BACK! THINGS ARE ABOUT TO GET REALLY REALLY UGLY!

Then, as the vortex faded, Lexi Bunny emerged, but she was changed forever.

Lexi Bunny grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large pink and black orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her blonde hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and a pink energy aura with stars, soundwaves, pink fire, pink lightning, pink and black darkness, rabbits, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix, rabbit, and angel emblazoned on her forehead and Third Eye with green iris, she has on her Crystal Necklace of The Buddha with pink gems on the gold star links and pink crystal links and a pink rabbit-shaped Element of Harmony and on the bottom of the Element of Harmony is a rabbit holding with the Soundwave, Fire, Lightning, Star, Dark, and Eternity Kanjis in its paws for the pendant and she has on a white and gold accented choker on her neck, Lexi Bunny has on a black sleeveless tank top with pink phoenix on it, black pants with pink accents and pink soundwaves on the legs, black knee-high boots with pink accents, and she has on a long long-sleeved black trenchcoat with stars, soundwaves, pink fire, pink lightning, pink and black darkness, rabbits, phoenixes, and angels on the coattails, and on the back is a phoenix, rabbit, and angel surrounded by soundwaves. Suddenly, Lexi Bunny felt a sharp pain on her back, and then, her massive black angel wings with pink tips on the large black feathers grew much bigger for her new body. Lexi Bunny has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lexi Bunny's massive greatsword, and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, stars, soundwaves, pink fire, pink lightning, pink and black darkness, rabbits, phoenixes, and when it emerged, it transformed into Lexi Bunny's Cosmic Eternal Wepawawet Pink Star Firestorm Lightning Darkness Rabbit Phoenix Angel Greatsword of Pink Star Firestorm Lightning Darkness Rabbit Phoenix Angel Justice, it's a brand-new massive greatsword with embedded pink gems and the silhouette of Lola Bunny etched on the 7'6" massive, wide, double-edged black blade, large pink rabbit heads for the crossguard, large white angel faces built into both sides of the hilt with large pink gems embedded in the foreheads, longer midnight black handle, four large pink rabbit heads with pink gems for eyes and large pink rabbit head with pink gems for eyes and pink gem in its mouth on the bottom of the pink rabbit heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold rabbit head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were really amazed by Lexi Bunny's Super Angel-Acme Future Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Ace Bunny saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

But, when Universe 666 Frieza saw it, he fired a Death Beam at Lexi Bunny to kill her, but Lexi Bunny fired a massive barrage of pink energy, stars, soundwaves, pink fire, pink lightning, pink and black darkness, rabbits, phoenixes, which hit Universe 666 Frieza and he was sent crashing into a wall, he got back out, but now, he was beyond enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Lexi Bunny did.

Bugs Bunny: WHAT THE?!

Lola Bunny: Even I'm stunned by what we just saw, Bugs.

Lexi Bunny: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Acme Future Cosmic Pink Soundwave Lightning Pink Firestorm Darkness Coyote Angel and Divine Cosmic Eternal Acme Future Cosmic Pink Soundwave Lightning Pink Firestorm Darkness

Coyote Angel Hope) Even though you're not the Frieza that we know and hate, I'm really going to enjoy making you suffer and I may even draw blood! (CRACKS KNUCKLES) Let's do this!

Bugs Bunny: Oh boy, this is gonna get ugly!

Me: It sure is!

Nico: (Gulps) And when Lexi mentioned drawing blood, now I know things are really going to get ugly.

Lola Bunny: Well, it's about to get uglier. Babs, let's go.

Babs Bunny: Let's do it.

Vegeta: I think you spoke too soon, Bokrua.

Suddenly, we saw Lola Bunny and Babs Bunny join Lexi Bunny.

Me: Now, things are going to get uglier with Lexi's ancestor and her student joining in!

Lexi Bunny, Lola Bunny, and Babs Bunny went after Universe 666 Frieza, and Lexi fired extremely powerful blasts of pink energy, stars, soundwaves, pink fire, pink lightning, black and pink darkness, rabbits, phoenixes, and angels, and Babs Bunny fired extremely powerful blasts of pink and yellow energy, stars, water, ocean waves, basketballs, rabbits, phoenixes, and angels, and Lola Bunny fired extremely powerful blasts of peach and yellow energy, stars, fire, flames, basketballs, rabbits, phoenixes, and angels at Universe 666 Frieza, and they exploded with incredible power as they hit him. Then, Lexi Bunny, Babs Bunny, and Lola Bunny attacked him with swings of their massive greatswords leaving scars on him.

Buster Bunny: Whoa, they're really tearing him apart!

Me: You said a mouthful.

Universe 666 Frieza was indeed enraged, but then, a dark force was behind him, it was Sebastian and he slashed Universe 666 Frieza's back as he screamed in agonizing pain, and of course, Sebastian is now in his Demon Angel Mode, and he was out for blood now. Then, Sebastian slashed Universe 666 Frieza's chest with his claws and left claw marks on his chest and he also spilled blood.

Universe 666 Frieza continued firing Death Beams at Sebastian, but he dodged them all and he fired blasts of darkness and he even summoned demons to attack him along with demonic hands from Hell.

Then, Lexi, Babs, and Lola fired beams of pink energy that hit Universe 666 Frieza as it transformed into a pink tornado and it caused Universe 666 Frieza to be knocked out, and then, he was bound with chains of light fired by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Frieza and removed every trace of the poisonous darkness that infected him, and he was restored and sent to The Masters of Evil. We all cheered wildly as Lexi Bunny holstered her massive greatsword on her back and powered down, and Lexi Bunny's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive black angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more.

Suddenly, Good Luthor arrived.

Good Luthor: I am glad that you've been freeing Frieza, Broly, Zarbon, Dodoria, King Cold, and Cui, and like what all of you have heard, they and the other Universe 666 versions of the Z-Fighters' foes were indeed the most powerful members of The Resistance and helped us out against Team Loud Evil Storm.

Universe 666 Me: And like you've heard, Universe 666 Sebastian killed them in cold blood long ago and he brought them back from the dead and turned them into his slaves. But, Lincoln made sure to take Universe 666 Sebastian's powers of poisonous darkness and left him with his powers of Infernal Darkness. But, we still need to free the other Universe 666 versions of the Z-Fighters' foes and send them to Good Luthor at once.

Me: Because there's no telling if Universe 666 Sebastian also had fragments of his soul implanted in them.

Lincoln: Like what happened with Rachel Carrington's dark self, Zixkle.

Rachel Carrington: That's right.

Drakus: Trying to cheat death after we kick his ass to The Black Gates?! He's crossed another line again!

Me: There's no line he's bound to cross. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Akiko Mahōtenshi, the Twitch Gene-Slammer, Chitose Mahōtenshi, the Thrash Gene-Slammer, Eriko Mahōtenshi, the Hashtag Gene-Slammer, Fubuki Mahōtenshi, the Nightshade Gene-Slammer, and Inori Mahōtenshi the Jawbreaker Gene-Slammer.

Selene Arcangela: (GASPS) Hiroman, Mitsuki, and Hazuki's sisters A.K.A. The Mahōtenshi Sisters?! Awesome, and you guys are going to love meeting them, Akiko Mahōtenshi, the Twitch Gene-Slammer, Chitose Mahōtenshi, the Thrash Gene-Slammer, Eriko Mahōtenshi, the Hashtag Gene-Slammer, Fubuki Mahōtenshi, the Nightshade Gene-Slammer, and Inori Mahōtenshi the Jawbreaker Gene-Slammer are Lincoln's Guardian Angels from Japan and classmates in English, and they're also amazing fashionistas and athletes, and they're the sisters of Hiroman, Mitsuki, and Hazuki.

Hiroman: And easily identified: Akiko has pink hair with matching clothes, Chitose has red hair with matching clothes, Eriko has red hair with matching clothes, Fubuki has violet hair with matching clothes, and Inori has orange hair with matching clothes.

Selene Arcangela: Yep, and Lincoln made the Mahōtenshi sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry the Mahōtenshi sisters along with the rest of his harem, and they hate Bradley Uppercrust III with a blazing passion, the reason why is because he tried to sabotage the sports equipment and the newest clothing that the Mahōtenshi sisters made, but they and Lincoln jumped him and beat the crap out of him.

Nico: Jeez! Not again!

Me: How many of these revelations are we going to hear about that prick?!

Lincoln: One too many, J.D., since he's just as hated as the rest of my enemies.

We then got our lobster feast underway.

Dumbbelltron: All's well that ends well.

Fireor: We'll find a way to get Mary her show back.

Me: Yeah.

Zavok: I'm just happy she's fixed.

Qin: Me too.

Leap Frog: What do we do now?

Kerbero Gangan: We go to sleep. I think J.D. and the others are full right now.

LOUD BELCH!

Me: Whoa pardon me!

Nico: No worries.

Mary Dahl: Thank you all for helping me.

Me: It was no problem.

Qin: This was awesome though.

Nico: Yep. Great job today everyone.

Laney: Yeah.

Pinkie Pie: (To the viewers) This was a great adventure. Hope you all liked it!

We went to sleep and man we were bloated. Who knew that Clawslash would taste delicious.

So, we're going to exhume the body and rebury him outside the cemetery among other ex-communicated outcasts, and we're also going after the one responsible for having him buried there: a former friend of Darren Devereaux's who foolishly tried to help the dead man but wound up falling into darkness. And we're going to meet the next group of Cybertronian Gene-Slammers, their names are Akiko Mahōtenshi, the Twitch Gene-Slammer, Chitose Mahōtenshi, the Thrash Gene-Slammer, Eriko Mahōtenshi, the Hashtag Gene-Slammer, Fubuki Mahōtenshi, the Nightshade Gene-Slammer, and Inori Mahōtenshi the Jawbreaker Gene-Slammer A.K.A. The Mahōtenshi Sisters, these five sisters are Lincoln's Guardian Angels from Japan and classmates in English, and they're also amazing fashionistas and athletes, and they're the sisters of Hiroman, Mitsuki, and Hazuki. Akiko has pink hair with matching clothes, Chitose has red hair with matching clothes, Eriko has red hair with matching clothes, Fubuki has violet hair with matching clothes, and Inori has orange hair with matching clothes. Lincoln made the Mahōtenshi sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry the Mahōtenshi sisters along with the rest of his harem, and they hate Bradley Uppercrust III with a blazing passion, the reason why is because he tried to sabotage the sports equipment and the newest clothing that the Mahōtenshi sisters made, but they and Lincoln jumped him and beat the crap out of him.

Next up is Finding Dory and we're going to battle the Giant Squid in that one.

See you next time.

Me: So Misty is said to be from Bridlewood. This will be interesting to find out.

Camie: But the question is what is the connection.

Me: Yep.

Lola: We got to figure it out.

Varie: That's part of the mystery. She has to have some connection here before she was taken in by Opaline.

Misty Brightdawn: I know you guys will help me out. I know it.

Me: We sure will Misty.

Nico: Yang, I want to thank you, Motor Ed and your teams for coming.

Yang: Anytime Nico. This will be really fun.

Motor Ed: It sure will guys. Seriously.

Me: Yep.

Zipp Storm: I'm really looking forward to this.

Me: You sure are Zipp. Even though you are always with us it's still so fun.

Rainbow Dash: I agree there and you and I both have so much in common.

Me: I've always known that.

Qin: Yep.

Me: So far we got some good clues from Misty's nightmares and they were really visions. We found out that she got lost and saw a creature of some kind.

Nico: Yeah. But what does it mean? I think the Breezies that we met earlier might know something.

Pipp: Yeah they might.

Nico: Zipp, what do you like to do in your free time?

Zipp Storm: I just like to fly and even do sports.

Rainbow Dash: That is awesome!

Lola: Yeah she is definitely so much like you Rainbow Dash.

Me: No doubt about it.

Nico: Yep.

Lana: What kind of sports to you like Zipp?

Zipp Storm: I like to go surfing and I also like sky stunts and I also like Sunny's smoothies.

Me: Nice. Z.S. You are definitely like Rainbow Dash.

Zipp Storm: Z.S.?

Me: That's your initials. Like how I call Rainbow Dash, R.D.

Zipp Storm: Oh I get it! I like it.

Rainbow Dash: I'm glad my legacy lives on.

Zipp Storm: That is true.

Nico: Yep. Man that was an awesome adventure yesterday.

Me: Boy it sure was. Baby Doll is now officially in the M.O.E. And the Redemption Squad.

Maria: That was a really heartfelt talk we gave her.

Nico: It sure was.

Lincoln: She gave a villainous breakdown we didn't ask for. It wasn't even insane!

Me: No that was from her emotionally wounded heart because she was hurting. Not just emotionally but mentally as well.

Eli: Bro is right. She had a lot of emotional trauma and her mind was really messed up because of it.

Lola: Yeah. Poor Mary.

Lana: Yeah.

Lola: (GASP) Wait! I remember something! Nico we forgot to tell you this but Princess Morbucks that spoiled brat. She's in every way like Baby Doll too. She has the same disease.

Laney: Oh that's right! I forgot all about that!

Me: Me too! That was nuts! I completely forgot about that.

Nico: No way! Princess Morbucks in the Limburger Cheese mines has the same disorder?

Me: We're not shitting you Nico.

Nico: When was this?

Me: It was about a year before you joined us.

I went over what happened in Chapter 116.

---

It starts out with Me, Varie, Woody, Jeri and the Loud Kids over at the supermarket shopping for groceries and we run into a face we all don't like.

Lola: (Snarling) PRINCESS MORBUCKS!

Princess: That's right. You all made a complete and total fool out of me! I lost everything because of you Lola Loud!

Lola: Well you deserved it because you give people everywhere a bad name!

Princess: I do not!

Lola: Yes you do!

Princess: I do not!

Lana: Yes you do!

Lisa: Affirmative, you do.

Princess: I do not!

Laney: Yes you do!

Me: So you are Princess Morbucks. Lola told me all about you.

Varie: Who is that J.D.?

Me: That little girl is Princess Morbucks. She and her dad used to live in our house and she went to Royal Woods Elementary a little over a year ago before I moved here to Michigan. She went on several crime sprees and got turned in by Lola. All of her assets were seized and she and her dad were evicted from their home because of it.

Varie: Oh wow! So she's a former rich girl.

Princess: So you're the rich boy that now lives in MY house!

Me: It's not your house anymore. You got what you deserved Princess.

Princess: You know what I wanted more than anything else? To be a Powerpuff Girl!

Me: The Powerpuff Girls? I heard alot about them. They live in Hazeltucky and they made headline news all over the world because of their crime fighting adventures.

Varie: Me too.

Lola: I love the Powerpuff Girls! They go to Royal Woods High School with Lori, Carol, Leni, Luna, Gabrielle, J.D. Varie, and Luan.

Me: Cool! I saw them there and they are very famous and popular.

Princess: It's because of them that I couldn't be a Powerpuff Girl!

Lola: Princess lived in New York City and I heard she did some incredibly terrible things over there.

Lana: One time she bought the city and legalized crime.

Me: (Shocked) WHAT!? That would've destroyed all of civilization!

Varie: That's insane! That's total Anarchy!

Lola: And she hired Mojo Jojo to try and destroy the Powerpuff Girls.

Lana: But they stopped them.

Luan: I also heard that she gave them a bomb on their birthday.

Luna: She even teammed up with Mojo Jojo, Fuzzy Lumpkins and Him and went on a crime spree. But they were stopped Dudes.

Me: That's good.

Lola: They also tricked a friend of ours named Robin into stealing and she tattled on her. And I thought I was a bad enough tattle-tale.

Lynn: And I also heard that she tried to ruin Christmas for everyone around the world by changing the lists. She went to the North Pole and put everyone on the Naughty List and made her the only girl on the Nice list. The truth came out and now she's on the Permanent Naughty Plaque and is considered the worst child in the history of the world.

Me: Whoa! Princess here is worse than a spoiled brat. She's a true heartless Sociopath!

Lana: What's a sociopath?

Me: It's someone that can't feel Empathy, Remorse or Guilt.

Laney: They do all kinds of terrible things and they don't care who suffers for it.

Lisa: Precisely.

Princess: And your point is?

Me: You're a spoiled brat and a truly evil person with no conscience.

Lola: And another point is that you got what you deserved Princess and we're glad that you're now on the streets for the rest of your life!

Me: In a way princess, after me and my family won the Colorado Lottery, we got all your assets and are now in Luxury. But remember this: Money can't always get what you want and there are some things that money will never buy.

Lincoln: Like power.

Linka: Friendship.

Varie: Happiness.

Woody: Or Love.

Me: Remember that.

We leave and Princess was seething and fuming in extreme rage. She kicked over a shelf and was mad.

The store owner saw this and threw her out.

Woody: Boy that girl is a total menace to society.

Lola: You said it Woody. Her father made her into a spoiled brat monster.

Woody: No kidding.

Lisa: Greed can warp a persons mind beyond all point of psychological repair and those people don't care about anything other than themselves. Like the evil Sasuke's that we despise.

Me: Indubitably.

We all go home and Princess swore to get revenge.

Princess worked hard and rebuilt her battle suit from her first fight against the Powerpuff Girls and she went after Lola.

Lola was playing outside with Lana and she saw Princess in her suit.

Princess: (Enraged) LOLA LOUD!

Lola: Princess? Nice armor.

Princess: I will now have my revenge on you! If I can't be a rich girl, No One Can!

?: I don't think so Princess!

3 streams of Pink, Aqua Blue and Spring Green Light appeared and blew Princess into a tree. Sure enough, it was the Powerpuff Girls and they were all grown up.

Lola: Blossom, Bubbles and Buttercup! It's great to see you all. (Hugs them)

Blossom: (Hugs Lola) Same here Lola.

Bubbles: You still are as pretty and cute as we remember.

Buttercup: And a fierce pageant queen.

Lola: Thanks girls.

Blossom: [to Princess] Princess Morbucks. You haven't changed at

all.

Buttercup: It's hard to imagine you look exactly as you were back when we were in kindergarten.

Lola: That really surprises me. How did that happen?

Bubbles: The Professor found out she has an extremely rare condition called Systemic Hypoplasia or Baby Dahl Disease. It's a disease that keeps her from aging.

Lola & Lana were shocked.

Lana: So we had a teenager in kindergarten this whole time!?

Lola: That's really weird!

Blossom: That is weird isn't it?

Princess: It's not fair! How come you're older and I still look like I'm a kid?

Bubbles: Because you're too stupid to know anything about medicine.

Lola: All that money and always being a spoiled brat destroyed your mind to that of an underdeveloped soynut!

Princess: (ENRAGED) I WILL MAKE YOU PAY 1000 TIMES OVER!

Lola spread her wings of fire and Lana spread her wings of Ice.

Princess saw this and gasped.

Princess: Lola, Lana, you now have superpowers?

Lola: That's right. We got fire and ice powers. I got my Fire powers from the Flame of Gabija, the spirit of Fire in Lithuanian Myth.

Lana: And I got my Ice powers because of the Snowflake of Khione, the Goddess of Snow in Greek Myth.

Blossom: That's very interesting. I had no idea that you can get powers because of the blessing of Mythological Deities.

Lola: It's happened to most of our family Blossom.

Lana: Yeah. We got our powers from gods and goddesses of myths from all over the world.

Bubbles: That's amazing. I even heard that a girl with plant powers killed a kid here.

Lola: Yeah. That was our sister Laney. She was given her plant powers by the Diamond of Gaia.

Lana: The kids name was Chandler Henderson and he was a terrorist Laney fought and beat in our school.

Buttercup: Oh man. That's terrible.

Princess: Now I can get revenge on all of you!

Lola: Just try it!

Princess fired a blast of pink energy and everyone flew into the air as it hit the ground and exploded. The explosion got our attention and we came outside and found Lola and Lana fighting alongside the Powerpuff Girls.

Me: Whoa! The Powerpuff Girls!? Awesome!

Lori: This is awesome!

Blossom punched Princess in the face and sent her flying towards Buttercup. Buttercup fired a light green light ray at Princess and it blasted off her left arm armor in a fiery explosion.

Princess: This can't be! You're stronger and faster than ever!

Buttercup: We're not the same as we were back in kindergarten Princess.

Lana: So how about you take a Chill Pill. [Fires Ice Lightning at Princess]

The Ice Lightning froze her in a block of ice and it cracked and shattered and her armor came off in thousands of pieces.

Bubbles: Now to finish you for good. We've had it with you Princess.

Blossom: You'll get all the money you ever want where you're going.

Buttercup: And that is the Netherworld.

Blossom, Bubbles and Buttercup fired pink, aqua blue and light green light ray at her and they hit her.

Lola: Lets see what burns you up!

Lola fired a stream of fire at Princess.

Lana: Lets see you Chill!

Lana fired a beam of Ice Lightning and the powers mixed and Princess exploded all over the place into burning embers.

Blossom: We did it!

Bubbles: That's the end of the worst spoiled brat in the world.

Buttercup: Yeah. Good riddence.

Lola and Lana were horrified by what they had just done.

Lola: We just made our first kill.

Lana: Yeah we did.

Lola & Lana: We're murderers! (Crying Hard)

Laney came out and comforted them.

Laney: It's all right girls. It's all right.

Blossom: Are you Laney?

Laney: Yes I am Blossom.

Blossom: I heard you killed a terrorist kid named Chandler Henderson.

Laney: Yes I did and that kid was a monster.

Blossom: I believe it. Quite frankly he got what he deserved just like Princess did.

Laney: That's right. Princess is now gone forever and I hope she loves the Netherworld.

Bubbles: Yeah. Good riddence to another villain.

We all come out.

Me: Hey girls.

Buttercup: Hey J.D., Varie.

Varie: We saw the whole fight and it looks like Lola & Lana made their first kill.

Laney: Yeah. They sure did.

Blossom: Princess moved here to Michigan and continued her crime spree and her assets which were worth $75 Billion were seized. She was disowned by her father and was force to live out on the streets. But we also heard that Lola revealed everything she was doing and got her thrown in prison before she was made homeless.

Me: That's harsh but she deserved it.

Varie: Indubitably.

We take Lola & Lana into the living room and console them and they got better and were gonna see a counselor during school. 1 week passed and they were better.

Blossom, Bubble and Buttercup now live in one of the guest rooms.

---

When I was done everyone that hadn't heard about it was shocked!

Qin: WHOA!

Nico: WOW! That is really shocking!

Laney: It was.

Nico: That doesn't change anything!

Me: No it doesn't.

Lana: But we wanted to tell you about that Nico.

Nico: I appreciate you guys telling me that. But that was amazing. Still doesn't change anything though.

Me: We know.

Nico: I'm glad Mary Dahl is now better and redeemed.

Lola: We are too.

Maria: Yeah. She will be perfect for the M.O.E. and the Redemption Squad.

Nico: Now we just need to get her show back.

Me: We'll think of something. (BURPS) Oh pardon. Still a tad full from last night.

Nico: No worries. Now to help Misty.

Me: Okay.

Zipp Storm: Hmm.

Me: I saw Misty's cutie mark glow strong when she got close to Alphabittle. His cutie mark glowed the same way. Think it means something?

Zipp: Hmm. Misty in your vision, the large shadow, is it possible that it wasn't a creature after all?

Nico: Please give us an honest answer

Misty then remembered something and saw that the shadow was a younger Alphabittle.

But then she dropped the Biggest Bombshell of them all!

Misty Brightdawn: D-d-d-Dad?

WE GASPED IN UTTER SHOCK!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Mine, Nico, Eli, Twilight Sparkle, Sunset Shimmer, Rarity, Fluttershy, Rainbow Dash, Starlight Glimmer, Applejack, Pinkie Pie, Lincoln and Yang's jaws dropped!

Varie and everyone helped put them back!

Izzy Moonbow: ALPHABITTLE IS YOUR DAD!?

Nico: WHOA MAN!

Misty Brightdawn: Yeah! I think so!

Yang: Where is he right now?!

Me: He's at the Crystal Tea Room.

Zipp Storm: We got to get there now!

---

We later got there and Alphabittle was talking to Queen Haven.

Alphabittle's cutie mark glowed.

Alphabittle: Why does this keep happening today.

We came in.

Me: I think we can answer that Alpha.

Misty Brightdawn: D-dad?

He saw Misty and her cutie mark glowing.

Queen Haven: Misty is your daughter?

Me: That's right.

Alphabittle: Misty? But how?

Misty Brightdawn: I'm home dad.

Misty and Alphabittle hugged for the first time in years.

Alphabittle: You're home.

Misty Brightdawn: Oh dad.

Alphabittle: (Crying) And I'm never losing you again.

We saw it and it was so touching.

Nico: We're still here, you know.

Me: Nico let them have their moment. They got a lot of catching up to do.

Nico: You're right.

It was so awesome.

* * *

Later we were talking to Alphabittle about what Misty went through and all that.

Alphabittle: So Misty was your double agent for Opaline to help you guys gather intel?

Me: Yep. It was a Team Dark Phoenix Storm Style Mission for Misty. She gathered intel on Opaline for us so we can bring down that monster for good.

Laney: Thanks to Misty's intel we gathered all that we needed to end Opaline's reign of terror for good.

Qin: It true.

Xenia: Your daughter was an extremely tremendous help to all of us.

Camie: She helped us a lot in not just bringing down Opaline, but also many of our enemies too.

Nico: She has come a really long way since then.

Me: You should be very proud of her.

Alphabittle: I sure am. Misty I am so proud of you.

Misty Brightdawn: Thanks dad.

Alphabittle: And the enemies she had were enemies you guys faced over the years?

Me: Yep. Major enemies that we took down last year and over the last 4 years.

Hitoshi: Two of said enemies were my villains.

Me: It's true. And to be honest I've wanted to have another crack at them,

Alphabittle: Wow that is amazing. Thank you all so much for looking out for my daughter.

Me: You're welcome Alphabittle. She was in really good hands with us. But in terrible hands with Opaline.

Nico: And now, she's gone

Alphabittle: I'm glad.

Me: We are too.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that Dark Versions of Lori, Luan, Lynn, Lola and Lisa who have come from an alternate universe to kill me.

We gasped.

Me: OH GOD!

Nico: Just like what happened with Dark Bobby.

Lincoln: Yep. And we're gonna need all hands on deck for this one, there's absolutely no way we're going to let those monsters get away with this.

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for those five.

Lincoln: Without a doubt. (Sensed for the Dark Versions of Lori, Luan, Lynn, Lola and Lisa) AHA! Gotcha! I just spotted the Dark Versions of Lori, Luan, Lynn, Lola and Lisa, they're 20 yards away and they're closing fast on me!

Nico: There's absolutely no way we're letting those goddamn dark bitches run free any longer.

Lincoln: Without a doubt, Nico. I'm going to rip those five limb from limb for everything that I've had to suffer through because of Dark Lori, Dark Luan, Dark Lynn, Dark Lola, and Dark Lisa. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Dark Versions of Lori, Luan, Lynn, Lola and Lisa.

Lincoln: Keep your eyes peeled, everyone. They're here somewhere.

Me: Just in case…

I snapped my fingers and we were on the planet Glaren for safety.

Lola: There now we have plenty of room.

Alphabittle: Oh wow. This will be good.

Misty Brightdawn: You're going to see us in action dad.

Me: Yep.

?: (ENRAGED SCREAMS) TWERP! FILTHY PEASENT! FUN WRECKER! HAIRLESS APE!

LOUD MONSTROUS BELCH!

Lincoln: Yep, there's no mistaking those banshee shrieks and loud monstrous belch from anywhere, along with the smell of excessive perfume and the stench of B.O. and feet!

We then saw five figures heading right for Lincoln with bloodlust and completely insane rage: they were the Dark Versions of Lori, Luan, Lynn, Lola and Lisa. But, before they could try and kill Lincoln, he fired blasts of rainbow energy which hit those five she-demons and sent them flying into a wall. They got back out, but now, they were extremely pissed off beyond anyone's imagination.

Carol: So, those are the Dark Versions of Lori, Luan, Lynn, Lola and Lisa. Lori looks a lot like that vile demonic control freak Alpha Bitch, Dark Lori.

Maggie: Same with that Dark Version of Luan: homicidal, psychopathic, and completely insane.

Margo: Same with that Dark Version of Lynn: a completely animalistic, belching, farting, superstition-crazed, super-aggressive, hard-headed stupid ape.

Roxanne: Same with that Dark Version of Lola: a rampaging pageant demon and a sociopathic freak.

Darcy: And same with that Dark Version of Lisa: heartless, emotionless, and completely pure evil.

Lincoln: Let me take a crack at them first.

Lincoln cracked his knuckles and spread his massive white angel wings, that of course pissed off the Dark Versions of Lori, Luan, Lynn, Lola and Lisa, and they charged at Lincoln with undeniable wrath and bloodthirst. But, Lincoln stood ready and firm as he punched Darker Lori with excessive strength in the stomach and caused her to belch out massive amounts of blood, then, he did the same to Darker Luan as he punched her hard in the face and knocked out her teeth, then, he punched Darker Lynn with excessive strength in the stomach and caused her to belch out massive amounts of blood, then he punched Darker Lola and Darker Lisa in their faces and sent them flying into a tree, and he grabbed Darker Lori, Darker Luan, and Darker Lynn with three of his eleven massive and long white tails and he tossed them into Darker Lola and Darker Lisa, and they crashed into each other like bowling pins.

BOWLING CRASH!

Nico: WHOA!

Me: Nice one!

Qin: Take that!

Poromon: By the way, do you have any weapons me and some of the others can use later?

Alphabittle: Why?

Venom: Ask no questions!

Me: You're still mad because of what Ben's parents did!?

Nico: Jeez! Worry about that later. Right now we got more important things.

Laney: Like tearing apart these monsters!

Venom: Okay. At the very least, I can eat one of them!

Me: Eat Darker Lisa!

Lisa Loud: Affirmative. You can eat that darker version of me.

Me: Yeah.

Lincoln: And now it's time for some pain!

Nico: Uh oh!

Me: Yep, they really awoke Lincoln's wrath, and he's not going to show them any mercy.

Carol: Neither are any of us.

Carol, Maggie, Margo, Roxanne, and Darcy: We've had it up to hear with you five monsters, now it's time for you five to pay the price for your crimes against your brother!

Suddenly, the colored eyes of Carol, Maggie, Margo, Roxanne, and Darcy turned neon colors, and they were surrounded by colored energy auras with stars, elemental forces, animals, phoenixes, and angels, they unholstered their massive greatswords from their backs, and as they approached the Dark Versions of Lori, Lynn, Lola, Lisa, and Luan, they left colored energy, stars, elemental forces, animals, phoenixes, and angels with every step.

Suddenly, Carol, Maggie, Margo, Roxanne, and Darcy were surrounded by five massive vortexes of colored with stars and elemental forces surrounding the vortexes, there are animals, phoenixes, and angels flying around the vortex, and in the vortexes are colored phoenixes with red eyes glaring at the Dark Versions of Lori, Lynn, Lola, Lisa, and Luan: the red eyes of death. Then, as the vortexes fade, Carol, Maggie, Margo, Roxanne, and Darcy emerged, but they were changed forever.

THE LOUD HOUSE INSTRUMENTAL INTRO PLAYS

Carol remained tall at 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long blonde hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and a rainbow energy aura with stars, Gravity Lightning from King Ghidorah and the other elemental forces of the Kaiju, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has King Ghidorah, Godzilla, Mothra, and the other Kaiju emblazoned on her forehead and Third Eye with purple iris, she has on golden King Ghidorah earrings with red gems for eyes and holding the Atomic, Element, and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with purple gems embedded in the gold lightning bolt links and purple crystal links and a purple King Ghidorah-shaped Element of Harmony and on the bottom of the Element of Harmony is Godzilla with blue gems for eyes and holding the Atomic, Element, and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, Carol has on a long-sleeved purple shirt with a glowing blue phoenix, skirt made of the golden scales of King Ghidorah, purple knee-high high-heeled boots, and long white sleeveless trenchcoat with blue flames, elements, and Gravity Lightning on the coattails and on the back of the trenchcoat are Godzilla, King Ghidorah, and Mothra surrounded by elemental forces and stars. We were amazed by the transformations of Carol, Maggie, Margo, Roxanne, and Darcy, and when Lincoln saw Maggie and Margo, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the Dark Versions of Lori, Luan, Lynn, Lola, and Lisa saw it, they went absolutely insane with absolute rage and ran at them to kill them, but Carol, Maggie, Margo, Roxanne, and Darcy fired massive barrages of colored energy, elemental forces, animals, phoenixes, and angels which hit the Dark Versions of Lori, Luan, Lynn, Lola, and Lisa and sent them flying into a couple of walls. Eli made clones of himself and he closed our jaws and his own jaw.

Me: (AMAZED BEYOND MEASURE) HOLY FUCKING SHIT!

Nico: (AMAZED BEYOND MEASURE) THIS… THIS IS ABSOLUTELY… AWESOME!

Carol: I think it's time we ended this nightmare for good, Lincoln.

Lincoln raised and pointed his massive greatsword at the Dark Versions of Lori, Luan, Lynn, Lola, and Lisa, and we saw a red energy ball forming on the tip of his massive greatsword and it was suddenly getting more massive by the second, and then, Lincoln condensed it to the size of his body.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

That made the Dark Versions of Lori, Luan, Lynn, Lola, and Lisa even madder as they bellow ungodly screams and charged at Lincoln with nothing but murder and hatred in their minds.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NEGATIVE KARMIC RETRIBUTION!

Lincoln fired the massive red energy ball and it hits the Dark Versions of Lori, Luan, Lynn, Lola, and Lisa, and because of the fact that they're truly irredeemable and are beyond any form of forgiveness.

The explosion blasted them all down.

Venom went over to Darker Lisa.

Venom: You come in here, again… in fact, you go anywhere in this city, preying on innocent people, and we will find you and eat both your arms, and then both of your legs, and then we will eat your face right off your head. Do you understand?

Darker Lisa: Please…

Venom: Yes. So, you will be this armless, legless, faceless thing, won't you, rolling down the street! Like a turd… in the wind… Do you feel me?

Darker Lisa: What in Einsteon's name are you?

Venom: [half of face rolls back to expose Eddie; both speak at the same time] We… are Venom. [face rolls forward as Venom smiles like a demon] On second thought…

Darker Lisa: Please…

The last thing she saw was Venom opening his mouth.

And then CHOMP!

She was eaten alive!

Dark Lynn: LISA NO!

Qin: Yes you turd!

KRABLAM!

She punched Dark Lynn in the face!

Venom went over to Dark Lynn and bit her head off too.

CHOMP!

Me: FEEDING FRENZY OF VENOM!

Lola: Yeah!

Venom did the same to Dark Luan and Dark Lola!

Dark Lori was making a Run for it!

Me: We got a runner!

Venom jumped and bit Dark Lori's head off.

CHOMP!

He really ripped all 5 of the Dark Mean Loud's to shreds.

Venom: That was good! (LOUD BELCH)

Me: Whoa!

Venom: Excuse us.

Qin: You're both excused.

Venom: Darker Lisa's brain was especially tasty!

Me: Tasted like chicken?

Venom: Yep and it was slimy yet satisfying.

We laughed!

Me: Nice.

Lisa: You realize any version of me has a smart brain, correct?

Venom: Yes we know.

Me: We were just being funny with that.

Lana: Yeah like with how Timon and Pumbaa says that bugs taste like chicken.

Venom: See they get the idea.

Lisa Loud: That is true. But that was most satisfying to see those dark versions get consumed.

Me: It sure was.

Lola: Yeah.

Me: Yep.

Their spirits were burped out and they were sent to The Black Gates forever. Everyone all cheered wildly as Lincoln, Carol, Maggie, Margo, Roxanne, Darcy, and I holstered our massive greatswords on our backs and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, gold halos, eleven massive and long wolf tails, and massive angel wings of Carol, Maggie, Margo, Roxanne, Darcy, and Lincoln are permanent.

Lincoln: Whew, now that's I call an awesome rush!

Me: No kidding. But, I was absolutely stunned by what we just saw.

Nico: Me too. (Looks at Lincoln's harem) Uh, Lincoln, I'd brace yourself if I were you, your brand-new ascension and body transformation has really turned on your harem even more.

Suddenly, Lincoln was pounced on by his harem and they kissed him all over the place, and when his harem got up and off, Lincoln had an atomic red blush on his face, massive and muscular body, and eight-pack abs, he had steam whistling out of his ears, and his pupils turned into hearts.

Lincoln: (In Heaven) That… was… so… awesome!

Then, Lincoln got back up.

MeNow where were we? Oh right. Poromon are you guys still peeved about Ben's parents doing that to Ben?

Kevin Levin: Geez, you keep this up, you're gonna end up like the Horror villains.

Suddenly, Poromon got an idea.

Poromon: (smirks) Thanks, Kevin. You just gave me an idea! (to Alphabittle) We no longer need any weapons you may have.

Alphabittle: Um… okay?

Me: Uh oh! Nice going Kevin! Now you gave the mascots the idea to scare the shit out of Ben's parents with the Blood and Honey Trailer!

Kevin Levin: Oops.

Poromon: Actually, it's not the trailer we're going to use.

Kevin Levin: It's not?

Stewie: You'll see later. But regardless of what happens, we'd like your thoughts on it.

Me: Ben I hope you are going to go Rath on the Mascots.

Qin: Yeah.

Alphabittle: Misty, I'm sorry I couldn't be there for you growing up.

Misty Brightdawn: It's all right dad. I have amazing and great friends and they too are part of my family. They taught me so much and we did so many great deeds together.

Lincoln: And she is also part of my harem.

Me: Long story on that.

Alphabittle: Lincoln, I don't think I have to tell you what will happen if you don't treat my daughter nice.

Lincoln: Don't worry sir. Your daughter is in good hands. I give you my word that I won't let anything happen to her.

Alphabittle: I know you won't.

Nico: Awesome.

Misty: Dad, please don't embarrass me saying that!

Alphabittle: Sorry Misty.

Me: Don't worry Misty we're not going to laugh.

Alphabittle: But if you get children, I want to see them.

Misty and Lincoln blushed.

Misty Brightdawn: (BLUSHES) DAD!

I held back my laughter.

Okay that was silly.

Yang: Think about it. You two can do the twisty tango. The horizontal wrestle. The-

But thanks to the intervention of Weiss, who quickly silenced her rambunctious teammate with a palm over her mouth, that is until Yang gained a Cheshire grin behind the hand and straight up, licked the inside of Weiss's hand. The ensuing lick from Yang causing Weiss to scream out, pulling her hand away from Yang's mouth before shaking it frantically in the air and sending Yang's saliva everywhere

YUCK!

WE LAUGHED!

Misty Brightdawn: That is funny!

Laney: (LAUGHS) Funny!

Yang, seeing this, began to laugh aloud as tears of joy streamed drown her cheeks while Weiss cleaned her hand with a glob of hand sanitizer.

Me: (LAUGHS)

Nico: (LAUGHS) Yang you are funny.

Lola: Yeah.

Me: Reminds me of Slinkman telling me how he went berserk and licked Lumpus' hands and covered them in Slug Slime.

Slinkman: Looking back, I'm glad I did that.

We laughed more.

Qin: (LAUGHS) Yeah!

Nico: That was funny!

Lola: (LAUGHS) Yeah!

Lazlo: I remember that.

Me: That was funny.

Nico: Yep. Now lets face the Anothers.

Qin: Lets see who we are facing.

Eli: (Concentrates) Whoa! We got Another Insane Squidward, Ru'Afo, Farting Living Burrito, Nojoke, Elemental Farting Bandits, Roller Ghoster and Motor Ed.

Me: Whoa! This is interesting.

Qin: Yeah.

Me: Picard told me about Ru'Afo and how he was trying to destroy Ba'Ku.

Nico: Wow.

Camie: Who is Ru'Afo?

Me: A member of the Son'a Solidarity and they are from the planet Ba'Ku but became independent.

Nico: Yep.

May: Who's up?

Me: Valeriana Valmorg, Kathryn Khitomer, Zoey, Sailor Pallas and Rachel Ridley.

Nico: Nice.

Valeriana Valmorg: This will be fun and cool.

Zoey: Yeah no kidding.

Sailor Pallas: I'm looking forward to this one.

Me: Yep.

Eli: The Anothers minus Motor Ed are one person.

Qin: Nice.

Nico: There they are!

We saw Another Insane Squidward, Ru'Afo, Farting Living Burrito, Nojoke, Elemental Farting Bandits and Roller Ghoster!

Me: Whoa!

Nico: Awesome!

Another Nojoke: (In a girls voice) Boy this is awesome huh?

Lincoln: (GASP) Felicity Ferenginar!

She reverted back and was a girl with green hair, blue eyes and had green angel wings, black clothes and had the symbol of the Ferengi Alliance in the middle of her forehead and had the same symbol on her skirt and had a green keyblade.

Felicity Ferenginar: Awesome to see you again Lincoln and wow you grew into an amazing man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Felicity Ferenginar, Keyblade Knight of Ferenginar, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Ferenginar, and she has intense dark powers and she's a master of darkness. She is the Keyblade Knight of Darkness and she's also the leader of the Ferengi Alliance, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of darkness.

We were amazed.

Me: Wow the Keyblade Knight of the planet Ferenginar and the leader of the Ferengi Alliance. That is really amazing.

Nico: Yeah I remember seeing them on Star Trek. They are cool.

Laney: They sure are.

Felicity Ferenginar: Yeah it sure is awesome.

Me: By the way is the Another Motor Ed friendly or hostile?

Felicity Ferenginar: Friendly but you guys might be in for a shock because of what Kate Lloyd went through.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Spring abundant holoél

She glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Maria: Time for backup. (TURNS DIAL) CHEMICAL PUFF FORCE!

She summoned Puff, Stink Bug, Great Boma Emperor Lagorn, Fireball Snake, Flame Stag and Shower Banki.

Nico: I think I have a good idea on who Another Motor Ed is…

Me: Really?

Nico: Yep but I'll let you tell us just in case.

Me: Okay then.

Maria: Kate was mentioned. I think we ALL have a good idea.

Me: Okay but you guys are going to be shocked. Right now.

We saw ANOTHER MOTOR ED!

Me: There she is.

Motor Ed: I didn't know I was that handsome. Seriously.

Me: Yeah.

Another Motor Ed: (In a girls voice) This is gonna be fun.

Me: (GASP) That voice.

She reverted back and was a girl with red hair, red eyes, red clothes and har red angel wings and had a tiara with the symbol of the Thing Dopant on it and the same symbol on her skirt and she had a blood sword in her hands.

Me: Trina Thing! Whoa!

Nico: Wait you mean she is?

Me: Yep. The Embodiment of the Thing Dopant and a girl with over 10,000,000 aliens woven into her and she has the power of shapeshifting and has the power to look like anyone or anything. She can even turn into the horrifying and gruesomely grotesque monsters from the movies and game for The Thing.

EVERYONE GASPED IN SHOCK!

Nico: Can you demonstrate?

She turned into the grotesque JULIETTE THING! AND IT WAS HORRIFYING!

Leeli and Camie screamed in fright!

Me: WHAT THE FUCKING HELL!?

Trina Thing: This good enough?

Nico: Okay I'm convinced.

She reverted back.

Trina Thing: Sorry about the scare.

Me: No worries.

Kate Lloyd: That is really amazing and scary.

Me: No kidding.

Qin: That was scary.

Nico: But you use those for good, right?

Trina Thing: Yes I do. It's a good way to interrogate people. I also work for the police force as an interrogator through the scare method.

Sheila: Wow! You would be perfect to help us on the force.

Trina Thing: I would be honored.

Me: Also she is a very fast motorcycle rider.

Motor Ed: Looks like we seriously have something in common.

Me: You sure do.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Trina Thing: No he didn't. I scared Swartz with the monsters that Kate saw and it scared Swartz so badly that I used that to escape.

Sakura Knudson: That explains why I found Swartz curled up in a fetal position crying like a baby scared out of his mind.

Me: Boy who knew that Swartz was scared of The Thing as much as Kate was.

Laney: Yeah no kidding.

Nikita Nightmare: If the nightmares of the Aliens from Metamorphosis weren't bad enough now we can add The Thing to the list of things he is afraid of.

Me: Yep.

Lincoln: Lets separate you first.

Lincoln did so.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Trina Thing: Time for action!

She formed her arm into a scary scythe blade and slashed Motor Ed.

Nico: Time for some speed! (ACTIVATES MOTOR ED AND ROLLER GHOSTER'S RIDEWATCHES)

He fired a wave of energy and smashed the another down.

May: Top this. (ACTIVATES MADAME CATASTROPHE AND FORTRESS CRAB'S RIDEWATCHES)

She fired a blast of energy and smashed the another all over.

Maria: And this. (ACTIVATES LIVE ACTION SIDEWAYS AND MR. MXYZPTLK'S RIDEWATCHES)

She fired waves of energy and smashed the another down.

Zipp Storm: Lets show some fun! (ACTIVATES ROLLER GHOSTER'S RIDEWATCH)

She skated and smashed down Another Motor Ed.

Then Eris, Quackor, Bad End Pretty Cure, Thromnambular, Owlman and Antlion Fangire came.

Nico: Nice team Eris!

Eris: Thanks Nico.

But then…

ZOOM!

A figure zoomed by and smashed down Another Motor Ed and I caught the Ridewatch and purified it.

Me: WHOA!

May: That was awesome.

Laney: Uh May don't look now but…

The same figure had pulled down May's shorts and she screamed!

The figure was a Turbo Man.

Me: Turbo Man! Whoa!

She reverted back and it was a girl with blond hair and blue eyes and she had yellow angel wings and had orange clothes and she had a speed symbol in the middle of her forehead.

Nico: Trifa Turbo!? Whoa!

Trifa Turbo: (LAUGHS) Got ya May. Sorry I couldn't resist.

May: (sarcastically) VERY funny!

Me: Hardy har har.

Zipp Storm: That was funny. What's your favorite memory of Nico?

Trifa Turbo: When me and Nico smashed an army of bank robbers in one spot. They had tons of money from banks all over the city and we busted them.

Lola: Nice!

Nico: Yep.

Nico and Trifa hugged.

Nico: I've missed you.

Trifa Turbo: Same here Nico.

ZOOM!

She got behind Nico and then…

Trifa Turbo: YOINK!

She pulled his pants down too!

Nico: HEY!

Trifa Turbo: (LAUGHS) Got ya!

We laughed and went back home.

Apparently, the citizens of Queens, New York, are now being haunted by the spirits of the deceased coming back from the dead and wandering the place. But, the dead are actually trying to deliver a warning: someone has been wrongfully buried among them, an ex-communicated old enemy of Darren Devereaux's past was buried among the dead instead of being buried outside the cemetery: a sign of being damned to Hell for eternity for his life of sin. So, we're going to exhume the body and rebury him outside the cemetery among other ex-communicated outcasts, and we're also going after the one responsible for having him buried there: a former friend of Darren Devereaux's who foolishly tried to help the dead man but wound up falling into darkness.

Lincoln: Whoa, we're here in Queens, New York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we've just got word from one of Darren Devereaux's friends concerning what's been happening.

Darren Devereaux: That's right. I heard from my old friend, Jacob Taylor, that the citizens of Queens, New York, are now being haunted by the spirits of the deceased coming back from the dead and wandering the place. But, the dead are actually trying to deliver a warning: someone has been wrongfully buried among them.

Me: You mean, a desecration?

Darren Devereaux: That's right, and I know who the wrongfully buried man is, and it's someone that I thought I'd never have to see again. Damn it, Matthew Parker!

Nico: Who is he?

Darren Devereaux: An old enemy of mine. Matthew Parker was the biggest jerk asshole ever to lurk in Queens, New York, his parents were nothing more than abusive, neglectful assholes along with being drug and gambling addicts. His grandparents, uncles, and cousins on both sides of his family even his older brother were worried about him, so his grandparents on his mom's side took him in and planned to raise him the right way after his parents got sent to prison. But, Matthew went off the rails and fell down the same dark road as his parents, he became an asshole who caused trouble to everyone, he became an alcoholic and did drugs and even gambled.

Nora: Jeez.

Darren Devereaux: Yep. His grandparents, uncles, and cousins on both sides of his family and even his older brother couldn't take it anymore, and his grandfather who's a priest at a local church said these words, he told him that he has been deeply corrupted by sin and chaos, and I have no choice but to excommunicate you from the church forever.

We gasped.

Me: That means… !

Nico: He was facing eternal damnation in Hell when he dies.

Darren Devereaux: That's right. We basically stayed away from him because of all the crap he's put a lot of people through, but a girl that my brother's girlfriend knew named Katie Matthews wanted to see the good in him, and she tried to help him as foolish as her efforts were. But, her efforts were sadly in vain, she fell down into darkness. But, what some of us knew was that because of Matthew's life of hard drinking and drug abuse, he developed lesions on his arm and he was terminally ill, Katie knew that if he dies ex-communicated, not only will he not receive a holy burial at the cemetery, but he'll be spending eternity in Hell.

Lincoln: Jeez. But, what could they do, they know his days were numbered.

Darren Devereaux: True. So, instead, they moved to Queens, New York with the hopes of fooling the living so they can secure his eternal life in Heaven, but they didn't figure the dead would also have a say in this. After they moved to Queens in just a few weeks, Matthew's illness had went from bad to worse, and finally he died. Matthew was buried in the way people in good standing with the Catholic Church were, and he was taken to Calvary Cemetery to be buried. (Realizes the whole situation) Oh, God. This is beyond bad, Matthew's opened a doorway to evil that can't easily be shut, and now, the dead are haunting Queens.

Just then, we ran into a group of kids that Darren knew from his brother, Logan.

Darren Devereaux: Ashley, Josh, Jacob, Matt, Delilah? What happened?!

Ashley: Darren, thank God we found you. The situation's getting worse, the dead are still haunting Queens, and Katie Matthews is refusing to let us exhume Matthew's body and rebury him outside the cemetery.

Josh: She's completely dense!

Jacob Taylor: We need to exhume Matthew's coffin and rebury him outside the cemetery at once, if we're to stop the hauntings.

Darren Devereaux: We have to. Because of what those two did, Matthew and Katie's lies have been exposed by the dead, and now, Katie's already in grave danger.

Nico: She's already in danger with us!

Lincoln: No, Nico, I know what Darren meant. Katie realizes that the dead have been disturbed by her boyfriend's spirit being wrongfully buried among them, and now, she fears the warnings of the dead will alert the living and they'll soon discover the truth. Let's get to the cemetery at once.

We rushed to Calvary Cemetery to find Matthew Parker's grave and exhume his coffin and rebury him outside the cemetery and send him to his eternal damnation, and then, we were going to deal with Katie Matthews and make her answer for her crimes.

We arrived at Calvary Cemetery and avoided the ghosts.

Lincoln: Okay, we need to find Matthew's grave.

We searched every corner of the cemetery to find Matthew's grave. Suddenly, Lucy Loud and the rest of The Goths of Darkness found something.

Lucy Loud: Gasp. We found the grave.

We arrived at Matthew Parker's grave, and what we saw was an utterly disturbing sight: the words "Unholy" cover Matthew's headstone and it was written in blood.

Lincoln: We found it. Now, we need to exhume the body and rebury him outside the cemetery at once.

Suddenly, we saw five beautiful and super sexy girls with long hair in pink, red, violet, and orange, pink hairbands, blue eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, fair skin, pink, red, violet, and orange wings, and they were dressed in pink sleeveless tops, pink skirts, pink knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, elements, light, phoenixes, and angels on the coattails and on the back are The Terran Cybertronians, holstered on their backs are massive greatswords, and with them are the six girls.

Lincoln: (GASPS) Akiko Mahōtenshi, the Twitch Gene-Slammer, Chitose Mahōtenshi, the Thrash Gene-Slammer, Eriko Mahōtenshi, the Hashtag Gene-Slammer, Fubuki Mahōtenshi, the Nightshade Gene-Slammer, and Inori Mahōtenshi the Jawbreaker Gene-Slammer A.K.A. The Mahōtenshi Sisters.

Akiko Mahōtenshi: That's right, and we got the girls away from Katie Matthews, and she's gone really insane.

Darren Devereaux: Her guilt's finally consumed her, Hell on Earth has finally gotten to her. Now, let's put an end to the hauntings and get after her.

We dug up Matthew's grave and Lincoln was carrying the coffin in one hand. Then, we head out of the cemetery gates where the graves of outcasts were at, and we dug a fresh new grave and Lincoln put the coffin of Matthew Parker inside, and we covered the coffin in the mound of dirt. Suddenly, we saw the ghosts of the dead finally returning back to their eternal slumber and Matthew Parker was sent to Hell forever.

Darren Devereaux: And that's the end of the hauntings in Queens. Go to Hell, Matthew!

Ashley: He deserved it.

?: WHAT THE FUCK DID YOU ALL DO?!

We then saw our target, a female with black hair, pale skin, and dressed in black clothes, it was Katie Matthews, and she was absolutely enraged by what we just did.

Then, Lincoln fired a rainbow energy blast that hits Katie Matthews, and she got a mark of eternal damnation on her: a black demon dragon tattooed on her back, and when she dies, she will be sent to Hell for her lies that led to the hauntings and she will also be tormented by Matthew's ghost. We cheered as we holstered our weapons and powered down.

Lincoln: And now, your eternal damnation awaits you, Katie Matthews. (To the Mahōtenshi Sisters) And it's so good to see you and your sisters again, Akiko.

Akiko Mahōtenshi: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Mahōtenshi Sisters and he hugged them, and The Mahōtenshi Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Chitose Mahōtenshi: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Eriko Mahōtenshi: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these four girls?

Lincoln: Indeed I do, J.D., meet Akiko Mahōtenshi, the Twitch Gene-Slammer, Chitose Mahōtenshi, the Thrash Gene-Slammer, Eriko Mahōtenshi, the Hashtag Gene-Slammer, Fubuki Mahōtenshi, the Nightshade Gene-Slammer, and Inori Mahōtenshi the Jawbreaker Gene-Slammer A.K.A. The Mahōtenshi Sisters, these five sisters are my Guardian Angels from Japan and classmates in English, and they're also amazing fashionistas and athletes, and they're the sisters of Hiroman, Mitsuki, and Hazuki. Akiko has pink hair with matching clothes, Chitose has red hair with matching clothes, Eriko has red hair with matching clothes, Fubuki has violet hair with matching clothes, and Inori has orange hair with matching clothes.

Selene Arcangela: Yep, and Lincoln made the Mahōtenshi sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry the Mahōtenshi sisters along with the rest of his harem, and they hate Bradley Uppercrust III with a blazing passion, the reason why is because he tried to sabotage the sports equipment and the newest clothing that the Mahōtenshi sisters made, but they and Lincoln jumped him and beat the crap out of him.

Max Goof: Seriously?! How many more revelations are we going to hear about him?!

Eli: One too many since they hate him as much as the other jerks.

Lincoln: Exactly what I was about to say.

Me: And every day, we hear more and more about that fucking prick, I want nothing more than to tear his eyeballs out of his head and shove them down his throat.

Nico: Or shove a grenade down his pants!

Max Goof grabbed us by the collars of our shirts, and then… !

BONK!

Max Goof bashed our heads in.

Me and Nico: Ouch!

Max Goof: Next time you do that, I'll ask Lincoln to crack his knuckles and drive you two crazier than Ed.

Me and Nico: (GULPS)

Lincoln: Easy, Max. They've already learned their lesson, and now that you and your sisters are here, Akiko.

Lincoln went up to and hugged each of The Mahōtenshi Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akiko Mahōtenshi: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Mahōtenshi Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Chitose Mahōtenshi: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mahōtenshi Sisters.

The Mahōtenshi Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Lola Moonheart, March, Dhuranda, Luna, and Raichi from Tensei Kendo no Harem Colosseo and Haydee from Haydee.

Lincoln: Oh wow, it's Lola Moonheart, March, Dhuranda, Luna, and Raichi from Tensei Kendo no Harem Colosseo and Haydee from Haydee.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Lola Moonheart: Yes, we're okay, thanks to you.

Lola Moonheart: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each

corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lola Moonheart: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lola Moonheart, March, Dhuranda, Luna, Raichi, and Haydee with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Matthew Parker, an ex-communicated old enemy of Darren Devereaux's past who died and thanks to some lies, he was buried among the dead instead of being buried outside the cemetery: the sign of being damned to Hell for eternity for his life of sin, and because of it, this had caused a series of haunting by the spirits of the deceased coming back from the dead and trying to deliver the warning of Matthew's spirit being wrongfully buried among them.

But, when Lincoln showed what we did first in exhuming Matthew Parker's coffin and reburying him outside the cemetery gates with other ex-communicated outcasts and taking down Katie Matthews who tried to help him, but fell into darkness because of his toxic behavior, and giving her a curse that'll lead to her own eternal damnation and being haunted by Matthew's ghost until the day she dies, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Mahōtenshi Sisters have a lot of catching up to do, now that they're back in town.

Maria: Whoa, so that explains the mass series of hauntings in Queens, New York?

Lincoln: Yep.

Darren Devereaux: Katie's deception and Matthew's wrongful burial had disturbed the dead, but we fixed that and made sure that Matthew was sent to Hell for good. He tried to escape what was going to happen to him, but he failed in the end.

Me: And now, he's in Hell forever being tormented by the demons.

Nico: A fate that awaits those damned to Hell forever.

---

After ending the hauntings of the dead caused by Matthew Parker's wrongful burial and taking down Katie Matthews for her part in this whole nightmare in Queens, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Mahōtenshi Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Akiko Mahōtenshi: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Chitose Mahōtenshi: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Eriko Mahōtenshi: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Fubuki Mahōtenshi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Inori Mahōtenshi: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Mahōtenshi Sisters played a video on the big screen and it shows Lincoln and The Mahōtenshi Sisters at Lake Huron: Lincoln was in an orange speedo and sandals and shirtless and The Mahōtenshi Sisters were in blue two-piece bikinis and sandals, and they were all having fun swimming at the lake.

Past Akiko Mahōtenshi: This is really awesome, I love coming to Lake Huron.

Past Lincoln: Same here.

Past Chitose Mahōtenshi: Plus, with all the work you've been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD SCREAM OF RAGE!

Suddenly, they heard a loud scream of rage.

Past Lincoln: Oh great, there's no mistaking that loud scream from anywhere. Get out here, Brad, so we can kick your ass even more.

Suddenly, they saw Bradley Uppercrust III come out, and he was really out for blood again, then, he charged like a mad bull and was about to attack Lincoln, but Lincoln punched him and sent him flying into a tree. He got back out, but he roared and beat his chest like a gorilla, now he was really pissed.

Past Lincoln: Okay, you asked for it, you stupid asshole!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Bradley Uppercrust III bellowed again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Bradley Uppercrust III's stomach knocking the wind out of him, and then, he unleashed a massive storm of slashes from his massive greatsword and fired water blasts at Bradley Uppercrust III. Then, Lincoln reared his left fist back and gave him a nasty punch to the face that sent him flying right back to prison as the video ended.

Me: (LAUGHS HYSTERICALLY) THAT STILL CRACKS ME UP TO THIS DAY!

Lincoln: Brad was such an idiot, he clearly didn't know when to quit.

Nico: Jeez.

Akiko Mahōtenshi: And we all had fun with Lincoln. But, of course, that prick had to show up and ruin everything because he still wanted to kill Lincoln again for ruining his scams! I wanted to punch his empty head hard, but Lincoln sent him flying with one punch, but when he got out, that's when Lincoln got serious.

Chitose Mahōtenshi: He had it coming. Flip is an idiot!

Eriko Mahōtenshi: And it was also all our doing that Lincoln transformed extremely from the cute 11-year-old boy we knew since childhood to an extremely rugged, handsome, manly, sexy, and super imposing mountain of a muscular hunk.

Lincoln's Guardian Angels gasped.

Nicholette Torrington: Uh, Eriko, need I remind you of saying those sorts of words about Lincoln?

Suddenly, Lincoln put down the heavy weights and he made clones of himself and walked up to the Mahōtenshi Sisters and turned them around to face them, and then, they leaned down and kissed them full on in the lips with that kind of intensity, passion, and energy, they'd literally given in and they wrapped their arms around the thick necks of Lincoln and his clones and he and his clones wrapped their massive muscled arms around their waists and as they brought them in closer, their chests pressed against their massive pecs and their stomachs pressed against their eight-pack abs. When Lincoln and his clones slowly separated their lips from the sisters' lips, The Mahōtenshi Sisters' faces were all red from the very intense make-out and their eyes literally turned to hearts.

Mahōtenshi Sisters: (In Heaven) That… was… so… hot!

Bertha Sellington: We warned you, Akiko, those sorts of compliments cause him to go ahead and engage in a full all-out make-out with any member of his harem who say those compliments.

Girl Jordan: You think that's hot, we always wind up getting covered in kisses from him every night, we consider that tattoos of his undying love for us.

Nico: And a clear warning that if any moron messes with his future wives, they are worse than dead.

We got a shower afterwards, and then, Lincoln, Kokoa Shuzen, Annin, Simulator Yor Forger, Simulator Valese, and the rest of his harem and his kids are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kokoa Shuzen, Annin, Simulator Yor Forger, Simulator Valese, and the rest of his harem are dressed in two-piece colored bikinis, and his kids were also dressed in swimsuits The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Kokoa Shuzen, Annin, Simulator Yor Forger, and Simulator Valese all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Kokoa Shuzen: Wow, so, this is Dolphin Shoals, it sure is beautiful.

Lincoln: It sure is, Kokoa, and it's perfect for our first date. Shall we?

Lincoln, Kokoa Shuzen, Annin, Simulator Yor Forger, Simulator Valese, and the rest of his harem dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Kokoa Shuzen, Annin, Simulator Yor Forger, Simulator Valese, and the rest of his harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kokoa Shuzen, Annin, Simulator Yor Forger, Simulator Valese, and the rest of his harem and they hugged the girls in their abnormally massive and powerful muscular arms, and Kokoa Shuzen, Annin, Simulator Yor Forger, Simulator Valese, and the rest of his harem placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood and the kids cheered. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kokoa Shuzen, Annin, Simulator Yor Forger, and Simulator Valese with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Kokoa Shuzen, Annin, Simulator Yor Forger, and Simulator Valese are in Linky's harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Kokoa Shuzen, Annin, Simulator Yor Forger, and Simulator Valese, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Beat Block Galaxy is next.

Me: Cool! I remember that one.

Zarya: Me and Palutena will go with on that one.

Me: Awesome and I'll go with too.

Nico: Okay then. Lets go.

We went in and the simulator activated and we were at BEAT BLOCK GALAXY!

Me: Awesome!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one is just a simple one. You just have to get the star at the end. But I've added someone that would perfect for the boss battle.

Nico: Cool!

Palutena: This will be cool.

Zarya: It sure will.

?: Let us help too.

2 figures came. 1 was a girl with blue hair, blue eyes, blue clothes, blue angel wings and had a tiara with the symbol of the Orothe Moonland on it and the same symbol on her skirt and she had a water sword. The second girl was a girl with aqua blue hair, blue eyes and had blue Arctic clothes on, blue angel wings and she had a tiara with the symbol of Ice on it and the same symbol on her jacket.

Odalia Orothe: I'm Odalia Orothe the Embodiment of the Deeps of Orothe.

Irena Ice: And I'm Irena Ice, Embodiment of Ice Man.

Lana: Awesome!

Leif: Cool!

Irena Ice: Lana, Leif it's awesome to hear your voices again.

Odalia Orothe: We can talk about ourselves later. Right now we got some fun to do.

Nico: Right.

Zarya: I wonder who got added as a boss here.

Me: Lets find out.

We were off and we were flying and got to the end.

Then we saw our old friend Gruntilda Winkybunion!

Me: Well well well if it isn't Gruntilda Winkybunion.

Nicole: (On the radio) Surprise!

Nico: So, we gotta fight you for the star?

Grunty: That's right! And it's not going to be easy.

Me: Bring it on.

She fired fireballs at us.

We dodged them.

I fired a blue fireball and it hit her and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

Odalia Orothe: Take a bath you ugly prune!

She fired a wave of water and drenched her.

Odalia Orothe: I knew it wouldn't melt you like it did in the movie.

Irena Ice fired waves of ice and froze her.

Nico: (gets out Motor Ed and Lagrange's Ridewatches) I got a need for speed. Seriously!

Nico activated them.

ZOOM!

He ran fast and punched her all over.

Palutena fired a wave of light and Zarya fired energy arrows and blasted Grunty all over.

Me: Here's the awesome new and improved final smash of Banjo and Kazooie! JINJONATOR 2.0!

I summoned the Jinjos of Banjo Tooie and they formed into the Jinjonator 2.0 and they smashed into Grunty and blasted her back into the M.O.E. HQ.

Then the star came!

Nico: That was AWESOME!

Odalia Orothe: YEAH IT WAS!

We got the star.

Palutena: That was amazing!

We all high five!

Banjo: Boy that was awesome!

Kazooie: It sure was!

Zarya: How did you meet Lana and Leif?

Irena Ice: I met them and got into a bug eating contest with them and we are the masters of bugs.

Me: Another awesome bug eater.

Timon: Boy we got ourselves 3 great bug eaters with us.

Pumbaa: Boy we sure do Timon.

Me: Lana ate Oogie Boogie's bugs and she loved them.

Irena Ice: (LAUGHS) I heard all about that! That is cool!

Odalia Orothe: That is awesome!

Nico: Yeah. Would you two like to join the team?

Irena Ice: We would be honored.

Odalia nodded.

We later left the simulator and everyone cheered and Leif and Lana hugged Irena.

* * *

Later we were watching TV and then the doorbell rang.

Me: I'll get it.

I went over and opened it and in came Carl and Sandra Tennyson.

Carl Tennyson: Hello J.D.

Me: Hello Mr. And Mrs. Tennyson come on in.

They came in.

Melody: Hi, Mr. and Mrs. Tennyson!

Sandra Tennyson: Hello everyone.

Max Tennyson: It's awesome to see you all here.

Carl Tennyson: Glad we could come dad.

Ben: Hi mom and dad.

Jen: Awesome you're here.

Sandra Tennyson: Great to be here kids.

They hugged them.

Legion Superman: Nerissa, I'll never regret meeting you.

Carl Tennyson: Wait. You sound just like Ben!

Legion Superman: (laughs) I do, don't I? But not to worry. I'm not actually a Tennyson.

Me: Yeah. Lots of people do.

Lok: I do myself.

Sasuke: Same with me.

Me: Yeah they sure do.

Nerissa: And I will never regret meeting you either.

Me: That was so fun.

Laney: It sure was.

Carl Tennyson: How have you been Ben?

Ben: Good dad. Oh this is my girlfriend Riley.

Riley: Hello Mr. Tennyson.

Carl Tennyson: Awesome to meet you Riley. What happened to Julie?

Julie Yamamoto: We broke up.

Me: It just didn't work out for them.

Eddie Brock (cheerfully): Hi! You must be Ben's parents!

Sandra Tennyson: That's us. And you are?

?: We're your Executioners.

Stewie came out dressed as Chucky and holding a knife. Poromon came out dressed as Leatherface while starting up his chainsaw. Manaphy came out dressed as Freddy Krueger complete with the gloves. Poliwag came out dressed as Jason Voorhees and holding a machete. Horsea came out dressed as Ghostface. She wasn't holding anything speific but she still looked threatening. Finally, Eddie Brock's cheerful face fell as he turned into Venom and roared at Carl and Sandra.

Ariel: So that's what they had in mind.

Deadpool: (Eating Popcorn) Yep. This should've been in a Mortal Kombat DLC pack. Now, sit back and enjoy the show!

Me: Okay that is cool.

Carl Tennyson: Okay I see what this is about. It's about us grounding Ben for hurting Kevin right.

Me: Wow. You guys catch on really quickly don't you?

Sandra Tennyson: Yeah we sure do.

Carl Tennyson: And we're sorry about that. But the mascots looked really cute like the mascots of horror.

Me: (LAUGHS) Yeah they sure do.

Legion Superman: (to Nerissa) I really am glad you and the others helped us get Brainy back.

Nerissa: That was cool back then.

Lola: It sure was.

Me: Friendship can be there for anyone even lightyears apart.

Camie: That's right.

Wheeljack: Sorry about this. But the mascots, along with Venom and Stewie, didn't like how Ben getting grounded nearly led to Kevin almost getting killed by that Highbreed.

Kevin Levin: Oh, c'mon. I could've turned the tables on him easily.

Carl Tennyson: I can tell they didn't like that. And you have every right to be angry at us for that.

Me: Hey you two were just doing your job as parents to look out for him.

Nico: Yeah I know the feeling myself as a loving father.

Me: Same here.

Gwen Tennyson: It was part of the job as a parent Uncle Carl.

Carl Tennyson: That's true. I'm sorry Ben. I let my parenting skills cloud my judgement.

Ben: It's all right dad.

Me: Ben was given a TREMENDOUS responsibility. Ben is now a defender of the Universe like all of us are. And he has great power and with great power comes great responsibility.

Jen Tennyson: That's right dad. We have a MASSIVE responsibility to make sure that everyone is safe and protected. It's part of our job.

Carl Tennyson: I know and I completely understand that now. I'm so proud of all of you.

Ben: Thanks dad.

Brainiac 5: I really am grateful that you guys gave me another chance. Especially after…

Nico: Brainy, that was Brainiac making you do all that. With him gone, you're free to make your own choices.

Me: That's right.

Brainiac 5: And I'm glad I'm free now.

May: You guys might as well take the costumes off. They weren't scared by them.

Horsea: (to Carl and Sandra) Nice going! You know how hard we worked on these since yesterday?!

Maria: (laughs) Funny how things work out, isn't it?

Me: (LAUGHS) Yeah.

Qin: It was a good try though.

Manaphy: Yeah you're right.

Venom: I'm full from eating those Darker Loids anyway.

Eddie Brock: Yeah that filled us up.

Qin: Yeah.

Lola: Yeah that was cool.

Rhino: You also have another kid.

Sandra Tennyson: Who would that be?

Leslie Gesneria: Me. My name is Leslie Gesneria.

Me: Leslie and her sister Ashley went through a really rough nightmare at the hands of their evil father. We helped them back during the final days of the teams old days before the team name became official. Before we got our symbol.

I went over what happened in chapter 359

When I was finished everyone that hadn't heard about it was shocked.

Nico: Whoa! So that's how Leslie, Ashley and Ben got together!

Jen: I never knew about that. That was amazing. But I can't believe that monster who was called her father would do that to her!

Nico: Yeah! All because he sold Leslie!? What a motherfucking monster!

Eli: Yeah no kidding!

Me: Yeah what a jerk!

Sandra Tennyson: That's horrible. Leslie, Ashley, I'm so sorry about what you went through.

Carl Tennyson: We would have gladly adopted you guys into the Tennyson family.

Me: Looks like Ben beat you to the punch on that one.

Carl Tennyson: Yeah no kidding.

Max Tennyson: I thought it was a good call they did back then. And I'm glad they did it too.

Ben: We also got her little sister out too

Me: It's true. And that was good. We sentenced their evil father to death.

Lola: Yeah that monster had it coming.

Qin: Good riddance.

Sandra Tennyson: That is for sure.

Nico: Her birth mom we brought back 2 years ago.

Me: Yeah we sure did.

Agony: And it's awesome being bonded to Leslie.

Carl Tennyson: Wow.

Me: Yes it sure is.

Sandra Tennyson: Please tell me you still keep your car.

Ben Tennyson: Oh, I do. (looks at Poromon) Despite some people bugging me in it.

Poromon: I only asked if you check your engine at times..

Me: Like I said, no one likes a backseat driver Poromon. Also Ben and Riley both have awesome archenemies. So do Gwen, Julie, Kevin and some of the Plumbers Kids.

Sandra Tennyson: Wow! Who does Ben have?

Me: His name is William Strayer but he likes to go by Billy Numerous. He has clone powers.

Nico: Yep.

Ben: He's a really cool guy when you get to know him.

Riley Anderson: Mine is Zen-Aku. He was the Cursed Wolf Duke Org from Wild Force.

Me: Yep. One I remember all too well. Gave us one awesome challenge.

Gwen: Mine is Mr. Fizz. He was the leader of the Soda Control Force.

Me: They were adult villains originally for the Kids Next Door. They controlled how Soda is given to kids like how Beer was prohibited during the 20s when the 18th Amendment was instated.

Carl Tennyson: Wow.

Julie Yamamoto: Mine is Captain Boomerang.

Me: His real name is George "Digger" Harkness and he is an amazing boomerang master.

Sandra Tennyson: Wow!

Me: I know.

Kevin Levin: My archenemy is Namero Bacho.

Me: He's one of the LupinRangers enemies.

Sandra Tennyson: What about the snake guy? Snakepit?

Nico: Oh, you mean Ssserpent?

Kimiko: He's my archenemy.

Me: Yep.

Camie: Yeah.

Me: Oh and here is a treat. (WHISTLES)

Ben's Necrofriggian kids came.

Sandra Tennyson: Whoa! Wow who are these little guys?

Me: Uhh believe it or not these are Ben's Necrofriggian Children.

Ben: Oh, yeah. This was back when we were fighting the Highbreed. I was giving birth as Big Chill and I went nuts during that time.

Stewie: Some people call you a mango idiot during that phase.

Me: Yeah we found out some really interesting info. Ben was going through the reproductive lifecycle of Necrofriggians.

Sandra Tennyson: Necrofriggian?

Shanan: That's what Big Chill's species is. He is from the ice planet Kylmyys.

Me: Yep. We don't know how the heck that's possible for Ben because he's a boy but he went through this back then and now has 13 Necrofriggian kids.

Kevin Levin: Yeah we found out that Necrofriggians give birth once every 80 years.

Me: Crazy huh?

Fluttershy: Oh they are so cute.

Lola: They sure are.

Sandra Tennyson: What are their names?

Ben: Their names are Argon, Freeze, Lunar, Pluto, Urana, Keto, Langa, Eform, Radia, Megin, Deva, Jeta and Morpa.

Carl Tennyson: Those are great names.

Qin: Yeah they sure are.

Maria: Anyway, do you two want to hang with us for today?

Carl Tennyson: I think it would be great.

Sandra Tennyson: It sure would.

Me: Awesome.

Mevya: What will we have today?

Me: Lets see what Lincoln's premonition says.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the glowing Giant Squid that Dory, Marlin, and Nemo have dealt with in the past, and he's come back and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the glowing Giant Squid that Dory, Marlin, and Nemo have dealt with in the past, and he's come back and he wants revenge.

We gasped.

Me: Uh oh.

Nico: Not good. We need to stop that glowing Giant Squid.

Lincoln: And turn him into Squid Steaks.

Me: Boy looks like we're having Calamari for dinner.

Camie: (SLURPS)

Qin: (SLURPS) Yummy.

Me: Also I love that movie Finding Dory. Boy that was a great movie back in 2016. So awesome.

Nico: Yep. Dory found out who and where her parents were.

Eli: Good movie back then.

Me: Yep and I remember that squid too. He was a Minor bad guy in that one.

Laney: And the real bad guy from what I thought was that Seven armed octopus.

Me: You mean Hank. He wasn't really a bad guy.

Nico: I like Hank.

Lana: Me too.

Me: He redeemed himself thankfully.

Destiny the Whale Shark: Boy that takes me back. I remember we helped Dory like that. It was cool.

Bailey the Beluga Whale: It sure was cool.

Lola: Yeah.

Nico: Yep.

The previous group came.

Zavok: Can me, Xaldin, Cheshire, Myotismon, Abra Kadabra, Beautiful Gorgeous, Dumbbelltron, Fireor, Leap Frog, and Kerbero Gangan go with you guys?

Nico: Yes you all can come.

Qin: We're going to rescue Dory's parents in the movie Finding Dory.

Cheshire: Oh wow I love that movie!

Me: Me too. Awesome movie.

Nico: Yep.

Diamond Tiara: Nico, which Gene Slammer do you think you'll meet next?

Nico: Now we go into the robots of Mega Man 8. So next up will be Astro Man.

Laney: Cool!

Qin: That one will be neat.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed two massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figures were none other than Universe 666 Guldo and Universe 666 Recoome, the next two of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent them out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Guldo and Universe 666 Recoome, the next two of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent them out to kill us.

We gasped.

Me: Now, he's sending two of them after us?! He's absolutely gone insane!

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Daffy Duck: That madman, I'll handle those two dopes.

The toons freaked out and did wild takes galore, and our jaws dropped to the floor!

CLANG!

Nico put our jaws back!

Eli: Daffy, are you crazy?!

Plucky Duck: You forget who you're talking about.

Me: That's right, the one toon who enjoys driving people crazy.

Nico: I hope he does drive them up the wall, we'd put them in straitjackets right after Buster frees them, that is. Alright, gang, let's go, we got to help Dory, Marlin, and Nemo deal with that Giant Squid.

Lincoln: We're so going to enjoy having some Squid Steaks for dinner, and once we get done with that Giant Squid, Universe 666

Guldo and Universe 666 Recoome, you better be ready.

Daffy Duck: I'm so going to enjoy driving you two up the wall crazy. (LAUGHING AND HOOTING CRAZILY)

TLPS Mr. Wolf: You better not let Guldo and Recoome hear that, Daffy.

Sebastian Mendez: Better yet, I'll tell them!

Buster Bunny: You better not or there's a piano with your name on it, crazy.

Sebastian Mendez: (BLOWS RASPBERRY)

Nico: That's enough!

Me: First we'll watch the movie and then we'll head out.

Nico: Okay then.

Lola: I'll go make the popcorn.

We got to watching the movie.

*SPOILER ALERT*

---

Dory, the regal blue tang, gets separated from her parents, Jenny and Charlie, as a child. As she grows up, Dory attempts to search for them, but gradually forgets them due to her short-term memory loss. Later, she joins the clownfish Marlin, looking for Nemo.

One year after meeting Marlin and Nemo, Dory is living with them in their reef. One day, Dory has a flashback and remembers her parents. She decides to look for them, but her memory problem is an obstacle. She suddenly remembers that they lived at the "Jewel of Morro Bay, California" across the ocean when Nemo mentions the name.

Marlin and Nemo accompany Dory on her journey. With the help of

Crush, their sea turtle friend, they ride the California Current to California. Upon arrival, they explore a shipwreck full of lost cargo, where Dory accidentally awakens a giant Humboldt squid that pursues them and almost devours Nemo. They manage to trap the squid and Marlin chastises Dory for endangering them. Dory travels to the surface to seek help, where she is captured by staff members from the Marine Life Institute.

Dory is placed in quarantine and tagged. There she meets a rude but friendly seven-legged octopus named Hank. Dory's tag marks her for transfer to an aquarium in Cleveland, Ohio. Hank, who fears being released back into the ocean, agrees to help Dory find her parents in exchange for her tag. In one exhibit, Dory encounters her childhood friend Destiny, a nearsighted whale shark, who used to communicate with Dory through pipes, and Bailey, a beluga whale, who mistakenly believes he has lost his ability to echolocate. Dory subsequently has flashbacks of life with her parents and struggles to recall details. She finally remembers how she was separated from her parents: she overheard her mother crying one night, left to retrieve a shell to cheer her up, and was pulled away by an undertow current out into the ocean.

Marlin and Nemo attempt to rescue Dory. With the help of two lazy California sea lions named Fluke and Rudder and a common loon named Becky, they manage to get into the institute and find her in the pipe system. Other blue tangs tell them that Dory's parents escaped from the institute a long time ago to search for her and never came back, leaving Dory to believe that they are dead. Hank retrieves Dory from the tank, accidentally leaving Marlin and Nemo behind. He is then apprehended by one of the employees and unintentionally drops Dory into the drain, flushing her out to the ocean. While wandering aimlessly, she comes across a trail of shells; remembering that when she was young, her parents had set out a similar trail to help her find her way back home, she follows it. At the end of the trail, Dory finds an empty brain coral with multiple shell trails leading to it. As she turns to leave, her parents arrive. They tell her they spent years laying down the trails for her to follow in the hopes that she would eventually find them.

Marlin, Nemo, and Hank end up in the truck taking various aquatic creatures to Cleveland. Destiny and Bailey escape from their exhibit to help Dory rescue them. Once onboard the truck, Dory persuades Hank to return to the sea with her, and together, they hijack the truck and drive it over busy highways, creating havoc, before crashing it into the sea, freeing all the fish. Dory, along with her parents and new friends, returns to the reef with Marlin and Nemo. Hank begins to adapt a happy lifestyle in the ocean and also becomes a teacher for Nemo's school.

In a post-credits scene, the Tank Gang (from Finding Nemo), still trapped inside their plastic bags, after one year floating across the Pacific Ocean, reach California; they are picked up by staff members from the Marine Life Institute, much to their dismay. Meantime, Fluke and Rudder's enemy Gerald tries to sneak on to their rock.

---

We were amazed and when the movie was done we cheered.

Laney: Always love that movie!

Lola: Yeah!

Xaldin: I like the credits scene.

Me: Me too. And believe it or not I know where that Marine Life institute is. It's in San Luis Obispo County in California.

Xenia: Wow so it's here on Earth.

Laney: Yeah.

Nemo: Boy those were fun memories.

Dory: They sure were.

Blackarachnia: I like that Hank camouflages himself.

Me: That's a very awesome method that all octopuses and squids have. It's pigment bearing cells called Chromatophores. For over 500 million years they used this method for camouflage and even mating rituals.

Heidi: Grandpa is right. Squids and Octopi are very smart creatures too.

Nemo: It's awesome now that we have Hank as our teacher.

Nico: Lets head out then.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out San Luis Obispo County to help Dory, Marlin, and Nemo deal with that Giant Squid, and once we get done with dealing with that Giant Squid and turning it into Squid Steaks, Daffy Duck is going to take down Universe 666 Guldo and Universe 666 Recoome and break Universe 666 Sebastian's control over them.

---

We arrived at the Marine Institute.

Lola: Wow!

Myotismon: Here we are!

Nico: This is a really nice place.

Heidi: And I can get us in with my clearance.

She showed her card.

Nico: Awesome Heidi.

We went in and it was an amazing aquarium.

Me: Wow look at all the tanks full of beautiful fish.

Camie: So many pretty fish.

Rumble: Hank! You there?

Heidi: He must be in Quarantine. Luckily I know where it is.

We followed Heidi and got to the Quarantine bay. She got out her keycard and opened it and we went in.

Nico: Wow so many sick fish.

Fluttershy: Oh the poor little things.

Nico: I know. It's so sad seeing them like this.

We saw fish that were really sick.

Lola: Oh the poor things.

We saw Hank in a room.

Me: There he is.

Nico: Oh wow.

We went in.

Hank: Team Loud Phoenix Storm. Dory and Nemo. Boy am I glad to see you guys.

Nemo: Thank goodness you're okay Hank.

Beautiful Gorgeous: Well, this escalated quickly.

Me: Yeah.

Hank: You guys have to help me and these fish.

Lola: We'll gladly help.

Maria: Here.

She formed a ball of water.

Heidi: Don't worry I'll tell them you are under our care and protection.

Hank: Thanks Heidi.

We saw all kinds of amazing fish.

Skullgrin: There's even salmon here!

Me: There sure are.

Laney: But it's Dory's kind that we want to find.

Me: The Blue Tangs.

Nico: Yeah.

Heidi: I know where they are. Follow me.

We followed Heidi and we got to the Blue Tang tank.

We gasped.

Me: Wow look at them all.

Camie: So beautiful.

Laney: Yeah.

Me: Charlie, Jenny? Are you two in here?

Leap Frog: Anyone in there?

Charlie and Jenny came.

Jenny: Who are you?

Me: We are Team Loud Phoenix Storm. We are here to help you. Your daughter Dory is here.

Dory saw her mom and dad.

Dory: Mom? Dad?

Charlie: Dory!? Is that really you?

Dory: It sure is.

Jenny: DORY!

They went over to her and we had them put into the bubble with Dory and hugged her.

Chomp Chest: (crying happily) I need a tissue!

Laney gave him one and he blew into it.

Chomp Chest: Thanks Laney.

Laney: No problem Chomp Chest.

Heidi: I'm so happy you're all back together.

Jenny: We are too. Thank you all.

Me: Dory is an amazing fish and she is a great friend.

Ariel: She sure is.

Kerbero Gangan: And a good teammate to Gali.

Varie: And the Neptune Crusaders.

Charlie: That is amazing. Wow. Dory we are so proud of you.

Jenny: You have come a long way.

Dory: I know. And I… I… (Crying) I'm so sorry.

Me: Oh Dory what's wrong?

Nico: (In his head) Just like in the movie.

Lena Isis: What's wrong?

Phosphos: Need a hug?

Me: She's just upset because of everything that happened that lead her to finding them.

Lena Isis: Oh no.

Jenny: Dory listen it's not your fault. You found us because we waited her for you and we never gave up hope. And you have Team Loud Phoenix Storm helping you.

Me: That's right Dory. You have all of us with you and we helped you and you helped us so many times before.

Nico: Yeah.

Fireor: So what if you have bad memory?

Varie: Yeah Dory. You found them because your heart and us lead you to them. And they always love you no matter what. Regardless of what your bad memory does you are always you.

Dory: You're right guys! Thank you.

Charlie: Thank you all for looking out for our cupcake.

Me: It was our pleasure.

Destiny the Whale Shark: Dory is an amazing friend to all of us and she loves all of us like family.

Bailey the Beluga Whale: We all are her family now.

Hank: Just like you guys are to her.

Charlie: Thank you guys.

Acid Man: Now, what about the giant squid?

Me: Right. That's our big mission today.

Nico: Yep.

Charlie: Lets all go with.

Nico: Right. Lets go.

Me: Wait!

I gave the Ben's parents suits.

Me: You may need these. We're going underwater and you can't breathe underwater like we can.

Sandra Tennyson: Oh thanks.

We went to the docks and they put them on.

Then we dove into the ocean. We set out to find the squid.

Eli was using the force to find it.

Nico: Do some squids glow like that?

Me: There is one kind of squid that does. It's called a Firefly Squid. But they are tiny things that live down in the dark.

Qin: Wow.

Dumbbelltron: (hears a roar) What was that?!

Me: Probably my stomach.

We then saw that we were at a graveyard of sunken ships.

Me: Wow. Look at all these ships.

Camie: Some of them haven't been seen here for years.

Eartha: (sees something in the distance) What's that over there?

We saw a blue light and we saw that it was THE GLOWING GIANT SQUID!

He was in a pirate ship.

Me: There he is.

Nico: He's huge.

Laney: Wow. Not nearly as big as the one we killed in Washington State.

Syd Chang: That was scary.

Laney: How big is this one?

Me: I would say about 50 feet and weighs about 1,500 pounds.

Qin: Wow.

Lola: How big does a firefly squid usually get?

Me: No bigger than 3 inches. But it's REALLY RARE to see a giant firefly squid.

Nico: Wow.

Abra Kadabra: It's probably waiting for guests.

Camie: Yeah. Just watch out for its beak.

Me: Yeah its beak like jaws pack over 100 pounds of force per square inch.

Nico: Whoa that is powerful.

Lasher: Entrance time!

Me: Time for some squid steaks.

We went at the squid.

It roared as it was looking for something. Then the spirits of fish came and swirled around it and then converged and then the songs of the sirens was heard and the enchanted singing of the mermaids lulled the squid into a trance and then we came out of a giant clam.

Me: Wow! What a big squid!

Xenia: Yeah!

It roared at us!

Cheshire: It's another day where bad guys don't talk.

Me: Well there are always going to be bad guys that can't speak every now and then.

I fired waves of lightning and blasted the squid all over.

It roared in pain.

It flailed its tentacles at us and I swam fast and tied them up in a knot!

Ben: Take this!

He turned into Ampfibian!

Ben: AMPFIBIAN!

Carl Tennyson: Wow! What's that alien?

Me: That's Ampfibian.

Shanan: He's what's called an Amperi from the planet Tesslos in the Andromeda Galaxy.

Carl Tennyson: Wow!

Sandra Tennyson: Ben told us about that one. But until today, we never saw it in person.

Ampfibian: Watch what it can do.

He fired a wave of lightning and blasted the Squid.

Carl Tennyson: Wow that is awesome!

Lola: It sure is.

Ben then turned into Ripjaws!

Ripjaws: RIPJAWS!

Carl Tennyson: Wow! What's that one?

Shanan: That one is Ripjaws. He's what's called a Piscciss Volann from the planet Piscciss.

Laney: You wouldn't believe what that planet is like. It's almost made entirely of water.

Me: And that was one of the aliens that Ben started out with.

Carl Tennyson: Right. That's the one he said he had during that fateful summer. I can understand why I never saw it.

Ripjaws: Because he's only useful in water.

We fired waves of energy and blasted the Squid all over.

Horsea swam over to it.

Horsea: You big bully!

She fired a blast of energy and blasted the squid!

Manaphy blasted the squid all over.

Poliwag and Poromon fired blasts of lightning and energy and smashed the Squid.

Me: Take that!

Then Bane, Tala, Mercurymon, Avalanche, Titanium Man, Trumbipular, Magneto, Misty Tredwell, Kyd Wykkyd, and Devack came.

Nico: Bane, Tala, Mercurymon, Avalanche, Titanium Man, Trumbipular, Magneto, Misty Tredwell, Kyd Wykkyd, and Devack.

Misty Tredwell: Boy that squid is gonna be really filling.

Me: And then some.

Sandra Tennyson: You're that elephant guy, right? Was it Elephant Man?

Trumbipular: No. It's Trumbipular! I faced your son a few times!

She-Hulk: Yes and he is my archenemy.

Bane: (Spanish Accent) They probably don't know you that well because of that, amigo.

Tala: Try not to dwell on it too much.

Me: They are still new

Avalanche: (to Nico) We heard you reunited Misty with her father.

Nico: We sure did.

Misty Tredwell: (laughs) You talking about me?

Me: (LAUGHS) No Misty. It's Misty Brightdawn. We found out that her father is Alphabittle in Bridlevale and it shocked us.

Qin: It's true. We were flabbergasted.

Generation 3 Chemical Bot Came.

Nico: Generation 3 Chemical Bot. Up for another round I see.

Generation 3 Chemical Bot: I sure am.

Me: Cool cool.

Generation 3 Chemical Bot: Man, that squid is big!

Me: Not NEARLY as big as the one we killed over in Washington State.

Qin: That was massive.

Lola: Yeah it sure was.

Nico: Yeah! Lets get it on!

Me: COME ON YOU APES! DO YOU WANT TO LIVE FOREVER!?

We got the battles underway.

* * *

Mercurymon was next.

Mercurymon: (to Davis) Lincoln's rescue in Queens was a ghost mystery. Did it involve looking for clues and splitting up?

Davis: No it didn't. Queens was haunted by the spirits of the deceased coming back from the dead and wandering the place. But, the dead are actually trying to deliver a warning: someone has been wrongfully buried among them.

Eria: Yeah it was crazy! We found out who it was and it was nuts.

* * *

Darren Devereaux: That's right. I heard from my old friend, Jacob Taylor, that the citizens of Queens, New York, are now being haunted by the spirits of the deceased coming back from the dead and wandering the place. But, the dead are actually trying to deliver a warning: someone has been wrongfully buried among them.

Me: You mean, a desecration?

Darren Devereaux: That's right, and I know who the wrongfully buried man is, and it's someone that I thought I'd never have to see again. Damn it, Matthew Parker!

Nico: Who is he?

Darren Devereaux: An old enemy of mine. Matthew Parker was the biggest jerk asshole ever to lurk in Queens, New York, his parents were nothing more than abusive, neglectful assholes along with being drug and gambling addicts. His grandparents, uncles, and cousins on both sides of his family even his older brother were worried about him, so his grandparents on his mom's side took him in and planned to raise him the right way after his parents got sent to prison. But, Matthew went off the rails and fell down the same dark road as his parents, he became an asshole who caused trouble to everyone, he became an alcoholic and did drugs and even gambled.

Nora: Jeez.

Darren Devereaux: Yep. His grandparents, uncles, and cousins on both sides of his family and even his older brother couldn't take it anymore, and his grandfather who's a priest at a local church said these words, he told him that he has been deeply corrupted by sin and chaos, and I have no choice but to excommunicate you from the church forever.

We gasped.

Me: That means… !

Nico: He was facing eternal damnation in Hell when he dies.

Darren Devereaux: That's right. We basically stayed away from him because of all the crap he's put a lot of people through, but a girl that my brother's girlfriend knew named Katie Matthews wanted to see the good in him, and she tried to help him as foolish as her efforts were. But, her efforts were sadly in vain, she fell down into darkness. But, what some of us knew was that because of Matthew's life of hard drinking and drug abuse, he developed lesions on his arm and he was terminally ill, Katie knew that if he dies ex-communicated, not only will he not receive a holy burial at the cemetery, but he'll be spending eternity in Hell.

Lincoln: Jeez. But, what could they do, they know his days were numbered.

Darren Devereaux: True. So, instead, they moved to Queens, New York with the hopes of fooling the living so they can secure his eternal life in Heaven, but they didn't figure the dead would also have a say in this. After they moved to Queens in just a few weeks, Matthew's illness had went from bad to worse, and finally he died. Matthew was buried in the way people in good standing with the Catholic Church were, and he was taken to Calvary Cemetery to be buried. (Realizes the whole situation) Oh, God. This is beyond bad, Matthew's opened a doorway to evil that can't easily be shut, and now, the dead are haunting Queens.

Daffy Duck has transformed into SUPER ANGEL-LOONEY TUNES DUCK-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE FIRESTORM SCREWBALL DUCK ANGEL OF DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE FIRESTORM SCREWBALL DUCK ANGEL JUSTICE AND DIVINE COSMIC ETERNAL COMEDIC LEGENDARY LOONEY TUNES EXPLOSIVE FIRESTORM SCREWBALL DUCK ANGEL GREED!

We were amazed by Daffy Duck's Super Angel-Looney Tunes Duck-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Guldo and Universe 666 Recoome saw it, they fired energy blasts at Daffy Duck, but Daffy Duck fired a massive barrage of orange energy, stars, fire, flames, explosives, ducks, phoenixes, and angels which hits Universe 666 Guldo and Universe 666 Recoome and they exploded, they got back up, but now, they were enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Daffy Duck did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Daffy Duck: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Fire Explosive Screwball Duck Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Fire Explosive Screwball Duck Angel Greed) That's only the beginning. Now, let's do this!

Daffy Duck went after Universe 666 Guldo and Universe 666 Recoome, and he fired extremely powerful blasts of orange energy, fire, flames, explosives, ducks, phoenixes, and angels at Universe 666 Guldo and Universe 666 Recoome, and they exploded with incredible power as they hit them. Then, he attacks them with his massive greatsword and left scars on them.

Plucky Duck: Whoa, this is really incredible!

Buster Bunny: Daffy's tearing them apart.

Sebastian was about to attack in his Demon Angel Mode, but he wound up getting hit in the stomach by Buster and sent flying into a coffin of spikes which closed shut, and he came out and had bleeding wounds which sealed up and his clothes repaired.

Daffy Duck threw two bombs at Universe 666 Guldo and Universe 666 Recoome which exploded and knocked them out cold, and then, they were bound with more chains of light by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Guldo and Universe 666 Recoome and removed every trace of the poisonous darkness that infected them, and they were restored and sent to Good Luthor. We all cheered wildly as Daffy Duck holstered his massive greatsword on his back and powered down, and Daffy Duck's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive black angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's two more freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, there's no telling what other nasty surprises that Universe 666 Sebastian had on them. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Aurora Valentine, the Scrapper Gene-Slammer, Bria Valentine, the Long Haul Gene-Slammer, Claudia Valentine the Mixmaster Gene-Slammer, Gemma Valentine, the Scavenger Gene-Slammer, Lia Valentine, the Rampage Gene-Slammer, Serena Valentine, the Hightower Gene-Slammer, Rosa Valentine the Overload Gene-Slammer, and Vincenza Valentine the Scrapmetal Gene-Slammer.

Selene Arcangela: (GASPS) Ivy Valentine's sisters A.K.A. The Valentine Sisters?! Awesome, and you guys are going to love meeting them, Aurora Valentine, the Scrapper Gene-Slammer, Bria Valentine, the Long Haul Gene-Slammer, Claudia Valentine the Mixmaster Gene-Slammer, Gemma Valentine, the Scavenger Gene-

Slammer, Lia Valentine, the Rampage Gene-Slammer, Serena Valentine, the Hightower Gene-Slammer, Rosa Valentine the Overload Gene-Slammer, and Vincenza Valentine the Scrapmetal Gene-Slammer are Lincoln's Guardian Angels are Lincoln's Guardian Angels from Italy and they're not only staff members in the Aquarium of Gotham Royal York, but they're also substitute teachers in Lincoln's school.

Selene Emperyous: And they're the sisters of Isabella "Ivy" Valentine, in fact, they and Ivy are incredibly beautiful and it was said that The Valentine Sisters fell in love with Lincoln and they taught Lincoln quite a lot about life in the ocean. Aurora has bubblegum pink hair with matching clothing, Bria has cherry red hair with matching clothing, Claudia has navy blue hair with matching clothing, Lia has honey yellow hair with matching clothing, Gemma has black hair with matching clothing, Serena has kiwi green hair with matching clothing, Rosa has watermelon pink hair with matching clothing, and Vicenza has peach hair with matching clothing. They and Lincoln would often swim with aquatic creatures, and surprisingly due to Lincoln's good nature, even the dangerous sea creatures such as the box jellyfish never even harmed Lincoln at all. While swimming, each of the Valentine Sisters kissed Lincoln on the lips and have sworn to marry Lincoln once he comes of age.

Michelle Emperyous: Plus, they hate Billy McLean with a blazing passion. The reason why is because before he could even try to steal a few orcas, Lincoln, Ivy, and the Valentine Sisters grabbed him and threw him into the ocean where he got stung by the box jellyfish.

Me: (WINCES) Ouch!

Nico: Damn, that's really got to hurt badly.

Lincoln: He deserved it.

King Kai: (Telepathically) Oh, guys, I have some huge news.

Me: What's up, King Kai?

King Kai: (Telepathically) I've been doing some watching on the

Earth that the Dark Versions of Lori, Luan, Lynn, Lola, Lisa, and Bobby came from, and it's not good. I've found out that Earth is a total wasteland because of these six individuals, but there are also others as well who helped those cretins out, like that Dark Version of Chandler Ms. Cheerilee, Lily, and Lincoln killed not too long ago.

We gasped.

Me: Oh man!

Nico: That's really horrible.

Lincoln: That's really terrible. Are there many other Dark Versions of our friends that we need to be concerned about?

King Kai: (Telepathically) I was afraid you'd ask that, and there are many other Dark Versions of your friends and enemies there, and now that the Dark Versions of Lori, Luan, Lynn, Lola, Lisa, Bobby, and Chandler are gone, no one is there to clean up the mess, and that universe's Flip has basically taken over and the place literally has descended further into chaos.

Eli: Oh Hell. If we kill that universe's Flip along with the other Dark Versions of the Louds' friends and enemies, will peace finally be restored?

King Kai: (Telepathically) I'm afraid not, Eli. The Earth of that universe has basically gone straight to Hell.

Lincoln: Then, this means we need to evacuate the survivors and get rid of that version of Earth, and I know just how to do it. I'd acquired Morro's power of draining planets dry of their energy when he was sent after us by the Elemental Monarchs of Evil, so I'm going to drain that Earth dry of all of its' energy along with those who are beyond redemption after we deal with that version of Flip.

Nico: Good thinking. We'll give the survivors of that hellish Earth a new home here and help them recover from the trauma brought on by those dark versions of Lori, Luan, Lynn, Lola, Lisa, Chandler, and Bobby.

Me: Yeah.

Mercurymon: Are you glad that your family's reunited, Dory?

Dory: I sure am!

Titanium Man: That's good!

Magneto: And the squid is going into our ranks.

Kyd Wykkyd: After we eat its' corpse.

Devack: Who has a knife?

I pulled out one.

Me: Never leave home without one.

Nico: Now lets get home and eat some squid soup and steaks.

We did so and got to making dinner and we had squid soup and steaks and man was it good. We ate the whole thing and man we were stuffed!

Me: Ahh! (LOUD BURP) Oh pardon me.

Nico: I'm stuffed!

Laney: Oh man I am bloated.

Lana: (LOUD BURP) That was awesome.

Me: So Mr. and Mrs. Tennyson what do you guys think of what we do?

Carl Tennyson: You guys are amazing!

Sandra Tennyson: Boy that was the most fun we had in years!

Max Tennyson: (LAUGHS) Well I'm glad you guys had fun.

Nico: Yeah. Great job today everyone.

Nemo: (To the viewers) Boy this was awesome and fun.

Me: It sure was.

We later went to sleep

This chapter is based on the movie Grown Ups

In the early morning hours at 2:30 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Oakland, California. But, they were no four figures, they were Christine and Carrie Richmond, adopted daughters of Lincoln's future wife, Cyberverse Shadow Striker. Rin-Rin, daughter of Lincoln's future wife, Min Min. and Ping, Rin-Rin's Chinese Goose. Lincoln woke up from the dream, but he wasn't the only one, Cyberverse Shadow Striker, Min Min, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Cyberverse Shadow Striker: And not only that, it also means that we found out where our kids are at.

Min Min: And a Chinese Goose as well. Any ideas where are they at?

Me: they're at Oakland, California.

Nico: The same place when we found Teddy, Mira Yukiko, Red Aid, and Oreline?

Lincoln: I know, Nico. Come on, we'd better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Cyberverse Shadow Striker (who has a human disguise), Min Min, Me, and Nico were heading to Oakland, California. Lincoln saw a 13-years-old girl who has fair skin, grayish chartreuse green eyes with single line eyeliner, and blonde shoulder-length hair with blunt bangs. She wears a dark green jacket over a dark blue shirt that has a purple Decepticon symbol on the front, a black long skirt, light gray leggings and brown ankle-length high heel boots. She wields an cybertronian assault sniper rifle. A 12-years-old who has fair skin, grayish chartreuse green eyes with single line eyeliner, light brown shoulder-length hair with blue stripe on the right side of her bangs. She wears a white shirt with black long sleeve and a purple Decepticon symbol on the front with black flames around it, maroon slim ankle pants, and black ballet flats. She wields cybertronian twin blade katanas. A athletic and slender 12-years-old young Chinese girl who has fair skin, green eyes with round glasses with black rims, and short blonde hair with straight-cut bangs and a fringe. Her arms resembles ramen noodles with a heavy ball on the right while a dragon head on the left. She wears an orange beanie/toque, an orange and green athletic shirt, orange and green athletic shorts, black calf-length leggings, and black flats. And a chinese goose with gray and white feathers, yellow beak, and black legs with webbed-like feet. Lincoln saw who they are, they were Christine Richmond, Carrie Richmond, Rin-Rin, and Ping the Chinese.

Lincoln: Excuse me, are you Christine, Carrie, and Rin-Rin?

Christine Richmond: yes we are.

Carrie Richmond: And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Cyberverse Shadow Striker (who's human disguise is a taller and thin yet muscular 17-years-old rebel girl who has light skin, red eyes, and a black short hair in a messy bob cut styled with purple stripes. She wears a light purple tank top underneath a dark purple leather jacket with blue stripes on the sleeves and on the front, a purple belt with an outline of the Decepticon symbol as the buckle, purple jeans, and dark purple knee-high boots.), Min Min came out, and when Christine Richmond, Carrie Richmond, and Rin-Rin saw them, they were stunned. and when Lincoln see Cyberverse Shadow Striker's human disguise, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Rin-Rin: (Chinese Accent) Mǔqīn? (Mother?)

Min Min: I'm here, my little ramen.

Christine Richmond, Carrie Richmond, and Rin-Rin, ran up to Cyberverse Shadow Striker, Min Min, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you two should know, Shadow Striker, Min Min, your mothers are many of my many future wives.

Christine Richmond, Carrie Richmond and Rin-Rin: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Christine Richmond, Carrie Richmond and Rin-Rin with joy, Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Ping the Chinese Goose join the hug as well.

Cyberverse Shadow Striker: Oh, and thanks for helping me find a human disguise, Linky. I look like a real rebel girl.

Lincoln: (Smiles Warmly) You're welcome, Shadow Striker.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around Cyberverse Shadow Striker and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Cyberverse Shadow Striker still had a red blush on her face with steam coming out of her ears.

Cyberverse Shadow Striker: (In Heaven) What… a… man.

Min Min: (Chuckles in a good goofy mood) That's our Lín jī. (Linky.)

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Christine Richmond, Carrie Richmond and Rin-Rin to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Cyberverse Shadow Striker, and Min Min, and with their kids, and Christine Richmond, Carrie Richmond and Rin-Rin now has a loving, strong, brave, and caring father in their life.

Me: I always love coming to Paris.

Lola: Me too. So pretty.

Varie: It sure is.

Lily: I agree there too.

Marinette: I agree there. Paris is so amazing.

Janeen Aran: It sure is awesome.

Laney: I agree there too.

Nico: Yeah. Lane I want to thank you, Eris and your teams for coming with me.

Lane: No problem Nico. This is gonna be a really awesome adventure.

Eris: I agree there guys. It will be so fun.

Nico: Howard, remember when we met you last year?

Howard: I sure do and that was awesome.

Me: That was really awesome and fun.

Laney: It sure was.

Howard: Yeah and I think it's really fun being with you all too.

Laney: It sure is.

Nico: Yep.

Maria: I loved that movie Howard The Duck from 1986 and that was a great movie. Stupid blockhead critics ruined it.

Me: Yeah those blockhead critics. They wouldn't know a good movie if it came up to them and kicked them in their asses.

Nico: Personally, I think you're like that one Disney or Looney Tunes in a world full of superheroes.

Howard: (Laughs) I like that. That is cool.

Qin: Yeah no kidding!

Lola: It sure is awesome.

Nico: Yep.

Jen Tennyson: Yeah. It was awesome having mom and dad with us.

Me: Yeah that was fun.

Laney: And we helped Dory rescue her mom and dad and had an awesome seafood meal with squid steaks.

Me: We sure did. (LOUD BURP) Pardon me.

Nico: Who liked eating it?

We all raised our hands.

Me: We loved it.

Laney: We sure did. (BURPS) Oh sorry.

Lana: That was cool.

Varie: Boy it sure was.

Qin: We never saw a Squid like that before. It was beautiful.

Maria: And it was like fighting Glut

Me: Except he wasn't a shark. He was a 50 foot long Firefly Squid. Something we never saw before.

Nico: Yeah. J.D. do you have a picture of a Firefly Squid?

Me: Sure.

I showed one.

Me: Here.

Nico: Whoa that is beautiful.

Laney: Wow! No kidding. And that squid was that big? That's amazing.

Camie: It sure is.

Varie: It was awesome though.

Nico: But fighting both wasn't easy.

Me: No it wasn't. Still fun though.

Lola: It sure was.

Misty Tredwell: It sure was good though. (BURPS) Oh pardon me.

Rarity: That was still an amazing adventure though darlings.

Camie: It sure was.

Varie: Yeah.

Nico: Let's keep an eye out for anything suspicious.

Qin: Agreed.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a clone of Lady WiFi is here, and she's causing havoc.

We gasped, and Nico was already growling like a rabid dog.

Nico: What?! When I get my hands on the asshole bastard who made that clone, I'm gonna… !

Eli: I picked up on the dark energy from him, it was Universe 666 Sebastian, he was the one who'd made that clone to cause havoc.

We gasped.

Nico: Hadn't forgotten about his powers with Infernal Darkness. We're gonna need Sebastian for this.

Lincoln: Even more, Nico, since we got another Akumatized Villain clone running loose, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for her.

Lincoln: Without a doubt. (Sensed for the Lady WiFi Clone) AHA! Gotcha! I just spotted the clone of Lady WiFi, she's 20 yards away and she's already causing havoc.

Nico: Let's head on over and trash that clone.

Lincoln: Yeah! (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then,

the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Lady WiFi Clone.

We were flying, and then, we saw the Lady WiFi clone causing havoc.

Lincoln: There she is. EINI, LET'S SPEED AWAY!

Lincoln transformed into Thunder Hare, and he unholstered his massive greatsword and lightning whip and his angelic and demonic greatswords appeared at his sides.

Me: Lets go get her.

We were then hit with a pause Rune. Lady Wifi then appeared and put a banana peel in front of Nico.

Lady Wifi: (laughs) Too easy!

She undid the pause and Nico tripped on the banana peel.

Nico: WHOA!

CRASH! LOUD NUMBERS OF FARTS!

Nico slipped crashed into a huge truck full of whoopee cushions!

Me: WHOA!

Luan: Boy that was a Gas! (LAUGHS)

WE LAUGHED!

Nico: Very funny!

Then, Lincoln went after the Lady WiFi clone, and he slashed her with his massive greatsword and his angelic and demonic greatswords also slashed the Lady WiFi clone.

And Lincoln also whipped her with his lightning whip and the Lady WiFi clone also got electrocuted badly.

Me: Damn, Lincoln's tearing her apart. Hey, leave some for the rest of us.

Lincoln kicked the Lady WiFi clone away, and the rest of us landed.

Nico: Even if you're just a clone, you're just as bad as the real one!

Pakura: She sure is, and there's the matter of who created her: that bastard lunatic monster.

Me: Lets do it! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Me: (HOWLS)

Lady Wifi hit us with a pause rune again. She then put a cow near Rolf and tipped it over.

Lady Wifi: Cow tipping at its' finest!

She undid the pause and the cow fell on Rolf.

Rolf: MAMA A BANDAGE FOR ROLF!

CRASH!

Me: Oh man!

The cow crushed him!

Rolf: (In pain) Never again will Rolf store house keys in his trouser pockets.

I got the cow off him.

Me: Geez!

Maria: Rolf you'll be okay.

Cow moos.

I snapped my fingers and made us impervious to Lady WiFi's pause.

Me: Lets get her!

Lady Wifi creates a fast-forward rune and gets atop it to zoom forward at a blinding speed at us

I ran fast and bashed her in her face with explosive force!

KRABLAM!

I went over and kicked Lady WiFi's phone out of her hands.

Me: Okay you bitch! I thought you were after Chloe for how she hurt you?

Nico: Yeah!

Livewire then flew in with intense lightning!

THUNDERCLAP!

Livewire: Remember me?

Lady WiFi: YOU! YOU HURT ME ALL OVER! I WILL NEVER FORGIVE YOU!

She fired a wave of lightning and it hit Lady WiFi and electrocuted her!

Me: Time to terminate your connection!

Livewire threw another lightning bolt at Lady Wifi and it hit her. However, a rune with a camera on it to record the attack. Livewire threw another lightning bolt at Lady Wifi only for her to dodge it.

Lincoln then fired waves of lightning and electrocuted Lady WiFi all over.

Me: Time for some jeweled power!

I formed my scythe into a sword and I used the Kiramager Gear!

I got the Swords of Crystal!

Me: This will dazzle you into nothing!

She fired a wave of lightning and I formed a wall of Diamond and it absorbed the lightning and I had the wall fire rainbow lightning and the blasts hit Lady WiFi and electrocuted her all over.

Poromon threw a beer bottle at Lady Wifi but Lady Wifi flicks a rewind rune at him. She then made the attack reverse itself, undoing the beer bottle throw entirely.

Poromon: HEY!

But then..

SMASH!

The bottle hit Poromon on his head!

Xenia: Ouch.

Poliwag: HEY! NO ONE DOES THAT TO US!

Poliwag slapped her all over the place with his tail!

Lady Wifi pushes some buttons on her phone, healing her damage.

Poliwag kicked the phone out of her hands.

Surprisingly the phone she had got knocked out of her hands and I caught it.

I then crushed the phone with my hand!

SMASH!

Nico: Not so tough without your phone!

Lincoln: Yeah!

Me: Now this!

I fired waves of blue fire and Sapphire Water and blasted her all over.

Lincoln fired waves of lightning and fire and burned her all over.

Nicole: Taste the stars!

She fired star blasts and basted her all over!

Chloe: This is for trying to hurt me!

KRABLAM!

She punched her in the face!

Livewire zapped her again.

She fired a wave of lightning and electrocuted her all over.

Ed: ED SMASH BAD INTERNET LADY!

He smashed and pulverized her all over!

Eddy: (LAUGHS) Go Lumpy Go!

Rolf: Save some for Rolf!

Rolf went over to her.

Rolf: YOU HAVE SQUEEZED AN ORANGE RIND IN THE EYE OF ROLF! ROLF WILL RELEASE HIS RAGE NOW!

He went and smashed Lady WiFi all over and smashed her into a bunch of cabbages!

Man: MY CABBAGES!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

Lady WiFi: What did he say?

Rolf then mercilessly thrashed her in a brutal fight cloud!

Ed: Go Rolf!

Carmen: Yeah! Go Captain Rolf!

Qin: Yeah!

Me: Smell this one! (ACTIVATES CHAOS (PRIMAL RAGE) RIDEWATCH)

LOUD FART!

I released a toxic dark green fart cloud and it hit Lady WiFi and she was convulsing from a NASTY SEIZURE!

Horsea: Stinky!

Nicole: Nice one dad!

Qin: Yeah!

Me: So is this! (ACTIVATES DIABLO (PRIMAL RAGE) RIDEWATCH)

I Fired a blast of fire from my hand and it hit Lady WiFi and she exploded into flames!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! Infernal!

Laney: Yeah!

Nick Russel: That's hot!

Me: How about this too! (ACTIVATES VERTIGO (PRIMAL RAGE) RIDEWATCH)

I did a REALLY POWERFUL glare and started going into a MASSIVE MURDEROUS INSANITY!

She was laughing like a crazy fucked up nutjob and was bashing herself on rocks and really hurting herself!

Horsea squirted ink at her.

SPLAT!

It squirted right into her eyes.

Lady WiFi was in pain and couldn't see.

Suddenly, Pakura's brown eyes turned neon brown and she was surrounded by an orange and red energy aura with stars, fire, flames, heat, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached the Lady Wifi Clone, she left orange and red energy, stars, fire, flames, heat, phoenixes, and angels with every step.

Pakura: Even if you're just a clone of Lady WiFi, you're still just as bad as she is, but even worse, you were given life thanks to that monstrous demon, Universe 666 Sebastian, you reek of the Infernal Darkness that brought you to life, and you must be destroyed here and now.

Suddenly, Pakura was surrounded by a massive vortex of orange and red energy with stars, fire, flames, and heat surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at the Lady Wifi Clone: the red eyes of death. Then, as the vortex faded, Pakura emerged, but she was changed forever.

Suddenly, Pakura felt a sharp pain on her back, and then, massive green angel wings with orange tips grew and sprouted out of her back. Pakura has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand. Suddenly, Pakura's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of orange and red energy, stars, fire, flames, heat, phoenixes, and angels, and when it emerged, it transformed into Pakura's Scorching Desert Heat Fire Phoenix Angel Greatsword of Scorching Desert Heat Fire Phoenix Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the Sand Village symbol and phoenix etched on the 7'6" massive, wide, double-edged orange blade, large orange lizard heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large orange lizard heads with orange gems for eyes and large orange lizard head with orange gems for eyes and orange gem in its mouth on the bottom of the orange lizard heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold lizard head with orange gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Pakura's Super Angel-Sand Kunoichi-Lizard-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the Lady WiFi clone saw it, she went mad and ran at her to kill her, but Pakura fired a massive barrage of orange and red energy, stars, fire, flames, heat, phoenixes, and angels which hit the Lady WiFi clone and she got burned badly, she got back up, but now, she was even madder than ever.

Pakura: (Divine Echoing Godly Voice of The Divine Cosmic Firestorm Scorching Heat Desert Lizard Phoenix Angel and Divine Cosmic Firestorm Scorching Heat Desert Lizard Phoenix Angel Love) Alright, now it's high-time for us to deal with you for good, you rotten clone.

Me: You better be ready, you menace of technology.

Qin: She's in for it now!

Skywarp fired his blasters at her.

Blasting Lady WiFi all over.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal

Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Pakura and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing havoc are over, you despicable clone, and if you're watching this, Universe 666 Sebastian.

Lincoln made a portal that led to that lunatic's castle on the grounds where Perfecto Prep once stood and fired a blast of holy water which hit Universe 666 Sebastian and he got burned badly, and that made him roar with uncontrollable insanity and rage.

Lincoln, Pakura, and I went after the Lady WiFi Clone, and we fired extremely powerful blasts of rainbow energy, orange and red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the Lady WiFi Clone, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Pakura, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Lady WiFi clone insane and straight to the brink of insanity.

Lady WiFi Clone: YOU! YOU! I WILL KILL YOU ALL!

The Lady WiFi clone went at us mad with rage and insanity as we saw a black and dark purple aura form around her: we knew all along it was the Infernal Darkness of Universe 666 Sebastian that had given him life. Sebastian fired blasts of Divine Darkness which hit the Lady WiFi clone, and she lost the additional dark powers that lunatic gave her.

Nico: Keep it up!

Me: Oh we plan to!

I pulled out a boombox.

(I WROTE THIS BY PATRICK STAR PLAYS)

Twinkle, twinkle, Patrick Star

I made myself a sandwich

My mommy named it Fred

It tastes like beans and bacon

And smells like it's been dead

Writing stuff is hard so I use a pointy pencil

Pointy pointy pointy, pointy pointy point

P.U., what's that horrible smell?

Drum solo!

I have a head, that ends in a point

Pointy pointy pointy, pointy pointy point

This song is over, except for this line:

You win this round

Broccoli

LADY WIFI SCREAMED IN PAIN AT HOW BAD THE SONG WAS AND SHE WAS REALLY IN A LOT OF PAIN!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This has gone on long enough. PARASITIC SYMBIOTE ENERGY DRAIN!

Lincoln fired tentacles of symbiote goo with mouth-like suckers, and as they latched onto the Lady WiFi clone, Lincoln began sucking out and absorbing his energy and assimilating his powers as streams of blue energy were being sucked out of the Lady WiFi clone and flowing into Lincoln and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, as Lincoln sucked out the last of the Lady WiFi Clone's energy, she was now absolutely weak and drained of energy.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to finish you off for good. SCORCH STYLE NINJA ART: EXTREMELY STEAMING MURDER!

Lincoln formed orbs of heat and sent them right at the Lady WiFi Clone, and when the orbs touched her, it instantly evaporated all the water inside her body, leaving her in a mummified state and steam was emitting from her body and he sent the clone's spirit to The Black Gates. Everyone cheered as Lincoln, Pakura, and I holstered our massive greatswords on our backs and powered down, and Pakura's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive green angel wings are permanent.

Eli: WHOA! Lincoln, how did you learn how to use the Scorch Style?

Lincoln: Pakura trained me and Stella in using her Scorch Style, and I used it on some of Icky Vicky's thugs once, and it turned them into mummified husks.

Me: Yeah, we saw it for ourselves.

Nico: And it was really intense. It was like they died of unendurable thirst underneath a scorching desert sun, and it was worth it to see the look of anger on that monstrous fire-breathing bubble-butted dragon.

Me: Pakura's Scorch Style is like standing on the Earth when the sun turns into a Red Giant.

Lori: That is literally scary. Icky Vicky's literally becoming worse and worse every day, but it'll all end soon once we get rid of her on December along with Flip and finally kill Xehanort.

Me: You said it.

Lincoln: If there are some who deserve The Black Gates, it's those three. Flip's been nothing more than a stain on Michigan for years, and he's done a ton of crimes that made him nothing more than a traitor to the world, Icky Vicky's nothing but a demonic monster who wants to kill all kids and see the world burn, and Xehanort. Ugh, forget it, he's done a ton of crimes against the universe that all The Keyblade Knights all over want him to die horribly.

Me: You got that right.

Lola: Yeah!

Horsea: That takes care of that!

Me: You got that right.

Qin: (LAUGHS) Yeah!

Pakura: That was really fun and cool.

Laney: It sure was.

We heard UNIVERSE 666 SEBASTIAN ROAR IN POWERFUL FURY!

Me: UP YOURS YOU FUCKING CHUMP!

Nico: I'm telling you. Say the word and we slit his throat!

Me: Patience Nico. The time will come.

Laney: Yeah.

Nico: Okay then.

Me: That was a crazy and fun battle.

Nico: I just think that we should get rid of the asshole before he becomes more powerful than all the other villains we fought.

Me: Oh you're right. (Sigh) Do it.

Nico: Really? Okay.

Sebastian Mendez: Be patient, Nico. I'll tell you when it's time to kill him.

Nico: I'll hold you to it.

Qin: Good.

Nico: Right now we have other things to worry about.

Lana: Like the Anothers to start.

Nico: And those are?

Eli: (Concentrates) WHOA! We have Another Evil Sakura (Genin), Opaline (Equestria Girls), Chaos (Primal Rage), Golden Record, Quackor the Fowl and Eris.

WE GASPED!

Sakura Haruno: Wait an evil version of me back when I was a genin!? This I got to see.

Twilight Sparkle: And wait Opaline is in the Human World too?

Eris: She is and we found out that she is the Principal of Maretime High. But don't worry she is not like the one we faced. She is more like Abacus Cinch.

Lola: Wow!

Nico: And Bob Roth's Akuma form, Golden Record. That is cool.

Me: Also I've read a lot of Internet literature where Sakura is evil like Sasuke.

Sakura Haruno: GEEZ! Was I really THAT bad?

Me: UCH! The worst! Don't take this the wrong way Sakura but it was crazy.

Sakura Haruno: I'll have to see how bad it is.

Nico: There they are!

We saw Another Evil Sakura (Genin), Opaline (Equestria Girls), Chaos (Primal Rage), Golden Record, and Quackor the Fowl!

WE GASPED!

Sakura Haruno: WHOA! That's me from back when I grew my hair out! Man that was crazy back then.

Ino: I can't believe you were like that back then Sakura.

Sakura Haruno: Boy no kidding.

Another Opaline: This is amazing huh?

Lincoln: Rita Risa!? Whoa!

They merged and she reverted back and was a girl with pink hair and pink clothes and pink eyes and had pink angel wings and had the symbol of Risa in the middle of her forehead and on her skirt and she had a keyblade.

Rita Risa: Awesome to see you again Lincoln.

Lincoln: Same here.

Nico: Care to introduce us Lincoln?

Lincoln: Rita Risa, Keyblade Knight of Risa, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Risa, and she has intense paradise powers and she's a master of nature. She is the Keyblade Knight of Risa, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of paradise.

We were amazed.

Me: Wow! The Keyblade Knight of the Paradise planet of Risa. I remember that planet and it was awesome. The planet is really beautiful.

I pulled out photos of it.

Me: It's amazing for a vacation and the view of the Twin Suns Sunset is absolutely amazing.

Rarity: Oh that would is absolutely beautiful.

Nico: Wow! That is like Hawaii on steroids.

Me: Yep.

Nico: Imagine an Evil Sakura rant!

Laney: Not a bad idea!

Qin: Yeah!

Lola: We'll think of something for that.

Nico: Anyway, sorry we gotta do this.

Me: By the way is the Another Eris friendly or hostile?

Rita Risa: Friendly and she is a powerful force of water.

Me: Nice.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Another Evil Sakura was left.

Another Evil Sakura: YOU DISGUSTING SACK OF DIRT IDIOT J.D.! HOW DARE YOU TAKE AWAY SASUKE!

Me: Sheesh! Get a life!

Nico: She must really hate your guts J.D.

Me: In 150,000 years she hated my guts more than anything for making Evil Sasuke look like a total asshole imbecilic moron.

Nico: GEEZ! Well can't say that jerk had it coming. The motherfucking cur!

We laughed!

Konohamaru: YEAH SO SHUT UP UGLY!

WE GASPED!

Me: Uh oh! Oh fuck!

Nico: Since we don't have a rant for you yet, we'll just settle for simply killing you.

She then ran at us fast with a demonic grin and I then fired an energy blast and obliterated her in an instant and I caught the Wonder Ride Book.

Maria: Better call in backup. (TURNS DIAL) SERIOUS MOTORCYCLE CLUB!

She summoned Motor Ed, Rollar Ghoster, Madame Catastrophe, Fortress Crab, Live Action Sideways and Mr. Mxyzptlk!

Qin: Yeah!

Mr. Mxyzptlk: The one thing I like about Eris is how she's like me!

Me: That is true and awesome.

Qin: It sure is.

Lola: Yeah that is funny!

Qin: Yep. It sure is.

Eddy: Shame we destroyed the remote quickly. Wanted to know how many trick Lady Wifi had in store for us.

Me: Well some things are best left unsaid Eddy.

Qin: Yeah.

Me: Wait look!

We saw a figure and it was Another Eris!

Nico: WHOA!

Me: Another Eris.

Another Eris: I think this is awesome.

Me: That voice!

She reverted back and was a girl with blue hair, blue eyes, blue clothes, blue angel wings and she had a tiara with the symbol of the Wave Dopant on it and she had the same symbol on her skirt and a sword of water too.

Me: Winona Wave! Awesome.

Winona Wave: Awesome to see you again J.D.

Me: Same here. Winona is the Embodiment of the Wave Dopant and she has water powers that are 500 Sextillion times more powerful than all the water users we know put together. Also Eris will like this. She has the power to use the Golden Apples of Chaos.

Winona Wave: Yep. Watch.

She pulled out a golden apple and it formed into a bear trap and she threw it and then.

CLANG!

It latched onto a criminal's butt and he screamed and then he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMM!

Eris: Wow! Now that was really chaotic!

Discord: That was really well done my dear!

Winona Wave: Thanks.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Winona Wave: No he didn't. I gave him an apple and ran fast and then it exploded and Swartz smelled like he was on the receiving end of the wrong end of a family of skunks.

Sakura Knudson: OH GOOD GOD! That explains why he smelled like a massive skunk colony back then!

Me: GEEZ! He must've had to take a huge bath in a swimming pool full of tomato sauce.

Sakura Knudson: Yep he sure did.

Nico: Yikes!

Lincoln: Lets separate you first.

He fired a wave of light and separated her.

Me: We're going to need my poisonous blood for this since the Another is a Goddess.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

I then took out a dagger and cut my wrist and coated the dagger in my blood.

Me: Nice!

Nico: (gets out Eris' Ridewatch) Chaos is a wonderful thing!

Eris: It sure is!

Discord: I agree there too!

Winona Wave: It sure is.

She threw an Apple and it formed into a ROTTEN DISGUSTING NASTY PATTY! It went into the Another's mouth and she was THROWING UP! BAD!

Nico activated Eris and Quackor's ridewatches and fired waves of energy and smashed the Another all over.

May: Top this! (ACTIVATES BAD END PRETTY CURE AND THROMNAMBULAR'S RIDEWATCHES)

She fired a wave of energy and blasted the Another all over.

Maria: And this too! (ACTIVATES OWLMAN AND ANTLION FANGIRE'S RIDEWATCHES)

She fired energy blasts and smashed the Another all over.

Howard: Take this! (ACTIVATES QUACKOR'S RIDEWATCH)

He fired a laser vision blast and smashed the another all over.

Then Aqueduct, Pisces Zodiarts, Dr. Mingo, Ember Woman, Liquidroid Wateru and Syren came.

Nico: Nice team Aqueduct.

Aqueduct: Thanks. It's awesome.

?: It sure is.

Astro Man came.

Me: Astro Man. Awesome!

Astro Man: (In a girls voice) This will be fun.

Nico: Astal Astro!? Wow!

Astal Astro: Yep. I got this.

She fired star blasts and I threw the knife and it stabbed Another Eris and she was destroyed and I caught the Ridewatch and purified it.

Astal reverted back and was a girl with purple hair and purple eyes and had purple angel wings and she had purple clothes and had a symbol in the middle of her forehead that looked like Saturn with the Cassini Satellite.

Astal Astro: Awesome through and also three quarters of the Mega Man 8 robot gene-slammers are fully clothed. 2 of them will be naked.

Me: Wow.

May: Ha! I'm not getting thrown up on! (to Astal Astro) In your face!

BONK!

Maria bonked her on her head.

May: OUCH! Sorry.

Maria: Please don't do that.

Astal Astro: No worries.

Howard: Do you have any favorite memories?

Astal Astro: When me and Nico were at space camp and we discovered an amazing nebula and it had an amazing solar system in it.

Me: Wow!

Lola: That is cool.

Nico: Yep.

Nico and Astal hugged.

Nico: I've missed you.

Astal Astro: Same here.

We went back home.

When we arrived here, it was like King Kai told us yesterday, it's a total wasteland because of these six individuals.

Me: What the?! Is this…?!

Nico: My god. What the hell happened here?

Lincoln: The Earth where the Dark Versions of Lori, Luan, Lynn, Lola, Lisa, Bobby, and Chandler came from, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to deal with that universe's Flip along with the other Dark Versions of our friends and enemies here, along with evacuating the survivors and get rid of that version of Earth.

Qin: This is a total tragedy.

Lana: These people did nothing to deserve this.

Luan: Right, so let's get started with rescuing and evacuating the survivors, and then, we get rid of that universe's fat mutant along with the other Dark Versions of our friends and enemies here.

Lincoln: Right.

We got to work as we began finding the survivors and evacuating them through a portal that Lincoln made that led to Gotham Royal York.

?: (Weakly) Please… , help.

Suddenly, we saw someone heading for us, it was the Wasteland Earth's version of Lincoln, but he was so badly beaten up, and he was covered in slashes and bruises: we knew five bitches and two dumbass bastards who did this to him.

Me: MY GOD!

Nico: It's this Earth's Lincoln. Oh God, what did those bastards and bitches do to him?!

Lincoln: Obviously nothing good.

Lincoln got Wasteland Earth Lincoln into the portal, and he wound up at the infirmary and was being treated for what those Dark Versions of Lori, Luan, Lynn, Lola, Lisa, Bobby, and Chandler did to him.

Lincoln: Now, that we got all the survivors out, it's high-time we went hunting for that mutant and the Dark Versions of our friends and

enemies.

Suddenly, we saw eight beautiful and super sexy girls with long hair in bubblegum pink, cherry red, navy blue, black, kiwi green, watermelon pink, and peach, purple hairbands, blue eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, fair skin, bubblegum pink, cherry red, navy blue, black, kiwi green, watermelon pink, and peach angel wings, and they were dressed in purple sleeveless tops, purple skirts, purple knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, elements, light, phoenixes, and angels on the coattails and on the back are The Constructicons, holstered on their backs are massive greatswords, and with them are the ten girls.

Lincoln: (GASPS) Aurora Valentine, the Scrapper Gene-Slammer, Bria Valentine, the Long Haul Gene-Slammer, Claudia Valentine the Mixmaster Gene-Slammer, Gemma Valentine, the Scavenger Gene-Slammer, Lia Valentine, the Rampage Gene-Slammer, Serena Valentine, the Hightower Gene-Slammer, Rosa Valentine the Overload Gene-Slammer, and Vincenza Valentine the Scrapmetal Gene-Slammer A.K.A. The Valentine Sisters.

Aurora Valentine: That's right, and we got the girls away from this Earth's version of that mutant cheapskate along with the other Dark Versions of our friends and enemies, and they're already out for blood.

?: LOUD BELLOW OF RAGE!

Suddenly, we heard a bellow of rage, and we saw who it was heading our way, it was the Wasteland Earth version of Flip, along with the Wasteland Earth versions of Scoots, Hawk, Hank, Lewis Travolta, along with the other Dark Versions of our friends and foes, and they were out for blood.

Sylvester: We've had it up to hear with you for the last time, now you've left us no choice!

Selene Arcangela: We already got rid of Scoots, Hawk, Hank, and Ophelia Shroud last year, but this is going to be so much fun getting rid of them once more. Let's make every last one of these Dark Version assholes pay with their miserable lives!

Selene Emperyous: They've had this coming for a very long fucking time. Now, justice is about to be done and they will suffer God's wrath for their misdeeds.

Then, Lincoln fired gold spider silk that ensnared the Dark

Wasteland Earth versions of Flip, Scoots, Lewis Travolta, Hawk, Hank, and the Dark Versions of our friends and enemies. Then, all of us went through a portal as we wound up back at The World Tree Estate, but we left the portal open for the big finale.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to end this.

Lincoln held out his left hand, and then, he began sucking the Dark Wasteland Earth versions of Flip, Scoots, Lewis Travolta, Hawk, Hank, and the Dark Versions of our friends and enemies and the Dark Wasteland Earth dry of life energy as we saw their energy was being forcefully pulled out and was being absorbed into Lincoln as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing stronger and stronger and stronger still.

Then, as Lincoln sucked out the last of the Dark Wasteland Earth versions of Flip, Scoots, Lewis Travolta, Hawk, Hank, and the Dark Versions of our friends and enemies and the Dark Wasteland Earth dry of all their life energy, the Dark Wasteland Earth versions of Flip, Scoots, Lewis Travolta, Hawk, Hank, and the Dark Versions of our friends and enemies were reduced to lifeless weak husks and the Dark Wasteland Earth crumbled to dust as it and them were sent to The Black Gates. We all cheered as we holstered our weapons and powered down.

Lincoln: Whoa. Oh man, after what I just did in sucking the Dark Wasteland Earth versions of Flip, Scoots, Lewis Travolta, Hawk, Hank, and the Dark Versions of our friends and enemies and the

Dark Wasteland Earth dry of all their life energy, I feel even more powerful than ever.

Chronoa: Moro's Energy Absorption is that powerful, he can drain a planet and its inhabitants dry of all its life energy, that's what made him a very dangerous threat.

Lincoln: Luckily, I'll use that on evil planets and its inhabitants, but that's the end of that Dark Earth and the Dark Versions of our enemies and friends. (To the Valentine Sisters) And it's so good to see you and your sisters again, Aurora.

Aurora Valentine: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Ivy.

Isabella "Ivy" Valentine: You too, Aurora.

Lincoln went up to The Mahōtenshi Sisters and he hugged them, and The Mahōtenshi Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Bria Valentine: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Claudia Valentine: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these eight girls?

Lincoln: Indeed I do, J.D., meet Aurora Valentine, the Scrapper Gene-Slammer, Bria Valentine, the Long Haul Gene-Slammer, Claudia Valentine the Mixmaster Gene-Slammer, Gemma Valentine, the Scavenger Gene-Slammer, Lia Valentine, the Rampage Gene-Slammer, Serena Valentine, the Hightower Gene-Slammer, Rosa Valentine the Overload Gene-Slammer, and Vincenza Valentine the Scrapmetal Gene-Slammer A.K.A. The Valentine Sisters, these eight girls are my Guardian Angels are Lincoln's Guardian Angels from Italy and they're not only staff members in the Aquarium of Gotham Royal York, but they're also substitute teachers in my school, and they're the sisters of Isabella "Ivy" Valentine, in fact, they and Ivy are incredibly beautiful and it was said that The

Valentine Sisters fell in love with me and they taught me quite a lot about life in the ocean.

Isabella "Ivy" Valentine: That's right. Plus, they are easily identified: Aurora has bubblegum pink hair with matching clothing, Bria has cherry red hair with matching clothing, Claudia has navy blue hair with matching clothing, Lia has honey yellow hair with matching clothing, Gemma has black hair with matching clothing, Serena has kiwi green hair with matching clothing, Rosa has watermelon pink hair with matching clothing, and Vincenza has peach hair with matching clothing. They and Lincoln would often swim with aquatic creatures, and surprisingly due to Lincoln's good nature, even the dangerous sea creatures such as the box jellyfish never even harmed Lincoln at all.

Nico: Wow, that's really awesome!

Selene Arcangela: That's right, Lincoln's good nature tamed even the most dangerous sea creatures. While swimming, each of the Valentine Sisters kissed Lincoln on the lips and have sworn to marry Lincoln once he comes of age. Plus, they hate Billy McLean with a blazing passion. The reason why is because before he could even try to steal a few orcas, Lincoln, Ivy, and the Valentine Sisters grabbed him and threw him into the ocean where he got stung by the box jellyfish.

Me: What a goddamn jerk.

Lincoln: Yep, but it was so hilarious seeing Billy get his just desserts for what he tried to do, and that also resulted in him getting sent back to prison, but not before he got treated for getting stung by the box jellyfish. And now that you and your sisters are here, Aurora.

Lincoln went up to and hugged each of The Valentine Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aurora Valentine: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, eight Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Valentine Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Bria Valentine: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valentine Sisters.

The Valentine Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Akane Niimura, Mao Asakura, Sumika Oohashi, Aya Itou, Ai Aihara, Ellen, and Chie from Futabu!, the Simulator versions of Nō and Oichi from Sengoku BASARA, and Dong Bai from Dynasty Warriors.

Lincoln: Oh wow, it's Akane Niimura, Mao Asakura, Sumika Oohashi, Aya Itou, Ai Aihara, Ellen, and Chie from Futabu!, the Simulator versions of Nō and Oichi from Sengoku BASARA, and Dong Bai from Dynasty Warriors.

Magoichi Saika (Sengoku BASARA): The Simulator versions of The Demon King's wife and sister from my world. Never thought I'd see them here.

Kasuga: Lincoln, it's imperative that you heal Simulator Oichi from our world by removing the power of the darkness that consumed her and help her realize she must never follow the path of Nobunaga Oda from our world.

Lincoln: Right.

Lincoln covered his hands in bright light and when he brought Simulator Oichi (Sengoku BASARA) in for a warm embrace, she felt an incredible warmth rush through her, and the dark power that had consumed her was purged forever and he helper realize that she must never follow the path of her cruel brother. With this realization, she broke down in tears and cried in happiness as she hugged Lincoln tightly as he didn't let go.

Oichi (Samurai Warriors): She suffered so much at the hands of someone she knew as family. Even my brother wouldn't do something as cruel as this.

Diao Chan: That is indeed true. Now, we need to move on to Dong Bai.

Lincoln: Why, what's wrong, Diao Chan?

Diao Chan: We hadn't actually met her last year, but I should probably tell you this: Dong Bai is the granddaughter of Dong Zhuo.

We gasped.

Lincoln: What?! She's the…?!

Lu Lingqi: That's correct, however hard it may be for you to admit. But, I believe that we can open her eyes, to make her understand that it's a mistake to follow the path of Dong Zhuo and, if it's possible, we can get her to join the Redemption Squad.

Eli: Is that even possible?

Lincoln: It's worth a try, Eli. Are you girls okay?

Akane Niimura: Yes, we're okay, thanks to you.

Then, when Akane Niimura and the other seven girls saw who it was that saved them from the Wasteland Earth version of Flip, along with the Wasteland Earth versions of Scoots, Hawk, Hank, Lewis Travolta, along with the other Dark Versions of our friends and foes, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Akane Niimura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane Niimura: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane Niimura, Mao Asakura, Sumika Oohashi, Aya Itou, Ai Aihara, Ellen, Chie, the Simulator versions of Nō and Oichi from Sengoku BASARA, and Dong Bai with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We told everyone what had happened, and they were shocked and horrified.

Maria: Jeez, so you guys saw the Earth that the Dark Versions of Bobby, Lori, Lynn, Lola, Lisa, Luan, and Chandler came from?!

Lincoln: Yep, and it's just like King Kai said, it was absolute Hell.

Me: It was awful. Say, how's that world's Lincoln doing?

William: He's in really bad shape, but slowly recovering. What did those bitches do to him?!

Lincoln: It's exactly what I've been through with the Dark Sides of Lori, Luan, Lynn, Lola, Lisa, and Chandler, but infinite-times worse.

Nico: Ino and her family are going to be doing a lot of intensive psychological therapy with him and the others, they went through Hell on their former home.

We helped the survivors settle into their new home on our Earth, and Ino and her family are going to be doing a lot of intensive therapy for Wasteland Earth's Lincoln and the survivors.

---

After the battle at the Dark Earth and ending the Dark Earth's version of Flip, Scoots, Hawk, Hank, and the other Dark Versions of our friends and enemies, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Valentine Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aurora Valentine: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Bria Valentine: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Claudia Valentine: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Gemma Valentine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Serena Valentine: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Valentine Sisters played a video on the big screen and it shows Lincoln, Isabella "Ivy" Valentine and The Mahōtenshi Sisters at Lake Superior: Lincoln was in an orange speedo and sandals and Ivy and The Valentine Sisters were in purple two-piece bikinis and sandals, and they were having fun swimming at the lake.

Past Aurora Valentine: This is really awesome, I love coming to Lake Superior.

Past Lincoln: Same here.

Past Claudia Valentine: Plus, with all the work you've been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD SCREAM OF RAGE!

Suddenly, they heard a loud scream of rage.

Past Lincoln: Oh great, there's no mistaking that loud scream from anywhere. Get out here, Billy McLean, so we can kick your ass even more.

Suddenly, they saw Billy McLean come out, and he was really out for blood again, then, he charged like a mad bull and was about to attack Lincoln, but Lincoln punched him and sent him flying into a tree. He got back out, but he roared like a madman, now he was really pissed.

Past Lincoln: Okay, you asked for it, you stupid asshole!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Billy McLean bellowed again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Billy McLean's stomach knocking the wind out of him, and then, he unleashed a massive storm of slashes from his massive greatsword and fired water blasts at Billy McLean. Then, Lincoln reared his left fist back and gave him a nasty punch to the face that sent him flying right back to prison as the video ended.

Me: (LAUGHS HYSTERICALLY) THAT STILL CRACKS ME UP TO THIS DAY!

Lincoln: Billy McLean was such an idiot, he clearly didn't know when to quit.

Nico: What a dumbass.

Aurora Valentine: And we all had fun with Lincoln. But, of course, that asshole had to show up and ruin everything because he still wanted to kill Lincoln again for ruining his life! I wanted to punch him on his ugly face but Lincoln sent him flying with one punch, but when he got out, that's when Lincoln got serious.

Bria Valentine: He had it coming. He's such a goddamn scumbag traitor and sadistic asshole!

Claudia Valentine: And it was also all our doing that Lincoln transformed extremely from the cute 11-year-old boy we knew since childhood to an extremely rugged, handsome, manly, sexy, and super imposing mountain of a muscular hunk.

Lincoln's Guardian Angels gasped.

Nicholette Torrington: Uh, Claudia, need I remind you of saying those sorts of words about Lincoln?

Suddenly, Lincoln put down the heavy weights and he made clones of himself and walked up to Ivy and her sisters and turned them around to face them, and then, they leaned down and kissed them full on in the lips with that kind of intensity, passion, and energy, they'd literally given in and they wrapped their arms around the thick necks of Lincoln and his clones and he and his clones wrapped their massive muscled arms around their waists and as they brought them in closer, their chests pressed against their massive pecs and their stomachs pressed against their eight-pack abs. When Lincoln and his clones slowly separated their lips from Ivy and her sisters' lips, their faces were all red from the very intense make-out and their eyes literally turned to hearts.

Valentine Sisters: (In Heaven) That… was… so… hot!

Bertha Sellington: We warned you, Claudia, those sorts of compliments cause him to go ahead and engage in a full all-out make-out with any member of his harem who say those compliments.

Girl Jordan: You think that's hot, we always wind up getting covered in kisses from him every night, we consider that tattoos of his undying love for us.

Nico: And a clear warning that if any moron messes with his future wives, they are worse than dead.

We got a shower afterwards, and then, Lincoln, Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Vanessa the Vampire: Wow, so, this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Vanessa, and it's perfect for our first date. Shall we?

Lincoln, Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) and they hugged the girls in their abnormally massive and powerful muscular arms, and Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, and now, Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City) are in Linky's harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Kara the Kunoichi, Vanessa the Vampire, Petra the Pyrow, Kali the Kejourou, Darla the Dhampir, and Darla the Demon and the Simulator versions of Strawberry Shortcake (Berry in the Big City), Raspberry Tart (Berry in the Big City), Orange Blossom (Berry in the Big City), Lime Chiffon (Berry in the Big City), Blueberry Muffin (Berry in the Big City), Lemon Meringue (Berry in the Big City), and Sour Grapes (Berry in the Big City), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Bowser Jr's Fearsome Fleet.

Qin: Cool!

Me: This will be a good one.

Lola: Yeah.

Hawkeye: Me and Green Arrow will go with on this one.

Me: Awesome. I'll go too.

Nico: I knew you would.

We went in the Simulator and it activated and we were at BOWSER JR.'S FEARSOME FLEET!

Me: Whoa this is gonna be awesome.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well the big boss fight is at the end. I'll tell you guys how to face him when you get there.

Me: Okay.

Nico: This is gonna be good.

?: Let us help you too.

2 figures came in. One was a girl with green hair, green eyes and had green angel wings and green clothes and had a tiara with the symbol of the Moonland of Naroom on it and the same symbol on her skirt and she had a leaf sword. The second girl had black hair, red eyes, black clothes and had black angel wings and she had a tiara with the symbol of Bomb Man on it and the same symbol on her skirt.

Naomi Naroom: Naomi Naroom, Embodiment of the Forest Moonand of Naroom.

Brenda Bomb: Brenda Bomb, Embodiment of Bomb Man.

Becky: Brenda!

Dana: Brenda wow!

Edyn: Naomi! Wow!

Naomi Naroom: Edyn!? Wow it's great to hear your voice.

Brenda Bomb: And Becky and Dana wow! Its been a while.

Me: Wow! We can find out more later.

Nico: Lets go.

We were off to the end of the level.

Nico: We're here.

We arrived and saw BOWSER JR.!

Me: WHOA! Hey B.J.!

Bowser Jr.: Hey guys! Awesome seeing you all here!

Me: Just ready to kick some butt!

Nico: Yep.

Bowser Jr: Were the mascots' horror costumes that scary?

Me: No but they were really cute.

Nico: (LAUGHS) Yeah they sure were.

Green Arrow: It was a good effort they put into it though.

Bowser Jr. I can tell they did.

Then he started piloting a HUGE ROBOT!

Nico: Whoa!

Nicole: (On the radio) Okay you see those blue spots? There's 2 in the front and one in the back. Blast those first and then bash the head.

Nico: Okay! Lets go for it!

Naomi Naroom: Lets do it!

Nico: (gets out Eris and Dr. Destiny's Ridewatches) Time to mess with reality!

Nico activated them and fired waves apples and bombs and blasted the spots.

I fired energy blasts that hit the back.

The top opened up.

Me: Okay now's our chance!

Nico: Lets do it!

Hawkeye and Green Arrow fired Arrows, Nico and I fired waves of energy blasts and Naomi fired leaves and energy blasts and Brenda fired bombs and the blasts hit him and he exploded!

Bowser Jr. teleported away!

Out came the Grand Star!

Nico: There's the Grand Star!

We went and got it!

YOU GOT A GRAND STAR!

Nico: YEAH!

Green Arrow: Bowser Jr. your robot has failed this galaxy!

Me: That it has Ollie!

Naomi Naroom: That was awesome!

Brenda Bomb: It sure was!

We high five.

Nico: How did you meet Dana and Becky?

Brenda Bomb: I helped them make their own fireworks. I'm a demolition specialist for the 4th of July, New Years and even parties. You should see the fireworks I made for those times.

Nico: Cool!

Me: Naomi how do you know Edyn?

Naomi Naroom: I helped her train for her skills in magic to help kill Agram.

Me: Wow that is awesome. And 2 years ago we killed Agram.

Nico: We sure did.

Me: Yep and banished him to the Black Gates for good.

Naomi Naroom: Good riddance.

Nico: Would you like to join the team?

Brenda Bomb: We would be honored.

Naomi Naroom: Same here.

We left and everyone cheered wildly for us and Dana and Becky were reunited with Brenda.

---

We were in the park relaxing.

Me: Ahh. This is always fun.

Nico: You said it.

Pinkie saw the mascots doing something.

Pinkie Pie: Are you guys going somewhere crazy?

Poromon: Just over there.

We saw a Fortune Teller stand.

Me: Cool a fortune teller stand.

Nico: I hope this one isn't a fake.

Eli: (Concentrates) Nope this is the real deal.

Me: Hmm. Madame Crescentia. Whoa! I've heard about her. She is a really amazing and awesome fortune teller. She is REALLY Good at what she does and that is predicting the future.

Poliwag: Cool!

They went over.

We followed.

The mascots were there.

Pigpen: Can you predict each of the mascots' futures?

Madame Crescentia: Yes I can. Gaze into my crystal ball.

They looked and saw their futures.

Madame Crescentia: Poromon you and Manaphy will be a loving and great family and be great beer makers.

Poromon: That I will love.

Madame Crescentia: Manaphy will also be an amazing gardener to make flavored beers for Poromon.

Manaphy: That is something I've been wanting to do.

Madame Crescentia: Poliwag and Horsea you will be great beer and fish marketeers owning your own beer and fish markets.

Poliwag: Wow!

Horsea: That is amazing.

Madame Crescentia: Tentacool, Mevya and Jirachi you three will own your own metaphysical crystal store. And all you mascots will warn people everywhere about the dangers of the Trailer for Blood and Honey and many movies like it. You wiill succeed in stopping them from airing movies like it.

Mascots: Wow!

Brawl: For a minute, I thought you were a fake

Eli: Don't worry. She isn't. The Force is never wrong.

Madame Crescentia: Thank you all for believing me.

Me: You're welcome. Besides those futures are already coming into fruition which is really cool. But the part where the mascots become advocates for preventing movies like Blood and Honey from coming into the big screen and the world? That is amazing and very guaranteed to happen.

Nico: I agree.

Prowl: What else can you tell us?

Madame Crescentia: I can tell you that when September 11 hits, for 5 days, you'll be fighting Star Trek monsters.

Me: WHOA! This wil be interesting to see.

Nico: Yeah!

With Missy and Jason…

Jason James: Missy, I'll never regret meeting you.

Missy: Me neither Jason. That was an awesome series of adventures. Boy we had a lot of fun taking down Stankfoot's forces and Ronson too.

Jason James: That was awesome. I'll never forget J.D. blowing up that huge rocket and saving the planet.

Missy: I know. That was awesome.

Jason James: Tell me that the Mayor of Gotham Royal York isn't like Ronson!

Missy: No thank goodness she isn't. Mayor Davis is a great and awesome leader.

Jason James: Thank goodness.

Missy: Yeah. Sorry about the mascots making Ellie sick like that.

Jason James: No worries.

Missy: Yep. And we stopped Stankfoot's inhumane experiments.

Jason: Also, you guys helped avenge my parents.

Missy: Yep and got justice for you by killing him. And sending him to the black gates.

Jason: That's for sure. I'm glad you did.

Missy: Also, I decided to wear sneakers that honor you guys.

She had really awesome red shoes on.

Jason James: I'm honored Missy. That is cool.

Missy: It sure is. I like them.

We came back.

Me: Hey guys. Have a nice talk?

Jason James: We sure did.

---

Bomb Burst: (to Poromon and Manaphy) I think you two are gonna make excellent parents.

Poromon: I know we will be great parents.

Me: Aww so cute.

Lola: Yeah.

We later went back to the estate.

Me: That was fun.

Nico: It sure was. I wonder which Star Trek monsters we'll face coming up.

Me: Good question.

Laney: That will be fun.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the evil College Frat Club, Kappa Ets Sigma, and those jerks are causing trouble. When we saw it, we knew it meant trouble.

Lincoln: Oh boy!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the evil College Frat Club, Kappa Ets Sigma, and those jerks are causing trouble.

We gasped.

Me: What?! That evil College Frat club from Grown Ups 2, those assholes! Who do they think they are?!

Nico: A bunch of stuck-up, snooty, preppy, overly-pampered douchebags. Let's head down there and beat those dumbasses into pulp.

Lincoln: I've been saving this in case we got word of another evil College Frat club running loose.

Lincoln typed in a code on his wrist computer on his left gold Bracer, and we then saw something come up: it was a massive collection of bazookas and ammunition consisting of itching powder, paintballs, his newly improved El Mongo Stink Bombs, stinky jockstraps, and many more.

Me: WHOA! Those are a lot of bazookas!

Nico: And look at the ammo he's also got: Itching Powder, paintballs, his newly improved El Mongo Stink Bombs, stinky jockstraps, and many more. Dang, it looks more like we're getting ready for war. (Smirks) Nice.

Sebastian Mendez: I'll also summon demons from Hell to torment them, if you want.

That made the toons freak out.

Nico: Guys, cut that out. Those are also perfect, but I hope you can summon some College Frat demons as well.

Sebastian Mendez: I don't have any associations with those kinds of demons. Stuck-up, pretentious, preppy, overly-pampered shitheads, if I see any of those demons, I'd kill them in a split second.

Me: Also I know that Frat Club. I beat them up years ago for doing all kinds of horrible planks to the town.

Nico: YIKES!

Maria: Just like me and William on our first date! That was crazy!

Nico: Yeah.

Laney: Wow.

Me: So Andy is up to no good!

Nico: Andy? You know him?

Me: Yeah he is a total Jerkass!

I went over his history.

Andy is the main antagonist in the 2013 film Grown Ups 2. He is the co-leader of a college fraternity known as Kappa Eta Sigma along with Milo. He serves as the arch-nemesis of Lenny, Eric, Kurt and Marcus.

He was portrayed by Taylor Lautner, who also played Youngblood in Danny Phantom and Cassidy Cascade in Scream Queens.

Biography

When Lenny and his friends return to an abandoned quarry lake where they swam during their youth, Andy and Milo along with their friends, make them jump into the lake naked. Unknown to them, Marcus' son Braden, and his friends, who were partying with some college kids, witness the incident and vandalizes Kata Eta Sigma's fraternity house. Andy and his gang returned to their house to find it trashed and believe it to be perpetrated by Lenny and his friends.

Seeking revenge, Andy leads the entire fraternity into crashing an 80's-themed village party organized by Lenny and his friends, looking for the culprit of the frat house vandalism and threatening to beat anyone up. Marcus's son eventually confessed to everyone of the said act. After the confession, Andy and the other college kids insult the townsfolk and decide to ruin the party.

A fight begins with the fraternity and the attendees at Lenny's party. Andy fights Lenny and beats him due to his athletic condition. Lenny's daughter Becky gives Andy her stuffed animal who then holds it. The deer who was fond of the stuffed animal earlier in the movie notices the toy in Andy's possession and charges at his groin. With this trick, Andy and Kappa Eta Sigma flee in defeat.

When I was done everyone was shocked and disgusted.

Laney: What a monster!

Nico: What an asshole! I can't wait to smash his face in!

Eli: Me too!

Nico: Don't forget the main characters of the Grown Ups movies.

Me: Right. We're going to watch those movies first and then we'll head out. Luckily they are over at the same college where Maria and William busted those frat kids before.

William: Deja-vu.

Maria: I… didn't know that.

Me: I know. Also Andy is one really NASTY son of a bitch. He has a very nasty reputation and is like Bradley Uppercrust III times 10.

Nico: Oh shit!

Lola:: Not good.

Camie: Big time bad.

The previous group came.

Tala: Can me, Bane, Mercurymon, Avalanche, Titanium Man, Trumbipular, Magneto, Misty Tredwell, Kyd Wykkyd, and Devack go with you guys?

Nico: Yes you all can come with us.

Qin: We're going to watch the movie Grown Ups next.

Titanium Man: (Russian Accent) I love that movie!

Misty Tredwell: (LAUGHS) That movie is funny!

Me: They sure were.

Scowl: Boss, which Gene Slammer do you think you'll meet next?

Nico: Grenade Man next.

Me: Ooh explosive.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed two massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figures were none other than Universe 666 Jeice and Universe 666 Burter, the next two of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent them out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Jeice and Universe 666 Burter, the next two of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent them out to kill us.

We gasped.

Me: Now, he's sending two of them after us?! He's absolutely gone insane!

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Plucky Duck: Why, that bloodsoaked madman, I'll handle those two dopes.

The toons freaked out and did wild takes galore, and our jaws dropped to the floor!

CLANG!

Nico put our jaws back!

Eli: Plucky, are you crazy?!

Daffy Duck: You forget who you're talking about, my student.

Me: That's right.

Nico: The student of Daffy Duck about to take on the Universe 666 versions of Jeice and Burter, this should be good. Alright, gang, let's go, we got an evil College Frat Club to deal with.

Lincoln: We're so going to enjoy beating those jerks to a pulp and send them all off to prison, and once we get done with those jerks, Universe 666 Jeice and Universe 666 Burter, you better be ready.

Plucky Duck: You wiseguys better be ready 'cause I'm coming for you, and I'll make you both pay for serving that lunatic.

TLPS Mr. Wolf: You better not let Jeice and Burter hear that, Plucky.

Sebastian Mendez: He's right, those two like all the others are being used by that asshole and I'm so going to enjoy sending his butt straight to Hell.

Buster Bunny: That place's too good for him, there's only one place perfect for him: The Black Gates.

Nico: He's right, Sebastian. Your Universe 666 counterpart had done a ton of dark crimes like you when you were possessed by your Dark Side, but while he fully embraced the madness that was in his black heart, you didn't. You wanted to be freed from the darkness, and a divine force did just that.

Me: First we'll watch the movies and then head out.

Lola: Yeah. I'll get the popcorn.

Avalanche: What are the names of the main characters again?

Me: Lets see.

I pulled up their info.

We got to watching Grown Ups 1.

---

In 1978, childhood friends Lenny Feder, Eric Lamonsoff, Kurt McKenzie, Marcus Higgins, and Rob Hilliard win their junior high basketball championship. They celebrate at a lake house with their coach Robert "Buzzer" Ferdinando.

Thirty years later, in 2008, Lenny is a wealthy and successful Hollywood talent agent, married to fashion designer Roxanne, and has three children: Greg, Keith, and Becky. Eric claims to co-own a lawn furniture company and has two children: Donna and Bean; his wife Sally still breastfeeds Bean. Kurt is a stay-at-home father and has two children: Andre and Charlotte; his wife, Deanne, is pregnant with their third child; and her mother Ronzoni lives with them. Marcus is a slacker and lothario. Rob is married to his much older fourth wife, Gloria.

When Buzzer dies, the five friends reunite for his funeral in their hometown with their families. Lenny rents the Earnshaw family's lake house for everyone to stay over Fourth of July weekend, though his family is leaving early to attend Roxanne's fashion show in Milan. He pushes his boys to play outside and runs into his childhood opponent Dickie, who claims Lenny's foot was out of bounds when he made the winning shot.

As the friends spread Buzzer's ashes, Rob breaks down over his failed marriages and reveals that he has invited his estranged daughters Jasmine, Amber, and Bridget to visit. The men play "arrow roulette", shooting an arrow straight into the air, and Rob wins by not running for cover, but the arrow impales his left foot, causing him to 'snap' at Gloria from the pain.

Lenny is thrilled to find the kids playing with cup-and-string telephones. Realizing the positive impact the weekend is having on their children, Roxanne tells Lenny to cancel their Milan trip and stay at the lake instead.

Everyone visits Water Wizz where Marcus flirts with Jasmine and Amber after buying them skimpy bikinis, and Eric teaches Bean to drink cow's milk. The families cause chaos throughout the park: the wives attract a bodybuilder, then jeer at his high-pitched Canadian accent; Rob assaults a slide attendant when he insults Bridget, and Eric ignores Donna's warning about a chemical in the pool that turns urine blue. At the zipline attraction, Lenny's group meets up with Dickie, accompanied by his former teammates. One of them, Wiley, is severely injured after crashing into a shed while sliding down the zipline using his feet.

The next day, Rob attacks Marcus, mistakenly believing that he slept with Jasmine, and Marcus admits to feeling insecure compared to his happily married friends. Everyone comes clean about the state of their lives: Roxanne confronts Lenny for canceling their flight to Milan before they left home, and he explains he wanted their family to have a normal vacation and to rein in his children's disrespectful attitudes; Deanne confronts Kurt for spending time with the Feders' nanny Rita, but Kurt retaliates by pointing out how she under-appreciates him; Eric reveals that he was laid off from his job, and was showing off the whole time so the others wouldn't humiliate him; Rob admits what everybody already knows - that he wears a toupee. Gloria helps everyone reconcile, and Lenny and Kurt offer to help Eric start a new business.

On their last day at the lake house, Lenny and his friends agree to a rematch against Dickie, Robideaux, Muzby, Tardio, and Malcolm. The game culminates in Lenny and Greg facing Dickie and his son, but Lenny misses the game-deciding shot. As the families watch the Fourth of July fireworks, Lenny tells Roxanne that he let Dickie's family win to get him off his case and felt that his own family needed to know what losing feels like. A drunken Marcus plays another game of arrow roulette, and the crowd flees in panic. Trapped in a full-body cast, Wiley is struck in the foot by the arrow.

---

Then we got to watching Grown Ups 2.

---

In 2011, three years after the events of the first film, Lenny Feder relocated his family to his hometown of Stanton, where his friends Eric Lamonsoff, Kurt McKenzie, and Marcus Higgins live. Lenny wakes up to find a deer in his bedroom, which wreaks havoc through the house until he uses his daughter Becky's stuffed animal to lure it outside.

Lenny dismisses his wife Roxanne's suggestion that they have another child; Eric worries that his wife Sally is encouraging their children's self-confidence above all else; Kurt gives his wife Deanne a gift for their anniversary, which she has forgotten; and Marcus prepares to spend the summer with Braden, his unknown son, but is intimidated by the teenager, who deeply resents him.

Lenny commandeers his children's school bus from Nick, the unstable driver, and takes everyone to their last day of school. He picks up Kurt and Eric and visits K-Mart, where they are joined by Marcus, who has sent Braden to school. Kurt persuades Lenny to throw a party for the first day of summer, and the friends discuss Lenny's childhood bully, Tommy Cavanaugh. Police officers Fluzoo and Dante escort them to Becky's ballet recital at McDonough Elementary, where Lenny runs into Tommy, who openly threatens him.

As school ends, Kurt's daughter Charlotte agrees to go on a date, Lenny's younger son Keith struggles with his own bully Duffy, and Charlotte and Keith's older brothers Andre and Greg accompany Braden to an abandoned quarry, where they join a college party.

After humiliating their old rival Dickie at the Ice Cream House, Lenny, Eric, Kurt, and Marcus visit the same quarry, where they swam during their youth. There, they are confronted by a hostile college fraternity led by Milo and Andy, who force them to jump in naked from the highest point. Finding their fraternity house vandalized, the frat boys blame Lenny and his friends and swear revenge. Later, the friends take Marcus' van, vandalized by Braden, to Eric's auto body shop, and Marcus inadvertently rolls through town in a giant runaway construction tire.

Lenny learns that Keith is a gifted football kicker, but accidentally breaks his son's leg. Eric apologizes to Sally for avoiding her to spend time with his mother. Lenny becomes suspicious of Kyle's relationship with Roxanne, who is angered by her employee Penny's lifelong obsession with Lenny. Marcus bonds with Braden, Charlotte goes on her date, Andre passes his driving test overseen by Wiley, and Greg succeeds in asking out Nancy, a girl he has a crush on.

Roxanne tells Lenny that she is pregnant, and most of the town arrives for the Feders' 1980s-themed party. Lenny realizes she is not having an affair with Kyle, who has repaired Becky's stuffed animal. He challenges Tommy to a fight, who takes a dive to allow Lenny to look tough in front of his bullied son.

Soon after, the fraternity crashes the party, looking for the culprit of the frat house vandalism, to which Braden admits. When the fraternity members insult the townsfolk, a massive brawl breaks out between them. The partygoers eventually defeat the fraternity, with Andy getting attacked by the deer, thanks to Becky's tactic with her stuffed animal.

Afterward friends Nick and Dickie enjoy a meal at Mrs. Lamonsoff's, reminiscing about their childhood together. Eric's mother reassures Lenny about his new baby, so he returns home to Roxanne and they reconcile, looking forward to their growing family.

---

When it was done we were laughing hysterically!

Xenia: (LAUGHS) THAT WAS FUNNY!

Laney: Yeah that was awesome!

Lola: (LAUGHS) Yeah!

Nico: (LAUGHS) LOVE THOSE MOVIES!

Mr. Boss: Let's go meet them.

Me: Lets go then.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help deal with Kappa Ets Sigma and send them off to prison, and once we get done with dealing with those stupid asshats, Plucky Duck is going to take down Universe 666 Jeice and Universe 666 Burter and break Universe 666 Sebastian's control over them.

We were off.

---

We arrived at the house of Lenny Feder.

Trumbipular: Here we are!

Me: Yep.

We went over and knocked on the door and answering it was Lenny Feder, Eric Lamonsoff, Kurt McKenzie, Marcus Higgins, and Rob Hilliard.

Lenny Feder: Team Loud Phoenix Storm it's an honor!

Eric Lamonsoff: Wow! Awesome meeting you guys!

Rob Schneider: Righteous to meet you dudes.

Me: Same here guys.

Nico: Awesome to meet you all too.

Spring Man: Are your families home?

Lenny Feder: Just us unfortunately.

Qin: Okay.

Marcus Higgins: What brings you all here?

Me: I'm afraid we got bad news.

Lenny Feder: Don't tell me. Kappa Eta Sigma is at it again.

Me: Yep.

Lenny Feder: Good thing my kids are out playing basketball.

Misty Tredwell: Good for them.

Lynn: Your kids are awesome at basketball like me.

Rainbow Dash: And me too. Many of us are all good at sports.

Me: It's true.

Lenny Feder: We saw all your sports games and we saw how good you all are at dodgeball.

Rob Schneider: Yeah you guys rocked it.

Me: Glad you guys love our games.

Lenny Feder: Damn, how are we gonna stop them this time? Last time, we had the entire town backing us up.

Silver Banshee: (Scottish Accent) We saw how that fight ended.

Me: Yeah that was awesome!

Qin: It sure was.

Nico: But this time everyone knows all about the true colors of Andy and his juvenile delinquent friends.

Sheila: Yep. I posted videos of what they did on the internet and everyone now is seeing them for who they really are.

Lenny Feder: But that doesn't change the fact that the entire town is busy at the moment.

Devack: You still got us.

Me: Luckily we're going to thrash them all over.

Maria: Me and William pulverized a Frat Club on our first date and that was awesome.

Lola: Yeah that was cool.

Varie: It sure was.

Aria Blaze: You guys saw how that happened, right?

Laney: We sure did.

Me: Right you guys haven't been told about this.

Maria and William went over the events of chapter 427 and it was awesome.

It starts at the estate in Lori's room. Maria is getting ready for a date with William. Lori and Leni have her in an aqua blue dress with light blue stiletto shoes and a blue hibiscus flower beret in her hair.

Leni: You look totes amazing in these clothes Maria.

Maria: Thanks Leni.

Lori: You and William literally are gonna be perfect together.

Maria: Thanks Lori. How are things with you and Bobby?

Lori: They are literally amazing and I can't wait for our wedding.

Maria: I heard about that from J.D. Congratulations.

Lori: Thank you.

In Lincoln's room, Me and Lincoln were getting William Ready for his date with Maria. William is wearing a red collared shirt with black and orange flames on the bottom and brown khaki pants and sneakers.

Me: Looking sharp buddy. Lets add some of this for good measure.

I pull out a bottle of cologne.

William: Cologne?

Me: It's my dads cologne. He gave me permission to use this.

I spray two squirts on him.

Lincoln: It smells really good J.D.

Me: This is expensive stuff too. It's $150.00 a bottle.

William: I believe it.

Lincoln: Me too. Hair gel?

William: Please.

Lincoln rubbed hair gel into William's hair and made it really nice.

He was ready.

Me: You're all set.

William was ready.

Narrator: Looking sharp William.

Katie: You sure do William. Now let me warn you. You hurt my daughter in any way I will castrate you with my scalpel.

William: Carmen already threatened me a while back. She threatened to burn me if I did.

Katie: Oh. Sorry. Then I guess you know.

They got out of the rooms and William was amazed by Maria's appearance.

William: You look beautiful Maria.

Maria: Thanks Will. You look great too.

Me: Have a good time you two. And be safe out there.

William: We will man. Thanks.

Maria: See you in a few hours.

Lori: Have fun guys.

William: We will.

They left out the door.

Me: There they go guys. Two lovebirds.

Lori: You said it J.D. Isn't love literally the most amazing thing ever?

Lincoln: It sure is Lori.

* * *

William and Maria went to the most luxurious restaurant in the city, The Nitrogen Club at Gotham Park Towers.

Maria and William were having a magnificent lunch/dinner. It was a luxurious one.

Maria: This food is delicious.

William: Thank you Maria.

Maria: So what was your school days like before we met?

William: Well I was enrolled in Kadac Academy in Sceaux, France. It's a superb of Paris, France.

Maria: Interesting place.

William: Yes. It was also the central hub of the Malevolent Supercomputer X.A.N.A.

Maria: I heard that J.D. destroyed X.A.N.A. for good when it tried to attack Royal York.

William: That's right and that was the day we first met him and his friends.

Maria: Wow. I'm glad X.A.N.A. is gone forever and it will no longer terrorize the world.

William: Me too.

Maria: What did you do at Kadac?

William: I was kind of a loner at first. I was kicked out my previous school for posting love letters everywhere. Yumi talked to me and we became friends. There were a few disagreements at first but over time Jeremie and friends accepted me.

Maria: That's a relief.

William: It is. What was your life at school like?

Maria: Before the Big Bang my life at school was decent. I was a straight A student and had dreams to become an Olympic Swimmer. But 2 years ago the Big Bang happened and I was exposed to an experimental biohazardous mutagenic gas. It turned me into pure water and I was a freak of nature. I couldn't stand to look at myself. I was afraid of what my mother would think of me. That is until J.D. and his friends came and I was reunited with my sister Carol.

William: I didn't know Carol was your sister.

Maria: She's not my sister by blood. But our friendship is so strong that we became like sisters. I was reunited with her after a while and she said that she would never look at me any differently no matter what happened to me. That's when I was blessed by the Water Stallion of Tefnut. I was given my humanity back and reunited with my friends and my family.

William: I'm so happy for you Maria.

Maria: Thanks William. I am too.

Later after paying their bill they went out into the city.

---

In the heart of the city it was time for another humiliation session.

Lois: (Muffled) Only two of you today?

Peter: I guess today won't be too severe for us.

William (grins evilly): That's where you're wrong!

Maria (chuckles sadistically): There may be only two of us but that doesn't mean it'll be less painful for you two!

Maria then sensed something deep inside Lois. She looked deep into her eyes and saw a tiny sliver of light that was good. She knew that Lois was completely covering this light because of her evil nature. Her criminal background and past eclipsed it.

Maria: Oh man. (Chants an incantation) Nustrima Kektoymika Hestimorla Nektekta!

Maria fired a blast of water and it entombed Lois in a ball of water and a ball of light came out of her and took the form of another Lois. It was the good Lois. The True Lois. Meg was coincidentally in the area when she saw it.

Lois: What happened?

Maria: I separated you from your dark self Lois. You are now free from your evil self.

Bad Lois: I thought I got rid of you forever you low life!

Everyone gasped when they heard her say that and Lois looked at her evil self and she had a look of rage on her face that would send chills down anyones spines.

Lois: You ruined my whole life and made my own daughter, son and dog hate me!

Bad Lois: And I show no remorse in doing so and I would gladly do it all over again and again and again! (Evil Laughter)

Lois: You monster!

She jumped on Bad Lois and punched her all over her face and she beat her senselessly.

Maria and William grabbed her and restained her.

Lois: Let me go! I will kill her for ruining my life and taking my children away from me!

Maria: Lois you have to calm down! She got what was coming to her through all those pranks and more! Remember?

Lois remembered all the pranks we did and she broke down crying.

Lois: (Crying) I deserved every single one of those pranks! I deserved it all! But this monster is the one responsible for making me abuse Meg for 18 years! She made me turn into the worst mother in the world and I tried to get out, but the darkness was too strong for me to break free! I'm so appalled with everything I've done because of you! Now I'm free and I will reconcile with my daughter and son!

Bad Lois: (Laughs Maniacally) You don't realize that I am the true you and I'm the real you! You don't deserve anything!

Lois punched Bad Lois in the face and kicked her in the stomach.

Lois: You are not me and never will be me!

Maria: Lois that's enough! She'll get what's coming and has been coming to her.

Meg saw Lois lash out against the bad Lois and she realized that Bad Lois was controlling her and making her doing all kinds of terrible things to her. She ran over to Lois crying her eyes out.

Meg: Mom!

Lois: Meg!

They both hugged and cried hard.

William: Poor things.

Maria: Yeah. I can't believe that Lois was taken over like that. I wonder what caused this.

William: It might be past abuse that caused it. I'll go ask.

He went over to the officer that was guarding Peter and Lois.

William: Excuse me officer. Was there any record of past abuse that led to Lois becoming so evil?

Officer: Hmm let me see here.

He looked up Lois' rap sheet and background information and made a major discovery.

Officer: Yes there was! It says here that her father Carter Pewterschmidt abused her and that's what led to it all. Her mother tried to help her but she wasn't strong enough to help her. He tried to kill her several times and torture and rape her.

William: That's awful officer. Before we blew up Quahog, was Carter arrested?

Officer: Yes. He was arrested for aggravated rape, child abuse, torture, attempted 1st degree murder and assault and battery. He got Life Without Parole plus 249 years in a federal prison. Babs was placed in an FBI Protective Custody Program.

William: Well that's a relief. I'm glad he got what he deserved.

Officer: You said it William. But this Evil Lois is a monster completely devoid of any signs of a conscience and she deserves every second of this humiliation.

William: You said it officer. What a monster. But Carter was the driving force behind all this.

Lois: (Crying) It's true! I became a monster because of him! He ruined my life and got me married to that idiot!

Lois walked over to Peter and punched him in the face.

Peter: Ow! Lois why did you do that!?

Lois: You are a brainless and completely selfish alcoholic drunk! You don't care about anyone other than yourself and you shoved Meg's face in your butt and farted in it!

Peter laughed at that.

Then she said the most hated and most awful anger-inducing words anyone can say in a marriage.

Lois: Peter Griffin, (In Slow Motion) I WANT A DIVORCE!

Peter then got angry and the officer tased him and knocked him out.

Officer: I agree with her. If I had a wife like Peter I would divorce her in a second.

Lois: Thank you.

Officer: You're welcome.

Maria: Your evil side deserves to be tormented forever like this.

Maria put rabid ants in Peter's pants and when he woke up he was bitten badly in the butt.

Peter: Ow!

William: Watch this one.

William pulled out a container of liquid nitrogen and poured it in Bad Lois' Pants. She screamed in pain from the extremely cold liquid.

William: FROSTBUTT!

Bad Lois: COLD COLD COLD COLD COLD COLD COLD!

They were laughing at this.

Maria: Watch this one.

Maria brought a bunch of full trash cans and poured them into a kiddie pool and blended it all up into slop.

Maria: Done. Slop is ready.

William: Oh this is gonna be good.

William and Maria lifted the kiddie pool and the officer held Peter's mouth open.

Maria: Drink up.

They poured the whole pool full of slop into and onto Peter and when it was done he was hurling his guts out.

At the Estate we were watching the Humiliation.

Me: They're using Slop? That's too funny!

Luan: It's a Slop-py Predicament. (Laughs to rimshot) Get it?

We all laughed at that.

Me: (Laughs) That was a good one Luan.

Eddy: (Laughs) Good one!

Raven: (Laughs) Slop-py Predicament. I just got it.

Varie: That was funny.

---

Later at the local college they were walking by the main campus.

William: It's the local college.

Maria: Yep. Lori was gonna come here originally. But because of everything thats been happening with the school shootings Lori is now being homeschooled, which is much safer.

William: It sure is.

?: Excuse me?

William: Yes?

Dean Kyle: My name is Kyle Morganson and I'm the dean of the University. I need your help.

William: I'm William Dunbar.

Maria: And I'm Maria Rockell.

Dean Kyle: Pleasure to meet you both. I need your help. Our university is having some major problems with a Fraternity Club in the Frat District on campus.

William: What club is causing this?

Dean Kyle: It's the club Sigma Theta Zeta (ΣΘZ) They've been causing all kinds of problems all over the campus. They have a superiority complex as big as the Sun and we tried to get them expelled but they won't listen. They hate everything and they must be stopped at all costs.

William: You called the right people.

Maria: We'll gladly help out.

Dean Kyle: Oh thank you so much guys.

William: You're welcome Dean Kyle. Lets go.

They went to the Frat District of the campus and saw that the whole district was in chaos. It was described as Anarchy. They saw the frat kids throwing molotov cocktails, destroying cars with makeshift weapons, partying uncontrollably, assaulting others and more.

Maria: This is Anarchy!

William: It sure is. Hey!

The kids saw them.

Frat kid: What are you guys doing here!?

Maria: We were sent by Dean Kyle to stop you Buttfaces!

They laughed at them and Maria fired a blast of water that rammed into a kid and sent him crashing into another kid and a girl and they crashed into a wall of a clubhouse.

William fired a blast of lightning from his blaster at a frat kid and stun a bunch of kids.

William: We really mean business.

Frat kid: Get them!

They all came at them and a savage fight ensued. Maria and William were blasting, punched, kicked, and pulverized the frat kids and knocked them all out. Numerous police cars came and arrested all the Frat Kids. They were all expelled from the university and taken away to prison.

Maria: That was too easy.

William: It sure was.

---

Back at home Maria, William, Lois and Meg came home.

Me: Hey guys. How was your date?

Maria: It was awesome guys.

William: We had an awesome time.

Meg: Mom and me reconciled.

Lori: We saw that on the news. Lois I'm so sorry about what Peter and your former father did to you.

Lois: I know Lori. Thank you for your concern.

Stewie: Lois!

Lois: Stewie!

They hugged and reconciled.

Brian: (glares at Lois) You really think all's forgiven after everything you've done to me, Stewie, and Meg?!

Stewie: Oh, come on, Brian! If we didn't give anyone a chance because they did a lot of bad things, then we wouldn't have formed the Redemption Squad to begin with. Why should Lois be different?

Brian: Because none of us have committed child abuse, Stewie! Heck, some of us were even victims of child abuse ourselves!

Francis: Well, you're not wrong.

Lois: Look, Brian. I'm not asking for forgiveness. And I'm not asking to join the Redemption Squad. But all I'm asking is to be part of the family again.

Brian (scoffs): Whatever. (leaves the room)

Meg: Don't worry, Mom. Brian will come around eventually.

Me: Maybe we can have you prove that you changed Lois and have you show that your evil self was the one that was calling all the shots.

Lois: That's a great idea J.D. I deserved every ounce of that humiliation and it was for the best. But they were all very funny.

We all laughed. We then went to the Michigan State Supreme Court and the judge made the divorce official. Severing the ties to the Griffin's and her evil father and she made Lois Patrice Loud. She was now an official aunt to the Loud Siblings and lives with them. After Carter Pewterschmidt was sentenced, he was killed 6 months into his sentence after we blew up Quahog by fellow inmates. They hated his guts and they wanted him dead.

When they were done those that hadn't heard about it were amazed!

Nico: WHOA! I wasn't with you all when that happened but that is really cool!

Lola: Yeah!

Maria: That was fun.

Wykkyd: Nico and the others also fought Frat Boys when chasing Bertram.

Nico: That was awesome.

Lenny Feder: That is what we remember seeing! Wow! During the Ridonculous Race you had.

Me: That was crazy but cool.

Carol: Yeah no kidding!

Sophie Casterwill: (British Accent) And one of those jerks hit on me!

Larry Koopa: We saw other stuff there that we'd rather not describe.

Lenny Feder:: Is it worse than me and the guys going skinny dipping in that lake?

Nico: UCH! Don't fucking remind me.

Qin: It was terrible!

Me: Nico told me that whole place was a terrible place of Anarchy.

Laney: It was totally out of control.

Lenny Feder: Should I still inform the rest of the town about this?

Magneto: If you want?

Me: Go for it.

Lenny Feder: Okay then.

Lenny did so and it was awful!

Majar: This could end in two ways.

Nico: Please elaborate.

Borth: The town will either hide inside where it's safe. Or like before, they'll help out against the Frat Boys.

Then we heard chanting outside. We heard a bunch of people chanting KILL FRAT BOYS!

Me: I think they just chose option 2.

Nico: Beat up the Frat Boys.

Titanium Man: They made their decision quickly.

Nico: They sure did.

Laney: That was fast.

Leni: In a town this big word spreads like crazy fire.

Lisa Loud: Leni it's Spread Like Wildfire.

Tyrone McGee: But the crazy fire part can still happen.

Nico: Yes it can.

Qin: Shall we gear up and go get them?

Nico: We shall.

We went outside and saw a massive mob armed with weapons, pitchforks and torches lit.

Me: Boy not even dark out and you guys already have torches lit.

Man: Yeah it would be fitting for this.

Roxanne: You didn't think we'd miss out on this, did you?

Mercurymon: Not really.

Qin: Either way, time for us to kick those Frat Boys Fucking Asses!

Mob: YEAH!

Me: LETS GO KICK THEIR FUCKING ASSES!

Mob: YEAH!

Nico: ONWARD!

We were off to the college.

We arrived at the college.

Me: Here we are.

Nico: Fraternity Row ahead.

Konan: Entrance time!

We went at the Frat Club house for Kappa Eta Sigma.

They were partying like no tomorrow.

But then the spirits of the Frat Clubs came and they swirled around them and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion of fire blasted off in front of the building and a phoenix cry was heard and then we came out and so did the mob and then Andy and friends came out.

Me: Okay you motherfuckers! Party's over!

Bane: (Spanish Accent) Oh, I will enjoy breaking you all!

Andy: I will kill you all you sons of fucking bitches!

POW!

I punched him in the face and sent him crashing into his friends.

Me: What's wrong you motherfucking dirtbag!? Witty banter all you got or is your whore of a mother proud that her son turned into a douchebag good-for-nothing son of a fuckup fatass bitch!

ANDY THEN GOT MASSIVELY PISSED AT ME!

He went at me and roared and I punched him in the stomach and kicked him in the face and bashed him in his nose and broke it.

Stewie threw a poopy diaper.

KRASPLAT!

It hit him and he threw up all over his friends.

Kid: AW SICK!

I threw a bunch of molotov cocktails and they hit the friends and burned them all over!

Poromon and Poliwag threw a bunch of beer bottles and they smashed all over the kids and intensified the kids.

Nico: GET THEM BOYS!

The mob went after the Frat Kids and beat the living shit out of them!

Horsea squirted ink into the kids eyes and Manaphy blasted them with energy.

Lynn threw a bunch of basketballs and smashed their faces in.

I saw a parade float of Kappa Eta Sigma.

Me: That their parade float?

Lenny Feder: Yep.

I fired a wave of energy and blasted it to smithereens.

Nico: Nice!

Andy: HEY!

But then NUMEROUS OTHER FRAT CLUBS joined us to help take them down!

Kid 1: We've had it with you guys being jerks and bullies!

Kid 2: Yeah! You guys are finished!

Kid 3: No more! Kappa Eta Sigma has tormented us long enough!

Nico: Aren't all Frat Clubs evil?

Me: Not ALL of them.

Maria: We had a tremendous impact on most frat clubs back during our first date that we made some of them change their ways.

Lola: I remember that.

Me: Boy that is awesome.

Andy: Wait! (Recognizes Maria and William) YOU ARE THE ONES THAT DESTROYED SIGMA THETA ZETA!?

Maria: That's right! They got what was coming to them! Just like you will!

Then ANDY EXPLODED IN RAGE!

Andy: I WILL FUCKING KILL YOU!

Andy then punched MARIA IN HER FACE AND KNOCKED HER DOWN!

William: NO ONE BEATS UP MY WIFE!

Me: HEY! Didn't your whore of a mother teach you that it's not all right to beat up a girl!? Don't you have any fucking chivalry!?

Nico: YOU MOTHERFUCKING JERK!

Carmen: NO ONE BEATS UP MY SISTER BUT ME!

I punched Andy in his face!

Me: I was going to send your ass off to jail, but after seeing that you deserve death and the Black Gates!

Lincoln: They're not worth killing. I got a better idea!

Me: Okay.

Then Multiple Man, Boomerang, Knightbrace, See More, Weather Wizard, Evil Lyn, Gator Ghoul, Killer Croc, Manta Bayarsh, and General Schwarz came.

Nico: Multiple Man, Boomerang, Knightbrace, See More, Weather Wizard, Evil Lyn, Gator Ghoul, Killer Croc, Manta Bayarsh, and General Schwarz.

Boomerang: You sure can!

Me: Yeah!

Knightbrace: They really have no brains!

Qin: No they don't!

See More: (to Nico) We heard you fought a Lady Wifi Clone.

Nico: Yep we sure did.

Weather Wizard: Did she use any gags on you?

Nico: Oh yeah she sure did.

Me: It was crazy!

?: That is crazy!

A figure came out and it was Kugutsukai from episode 30 of Shinkenger!

Kugutsukai targets the Takashiro Academy where he intends to create a puppet army out of the student body. Once he is discovered, he uses his army on the Shinkengers. He is slain by

Super Shinken Blue by striking him from below where the controlled humans can't reach before being destroyed again by the accidentally formed Shinken DaiGoyou.

Yokai Origin

According to folklore, the kosode-no-te (小袖の手) is a yokai that appears as a pair of ghostly hands. The way Kugutsukai moves his hands while he controls humans is thought to be the basis of this legend.

Eli: Kugutsukai! I remember you! You were sent to make a puppet army out of the entire student body from Takashiro Academy and you unleashed in the Shinkengers.

Kugutsukai: That's right Eli. Good memory.

Me: Wow so you're an Unadapted monster.

Kugutsukai: Yep. Darn shame.

Me: I know! That would have been so cool to see in America.

Camie: Yeah!

Jayden: This will be awesome.

Kugutsukai: I would've made for a scary episode!

William: I know! Probably one that wouldn't have been a Halloween episode.

Qin: I agree there!

Me: Yep.

Nico: Lets get it on!

Me: COME ON YOU APES! DO YOU WANT TO LIVE FOREVER!?

We went at them and got the battles underway.

Lincoln fired rainbow energy blasts that tied up the Kappa Ets Sigma club, and he stretched out his massive eleven and long white tails, and we knew what that was going to mean!

Lincoln: FORE!

Lincoln swung his tails and hit the Kappa Ets Sigma frat boys sending them screaming through the air, and they went through a portal that led to the local prison and they were in prison uniforms and right behind bars.

Me: HOLE IN ONE! And another frat club is thrown in the slammer!

Nico: Adios, you stupid douchebags!

Lincoln: Have fun rotting in the slammer. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking those energy signals from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Jeice and Universe 666 Burter, or we will force you out!

Two figures came out, they were other than Universe 666 Jeice and Universe 666 Burter, and like with Universe 666 Broly, their eyes were completely blood red and they had a black and purple aura around them.

Nico: So, Universe 666 Jeice and Universe 666 Burter has arrived.

Buster Bunny: We got to stop them and free them from that leech's control.

Plucky Duck: Then, that's what's going to happen.

Suddenly, Plucky Duck's eyes turned neon orange and he was surrounded by a green energy aura with stars, fire, flames, explosives, ducks, phoenixes, and angels, he unholstered his massive greatsword from his back, and as he approached Universe 666 Jeice and Universe 666 Burter, he left green energy, stars, fire, flames, explosives, ducks, phoenixes, and angels with every step.

Plucky Duck: I should've known that madman would start sending you two to come after us after what has been happening, now we're going to take you two down and free you from that lunatic.

Suddenly, Plucky Duck was surrounded by a massive vortex of green energy with stars, fire, flames, and explosives surrounding the vortex, there are ducks, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with blue eyes gazing at Universe 666 Jeice and Universe 666 Burter: the eyes of salvation. Then, as the vortex faded, Plucky Duck emerged, but he was changed forever.

Plucky Duck grew to 8'3" in height, he now has abnormally massive and powerful upper and lower body muscles grew even bigger and eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large green orbs orbiting around his legs, he has orang highlights in the bangs of his full head of long green going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon green eyes and a green energy aura with stars, fire, flames, explosives, ducks, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a duck with a mallet in its wings emblazoned on his forehead and Third Eye with orange iris, he has on his Crystal Necklace of The Buddha with green gems on the gold flame links and green crystal links and a green duck-shaped Element of Harmony and on the bottom of the orange duck-shaped Element of Harmony is a duck with green gems for eyes and the Fire, Star, and Eternity Kanjis in its flippers for the pendant and he has on a white and gold accented choker on his neck, he has on a white tank top, pair of large black pants with green flames on the legs, black knee-high boots with flame buckles and long white sleeveless trenchcoat with stars, fire, flames, explosives, ducks, phoenixes, and angels on the coattails and on the back is a phoenix, angel, and duck and on top is the Warner Bros. logo with stars, explosives, and fire surrounding the phoenix, angel, and ducks. Suddenly, Plucky Duck felt a sharp pain on his now wider and more muscular back, and then, massive green angel wings with orange tips on the green feathers grew and sprouted out of his back. Plucky Duck has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on his right ring finger and Orange Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Plucky Duck's massive Sword of The Next Generations of Looney Tunes and all of the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, stars, fire, flames, explosives, ducks, phoenixes, and angels, and when it emerged, it was transformed into Plucky Duck's Inheritor of Daffy Duck's Legacy Explosive Comedic Firestorm Screwball Duck Angel Greatsword of Legendary Looney Tunes Explosive Comedic Firestorm Screwball Duck Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the silhouette of Daffy Duck etched on the 7'9" massive, wide, double-edged green blade, large green duck heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in the foreheads, longer midnight black handle, four large green duck heads with orange gems for eyes and in their open mouths and on the bottom of the duck heads is a large green duck head with orange gems for eyes and in its open mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large green gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, new large gold Belt of Elemental Bravery with a gold duck head with orange gems for eyes and large green gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. We were amazed by Plucky Duck's Super Angel-Acme Next Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Jeice and Universe 666 Burter saw it, they fired energy blasts at Plucky Duck, but Plucky Duck fired a massive barrage of green energy, stars, fire, flames, explosives, ducks, phoenixes, and angels which hits Universe 666 Jeice and Universe 666 Burter and they exploded, they got back up, but now, they were enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Plucky Duck did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Plucky Duck: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Legacy Fire Explosive Screwball Duck Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Legacy Fire Explosive Screwball Duck Angel Greed) That's only the beginning. Now, let's do this!

Plucky Duck went after Universe 666 Jeice and Universe 666 Burter, and he fired extremely powerful blasts of green energy, fire, flames, explosives, ducks, phoenixes, and angels at Universe 666 Jeice and Universe 666 Burter, and they exploded with incredible power as they hit them. Then, he attacks them with his massive greatsword and left scars on them.

Daffy Duck: Whoa, this is really incredible!

Buster Bunny: Plucky's tearing them apart.

Sebastian was about to attack in his Demon Angel Mode, but he wound up getting hit in the stomach by Buster and sent flying into a coffin of spikes which closed shut, and he came out and had bleeding wounds which sealed up and his clothes repaired.

Plucky Duck threw two bombs at Universe 666 Jeice and Universe 666 Burter which exploded and knocked them out cold, and then, they were bound with more chains of light by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Jeice and Universe 666 Burter and removed every trace of the poisonous darkness that infected them, and they were restored and sent to Good Luthor. We all cheered wildly as Plucky Duck holstered his massive greatsword on his back and powered down, and Plucky Duck's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive green angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's two more freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, there's no telling what other nasty surprises that Universe

666 Sebastian had on them. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Akira Satonaka, the Heatwave Gene-Slammer, Eri Satonaka, the Minerva Gene-Slammer, Fujiko Satonaka, the Prowl Gene-Slammer, Haruka Satonaka, the Chase Gene-Slammer, Ichigo Satonaka, the Red Alert Gene-Slammer, Juri Satonaka, the Blades Gene-Slammer, Kimiko Satonaka, the Strongarm Gene-Slammer, Megumi Satonaka, the Boulder Gene-Slammer, Naruko Satonaka, the Trench Gene-Slammer, and Ranko Satonaka, the Lifeline Gene-Slammer.

Chie Satonaka: (GASPS) My sisters?!

To show thanks for saving him, Lincoln made the Satonaka Sisters beautiful necklaces, and to show thanks for the necklaces, they each kissed

Lincoln on the lips. As a result, he promised that when he comes of age, he will marry Chie Satonaka and her sisters along with the rest of his harem. they hate the jerks with a blazing passion especially Pablo and Anderson and Hawk and Hank.

Nico: We already got rid of Hawk and Hank last year, so Chie's sisters will have their fun beating the crap out of Pablo and Anderson, along with the other jerks.

Lincoln: And I've seen how fierce Chie's sisters are when it came to beating down bullies.

Evil Lyn: Nice shot, Lincoln!

Lincoln: Thanks!

Qin: That was cool!

Maria: Wow! That's better! Thanks Nico.

Nico: Anytime.

Me: But either way, Andy got what was coming to him.

Laney: Yeah that jerk.

Nico: Okay, so we didn't kill him. I still hope he loses his penis in prison!

Me: Oh Nico don't worry about that. I had him get his manhood chewed off.

Nico: Really?

I pulled out a photo of Andy getting his manhood chewed off in a tank full of piranhas! The water is red with his blood because of it!

Nico: NICE!

Qin: (LAUGHS) Those fish are hungry for him!

WE LAUGHED!

Nico: (LAUGHS) Yeah!

Horsea and Nico kissed Maria on the forehead.

Maria: Thanks guys.

The mascots were drinking beer like crazy.

Me: Boy the mascots sure love Oktoberfest.

Xenia: Mostly because of beer.

Qin: Yeah they sure do.

Laney: No kidding!

Camie: What is Oktoberfest normally for?

Me: It's a big annual beer festival and carnival that they have here in Germany. It's really fun for them.

Camie: Wow. The mascots are in heaven.

Lola: (LAUGHS) They sure are.

Poromon: This is our beer! Get your own!

Me: Now Poromon there's enough for everyone here. Germany is known for having TONS of it.

Xenia: Yeah.

Lola: And they have more than just beer here.

Me: Yep.

Lana was eating the Red Cabbage.

Lana: Mmm! (Eating) Love the red cabbage.

Laney: At least Lana's eating her vegetables.

Lola: That's true.

Nico: That's good for you.

Lana: It sure is. I'm now eating my vegetables more often and doing good.

Me: You sure are. Also believe it or not Lana likes Brussel Sprouts.

Nico: Does she really?

Me: Sounds fucked up I know but she is a good girl doing that.

Laney: Yeah and Jared loves ALL vegetables no matter how gross they are.

Me: Yeah that's my son.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and

J.D., this is one you are so not going to like one bit: we got word that a clone of Tyrian Callows is here on Remnant, and that monster is causing havoc.

We gasped, and I drank a cup of water and did a spit take and sprayed water on a nearby tree.

Me: WHAT!? A clone of that crazy fucked-up monster is here?! (GROWLS LIKE A SAVAGE WOLF)

Nico: Okay, now that fucked-up lunatic has really crossed it once again!

Lincoln: He sure has, and since we got a clone of Tyrian Callows here,

Lincoln called the rest of the team, and they arrived.

Lori: We heard everything, and we're ready for her.

Lincoln: Without a doubt. (Sensed for the Tyrian Callows Clone) AHA! Gotcha! I just spotted the clone of Tyrian Callows, he's 20 yards away and he's already causing havoc.

Nico: Let's head on over and trash that clone.

Lincoln: Yeah!

Camie: Remind me again. Who is Tyrian Callows?

Me: This is a guy who is really fucked up to the core.

I went over his history.

---

Tyrian Callows is a major antagonist of the American animated webseries RWBY. He is a serial killer and a member of Salem's Faction. He is the archenemy of Qrow Branwen.

He was originally voiced by Jessie James Grelle from Volumes 4 to 8, who also voices Demigra and Yukiteru Amano, however due to

Jessie refusing to continue working with Rooster Teeth after it's controversy, it is currently unknown who will take over the role.

## Past

In the past, Tyrian was a known serial killer who killed people across Remnant. He was eventually arrested, but his transport to prison was attacked by Grimm and he escaped. Likely as thanks to the Grimm's leader Salem, Tyrian swore allegiance to her and regarded her as his queen.

## Volume 4

In "The Next Step", Tyrian attends a meeting at Salem's Domain along with Watts, Cinder and Hazel. Tyrian encourages Cinder to seek revenge on Ruby Rose for the loss of her left eye. Salem later orders Tyrian to continue his search for the Spring Maiden. However, upon hearing Cinder's concern about Ruby, she reassigns him to track Ruby down and bring her back alive. Tyrian promises to take one of Ruby's eyes for Cinder before bursting into maniacal laughter.

In "Menagerie", Tyrian arrives at Higanbana and asks a waitress for information on Ruby's whereabouts.

In "Tipping Point", Tyrian intercepts Team RNJR at Oniyuri and attacks them. When questioned about who he is, Tyrian tells them that his name doesn't matter and he's only interested in Ruby, whom he declares will be coming with him. During their fight, Tyrian reveals he is a scorpion Faunus, which makes Ruby question if this is about the White Fang or Roman Torchwick. Tyrian calls them nothing but pawns and states that he only serves his "goddess". Despite Team RNJR's efforts, Tyrian easily defeats them and incapacitates Ruby. However, before he can strike her with his stinger, Qrow Branwen intervenes and blocks the attack.

In "Punished", Tyrian has a quick talk with Qrow before engaging him in battle. Ruby attempts to rejoin the fight despite Qrow's warnings and Tyrian knocks her into an unstable building; causing Qrow to come save her from falling debris. Tyrian takes the opportunity to strike Qrow across the abdomen with his stinger;

poisoning him. However, Ruby severs Tyrian's stinger from his extended tail with Crescent Rose, causing him to scream in pain. Surrounded and too injured to continue fighting, Tyrian flees the area, hoping Salem will forgive him for his failure.

In "Taking Control", Tyrian returns to Salem's Domain and grovels before Salem. He tells Salem that though he failed to retrieve Ruby like she asked, he managed to poison Qrow and remove him as a threat; asking if he's still pleased her with this action. Salem nonetheless expresses disappointment in Tyrian, causing him to break down into tears and bawl. When a nearby Beowolf attempts to attack him, Tyrian viciously kills it before taking his grief out on its corpse; stabbing it repeatedly as his cries turn into maniacal laughter.

Volume 5

In "Dread in the Air", when Salem hears that Qrow is alive and well, she orders Cinder to summon Tyrian to her conference room so that she can "have a word with him".

Volume 6

In "So That's How it Is", Tyrian returns with a new mechanical tail made by Dr. Watts. He mocks Hazel, Mercury Black, and Emerald Sustrai on their defeat at Haven Academy, enraging Emerald when he mocks the supposed death of Cinder. She threatens him and cuts his face, but he only laughs manically. He later attends a meeting called by Salem, where he offers to stop the Beacon students from delivering the Relic of Knowledge to Atlas. However, Hazel reveals that Ozpin is still alive, prompting Salem to dismiss Tyrian and the others before unleashing her rage.

In "Lost", Tyrian gives Emerald and Mercury some advice about how far they want to go, before telling them that he and Watts have been assigned to a special mission to go to Atlas.

Volume 7

In "A New Approach", Tyrian and Watts have a brief argument via earpieces. Tyrian expresses worriment that he and Watts will be recognized by the Atlas security. Watts reassures him by telling him the security code in Mantle is outdated, allowing the scientist to hack the security cameras, and allowing both men to walk freely.

In "Ace Operatives", Tyrian corners Forest in an alleyway. Forest asks who the scorpion Faunus is. Tyrian responds to the question that he's someone like him, someone who wants to mix things up around Mantle. Afterwards he proceeds to kill Forest.

In "A Night Off", Tyrian and Watts sabotaged Robyn Hill's victory party. With Watts cutting the power and altering the security camera footage, Tyrian was free to kill as many of Robyn's supporters. He attacked Fiona, Robyn's right-hand woman, and then made his escape. With Tyrian gone, Watts switched the lights back on. The survivors of the ordeal seeing Penny on the stage with Robyn, they quickly placed the blame on her.

In "As Above, So Below", Tyrian drops down from the rooftops. He and Watts watch as the citizen of Mantle riot and loot the stores as well as destroy the paladins.

In "Out in the Open", Tyrian and Watts watch Ironwood and Robyn Hill expose the truth about the recent murders and their plans to divide the people of Mantle. Watts looks at the schematics in making Amity Colosseum a communications tower, and is dumbfounded how those plans had gotten past him. Tyrian becomes enraged that their plans failed. Watts goes to sabotage the colosseum, Tyrian is sent to create more tension and chaos in Mantle. Later, Tyrian corners Robyn in an alleyway, dodging, and catching her crossbow bolts. Tyrian charges at Robyn, but is interrupted by Qrow and Clover.

In "Gravity", after Clover tell Tyrian he is under arrest, he begins to cackle insanely. In response, Qrow charges at him. Tyrian blocks and counters their attacks. With Qrow fighting on the offensive, while Clover, and Robyn providing support. They quickly overwhelm Tyrian, which causes him to burst out into maniacal laughter. Robyn shoots a crossbow bolt at him, he catches it in his teeth. Suddenly, the bolt explodes, dazing him, and depleting his aura. While on the ground he chuckles at Robyn as she approaches, she then kicks him in the head, knocking him out. Much later, during the time Ruby is exposing Ironwood's plan to her companions, Tyrian is seen on the bullhead airship, tied up, and sitting next to Clover, Robyn, and Qrow.

In "With Friends Like These", after hearing Ruby exposing Ironwood's plan to abandon Mantle. On everyone's scrolls, a warrant is out for team RWBY's arrest, including Qrow. Robyn becomes enraged at Clover for following Ironwood's orders. As tensions between Clover, Qrow, and Robyn rise. Tyrian bides his time and waits for them to attack each other. Qrow tries to de-escalate the hostility, but his pleas fall on dead ears. Robyn fires a bolt at Clover, but the latter blocks it. Tyrian is accidentally freed by Clover's fishing hook, he sneaks off, kills the pilots, and sabotages the controls of the manta.

As Qrow and Clover begin to fight one another, Tyrian "regains" consciousness. He removes the bolas from his wrists by dislocating his thumb, then popping it back into place. The two stop for a brief moment, but Tyrian interjects and tells them not to stop on his account. Qrow angrily responds to his second opponent and charges at him. Tyrian, Qrow, and Clover fight one another. Qrow angrily claims he and Tyrian have a score to settle, Tyrian calmly agrees. Tyrian then suggests they "put the kid to bed before they finish it." Qrow agrees to the serial killer's suggestion and the two go after Clover.

During the fight between the three, Tyrian and Qrow gain the upperhand, Qrow loses his sword, but goes in and punches Clover in the stomach. His punch causes Clover's aura shatters. Qrow demands why he's following Ironwood, Clover responds he owes the general his life. His life his cut short when Tyrian runs Qrow's sword through the leader of the Ace-Ops' back. In mock sympathy, Tyrian tells Qrow it doesn't look like Clover is going to make it. Enraged, Qrow screams he is going to kill Tyrian. The scorpion Faunus sadistically responds just like the way he killed Clover. Tyrian tells Qrow their score will have to wait and leaves Qrow and Robyn to the authorities.

Volume 8

In "Divide", Cinder returns to Salem with Neo and with the Relic of

Knowledge in their possession. Cinder takes all the credit for stealing the Lamp from Ironwood, Tyrian steps out from the shadows, insulting the Fall Maiden, telling her she isn't cunning, but that General Ironwood is an idiot. Cinder retorts, telling him that he and Watts were both outsmarted by the General. She sarcastically tell him it's a shame that Watts never made it back. Tyrian states the doctor was a necessary sacrifice and hopes that Neopolitan isn't another. Salem asks Cinder who her new partner is, upon which Cinder answers her master, stating that Neo is a valuable asset. Moments later, Hazel, Emerald, and Mercury arrive. Emerald sees Cinder and starts to run towards her, expressing relief she's ok, but Cinder chastises her subordinate. Tyrian proceeds to insult Emerald, saying she shouldn't put her faith into someone so incompetent. The Faunus proudly exclaims while he and Watts were causing strife and chaos amongst the citizens of Atlas, Cinder was merely atoning for her past failures. Cinder states Penny had gotten in her way during her personal mission in stealing the Winter Maiden powers, and says she will take what is hers. Salem then demands Cinder to know her place, and while she is more valuable to her than a pawn, she is not a player in this game. Salem waves her hand, and her subordinates immediately leave.

In "Midnight" Tyrian shows Salem (via scroll) texts that state that Arthur Watts has managed to hack Penny while kneeling before Salem (along with the rest of her subordinates). He gleefully watches Salem briefly torture Cinder via her Grimm arm and then watches Hazel slam Oscar into the ground of the Monstra, after Oscar declares that aiding Salem in her plans will "bring about the end for all of them".

In "War", Tyrian happily debunks Mercury Black's argument that "Salem is not ending the world" after overhearing Emerald and Mercury's conversation, and states that her destructive intentions were obvious, before leaving with Mercury to go to Vacuo under Salem's orders.

When I was done everyone that hadn't heard about it was shocked and horrified!

Sakura Knudson: This guy is really fucked up in the head!

Me: That is an understatement!

The mascots kept drinking beer.

Nico: Get as drunk as you can. The asshole can't possibly match that.

Me: That's right.

Qin: We faced Tyrian after the Great War With the Royal Defenders and it was epic.

Me: Yep.

Nico: He reminds me of Scorpion only more crazy!

Me: Yeah. He's more like a combination of The Joker and Scorpion combined.

Nico: Well maybe not that far.

Qin: Yeah.

Lincoln: Lets go get him then. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Eli: Nico I am REALLY CLOSE to wanting to kill Flip right now!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into

Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Tyrian Callows clone.

We were flying, and then, we saw the Tyrian Callows clone causing havoc and he was laughing like the fucked-up lunatic he is.

Lincoln: There he is. J.D., let's get him together.

Me: Got it.

Lincoln unholstered his massive greatsword and his angelic and demonic greatswords appeared at his sides and I unholstered my massive greatsword. Then, he and I went at the Tyrian Callows clone, and we slashed him with our massive greatswords and Lincoln's angelic and demonic greatswords also slashed the Tyrian Callows clone.

---

Nico: WHOA! Dang, you guys are seriously tearing him apart. Save some for the rest of us.

Lincoln and I kicked the Tyrian Callows clone away as the rest of the team landed and the Tyrian Callows clone was still laughing like the insane fucked-up monster he really is.

Me: Even if he is just a mere clone, there's no mistaking that fucked-up laugh from anywhere, and I've had enough of him to last a fucking lifetime.

I went over to him.

Me: Tyrian Callows, Prepare to die!

Tyrian Callows: (LAUGHING LIKE A FUCKED UP LUNATIC!)

Nico: He is still just as fucked up as ever!

I snapped my fingers and we were on the planet Glaren for safety.

Did I just…?!**

Nico: (AMAZED BEYOND MEASURE) You sure did, you ascended even more just like Lincoln!

Eli: (AMAZED BEYOND MEASURE) SO INCREDIBLE! BIG BRO'S NOW EVEN STRONGER THAN EVER!

Vince: WOW! Way to go partner!

Hunter: (German Accent) Mein gott! You look amazing!

Nico: Wow! How do you feel J.D.?

Me: **In a word? Incredible.**

Varie: Oh… my… God! J.D., you now look (EXTREMELY TURNED ON) SO MUCH MORE SEXIER AND AWESOME!

Camie: (EXTREMELY TURNED ON) HE SURE IS MUCH MORE SEXIER!

Lincoln: Uh oh, you've got your harem extremely turned on now, J.D.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) (Smirks) **Tell the ladies to keep on watching. You ready, Lincoln?**

Lincoln: (Smirks) Let's trash that fucked-up asshole.

Tyrian then sniffed something and saw the mascots drunk.

Tyrian: (laughs) Now, it's getting interesting!

POW!

I punched Tyrian square in the face with devastating force and smashed him into a rock and he landed and was holding his face in sheer pain!

HE SCREAMED IN A LOT OF PAIN!

Nico: WHOA!

He then lifted his face and his nose was broken and he had blood dripping from his face!

Me: **Aww did I damage the fucked up lunatic's pwetty wittle face?**

Tyrian Callows: WHY YOU! I WILL EAT YOUR BRAINS FOR DINNER!

He went at me and slashed and kicked and punched at me and I was dodging his strikes with very little effort and they were missing me by a mile!

He then punched me in the face!

POW!

But surprisingly the punch didn't even make me flinch or even get me to move!

Tyrian gasped in shock!

Me: **Is that all you are made of? You are really pathetic.**

I punched Tyrian in the stomach and kicked him in the face and smashed him into the ground and then I teleported and kicked him in the back with devastating force.

I smashed him in the ground.

Me: Boy this power is amazing.

I saw Tyrian on the ground.

Me: **Hello? Are you napping? Because I could have sworn that you said something about eating my brains for dinner.**

Tyrian Callows laughed maniacally and then went at me more.

I stopped him by putting my finger to his forehead as he came at me.

Poromon puked on him and drenched him in vomit.

Me: **Okay that's funny.**

I kicked Tyrian in the face and he went to Nico who kicked him in the back and smashed him down.

Me: **Aww feeling a little sore are we?**

Manaphy puked on him.

Me: **Seeing the mascots puke on him is really funny.**

I then teleported and grabbed Tyrian's leg and smashed him into the ground on both sides.

KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH!

I then hurled him into a mountain and it fell on top of him!

SMASH!

Nico: That did it.

Lincoln: Don't think so. Not yet.

But then TYRIAN EXPLODED OUT OF THE RUBBLE IN MASSIVE AND INCREDIBLE FURY! HE WAS REALLY MAD NOW! HE WAS LAUGHING LIKE A FUCKED UP LUNATIC TIMES 500,000,000,000!

I smirked.

He went at me and I kneed him square in the stomach and kicked him in his face and smashed him down.

Laney: Wow! J.D.'s power is absolutely incredible!

Tyrian Callows: (GROWLS IN EXPLOSIVE RAGE) I HATE YOU!

His hate flared up my power with intense fury.

Me: **You hate the fact that you are now completely powerless to stop me. That you are completely outmatched and outclassed in every way. Well imagine feeling the way you do now all of the time like you did to the people of Remnant. You motherfucking asshole fool! How do you think all those people you killed felt when you killed them all without showing one sense of reason or remorse! Well now it's your turn. I hope you enjoy it!**

I teleported and kicked him in the face and knocked him into the ground!

Poliwag puked on him.

Lola: That's funny!

I then flew at him and kicked him in the face and fired waves of Rainbow Energy and blasted him all over the place with intense power.

He got up and went at me and I dodged more of his attacks and fired waves of Fire and burned him all over and then fired waves of Ice and froze his feet to the ground and then fired waves of Water and drenched him and then blew him around in a tornado with Wind and then I fired Lightning and electrocuted him.

Nico: WHOA! His power over the elements is amazing!

Horsea puked on him.

Nico: That is funny.

Tyrian was really getting mad!

He went at me and I punched him in the stomach and then I teleported and kicked him in the back of his head and kicked him into a rock wall.

Me: **Pathetic.**

Tyrian Callows got up and he was REALLY OUT OF HIS FUCKING MIND NOW!

Tyrian Callows: (LAUGHING INSANELY) YOU ARE JUST A PATHETIC BEAST COMPARED TO ME!

Me: **I would rather be a brainless beast than a heartless motherfucking monster, LIKE YOU!**

Tyrian Callows: YOU ASSHOLE! (LAUGHS INSANELY AS HE WENT AT ME)

I ducked under his punch and then…

KRABLAMM!

I punched him in his stomach with devastating force and he belched up a huge amount of blood and landed on the ground in pain and then I kicked him in the face and sent him flying and then teleported and bashed him in his back and kicked him in his face and punched him in the face again!

I teleported and bashed him down.

All the mascots puked on him at the same time.

PUKE FLOOD!

Luna: (FAINTS)

FWOMP!

I kicked Tyrian in his face and sent him crashing into a rock.

Poromon: (Slurred Speech) You are the most lovely freak ever.

Manaphy: (Slurred Speech) Hope you love talking as much as making love.

Horsea: (Slurred Speech) Ruby and friends make great partners for us in this.

Poliwag: (Slurred Speech) You make me wanna retch. (BARNEY BELCH)

I kicked Tyrian in the face and smashed him into Eli's fist.

Eli: Take that!

Eli then grabbed Tyrian's stinger and ripped it out and he screamed in pain!

Eli: I think Tyrian could use a little mouth to mouth.

Tyrian got horrified as Poromon leaned in for a kiss!

[Ed pinches Tyrian's nose and opens Tyrian's jaws.]

Tyruan: [scared] What the?

Edd: "Inhale, Poromon."

[Poromon inhales deeply and descends upon Tyrian.]

Edd: "And blow."

[Poromon exhales the full stink of his beer breath into Tyrian's mouth and lungs.]

Tyrian: "DISGUSTING FREAK MASCOT GERMS!" [gags]

EVERYONE LAUGHED HYSTERICALLY AT THAT!

Manaphy: My turn!

She and Poliwag, Horsea, and Tentacool fired streams of water into his mouth and puffed him up like a balloon!

Nico: OKAY THAT IS FUNNY!

May: Was that a kiss?

Nico: Water inflation. I think that's funny.

I then jumped on Tyrian's bloated body and he threw up all the water all over May!

May: (SPITS)

Me: **That was funny.**

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, as he joined me and so did the rest of us.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even if you're just a clone, you are done causing havoc once again, Tyrian Callows. Now, we're going to end your miserable fucked-up life here and now!

Lincoln and I went after the Tyrian Callows clone who was still laughing like the fucked-up monster he is, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the Tyrian Callows Clone, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Tyrian Callows clone even more insane and straight to the brink of insanity.

Tyrian Callows Clone: (LAUGHING INSANELY) I WILL ENJOY SKINNING YOU ALL ALIVE AND I WILL PRESENT YOUR HEADS TO MY MASTER!

The Tyrian Callows clone went at us mad with rage and insanity as we saw a black and dark purple aura form around him: we knew all along it was the Infernal Darkness of Universe 666 Sebastian that had given him life. Sebastian fired blasts of Divine Darkness which hit the Tyrian Callows clone, and he lost the additional dark powers that lunatic gave him.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your master is even more fucked up than you are, Tyrian!**

Qin: That's right!

Qin fired waves of fire and blasted him all over.

Manaphy: I wanna kiss him next!

Manaphy flew and I kicked him down and Manaphy kissed him full on the mouth.

Manaphy: (SPITS) YUCK!

Horsea did too.

Horsea: (SMOOCH)

Tyrian spit all over!

Poliwag: Me too! (SMOOCH!)

Tyrian spit all over!

Me: **Time to end this!**

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And he'll also die a horrible death for his crimes too. Now, time for you to say farewell. PARASITIC SYMBIOTE ENERGY DRAIN!

Lincoln fired tentacles of symbiote goo with mouth-like suckers, and as they latched onto the Tyrian Callows clone, Lincoln began sucking out and absorbing his energy and assimilating his powers as streams of blue energy were being sucked out of the Tyrian Callows clone and flowing into Lincoln and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, as Lincoln sucked out the last of the Tyrian Callows clone's energy, he was now absolutely weak and drained of energy.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Now, to finish you off for good. CONFLAGRATION OF YIN AND YANG!**

I formed orbs of black and white energy and sent them right at the Tyrian Callows Clone, and when the orbs touched him, the orbs immediately destroyed him in a fiery explosion and he sent the clone's spirit to The Black Gates. Everyone cheered as Lincoln and I holstered our massive greatswords on our backs and powered down, and my new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long rainbow wolf tails, and massive elemental angel wings are permanent.

Me: Whew, now that's I call an awesome rush!

Lincoln: No kidding, but, I was absolutely stunned by what we just saw.

Nico: Me too. (Looks at my harem) Uh, J.D., I'd brace yourself if I were you, your brand-new ascension and body transformation has really turned on your harem even more.

Suddenly, I was pounced on by my harem and they kissed me all over the place, and when my harem got up and off, I had an atomic red blush on my face, massive and muscular body, and eight-pack abs, I had steam whistling out of my wolf ears and normal ears, and my pupils turned into hearts.

Me: (In Heaven) That… was… so… awesome!

Then, I got back up.

EVERYONE LAUGHED HYSTERICALLY AT THAT!

Nico: Alright lets get the mascots back to normal.

Me: Right. (SNAPS FINGERS)

They were back to normal.

Poromon: (GROANS) That heard.

Me: That was fun though.

Nico: Yeah.

Qin: Yeah it was!

Nico: Okay. So maybe we can't kill 666 Sebastian yet. But can I at least throw a stink bomb at him?

Sebastian Mendez: Go for it.

He opened a portal and threw an EL MONGO STINK BOMB THROUGH IT!

Universe 666 Sebastian saw it.

Universe 666 Sebastian: What the?

But then…

EXPLOSIVELY LOUD MASSIVE FART!

HE SMELLED LIKE A MASSIVE PILE OF GARBAGE COMBINED WITH ED'S FEET TIMES 100,000,000,000,000!

The portal closed and then we heard Universe 666 Sebastian roar in fury!

Nico: There!

Qin: (LAUGHS) That was funny!

Eddy: Nice move Lumpy!

Nico: Yeah!

Laney: Ed's Stinky feet really will make him hurl!

Camie: Big time.

Nico: The four of you have earned a reward.

Poromon: Really? What is it?

Poliwag: Yeah tell us.

Manaphy: Yeah!

Nico: You get to watch the Estate while we got to the mall later.

Mascots: YAY!

Me: WHAT!? But Nico don't you remember what happened the last time they watched the estate while we were away?

Laney: Yeah they threw that unauthorized party.

Manaphy: Actually, me and Horsea weren't involved.

Laney: Oh right.

Me: But still Nico don't you remember?

Megan: That was actually Buzz's idea. Which he took responsibility for.

Me: I know that.

Nico: And besides they have more than earned it. I understand your concerns and you worry this might happen again but believe me they learned their lesson from that.

Qin: Yeah you're right.

Me: Well okay then.

Poromon: I honestly don't think a party that awesome can be thrown again.

Buzz: But if it makes you guys feel better, I'll go with you guys to the mall to be safe.

Nico: That works.

Eli: Yeah.

Mr. Krabs: But let me give ye 4 a warning. While we're away we better not have been Shanghaied and ye had a party! So if we see even one thing out of place, or anything out of the ordinary, I'LL HAVE ALL 4 OF YER REAR ENDS CUT OFF AND MOUNTED OVER THE FIREPLACE!

Mr. Krabs held out 4 trophy plaques with the mascots names on

them!

Nico: I was about to say that.

The mascots screamed holding their butts.

Lily: GEEZ! SpongeBob and Patrick had that same threat done on them before.

SpongeBob: Yeah we were tasked with painting Mr. Krabs' house and he had a lot of amazing stuff. But we got it done and ended up getting a tiny drop of pain on his first dollar by mistake.

Lily: I remember that.

Nico: Geez.

Patrick: And we were warned that if we got paint on anything Mr. Krabs would cut our butts off.

SpongeBob: And mount them on his fireplace like hunting trophies.

Me: Geez! Without your butt how would you go to the bathroom?

Nico: Yeah.

Mr. Krabs: Well you got me there. Maybe cutting off someone's rear end is too much.

Me: Yeah.

Maria: The mascots did a good job watching the Estate before. Remember the day before the Cutie Mark Crusaders' big mission?

Me: That's right they did do that. And they did a great job back then.

Lola: Yeah.

Lincoln: As long as they don't invite anyone over.

Me: Yeah.

Qin: That is true.

Me: Anyway lets focus on the matter at hand now. We got the anothers to face.

Laney: Right!

Nico: And the Anothers are?

Eli: Lets see. (Concentrates) WhoA! These are interesting. We have Another Saint Trinity the Evil Nun, Dunkleosteus, Ocean, Edge, Ivy, Opabinia, Mermaid, Unicorn, Pangaea, Archelon, Noodle, Octopus, Brachiosaurus, Nightmare, Anomalocaris, Joker Dopant, Pisces Zodiarts and Aqueduct

We gasped!

Me: WHOA! Those are all mostly Dopants we faced and never faced before.

Laney: Who is Saint Trinity the Evil Nun?

Aqueduct: Oh she's a Satanic Nun that we found on the internet and we thought she would be a perfect member of the group.

Lola: Whoa!

Nico: Wow! The dark side of Catholic Nuns!

Me: Yeah!

Nico: Who do we call for this?

Me: Lets see.

I pulled up a list for them.

Gala Macintosh VS Saint Trinity the Evil Nun.

Goldie Macintosh VS Edge Dopant

Celestia Eatos VS Ocean Dopant

Serena Shine VS Ivy Dopant

Vicky Venom VS Opabinia Dopant

Elrena Exegol VS Dunkleosteus Dopant

Hayley Davis VS Mermaid Dopant

Aurora Seraphina VS Unicorn Dopant

Maridia Magiranger VS Pangaea Dopant

Serri Serris VS Archelon Dopant

Pandora Eywa VS Noodle Dopant

Genbu Ebonwumon VS Octopus Dopant

Jenna Jurassic VS Brachiosaurus Dopant

Oceanus Ocean VS Anomalocaris Dopant

Marin VS Nightmare Dopant

Jillian Joker VS Joker Dopant

Me: Cool! This is gonna be neat.

Nico: It sure is.

Pandora Eywa: And we are all mostly here.

Oceanus Ocean: Boy it will be interesting to see the Dopant that I am the embodiment of.

Lola: Yeah. This will be cool.

Nico: Yep.

Eli: Whoa! I sense that the Anothers minus Aqueduct are 2 people.

Me: Wow! This is gonna be cool.

Nico: There they are!

We saw a bunch of figures and they were Another Saint Trinity the Evil Nun, Dunkleosteus, Ocean, Edge, Ivy, Opabinia, Mermaid, Unicorn, Pangaea, Archelon, Noodle, Octopus, Brachiosaurus, Nightmare, Anomalocaris, Joker Dopant and Pisces Zodiarts!

Me: WHOA! This is gonna be big!

Lola: Yeah!

Another Mermaid Dopant: (In a girls voice) I think it will be cool.

Another Ivy Dopant: (In another girls voice) Resistance is futile.

We gasped!

Me: Wait Civa Cobra!

Lincoln: And Bianca Borg!? Whoa!

They merged and reverted back. 1 girl had green hair and red eyes and had green angel wings and had black clothes and she had the emblem of the Borg Collective in the middle of her forehead and on her skirt and had a Kamen Rider W Themed Keyblade. The second girl had purple hair, purple eyes, purple clothes and purple angel wings and had a tiara with the symbol of the Cobra Dopant on it and she had the same symbol on her skirt and had a poison sword.

Civa Cobra: Awesome to see you again J.D.

Bianca Borg: And you as well Lincoln. Wow! You grew into an awesome young man.

Lincoln: I know.

Me: Civa is the Embodiment of the Cobra Dopant and she has Snake powers and can control poison and cobras. She is really cool with them.

Civa Cobra: Yep.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Bianca Borg, Keyblade Knight of Borg Prime, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Borg Prime, and she's not only The Keyblade Knight of Borg Prime, but she's also the rightful leader of The Borg Collective and she has awesome technology powers. She helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past, including the evils of her own people and she absolutely hates The Borg Queen and how she came into being and why she does everything that she does all over the universe. She vowed that she would make sure The Borg Queen dies a horrible death and make sure the terror she invokes dies with her along with her universe enslaving ways. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of technology.

We gasped!

Me: The Borg Collective has a Keyblade Knight!? That is amazing! I don't know whether to be terrified and scared or amazed and in awe.

Nico: So instead of one for this part, it's two, huh?

Eli: Yep.

Bianca Borg: I heard you guys faced the Borg Queen back in 2020 and killed her.

Me: Yeah we sure did and we banished her to the Warp. But also we blew the entire planet of Borg Prime to smithereens. You heard about how they were taking over everything and enslaving everyone and taking away their free will?

Bianca Borg: I sure did. And to be honest I'm glad you destroyed Borg Prime. That means I'm now free to start my whole race anew the right way.

Me: Yeah. But also if you are here then that means that we're going to face The Borg Queen next week and she will return for revenge. If that's the case then Madame Crescentia is right.

Laney: Yeah we're going to be in for a wild rind next week!

Nico: Yeah!

Civa Cobra: Oh man!

Me: Yeah.

Qin: Oh man!

Me: By the way is the Another Aqueduct friendly or hostile?

Civa Cobra: Friendly and she is a deadly force.

Me: Whoa!

Nico: Anyway, sorry we gotta do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Nico: YEAH!

Bianca Borg: Boy that was awesome!

Maria: Yeah! Now for some backup. (TURNS DIAL) CHAOS FORCE 6!

She summoned Eris, Quackor, Bad End Pretty Cure, Thromnambular, Owlman and Antlion Fangire!

Qin: YEAH!

Nico: It's not every day we face three people are Another these days.

Me: Nope but we have a lot of aforementioned Embodiments to meet.

Nico: Oh right we got a lot of them.

Qin: Yep.

Me: Now for the Another Aqueduct.

Nico: Yep.

Eli: All we can do is wait.

Nico: (to the mascots) Okay, guys. Now, if some people come and you guys didn't invite them, what do you do?

Manaphy: Call you guys?

Me: Good. And what if they are criminals?

Poliwag: Bash them all over with Home Alone Style Traps?

Me: (LAUGHS) Those always crack me up.

May: Those were really funny.

Qin: Always a laugh riot with those.

Nico: We're counting on you guys.

Mr. Krabs: OR ELSE YER REAR ENDS BE MINE!

Nico: What he said.

Mascots: AYE AYE SIR!

Maria: Glad to hear it.

Me: Yeah.

?: Because I'll eat their brains if they don't listen!

We saw ANOTHER AQUEDUCT!

Me: Whoa Another Aqueduct! And wait I know that dangerous tone anywhere.

Another Aqueduct: (In a girls voice) Yep awesome to see you again J.D.

Me: Samara Slaughter! I knew it!

She reverted back and was a girl with red hair, red eyes and had red and black angel wings and had red and black clothes and had a tiara with the symbol of the Slaughter Dopant on it and she had the same symbol on her skirt and she had a blood sword.

Samara Slaughter: What gave me away J.D.?

Me: You threatening to eat the mascots brains. Guys meet Samara Slaughter, she's the Embodiment of the Slaughter Dopant and she is not called that just for show. She is a really deadly Masochistic Warrior. She gets really awesome pleasure from pain and many people have tried to kill her in the past. But if you get her mad, she will dismember you alive.

EVERYONE GASPED!

Qin: GEEZ!

Me: Yep and if you mess with her she will splatter your blood everywhere and eat your brains!

Eli: (GULPS)

Poromon: We won't let anything bad happen to the estate. We promise!

Samara Slaughter: Oh you better not. Or… (Throat Slash finger gesture)

Me: See? This is one girl you do NOT WANT TO EVER PISS OFF.

Lola: (GULPS) I think I just tinkled myself.

Samara Slaughter: I do have that kind of habit with intimidating people like that.

Nico: No kidding.

Maria: Do you have blood powers too?

Samara Slaughter: I sure do. You know how Blood is thicker than water? Well to me, all blood is delicious. I can rip the blood out of anyone and use that to kill people.

Anko: (LAUGHS) I like this girl! She has an awesome torture side to her.

Me: (LAUGHS) She sure does.

Aqueduct: Boy she is really deadly and fierce!

Zocks: (gets out Donbrothers' gear) Did Swartz promise you anything?

Kaito: (gets out Zenkaiju gear) Because we can grant it instead. Zenkaiju Gear!

Zocks got a Donbrothers Sword and Kaito got a Zenkaigers Sword.

Samara Slaughter: Well he didn't. I slashed off his leg and ate that in front of him and drank some of his blood and then I ran away from there.

Nico: (Turns green around the gills) You ate his leg!?

Nico then vomited all over me!

Me: OH SICK! NICO!

Sakura Knudson: That explains why I found him with his leg slashed off and he lost a lot of blood that day!

Qin: OUCH!

Samara Slaughter: (LAUGHS) Yeah but his blood tasted like rotten dango and rotten eggs.

Me: YUCK!

Anko: (LAUGHS) I love this girl! And you have an awesome way to taste what blood tastes like.

Samara Slaugher: (LAUGHS) You and I both have something in common Anko.

Me: Yep. Told you she is someone you should never piss off.

Qin: No doubt!

Sougo: (gets out Zenkaiger Ridewatch) He probably regenerated his leg.

Geiz: (gets out Donbrothers Ridewatch) He was still powerful back then.

Sougo got ZenkaizerArmir while Geiz got DonMomotaroArmor.

Samara Slaughter: That is probably the case. But also I have another hidden power.

Qin: What is it?

She formed a ridewatch and put it in Qin and it turned her into ANOTHER CAPTAIN COLD!

Me: WHOA! Qin you turned into Another Captain Cold!?

Samara Slaughter: Yep. That's my greatest power. I can assimilate and make the powers of the villains I face my own by eating their limbs and drinking their blood.

Me: WHOA! That is awesome!

Qin turned back.

Qin: Wow! That was awesome.

She had the ridewatch of Another Captain Cold in her hand.

Lincoln: Let separate you first.

Lincoln fired a wave of light and separated her.

Samara Slaughter: Awesome!

She fired waves of energy and blasted the Another and slashed him all over.

Nico: Taste water! (ACTIVATES AQUEDUCT AND PISCES ZODIARTS RIDEWATCHES)

Nico fired waves of water and smashed the Another all over.

May: And this one! (ACTIVATES DR. MINGO AND EMBER WOMAN'S RIDEWATCHES)

She fired waves of fire and blasted the Another.

Maria: Taste this water! (ACTIVATES LIQUIDROID WATERU AND SYREN'S RIDEWATCHES)

She fired waves of water and smashed the Another down.

Nudge: And this one! (ACTIVATES PISCES ZODIARTS RIDEWATCH)

She fired waves of water and smashed the another down.

Then Hank Scorpio, Evil Heat Man, Badonna, Morticon, El Jefe and President Koopa came.

Nico: Nice team Hank!

Hank Scorpio: Thanks Nico! And why is J.D. covered in throwup?

Me: Nico threw up on me.

Samara Slaughter: I made Nico queasy.

Lola: It was gross.

?: Boy he really drenched you good.

Grenade Man came.

Me: Cool! Grenade Man.

Grenade Man: (In a girls voice) Yep. It sure is.

Nico: Greta Grenade!? Wow!

Greta Grenade: Yep. Awesome to see you again Nico. I got this.

She fired waves of grenades and they hit the Another and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Billy: 15 Points! (LAUGHS)

I caught the ridewatch and purified it and Maria washed me off.

Me: That was funny!

Greta reverted back and she was a girl with orange hair and had red eyes and black clothes and had red angel wings and had a symbol in the middle of her forehead shaped like a grenade.

Greta Grenade: That was awesome.

Qin: It sure was!

May: HA! And I didn't get blasted!

Me: Yeah!

Nudge: What's your favorite memory of Nico?

Greta Grenade: When me and Nico went and destroyed numerous members of the Boston Mafia and killed them all.

Nico: That was fun.

Me: Awesome.

Nico and Greta hugged.

Nico: I've missed you.

Greta Grenade: Same here.

We later went back home.

It appears Bayonetta's mother and Balder's wife, Rosa, the most powerful Umbra Witch, has come back from the dead restored to life after Balder was freed from Loptyr who was banished to The Black Gates, and she's come for a duel with Lincoln. She's known that her daughter and Jeanne are now in Lincoln's harem, and that Valencia Vigrid, Keyblade Knight of Vigrid, had trained Lincoln in the ways of The Umbra Witches for years, and trained him in darkness, The

Dark Arts, dark magic, black magic, and Satanic Magic.

Now, Lincoln is about to be put to the test against one of the most powerful Umbra Witches in Vigrid over 500 years ago, and after the duel is finished, we're also going to face and kill another of Bayonetta's enemies: Morgana, who is among the most powerful of Umbra Witches known, boasting not only Dark Arts so powerful that showed potential to surpass even the Umbran Elders, she has additionally amassed ages of magical knowledge during the conflict in the feudal period of Avalon.

Nico: Hey, we're back in Vigrid, I wonder why.

Lincoln: I think I know, Nico, and I also know what we're going to do here, not only am I going to rescue the five girls here, but we're in for a surprise. It appears Bayonetta's mother and Balder's wife, Rosa, the most powerful Umbra Witch, has come back from the dead restored to life after Balder was freed from Loptyr who was banished to The Black Gates, and she's come for a duel with me.

Nicole: What?! Rosa has come back?!

Valencia Vigrid: Your avenging of her death by freeing Balder and sending Loptyr to The Black Gates must've brought her back, Lincoln. But, in Heaven, she's known that her daughter and Jeanne are now in your harem, and that I'd trained you in the ways of The Umbra Witches for years, and trained you in the powers of darkness, The Dark Arts, dark magic, black magic, and Satanic Magic.

Jeanne: Now, you're about to be put to the test against one of the most powerful Umbra Witches in Vigrid over 500 years ago, Lincoln. This should be a good one.

Bayonetta: (British Accent) This should be smashing, and after the duel is finished, we're also going to face and kill another of my enemies: Morgana, who is among the most powerful of Umbra Witches known, boasting not only Dark Arts so powerful that showed potential to surpass even the Umbran Elders, she has additionally amassed ages of magical knowledge during the conflict in the feudal period of Avalon.

Mollie: So, we got a rogue Umbra Witch to deal with after the duel.

We continued onwards, and there we were met by a beautiful woman who was in a black bodysuit with red and gold accents and various loose belts on the limbs, her hood extends into a split veil, she has chains tied around her neck and wrists, a rose-shaped Umbran Watch around her neck, she has a beauty mark on the right side of her chin in contrast to Bayonetta's on the left, and she has in her hands and on her heels, the flintlock pistols, Unforgiven. It was Bayonetta's mother, Rosa.

Valencia Vigrid: Rosa.

Rosa (Bayonetta): I always knew you'd show up right on time, Team Loud Phoenix Storm.

Me: So, that's Rosa.

Nicole: That's right, one of the most powerful and formidable Umbra Witches over 500 years ago.

Bayonetta: (British Accent) And I already know why you're here, Mummy.

Rosa (Bayonetta): Yes, that is correct, Cereza.

Lincoln walked up.

Lincoln: I know that you've seen what I'm capable of, Rosa. But, in order to make it official, I know I have to fight you.

Rosa (Bayonetta): You've proven yourself to both my sweet child and Jeanne, Lincoln. I saw the very determination and fire in your eyes, you remind me of my dear husband, Balder, and I must thank you for freeing him from that cretin's influence. Now, then, shall we begin?

Lincoln: Yes. Let us begin, but first.

Lincoln snapped his fingers and broke the chains that were intended to suppress her magical power, and she suddenly gained a very massive power and magic boost.

Eli: You broke the chains that were on Rosa?

Jeanne: He knew the chains that she wears are intended to suppress her magical power, but in order for it to be a fair fight, he broke the chains and her magical power had not only returned in full force, but she gained a very massive power and magic boost.

Bayonetta: (British Accent) Always wanting it to be a fair fight, such a gentleman.

BAYONETTA OST: BATTLE FOR THE UMBRAN THRONE

Lincoln and Rosa went at each other, and Rosa fired bullets from her guns, but Lincoln dodged them and he fired rainbow energy blasts, along with dark energy blasts. He even summoned the Infernal Demons to also fight as well.

Rosa (Bayonetta): You are also able to summon the Infernal Demons as well?

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

But, before I'd learned how to summon the Infernal Demons of Inferno, I'd learned how to summon demons of Hell that we know and put them under my command.

Rosa (Bayonetta): You have a talent for The Dark Arts along with all forms of magic. This should truly be interesting.

Lincoln and Rosa continued fighting, and it was really getting fierce, they showed their skills in The Dark Arts and the summoning of Infernal Demons, and even we were getting scared.

Me: Oh man! This is really getting intense.

Nico: (GULPS) You said a mouthful. I've never seen a fierce display of The Dark Arts before, but this really is getting crazy.

Lincoln then decided to go into Umbran Climax as he glowed with purple light, and as he attacked, he summoned the limbs of Madama Butterfly and Madama Styx with his own Wicked Weaves.

Rosa (Bayonetta): The Wicked Weaves and you also entered into Umbran Climax.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's right, plus, your husband also taught me in The Light Arts as well, and I can also summon the Angels he has in his command as well.

Lincoln summoned a peacock feather.

Lincoln threw the feather, and summoned Fortitudo, Bringer of Flame, one of the four Auditio of the Hierarchy of Laguna.

Rosa (Bayonetta): One of the Angels Balder has at his command, looks like you weren't kidding at what you told me. But, I've taken down many of Paradiso's Angels for centuries.

Rosa fired her pistols and they hit Fortitudo, and she used the Wicked Weaves that summoned the limbs of Madama Khepri, Protector of Time, that hit Fortitudo and destroyed him.

Me: That was… !

Bayonetta: (British Accent) Mummy's Contracted Demoness, Madama Khepri, Protector of Time and one of the Goddesses of Inferno.

Brittney: The Umbra Witches are known as the Overseers of History, and Madama Khepri is one Infernal Demon that takes her role seriously.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

(Speaking in Enochian) ARGEDCO!

Lincoln summoned Labolas, Destroyer of Fates, and he fired blasts of darkness at Rosa that caused her to dodge it, and she entered into Witch Time as time slowed down, but Lincoln wasn't.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sorry, Rosa, but Witch Time won't work on me.

Lincoln attacked with summoning Wicked Weaves that pummeled Rosa, and he knocked her down as Witch Time ended, and he helped her up.

Eli: It's over?

Nicole: Rosa entered into Witch Time, but Lincoln wasn't affected, but he took advantage of that and ended the fight.

Rosa (Bayonetta): Looks like you've officially impressed me, Lincoln. I'm glad that Cereza and Jeanne are going to be married to you in the future, along with Valencia.

Lincoln: Thank you.

Valencia Vigrid: Now, to get down to business, we now must go after

Morgana.

Bayonetta: (British Accent) My former teacher. I thought she was sent to Inferno after I destroyed her Umbran Watch.

Lincoln: Looks like Morgana found a way to come back from Inferno, and she still wants to kill you, Bayonetta. But, I'm not letting that happen.

Me: Same here.

Nico: Yeah, we'll teach that rogue Umbra Witch a lesson she'll never forget. Let's go.

Suddenly, we saw ten beautiful and super sexy girls with long hair in red, white, brown, pink, black, blue, green, orange, and magenta, purple hairbands, blue eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, fair skin, red, white, brown, pink, black, blue, green, orange, and magenta angel wings, and they were dressed in pink sleeveless tops, pink skirts, pink knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, elements, light, phoenixes, and angels on the coattails and on the back are The Rescue Bots, holstered on their backs are massive greatswords, and with them are the five girls.

Akira Satonaka: That's right, and we got the girls away from that rogue Umbra Witch.

?: CEREZA!

We then saw our target, Morgana, the rogue Umbra Witch.

Morgana (Bayonetta): No matter how many centuries have passed, nothing can dull my hatred for you. You ruined my chances of saving my son from the Faeries of Avalon Forest.

Bayonetta: (British Accent) All he wanted was for you to be stopped. He saw what your intentions have done and how many Umbra Witches have had to offer their demons as sacrifice to save him, and that it drove you to madness. All the same, I think we should put you out of your misery.

Morgana (Bayonetta): (Speaking in Enochian) ARPHE ALLAR!

Morgana summoned her Infernal Demon, Lex Talionis, Thorned Pestilence.

and they exploded with incredible power as they hit her.

Then, Lincoln tamed Lex Talionis and he thrust one of his eleven massive and long white wolf tails that pierced Morgana's chest and Lincoln began sucking out Morgana's Wicked Weave Mastery, Summoning Mastery, Daemon Masquarata, Dimension Creation, Illusion Magic, Energy Projection, and Soul Manipulation. Then, Lincoln sent her soul straight to Inferno forever, this time, she'll be trapped there forever. We cheered as we holstered our weapons and powered down.

Lincoln: Rest in peace forever, Morgana. (To the Satonaka Sisters) And it's so good to see you and your sisters again, Akira.

Akira Satonaka: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Chie.

Chie Satonaka: You too, Akira.

Lincoln went up to The Satonaka Sisters and he hugged them, and The Satonaka Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Eri Satonaka: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Fujiko Satonaka: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these eight girls?

Lincoln: Indeed I do, J.D., meet Akira Satonaka, the Heatwave Gene-Slammer, Eri Satonaka, the Minerva Gene-Slammer, Fujiko Satonaka, the Prowl Gene-Slammer, Haruka Satonaka, the Chase Gene-Slammer, Ichigo Satonaka, the Red Alert Gene-Slammer, Juri

Satonaka, the Blades Gene-Slammer, Kimiko Satonaka, the Strongarm Gene-Slammer, Megumi Satonaka, the Boulder Gene-Slammer, Naruko Satonaka, the Trench Gene-Slammer, and Ranko Satonaka, the Lifeline Gene-Slammer A.K.A. The Satonaka Sisters, these ten are my Guardian Angels from Japan and masters of martial arts like their sister, Chie Satonaka, and they often protect me from those who would try and harm me.

Selene Emperyous: And they're easy to identify: Akira has red hair with matching clothing, Eri has white hair with matching clothing, Fujiko has brown hair with matching clothing, Ichigo has pink hair with matching clothing, Juri has black hair with matching clothing, Kimiko has blue hair with matching clothing, Megumi has green hair with matching clothing, Naruko has orange hair with matching clothing, and Ranko has magenta hair with matching clothing.

Michelle Emperyous: They also noticed Chandler and his goons, Lynn, Pablo and Anderson, and Hawk and Hank attempting to harm Lincoln, but they managed to beat the crap out of Chandler and his goons, Lynn, Pablo and Anderson, and Hawk and Hank. To show thanks for saving him, Lincoln made the Satonaka Sisters beautiful necklaces, and to show thanks for the necklaces, they each kissed Lincoln on the lips. As a result, he promised that when he comes of age, he will marry Chie Satonaka and her sisters along with the rest of his harem. they hate the jerks with a blazing passion especially Pablo and Anderson and Hawk and Hank.

Nico: Sheesh, I hate to find out what Chandler and his goons, Lynn, Pablo and Anderson, and Hawk and Hank did to piss them off.

Lincoln: Trust me, you'd be that pissed off to find out what they did, and now that you and your sisters are here, Akira.

Lincoln went up to and hugged each of The Satonaka Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akira Satonaka: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, ten Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Satonaka Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Eri Satonaka: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Satonaka Sisters.

The Satonaka Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Charlote Buetenfield and Makina Echidna from Gokkun Vampire Princess and Mikage Onohara, Maki Yuzuhara, and Himeno from Kyuuketsuki ~Anal Hime Koukan Choukyou Roku~.

Lincoln: Oh wow, it's Charlote Buetenfield and Makina Echidna from Gokkun Vampire Princess and Mikage Onohara, Maki Yuzuhara, and Himeno from Kyuuketsuki ~Anal Hime Koukan Choukyou Roku~.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Charlote Buetenfield: Yes, we're okay, thanks to you.

Then, when Charlote Buetenfield and the other four girls saw who it was that saved them from Morgana the Umbra Witch, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The

Charlote Buetenfield: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Charlote Buetenfield: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Charlote Buetenfield, Makina Echidna, Mikage Onohara, Maki Yuzuhara, and Himeno with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We told everyone what had happened, and they were shocked and horrified.

Maria: Whoa, so you guys went after a rogue Umbra Witch, after you had your duel with Bayonetta's resurrected mother?! Yikes!

Lincoln: Yep, and this was from when Bayonetta was a child, she was tutored by Morgana, but her true colors were revealed as a vengeful Umbra Witch wanting revenge and she hated her protégé. But, in the end, Bayonetta defeated Morgana, and after Prince Lukaron faded away, Morgana was sent to Inferno to wander there forever, and it led to Bayonetta rising to be the Famed Umbra Witch.

Nico: Now, we know more about Bayonetta and what happened in her early years.

We not only recruited Rosa into the team, but we also reunited her with Balder after 500 years of being torn apart by the Witch Hunts orchestrated by the powerhungry mad Loptyr.

---

After Lincoln's duel with Rosa and taking down the vengeful Umbra Witch, Morgana, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Satonaka Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Akira Satonaka: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Eri Satonaka: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Fujiko Satonaka: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Haruka Satonaka: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Ichigo Satonaka: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Satonaka Sisters played a video on the big screen and it shows Lincoln, Chie Satonaka, and The Satonaka Sisters at Lake Superior: Lincoln was in an orange speedo and sandals and Chie and The Satonaka Sisters were in purple two-piece bikinis and sandals, and they were having fun swimming at the lake after some training in martial arts.

Past Akira Satonaka: This is really awesome, I love coming to Lake Superior.

Past Lincoln: Same here.

Past Eri Satonaka: Plus, with all the work you've been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD SCREAM OF RAGE!

Suddenly, they heard a loud scream of rage along with catching the stench of raw sewage.

Past Lincoln: Oh great, there's no mistaking that loud scream of rage from anywhere along with the smell of raw sewage. You and your goons get out here, Chandler, so we can kick your ass even more.

Suddenly, they saw Chandler and his goons come out, and they were really out for blood again, then, he charged like a mad bull and was about to attack Lincoln, but Lincoln punched him and sent him flying into a tree. He got back out, but he roared like a madman, now he was really pissed.

Past Lincoln: Okay, you asked for it, you stupid assholes!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Chandler and his goons bellowed again and went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to the stomachs of Chandler and his goons knocking the wind out of them, and then, he unleashed a massive storm of slashes from his massive greatsword and fired water blasts at Chandler and his goons. Then, Lincoln reared his left fist back and gave them a nasty punch to the face that sent them flying to jail as the video ended.

Me: (LAUGHS HYSTERICALLY) THAT STILL CRACKS ME UP TO THIS DAY!

Lincoln: Chandler and his goons were such idiots, that Dark Side of his clearly didn't know when to quit.

Nico: What a bloodthirsty, bullying asshole.

Akira Satonaka: And we all had fun with Lincoln. But, of course, that sewage asshole and his goons had to show up and ruin everything because they still wanted to kill Lincoln again for ruining their lives! I wanted to punch Chandler in his ugly face but Lincoln sent him and his goons flying with one punch, but when he got out, that's when Lincoln got serious.

Eri Satonaka: He had it coming. But, Chandler's freed of his Dark Side, while Artie and Trent are now jailbirds at The Charon Reform School for the rest of their lives.

Fujiko Satonaka: And it was also all our doing that Lincoln transformed extremely from the cute 11-year-old boy we knew since childhood to an extremely rugged, handsome, manly, sexy, and super imposing mountain of a muscular hunk.

Lincoln's Guardian Angels gasped.

Chie Satonaka: Uh, Fujiko, need I remind you of saying those sorts of words about Lincoln?

Suddenly, Lincoln put down the heavy weights and he made clones of himself and walked up to Chie and her sisters and turned them around to face them, and then, they leaned down and kissed them full on in the lips with that kind of intensity, passion, and energy, they'd literally given in and they wrapped their arms around the thick necks of Lincoln and his clones and he and his clones wrapped their massive muscled arms around their waists and as they brought them in closer, their chests pressed against their massive pecs and their stomachs pressed against their eight-pack abs. When Lincoln and his clones slowly separated their lips from Chie and her sisters' lips, their faces were all red from the very intense make-out and their eyes literally turned to hearts.

Satonaka Sisters: (In Heaven) That… was… so… hot!

Bertha Sellington: We warned you, Fujiko, those sorts of compliments cause him to go ahead and engage in a full all-out make-out with any member of his harem who say those compliments.

Girl Jordan: You think that's hot, we always wind up getting covered in kisses from him every night, we consider that tattoos of his undying love for us.

Nico: And a clear warning that if any moron messes with his future wives, they are worse than dead.

We got a shower afterwards, and then, Lincoln, Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Winona the Werewolf: Wow, so, this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Winona, and it's perfect for our first date. Shall we?

Lincoln, Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf and they hugged the girls in their abnormally massive and powerful muscular arms, and Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-

pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, and now, Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf are in Linky's harem.

Yamiga: When we introduced Wilma, Wanda, Wendy, and Winona to Lincoln, they fell head over heels with him, and of course, like with many of our friends, it ended with an intense lovemaking fest.

Winona the Werewolf: And Lincoln even turned into Lincoln the Nocturnal and went wild with us.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Himeko Shirogane, Miko Shirogane, Universe 666 Mileena, Universe 666 Nitara, Akua Shuzen, Kahlua Shuzen, Wilma the Werecat, Wanda the Wererabbit, Wendy the Weresheep, and Winona the Werewolf, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled

and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next up is Supermassive Galaxy.

Me: Wow! That was a big one. And I'm not talking metaphorically. I mean literally.

Nico: Yep.

Paula: Me, Margo, Lincoln and Linka will go next.

Margo: Awesome!

Me: The lightning quartet! Awesome.

Pohatu: Me and Onewa will go too.

Nico: Awesome.

They went in and the Simulator Activated and they arrived at SUPERMASSIVE GALAXY! And it was big! All the enemies were HUGE!

Nico: Oh my!

Pohatu: This is gonna be big! Literally!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well you just got to blast your way through the enemies to the end to get the star.

Onewa: Wow! This will be good.

Lincoln: It sure will!

Nico: There are probably Giant Goombas

Nicole: Yep and you're looking at them.

Nico: Oh man. They ARE huge.

?: We'll gladly help you guys.

Then out came 2 figures. One was a girl with pink hair, pink eyes, pink butterfly wings and had pink clothes and she had a tiara with the symbol of the Moonland of Paradwyn on it and the same symbol on her skirt and she had a flower sword in her hand. The second girl had purple hair, yellow eyes, blue lightning angel wings and she had yellow clothes and had a tiara with the symbol of lightning on it and she had a lightning symbol on her skirt and her hands had incredibly intense lightning surging through them.

Penelope Paradwyn: Penelope Paradwyn, Embodiment of the Moonland of Paradwyn.

Electra Elec: Electra Elec, Embodiment of Elec Man.

Paula, Margo, Lincoln and Linka: Electra!

Electra Elec: Awesome to see you guys again!

Lincoln: You too Electra.

Nico: We can talk later. We got to get to the star.

Onewa: We're gonna have to stomp real hard on the Goombas!

Nico: Or blast them. Lets go!

They were off!

They flew fast.

Lincoln, Linka, Paula and Margo fired waves of lightning and blasted the giant Goombas!

Nico: (gets out Aqueduct and Ranamon's Ridewatches) Have a drink! It's on me!

Nico activated them and fired waves of water and blasted the Giant Goombas and enemies.

Electra and Penelope fired waves of flowers and lightning and blasted the giant Wigglers.

Nico: YEAH!

Pohatu and Onewa blasted the Wigglers too!

They got to the end and saw the star!

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Penelope Paradwyn: YEAH! That was awesome!

Electra Elec: Yeah it was!

Paula: Oh yeah!

They all high five!

Onewa: How did you meet Margo and Paula?

Pohatu: As well as Lincoln and Linka?

Electra Elec: Oh we met during a dodgeball championship. I was in Elementary School with Lincoln when we were playing Lynn's Middle School in a dodgeball championship game. We won and I helped Lincoln, Linka, Girl Jordan and Lincoln's friends all get better and awesome at it.

Nico: That is cool!

Pohatu: It sure is.

Nico: Would you two like to join the team?

Penelope Paradwyn: We would be honored.

They left the simulator and we cheered wildly for them.

---

Later we were heading to the mall.

MacReady: Have fun guys!

Me: If you ever need us give us a call.

Poromon: Will do.

We were off to the mall.

Poromon: Now, what to do?

Poliwag: I think I know.

Poliwag showed a newspaper that said burglaries in the city.

Poliwag: They may be coming here. Lets set up traps.

Poromon: Good idea! Lets get to work!

They got to work! OPERATION: BURGLAR BUTTKICKING IS A GO!

At the mall we were having a great time.

Artha: Trixie, I'll never regret meeting you.

Trixie Lulamoon: Me neither Artha. The Great and Powerful Trixie had a great time on all those amazing missions.

Me: Those were so awesome.

Eli: They sure were.

Laney: Yeah! And we loved using our dragons for that one.

Kate Lloyd: I'm sure the mascots are doing alright.

Me: I know they are Kate.

Qin: Besides they will do fine.

The Mascots completed numerous traps.

Then the elevator started moving and WE WEREN'T IN IT!

Poromon: We got company!

They got ready and stood in position.

The doors opened and in came 3 people. They were wearing black clothes and ski masks over their heads.

Manaphy: Who are they?

Horsea: No idea. But we aren't letting them take whatever.

Then a punching glove trap bashed one of the men in the face and sent them crashing into a wall.

NUMEROUS CRASHING SOUNDS AND CARTOON STYLE COMEDY NOISES WERE HEARD AS THE CAMERA SHOWED THE TREE!

POINK BLAM SMASH WHAM KROW BLANG! ROAR QUACK WHAP BIFF WHOMP!

Later we were walking home from the mall and we had TONS of bags.

Artha: Sorry that our dragons don't talk.

Trixie Lulamoon: It's okay but it was really amazing.

Me: Boy all dragons are cool.

Lola: They sure are.

Qin: Man that was so fun.

We got to the estate and then we heard what sounded like screaming.

We looked up and then saw a 3 people coming and we got out of the way and then…

KRASMASH!

OOOH! THAT'S GOING TO LEAVE A NASTY MARK!

They smashed right into the ground with incredible force!

Me: WHOA MAN!

We walked over and saw that they were burglars!

Me: Burglars!

The police came!

Armada Starscream: What did we miss?

Me: I think a lot!

We saw them all mangled up and battered and broken.

Qin: What in the world have the mascots been doing!?

We got them out and I pulled off the masks of two of them and I immediately recognized them! They were 2 boys with black hair and blue eyes.

Me: (GASP) Robert and Lyle Albertson!

Nico: The Albertson Brothers!? Oh man! I've heard about them! They were the most notorious serial burglars in the country and they are wanted in 20 states!

Maria: They tried to rob us!?

Me: Big mistake bozos!

Laney: But who is their third one?

I pulled off the mask and to the shock of me, Allie, Brittany and Sakura it was a girl with brown hair and purple eyes that we knew all too well!

Me: (GASP) Connie Terrance!?

Allie, Brittany and Sakura: CONNIE TERRANCE!?

Nico: Oh man!

The mascots came down.

Poromon: You're back! Thank goodness.

Connie then broke down crying hard.

Nico: You guys know her?

Me: She's one of our friends from school.

Poliwag: Told you we'd take care of the Estate!

Me: You sure did guys! But tell us what happened?

Poromon: Okay here goes.

They told us everything that happened and how they built traps and smashed and pulverized the burglars and more and it was cool!

Agent Waco: That is really well done! We've been after these guys for 10 years!

Me: That is amazing Agent Waco.

Connie was being loaded into the ambulance and she was crying.

Connie Terrance: Wait! I need to tell J.D. something. Guys I'm sorry I tried to rob you.

Me: But why Connie?

Connie Terrance: It wasn't my choice! The Albertson brothers forced me to do it! They threatened to kill my family if I didn't do it!

Sunset Shimmer confirmed it with her powers.

Sunset Shimmer: She is right! They forced her to do all this stuff against her will.

Me: Oh man!

Sakura Knudson: Connie we're sorry that this happened to you.

Brittany: I hope these jerks get punished big time.

Allie Wilde: No kidding!

Me: Agent Waco, please don't send her to prison. She didn't do any of this by choice.

Agent Waco: How about in exchange for her testimony she gets immunity.

Me: That works.

Artha: I'm also grateful that you helped us stop a war between dragons and humans.

Nico: That was really awesome.

Laney: Boy it sure was.

Trixie Lulamoon: It sure was awesome and cool.

Lana: Yeah.

Robert Albertson: I will kill you for this J.D.! And you too Nico! I WILL KILL THOSE FUCKING MASCOTS OF YOURS!

Lyle Albertson: YEAH! YOU MAKE ME FUCKING SICK!

Me: Just for that one you guys are looking at the death penalty!

Eli: Yeah!

Me: Get these pissants outta here.

Laney: Yeah tell it to the judge.

Me: Connie, you will be put into our protection and you and your family will live with us from now on under our protection. You'll be safe with us.

Connie smiled.

Connie Terrance: Thank you J.D.

I put my hand on hers and Allie, Brittany and Sakura did the same.

Jetfire: (to the Zenkaigers) You probably want an explanation on how we know Connie.

Juran: No need. We already heard it and that is sad what happened to her.

Me: Yeah it was.

Nico: But Poromon, you guys did great.

We went up to the estate and saw the place a mess from the traps.

Me: Wow! You guys did a number on them.

Megan: Just like the traps my brother did.

Me: Yeah.

We got the place fixed up and repaired.

Artha: And I'm glad Moordryd's dad is behind bars.

Trixie Lulamoon: Me too. He may have done some terrible things but Moordryd's dad belongs in jail.

Qin: Big time.

Me: Yeah.

Lola: And he will stay there forever for War Crimes.

Horsea: Are you guys proud of us?

Me: We sure are! You guys did great!

Nico: I'll say! Man that was amazing!

Eli: It sure was!

Kate Lloyd: You guys all did a great job.

Mascots: Thanks!

Poromon: Would you guys like to see the traps that were used?

Ravage: Actually, yes!

We saw that the traps they did were very similar to the ones from Home Alone 1, 2 and 3.

Megan McCallister: Wow! These are very similar to the ones my brother did.

Me: Blowtorch head burn, paint slip, electric sink, concrete bag drop, some of the awesome pranks we do in the humiliations.

Camie: (LAUGHS) Those are funny!

Nico: Boy I'm impressed guys!

Me: And you used these traps to help us nab the 2 most notorious burglars in the country.

Sheila: Yeah we've been after those guys for years. J.D. we're so sorry that your friend was forced into doing all this against her will.

Me: It's all right. But Connie will testify against them.

Poliwag: Now, would you like a replay of how the traps were used?

Me: Oh you got footage? Sure.

Multiple Man, Boomerang, Knightbrace, See More, Weather Wizard, Evil Lyn, Gator Ghoul, Killer Croc, Manta Bayarsh, and General Schwarz Came.

General Schwarz: Can we watch too?

Me: Sure guys.

We watched the footage and we saw that the burglars were looking for our fortune and they got thrashed big time and the final trap was them falling through a trap door in the living room that lead to them falling 528,000 feet down.

Me: WHOA! That is a long fall!

Camie: WHOA! And we happened to be there when it happened.

Varie: Nice!

Nico: How long did it take you guys to set it up?

Horsea: 45 minutes.

Me: And we were gone about 3 hours. Wow that is very fast construction work.

Lola: Yeah.

Boomerang: (Australian Accent) Boy you mates really socked it to those guys. Who were those burglars?

Me: The Albertson Brothers.

Weather Wizard: Wow! I've heard a lot about those guys. They were the most notorious burglars ever. Wanted in 20 states.

Me: Yep. And their loot was never found.

Nico: Until Now.

Me: Yep. They picked the wrong place to rob. But poor Connie.

Laney: Yeah she did nothing to deserve this.

Lola: Yeah.

Me: But well done mascots!

Qin: Yeah! Those guys are never gonna see the light of day again.

Lola: and the only thing they will be getting is a needle in their arms and buried 6 feet under in unmarked graves!

Lucy Loud: And burning in the fire of hell.

Laney: Yep.

Me: Now it's time for our mission.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the Shape Shifter, the dangerous shapeshifting monster that Dipper and Mabel dealt with years ago, it's returned and it wants revenge on them. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the Shape Shifter, the dangerous shapeshifting monster that Dipper and Mabel dealt with years ago, it's returned and it wants revenge on them.

We gasped.

Me: Oh man!

Nico: Oh God. And if we're dealing with a shapeshifting monster, we need to keep our eyes peeled.

Me: It's like The Thing all over again.

Lincoln: Leave this to me.

Lincoln chanted an incantation, and we had rainbow outlines with green auras surrounding our immense protective rainbow auras with elements swirling around them.

Lincoln: This'll mark us off and The Shape Shifter will have a black and red aura: the aura of pure evil and darkness.

Me: Nice. Good thinking Lincoln.

Nico: The last time you used a spell like that was when we had to deal with the Dragonoids. It sure has been a long while though since we've had that sort of problem. Alright, gang, let's head down to Gravity Falls and deal with that Shape Shifter before it goes after Dipper, Mabel, and their friends and family.

Lincoln: Yeah.

Kate Lloyd: This will be perfect.

Weather Wizard: Can me, Multiple Man, Boomerang, Knightbrace, See More, Evil Lyn, Gator Ghoul, Killer Croc, Manta Bayarsh, and General Schwarz go with you guys?

Nico: Yes you all can go with. But first, Mabel, Dipper, what can you guys tell us about this monster?

Dipper: Well it's a really ugly alien shapeshifting creature.

He went over its history and it was crazy!

---

The Shape Shifter (commonly known as Experiment #210) is the main antagonist of the episode "Into the Bunker" of Gravity Falls. As the name implies, it can take on the form of any creature or object it has seen and committed to memory, both for the sake of infiltration and for combat.

Throughout the episode, the Shape Shifter was primarily voiced by Mark Hamill who also provided the voice of Fire Lord Ozai, Colonel Muska, and two notable variations of the Joker. However, as a shapeshifter, he is also briefly voiced by Jason Ritter and Linda Cardellini (while voicing Dipper and Wendy, respectively).

Several decades before the start of the series, the author of the journals, Stanford Pines, found a mysterious egg while excavating new tunnels beneath Gravity Falls for a new subterranean laboratory. Though he never discovered what had laid the egg or even if it was native to Earth, he was able to keep it safe until it finally hatched. The creature that eventually emerged was a tiny insectoid larva capable of taking on the form of almost anything it had seen and memorized, a fact it demonstrated by transforming into the Author's coffee cup less than a few seconds after hatching.

The Author's assistant, Fiddleford McGucket, recommended that the new lifeform be cryogenically frozen immediately as a test of their new cryostasis tubes. However, the Author quickly developed a soft spot for the strange creature and adopted him as a pet, keeping him in a cage within his newly-finished underground bunker and feeding him canned beans from Fiddleford's extensive stockpile of Baron Num Nums High Flyin' Beans. Though he officially dubbed his discovery Experiment 210, he soon began calling him Shifty.

According to Journal 3, the young Shifty had "a delightful temperament," and though he could not speak at first, he had a habit of transforming to communicate - becoming a dog when happy and a sea urchin to express sadness. The Author tested his abilities quite extensively in the early days together, showing him photos of animals to determine the full scope of his charge's powers - though he was careful not to show him anything large or predatory. Furthermore, though he lavished affection on Shifty, he became concerned about the possible repercussions of the little Shape Shifter mimicking him and took to wearing a surgical mask while testing his abilities.

The Shape Shifter developed rapidly from his initial larva phase to the point that the author had to give him a larger cage to comfortably accommodate his growing physique. To the Author's immense surprise, he even learned how to speak, learning new words at a phenomenal rate and even holding regular conversations - and often asking "Who am I?" unfortunately, it was here that the relationship between the two found itself on shaky ground: Shifty wanted access to the Journals, knowing that the Author had documented a whole host of creatures from around Gravity Falls within its pages and hoping that he could have this library of new forms. Though still indulgent of his pet, the Author declined because at least a hundred of the animals he'd documented were extremely dangerous.

Over time, Shifty became increasingly insistent in his efforts to obtain the Journals, to the point that McGucket recommended they simply freeze him, reminding the Author that they were only meant to be keeping Shifty around as a test of their cryogenics. Not for the first time, however, McGucket's protests fell on deaf ears.

The obsession with the Journals finally came to a head when Shifty went so far as to break out of his cage and take on McGucket's form, binding and gagging the real McGucket and locking him in a cabinet for good measure. He then sought out the Author, excusing his poor imitation of his assistant's voice as a sore throat and claiming that there had to be a solution for it in the Journal. However, the Author soon discovered the real McGucket, and after untying him, realized that his pet could no longer be trusted or allowed to roam free a minute longer. He quickly improvised a fairly-convincing replica of Journal 3 from an old plumbing manual, deposited it in one of the newly-finished cryonic tubes, and then told the Shapeshifter where it was; too excited to notice the trap, Shifty took the bait and was immediately trapped inside.

Journal 3 claims that the Shapeshifter was immediately frozen as the Author looked on, but by the events of "Into The Bunker," he is free and loose within the tunnels beyond the cryonics lab, and many of the cryo-tubes have been shattered to boot. To date, it's not certain if Shifty was able to fake being frozen and broke out as soon as the Author's back was turned, if he developed a resistance to the freezing and eventually broke out of his own accord, or even if the Author lied and couldn't bring himself to watch his beloved pet freeze - unwittingly allowing him to escape.

Whatever the case, it did Shifty little good: as soon as he was satisfied that 210 was secure, McGucket and the Author sealed off the bunker and vowed never to return until their work on an interdimensional portal was complete. With the only entrance hidden within a tree deep in the forests surrounding Gravity Falls and most of the security measures enacted, they correctly assumed that nobody would be able to find the Bunker without the Journal.

In their absence, the Shape Shifter went on eking out a living beneath the Earth, surviving on canned beans and whatever he could catch, alone except for the mole people, and growing more and more anxious to find the Journals with every passing year…

Perhaps thirty years later, while investigating the long-abandoned bunker for clues to the Author's identity and whereabouts, Dipper and Wendy end up being accidentally sealed in the lab with the Shape Shifter. Taking the form of the mascot for Baron Num Nums High Flyin' Beans, it poses as the Author, correctly assuming that the intruders won't know enough to poke holes in its disguise, and claims to be on the hunt for the escaped Shape Shifter.

Eventually, Dipper hands over Journal 3, much to the entity's delight; as it studies the book for new forms, Wendy discovers a bean can presumably be leftover from the Author's supplies and - after noticing the mascot - realizes that they've been had. Though they can steal back the journal after a tense stand-off, the Shape Shifter gives chase.

After luring the monster into a trap, Dipper, Mabel and Soos sabotage a pipe to blast a jet of water at the creature; however, Wendy ends up getting into a tug-of-war over the journal and is washed away by the ensuing flood. In the confusion that follows, the Shape Shifter takes Wendy's form and attacks her in one last attempt at retrieving the journal, hoping to trick Dipper into ending their stalemate by killing the real Wendy.

However, Dipper is eventually able to recognize the impostor thanks to a clue from the real Wendy and cleaves the Shape Shifter through the chest with a hatchet; while it struggles to recover, Dipper and Wendy shove the creature into the stasis tube and Mabel activates it, trapping the Shape Shifter for good.

In the last few seconds before its completely frozen, the Shape Shifter mockingly warns Dipper to avoid prying too deeply into the Author's secrets - or else face a fate worse than he could imagine. For good measure, he also provides a sneak preview of the last form Dipper will ever take, and transforms into Dipper himself, screaming in terror (foreshadowing his temporary death at the hands of the Lumberjack Ghost).

It's unknown what happened to the Shape Shifter afterward, but it likely remained frozen for the rest of its days, though it could have escaped during Bill Cipher's hostile takeover of Gravity Falls.

---

When he was done we were horrified!

Nico: WHOA! Just like The Thing minus the blood and guts and carnage!

Kate Lloyd: But there is a lot of distrust, fear and paranoia.

Me: Yeah. What does this creature look like?

Dipper showed us a picture of him and it was ugly!

---

The Shape Shifter's default form is pale and slimy and rather reminiscent of an arthropod: though standing upright, its body is mounted on four arachnid legs, while its left arm is swollen into a massive claw and its right arm extends into a more functional three-fingered hand. This insectoid design extends to its face, including a set of bulbous pink eyes reminiscent of a fly's compound eyes and even a set of mandibles and mouthparts - with four curved fangs bordering its mouth and six smaller teeth inside the mouth itself.

Throughout the episode, it transforms into Dipper, Mabel, Wendy, a baked beans mascot, the Gremloblin, a gnome, the Hide Behind, and five currently unknown creatures: a three-eyed toad, an insectoid creature with a fist for a head, a caterpillar-like creature with an armadillo shell, a golem-like creature, and a mass of flames. During its brief appearance in "A Tale Of Two Stans," it also was able to imitate a coffee cup in a matter of seconds after being hatched.

However, the Shape Shifter is not limited to simply impersonating others, being also capable of warping its various shapes to monstrous extremes: while still impersonating the mascot, it rotates its head a full 180 degrees and sprouts a set of spider legs from its torso, and when unable to make up its mind between taking Dipper's form or Mabel's form, it simply takes the form of both - a double-headed arachnid monstrosity.

* * *

When it was done we were absolutely horrified!

Me: WHAT THE FUCKING HELL!?

Nico: That is disgusting!

Shanan: Oh man! I've seen a creature like this before!

Nico: You saw this before?

Shanan: I sure have. It's a hyperadaptoid creature called a Secallendarian and they come from the planet Secallend and they are shapeshifting aliens that can live in any kind of environment no matter how inhospitable. It comes from the Ursa Major Galaxy

Cluster, 60 million light years away from Earth. And like what happened with the Thing when it was made by those aliens in that spaceship that crashed in Antarctica, they did the same thing. But the ship it was on was more like a prisoner transport vessel.

Molly Hale: Nico, which Gene Slammer do you think you'll meet next?

Nico: Aqua Man next.

Aquaman: Not counting me right?

Nico: No Arthur this is the Robot Master.

Aquaman: Oh.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed two massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figures were none other than Universe 666 Captain Ginyu and Universe 666 Bonyu, the next two of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent them out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Captain Ginyu and Universe 666 Bonyu, the next two of Universe

666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent them out to kill us.

We gasped.

Me: Now, he's sending two of them after us?! He's absolutely gone insane!

Buster Bunny: Just like Sebastian before his Dark Side was removed, he always sent those he didn't trust ever to do his dirty work, and there were a lot of them whom he never could trust.

Danger Duck: Why, that bloodsoaked madman, I'll handle those last two Universe 666 versions of Captain Ginyu and Bonyu.

The toons freaked out and did wild takes galore, and our jaws dropped to the floor!

CLANG!

Nico put our jaws back!

Eli: Danger Duck, are you crazy?!

Daffy Duck: You forget who you're talking about, my descendant.

Me: That's right.

Nico: The descendant of Daffy Duck and brother of Plucky Duck about to take on the Universe 666 versions of Captain Ginyu and Bonyu, this should be good. Alright, gang, let's go, we're heading to Gravity Falls and destroy The Shape Shifter.

Lincoln: There's absolutely no way we're going to let that Shape Shifter get away with this, we'll make him pay, and once we get done with The Shape Shifter, Universe 666 Captain Ginyu and Universe 666 Bonyu, you better be ready.

Danger Duck: You wiseguys better be ready 'cause I'm coming for you, and I'll make you both pay for serving that lunatic.

TLPS Mr. Wolf: You better not let Captain Ginyu and Bonyu hear

that.

Sebastian Mendez: He's right, those two like all the others are being used by that asshole and I'm so going to enjoy sending his butt straight to Hell.

Buster Bunny: That place's too good for him, there's only one place perfect for him: The Black Gates.

Nico: He's right, Sebastian. Your Universe 666 counterpart had done a ton of dark crimes like you when you were possessed by your Dark Side, but while he fully embraced the madness that was in his black heart, you didn't. You wanted to be freed from the darkness, and a divine force did just that.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to heading to Gravity Falls and destroy The Shape Shifter, and once we get done with that monster, Danger Duck is going to take down Universe 666 Captain Ginyu and Universe 666 Bonyu and break Universe 666 Sebastian's control over them.

We were off to Gravity Falls.

---

Gravity Falls, Oregon

---

We arrived in Gravity Falls, Oregon.

Multiple Man: Here we are!

Me: Boy been a long time since we were here.

Qin: Yeah no kidding.

Dipper: Feels great to be home.

We then saw 2 people and they were beating each other up.

Man: STAY THE FUCK AWAY FROM ME YOU MONSTER!

POW!

He punched a woman!

Me: Uh oh!

I went over and grabbed them.

Me: OKAY YOU TWO BREAK IT UP!

Woman: This man is a monster!

Man: I'm no monster she is!

Me: KNOCK IT OFF!

Itachi: None of you are monsters. We can prove it!

Nico: That's right.

Me: Now ask each other a question. One that the person you know knows.

Man: Okay.

Woman: What color is my underwear?

Man: I don't know! Black?

Woman: That's right.

She revealed a black bra.

Me: Okay I did not need to know about that. But I was not talking about that. I was having you all ask what your favorite foods or things you like is.

Knightbrace: If Eli can sense you two are real, then you're real!

Eli went over to them.

Eli concentrated.

Eli: You two are real.

Man: (GASP) Oh man. I'm so sorry.

Woman: It's okay. There's a monster among us.

Me: We know. The Shapeshifter. That monster that turned into Wendy and Dipper.

Nico: Yeah.

Kate Lloyd: I know this feeling myself.

MacReady: Same here.

Me: This is a nightmare that no one wants to go through.

Varie: It's like what happened with the movie The Thing.

Hood Sickle: Let's head to the Mystery Shack.

We went and arrived at the Mystery Shack.

Me: Boy been a while since we were here.

Laney: Yeah. Sure has been a while.

Pacifica: I missed this place.

Nico: Yeah those were fun times.

Twilight Sparkle: Wow this is really amazing.

Starlight Glimmer: It sure is. I can't remember if all of us were here before when we destroyed Bill Cipher.

Me: I don't think you were. But yeah this is really awesome. Reminds me of seeing one of those old Peerside Museums for the Weird and Peculiar.

Dipper: But it's good to be home.

Mabel: I missed this place.

Odd: I hope Wendy is okay.

Gator Ghoul: Yeah me too.

We looked around.

Brittney: I've seen all kinds of dark artifacts and stuff like this.

Qin: Yeah this was cool seeing this place.

Gator Ghoul: Wendy! Are you there?

Wendy Corduroy came.

Wendy Corduroy: Guys! You made it! (Suspicious) Wait! How can I tell you're real?

Me: Because we have auras that marked us as real.

Eli: It's true. (Concentrates) And you are the real thing.

Me: Thank goodness.

Wendy Corduroy: Oh thank goodness. Odd!

She and Odd hugged and kissed.

Odd: I'm so glad you're okay.

Me: Me too. Boy we need your wedding soon!

Wendy Corduroy: I'm sorry guys. Theres been so much fear, distrust and paranoia amongst us lately.

Me: So we've noticed. That monstrosity the shapeshifter is back.

Wendy Corduroy: Yeah I heard.

Crash Man: Sorry we haven't been checking up on you lately.

Wendy Corduroy: I know how busy you all are. I heard all about what was happening ever since you guys destroyed Bill Cipher.

Nico: Yeah. No kidding.

Wendy Corduroy: Wait! The Royal Defenders are now with you all!?

Me: It's okay Wendy. The Royal Defenders are no longer evil. We found out that they were poisoned by the evil Chaos Sorcerer, Sindri Myr.

Hunter: (German Accent) Ja it's true.

RD Me: It's true there. I can vouch for that.

Manta Bayarsh: Look at all the bats outside.

We saw bats flying.

Me: The sun is going down.

Laney: Yep.

Nico: We got to find the shapeshifter and get rid of that monster.

Laney: Yeah.

Fluttershy: (Shivering in fright)

Qin: Fluttershy are you okay?

Wendy Corduroy: What's wrong with Fluttershy?

Me: She had a really terrible nightmare about The Thing and it scared her really bad.

Octopunch: We're gonna need to think smart to take this guy down.

Nico: I got an idea. (to Samara Slaughter) You're able to turn us into Another Riders, right?

Samara Slaughter: I think I see what you want me to do Nico. How about this one.

She formed a ridewatch and put it in Kate Lloyd. She turned into ANOTHER OHMA ZI O!

Me: WHOA! Another Ohma Zi O!

Future Sougo: Wow! Looking good Kate!

Xenia: I'll say!

Kate Lloyd: Yeah this is cool!

Samara Slaughter: I got a better idea. How about I turn you guys into Another MOE members?

General Schwarz: I approve of this.

Me: Well Another Ohma Zi O is in the M.O.E. So that was cool. But go for it!

She formed a bunch of ridewatches. I got turned into Another Lord Drakkon!

Me: Whoa! I look awesome as Lord Drakkon!

Nico: And I've always wanted to be Myotismon.

Lola: And I look awesome as Firefly.

Laney: Man I look strong as Bane. Even though I can turn into a female version of him.

Mystique: And I'll be perfect to fight him. I can shapeshift too.

She turned into Another Saber.

Me: Awesome!

I reverted back.

We reverted back.

Me: We'll use these for when we go after the Shapeshifter.

Lola: Okay.

Killer Croc: Now, we just need to find it.

Eli: (Concentrates) It's in a cave in the forest 500 meters from here.

Lola: Whoa.

Eli: But there's more. That cave is also where its ship is.

We gasped!

Nico: Whoa!

Kate Lloyd: This will be like going into the ship of the Thing.

Nico: Yeah. Lets go then.

Coconuts: Let's head there right now.

Grounder: I thought we were already there.

CLANG!

Scratch bashed him on the head.

Grounder: OUCH!

Scratch: We're just about ready to leave you dumbbot.

Nico: Lets go.

We were off.

---

We later arrived at the cave.

Me: There it is.

Laney: Scary.

We went in and it was creepy.

Me: This place gives me the creeps.

Camie: Me too.

Evil Lyn: It could be anywhere. And anyone.

Me: Yep.

We then got to a huge room and then we saw A HUGE BROKEN ALIEN SHIP! It looked just like the Thing Ship.

Lola: Wow.

Nico: Look at that.

Camie: Amazing.

Gantu: My ship is better.

Nico: Lets head on board.

We went on board and it was a really bizarre ship.

Me: Wow look at this ship.

Varie: It's scary.

Nico: Amazing.

It was a really weird ship and the technology on it was absolutely amazing.

Me: The people that had it must've been really advanced.

Laney: Wonder what it was used for.

Me: Lets find out.

We walked around and saw prison cells in it.

Me: Prison cells?

We saw that they had scary ugly alien skeletons in it.

Me: They look like alien prisoners.

Shanan: I think it might have been an alien prison transport ship.

Nico: Maybe. Wait look.

We saw a prison cell that had the door busted down.

Me: Looks like something busted out of that cell. I guess we know where our shapeshifter escaped from.

Eli: There has to be a log somewhere.

See More: Here it is!

See More showed a log panel.

Shanan: Hmm.

She pressed a button and a log came up.

Shanan: Lets see. (Reading) "Prisoner Experiment #210. Shapeshifting project 23211.2. Designed to infiltrate Gordanian Colony. Spliced with shapeshifting cells. Patient's body violently rejected project and the project was terminated. Ordered to be dumped on a faraway desolate world in another galaxy."

We GASPED!

Optimus Primal: Just like how we were going to dump Protoform X.

We then heard something.

Me: Something's here.

Eli: I sense the Shapeshifter. It's heading to the control room.

We went to face it. In the Control Room we saw THE SHAPESHIFTER! It looked like Wendy!

Nico: Target sighted and it looks like Wendy.

Thorn: Entrance time.

We went at it.

The creatures laughed. Then the spirits of the cave flew in and swirled around it and then they converged and then…

(THE THING THEME PLAYS)

GRUESOME AND HORRIFYING MONSTERS APPEARED AND THEY ROARED AND THE SHAPESHIFTER WAS SCARED BAD! Then the creature bursted into intense fire and then we came out!

Me: Okay you shapeshifting monstrosity the jig is up!

Shapeshifter: (as Wendy) Guys, it's me, Wendy. The one with you is an imposter. You know how many freaks there are here.

Boomerang: (sarcastically) Whatever you say, "Wendy"!

Me: HA! Nice try!

I fired an energy blast and blasted the imposter.

Me: You can't fool us that easily you imposter.

The creature revealed itself! IT WAS UGLY!

Shapeshifter: So you figured me out!

Me: You are one UG-LY motherfucker!

Shapeshifter: How do you like my true form?

Me: It's disgusting!

I scanned it with my Omnitrix and got its powers. Same with Ben, Bella, Nico and the Omnitrix masters.

Nico: And the whole figuring out who the real deal game is getting old. So, let's spice things up a bit!

We turned into our Another Forms!

Me: You aren't the only one that can shapeshift.

Me: Oh yeah?

I stepped on the Shapeshifter and squished him.

I squished him flat and jumped back.

Me: Yeah.

Shapeshifter: (as Grey Matter) Alright. Maybe not my best move.

Me: Oh you think?

He turned into Four Arms.

Shapeshifter: (as Four Arms) How about this?!

Me: Much better!

I fired a blast of energy and blasted him all over.

I knocked him down.

He turned into Stinkfly.

Me: WHEW! Who stepped on a duck!?

I fired waves of energy and blasted him.

He then turned into Ghostfreak's true form!

Me: Bad move there! SOLAR FLARE!

I released a massive flash of light mixed with ultraviolet light as bright as a hundred thousand suns and he screamed in pain and was burned all over!

He turned into Ripjaws.

Shapeshifter: (as Ripjaws) If you move past the weakness on land, you'll find that he packs a punch!

Me: But it only lasts a few minutes!

I Fired a wave of energy and blasted him all over and smashed him all over.

Me: Come on you can do better than that.

He turned into MANBAT!

Me: Now THAT'S More like it!

Maxxine: I'll use my Mummy Powers!

She fired a wave of bandages and wrapped them around the Shapeshifter and tied him up and smashed him down.

Lola: YEAH!

Vulkanus: WHOA! That is crazy! I've never even heard of a planet like that.

Shanan: That's because it's located in the Ursa Major Galaxy Cluster, 60 million light years away from Earth. And like what happened with the Thing when it was made by those aliens in that spaceship that crashed in Antarctica, they did the same thing. But the ship it was on was more like a prisoner transport vessel.

Vulkanus: And it was put on that ship for what reason?

Shanan: My guess is probably to dump it on a planet in another galaxy that's far and desolate and barren.

Shannon: Yeah! It was a total paranoia and distrust fest!

Blackfire: Nobody trusted anyone because they were too scared to scared to find out who was human and who wasn't.

Lincoln and his harem: CAVE FINAL SMASH: CAVE BLAST!

They fired explosive ki blasts at the shape shifter!

Lincoln: Say farewell, you monstrous shapeshifter.

We fired massive black energy blasts that destroyed The Shape Shifter and froze him in a block of ice and beamed him to the M.O.E.

Nico: That's that for the Shape Shifter.

Me: No kidding. I almost got a headache from that monster's mayhem.

Lincoln: He tried to use his shapeshifting to fool everyone, but we saw through it and he failed and was destroyed. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking those energy signals from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Captain Ginyu and Universe 666 Bonyu, or we will force you out!

Two figures came out, they were other than Universe 666 Captain Ginyu and Universe 666 Bonyu, and like with Universe 666 Broly, their eyes were completely blood red and they had a black and purple aura around them.

Nico: So, Universe 666 Captain Ginyu and Universe 666 Bonyu has arrived.

Buster Bunny: We got to stop them and free them from that leech's control.

Danger Duck: Then, that's what's going to happen.

Suddenly, Danger Duck's eyes turned neon orange and he was surrounded by a black and orange energy aura with stars, orange fire, orange lightning, black and orange darkness, ducks, phoenixes, and angels, he unholstered his massive greatsword from his back, and as he approached Universe 666 Captain Ginyu and Universe 666 Bonyu, he left black and orange energy, stars, orange fire, orange lightning, black and orange darkness, ducks, phoenixes, and angels with every step.

Danger Duck: I should've known that madman would start sending you two to come after us after what has been happening, now we're going to take you two down and free you from that lunatic.

Suddenly, Danger Duck was surrounded by a massive vortex of black and orange energy with stars, orange fire, orange lightning, and black and orange darkness surrounding the vortex, there are ducks, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with blue eyes gazing at Universe 666 Captain Ginyu and Universe 666 Bonyu: the eyes of salvation. Then, as the vortex faded, Danger Duck emerged, but he was changed forever.

Danger Duck grew from 6'11" to 8'3" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large black and orange orbs orbiting around his legs, he has orange highlights in the bangs of his full head of long black hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon blue eyes and a black and orange energy aura with stars, orange fire, orange lightning, black and orange darkness, ducks, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a duck with a flame in its wings emblazoned on his forehead and Third Eye with orange iris, he has on his Crystal Necklace of The Buddha with orange gems on the gold flame links and orange crystal links and an orange duck-shaped Element of Harmony and on the bottom of the Element of Harmony is a duck with orange gems for eyes and the Fire, Lightning, Dark, Star, and Eternity Kanjis in its flippers for the pendant and he has on a white and gold accented choker on his neck, he has on a black tank top with orange phoenix on it, large black pants with orange flames on the legs, black knee-high boots with flame buckles and long white sleeveless trenchcoat with stars, orange fire, orange lightning, black and orange darkness, ducks, phoenixes, and angels on the coattails and on the back is a phoenix, angel, and duck with stars, fire, lightning, and orange and black darkness surrounding the phoenix, angel, and duck. Suddenly, Danger Duck felt a sharp pain on his now wider and more muscular back, and then, his massive black angel wings with orange tips on the black feathers grew and sprouted out of his back. Danger Duck has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Danger Duck's massive Sword of Penelope and all of the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of black and orange energy, stars, orange fire, orange lightning, black and orange darkness, ducks, phoenixes, and angels, and when it emerged, it was transformed into Danger Duck's Acme Future Orange Firestorm

Lightning Darkness Duck Angel Greatsword of Acme Future Orange Firestorm Lightning Darkness Duck Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the silhouette of Daffy Duck etched on the 7'9" massive, wide, double-edged black blade, large black duck heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four large black duck heads with orange gems for eyes and in their open mouths and on the bottom of the duck heads is a large black duck head with orange gems for eyes and in its open mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large orange gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, new large gold Belt of Elemental Bravery with a gold duck head with orange gems for eyes and large orange gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's an orange kanji below the phoenix, duck, and angel that said, "Danger Duck, Member of The Loonatics, Descendant of Daffy Duck, Brother of Plucky Duck, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Orange Fire, Orange Lightning, Orange and Black Darkness, Ducks, and Angels"

We were amazed by Danger Duck's Super Angel-Acme Future Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Captain Ginyu and Universe 666 Bonyu saw it, they fired energy blasts at Danger Duck, but Danger Duck teleported out of the way and he fired a massive barrage of black and orange energy, stars, orange fire, orange lightning, black and orange darkness, ducks, phoenixes, and angels which hits Universe 666 Captain Ginyu and Universe 666 Bonyu and they exploded, they got back up, but now, they were enraged.

Lincoln: WHOA!

Ace Bunny: Nice.

The toons did extremely wild takes upon seeing what Danger Duck did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Danger Duck: (Divine Echoing Godly Voice of The Divine Cosmic

Eternal Acme Future Cosmic Orange Energy Lightning Orange Firestorm Darkness Duck Angel and Divine Cosmic Eternal Acme Future Cosmic Orange Energy Lightning Orange Firestorm Darkness Duck Angel Hope) That's only the beginning. Now, let's do this!

Daffy Duck: We're also joining in. Come, Plucky.

Plucky Duck: On it.

Daffy Duck and Plucky Duck joined Danger Duck.

Me: Okay, now things are really going to end badly for them. We know how much of a screwball Daffy can be, so you can guess they'll be driven mad.

Woody Woodpecker: Sure I've had my reputation for driving people off the wall, but with Daffy, ugh, forget it. They'll be begging for someone to put them out of their misery. (To Sebastian) And don't even think about it, wiseguy.

Sebastian Mendez: (GROWLS)

Nico: You caught onto him quick, Woody.

Woody Woodpecker: I always know when to catch the first sign of trouble.

Danger Duck, Daffy Duck, and Plucky Duck went after Universe 666 Captain Ginyu and Universe 666 Bonyu, and he fired extremely powerful blasts of orange and green energy, stars, fire, flames, orange fire, orange lightning, black and orange darkness, explosives, ducks, phoenixes, and angels at Universe 666 Captain Ginyu and Universe 666 Bonyu, and they exploded with incredible power as they hit them. Then, they attacked them with their massive greatswords and left scars on them.

Bugs Bunny: Whoa, those three ducks are literally tearing them to shreds.

Buster Bunny: They sure are.

Sebastian was about to attack in his Demon Angel Mode, but he wound up getting hit in the stomach by Buster and sent flying into a coffin of spikes which closed shut, and he came out and had bleeding wounds which sealed up and his clothes repaired.

Danger Duck, Daffy Duck, and Plucky Duck threw bombs at Universe Captain Ginyu and Universe 666 Bonyu which exploded and knocked them out cold, and then, they were bound with chains of light by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Captain Ginyu and Universe 666 Bonyu and removed every trace of the poisonous darkness that infected them, and they were restored and sent to Good Luthor. We all cheered wildly as Danger Duck, Daffy Duck, and Plucky Duck holstered their massive greatswords on their backs and powered down, and Danger Duck's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive black angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: And we freed the Universe 666 versions of The Ginyu Force from Universe 666 Sebastian and we really dealt a nasty blow to him.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, there's no telling what other nasty surprises that Universe 666 Sebastian had on them. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Akane Nanaya, the Silverbolt Gene-Slammer, Bella Nanaya, the Jetfire Gene-Slammer, Chara Nanaya, the Air Raid Gene-Slammer, Dana Nanaya, the Breakaway Gene-Slammer, Elenore Nanaya, the Wing Saber Gene-Slammer, Kiara Nanaya, the Whirl Gene-Slammer, Linda Nanaya, the Powerglide Gene-Slammer, and Nala Nanaya, the Stratosphere Gene-Slammer.

Makoto Nanaya: (GASPS) My sisters?!

Selene Arcangela: Makoto's sisters A.K.A. The Nanaya Sisters?! Awesome, and you guys are going to love meeting them, Akane Nanaya, the Silverbolt Gene-Slammer, Bella Nanaya, the Jetfire Gene-Slammer, Chara Nanaya, the Air Raid Gene-Slammer, Dana Nanaya, the Breakaway Gene-Slammer, Elenore Nanaya, the Wing Saber Gene-Slammer, Kiara Nanaya, the Whirl Gene-Slammer, Linda Nanaya, the Powerglide Gene-Slammer, and Nala Nanaya, the Stratosphere Gene-Slammer are Lincoln's Guardian Angels from Japan and classmates in Gym, and like their sister, Makoto Nanaya, they're squirrel girls and deadly but beautiful martial artists. They, Lincoln, and Makoto would all practice martial arts together and even fought off those who would try to harm Lincoln.

Makoto Nanaya: And they're easy to identify: Akane has violet hair with matching crop top and mini skirt, Bella has magenta hair with matching crop top and mini skirt, Chara has orange hair with matching crop top and mini skirt, Dana has blue hair with crop top and mini skirt, Elenore has pink hair with matching crop top and mini skirt, Kiara has yellow hair with matching crop top and mini skirt, Linda has red hair with matching crop top and mini skirt, and Nala has black hair with matching crop top and mini skirt.

Selene Emperyous: And here's the story with them: after Makoto and her sisters saved Lincoln's life from chandler and his goons and that was before Ronnie Anne came into the picture, Lincoln ended up taking Makoto and her sisters on a date to a lake where they kissed each other on the lips while underwater. Lincoln made the Nanaya Sisters beautiful bracelets, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln ended up falling in love with Makoto and her sisters and swore that when he comes of age, he will marry Makoto and her sisters along with the rest of his harem, and they hate Chandler and his goons with a passion.

Nico: Whoa!

Ronnie Anne: I also had no idea about Makoto and her sisters with Lincoln before I came into the picture. But, Makoto told me everything, and I should've known Chandler and his dumb goons would do something to get them mad.

Me: You said a mouthful.

Nico: With Dark Chandler gone forever and his goons thrown in The Charon Reform School for the rest of their lives, hopefully, things will be normal.

Lincoln: Not so, Nico. Remember with Fay Reikova? They still won't trust him especially after all of the horrible things he did to me in the past.

Nico: Oh, right.

Top: This guy will be a great addition to our ranks.

Taskmaster: Damn straight!

Dayu: I've never seen many shapeshiftings in my life.

Me: Me neither.

Vulkanus: I have. (to Ben Tennyson) From you

Ben Tennyson: You're right.

Ben Ravencroft: Let's celebrate at the Mystery Shack.

Nico: Yep. Great job today everyone.

Dipper: (To the viewers) This was a wicked scary one.

Nico: Yep.

We went to the Mystery Shack and celebrated and then went back home and enjoyed the rest of the day and went to sleep.

THE END

Another awesome chapter done.

Boy this was a scary one. But this chapter was for the Gravity Falls Shapeshifter and that monster was scary and ugly! It reminded me of The Thing and it was not as scary. But it was scary enough! Mark Hamill did a great job voicing it back then.

Me: Boy been a while since we were on Gemina.

Zarya: It sure feels great to be home.

Lola: Boy we came here many times and dealt with all of the Mysticons major enemies.

Xenia: We sure did.

Me: Boy those were all amazing adventures.

Camie: Wow!

Me: Yep. Those were really fun and cool. We had a lot of fun on those.

Zarya: I'll never forget meeting you the first time for that J.D.

Me: Me too Zarya. That was so fun.

Laney: It sure was.

Sophie Casterwill: (British Accent) Boy I heard so much about that. That was fun.

Lana: It sure was awesome.

Me: When we started coming here I wasn't nearly as powerful back then as I am right now.

Zarya: No kidding.

Nico: Sophie, I want to thank you, Hank Scorpio, and your teams for coming

Sophie: It's my pleasure Nico. This will be fun.

Jinora: I'm really excited for this one.

Lola: We all are.

Camie: Where exactly did you guys find Gemina?

Me: We found it all the way over in the Pinwheel Galaxy and it was amazing. Also that was 4 days before the Great Wizard War where we killed Voldemort and his followers. Our first enemy here back then was Tazma.

I went over what happened back then in chapter 996 and it was awesome.

When I was finished everyone that hadn't heard about it was amazed.

Twilight Sparkle: Wow! So that's how you and Zarya met.

Me: Yep.

Xenia: That was so awesome.

Camie: That is cool J.D.

Nico: That also brought our worlds together. Tazma was the first of the Mysticons many enemies that we needed to destroy.

Laney: Yep.

Sunset Shimmer: That is amazing.

Me: Yep. Tazma was just the beginning back then. We had to take down all of Necrafa's evil forces one by one.

Varie: We sure did.

Nico: Jinora, are you honored to meet Aang?

Jinora: I sure am. Aang is a legend among the Air Nomads and the world wouldn't have been saved if it weren't for him.

Me: Everyone did a great part in that entire battle back then. Including us.

Varie: That was awesome.

Jinora: Boy no kidding. Avatar Aang will forever be remembered for everyone to admire.

Me: Yep. Now it's Korra's turn.

Jinora: That's right.

Nico: Technically, it's both of their turns

Me: That's true.

Jinora: Yeah it sure is. But it's great that the Air Nomads are now fully restored.

Me: Thank goodness. The Air Nomad Restoration Program worked perfectly.

Laney: It sure did.

Camie: I'm so happy it did.

Varie: Yep.

Me: Yeah.

Kate Lloyd: Thank goodness. Wow! It's amazing we had to battle a Thing-Like monster in Gravity Falls yesterday.

Me: Boy no shit. That was crazy.

Nico: Yeah! And that creature was freaky! We saw it change into MANY kinds of creatures.

Me: Including some of our major enemies that we fought over the years.

Laney: Yeah! And the Joker! Which he sounded like!

Lily: Yeah that was creepy!

Maria: They were mostly Omnitrix Aliens

Me: Yeah no kidding! But that was cool to see. But it was horrifying that he turned into a Thing-Esque style creature that looked like Dipper and Mabel stuck together.

Lola: Yeah that was scary!

Kate Lloyd: It sure was!

Earth Chan: That was scary seeing that.

Camie: Scared me and Leeli bad.

Leeli: Yeah it sure did. But it was cool that we faced him.

Girl Jordan: It sure was.

Nico: And we turned into Anothers of our Archenemies.

Me: Boy that was cool doing that.

Qin: It sure was. Samara Slaughter did an amazing thing for us with that.

Me: She sure did. And all it took was her eating Swartz's leg and his blood.

Nico turned green.

Me: Oops.

Qin: Oh boy.

Me: Regardless it was cool being Anothers like that.

Lola: Yeah that was cool.

I pulled out the ridewatch for Lord Drakkon.

Me: It's going to be awesome being Anothers like that.

Laney: Yeah.

Nico: Too bad it only turned into the first 10 Omnitrix Aliens

Me: I'm sure it has many more creatures than just those.

Shanan: Oh it does. Bella told me that the sample she got from the shapeshifter has over 523,923,126,342,785,547,347,953,433,999 aliens in it.

WE GASPED!

Me: WHOA! That is far more than The Thing.

Nico: No shit!

Me: Wow! We're going to be in for a wild ride seeing all of them. Looks like Dark Spicer is going to show us new predators and new aliens that the Shapeshifter can turn into.

Nico: Yeah no kidding.

Maria: I like to see anything attack Gemina now with Necrafa dead!

Me: I have a feeling nothing will. But Gemina is so beautiful and peaceful now that the Spectral Hand and all of Necrafa's forces are all dead.

Nico: Yep.

Zarya: But there are still minor evils out there.

Qin: That's true. The job of the Mysticons is never finished.

Me: Just like our job as Team Loud Phoenix Storm is never finished.

Nico: Yep. Even after we defeat Xehanort and Banish Him to the Black Gates with the Dark Orbs, our job is NEVER finished.

Me: That's right.

May: After all, when we get to having the Geats and King Ohger teams to join us, there's bound to be SOME bad guys there.

Me: Yep. We'll be ready for them.

Lola: Yeah.

Varie: And it will always be fun.

Maria: But for now, let's enjoy some peace and quiet.

Nico: Yeah.

Me: But soon the Geats team will join us. They just finished their series.

Nico: Yep.

Eli: When do you think the King-Ohgers will be done?

Me: Sometime probably in February next year. The Donbrothers didn't get finished until February earlier this year.

Nico: Yeah.

Taro: That's true.

Me: Yep. And after Geats got finished they got another awesome new series of Kamen Riders underway. Kamen Rider Gotchard.

Sento: Wow! I heard that it's centered around the elements of Chemistry and The Periodic Table.

Me: That's what I heard about. That is cool.

Lisa Loud: That is something that is right up my alley.

Me: I agree there.

Lola: What monsters will they face now?

Me: They are called the Malgam and they are buttugly sons of bitches.

Qin: Yikes! What is their goal?

Me: Well it just got started so it's still unknown.

Nico: It's gonna be very exciting.

Qin: Yeah. Who is the main bad guy in Gotchard?

Me: Some guy named Venomdake. I have no idea what he is or what he is gonna do.

Nico: Let's not worry about that right now.

Me: Yeah. We still have a year to find out. But we'll worry about it later.

Qin: Yeah.

Me: But the whole series looks cool.

Nico: It sure does.

Me: But those Ride Chemy Cards they use are cool.

Nico: Is that the Legend Items they have in Gotchard?

Me: Yep. I got one right here. I found it yesterday.

I pulled out a Legend Rider Chemy Card for Saber.

Nico: Wow for Kamen Rider Saber!

Me: Yeah. I don't know what it does but it looks awesome.

Nico: Let's be patient about it.

Me: Right.

I put it back in my vest.

Me: These Chemy Cards remind me of the Rouse Cards and the Advent Cards from Dragon Rider.

Kazuma: They sure do.

Qin: Yeah.

Me: But we'll wait and see later.

Nico: Let's just enjoy the peace and quiet.

Me: Yeah.

We looked at the clouds of Gemina and they were beautiful.

I was reading some verses from the Eternal Phoenix Wonder Ride Book.

Me: (In my head) (Reading) "After the evil darkness was defeated, the powerful Eternal Phoenix swooped down and rejuvenated the land that was ravaged with new life and brought beautiful life and restored nature. Restoring the beauty to all the land and creatures great and small. Bringing new life from the ashes of evil."

The phoenix flew in and restored the land that once was torn apart by Necrafa and the battle we had with her.

Nico: Good as new.

Me: Yep. As if Necrafa and the Spectral Hand never even existed.

Zarya: Good riddance.

Lola: Wow that was awesome.

Me: Yep.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and J.D., Zarya, this is one you are so not going to like one bit: we got word that a clone of Tazma Grimm is here, and she's coming after you, J.D., for revenge for what you did in killing Necrafa.

We gasped, and I drank a cup of water and did a spit take and sprayed water on a nearby tree.

Me: WHAT!? A clone of that shadow bitch! Universe 666 Sebastian, you fucking mad lunatic!

Sebastian appeared in a tornado of Divine Darkness.

Sebastian Mendez: Okay, now he's really gone too far. I'll fix him.

Sebastian fired a blast of Divine Darkness that was sent flying to his castle in Acme Acres, and when it hit him, he screamed in agonizing pain and he was really burned badly as we saw it through a one-way viewing window Lincoln made.

Nico: WHOA! So, that's what happens when a creature of pure undeniable evil is hit by a blast of Divine Darkness.

Sebastian Mendez: Yep. Lincoln, get the rest of the team here.

Lincoln called the rest of the team here.

Lori: We heard everything, and we're literally ready for that shadow bitch.

Lincoln: Without a doubt. (Sensed for the Tazma Grimm Clone) AHA! Gotcha! I just spotted the clone of Tazma Grimm, she's 20 yards away and she's already causing havoc.

Nico: Let's head on over and trash that bitch.

Lincoln: Yeah! (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility,

blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Tazma Grimm clone.

Nico: This is gonna be good.

Me: Now you guys are going to see how evil Tazma is. She was the very first bad guy we killed her on Gemina.

Zarya: That is for sure.

Poromon: I hope we can finish this up so I can finish what I was working on.

Me: We'll try to make this fast.

Camie: What's Poromon working on?

Me: A VERY complex and very complicated Quantum Physics equation.

Laney: We'll have to see what it is.

Lisa Loud: I'm more than willing to provide some assistance if needed.

Poromon: Thanks Lisa. I would greatly appreciate that.

We were flying, and then, we saw the Tazma Grimm clone causing havoc and she was laughing malevolently.

Lincoln: There she is. J.D., let's get her together.

Me: Got it.

Lincoln unholstered his massive greatsword and his angelic and demonic greatswords appeared at his sides and I unholstered my massive greatsword. Then, he and I went at the Tazma Grimm clone, and we slashed her with our massive greatswords and Lincoln's angelic and demonic greatswords also slashed the Tazma Grimm clone.

---

Nico: WHOA! Dang, you guys are seriously tearing her apart. Save some for the rest of us.

Lincoln and I kicked the Tazma Grimm clone away as the rest of the team landed and the Tazma Grimm clone growled in anger at me.

Tazma Grimm: YOU WILL PAY FOR WHAT YOU DID TO NECRAFA!

Me: Necrafa got what she deserved, you miserable bitch.

Zarya: And so will you. Even if you're just a clone of Tazma, you're still as bad as she is.

Me: Necrafa totally underestimated our power.

Nico: That's right!

Me: She got what was coming like you did!

Nico: We defeated you once and we can do it again!

Tazma growled ferociously!

Tazma Grimm: YOU FUCKING MYSTICONS! THIS IS ALL YOUR FAULT! IF YOU HADN'T BUTTED IN WE WOULD BE RULING THIS WORLD! YOU JUST HAD TO GET INVOLVED!

Arkayna: You are completely delusional Tazma!

Me: Yeah you deluded and traitorous loser! Necrafa was going to destroy the entire universe and rule over it in the name of Evil.

Eli: Yeah! She would have killed you after she was done with you.

Kaito: CHANGE ZENKAI!

He turned into the Zenkaiser!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

He was ready for action!

Lola: Yeah!

Tazma: I DON'T CARE HOW MANY…

KROW!

Zarya kicked her in her face and smashed her into a rock and she screamed in pain!

Me: Nice one!

Kaito got out a Sentai gear.

He used the Changeman Gear!

Kaito: Try this! AURA OF THE STARS!

He flared up an aura in the shape of a Star Dragon and fired waves of stars and blasted Tazma all over.

Me: Awesome! Time for this too!

I used the Saber Gear on my sword and it formed into a Wonder Ride Book Sword!

Me: Cool! This will be interesting! Saber Riders?

Touma: Lets do it!

They put their Wonder Ride Books on my sword in a 12 Point Star Formation.

Me: (Quoting Verse) "The 12 Swords United with the power of the heros blade and with the combined power of all the swords and their books they granted the power to defeat the mightest of enemies."

It formed into an awesome UNIVERSE LITERATURE SWORD!

Me: WHOA!

Nico: That is cool!

Camie: Wow!

2012 Mikey: Booyakasha!

He bashed Tazma all over.

Me: Lets see what this baby can do. FIRE OF THE BRAVE DRAGON!

I swung my sword and it formed a massive vortex of fire that formed into a Fire Dragon!

Me: (Quotes Verse) "With a mighty swirl of fire rising out of the deepest abyss, a mighty dragon rose from the depths ready to deliver justice to its enemies and bring those that were evil to oblivion."

The dragon fired a wave of fire and I fired waves of fire and blasted Tazma all over!

Qin: WHOA!

Touma: That was awesome!

Me: How about this. THE COLD OF THE ICY LION!

I swung my sword and it formed a vortex of ice that formed into an Ice Lion!

Me: (Quotes Verse) "From the Cold of the Ice Lands of the frozen north came the mighty king of the icy lands, the Lion of Cold and he was ready to defend the lands of cold against all evil."

He roared and blasted ice blasts and they hit Tazma and blasted her

all over.

Lana: Awesome!

Rintaro: Wow! That was amazing!

Mikey Kudo: Digimon Fuse!

Shoutmon merged with 10 Digimon and formed into SHOUTMON X10!

Nico: OH YEAH!

He charged at her and slashed and blasted Tazma all over!

Qin: Take that!

Me: I call down the Thunder! STRIKE OF THE GENIE OF THE LAMP OF LIGHTNING!

I swung my sword and massive strikes of yellow lightning hit all over!

Me: (Quotes Verse) "With a rub of the lamp, the mystical Genie of the Lamp came to grant a powerful wish and bring the great desire to his master and that was to strike his enemies with powerful lightning from the heavens."

I fired a wave of lightning and it hit Tazma and electrocuted her!

Laney: Awesome!

Lincoln: WOW! That was awesome!

Kento: Wow! That was awesome! Well done!

Me: Thanks.

Suddenly, Zarya's eyes turned neon blue, as she was surrounded by a blue and snow white energy aura with stars, moonlight, magic, wolves, phoenixes, and angels surrounding her, she unholstered her Zarya Moonwolf's Eternal Angelic Mystic Wolf Phoenix Bow of Mysticon Wolf Ranger Justice, and as she approached the Tazma Grimm clone, she left behind blue and snow white energy, stars, moonlight, magic, wolves, phoenixes, and angels with every step.

Zarya: Even if you're just a clone of Tazma Grimm, you're still just as evil and fucked-up as she is, but even worse, you were given life thanks to that monstrous demon, Universe 666 Sebastian, you reek of the Infernal Darkness that brought you to life, and you must be destroyed here and now.

Suddenly, Zarya was surrounded by a massive vortex of blue and snow white energy with stars, moonlight, and magic surrounding it, there's a pack of wolves running around the vortex, and in the vortex is a snow white phoenix with red eyes glaring at the Tazma Grimm clone: the red eyes of judgement. Then, as the vortex faded, Zarya Moonwolf emerged, but she was changed forever.

We were amazed by Zarya's Super Angel-Mysticon Wolf Ranger-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on her face, hearts in my eyes, steam whistling out of my ears, my nose was bleeding, and I almost let out a wolf howl. But, when the Tazma Grimm clone saw it, she went mad and fired a blast of darkness at Zarya to kill her as she was laughing malevolently, but Zarya fired a massive barrage of blue and white energy, stars, moonlight, magic, wolves, phoenixes, and angels which hit the Tazma Grimm clone and exploded with such incredible power, she got back up, but now, she was beyond pissed off beyond anyone's imagination.

Zarya: (Divine Echoing Godly Voice of The Stellar Moonlight Magic Mysticon Wolf Ranger January Wolf Moon God Phoenix Angel and Divine Cosmic Stellar Moonlight Magic Mysticon Wolf Ranger January Wolf Moon God Phoenix Angel Love) **You're through causing havoc, Tazma.**

Me: You're finally going to get what you deserve, bitch!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Even if you're just a clone, you are done causing havoc once again, Tazma Grimm. Now, we shall put a permanent end to your miserable fucked-up life here and now!**

Lincoln, Zarya, and I went after the Tazma Grimm clone who was still laughing like the fucked-up monster he is, and we fired extremely powerful blasts of rainbow energy, blue and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the Tazma Grimm Clone, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws and Zarya fired arrows at her, and he, Zarya, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Tazma Grimm clone even more insane and straight to the brink of insanity.

Tazma Grimm Clone: YOU! YOU! I WILL KILL YOU ALL! QUEEN NECRAFA SHALL BE AVENGED!

The Tazma Grimm clone went at us mad with rage and insanity as we saw a black and dark purple aura form around her: we knew all along it was the Infernal Darkness of Universe 666 Sebastian that had given him life. Sebastian fired blasts of Divine Darkness which hit the Tazma Grimm clone, and she lost the additional dark powers that lunatic gave her.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Necrafa got her just desserts, and so will that fucked-up lunatic who brought you to life.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And he'll also die a horrible death for his crimes too. Now, time for you to say farewell. PARASITIC SYMBIOTE ENERGY DRAIN!

Lincoln fired tentacles of symbiote goo with mouth-like suckers, and as they latched onto the Tazma Grimm clone, Lincoln began sucking out and absorbing her energy and assimilating her powers and dark magic as streams of blue energy were being sucked out of the Tazma Grimm clone and flowing into Lincoln and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, as Lincoln sucked out the last of the Tazma Grimm clone's energy, she was now absolutely weak and drained of energy.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to finish you off for good. CONFLAGRATION OF FIRE AND ICE!

Lincoln formed orbs of orange energy surrounded by fire and orbs of blue energy surrounded by ice and sent them right at the Tazma Grimm Clone, and when the orbs touched her, the orbs immediately destroyed her in a fiery explosion and he sent the clone's spirit to The Black Gates. Everyone cheered as Lincoln and I holstered our massive greatswords on our backs and Zarya holstered her bow on her back and powered down, and Zarya's new body, clothes, weapons, jewelry, gold halo, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Nico: And good riddance, bitch, and was that a new Ra'Dos spell you made, Lincoln?

Lincoln: Yep, it's called Conflagration of Fire and Ice, and as you saw, the orbs were surrounded by fire and ice: the two eternal forces in the universe.

Me: So awesome, and we've been creating new spells from our friends from Ra'Dos as well.

Eli: And we saw how powerful those spells we created are.

Ace Bunny: Say, Lincoln, did your miniature camera find out how that madman was able to create those clones?

Lincoln: Yep, I found out he collected the blood samples of Tyrian Callows and Tazma Grimm and he created them along with the clones of the Akumatized Villains, and he did use black magic to create them and infect the resurrected Universe 666 Z-Fighters' foes and he used his powers of poisonous darkness to give them more dark power, but as we saw, Sebastian's Divine Darkness has the ability to destroy the poisonous darkness.

Me: (GASPS)

Nico: WHOA!

Eli: But, thanks to what you did in stripping him of his powers of poisonous darkness, now he won't be able to cause any more trouble.

Lincoln: That's right. Now, to really piss him off.

Lincoln threw a bomb at his castle in Acme Acres on the grounds where Perfect Prep stood and once it went inside, it exploded as it hit him. We heard him let out a demonic roar.

Me: Up yours, crazy!

Buster Bunny: Plus, the next one to face another of his mind-controlled minions is Taz.

Nico: Uh… oh. I can already tell it's going to get wild.

Me: Really wild.

Lincoln: You said a mouthful.

Poromon: I would like to go home now.

Nico: You're excused.

He teleported back.

Me: Boy that equation must be important.

Xenia: Yeah.

Nico: I think it is.

Maria: I get the feeling that we're gonna regret that.

Me: Yeah me too. (GULPS)

Nico: Same here.

Lola: Yeah.

Nico: But still, nice job!

Me: Yeah!

Lola: No kidding there.

Qin: Yeah. I wonder what it is?

Me: Poromon is trying to find the answer to the 50th Dimensional String Equation.

Manaphy: I'm very concerned about him.

Me: Me too.

Nico: Same here.

Poliwag: Yeah me too.

Me: Yeah.

Eli: Lets see what Anothers we got. (Concentrates) WHOA! We got Another Ice King, Flame Queen, Ricardio, Evil Heat Man and Hank Scorpio.

Me: Whoa!

Camie: Wow! Villains of Ooo.

Me: I still can't get over how Ricardio was causing all that trouble inside my stomach.

Eli: That was gross!

Nico: Who's up?

Me: Water Princess, Ember and Luna (Sailor Moon).

Nico: Nice!

Water Princess: This will be awesome.

Ember: Yeah it sure will be fun.

Eli: I sense that the Anothers minus Hank Scorpio are 2 people.

Me: Wow!

Nico: Yeah this will be interesting.

Lola: Yep.

Nico: There they are!

We saw Another Ice King, Flame Queen, Ricardio and Evil Heat Man!

Me: Whoa!

Lola: This is gonna be fun.

Another Ice King: (In a girls voice) It sure will be fun.

Another Ricardio: (In a girls voice) Yeah no kidding.

Me: (Gasp) That voice. Stacy Stalactite!?

Lincoln: And Sonia Sona!? Whoa!

They merged and reverted back. The first girl was a girl with brown hair and brown eyes and had brown clothes and had brown angel wings and had a tiara with the symbol of the Stalactite Dopant on it and the same symbol on her skirt and had a crystal sword. The second girl had golden hair and had yellow eyes and purple clothes and fire angel wings and she had the Son'a Symbol in the middle of her forehead and on her skirt and she had an awesome star keyblade.

Stacy Stalactite: Awesome to see you again J.D.

Sonia Sona: And you as well Lincoln. Wow! You have changed a lot.

Lincoln: I get that that a lot.

Me: Stacy is the embodiment of the Stalactite Dopant and she has the power to make caves and she is also a cave explorer and adventurer.

Nico: Cool!

Lola: That is awesome.

Nico: And Lincoln care to introduce us?

Lincoln: Sure Nico. This is Sonia Sona, Keyblade Knight of Planet

Ba'Ku and Leader of The Ba'Ku and Son'a, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Ba'Ku, and she's not only The Keyblade Knight of Ba'Ku, she's the leader of both the Ba'Ku and Son'a and she's also the leader of the Son'a Solidarity, and she also has intense and powerful light powers. She helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of light.

We were amazed.

Me: Wow! Picard told me all about Baku. It's beautiful and has Metaphasic Radiation that can cure all kinds of diseases and more.

Nico: Wow!

Laney: Yeah.

Me: By the way is the Another Hank Scorpio friendly or hostile?

Sonia Sona: Friendly and she is a strong and amazing one.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Nico: YEAH!

Maria: Better call in backup. (TURNS DIAL) AQUA FORCE FURY 6!

She summoned Aqueduct, Pisces Zodiarts, Dr. Mingo, Ember Woman, Liquidroid Wateru and Syren!

Lola: Yeah!

Nico: And now we wait.

Me: Mr. Krabs are you still going to cut off the Mascots butts after what they did yesterday?

Mr. Krabs: That was if they threw a party. And there was none.

Me: I know. I was just testing you to see if you were going to do that.

Mr. Krabs: (LAUGHS) No not after what we saw. That be a fine display there.

Me: It sure was. Wait look!

We saw Another Hank Scorpio!

Me: Another Hank Scorpio.

Nico: Whoa!

Another Hank: (In a girls voice) No offense but this form is not for me.

Me: That voice.

She reverted back and was a girl with neon pink hair, pink eyes, pink clothes and had pink angel wings and had a tiara with the symbol of the Buffalo Dopant on it and the same symbol on her skirt and had a crystal sword.

Me: Brenda Buffalo! Wow!

Brenda Buffalo: Awesome to see you again J.D.

Me: You too. Believe it or not guys, Brenda is not only the embodiment of the Buffalo Dopant and has powers over nature and the countryside and all of the buffalos but also she is girl that sold me and my family our awesome house 7 years ago. She's a real estate agent.

Nico: Wow! I didn't know she helped get you your house that lead to you moving to Michigan.

Lincoln: That is awesome!

Brenda Buffalo: It sure is.

Me: Yep.

Eli: Neat!

Me: Yep. Also Brenda is a former Supervillain. She used to be like you Hank.

Hank Scorpio: Hang on. That look in your eye. Were you a supervillain once?

Brenda Buffalo: Yeah I had a hidden volcano lair in the mountains. But I decided that it wasn't the best life for me. So I went into Real Estate and it's good money for me.

Hank Scorpio: Well that's okay. Being a supervillain is not for everyone. But that's great you sell houses like me.

Brenda Buffalo: It sure is.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Brenda Buffalo: No he didn't. He saw that I was a former supervillain in my eyes and got a cowardly yellow stripe and then sent me on my way.

Me: She had quite a very fierce reputation before she retired so to speak.

Nico: Wow! That is amazing.

Brenda Buffalo: I know.

Lincoln: Lets separate you first.

He fired a wave of energy and separated her.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Brenda Buffalo: Awesome!

She slashed the Another all over and bashed him down with a powerful ram attack.

Nico: This will be awesome! (ACTIVATES HANK SCORPIO AND EVIL HEAT MAN'S RIDEWATCHES)

He fired waves of fire and blasted the Another.

May: Take this! (ACTIVATES BADONNA AND MORTICON'S RIDEWATCHES)

She fired waves of fire and blasted down the Another.

Maria: And this too! (ACTIVATES EL JEFE AND PRESIDENT KOOPA'S RIDEWATCHES)

She fired waves of lightning and fire and blasted the Another!

Jinora: Take this too! (ACTIVATES EVIL HEAT MAN'S RIDEWATCH)

She fired a wave of fire and smashed the Another.

Brenda Buffalo: They used to call me The White Buffalo.

Me: That's the most sacred animal in all of Native American Lore.

Brenda Buffalo: Yep. It was my supervillain name which was cool.

Me: That is awesome.

Maria: Since you are a former villain you are definitely a worthy candidate of the Redemption Squad.

Me: Yep.

Then Radioactive Man, Nuclear Man, Void Knight, Tesla, Jasdevi and Evil Magic Man came.

Nico: Nice team Radioactive Man.

Radioactive Man: Thanks. It sure is cool.

Me: Yep.

?: I agree!

Aqua Man came.

Me: Awesome! Aqua Man!

Aqua Man: (In a girls voice) It sure is awesome.

Nico: Adalia Aqua!? Whoa!

Adalia Aqua: Yep. Awesome to see you. I got this.

She fired a wave of water and blasted the Another and I caught the ridewatch and purified it.

She then reverted back and had aqua blue hair and blue eyes and had blue clothes and had blue angel wings and a symbol in the middle of her forehead for Aqua.

Adalia Aqua: That was awesome!

May: It sure was!

Qin: Yeah!

May: And I didn't get hit!

Me: Yep.

Jinora: Do you have a favorite memory of Nico?

Adalia Aqua: When me and Nico went underwater and found an awesome crystal cave under a sunken ship.

Lola: Wow! That is amazing.

Nico: Yeah it was.

Nico and Adalia hugged.

Nico: I've missed you.

Adalia Aqua: Same here.

We later went home.

It appears our lowlife cheating overly-competitive asshole enemies, Stan and Steak Stankco, have broken out of The Broccoli Mine Prison in Saskatchewan, Canada, and the bad news is they've been eating nothing but broccoli for the last few years, and that with the constant mining and all that hard labor that we condemned them to has turned those meathead morons into hulking musclebound freak behemoths, and with that newfound physical strength, they broke out and they want revenge on us, fat chance of that happening.

Lincoln: Wow, we're here in Florida, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got bad news.

Me: What is it?

Lincoln: It appears our lowlife cheating overly-competitive asshole enemies, Stan and Steak Stankco, have broken out of The Broccoli Mine Prison in Saskatchewan, Canada.

We gasped.

Nico: Oh no, not those bastards. How the Hell did they break out of The Broccoli Mine Prison?!

Lincoln: The bad news is they've been eating nothing but broccoli for the last few years, and that with the constant mining and all that hard labor that we condemned them to has turned those meathead morons into hulking musclebound freak behemoths, and with that newfound physical strength, they broke out and they want revenge on us.

Eli: That's not good at all.

Akiza: We need to stop them, and you know what that means, Lincoln?

Lincoln: Yep, those two musclebound freaks are going to be drained of their massive muscle mass, virility, and physical strength. But, I've also got a brand-new curse for them.

Me: This I got to see.

Camie: Who are the Stankco's?

Me: Oh they were 2 sore losers that Lincoln and Mr. Lynn faced in The Legends of The Hidden Temple and we helped them win and exposed them for being cheaters.

Camie: Wow!

Nico: That was so fun seeing that show.

Me: Brought back so many good memories.

Suddenly, we saw eight beautiful and super sexy squirrel girls with long hair in violet, magenta, orange, blue, pink, yellow, red, and black, purple hairbands, blue eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, violet, magenta, orange, blue, pink, yellow, red, and black angel wings, and they were dressed in purple sleeveless tops, purple skirts, purple knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, elements, light, phoenixes, and angels on the coattails and on the back are The Autobot Fliers, holstered on their backs are massive greatswords, and with them are the six girls.

Lincoln: (GASPS) Akane Nanaya, the Silverbolt Gene-Slammer, Bella Nanaya, the Jetfire Gene-Slammer, Chara Nanaya, the Air Raid Gene-Slammer, Dana Nanaya, the Breakaway Gene-Slammer, Elenore Nanaya, the Wing Saber Gene-Slammer, Kiara Nanaya, the Whirl Gene-Slammer, Linda Nanaya, the Powerglide Gene-Slammer, and Nala Nanaya, the Stratosphere Gene-Slammer A.K.A. the Nanaya Sisters.

Akane Nanaya: That's right, and we got the six girls away from those musclebound meathead freaks.

Suddenly, we felt the ground rumbling.

?: LOSER LOUDS! YOU WILL PAY FOR WHAT YOU DID IN HUMILIATING US!

Suddenly, we saw two massive figures heading for us, they were none other than Stan and Steak Stankco, and they were indeed massively ripped with abnormally massive and powerful upper and lower body muscles and eight-pack abs because of eating nothing but broccoli and forced to work in there for the last few years. Suddenly, we saw Stan and Steak pick up and throw two boulders at us, but Lincoln and I smashed them into dust with one punch.

Sylvester: Okay, you overgrown musclebound behemoths, now you're really going to get it!

Then, they got out and punched me and Lincoln with a flurry of punches in the face and stomach!

POW!

But, their punches had no effect on us as we had superhuman tough skin and we were as hard as the toughest and strongest steel thanks to years of training. Then, we punched Stan and Steak Stankco in the face and knocked them down.

Stan Stankco: How?! How is this possible?!

Steak Stankco: You two losers are even stronger than us?! This isn't right, we're better than you!

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Oh, shut it already, you meatheads!

Well, then, you left us with no choice.

Lincoln fired vacuum tubes from his chest which latched onto Steak Stankco's chest, and then, the vacuum tubes literally began sucking Steak Stankco dry of all his massive muscle mass, virility, and massive physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, I fired vacuum tubes from his chest which latched onto Stan Stankco's chest, and then, the vacuum tubes literally began sucking Stan Stankco dry of all his massive muscle mass, virility, and massive physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and his massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I also grew even stronger.

Then, when Lincoln and I were done, the vacuum tubes detached themselves from the chests of the two meatheads and went back into Lincoln and I, Stan and Steak Stankco were now thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength.

Stan Stankco: (SCREAMS) W-what did you do to us?!

Steak Stankco: My muscles, my ripped muscles are all gone!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We sucked you two dry of your massive muscle mass, virility, and massive physical strength. Now, to give you two a punishment you will never forget.

Lincoln chanted an incantation and he fired red energy blasts which hit The Stankcos, and we saw a barbell appear on their backs, and he beamed them back to The Broccoli Mine Prison. We cheered as we holstered our weapons and powered down.

Nico: That'll teach them, but what was that curse you gave them, Lincoln?

Lincoln: That was my new curse that I call Min's Egyptian Virility Drain Curse, this curse is meant for musclebound meatheads like The Stankcos. This curse will give them back the bodies they gained since their time in The Broccoli Mine Prison, but here's the catch: once they reach back to the same physical strength and virility level they'd gained, the curse will suck them bone dry of their muscle mass, virility, and massive physical strength and be given to me, J.D., and all the males on the team.

Me: Whoa!

Nico: Damn, that's cruel and sadistic. (Smirks) Nice one.

Lincoln: Those meatheads got what was coming to them, and now, they have that curse on them that will hurt them even more. (To the

Nanaya Sisters) And it's so good to see you and your sisters again, Akane.

Akane Nanaya: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Makoto.

Makoto Nanaya: You too, Akane.

Lincoln went up to The Nanaya Sisters and he hugged them, and The Nanaya Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you girls since you were seventeen, and as you can see, I really grew a lot since then.

Bella Nanaya: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Chara Nanaya: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these eight girls?

Lincoln: Indeed I do, J.D., meet Akane Nanaya, the Silverbolt Gene-Slammer, Bella Nanaya, the Jetfire Gene-Slammer, Chara Nanaya, the Air Raid Gene-Slammer, Dana Nanaya, the Breakaway Gene-Slammer, Elenore Nanaya, the Wing Saber Gene-Slammer, Kiara Nanaya, the Whirl Gene-Slammer, Linda Nanaya, the Powerglide Gene-Slammer, and Nala Nanaya, the Stratosphere Gene-Slammer A.K.A. the Nanaya Sisters, these eight girls are my Guardian Angels from Japan and classmates in Gym, and like their sister, Makoto Nanaya, they're squirrel girls and deadly but beautiful martial artists. They, Makoto, and I would all practice martial arts together and even fought off those who would try to harm me.

Makoto Nanaya: And they're easy to identify: Akane has violet hair with matching crop top and mini skirt, Bella has magenta hair with matching crop top and mini skirt, Chara has orange hair with matching crop top and mini skirt, Dana has blue hair with crop top and mini skirt, Elenore has pink hair with matching crop top and mini skirt, Kiara has yellow hair with matching crop top and mini skirt, Linda has red hair with matching crop top and mini skirt, and Nala has black hair with matching crop top and mini skirt.

Selene Emperyous: Along with the fact they're squirrel girls. After

Makoto and her sisters saved Lincoln's life from chandler and his goons and that was before Ronnie Anne came into the picture, Lincoln ended up taking Makoto and her sisters on a date to a lake where they kissed each other on the lips while underwater. Lincoln made the Nanaya Sisters beautiful bracelets, and to show thanks, they each kissed Lincoln on the lips. As a result, Lincoln ended up falling in love with Makoto and her sisters and swore that when he comes of age, he will marry Makoto and her sisters along with the rest of his harem, and they hate Chandler and his goons with a passion.

Nico: Sheesh, I hate to find out what Chandler and his goons did to piss them off.

Lincoln: Trust me, you'd be that pissed off to find out what they did, and now that you and your sisters are here, Akane.

Lincoln went up to and hugged each of The Nanaya Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane Nanaya: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, eight Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Nanaya Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Bella Nanaya: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Nanaya Sisters.

The Nanaya Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Saki Tsukikawa and Riri Manabe from Marshmallow, Imouto, Succubus, Touko Sakuramachi, Kanna Akizono, and Tsukino Yomisawa from Succubus Stayed Life, and Elvira from Elvira: Mistress of the Dark.

Lincoln: Oh wow, it's Saki Tsukikawa and Riri Manabe from Marshmallow, Imouto, Succubus, Touko Sakuramachi, Kanna Akizono, and Tsukino Yomisawa from Succubus Stayed Life, and Elvira from Elvira: Mistress of the Dark.

Goths of Darkness: GASP! Did you say… Elvira?!

Nicole: Oh man, I knew Brittney would freak out. Elvira is one of her favorite Gothic characters and she watched Elvira: Mistress of the Dark and she loved the movie.

Lincoln: Wow. (To the girls) Are you girls okay?

Saki Tsukikawa: Yes, we're okay, thanks to you.

Elvira: Whoa, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Saki Tsukikawa: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Saki Tsukikawa, Riri Manabe, Touko Sakuramachi, Kanna Akizono, Tsukino Yomisawa, and Elvira with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We told everyone what had happened, and they were shocked to find out the villains we went after were our lowlife cheating overly-competitive asshole enemies, Stan and Steak Stankco, who have broken out of The Broccoli Mine Prison in Saskatchewan, Canada, and the bad news is due eating nothing but broccoli for the last few years and the forced hard labor in the mines has turned those two meatheads into hulking musclebound behemoth freaks, and with their newly gained strength, they broke out to get revenge on us.

But, when Lincoln showed what we did in beating those two senseless and Lincoln and I sucking Stan and Steak Stankco bone dry of their muscle mass, virility, and massive physical strength, and finally, Lincoln giving them his new curse called Min's Egyptian Virility Drain Curse, a new curse that's meant for musclebound meatheads like The Stankcos, which'll give them back the bodies they gained since their time in The Broccoli Mine Prison, but once they reach back to the same physical strength and virility level they'd gained, the curse will suck them bone dry of their muscle mass, virility, and massive physical strength and be given to me, Lincoln, and all the males on the team, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and the Nanaya Sisters have a lot of catching up to do, now that they're back in town.

Maria: I can't believe those meatheads broke out and tried to get revenge on us.

William: Yeah. But, you and J.D. beat them senseless and you both sucked them bone dry of their muscle mass, virility, and massive physical strength.

Lincoln: Yep, and I gave them my new curse called Min's Egyptian Virility Drain Curse, a new curse that's meant for musclebound meatheads like The Stankcos, which'll give them back the bodies they gained since their time in The Broccoli Mine Prison, but once they reach back to the same physical strength and virility level they'd gained, the curse will suck them bone dry of their muscle mass, virility, and massive physical strength and be given to me, J.D., and all the males on the team.

Nico: So, we better brace ourselves once the curse activates on them.

Me: Yep. But, it serves those meathead musclebound freaks right.

* * *

After taking down Stan and Steak Stankco and Lincoln gave those two meatheads the Min's Egyptian Virility Drain Curse, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Nanaya Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Akane Nanaya: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Bella Nanaya: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Chara Nanaya: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Dana Nanaya: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Elenore Nanaya: I knew it was only a matter of time before he told

everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Nanaya Sisters played a video on the big screen and it shows Lincoln, Makoto Nanaya, and The Nanaya Sisters at Lake Superior: Lincoln was in his orange shorts and sandals and Makoto and The Nanaya Sisters were in purple two-piece bikinis and sandals, and they were having fun swimming at the lake after some training in martial arts.

Past Akane Nanaya: This is really awesome, I love coming to Lake Superior.

Past Lincoln: Same here, Akane.

Past Bella Nanaya: Plus, with all the work you've been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD SCREAM OF RAGE!

Suddenly, they heard a loud scream of rage along with catching the stench of raw sewage.

Past Lincoln: Oh great, there's no mistaking that loud scream of rage from anywhere along with the smell of raw sewage. You and your goons get out here, Chandler, so we can kick your ass even more.

Suddenly, they saw Chandler and his goons come out, and they were really out for blood again, then, he charged like a mad bull and was about to attack Lincoln, but Lincoln punched him and sent him flying into a tree. He got back out, but he roared like a madman, now he was really pissed. Then, they did the worst thing ever: Chandler got out a knife and he slashed Lincoln's orange swim shorts off, and one of his eleven massive and long white wolf tails reacted and covered his private parts. But, that got Lincoln so enraged, his face and body turned red and steam whistled out of his ears!

TRAIN WHISTLE!

Past Lincoln: Okay, that's it, you asked for it, you stupid assholes!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Chandler and his goons bellowed again and they went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to the stomachs of Chandler and his goons knocking the wind out of them, and then, he unleashed a massive storm of slashes from his massive greatsword and fired water blasts at Chandler and his goons. Then, Lincoln reared his left fist back and gave them a nasty punch to the face that sent them flying to jail.

Past Lincoln: Dang it, I can't go back home without my swim shorts.

Past Makoto Nanaya: We got you covered.

Makoto Nanaya got out a spare set of orange swim trunks that Lincoln grabbed and ran into a nearby bush and put them on and as he rejoined Makoto and his sisters, he gave them a kiss on the lips as the video ended.

Nico: (GASPS) Of all the stupid reprehensible things Chandler could ever do, this may have been his most stupidest yet!

Me: When Lincoln told us what he did, we were so pissed off beyond imagination.

Luna: You got that right.

Lincoln: Chandler and his goons were such idiots, that Dark Side of his clearly didn't know when to quit.

Nico: But, thank God Makoto and her sisters had a spare set of orange swim trunks for you in case something like that were to happen.

Akane Nanaya: We sure did. That sewage asshole and his goons had some nerve to show up and ruin everything because they still wanted to kill Lincoln again for ruining their lives! After what that jerk did in slashing off Lincoln's swim trunks, I wanted to punch Chandler in his ugly face, but Lincoln who stood in place sent him and his goons flying with one punch, but when he got out, that's when

Lincoln got serious.

Bella Nanaya: He had it coming. But, Chandler's freed of his Dark Side, while Artie and Trent are now jailbirds at The Charon Reform School for the rest of their lives.

Chara Nanaya: Thank goodness Lincoln's tails reacted after what Chandler did.

Nico: That was just disgusting.

Me: You got that right.

Lincoln: Those two and Dark Chandler deserved that, especially for that dumb stunt.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Himiko Toga A.K.A. Lady Elementa, Kyoka Jiro A.K.A. Lily the Mermaid: Whoa, now the Simulator versions of Himiko Toga

A.K.A. Lady Elementa, Kyoka Jiro A.K.A. Hearing Hero: Earphone Jack, Mina Ashido A.K.A. Pinky, Momo Yaoyorozu A.K.A. Everything Hero: Creati, Ochaco Uraraka A.K.A. Uravity, Toru Hagakure A.K.A. Izuku: You can thank us for that one.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill the Simulator versions of Himiko Toga A.K.A. Lady Elementa, Kyoka Jiro A.K.A. Hearing Hero: Earphone Jack, Mina Ashido A.K.A. Pinky, Momo Yaoyorozu A.K.A. Everything Hero: Creati, Ochaco Uraraka A.K.A. Uravity, Toru Hagakure A.K.A. Stealth Hero: Invisible Girl, Tsuyu Asui A.K.A. Rainy Season Hero: Froppy, Itsuka Kendo A.K.A. Emily, Kashiko Sekigai A.K.A. Sensor Girl, Mei Hatsume, and Jules, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder

me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Flipsville Galaxy is next.

Me: Awesome!

Lola: Yeah!

Nicole: That means Glamdozer will be next.

Nico: Yep.

Ben: Me and Rex will go next.

Nico: Awesome!

They went in and the Simulator activated and they were at FLIPSVILLE GALAXY!

Rex: Wow this is awesome.

Nico: Any tips Nicole?

Nicole: (On the radio) Well the Star is inside Glamdozer. I'll tell you how to get it when you get there.

Nico: Okay then.

Ben: Which alien should I use here?

Nico: Whichever one sounds good.

Ben: And I got just the one!

He turned into UPGRADE!

Upgrade merged with Rex!

Nico: OH YEAH!

Upgrade: Boy this is gonna be fun.

?: That is awesome!

2 figures came. 1 was a girl with purple hair and purple clothes and black angel wings and had a tiara with the symbol of oil on it and the same symbol on her skirt. The second had brown hair and green eyes and had brown clothes and yellow angel wings and had a tiara with the symbol of the D'Resh Moonland on it and the same symbol on her skirt and a cactus sword.

Delia D'Resh: Delia D'Resh, Embodiment of the Desert Moonland of D'Resh.

Olivia Oil: Olivia Oil, Embodiment of Oil Man is here.

Applejack and Liam: YEEHAW!

Applejack: Boy it's great to see Olivia.

Liam: Yeah it is!

Olivia Oil: Awesome to hear your voices Applejack and Liam.

Nico: Awesome! We can talk more later. Lets head out.

They were off.

Nico: Nicole is there anything about this Galaxy we should know?

Nicole: Well it's not called Flipsville Galaxy for show. The place is called that because there are houses that are rightside up and upside down. Crazy huh?

Nico: I can see why.

Delia D'Resh: Wow this is crazy.

Rex: It sure is.

Nico: We'll just have to roll with it.

They went along with it and got to the end and they saw GLAMDOZER! She was sleeping.

Nico: There she is.

Rex: She's huge.

Nicole: Okay you got to bash her on her belly. You have to hit her underneath her.

Nico: Easy.

Nico used his gravity powers and then lifted her up and bashed her.

She woke up and she was cranky and mad!

Nico: Hi!

She roared and was mad!

Rex: Oh now she is really mad!

Nico: (gets out Hank Scorpio and Doctor Octopus' Ridewatches) Time for genius power!

He activated them and grew octopus arms and lifted her up and smashed her on her belly and then Delia and Olivia blasted

Glamdozer and Nico smashed her down.

Then she got RAGING MAD! Steam shot out as she turned red!

Me: WHOA! Now she is mad!

Rex and Ben blasted her and she then exploded and out came the star!

Nico: There's the star!

They went and got it!

YOU GOT A STAR!

Delia: That was fun!

Olivia Oil: Yeah!

They all high five!

Nico: How did you meet Applejack and Liam?

Olivia Oil: I fixed some of their equipment for them and oiled it up for them.

Nico: Wow! That is cool!

Olivia Oil: Yep.

Nico: Would you two like to join the team?

Delia: We would be honoed.

They left and we cheered for them and Rex and Olivia hugged both Applejack and Liam.

Poromon stood in the middle of the room. His whiteboard is behind him. Every few moments he turns round suddenly.

May: Whatcha doing?

Poromon: I'm attempting to view my work as a fleeting peripheral image so as to engage the superior colliculus of my brain.

May: Interesting. I usually just have coffee. You've been up all night?

Poromon: Is it morning?

May: Yes.

Poromon: Then I've been up all night.

May: And you're stuck?

Poromon: Why else would a person try to engage their superior colliculus?

May: Oh, sorry, sweetie, I can't help you till I've had my coffee.

Nico: May, I told you if you don't put him in his crate at night he just runs around the estate.

May: What is he doing now?

Nico: Mmm, he's either isolating the terms of his formula and examining them individually, or looking for Tick Tock to see how he's doing since his favorite prey is gone for good.

Poromon: Tick Tock has been with us since we met him. If you're gonna mock me, at least remember stuff.

Nico: Aye, aye, Captain.

Poromon: You referencing Captain Hook doesn't help.

Nico: Noted.

Poromon: I can't see it! It just won't coalesce.

Nico: Maybe you need a fresh start.

Poromon: You're right. (Takes whiteboard to window and throws it out. A car crashing is heard as he Picks up a new one) It's a great idea, Nico. Thank you.

Curly: Did you just cause a car accident?

Moe: No you buzzard brain he caused a flower to grow.

SLAP!

He slapped him.

Me: (LAUGHS) Funny!

Valiant: Lewa, I'll never regret meeting you.

Lewa: Me neither. And it was awesome that J.D. helped too because of his family's history with World War II.

Valiant: That is true.

Me: Yeah that was fun.

May: Hey, Poromon. (Steps on marbles which are all over the floor, screams and falls)

CRASH!

Nico: Oh, my God! Are you… (falls as well)

SMASH!

Poromon: Good Lord! You're ruining everything!

May: Oh, damn.

Nico: Are you okay?

May: Do I look okay?

Nico: Don't bark at me. I fell, too.

May: Right. Sorry.

Me and Eli helped them up.

Ren: Poromon, what the hell are you doing you eediot?

Poromon: The same thing I've been doing for three days. Trying to figure out why electrons behave as if they have no mass when traveling through a graphene sheet.

Manaphy: With marbles?

Poromon: I was going for peas but they were too small.

Me: Electrons are small with only a diameter of only a few billionths of an inch.

Manaphy: Poromon, when was the last time you got any sleep?

Poromon: I don't know, two, three days. Not important. I don't need sleep, I need answers. I need to determine where in this swamp of unbalanced formulas squatteth the toad of truth.

May: Toad of truth? Is that a physics thing?

I shrugged.

Nico: No, that's a crazy thing.

Manaphy: Okay, Poromon. What happens to our neuroreceptors when we don't get enough REM sleep?

Poromon: They lose their sensitivity to serotonin and norepinephrine.

Manaphy: Which leads to…?

Poromon: Impaired cognitive function.

Manaphy: Right, so march in there, brush your teeth and go to bed.

Me: You need it bad.

Poromon: But I don't want to go to bed.

Me: NO POUTING MISTER!

Manaphy: I'm going to count to three. One…

Poromon: Oh, all right.

Me: Or no beer for a week!

Nico: That was amazing how you handled him.

Manaphy: I am his girlfriend, after all.

Stimpy: It sure was cool! Huh Ren?

Ren: You said it pal.

Valiant: I'm also grateful that you helped kill Von Talon.

Lewa: That was awesome.

Me: Yeah it sure was. It was like what my grandfather went through all those years ago.

Nico: That was awesome.

Lola: Boy no kidding.

Nico's phone rang and he answered it.

Nico: Hello? Yeah, I'm Nico Chan. Yeah, yeah, he's my Digimon partner. Oh, God, is he okay? Yeah, alright, alright, I'll be right there.

May: What happened?

Nico: Poromon's escaped and is terrorizing the village.

May: Okay. Have fun.

Swindle: Do I even want to know where he's terrorizing?

Me: (SIGHS) We better go get him.

Qin: Yeah.

We were off.

Valiant: I'm just sorry that it took you so long to have a big mission.

Lewa: I know but it was still fun and cool.

Lola: Yeah it was.

Nico: Yep.

Me: And the best part out of all that was reuniting with my sister after 10 years.

Lewa: That's true.

We were over at the arcade and pizza restaurant

Nico entered a children's play area.

Nico: Hi, I'm Nico Chan. Where is he?

Security Guard: Ball pit.

Nico saw Poromon in a ball pit building carbon atoms out of plastic balls.

Me: (LAUGHS) That's cool.

Nico: Thanks for not calling the cops.

Security Guard: Oh, hey, it's no big deal. My sister's got a kid who's special.

Nico: Yeah, well, he's extra special. (to Poromon) Hey, Poromon. What you doing?

Poromon: Size ratio was all wrong. Couldn't visualize it. Needed bigger carbon atoms.

Nico: Sure, sure. How did you get into this place?

Poromon: Back door has a five-pin tumbler system, single-circuit alarm. Child's play. You can start sorting protons and neutrons while I build carbon atoms.

Nico: No, I don't think so. We need to go home now.

Poromon: But I'm still working.

Nico: Poromon, if you don't come out of there, I'm going to have to fucking drag you out!

Me: Nico no need for language here there are children.

Nico: Oops sorry.

Poromon: You can try, but you'll never catch me. (He disappears under the balls)

Nico: For God's sakes. Poromon, come here! (goes in after him)

SPLASH!

Poromon: (popping his head up) Missed me! (Disappears, pops up in another place) Missed me! (And again) Missed me! (And again) Missed me! (And again) Missed me!

Sunstreaker: Have fun, Nico!

Me: Oh for crying out loud! Eli?

Eli: I'm on it.

Eli used the Force and grabbed Poromon.

Valiant: I guess it was thanks to me that you reunited with your sister, huh?

Me: Yes it was.

Qin: That was cool.

Lola: Yep.

Poromon: I'm Sorry, guys.

Bubble Man: It's okay, Poromon. How about we help you solve this problem so you can get some sleep?

Poromon: (YAWNS) I would like that.

Me: I actually know the answer to that. The mass of a Carbon atom is 12.011 u or the Carbon 12 Atomic mass is 1.99264687992(60).

Nico's head started to hurt.

Lisa Loud: He's correct!

Poromon: Thank you!

Me: You're welcome.

Nico: How did you know that J.D.?

Me: Lisa has been teaching me all about atomic and quantum science including the mass and sizes of atomic particles and subatomic particles.

Nico: (DRONING AND DROOLING)

His head was sparking and smoking.

Eli kicked him in the butt and was back to normal.

Nico: Thanks Eli. But I'm impressed.

Me: I know.

Nico: Now, lets get you to sleep.

We got Poromon to his room back at the estate and Manaphy was looking out for him.

We went back to the living room.

Me: Poor Poromon is gonna be out for a while.

Camie: He sure is.

Me: Also the 50th Dimensional Unified field theorum is 6.272346.

Lisa Loud: Not really sure about that but you might be onto something.

Nico: I can't believe I chased him through a ball pit!

Duncan: It could have been worse Nico. You could have found a kid in there that was lost and he called you mama.

WE LAUGHED!

Me: (LAUGHS) I remember that! That was funny.

Courtney: (LAUGHS) That was true.

Me: (LAUGHS) No offense Duncan but that was really funny.

Duncan: None taken J.D. But yeah.

Nico: But I'm glad it's over.

Me: It is.

Nico: Thanks for solving that J.D.

Me: No problem. But thank Lisa for teaching all that to me.

Lisa Loud: You're welcome. It was the least I can do.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Rocky, the criminal gangster, and he's come back for revenge against Rover Dangerfield. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront

today, it's none other than Rocky, the criminal gangster, and he's come back for revenge against Rover Dangerfield.

We gasped.

Me: Oh man. But, if I remember right, he got taken by his fellow gangsters and thrown off Hoover Dam.

Eli: He was LITERALLY sleeping with the Fishes.

Nico: Something must've brought him back from the dead.

Lincoln checked his miniature camera on his wrist computer on his left gold Bracer, and he saw the footage and he saw who it was that did this: it was Universe 666 Sebastian.

Lincoln: That dirty psychopathic bastard!

Buster Bunny: Leave that one to me.

Buster Bunny opened a portal and he threw a bomb of tar and feathers at Universe 666 Sebastian and he was covered in tar and the feathers covered him last as the portal closed. That made that lunatic roar with rage.

Goten: You tarred and feathered him, didn't you?

Babs Bunny: He did.

Nico: Classic. Okay, let's head down and help Rover Dangerfield deal with that mug.

Babs Bunny spin-changed into a gangster.

Babs Bunny: (Gangster voice) It's curtains for ya, Rocky. Curtains!

We were trying to hold in our laughter, but we failed and busted out laughing.

Maria: (LAUGHING HYSTERICALLY) BABS, YOU ALWAYS KNOW HOW TO CRACK PEOPLE UP!

Lincoln: She always knows how to really make people laugh, especially when she disguises herself as someone else.

Me: Yeah and also I love Rover Dangerfield. He was voiced by the late Rodney Dangerfield.

Luan: Boy I loved all his comedy acts! They were funny.

Moe Howard: Good old Rodney. He was a classic act back during our time.

Me: He was awesome.

Eli: He sure was!

Me: (Imitating Rodney Dangerfield) I don't get no respect! And that bad girl Tazma she was so stupid!

WE LAUGHED!

Nico: (LAUGHS) That is for sure!

Qin: Yeah that is funny!

Nico: Shame Poromon and Manaphy are missing out.

Poromon: No I'm not!

Manaphy: Me neither.

We saw them.

Me: Clones?

Poromon: Yep. Contingency plans just in case.

Manaphy: Yep. Just in case we are out of commission.

Me: Clever. Looks like the mascots had the same contingency plans we have.

Laney: Yep.

Nico: Not to be confused with the Tazma clone we fought!

Me: Yeah.

Varie: Still funny though.

Camie: Who is Rocky?

Me: A Ruthless gangster (Imitating Rodney) He's a man that smells like low grade dogfood.

We laughed!

Nico: (LAUGHS) That is funny!

I went over his history.

Rocky is the main antagonist of the 1991 animated film Rover Dangerfield.

He was voiced by Sal Landi.

Rocky is a young man with slick, black hair, blue eyes, a white or black shirt, and blue, black, or gray pants. He is almost always seen smoking a cigarette.

Biography

He is first seen in Connie's dressing room. After he sees the dogs, he kicks them out of the room. Later he is seen with two gangsters, offering them jewelry in exchange for money.

He is interrupted by a bone and the gangsters thought they heard a gunshot and start to run away from him, thinking he's a cop in disguise that set them up. He tries to tell them that it was those two dogs but they do not believe him and left him after telling him he just blew his last chance. As a result, Rocky gets mad and throws the bone at the window and tells Rover that he's going to get him. When Connie goes on a trip for two weeks, he reluctantly agrees to watch her dog. Turns out, he saw this as a chance to murder the dog as soon as Connie left. Rocky attacked Rover until he was out cold and stuffs him in a bag and he throws the bag over the Hoover Dam.

Later when Rover returns, he is shocked to see him alive. Rocky is attacked by him but knocks him away and says he thought he got rid of him for good. Unfortunately for him, Connie overhears this and unsurprisingly, she dumps him as a result with a slap on the face.

Infuriated about that, he threatens to beat her, but Rover attacks him. He sees the other dogs growling at him and he cowardly runs away, as Rover the other dogs pursue him down the stairs and through the entire casino. He later ran outside at the drive lain where he sees the limo with his gangster friends inside of it, and Rocky rushes in the car with no second thought. He thought he was safe from Rover, but his victory was cut short when the gangsters reminded him of the setup from earlier in the movie. They asked him if he wanted to see the Hoover Dam, much to Rocky's horror. He was then driven away screaming in terror as he was about to meet his presumed fate. Rover took satisfaction in knowing Rocky was gone for good.

It is unknown what happened to Rocky afterwards, but it is possible he either survived in the water just like Rover did, or died when he drowned.

---

When I was done everyone was shocked!

Mizore: That monster! I'm going to snap his neck when I'm done with him!

Me: Go for it Mizore.

The previous group came.

Vector: Can me, my team, Madame Masque, Brass Knuckles, Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Vulkanus, and Ben Ravencroft go with you guys?

Vapor: And how long was Poromon working on that problem?

Nico: In order yes you all can come with us and also he was working on that problem for 3 days.

Me: Yeah.

Vapor: Geez! He really wore himself out and made himself ragged.

Nico: Yeah no kidding. But we're going to meet Rover Dangerfield.

Hank Scorpio: Whoa! I love Rover Dangerfield. He was voiced by Rodney Dangerfield.

Me: Yep and he was funny. I loved his movie he was in. Caddyshack. That was funny.

Nico: Yep.

Disk Wars Magneto: Nico, which Gene Slammer do you think you'll meet next?

X Ray: Also, I hope there are 6 Embodiments who each have met 2 of Kamen Rider teams in our ranks.

Nico: Search Man next.

Me: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figure was none other than Universe 666 Majin Buu, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Majin Buu, the next one of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Is he in the very form that Goten and Trunks fought against when they were kids, A.K.A. Super Buu?

Lincoln: Yeah, that's right.

Buster Bunny: Hmm. This is going to be really tricky though.

Taz: (Speaking in Grunts, Growls, and Rasps)

The toons gasped in horror.

Me: What did he say?

Buster Bunny: Taz just asked that he's gonna need Sebastian to turn into Demon Angel Mode and unleash the very depths of Hell on him.

Our jaws hit the floor!

CLANG!

Eli helped put our jaws back in.

Nico: Oh God, as much as we don't want that, we've got no choice. Sebastian, you're helping Taz and you're going to unleash the very depths of Hell on Universe 666 Super Buu.

Sebastian Mendez: Very well.

Lincoln: Taz is really gonna have to keep an eye on him.

Nico: Big time, but this needs to be done. Alright, gang, let's go, we're heading off to help Rover Dangerfield and silence that moron, Rocky.

Lincoln: He's gonna be sleeping with the fishes as soon as we get done with him, and once we do, you better be ready for Hell, Universe 666 Super Buu.

Buster Bunny: Of all the Z-Fighters' foes that you've had to bring back, Universe 666 Super Buu is the one person we certainly didn't expect. You better be ready to suffer the consequences when we thin out every last one of your forces!

Nico: Yeah! First we'll watch the movie and then we'll head out.

Lola: I'll make some popcorn.

She went and did so.

We got to watching the movie.

---

Rover is a Basset Hound that lives a life of luxury in Las Vegas with his owner Connie, a showgirl. He gambles and flirts with girls with his best friend Eddie. One night, he sees Connie's criminal boyfriend Rocky in a transaction with a pair of gangsters and accidentally disrupts it by dropping a bone into the meeting. Thinking that Rocky is an undercover cop setting them up, the gangsters flee as the big boss tells Rocky that he has blown his last chance as Rocky quotes that it's just a stupid dog outside. He throws the bone towards a fleeing Rover and Eddie.

The next day, Connie goes on tour for two weeks, leaving Rocky to look after Rover. In retaliation for ruining his deal, Rocky stuffs Rover in a bag, drives him to Hoover Dam and throws him into the water.

The bag is later pulled out of the water by two passing fishermen, who take Rover back to shore and place him in the back of their pickup truck. Rover regains consciousness and jumps out of the truck when the fishermen stop for gas, and begins to wander down the road. He ends up in the countryside, and eventually runs into a farmer, Cal, and his son, Danny, who convinces his father to take the dog in. Cal agrees on one condition: at the first sign of trouble, he'll be sent to an animal shelter. If nobody claims him, the animal shelter can put him down.

Rover has difficulty adjusting to life on the farm but with a help of Daisy, a beautiful collie next door, and the other dogs on the farm, he succeeds in earning their trust. Rover spends Christmas with the family, and begins to fall in love with Daisy, who returns his affections.

However, one night, a pack of wolves attempt to kill a turkey on the farm. As Rover attempts to save the turkey, the wolves run off, but the bird ends up dead and Cal mistakenly believes Rover to have been responsible. The next morning, Cal takes Rover into the woods to shoot him, but he hesitates and is attacked by the wolves. Rover manages to chase off the wolves, and rallies the other farm dogs to get the injured Cal home.

Rover's heroics make the papers, allowing Eddie and Connie to find out where he is. Danny informs Rover of his trip back to Las Vegas and he departs the farm. Although initially happy to be reunited with Connie and his friends, Rover soon begins to miss his life on the farm. When Rocky comes into Connie's dressing room, and upon seeing him, Rover initiates revenge. After Rocky accidentally confesses to what he did, Connie angrily punches him in the face and breaks up with him. Infuriated, Rocky tries to retaliate against Connie, but Rover and his dog friends chase him out of the casino, where a gangster beckons him into their limo. At first, Rocky is happy they saved him, but then questions their presence in the first place. The big boss quotes "This is a setup. Wanna see Hoover Dam"? The limo drives off with a horrified Rocky as Rover says his goodbyes to him.

Sometime later, Rover, missing Daisy, becomes depressed. Realizing he has met someone, Connie takes Rover back to the farm to stay and allows Cal and Danny to keep him this time. Rover is reunited with Daisy, who leads him to the barn and reveals to him that he is now a father, unveiling six puppies: Five of them resembles Rover and one resembles Daisy. The story ends with Rover teaching his kids how to play cards and playfully chasing Daisy around the farmyard.

We were laughing hysterically at the movie and it was FUNNY!

Brass Knuckles: This is really funny!

Me: (LAUGHS) YEAH!

Lana: YEAH!

Laney: Yeah!

We were laughing more!

Nelson Muntz: Who's ready to go?

Nico: We all are. Lets head out.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Rover Dangerfield and silence that moron, Rocky, and once we get done with him, Taz is going to take down Universe 666 Super Buu and break Universe 666 Sebastian's control over him.

LAS VEGAS, NEVADA

We arrived in Sin City.

Me: Sin City.

Lola: Yeah.

Nico: Amazing.

Hank Scorpio: Where's Rover right now?

Eli: Up there.

We saw a HUGE Mansion on top of the Aria Hotel.

Me: Now he is a Sleeping with the fishes! Or in this case the demons of fire.

Lincoln: Rot in Hell forever. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The

Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Majin Buu, or we will force you out!

A figure came out, and it was none other than Universe 666 Majin Buu in his Super Buu form.

Nico: So, Universe 666 Super Buu has arrived.

Buster Bunny: We got to stop him and free him from that leech's control.

Suddenly, Taz's eyes turned neon brown and he was surrounded by a brown energy aura with stars, winds, tornadoes, Tasmanian devils, phoenixes, and angels, he unholstered his massive greatsword from his back, and as he approached Universe 666 Majin Buu, he left brown energy, stars, winds, tornadoes, Tasmanian devils, phoenixes, and angels with every step.

Suddenly, Taz was surrounded by a massive vortex of brown energy with stars, winds, and tornadoes surrounding the vortex, there are Tasmanian Devils, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blue eyes gazing at Universe 666 Majin Buu: the eyes of salvation. Then, as the vortex faded, Taz emerged, but he was changed forever.

Taz grew to 8'5" in height, he now has abnormally massive and powerful upper and lower body muscles grew even bigger and eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large brown orbs orbiting around his legs, he has red highlights in the bangs of his full head of long brown hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon brown eyes and an brown energy aura with stars, tornadoes, winds, Tasmanian Devils, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a Tasmanian Devil with a wind gust emblazoned on his forehead and Third Eye with brown iris, he has on his Crystal Necklace of The Buddha with brown gems on the gold wind gust links and brown crystal links and a brown Tasmanian Devil-shaped Element of Harmony and on the bottom of the Element of Harmony is a Tasmanian Devil with brown gems for eyes and the Wind, Star, and Eternity Kanjis in its paws for the pendant on his bare chest and he has on a white and gold accented choker on his neck, he has on a pair of large black pants with wind gusts on the legs, black knee-high boots with wind gust buckles and on his now much wider and even more muscular back is a phoenix, angel, and Tasmanian Devil and on top is the Warner Bros. logo with stars and tornadoes surrounding the phoenix, angel, and Tasmanian Devil. Suddenly, Taz felt a sharp pain on his now wider and more muscular back, and then, massive brown angel wings with red tips on the brown feathers grew and sprouted out of his back. Taz has on a Ring of The Phoenix with brown gem and heart-shaped gem embedded in it on his right ring finger and Red Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Taz's massive Sword of The Legendary Looney Tunes and all of the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of brown energy, stars, tornadoes, winds, Tasmanian Devils, phoenixes, and angels, and when it emerged, it was transformed into Taz's Legendary Looney Tunes Wild Tornado Comedic Raging Hunger Tornado Tasmanian Devil Angel Greatsword of Legendary Looney Tunes Wild Tornado Comedic Raging Hunger Tornado Tasmanian Devil Angel Justice, it's a brand-new massive greatsword with embedded red gems and the silhouette of Taz etched on the 7'9" massive, wide, double-edged brown blade, large gold Tasmanian Devil heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in the foreheads, longer midnight black handle, four large gold Tasmanian Devil heads with red gems for eyes and in their open mouths and on the bottom of the Tasmanian Devil heads is a large gold Tasmanian Devil head with red gems for eyes and in its open mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large brown gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, new large gold Belt of Elemental Bravery with a gold Tasmanian Devil head with brown gems for eyes and large brown gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a brown kanji below the phoenix, Tasmanian Devil, and angel that said, "Taz, Always Eternally Hungry Raging Wild Whirlwind of The Legendary Looney Tunes, Ancestor of Slam Tasmanian, Mentor of Dizzy Devil, Teacher of Acme Looniversity, Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Tornadoes, Tasmanian Devils, Phoenixes, and Angels"

We were amazed by Taz's Super Angel-Looney Tunes Tasmanian Devil-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Majin Buu saw it, he fired pink energy blasts at Taz, but Taz deflected them by spinning like a tornado and he fired a massive barrage of brown energy, stars, tornadoes, winds, Tasmanian Devils, phoenixes, and angels which hits Universe 666 Majin Buu and they exploded, they got back up, but now, they were enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Taz did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Taz: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Wild Raging Hunger Tornado Tasmanian Devil Phoenix Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Wild Raging Hunger Tornado Tasmanian Devil Phoenix Angel Rage) Let's do this. (GRUNTING AND GROWLING)

Universe 666 Majin Buu stood ready, but then, he saw Sebastian appear, and he already turned into his Demon Angel Mode, and when we saw the skies turn blood red, all Hell was about to break loose now that the slumbering darkness has awakened once more.

Taz went after Universe 666 Majin Buu, and he fired extremely powerful blasts of brown energy, stars, winds, tornadoes, Tasmanian Devils, phoenixes, and angels at Universe 666 Majin Buu, and they exploded with incredible power as they hit him. Then, he attacked him with his massive greatsword and left scars on him, and he even turned into a twister and really tore into him.

Plucky Duck: Whoa, this is really incredible!

Buster Bunny: Taz is literally tearing him apart.

Sebastian summoned black demonic greatswords from pools of darkness which slashed at Universe 666 Majin Buu, demons from Hell then arose to slash and beat him up, demonic lightning rained down and attacked him even more, along with blasts of darkness and wailing damned souls that arose from Hell to attack.

Sebastian Mendez: (DEMONIC LAUGHTER)

Me: I'M GONNA NEED THERAPY FOR THE REST OF MY LIFE!

Nico: Same here. I never knew just how vicious and dangerous he can truly be!

Taz fired an F5 tornado at Universe 666 Majin Buu which exploded and knocked him out cold as he was way too dizzy, and then, he was bound with chains of light fired by Lincoln.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Majin Buu and removed every trace of the poisonous darkness that infected him, and he was restored and sent to Good Luthor. We all cheered wildly as Taz holstered his massive greatsword on his back and powered down, and Taz's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive brown angel wings are permanent.

Dizzy Devil: Alright, Taz!

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, there's no telling what other nasty surprises that Universe 666 Sebastian had on them. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Aki Mito, the Mistress of Flame Gene-Slammer, Chiharu Mito, the Elita-One Gene-Slammer, Fuji Mito, the Chromia Gene-Slammer, Hanami Mito, the Moonracer Gene-Slammer, Junko Mito, the Firestar Gene-Slammer, Kairi Mito, the Flareup Gene-Slammer, Machiko Mito, the Pyra Magna Gene-Slammer, Natsuki Mito, the Dust Up Gene-Slammer, Okimi Mito, the Jumpstream Gene-Slammer, Rikka the Stormclash Gene-Slammer, Saeko Mito, the Skyburst Gene-Slammer, and Taki Mito, the Rust Dust Gene-Slammer.

Ikumi Mito: (GASPS) My sisters?!

Selene Arcangela: Ikumi's sisters A.K.A. The Mito Sisters?! Awesome, and you guys are going to love meeting them, Aki Mito, the Mistress of Flame Gene-Slammer, Chiharu Mito, the Elita-One Gene-Slammer, Fuji Mito, the Chromia Gene-Slammer, Hanami Mito, the Moonracer Gene-Slammer, Junko Mito, the Firestar Gene-Slammer, Kairi Mito, the Flareup Gene-Slammer, Machiko Mito, the Pyra Magna Gene-Slammer, Natsuki Mito, the Dust Up Gene-Slammer, Okimi Mito, the Jumpstream Gene-Slammer, Rikka the Stormclash Gene-Slammer, Saeko Mito, the Skyburst Gene-Slammer, and Taki Mito, the Rust Dust Gene-Slammer, these twelve girls are Lincoln's Guardian Angels from Japan and classmates in

Cooking, but like their sister, Ikumi Mito, they're incredibly beautiful master chefs. They and Lincoln would make some of the best dishes and they even made some of Lynn Sr's dishes from Lynn's Table famous throughout the world.

Lynn Sr.: They made many of my dishes and they made them famous throughout the world, in fact, many would come from all over to have a taste of my dishes, and I thanked Lincoln and Ikumi's sisters for that.

Nico: Wow.

Michelle Emperyous: The Mito Sisters also wear bikinis underneath their chef outfits as they love to swim, and they're easy to identify: Aki has cherry red hair with matching clothing, Chiharu has ice blue hair with matching clothing, Fuji has emerald green hair with matching clothing, Hanami has yellow hair with matching clothing, Junko has purple hair with matching clothing. Kairi has aqua green hair with matching clothing, Machiko has magenta hair with matching clothing, Natsuki has bubblegum pink hair with matching clothing, Okimi has white hair with matching clothing, Rikka has brown hair with matching clothing, Saeko has blue and white hair with matching clothing, and Taki has orange and pink hair with matching clothing.

Laney Emperyous: Lincoln made The Mito Sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and they hate Flip with a blazing passion, the reason why is because he tried to steal the recipe for some of Lynn Sr.'s dishes and sell them to the highest bidder, but before he could, Lincoln, Ikumi, and her sisters jumped in and beat the crap out of him.

Me: That I remember all too well. Stupid mutant!

Count Spankulot: Rocky was very bad!

Black Lance: And now he's gone for good.

Me: Good riddance.

MetalSeadramon: You said it.

Qin: Yeah!

Lythos: Let's celebrate here.

SkullMeramon: I call the first machine I see!

Nico: Great job today everyone.

Lana came back with LOTS OF WHEELBARROW'S FULL OF MONEY!

Me: Whoa! How much did you win Lana!?

Lana: $999,999,999,999,999,323,236,444.43.

We gasped!

Nico: WHOA! Lana you have the most amazing luck ever. But great job today everyone!

Rover: (To the viewers) Be cool and never step on ducks folks.

Me: Yep.

We had a great time and later went back home and enjoyed the rest of the day and went to sleep.

---

At the breakfast table I was reading the newspaper and eating pancakes.

Me: Hmm. (Eating)

I looked and saw nothing out of the ordinary.

Lisa Loud: J.D. I have great news.

Me: What is it Lisa?

Lisa Loud: I have synthesized the antivirus for the zombies that plagued the world that Saya and friends have come from that Shido let loose.

She pulled out a beaker full of a blue liquid.

Me: Wow.

Lisa Loud: I tested it on Patient Zero and it works. No side effects and no complications. He is cured.

She showed him and he was completely cured!

Me: Wow! But Lisa how are we got to deliver this antivirus to all those infected?

Lisa Loud: I've already thought ahead of that. I synthesized the antivirus as a gas and when it is released into the air it will cure those by breathing it in.

Me: And it will spread through the entire planet and the population in a matter of days! That's brilliant Lisa!

Lisa Loud: All you have to do is smash this beaker onto the ground.

Me: Okay! Nico! Come here!

Nico came.

Nico: What is it?

Me: Lisa made the antidote for Shido's virus.

We showed Patient Zero cured.

Nico: Whoa she did!?

Me: Yep.

I showed it.

Me: We just have to smash this onto the ground and then it will spread over the planet like a wildfire through the air.

Nico: Wow! Lets do it then.

I opened a portal.

We saw the world of Highschool of The Dead.

Me: Here we go.

Nico: Cross your fingers.

I threw the bottle through the portal and then it hit the ground and shattered and a blue gas was released and almost instantly it cured all those infected with the virus and also it spread very fast and restored them and resurrected them!

WE WERE IN AWE!

Me: It works!

Nico: Wow! Well done Lisa!

Lisa Loud: Thank you Nico.

Me: That was awesome!

Qin: Boy nothing like going on patrol in the city.

Xenia: Yep. It sure is fun.

Camie: I love going out on patrol.

Me: Me too.

Rhinox: (LAUGHS) It sure is good for some routine watching exercises.

Laney: That is for sure.

May and Maria had the Mascots with them.

May: And the best part is that the Mascots are all better now.

Laney: they sure are.

Manaphy: Yeah Poromon was exhausted.

Poromon: Yeah no kidding.

Nico: Glad to have you back.

Pyrrha: Yep it's awesome.

Nico: Pyrrha, I want to thank you, Radioactive Man, and your teams for coming.

Pyrrha: It's no problem Nico. This is gonna be fun and cool.

Sheila Kelsall: (Australian Accent) That is for sure mates. I'm looking forward to this one.

Nico: Sheila, remember when we first met?

Sheila Kelsall: How can I forget mate. It was during an amazing trip to the zoo back when we were wee nippers. We stopped thieves from stealing Koalas.

Nico: Yep.

Me: That is cool Sheila.

Sheila Kelsall: It sure was. Glory of the Australian Outback took down those blokes mates.

Nico: It sure did.

May: And now, you and I are sharing Nico.

Sheila Kelsall: That's right mate. And we're awesome partner wives.

Me: That is for sure Sheila.

Miku Yuuki: J.D. is it really true? Is our world being cured?

Me: Yep and you have Lisa to thank for it. She synthesized the antivirus and it's now curing everyone as we speak.

Saya then broke down crying and so did the girls of Highschool of The Dead and Lincoln and me comforted them.

Me: I know. Your families and everyone will be home soon.

Camie: That was awesome!

Nico: It sure was. I'm proud of Lisa for making the antivirus.

Lincoln: Yeah. That's my genius sister.

Nico: Yep. But man yesterday was so funny. We met Rover Dangerfield and he was awesome.

Laney: (LAUGHS) He was a hoot!

Lana: And we won all that money from Vegas.

Nico: You mean YOU did?

Lana: (LAUGHS) Sorry.

Me: No worries. Boy Lincoln, Lana is one of the most luckiest girls ever. Tell me was she born with an ACTUAL rabbits foot?

WE LAUGHED!

Lincoln: (LAUGHS) No but that is funny. I think she has the most amazing luck at anything in the casino.

Qin: And we took down Rocky.

Lola: That was awesome.

Varie: It sure was. And the cool part is that Rover's house was right on top of the Aria hotel and casino. That was an awesome view.

Me: His house was amazing.

Nico: It sure was. But also we managed to destroy Rocky.

Maria: We sure did!

Poromon: Yeah! That was fun! Guys I'm sorry I was completely crazy because of that science math problem.

Nico: It's okay Poromon. Besides you learned a lesson yesterday.

Poromon: Yeah. Never stay up that long.

Me: And?

Poromon: To ask you guys for help. But J.D. that was cool that you solved that problem for me.

Me: It was no problem. But it was fun.

Camie: Yeah it sure was.

Nico: At least your clone helped us.

Poromon: You guys aren't the only ones that have contingency plans.

Manaphy: Yeah J.D. helped us come up with them.

Me: Yeah only for such an emergency.

Lola: Yeah.

Lincoln: That is for sure.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not liking in the slightest: I got word from Jim and Bruce that gangster Tony Zucco, the man who killed Robin's parents, has broken out of prison and he's running loose again.

We gasped.

Me: Oh no.

Nico: This is really bad. We need to get Robin and the rest of The Titans here at once.

Lincoln: I'm gonna do more than that.

Lincoln called the rest of the team here.

Lori: We heard everything from you, Lincoln.

Robin: I know I want Tony to pay for his crimes in prison, but he's already proven himself to be a true monster just like with Joe Chill, so there's only one thing waiting for him: The Black Gates.

Me: That's for sure!

Lincoln: Right. Oh, and you guys are about to see my Min's Egyptian Virility Drain Curse in action.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Whoa!

Lincoln: Now, here's where it begins.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, this may just be one of my most potent of curses yet.

Me: (Growls) Yeah, this is really potent, but incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared.

Eli: Whoa, I feel really dizzy.

Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: Same here. (Looked at my even more muscular body) Whoa. Lincoln, you're right about what you said, that Min's Egyptian Virility Drain Curse you put on the Stankcos is really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Tony Zucco) AHA! Gotcha! I just spotted Tony Zucco, he's 20 yards away and he's hiding out in an abandoned warehouse to the northeast.

Nico: Let's head on over and trash that asshole.

Lincoln: He may have his guards with him, so leave that one to me.

Camie: Who is Tony Zucco?

Me: He's the very monster that is responsible for the murders of Robin's parents and leaving him as an orphan.

She gasped!

I went over his history and it was horrible!

---

Anthony "Tony" Zucco is a minor antagonist in the Batman franchise. He is a major antagonist towards Dick Grayson with most versions being his parent's killer. Tony was introduced in Detective Comics #38 (April 1940) and is best known for his connections to the origin of the first Robin, being the gangster who killed his family, as mentioned before.

Tony Zucco appeared as the main villain in the Batman: The Animated Series episode "Robin's Reckoning; Part 1 and 2". He was voiced by Thomas F. Wilson. He is introduced as a small-time gangster who attempted to sell "protection" to Mr. Haly, the ringmaster of Haly's Circus, where the young Dick Grayson performed as an acrobat with his parents, John and Mary. When Haly refused, Zucco swore revenge. He sabotaged the highwire the Flying Graysons used in their trapeze act, resulting in John and Mary Grayson's deaths and making their son Dick an orphan.

Tony Zucco starts off as a young man eager to make a name for himself in the racketeering business, as well as with the mob. On the side he strong arms companies to pay him protection money. As in the comics, he threatens Haley's Circus, and kills Dick Grayson's parents. Zucco's brashness infuriates his uncle, mob boss Arnold Stromwell, who disowns him after Batman's visit to his house.

Bruce Wayne decided to adopts the young Grayson. Grayson wanted to after Zucco with a vengeance. After a couple of brief run-ins with Batman, Zucco escapes and hides out in an abandoned amusement park on the edge of Gotham. Nine years later, Batman and Robin apprehend one of Zucco's henchman, and learn that the mobster has returned to the city.

Batman tries to handle it on his own, not wanting Robin to get involved in it. Upset at Batman's orders, Robin goes after Zucco anyway, despite Alfred's protests. Batman goes to the amusement park and finds Zucco, but injures his leg, and is forced to fight the henchmen with his injury. Batman defeats everyone but Zucco, who stands over Batman with a machine gun once his henchmen are defeated, but Robin shows up on his motorcycle and drags Zucco to the edge of a pier. Batman comes up behind them, and manages to calm Robin down. Robin apologizes to Batman, and throws Zucco back onto the pier. After this fight with Batman and Robin, Zucco is arrested and convicted of murder. Batman explains that he distanced Robin from the investigation because he didn't want Zucco to hurt him any more. Zucco went to prison and was executed for the Graysons' murder.

---

When I was done everyone was shocked and horrified!

Eli: What a monster!

Xenia: Yeah!

Applejack: WHY THAT NO GOOD MONSTER!

Me: That's why we're going to help Robin. We're going to kill that monster once and for all.

(Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Tony Zucco.

Nico: Lets take them down with stealth attacks.

Me: Good idea.

We were flying, and then, we saw Tony Zucco hiding in the abandoned amusement park in the northeast and he has his guards here.

Me: (Whispering) Target sighted.

Lincoln: There he is, and he's got his guards here. Leave them to me.

We took cover in the shadows and Lincoln turned the tips of his eleven massive and long white tails into Cell's stingers, and he began sneaking behind the armies of Tony's thugs stationed all around the perimeter. Lincoln was right behind a group of thugs, and as he stabbed his tails into the backs of the group of thugs, Lincoln began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Then, Lincoln continued on with sneaking behind the remaining armies of Tony's thugs, and like he did with the first group, he stabbed his tails into the backs of the remaining armies of Tony's thugs and Lincoln began absorbing them, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Nico knocked down a crate and got the attention of one of them

Thug: What was that!?

The thug went over and in the bush Nico grabbed him and snapped his neck.

CRUNCH!

Poromon threw a beer bottle on the ground that got the attention of one of them

SMASH!

Thug: What the!?

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted a thug into ashes!

Me: (Whispers) He's taken care of the armies of thugs around the place, now he's got to take care of the snipers on the roofs.

Lincoln disappeared and reappeared on the rooftops without making any sort of noise, and when he was in the vicinity of the snipers, Lincoln stabbed his tails into the backs of the snipers and he began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done and the stingers changed back, all that was left of the snipers were their clothes and weapons.

Lincoln: Ah, now that was quite a feast.

Then, we reappeared as Lincoln descended in front of us.

Lincoln: We're all set to ambush Tony Zucco, guys.

Me: With all his thugs absorbed by you, now he's all alone.

Nico: Let's do this.

Inside the warehouse, Tony Zucco was a nervous wreck. As soon as he broke out of prison, the cops put out an APB on his ass and he's had to slink into the shadows and hide out in the warehouse, so he wouldn't be caught by them, but now, he's got other things to worry about.

Suddenly, a black and purple mist appeared in front of him, and then, from the darkness, Tony Zucco was attacked by the spirits of all his slain victims that appeared from nowhere, and then, he was hit hard by the wailing souls of the tormented as they wailed and screamed in agony. Then, the wailing souls of the tormented and the black and purple mist converged, and a massive tornado of black and purple darkness appeared with all the wailing souls of the tormented circling around as a Phoenix Cry and Thunderbird Screech was heard, and as the tornado faded, we appeared.

Tony Zucco: YOU! GODDAMN IT, OF ALL THE LOUSY… !

Tony Zucco fired his gun at Lincoln, but the bullets bounced off him.

Lincoln: Really? That's all you've got?!

Nico: Ha ha! Nice try, asshole! But, we're bulletproof.

Me: But, you're not.

I summoned machine guns out of nowhere and they fired at Tony Zucco and he dodged the bullets as he ran like the coward he is. He tried to get away, but Lincoln's left arm stretched out and grabbed Tony by the collar and he threw him into crates, he got out, but boy was he pissed.

Nico: You really thought you could break out of prison and not expect us to come for your hide, Tony?

Robin: That's where you are wrong.

Starfire: Indeed. You've got a lot to answer for killing Robin's parents.

Raven: There's going to be no forgiveness for the likes of you, Tony Zucco.

Tara: We've got nothing nice to say to a thug like you. So, let's call it a day and let us put you down like the mad dog that you are.

I teleported and punched him down.

Robin: You're through Zucco! Forever!

Me: Zucco you will pay for everything you did! You killed the Grayson Family!

Zucco: How do you know that!?

Me: Because you forgot one person!

Robin: Me!

He took off his mask and revealed himself!

Robin: My name is Dick Grayson, Son of John and Mary Grayson! The Flying Graysons! You killed my mother and father!

Tony Zucco: YOU!

KROW!

He kicked Zucco in the face and I bashed him in the face and I knocked out some of his teeth!

POW!

I punched him in his face!

POW BIFF KROW BLAM!

I punched him 4 times and he went at me and I jumped over him and kicked him in the back of the head and smashed him into a carnival stand!

He got up and looked at Robin!

Tony Zucco: I knew I should've taken you out too!

Me: You're gonna regret making that mistake!

I teleported and punched him in the chest and kicked him in the face and Robin kneed him in the face!

He grabbed him.

Robin: I've waited a long time for this. I'm gonna get my revenge!

Me: You have had this coming for a long time!

I punched Zucco in the face and broke his nose!

Me: Out of all the gangster villains we faced from Batman, I'VE ALWAYS HATED YOUR FUCKING GUTS THE MOST!

Zucco punched him in the stomach but Robin grabbed his fist and bent it back and broke his hand!

BLAM!

Robin punched him in the head and kicked him in the chest and bashed him into a crate!

Starfire: No one hurts my boyfriend!

She fired an energy blast and it hit Zucco in his face and exploded and he was burned bad! He screamed in pain!

Me: You make me FUCKING SICK ZUCCO! You are a true scumbag! No wonder your uncle hated your fucking guts and disowned you!

THAT STRUCK A NERVE!

THEN HE ROARED IN FURY AND WENT AT ME!

Raven: Azarath Metrion Zinthos!

She fired a blast of darkness and blasted down Zucco and I teleported and bashed him in his face!

Tara then roared and sent numerous boulders and bashed him all over!

Tara: That isn't all!

She fired a powerful blast of fire and it formed into raven talons and grabbed him and HE SCREAMED IN PAIN AS HE WASS BEING BURNED ALL OVER BY THE INTENSE FLAMES!

Tara: Hot, ain't it?!

Me: Just like the fire that will burn you where you are going!

Tara let him go. Then Zucco roared in fury!

Suddenly, the colored eyes of Starfire, Raven, and Tara turned to neon colors and they're surrounded by colored energy auras with stars, elemental forces, animals, phoenixes, and angels, they unholster their massive greatswords from their backs, and as they approach Tony Zucco, they left colored energy, stars, elemental forces, animals, phoenixes, and angels with every step.

Suddenly, Starfire, Raven, and Tara were surrounded by three massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are animals, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with red eyes glaring at Tony Zucco: the red eyes of death.

Me: Oh man, this is gonna get ugly!

Nico: You said it.

Lincoln: But, it's been a long time coming. Tony wound up getting the blood of Robin's parents on his hands, and because of it, he crossed the line of no return, and as Lucy would say, no one's going to say a kind word at his funeral.

Robin: He's never been well-liked by anyone at Gotham, they hated him so much, they wish someone would do away with him. Now, that day is about to come.

Then, as the vortexes fade, Starfire, Raven, and Tara emerged, but they were changed forever.

We were amazed by the transformations of Starfire, Raven, and Tara, and when Robin, Naruto, and Beast Boy saw them, they had an atomic red blush on their faces and their noses were bleeding, and Lincoln snapped his fingers and brought them out of it. But, when Tony Zucco saw it, he went mad and got out a knife to stab them, but Starfire, Raven, and Tara fired a massive barrage of colored energy, elemental forces, animals, phoenixes, and angels which hit Tony Zucco and sent him flying into another crate, he got out, but now he was pissed off.

Lincoln, Starfire, Raven, Tara, and I went after Tony Zucco, and we fired extremely powerful blasts of rainbow energy, purple and emerald green energy, black and purple energy, yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Tony Zucco, and they exploded with incredible power as they hit him.

?: Time to zap you down!

Out came a girl with green hair and yellow eyes and she had green angel wings and had green and purple clothes. On her left arm was a tattoo for the symbol of Kamen Rider W and on her right arm was the symbol of Drive and she had a tiara with the symbol of Dynamo on it and the same symbol on her skirt. She also had a sword for the Gaia Memories.

Diana Dynamo: Diana Dynamo, Embodiment of Dynamo Man is here.

Philip: Diana! Wow!

Shotaro: Awesome to see you again.

Shinnosuke: Bou you are looking great.

Diana Dynamo: Philip and Shotaro and Shinnosuke! Its been a while. We can catch up later. Lets do it!

Philip: Henshin!

Shotaro: Henshin!

Shinnosuke: Henshin!

They transformed and were ready!

Me: YEAH!

Philip: Time to count up your sins!

Me: And his sins are far too many to count!

I used the W Gear and turned my sword into a Gaia Memory Sword!

Me: Awesome! Welcome to your WORST NIGHTMARE!

I used the Nightmare, Ghost and Terror Gaia Memories! It formed my sword into a Sword of terrifying darkness!

Me: COOL!

Nico: Wow!

Me: NIGHTMARE STYLE NINJA ART: HORRORS OF SLAPPY THE LIVING DUMMY!

I fired a wave of darkness and it formed into Slappy and his evil minions and they hit Zucco and scared the shit out of him!

Me: OH YEAH!

Diana Dynamo fired waves of lightning and it hit Zucco and electrocuted him!

Shinnosuke: Lets go for a ride!

He used the Fire Shift Car and fired waves of fire and blasted Zucco all over.

Fang! Metal! (Heavy metal guitar riffs to metallic synth)

Philip and Shotaro turned into their FangMetal form.

Drive Type High Speed! (Upbeat jazz music)

Shinnosuke turned into his Type High Speed form.

Me: Time to Chew up some metal!

I used the Explosion, Heat and Magma Gaia Memories and got a Volcanic Heat Sword!

Me: Cool!

I fired waves of lava bombs and they went at Zucco and blasted him all over!

KRABBBBOOOOOOOOM! KRABBBBBBBBBOOOOOOOOOMM! KRABBBBBOOOOOOMMM!

Nico: WHOA! That was awesome!

Fang! Metal! (Heavy metal guitar riffs to metallic synth)

Philip and Shotaro turned into their FangMetal form.

Drive Type High Speed! (Upbeat jazz music)

Shinnosuke turned into his Type High Speed form.

Me: Time to Chew up some metal!

I used the Explosion, Heat and Magma Gaia Memories and got a Volcanic Heat Sword!

Me: Cool!

I fired waves of lava bombs and they went at Zucco and blasted him all over!

KRABBBBOOOOOOOOM! KRABBBBBBBBBOOOOOOOOOMM! KRABBBBBBOOOOOOOMMM!

Nico: WHOA! That was awesome!

Philip and Shotaro and Shinnosuke charged at him.

They kicked and smashed him down.

Me: OH YEAH!

Qin: Take that!

Starfire fired waves of energy, Raven fired darkness blasts and Tara fired waves of earth and fire.

The blasts all hit Zucco and blasted him all over.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Starfire, Raven, Tara, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Tony Zucco even more insane and straight to the brink of insanity.

Tony Zucco: YOU GODDAMN BITCHES! I'LL KILL YOU ALL!

Tony Zucco charged at us completely blind with rage and fury, but Starfire, Tara, and Raven fired blasts of energy which knocked him down.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank goodness that Universe 666 Sebastian didn't bust him out.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) He wouldn't do that since he's a murderous monster, but either way, you're done, Tony Zucco. PARASITIC SYMBIOTE ENERGY DRAIN!

Lincoln fired tentacles of symbiote goo with mouth-like suckers, and as they latched onto Tony Zucco, Lincoln began sucking out and absorbing his energy as streams of blue energy were being sucked out of Tony Zucco and flowing into Lincoln and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Then, as Lincoln sucked out the last of Tony Zucco's energy, he was now absolutely weak and drained of energy.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) Now, to finish you off for good.

Lincoln swung his massive greatsword and fired waves of Fire which burned Tony Zucco all over and he swung his massive greatsword again and fired waves of Ice that froze his arms and he swung his massive greatsword again and he fired waves of Water that drenched him all over and he swung his massive greatsword again and fired a tornado with Wind that blew Tony Zucco around and he swung his massive greatsword again and fired waves of Lightning and electrocuted that shithead.

Nico: HOLY SHIT! Lincoln's mastery over The Elements is just as powerful as J.D.'s!

Sabrina Lorelai: Yep.

Fang! Trigger! (Heavy metal guitar riffs to rock guitar riffs)

Philip and Shotaro turned into their FangTrigger form.

They fired waves of energy and blasted him.

Laney: Yeah!

Then, Lincoln brought his left arm back and he clenched his left hand tightly, and then… !

POW! SQUELCH!

LINCOLN PUNCHED TONY ZUCCO IN THE STOMACH WITH DEVESTATING FORCE AND THAT CAUSED TONY ZUCCO TO EXPLODE INTO A GORY MESS!

Me: HOLY FUCKING SHIT!

Nico: HE DESTROYED HIM WITH ONE PUNCH! YUCK!

Eli: YUCK!

Then, Lincoln banished Tony Zucco to The Black Gates forever. Everyone cheered as Lincoln, Starfire, Raven, Tara, and I holstered our massive greatswords on our backs and powered down, and the new bodies, clothes, weapons, jewelry, gold halos, Third Eyes, and massive angel wings of Starfire, Raven, and Tara are permanent.

Robin: It's finally over. Mom and Dad can finally rest in peace

Me: Yeah.

Nico: Tony Zucco really is the exact definition of a scumbag.

Lincoln: Same with Joe Chill, those two never cared about the lives of anyone and would take the lives of those around them for money.

Me: Those are the kinds of shitheads I can't stand at all.

Nico: That's why we never let those kinds of assholes live at all, they need to suffer a punishment far worse than prison, and that's death.

Shinnosuke: And that's the end of that.

Diana Dynamo: Good riddance.

Me: Yeah.

Nico: Tony Zucco really is the exact definition of a scumbag.

Lincoln: Same with Joe Chill, those two never cared about the lives of anyone and would take the lives of those around them for money.

Me: Those are the kinds of shitheads I can't stand at all.

Nico: That's why we never let those kinds of assholes live at all, they need to suffer a punishment far worse than prison, and that's death.

Me: You got that right.

Diana Dynamo: But that was so fun.

Shotaro: Boy it sure was!

Shinnosuke: Awesome to see you again Diana.

Diana Dynamo: Same here to you guys.

Nico: Can you tell us how you met Shinnosuke, Shotaro, and Philip?

Diana Dynamo: I met Philip and Shotaro and helped them take down the Explosion and Ocean Dopants and those two became my signature form. I am Kamen Rider ExplosionOcean.

Me: Cool!

Diana Dynamo: And I met Shinnosuke when I saw May beating up Nira. That was so awesome.

May: Well during Onewa's missions we killed that monster and sent him to the black gates.

Me: We sure did and May ate his heart.

Nico: Yep.

Me: Yeah. We used our cars during those missions and the big day mission. It was cool to drove them for that.

Lola: Yeah. And we had the big battle against Banno on planet Velocitron. Very fitting for it.

Diana Dynamo: That is awesome.

Lola: Yeah.

Ophelia Laurence: And Medic is an amazing archenemy for me. Everyone compliments her on her awesome Black Swan dancer outfit.

Diana Dynamo: That is too true. I've always loved her as the Black Swan. Also I heard that the members of NEVER have archenemies now.

Lincoln: They sure do. Some of my guardian angels have them.

Me: Yep.

Nico: And speaking of people who killed parents…

Me: Yeah. Zucco is dead now.

Lola: Yeah.

Robin: I'm just glad my family can now rest in peace.

Nico: We all are.

May: But this is gonna be very interesting.

Me: It sure will. Now we have The Anothers to face.

But then out came Another Hash Slinging Slasher, Naked Krabs, Muscle Krabs, the Empty Head Society and Nuclear Man!

Me: WHOA! Another Hash Slinging Slasher, Naked Krabs, Muscle Krabs, the Empty Head Society, and Nuclear Man!

Eli and Plankton: (SEES ANOTHER NAKED KRABS) GOOD GRIEF HE'S NAKED!

Qin: PUT SOME CLOTHES ON!

Squidward: [screams in terror to the point where hair grows from his head and starts wiggling] The Sash-Ringing, Flash-Singing, the Bash-Pinging…

SpongeBob: The Hash-Slinging Slasher! [starts to cry]

Squidward: At last you understand! We're doomed!

SpongeBob: No, that's not it. [wipes tear] I am just so touched that you would go through the trouble to dress up as a ghostly fry cook and stand on the other side of the street, just to entertain me! You must really like me! [cries again]

Squidward: SpongeBob, there are 2 problems with your theory. 1: I hate you. And 2: how can that be me when I'm standing right here?!

SpongeBob: [screams in terror to the point where his eyelashes grow and starts wiggling]

SpongeBob and Squidward: The Hash-Slinging Slasher!

Nico: Eli didn't get a chance to sense them!

Eli: NO THEY COMPLETELY SURPRISED US!

[SpongeBob and Squidward hold each other in terror]

Squidward: [screams]

SpongeBob: Get away from me! He's going to flip me! Get away! Get away!

(BABBLING HYSTERICALLY!)

Squidward: SpongeBob, no matter what I've said, I've always sort of liked you.

SpongeBob: Squidward, I used your clarinet to unclog my toilet.

Squidward: Huh?

SpongeBob smiled sheepishly.

Qin: Boy they sure caught us by surprise!

Nico: We still get to decide who's up!

Me: Lana (Crimson Dawn), Seamia the Cancer, Kale, Patrick Star, Uncle Grandpa, Pinkie Pie, Leni Loud, The Three Stooges and Mr. Krabs.

Nico: Nice!

Qin: (LAUGHS) This will be funny.

They reverted back and we saw that they were 8 girls.

The first one had green hair and green and blue clothes and had blue angel wings and the symbol for the Romulan Empire in the middle of her forehead and on her skirt and she had an awesome keyblade.

The Others were all girls that had matching hair and clothes and angel wings and had tiaras with the symbols of the Giant Flying Squirrel, Ankylosaurus, Anaconda, Horseshoe Crab, Yarn and Tuna dopants on them and on their skirt and they had awesome weapons.

Lincoln: Rhonda Romulus!

Me: Callie Colugo, Anya Ankylosaurus, Angela Anaconda, Tina Tuna, Yuma Yarn, Hailey Horseshoe, and Sheila Ship! Wow!

Anya Ankylosaurus: Awesome to see you again J.D.

Rhonda Romulus: And you as well Lincoln.

Nico: Geez! 8 of them!

Lincoln: Yeah! And Rhonda Romulus is one of my guardian angels.

Me: Whoa! Oh god! Don't tell me you're going to give the mascots Romulan Ale?

Rhonda Romulus: (LAUGHS) I'm sure they would love my planet's beer.

Nico: (LAUGHS) Yeah I'm sure.

Me: Yeah. Oh and the rest are the Embodiments of Giant Flying Squirrel, Ankylosaurus, Anaconda, Horseshoe Crab, Yarn and Tuna.

Nico: I can see that.

Angela Anaconda: Yeah we sure are.

Me: By the way girls is the Another Radioactive Man friendly or hostile?

Callie Colugo: Friendly but you may want to be ready. She is INTENSELY Radioactive.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Nico: YEAH!

Me: That was fun!

Maria: Better bring in backup. (TURNS DIAL) SCORPION FURY 6!

She summoned Hank Scorpio, Evil Heat Man, Badonna, Morticon, El Jefe and President Koopa.

Qin: YEAH!

Poromon: FYI, me and my fellow mascots still love beer.

Rhonda Romulus: (LAUGHS) I can see that.

Me: Romulan Ale I think would be much too strong for them.

Laney: Yeah I agree.

Poliwag: But hey. You can give that to many kids.

Me: Poliwag, Romulan Ale would kill them. But Blue Gatorade would make a great substitute for that.

Qin: It's true. Blue Gatorade looks so much like Romulan Ale.

Camie: It sure does.

Rhonda Romulus: That is true. Blue Gatorade is perfect.

Nico: (to Rhonda) You should've been there when the mascots showed their class that sketch.

Rhonda Romulus: What happened?

Me: They showed their classmates the Cereal Mascots Robot Chicken Sketch and got in trouble for it. Nico punished them by having the mascots give the Trinity of Violence massages.

Lori: And they literally give some of the best massages.

Rhonda Romulus: That is one punishment that works out well for them.

Poliwag: Yeah we actually like giving Lori, Lola and Lynn massages.

Lola: They are awesome.

Nico: A rabbit's penis was shown in that video.

Me: Yep.

Rhonda Romulus: Crazy ass stupid.

Nico: Yeah.

Lana: Yeah.

Nico: And they offered their class beer!

Rhonda Romulus: GEEZ!

Lola: Yeah no kidding.

Nico: Yeah.

Poromon: But we learned our lesson.

Me: Yeah.

Rhonda Romulus: Good.

Laney: Yeah.

Nico: We're glad you did.

Qin: Yeah.

Me: We're not done yet though. Still have Another Radioactive Man though.

Nico: All we can do now is wait.

But then our Geiger Counters were starting to click my mad.

Me: Uh oh. Radiation.

Camie: Oh boy.

Varie: This will be good.

Nico: I know what that means!

Me: Yep. There!

We saw ANOTHER RADIOACTIVE MAN!

Me: Whoa!

Camie: This one is REALLY radioactive!

Lola: Yeah!

Another Radioactive Man: (In a girls voice) It's not only with the job description but also it fits me as the Radiation Dopant.

Me: That voice! Rhonda Radiation.

She reverted back and was a girl with roange hair, red eyes, orange clothes and had fire angel wings and had a tiara with the symbol of the Radiation Dopant on it and the same symbol on her skirt and had a fire sword in her hand.

Rhonda Radiation: Awesome to see you again J.D.

Me: You too. Rhonda is the embodiment of the Radiation Dopant and she has fire and radiation powers and her power is as strong as being close to a massive nuclear explosion.

Nico: Wow!

Lola: That is amazing.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito got an In Space sword and Zocks got the Magna Defender Sword.

Rhonda Radiation: No he didn't. Because it was for obvious reasons. I am intensely radioactive.

Sakura Knudson: That is amazing.

Rhonda Radiation: It sure is. And it's also the reason why he sent me out so fast.

Sougo: (gets out In Space Ridewatch) Well, you don't have to worry about us.

Geiz (Gets out Lost Galaxy Ridewatch) We're immune to radiation.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Rhonda Radiation: That is good and awesome.

Starfire: It sure is.

Laney: Yep.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Rhonda Radiation: Lets see how he likes this!

She fired an energy blast and smashed him all over.

Nico: (Gets out Radioactive Man's Ridewatch): Time to get Radioactive!

May: (Gets out Void Knight's ridewatch) We'll make this Atomic and fun!

Maria: (Gets out Jasdevi's ridewatch) And it will be one that Lights up the day!

Nico, May and Maria used the Ridewatches for Radioactive Man, Nuclear Man, Void Knight, Tesla, Jasdevi and Evil Magic Man and blasted him all over.

Sheila Kelsall: Take this mate! (ACTIVATES NUCLEAR MAN'S RIDEWATCH)

She fired waves of energy and blasted the Another.

Then Multiplex, Count Marzo, Dr. Neugog, Big Beanie, Universe 666 Cyclonis and Evil Stone Man came.

Nico: Nice team Multiplex!

Multiplex: Thanks Nico!

?: Boy that is awesome.

Search Man came!

Me: Search Man! Whoa!

Search Man: (In a girls voice) This will be fun.

Nico: Sarah Search! Whoa!

Sarah Search: Yep. I got this!

She fired a wave of energy and smashed the another. I caught the ridewatch and purified it.

Then Sarah reverted back. She was a girl with green hair, green eyes and had green clothes and had green angel wings and had a sly eyes symbol in the middle of her forehead.

Sarah Search: That was awesome.e

May: I didn't get hit this time!

Sarah Search: No but you never know.

Me: What's your favorite memory of Nico?

Sarah Search: When me and Nico found a secret base of commandos and killed them all.

Me: Cool!

Nico: Yep. That was fun.

Nico and Sarah hugged.

Nico: I've missed you.

Sarah Search: Same here.

We went back home.

Lincoln: Yep, I'm gonna drain Malfegor dry like I did with Nicol Bolas.

Suddenly, we saw twelve beautiful and super sexy girls with long hair in cherry red, ice blue, emerald green, yellow, purple, aqua green, magenta, bubblegum pink, white, brown, blue and white, and orange and pink, purple hairbands, blue eyes, they were tall at 7'0" in height, they have the bodies of goddess and large breasts, massive cherry red, ice blue, emerald green, yellow, purple, aqua green, magenta, bubblegum pink, white, brown, blue and white, and orange and pink angel wings, and they were dressed in white short-sleeved shirts, black pants, black knee-high boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, elements, light, phoenixes, and angels on the coattails and on the back are The Autobot Female Furies, holstered on their backs are massive greatswords, and with them are the five girls.

Aki Mito: That's right, and we got the six girls away from that demon dragon.

?: YOU WILL ALL PAY FOR WHAT YOU DID TO MY MASTER!

We then saw a massive winged four-armed centaur-like demon-dragon hybrid heading right for us, it was Malfegor.

Then, Lincoln pinned him to the ground with energy swords, and he bared his fangs and charged at him with superhuman speed and Lincoln sank his fangs into Malfegor's neck and he began drinking his blood and he was also assimilating Malfegor's Fire breath, Flight, and Strength and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also began growing even stronger.

When Lincoln was done and he released his fangs, Malfegor was now completely pale and lifeless and drained completely dry of blood and he set Malfegor's body on fire and sent him to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Rot in the depths of Oblivion for your crimes, Malfegor. (To The Mito Sisters) And it's so good to see you and your sisters again, Aki.

Aki Mito: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Mito Sisters and he hugged them, and The Mito Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you girls since you were seventeen, and as you can see, I really grew a lot since then.

Chiharu Mito: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Fuji Mito: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these eight girls?

Lincoln: Indeed I do, J.D., meet Aki Mito, the Mistress of Flame Gene-Slammer, Chiharu Mito, the Elita-One Gene-Slammer, Fuji Mito, the Chromia Gene-Slammer, Hanami Mito, the Moonracer Gene-Slammer, Junko Mito, the Firestar Gene-Slammer, Kairi Mito, the Flareup Gene-Slammer, Machiko Mito, the Pyra Magna Gene-Slammer, Natsuki Mito, the Dust Up Gene-Slammer, Okimi Mito, the Jumpstream Gene-Slammer, Rikka the Stormclash Gene-Slammer, Saeko Mito, the Skyburst Gene-Slammer, and Taki Mito, the Rust Dust Gene-Slammer, these twelve girls are my Guardian Angels from Japan and classmates in Cooking, but like their sister, Ikumi Mito, they're incredibly beautiful master chefs. They and Lincoln would make some of the best dishes and they even made some of Lynn Sr's dishes from Lynn's Table famous throughout the world. The Mito Sisters also wear bikinis underneath their chef outfits as they love to swim.

Selene Emperyous: And they're also easy to identify: Aki has cherry red hair with matching clothing, Chiharu has ice blue hair with matching clothing, Fuji has emerald green hair with matching clothing, Hanami has yellow hair with matching clothing, Junko has purple hair with matching clothing. Kairi has aqua green hair with matching clothing, Machiko has magenta hair with matching clothing, Natsuki has bubblegum pink hair with matching clothing, Okimi has white hair with matching clothing, Rikka has brown hair with matching clothing, Saeko has blue and white hair with matching clothing, and Taki has orange and pink hair with matching clothing.

Selene Arcangela: Lincoln made The Mito Sisters beautiful necklaces, and to show thanks, they kissed Lincoln on the lips, and they hate Flip with a blazing passion, the reason why is because he tried to steal the recipe for some of Lynn Sr.'s dishes and sell them to the highest bidder, but before he could, Lincoln, Ikumi, and her sisters jumped in and beat the crap out of him.

Nico: He tried to steal the recipes for some of Mr. Lynn's dishes and sell them to the highest bidder?! That goddamn mutant cheapskate!

Eli: Nico, I am THIS CLOSE to killing that stupid mutant cheapskate!

Lincoln: Eli, you'll do no such thing. We will kill him in December along with Icky Vicky and Xehanort.

Me: He's right, just hold on longer.

Nico: But still, Flip's always willing to cross any line to get money, his greed's already damned him for good.

Lincoln: But, he's way too stupid to even realize that he's already been beaten, that will end together with his life, and now that you and your sisters are here, Aki.

Lincoln went up to and hugged each of The Mito Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aki Mito: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, twelve Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Mito Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Chiharu Mito: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mito Sisters.

The Mito Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Aina Kamishima, Makiko Endou, Kotori Hoshino, Misako Shimizu, and Ryouko Yanagi from Tsugou no Yoi Sexfriend?.

Lincoln: Oh wow, it's Aina Kamishima, Makiko Endou, Kotori Hoshino, Misako Shimizu, and Ryouko Yanagi from Tsugou no Yoi Sexfriend?.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Aina Kamishima: Yes, we're okay, thanks to you.

Then, when Aina Kamishima and the other four girls saw who it was that saved them from Malfegor, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful

Aina Kamishima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Aina Kamishima: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aina Kamishima, Makiko Endou, Kotori Hoshino, Misako Shimizu, and Ryouko Yanagi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was Malfegor, the demon-dragon hybrid and servant of Nicol Bolas.

But, when Lincoln showed what we did in beating that demon-dragon hybrid down and Lincoln biting him on the neck and draining him dry of his blood and assimilating his powers and destroying him and sending him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and the Mito Sisters have a lot of catching up to do, now that they're back in town.

Maria: I can't believe Malfegor came here to get revenge, but I'm not surprised.

Luna: Same here, he knew what Lincoln did in killing Nicol Bolas, and he wanted revenge.

Lincoln: But, in the end, I drained him dry of blood and assimilated his powers.

Nico: And you burned his body and sent him to The Black Gates for good, good riddance.

Me: You got that right.

---

After destroying Malfegor, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Mito Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aki Mito: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Chiharu Mito: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Fuji Mito: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Hanami Mito: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Junko Mito: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Mito Sisters played a video on the big screen and it shows Lincoln and The Mito Sisters at Lake Michigan: Lincoln was in his orange shorts and sandals and The Mito Sisters were in their two-piece bikinis and sandals, and they were having fun swimming at the lake after helping out at Lynn's Table.

Past Aki Mito: This is really awesome, I love coming to Lake Michigan.

Past Lincoln: Same here, Aki.

Past Chiharu Mito: Plus, with all the work you've been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD BELLOW OF RAGE!

Suddenly, they heard a loud scream of rage along with catching the stench of B.O., trash, and smelly feet.

Past Lincoln: Oh great, there's no mistaking that loud bellow of rage from anywhere along with the smell of raw sewage. Get out here, you mutant cheapskate, so we can kick your three-cheeked smelly butt even more.

Suddenly, they saw Flip come out, and he was really out for blood again, then, he charged like a mad bull and was about to attack Lincoln, but Lincoln punched him and sent him flying into a tree. He got back out, but he roared like a madman, now he was really pissed and he beat his chest like a gorilla.

Past Lincoln: Bring it, moron!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Flip bellowed again and he went at Lincoln, but he reared his right fist back, and he landed a mean uppercut to Flip's fat hairy stomach of Chandler knocking the wind out of him, and then, he unleashed a massive storm of slashes from his massive greatsword and they slashed off Flip's clothes leaving him in his stained undies and stained t-shirt and Lincoln fired water blasts at Flip. Then, Lincoln reared his left fist back and gave him a nasty punch to the face that sent him flying back to his cell in prison.

Past Lincoln: What a moron.

Past Aki Mito: That's an understatement.

And as Lincoln rejoined The Mito Sisters, he gave them a kiss on the lips as the video ended.

Nico: (LAUGHING HYSTERICALLY) Serves that moron right.

Me: When Lincoln told us about that mutant breaking out again, we were extremely pissed off beyond imagination.

Luna: You got that right.

Lincoln: That mutant clearly didn't know when to quit.

Nico: But, in the end, you kicked that mutant's ass hard and sent him flying right back to prison.

Aki Mito: He sure did. That stupid smelly mutant cheapskate had some nerve to show up and ruin everything because he still wanted to kill Lincoln again for ruining his! After what that jerk's done to Lincoln and his family and friends in the past, I wanted to punch Flip in his ugly face, but Lincoln sent him flying with one punch, but when he got out, that's when Lincoln got serious.

Fuji Mito: He had it coming. But, Flip's now a humiliation dummy, and soon, his life will be brought to a permanent end forever.

Me: That stain's done enough damage to Michigan to last an eternity.

Lincoln: You said a mouthful.

We got a shower afterwards, and then, Lincoln, Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo are heading to Laverra Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator

Star Butterfly, and Hekapoo are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Nina: Wow, so, this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Nina, and it's perfect for our first date. Shall we?

Lincoln, Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo and they hugged the girls in their abnormally massive and powerful muscular arms, and Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo are in your harem, Linky.

Girl Jordan: Mollie and I knew Nina had feelings for Linky ever since they were eleven, and now that she's grown up into a young lady, now she's joined his harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is

just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Nina, Simulator Frida (Hilda), Simulator Kelly (Hilda), Simulator Star Butterfly, and Hekapoo, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Starshine Beach Galaxy is next.

Me: Ooh! That one was paradise.

Camie: Wow!

Linka: (Russian Accent) Me and Gi will go next.

Gi: Yeah!

Me: Cool!

Twilight Sparkle: And me and Eli will go as well.

Nico: All right lets go.

They went in and the Simulator activated and they were at STARSHINE BEACH GALAXY!

Nico: Wow! This would be a perfect vacation spot.

Twilight Sparkle: It sure would.

Gi: Amazing!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one is a really simple one. You just have to get to the tower right in the middle of the beach there.

Nico: That's easy.

Nicole: But I've included a good boss for you all to face.

Nico: Who?

Then out came DRAYGON from SUPER METROID!

Nico: I knew it wouldn't be THAT easy!

Eli: This will be good!

Twilight Sparkle and Eli fired waves of magic and lightning and blasted the creature.

Linka: WIND!

She fired a wave of wind from her Ring.

Gi: WATER!

She fired energy from her ring and formed a water column and the blasts all hit Draygon.

Nico: (gets out Radioactive Man and Atomic Skull's Ridewatches) Here's some radiation for you!

He activated them and fired waves of energy and blasted him all over.

?: Let us get some action in!

2 figures came! One was a girl with blue hair and blue eyes and had blue clothes and angel wings and had a tiara with the symbol of the Nar Moonland on it and the same symbol on her skirt and had an ice sword. And the other had purple hair, purple eyes, purple angel wings, purple clothes and a tiara with the symbol of a clock on it and on her skirt.

Neyla Nar: Neyla Nar, Embodiment of the Moonland of Nar.

Tara Time: Tara Time, Embodiment of Time Man.

Becca Chang: Wow! Tara!

Syd: NO WAY! You're blowing my mind!

Tara Time: Becca and Syd! Its been a while. We can talk later. Lets get him!

They fired waves of ice and time energy and blasted Draygon down and he was dead.

Nico: YEAH!

They got the star!

YOU GOT A STAR!

Nico: Awesome!

Neyla Nar: That was fun!

They high five!

Gi: How did you meet Syd and Becca?

Tara Time: We met while Becca was on an excursion over in South America and stopped a bunch of poachers from killing anacondas.

Nico: That is awesome.

Neyla Nar: Boy it sure is.

Nico: Would you like to join the team?

Neyla Nar: We would be honored.

They left and we cheered wildly for them and Becca and Syd hugged Tara.

---

Later we were walking to the movie theater. The mascots were blindfolded.

Izzy Moonbow: Where are we taking them again?

Pinkie Pie: We can't tell them that silly! (Whispers) It's a surprise.

Poromon: This will be fun.

Nico: Yep.

We got to the movie theater.

Me: Here we are.

We pulled off their blindfolds.

Me: Tadah!

Mascots: The movie theater! Awesome!

Nico: Yep,

Me: I arranged for your dates here.

Horsea: Awesome!

Me: Tickets for Avatar The Way of Water please?

Clerk: Go on in guys.

We went in.

We got snacks and food and went into the theater.

Taro: Lyra, I'll never regret meeting you.

Lyra Heartstrings: Me neither. That was awesome.

Laney: All of that was awesome!

Nico: It sure was. Especially with the Hitotsuki Battles.

Me: Those were really fun.

The movie was starting.

***SPOILER ALERT***

---

Sixteen years after the Na'vi repelled the RDA invasion of Pandora, Jake Sully lives as chief of the Omatikaya clan and raises a family with Neytiri, which includes sons Neteyam and Lo'ak, daughter Tuk, and adopted daughter Kiri (born from Grace Augustine's inert avatar). Spider, the Pandora-born human son of the late Colonel Miles Quaritch, frequently visits their children while being raised by the scientists who stayed on Pandora. To the Na'vi's dismay, the RDA, led by its new leader Frances Ardmore, returns to colonize Pandora as Earth is becoming uninhabitable. Among the new arrivals are Recombinants, Na'vi avatars implanted with the memories of deceased human soldiers. Quaritch's Recombinant serves as their leader.

A year later, in the year 2171, Jake leads a guerilla campaign against the RDA. During a counterinsurgency mission, Quaritch and his subordinates capture Jake's children. Jake and Neytiri arrive and free them, killing several of Quaritch's soldiers, but Spider is captured by Quaritch who recognizes him as his son. After the RDA fails to get information from Spider, Quaritch decides to spend time with his son to draw him to his side. In turn, Spider teaches Quaritch about Na'vi culture and language.

Aware of the danger posed by Spider's knowledge of his whereabouts, Jake and his family exile themselves from the Omatikaya and retreat to Pandora's eastern sea where the Metkayina clan gives them refuge. There, the family learns the ways of the reef people, Kiri develops a spiritual bond with the sea, and Lo'ak befriends Tsireya, the daughter of chief Tonowari and his wife Ronal.

After defending Kiri against Tonowari's son Aonung, Lo'ak apologizes at Jake's insistence. Aonung and his friends then entice Lo'ak to a trip into a sea predator's territory and leave him stranded. Lo'ak is saved from the predator and befriended by Payakan, a Tulkun-an intelligent and pacifist whale-like species whom the Metkayina consider their spiritual brethren. Upon his return, Lo'ak wins Aonung's friendship by taking the blame for the trip, but is told that Payakan is an outcast among the Tulkun.

Later, Kiri links to the Metkayina's underwater Spirit Tree and, in a vision, meets her biological mother Grace, whose consciousness lives within Pandora. During the link-induced trance, Kiri suffers a seizure and falls unconscious, nearly drowning.

Jake summons Norm Spellman and Max Patel for help using their medical equipment. They diagnose Kiri with epilepsy and warn that she cannot connect to the Spirit Tree again, as doing so may kill her. Although Ronal saves Kiri, Quaritch tracks Norm and Max's aircraft to the archipelago where the Metkayina live. Bringing Spider with him, Quaritch joins forces with the RDA's marine operations, led by Captain Mick Scoresby, and commandeers a whaling vessel that hunts Tulkuns to extract an anti-aging serum called amrita.[b]

Quaritch's squad raids the archipelago, interrogating the tribes about Jake's location to no avail. Quaritch then orders the whalers to kill Tulkuns near the villages to draw Jake out. Lo'ak mentally links with Payakan and learns that he was cast out because he went against the pacifist ways of his species and attacked the whalers who killed his mother, causing many deaths.

When the Metkayina learn of the Tulkun killings, Lo'ak rushes off to warn Payakan, followed by his siblings and friends. They find Payakan being hunted, and Quaritch captures Lo'ak, Tsireya, and Tuk. Jake, Neytiri, and the Metkayina set out to confront the humans and rescue the kids. Quaritch forces Jake to surrender, but Payakan attacks the whalers, triggering a fight between the Metkayina and the humans. Spider cripples the vessel and Neteyam rescues Lo'ak, Tsireya, and Spider, but is fatally shot by one of Quaritch's men. Devastated, Jake and Neytiri go back to save their remaining children that were recaptured. Jake faces Quaritch, who uses Kiri as a hostage. When Neytiri does the same with Spider, Quaritch at first denies their relationship, but desists once Neytiri cuts Spider across the chest. Jake, Quaritch, Neytiri, and Tuk end up trapped inside the sinking vessel. After a tense skirmish, Jake strangles Quaritch unconscious and is rescued by Lo'ak and Payakan, while Kiri recovers Neytiri and Tuk. Spider rescues Quaritch, but refuses to go with him and rejoins Jake's family, who welcomes him as a true son.

After Neteyam's funeral, Jake informs Tonowari of his decision to leave the Metkayina. Still, the chief respectfully identifies Jake as part of the clan and welcomes him and his family to stay. Before vowing to resume their campaign against the RDA, Jake and his family accept their new lives at sea.

Later the movie was finished and it was awesome.

Me: Boy that was so fun!

Lola: Yeah!

Sweet Leaf: Yeah! Animal Path shows all those amazing creatures when we battle.

Nico: Boy that was awesome!

Sunny Starscout: Did you guys enjoy the movie?

Poromon: We sure did! That was so awesome!

Manaphy: It sure was!

Laney: All the creatures of Pandora's oceans were amazing!

Lola: Yeah they were!

Nico: Yeah those were awesome!

Jake Sully: Boy those were amazing. Some of us never saw them before.

Neytiri: They sure were amazing. It's hard to imagine we would still be at it with you guys after all that we went through back then.

Me: I know. In 148 years. That's amazing that the Na'Vi were still having problems with us in that movie and the Earth is becoming uninhabitable? Scary.

Taro: Lyra, before, I never fully thought of any of my companions as my friends. (smiles) But meeting you truly changed that.

Lyra Heartstrings: I'm glad it did.

Me: Because your friends are not just people that are there for you but they too are your family.

Nico: That's right.

ZOOM!

Poromon: Now it's time to give J.D…

They saw that I was gone.

Nico: And the chase is on.

Offroad: Go get em.

Poromon: With pleasure.

Little did they know that I was on the planet Valmorg. Hiding out in that cave.

Me: I knew this cave would be useful.

I had snacks, TV, everything.

?: Boy awesome hiding spot.

I saw 5 girls. 1 had red hair and rainbow clothes and rainbow angel wings and a tiara with the symbol for the Elemental HERO Monsters on it.

The 2nd had purple hair, purple eyes, purple angel wings, purple clothes and a tiara with the symbol of the Destiny HERO monsters on it.

The 3rd Girl had black hair, red eyes, black bat wings and black clothes and had a tiara with the symbol of the Evil HERO monsters on it.

The 4th girl had black hair, blue eyes, a blue kimono and blue angel wings and she had a tiara with the symbol of the Six Samurai Monsters on it.

And the 5th Girl had aqua blue hair, blue eyes, blue clothes and had blue angel wings and a tiara with the symbol of the Crystron monsters on it.

Me: Eleanor Element, Dayna Destiny, Evelyn Evil, Sina Sixa and Callie Crystron! Awesome to see you girls.

Eleanor Element: Same here J.D.

Dayna Destiny: A chase?

Me: Yep.

Evelyn Evil: Just a feeling.

Sina Sixa: Yeah.

Callie Crystron: May we watch too?

Me: Sure.

They came and watched with me.

Taro: I'm just sorry the Hitotsuki monsters were dumped on you guys.

Lyra Heartstrings: Are you kidding!? Battling those monsters was so fun.

Nico: Yeah we had so much fun battling them. And we got to live your adventures and they were really fun.

Laney: And battle many great monsters that had the powers of all the rangers from over the last 46+ Years.

Sideswipe: GEEZ! Where did J.D. go!?

Eli: (Senses for me) AHA! He's on Valmorg!

Nico: Whoa! All the way over there!? Crafty! He thought we wouldn't go there because it's too hot.

Camie: Nice.

Taro: And ironically, it was Crocker and Burns' own minions that finished them off by accident.

Nico: Yeah that's right.

Lyra Heartstrings: Yeah!

Nico: But the reactions on the Generals faces when they saw 46+ Years of rangers was priceless.

Laney: I still have that on my phone.

Qin: (LAUGHS) Cool.

Nico: Lets go to Valmorg then.

Nico used Instant Transmission and teleported everyone there.

They arrived.

Me: I was wondering when you would show up!

Nico: There you are!

Me: Like my hiding spot?

Nico: Boy this is nice. Oh I don't believe we met.

Me: Nico these are Eleanor Element, Dayna Destiny, Evelyn Evil, Sina Sixa and Callie Crystron, the Embodiments of the Elemental HERO, Destiny HERO, Evil HERO, Six Samurai and Crystron monsters.

Eleanor Element: Awesome to meet you guys.

Nico: Same here girls.

Mascots: CUTIE TICKLE ATTACK!

I was laughing hysterically as the mascots were tickling me.

Mixmaster: I think he's had enough.

Me: (LAUGHS)

Poromon: SAY UNCLE!

Me: (LAUGHS)

Nico: Dude, say it!

Me: (LAUGHS) NEVER!

Eli: Bro in the name of all humanity say it!

Me: (LAUGHS) UNCLE! UNCLE! UNCLE!

They stopped and I panted.

Me: (Sighs) Whew! Sorry guys.

Poromon: No worries. But we had a lot of fun.

Varie: Good. How did you make it cool here?

Me: I put a generator and a bunch of air conditioners in here.

Nico: Cool.

Maria: Pretty smart.

Me: Yeah.

We later went back home.

---

We arrived.

Me: Whew! That was fun.

Laney: It sure was.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The Planet Killer, the automated, self-propelled doomsday machine capable of destroying entire planets, and it's coming to destroy Earth. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront

today, it's none other than The Planet Killer, the automated, self-propelled doomsday machine capable of destroying entire planets, and it's coming to destroy Earth.

We gasped in shock and horror.

Me: Oh God. We got to alert The Enterprise at once and alert everyone here!

I did just that as I alerted The Enterprise and everyone on Earth.

Me: It's done.

Nico: Awesome work, J.D. Alright, gang, let's head for The U.S.S. Valorous Phoenix and join up with The Enterprise and destroy The Planet Killer.

Lincoln: That machine's not going to destroy our planet, not on our watch!

Me: Looks like we're heading to System L-374.

Nico: And so begins our Star Trek adventures.

Nico: And so begins our Star Trek adventures.

Me: Just like Madame Crescentia said.

Qin: Yep.

Nico: What does this Planet Killer look like?

Me: Well it's a weird thing.

I pulled up the info of it.

---

The "planet killer" was an informal name given by Spock in 2267, based on a description given by Commodore Matt Decker, to an automated, self-propelled doomsday machine capable of destroying entire planets. This robot was encountered by two Federation starships: the USS Constellation and the USS Enterprise. Its origin was unknown, but, based on its apparent trajectory, it was believed to have come from a galaxy other than the Milky Way.

Around stardate 4202.1, the Constellation, under the command of Commodore Decker, encountered massive destruction in system L-370 - all seven planets had been utterly destroyed. Proceeding to system L-374 (stardate 4202.3), the ship found three intact planets, and a fourth in the process of breaking up. Orbiting the fourth planet was the planet killer, firing a pure antiproton beam at the planet and consuming the planet's rubble as fuel.

As the Constellation approached, it was attacked by the planet killer. The ship's deflector shields were quickly overwhelmed by the onslaught. The machine proved completely invulnerable to counterattack because its hull was composed of pure neutronium. The Constellation sustained heavy damage. The main bridge was destroyed, the phaser banks were exhausted, the warp drive was destroyed and the impulse drive was severely damaged. In addition, the machine projected a powerful dampening field which cut off all communications with Starfleet Command. The field also deactivated the Constellation's antimatter fuel and left the ship nearly powerless.

Unable to continue the attack or escape, Decker ordered the crew to evacuate to the third planet in the system. Decker himself remained aboard as the last man. However, having finished consuming the fourth planet, the machine then turned towards the third planet. Decker tried to beam his crew back up, but the machine attacked again, damaging the transporter. He could only watch helplessly as the machine consumed the planet below and killed his entire crew of 400 men and women. A short time later, the Enterprise, under the command of Captain James T. Kirk, received a faint and garbled distress signal. Unable to make out any words aside from Constellation, she entered system L-374 and found her sister ship drifting and abandoned, with Commodore Decker the sole survivor aboard. Assessing the situation using the Constellation's sensor records taken by Science Officer Masada, Spock projected the weapon's point of origin to be from outside of the Milky Way Galaxy. He also determined, based on its present course, that it would enter the most densely populated regions of the Alpha Quadrant, including the nearby Rigel system. Decker became determined to stop the threat posed to the Federation by the planet killer.

As for who built the planet killer and for what purpose, Kirk could only speculate that it was built untold eons ago by some alien race as a "Doomsday machine" in a forgotten conflict - a weapon built primarily as a bluff, because if it was ever activated it would be equally devastating to both sides. Whether the planet killer's creators ultimately destroyed themselves or simply moved on, they don't exist anymore - but their automated weapon was left behind.

## The Battle

As the Enterprise held alongside the Constellation, it was suddenly and swiftly attacked by the planet killer. Although the Enterprise was more maneuverable, the weapon was extremely fast and gaining on its target. In the first volley, the Enterprise took heavy damage, with shields almost exhausted and transporters and communications damaged. While Captain Kirk was trapped with the boarding party aboard the Constellation, Spock ordered evasive action. Commodore Decker, taken aboard the Enterprise for medical treatment, exercised his authority to assume command under Starfleet General Order 104 and countermanded Spock's orders to avoid the machine and seek a clear space to warn Starfleet. With a combination of seeking retribution for the loss of his ship and crew, and the presumption that the nearby Rigel colonies would be the next target of the machine, Decker ordered an immediate attack on the weapon. However, the Enterprise was overwhelmed as quickly as the Constellation had been, and soon trapped by a tractor beam which was pulling the ship towards the planet killer's maw.

Meanwhile, on the Constellation, Chief Engineer Montgomery Scott managed to effect partial repairs to the impulse engines and a single phaser bank. Kirk launched a diversionary attack on the Planet Killer that allowed both ships to escape. The planet killer apparently had a relatively simple and straightforward defensive computer program that only allowed it to engage single targets within a specific range. The immediate danger past, Captain Kirk ordered Decker relieved of command of the Enterprise.

As the two Starfleet ships withdrew, the planet killer returned to L-374 and resumed consuming the planetary debris, taking in additional fuel. When Decker gave indications he was going to continue to press the attack despite narrowly avoiding disaster in the previous engagement, he was relieved of command by Spock under direct orders from Kirk on the basis that to continue to press the futile attacks would be indication he was suicidal, and was ordered to report to sickbay for a psychological examination.

Suffering from a mental break-down brought on by extreme stress and the loss of his ship, crew and command, Commodore Decker escaped custody and stole the shuttlecraft Einstein from the Enterprise, piloting it on a suicide course directly into the weapon's maw, where it was quickly destroyed. However, the Enterprise sensors detected a small drop in the power output of the planet killer - the shuttlecraft's explosion, however small, had in fact caused some minor damage to the weapon from the inside. Based on this data, Captain Kirk proposed detonating the Constellation's main impulse engines inside the Planet Killer, creating a much bigger explosion and hopefully causing major damage to the weapon, if not destroying it outright.

As the Enterprise held position near the Planet Killer, outside of weapons range, Kirk piloted the Constellation on a direct course toward the weapon. Beaming out at the last second, he detonated the Constellation's engines directly inside the weapon's maw, bypassing the neutronium hull, and effectively dropping its power output to zero (in essence completely disabling the machine). It should be noted that due to the presence of the seemingly impenetrable neutronium hull, the hulk (or "corpse") of the planet killer was left intact, floating lifelessly in space.

Following the battle, Captain Kirk noted in his log that Commodore Decker gave his life in the line of duty.

When it was done we were shocked and horrified!

Lynn Sr.: Wow! I remember watching that one! That was amazing! And it was one of my favorites.

Me: Same with my father too Mr. Lynn. That is cool!

Lola: Yeah!

The previous group came.

Metalseadramon: Can me, Electropede, Samon Shakekisutanchin, Marluxia, Black Knight Ghost, Xigbar, Count Spankulot, Black Lance, Lythos, and SkullMeramon go with you guys?

Nico: Yes you all can come with.

Qin: We're going to be in for a rough battle.

Laney: Yeah the Planet Killer from Star Trek is causing problems.

Nico: Yep.

Sixshot: Boss, which Gene Slammer do you think you'll meet next?

Nico: Sword Man next.

Sixshot: Cool!

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figure was none other than Universe 666 Dr. Gero, and that lunatic has sent him out to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Dr. Gero, the next one of Universe 666 Sebastian's resurrected mind-controlled minions, and that lunatic has sent him out to kill us.

We gasped.

Buster Bunny: Oh great, not the Universe 666 version of that madman!

Lincoln: And let's not forget that many of The Cybertronian Gene-Slammers harbored a really nasty grudge against that fucked-up madman for his help in Team Rocket's Gene-Slammer project.

Dizzy Devil: Dizzy need help from dark monster of madness with mad doctor.

The toons gasped in horror.

Me: What?!

Lincoln: Oh boy.

Buster Bunny: Dizzy, are you crazy? Asking Sebastian to help you with Universe 666 Dr. Gero, you do realize what he'll do to him, right?

Dizzy Devil nodded, but he had a mallet ready along with dynamite.

Nico: Ooh, awesome, a mallet and dynamite! Nice. Alright, gang, let's deploy The U.S.S. Valorous Phoenix and head to The Enterprise and destroy The Planet Killer.

Lincoln: That doomsday machine has destroyed its last planet, we'll send it straight to the scrap heap for good, and once we got done with it, you're next, Universe 666 Dr. Gero.

Buster Bunny: Of all the Z-Fighters' foes that you've had to bring back, Universe 666 Dr. Gero is the one person we certainly didn't expect. You better be ready to suffer the consequences when we thin out every last one of your forces!

Nico: Yep.

Me: Before we leave, there's something we got to do. (Solemnly) It's that day again.

Nico: Oh right. 9/11.

Me: Yep.

We went to New York City. We paid our respects to those that were lost and gave the memorial flowers and our respects.

Later we went back and Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The U.S.S. Valorous Phoenix and head to The Enterprise and destroy The Planet Killer, and once we get done with destroying it, Dizzy Devil is going to take down Universe 666 Dr. Gero and break Universe 666 Sebastian's control over him.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,000.1: The U.S.S. Valorous Phoenix is en route to solar system L-374 to help destroy the Planet Killer to help Captain Kirk take it down. Our mission is to stop it from destroying anymore planets.

Samon Shakekisutanchin: First, we're going to see Kirk.

Me: Been a while since we saw Kirk.

Lisa Loud: Nico, scans are showing massively heavy subspace interference.

Me: We're getting close. The planet killer can jam signals.

Nico: Yep.

But then we saw beams firing on the screen.

Me: Whoa look at that!

Nico: All hands Red Alert!

The alarms sounded!

Bounce Man: They're having a party with us?!

We saw the Enterprise and the Constellation firing at the Planet Killer! IT WAS HUGE!

Me: WHOA!

Nico: That's the Planet Killer!? It's huge!

Me: It's 8,710 feet long.

Nico: Wow!

Shanan: Amazing!

Me: Whatever made that thing really messed up big time.

Lola: Yeah!

We saw that the Enterprise took mild damage. But the Constellation took the most damage and was in really rough shape.

Nico: Oh man! The Planet Killer did a number on the Constellation. Lets get both ships to us and drive the Planet Killer away for the time being. Fire Particle cannon!

We fired a particle cannon blast and it hit the Planet Killer and blasted it far away.

Me: Nice!

Nico: That will hold it for the time being.

Black Knight Ghost: Is everyone okay?

Nico: We'll find out. Lola hailing frequencies.

Lola: Aye sir.

Lola opened channels to the Enterprise and Constellation.

Lola: Enterprise is hailing but not Constellation.

Nico: Patch through. Enterprise this is the U.S.S. Valorous Phoenix, Nico Chan commanding.

Spock: It is good to see you again Nico.

Nico: Thank goodness you all are okay. We got here just in time.

Spock: Kirk is on board the Constellation to get it ready for tow.

Nico: We'll bring both ships aboard our ship for repairs. We'll also look over the Constellation too.

Spock: Acknowledged.

We brought the ships aboard into the hangar of the ship.

Nico: Okay lets head to the hangar. All hands go to yellow alert and stand by battlestations.

We went to the hangar and we saw the Constellation. It was really in bad shape.

Me: Boy that thing did a number on it.

Rafael: How did this happen?

Nico: We'll find out. Lets head in.

We went on board the constellation and it was a wreck.

Me: Holy shit.

Eli: This ship is trashed!

Nico: Big time.

We went and found Captain Kirk and some of the crew.

Me: Captain Kirk. Been a while.

Captain Kirk: It has been a while guys.

Scotty: (Scottish Accent) By devil you all have have changed a lot now.

Me: We have evolved in many ways.

Nico: Yeah. What happened here?

Captain Kirk: This ship took a nasty beating.

Me: So we have noticed.

Count Spankulot: (Transylvanian Accent) The Planet Killer has been very bad!

Me: I don't think you would want to spank a planet killer that's over 8,700 feet long.

Nico: Yeah. Kirk is there any way to access the bridge of this ship?

Captain Kirk: No it's all damaged and uninhabitable Spock said.

Scotty: The Phaser banks are totally exhausted. They didn't give up without a fight. The impulse engines aren't too bad.

Me: Maybe there's a clue in the computers.

Scotty: Good idea. Lets head to auxiliary control room.

We went to the room and found a survivor.

Me: We got a survivor!

We went in and saw that it was Commodore Matt Decker.

Me: Commodore Decker.

Kirk: Matt? Matt? It's Jim Kirk.

I looked at him.

Me: He looks like he's in a trance.

Dr. McCoy: Commodore? Commodore Decker?

He got him back to normal with some medicine. He was rubbing his shoulder.

Kirk: Matt? Matt?

Commodore Decker: Kirk. It's Jim Kirk.

Me: Are you all right Commodore?

Commodore Decker: And Team Loud Phoenix Storm. It's an honor.

Thrust: I'm getting a bad feeling about this.

Kirk: What happened to your ship Matt?

Commodore Decker: A ship attacked. That that thing.

Me: You mean the Planet Killer?

He then went into a state of shock.

Kirk: Answer me! What was it!? What happened Matt!?

Dr. McCoy: Jim! Jim give him a minute. He's in a state of shock.

Me: This is definitely the telltale symptoms of PTSD.

SkullMeramon: It's a trap!

Eli: Whoa! SkullMeramon no! I don't sense anything. There's nothing here.

SkullMeramon: Sorry.

Scotty: Ready with the Duplicate Log sir?

Kirk: Go.

He played it.

Commodore Decker: (On record) Captain's log, Stardate 4202.1: Exceptionally high subspace interferrance prevents us from contacting Starfleet to inform them of the destroyed solar systems we have encountered. We are now entering system L-374. Science officer Masada reports that the 4th planet appears to be breaking up. We're going to investigate.

Kirk: 4th planet. Only 2 left now.

Me: We'll analyze the tapes for you Kirk.

Kirk: Okay.

Needle Man: Leave no stone unturned. SOMETHING happened on there.

Nico: Yep.

Commodore Decker: We tried to contact Starfleet. No one heard. No one.

Me: Commodore Decker what happened to the crew of this ship?

Commodore Decker: Oh I had to beam them down. We were dead. No power, phasers useless. I stayed on board. Last man aboard this ship. They were down there and I'm up here.

Me: Do you remember which planet it was Commodore?

Commodore Decker: On the third planet.

Kirk: There is no third planet.

Me: Yeah half of this entire solar system was reduced to rubble.

Commodore Decker: (Voice breaking) Don't you think I know that? There was! But not anymore! They called me and begged me for help! 400 of them! (Crying) I COULDN'T I COULDN'T!

He broke down crying.

We couldn't help but feel bad for him.

Me: Oh my god.

Lythos: Anything else you're not telling us?

Me: Lythos patiences. Commodore I know this is tough for you but what was the planet killer doing when you went in on the 4th planet?

Commodore Decker: We saw it hovering over the planet slicing out chunks of it with a force beam.

Kirk: Did you run a scanner check on what kind of a beam?

Commodore Decker: Pure anti-proton. ABSOLUTELY Pure!

We gasped!

Me: That is incredible!

Nico: Yeah!

Me: That's incredible that this thing has that kind of power.

Nico: Yeah!

Sonata Dusk: What else can you remember?

Commodore Decker: I don't really know.

Me: Commodore Decker, we're sorry about your crew. What you did was an accident. It was all an error in judgement.

Commodore Decker: I was responsible for them! I should have died with them.

Me: Commodore listen you are not to blame for what happened. You did your best but it got the drop on you. The power of the planet killer was too much.

Commodore Decker: You don't understand. I KILLED my own crew!

Black Lance: You what now?!

Me: It was not on purpose Commodore! You didn't mean to do it.

Kirk: That's right Matt. You are not to blame for what happened.

Me: Commodore it was not your fault.

Laney: Yeah it was all an accident.

Me: Commodore listen, we have seen more death and destruction than anyone. We killed NUMEROUS villains that were out to destroy the entire universe many times. Some of them would have killed COUNTLESS numbers of lives. Those 400 people that you lost was a small fraction of how many lives were at risk because of them.

Nico: That's right. Look, I know how you feel Matt. I lost my entire planet too at the hands of a ruthless tyrant. I was the last of my kind before. And now look at me. They are back and I'm leading my people to redemption. But you can still have a chance to make things right.

Trolling Thunder: Wanna make it up to us? Help us fucking stop it!

Me: That's right! You can still help us out by stopping that Planet Killer.

Then the Red Alert alarm went off.

Me: Uh oh! It's back!

We went to the bridge.

Lola: Here it comes!

We saw THE PLANET KILLER!

Nico: There it is!

Eli: Wow! It's massive!

Xigbar: Get the weapons ready!

Nico: All hands battlestations!

We got the battle stations ready.

Lily: Shields at full power!

Then the Planet Killer fired its beam at us and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The shields held but we REALLY felt the power of that blast!

Me: WHOA! That is powerful!

Nico: No shit!

Qin: Wow!

Lily: Shields are holding. 99%.

Me: Wow! Our shields are stronger than we thought.

Sandman: Time to fire back!

Nico: Yeah. Fire lasers and torpedoes!

We fired lasers and torpedoes. But they weren't having any effect on it!

Me: WHOA!

Nico: That hull is tough!

Lisa Loud: Scans show that the Hull is made of solid indestructible Neutronium.

Nico: Geez!

Laney: Wow! That thing is lethal!

Me: Lets see how it likes this.

I went and opened the air lock and went outside.

Me: How about this! (CUPS HANDS) KAAAAAAAAAA MEEEEEEEEEEEE HAAAAAAAAAAAA MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a Kamehameha Wave at 25% of my power and it hit the hull of the Planet Killer and exploded!

EXTREMELY MASSIVE EXPLOSION!

When the smoke cleared there wasn't even a scratch!

Me: WHOA! Not even a scratch!

I came back.

Me: Well that didn't work.

Marluxia: We're going to need the Superlaser!

Nico: That might do it!

Lisa Loud: Scans show that there's a weak spot! We have to fire the Superlaser into its mouth.

Nico: Wow! This is gonna be interesting.

Camie: Yeah.

Fisticuffs: Lets stun it with our entrance!

Nico: Lets do it!

We had the ship go at it.

Then the spirits of the planets of Star Trek came and swirled around it and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in front of it and then a phoenix cry was heard. The ship came out and it was stunned.

Nico: Nice!

Electropede: Lets hit it with a Star Blade!

Lincoln: Star Blades coming!

Lincoln fired used the ship's attack firing cannons from us and blasted the Planet Killer!

Nico: Yeah!

Optimus: Keep At it!

We fired waves of energy and elements and blasted it all over the place.

Camie: HIT IT HARD!

We did so.

Nico: DIE, YOU SON OF A BITCH!

We were really going at it!

Then I fired a time stop grenade on it.

It was stunned.

Then Iron Lung, El Diablo, Vanitas, Merman, KGBeast, P'andor, Firepower, Absorbing Man, Shiv, and Yenaldoshi came.

Nico: Iron Lung, El Diablo, Vanitas, Merman, KGBeast, P'andor, Firepower, Absorbing Man, Shiv, and Yenaldoshi.

Iron Lung: That thing is huge!

El Diablo: How are you gonna kill it?

Nico: With the Superlaser. No biggie.

Vanitas: Oh. Good to know.

Merman: (to Nico) We heard you kill Tony Zucco.

Nico: Yep. Good riddance.

KGBeast: Never liked that guy

Nico: Yeah.

Robo-Blaze came!

Me: Robo-Blaze!? But you already had your turn?

Robo-Blaze: I know. But it's my turn for the Power Rangers battle.

Me: Oh. Cool!

Robo Blaze: That thing must be as huge as the Estate!

Me: 8,700 feet is nothing compared to it.

Laney: Yeah.

Nico: Lets get it on!

Me: COME ON YOU APES! DO YOU WANT TO LIVE FOREVER!?

We went to the arena and got the battles underway.
